ADMISSION REQUIREMENT

Page 53 EMT/PARAMEDIC TECHNOLOGY- Admission Requirements: Delete
Upon admission to the EMT-Paramedic Program, professional liability insurance will
be required at a cost of \$20.00 per year. In addition a random drug test will be
completed at a cost of approximately \$20.00 per year. Other required fees will include
a one-time \$50.00 lab fee for entering students and a criminal background check at a
cost of \$55.00

Page 53 PRACTICAL NURSING PROGRAM (PN)

6. Applicants must have a TABE (**most recent edition**) score of 12 required
math and reading level or equivalent; or an ACT composite score of 16
with a 12 in math and reading, or 12 composite if taken before October
1989, with a 12 in math and reading

Page 55 SURGICAL TECHNOLOGY (SUT)

4. Applicants must have a TABE (**most recent edition**) score of 12 required
math and reading level or equivalent; or an ACT composite score of 16
with a 12 in math and reading, or 12 composite if taken before October
1989, with a 12 in math and reading

CHANGES IN FINANCIAL INFORMATION

Page 86 GENERAL INFORMATION

8. Students taking less than twelve semester hours on the Decatur campus will
pay fees at the rate of \$75.00 per semester hour at the time they register. A
technology fee of \$2.00 per semester hour (maximum of \$25.00 per
semester) will be assessed for part-time students. A non-refundable

FIRST COURSE FREE

For purposes of this policy, an adult is anyone over 21 years of age who has graduated from high school or who has passed the GED Test and has been out of high school for more than one year. The \$75.00 per semester hour will be waived for the first course only. **This policy applies to part-time students only.**

NEW SCHOLARSHIPS

Aaron Ronald Davis Memorial Scholarship – This scholarship was established in 2006 by family and friends to honor the life and work of Ron Davis, who contributed 29 years to science education in the state of Mississippi. A graduate of East Central Community College, Mr. Davis earned a bachelor's degree in biology from the University of Southern Mississippi and a master's degree from Mississippi State University in science education. For 19 years, Mr. Davis was an outstanding instructor of biology, zoology, and anatomy/physiology at ECCC, and he served for 10 years as department chair of the science division, providing knowledge and support to faculty, students, and the ECCC community at large. As sponsor of Sigma Sigma Mu Tau, an organization for students interested in health careers, Mr. Davis mentored many students in regard to coursework, applications, and decision-making. Praised for his skill and compassion as a teacher and advisor, Mr. Davis was recognized with the Instructor of the Year Award, HEADWAE Award, and a medallion for teaching excellence from the National Institute for Staff and Organizational Development.

The scholarship will be awarded annually to a sophomore majoring in science, with special consideration to majors in the medical fields. The annual scholarship recipient will be chosen by a consensus of the ECCC science faculty.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

The Lucille Wood Scholarship – This scholarship was established in May of 2006 by former basketball, volleyball, and tennis players of Miss Lucille Wood. A native of Louisville, MS, Lucille Wood was the youngest of five children to attend East Central and graduated in 1951. She received the BS and MA degrees from USM. After teaching and coaching at Copiah-Lincoln Junior College for three years, this outstanding coach and instructor began her career at East Central in 1956. She is now the longest tenured instructor in any of Mississippi's two-year colleges.

Miss Wood was a pioneer in establishing intercollegiate women's basketball in Mississippi and in implementing Title IX. She coached both club teams and varsity teams from 1956 until 1985. Her volleyball team won a state championship, and her basketball teams were successful at the state and regional levels. Several individuals

were state champions in tennis. She also served the NJCAA as Region XXIII (MS/LA) Director. Her work with the NJCAA and success as a coach resulted in her receiving the NJCAA Service Award in 1992, the only Mississippian to be so honored. She was also selected to the NJCAA Women's Basketball Coaches Hall of Fame in 2004. She is also a member of the East Central Community College Athletic Hall of Fame.

Miss Wood's dedication to all East Central students is an indication of her commitment to excellence in academics and to the importance of being a well-rounded student. She sponsored many extra-curricular activities such as May Day, intramurals, talent shows, Awards Day, and the Student Education Association. Her successes in the academic area were recognized by her selection as the HEADWAE Outstanding Faculty Member; a Lamplighter Excellence in Teaching recipient; the Humanities Teacher of the Year; Instructor of the Year for East Central; a winner of Delta Kappa Gamma Xi Chapter's Red Rose Award; one of the Mississippi Women's Conference Power of One Award Winners; and the state winner of Blue Cross/Blue Shield Ageless Hero for Love of Learning.

This outstanding coach and instructor has served as speaker for the dedication of the Burton Library and Walter Arno Vincent Administration Building and was the keynote speaker for the Convocation celebrating the 75th Anniversary of East Central Community College. She was also instrumental in raising funds and working to establish Sullivan Park and the Memorabilia Room in Burton Library. Further service to her alma mater includes serving as president of the Alumni Association for two different terms. Further indication of her dedication to East Central is shown by the naming of the Brackeen-Wood Physical Education Building in honor of her and Coach Denver Brackeen. Upon entering that building, the historical display that she researched and had prepared demonstrates her interest in the total concept of athletics at East Central.

Miss Wood currently serves as chairman of the Social Science, Business, and Education Division of the College, but her greatest achievement lies in her interest in the lifetime success of her students.

Policies and criteria for the Lucille Wood Scholarship are as follows:

1. Be a graduate of a high school in the 5-county district;
2. Be enrolled as a full-time academic student;
3. Have completed two semesters of college work (26 hours) in any major;
4. Have a 3.0 G.P.A. on college work;
5. Follow a curriculum as outlined in the college catalog;
6. Have high moral and ethical character;
7. Extra curricular activities will be considered;
8. Be a returning female sophomore athlete (one

9. student will be nominated from the women's basketball, women's soccer, women's softball, and women's tennis teams by their coaches) – of the four nominees, the ECCC Scholarship Committee will select the scholarship recipient;
10. Game playing time to be a factor; and

The scholarship will be presented at the spring Awards Day by The coach of the selected player.

All funds contributed will be placed in the endowment with only the interest expended each year for the scholarship award. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award.

NEW CURRICULUMS

SOCIAL WORK (SWKS)

Advisor: Ms. Mary Boulton

Upon successfully completing the Social Work program of study, graduates should be able to enter the junior year of Social Work at a four year institution. A student who enrolls in the Social Work program is advised to refer to the catalog from the institution which he/she plans to attend after graduation from East Central and to follow the recommendations of his/her academic advisor.

EARLY CHILDHOOD EDUCATION (CDT)

Advisors: Ms. Kathy George, Ms. Mary Ann Wright

The student enrolled in **Early Childhood Education Technology** is required to successfully complete two academic years of study. An individual will receive an Associate in Applied Science Degree. The student receives adequate instruction and training in curriculum planning and implementation. Experiences in coordination of activities in are, music, language arts, and other avenues of learning prepare the student for job placements in private and public day care centers, Head Start, teachers' aides in public school systems, and other position. All students enrolled in the program must have up-to-date immunizations and submit to finger printing and background check.

Upon successfully completing the **Early Childhood Education Technology** program, graduates should be able to gain entry to administrative level employment I the childcare industry.

NEW COURSES

Add the following courses to Chapter 6, beginning at Page 225 DESCRIPTION OF COURSES/UNIVERSITY PARALLEL

SOC 2133 – SOCIAL PROBLEMS

A study of the nature, scope, and effects of the major social problems of today and the theoretical preventive measures to alleviate them. Course includes such problems as unemployment, urbanization, crime, juvenile delinquency, alcoholism, drug addiction, and disaster, family problems include the aged, mentally ill, and retarded. Field trips to more fully acquaint students with social problems. Three hours lecture. Three semester hours credit.

SOC 2163 – INTRODUCTION TO SOCIAL WORK

A survey of the history and contemporary development of social work. Relation of social work to other social problems, poverty, child welfare, aging, family needs, juvenile delinquency, etc. Three hours lecture. Three semester hours credit.

ELT 1253—BRANCH CIRCUIT & SERVICE ENTRANCE CALCULATIONS

Calculating circuit sizes for all branch circuits and service entrances in residential installation. Three semester hours. Two hour lecture, 2 hour lab

Pre/Corequisites: Residential/Light Commercial Wiring (ELT 1113) or equivalent.

HCA 1115 – BASIC HEALTH CARE ASSISTING

This course includes orientation to program policies, developing employability and job seeking skills, applying legal aspects of health care, applying safety considerations, communication and observation skills, medical terminology, and basic health care procedures. (5 sch: 2 hr. lecture, 4 hr lab, 3 hr clinical)

HCA 1125 –SPECIAL CARE PROCEDURES

This course includes specialized procedures for admitting, transferring, and discharging clients; assisting with diagnostic procedures; assisting with treatments; assisting with elimination needs of clients; assisting in meeting hydration and nutritional needs of the client; basic emergency procedures to include CPR/first aid; and basic knowledge and skills required to care for the long-term care resident. Safety is emphasized throughout each procedure. (5 sch: 2 hr. lecture, 2 hr. lab, 6 hr. clinical)

HCA 1214 – BODY STRUCTURE AND FUNCTION

This course includes study of the structure, function, common disorders, and normal aging-related changes of the integumentary, musculoskeletal, nervous, circulatory, respiratory, digestive, urinary, reproductive, endocrine, and sensory systems; stages of human growth and development; and nutritional needs through the life cycle. (4 sch: 3hr. lecture, 2 hr. lab)

HCA 1312 – HOME HEALTH AIDE AND HOMEMAKER SERVICES

This course includes basic knowledge and skills required to care for the homebound client; and basic knowledge and skills required to provide homemaker services. (2 sch: 1 hr. lecture, 2 hr lab)

BIO 1613 NUTRITION

A lecture course covering the nutrients required for normal growth and prevention of major chronic disease, and applied to the selection of food for ingestion, the metabolic process of digestion, assimilation, and absorption. Three semester hours credit.

EDU1423 COLLEGE STUDY SKILLS

An advanced course in study skills that fosters insight and practice of critical reading skills and study techniques needed for efficient and effective perusal of college level courses, both graduate and undergraduate. Three semester hours credit.

ENG 2153 TRADITIONAL GRAMMER

Primarily for elementary education majors, this course focuses on English fundamentals. Beginning with parts of speech, it covers basic sentence patterns, pronouns, troublesome verbs, subject-verb agreement, spelling, diction, punctuation and mechanics – all the aspects of traditional grammar that the elementary teacher may encounter in teaching language skills for children. Three semester hours credit.

FCS 1233 PRINCIPLES OF NUTRITION

A study of nutrients required for growth and optimal health emphasizing recommended nutrient intake, food selection, digestion, absorption, transport, metabolism, and function. Three semester hours credit.

GEO 1123 PRINCIPLES OF GEOGRAPHY

A course which deals the basic content of geography, planetary relationships of the earth, interpretation and use of maps, elements of weather and climate, regional

distribution of climatic elements and the interrelationship of man's physical and cultural landscapes. Three semester hours credit.

HIS 1113 WESTERN CIVILIZATION I

A general survey of European history from ancient times to 1660 A.D. Recommended for freshman. Three semester hours credit.

HIS 1123 WESTERN CIVILIZATION II

A general survey of European civilization since 1600 A.D. Three semester hours credit.

PHI 2143 ETHICS

An introduction to classical moral philosophy with the investigation of some concrete moral problems. Three semester hours credit.

PHI 2613 WORLD RELIGIONS I

Comparison of the beliefs and developments of the Christian religion with those of Buddhism, Mohammedanism, Hinduism, and other important religions. Three semester hours credit.

PSC 1123 AMERICAN STATE AND LOCAL GOVERNMENT

Relationship between state and federal; government and between states and their subdivisions; organizations, function, and operation of executive, legislative, and judiciary; election and suffrage generally, Mississippi particularly. Three semester hours credit.

SOC 2243 CULTURAL ANTHROPOLOGY

(Reactivation) The course examines the process of culture and personality development, methods and techniques employed by the anthropologist. Included are studies of primitive cultures, demonstrations of the precision required in archaeological excavation and film interviews with anthropologists. Three semester hours credit.

SPT 2233 THEATRE APPRECIATION (NON-MAJORS)

Appreciation of the theatre as performance art; developing audience standards through demonstration of the unique characteristics of theatre. A fine arts elective. Three semester hours credit.

COURSE CORRECTION /CHANGES

PAGE 227

BIO 2314 DENDROLOGY A combined lecture and laboratory course concerning the taxonomy, morphology, ecology, and identification of woody plants. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. **Three hours lecture and two hours lab. Four semester hours**

TITLE III PLANNING COMMITTEE

Dr. Lavinia Sparkman, Chair; Mickey Vance, Wayne Eason, Michael Alexander, Gene Davis, Ricky Harrison, Joe Killens, Joseph Knight, Sharon Lejeune, Dr. Lisa McMillin, Mary Ann Wright

GENERAL CALENDAR

2006-2007 REGULAR SESSION

First Semester Fall 2006

August 7, Monday	Begin Football, Soccer, & Band Practice
August 7-10, Monday-Thursday	Evening Registration at 6:00 p.m.
August 10, Thursday	New Faculty Orientation
August 11, Friday	Orientation & Registration for New Students
August 14-16, Monday-Wednesday	Faculty Meetings & Workshops
August 15, Tuesday	Fees Due
August 16, Wednesday	Residence Halls Open at 8:00 a.m.
August 17, Thursday	Begin Day Classes Late Registration Fee Charged
August 21, Monday	Begin Evening Classes
September 1, Friday	Last Day to Register or Change Classes for Evening and Day
September 4, Monday	Labor Day Holiday (Evening Classes Meet)
September 27, Wednesday	Last Day to Remove I's of Previous Semester
October 16, Monday	Mid-Term Grades Due By Noon
November 13, Monday	Spring Semester Advance Registration Begins
November 17, Friday	Last Day to Drop an Evening Course with a W Thanksgiving Holidays Begin at 3:15 p.m.
November 20-24, Monday-Friday	Thanksgiving Holidays
November 27, Monday	Resume Regular Class Schedule
December 4, Monday	Last Day to Drop a Day Course with a W
December 4-7, Monday-Thursday	Evening Final Exams
December 12-15, Tuesday-Friday	Day Final Exams
December 15, Friday	Christmas Holidays Begin for Students 12:30 p.m. Residence Halls Close 2:00 p.m.

Second Semester Spring 2007

January 1, Monday	New Year's Day Holiday
January 2-4, Tuesday-Thursday	Evening Registration at 6:00 p.m.
January 5, Friday	New Orientation & Registration Fees Due
January 7, Sunday	Residence Halls Open at 2:00 p.m.
January 8, Monday	Begin Day & Evening Classes Late Registration Fee Charged
January 15, Monday	Martin Luther King Holiday (Evening Classes Meet)
January 19, Friday	Last Day to Register or Change Classes for Day and Evening
February 16, Friday	Last Day to Remove I's of Previous Semester
March 5, Monday	Mid-Term Grades Due By Noon
March 9, Friday	Spring Holidays Begin at 3:15 p.m.
March 12-16, Monday-Friday	Spring Holidays
March 19, Monday	Resume Regular Class Schedule
April 6, Friday	Easter Holiday
April 16, Monday	Fall Semester Advance Registration Begins
April 20, Friday	Last Day to Drop an Evening Course with a W
April 27, Friday	Last Day to Drop from a Day Course with a W
April 30 - May 3, Monday-Thursday	Evening Final Exams
May 7-10, Monday-Thursday	Day Final Exams
May 10, Thursday	Residence Halls Close 2:00 p.m. Final Grade Due 2:30 p.m.
May 11, Friday	Commencement at 8:00 p.m. Final Grades Due 2:30 p.m.

Summer Session Summer 2007

Intersession Day Classes

May 14, Monday	Registration and Classes Begin at 8:00 a.m.
May 15, Tuesday	Last Day to Register
May 24, Thursday	Last Day to Drop a Course with a W
May 28, Monday	Memorial Day (Intersession Classes Meet)
June 1, Friday	Intersession Ends (Finals) Summer Evening Term 2007
May 14-17, Monday-Thursday	Registration Summer Evening Term
May 28, Monday	Holiday, Summer Evening Classes Begin
June 1, Friday	Last Day to Register
July 20, Friday	Last Day to Drop a Course with a W
July 30 - August 2, Monday-Thursday	Summer Evening Final Exams
August 3, Friday	Summer Evening Term Ends

Summer I Term 2007

June 1, Friday	Honors Orientation
June 4, Monday	Registration for Summer I
June 5, Tuesday	Classes Begin for Summer I
June 6, Wednesday	Last Day to Register for Summer I
June 16, Saturday	Summer Orientation for New Students
June 22, Friday	Last Day to Drop a Course with a W
June 28, Thursday	Summer I Ends (Finals)
	Summer Orientation for New Students

Summer II Term 2007

July 9, Monday	Registration for Summer II
July 10, Tuesday	Classes Begin for Summer II
July 11, Wednesday	Last Day to Register for Summer II
July 18, Wednesday	Summer Orientation for New Students
July 27, Friday	Last Day to Drop a Course with a W
August 2, Thursday	Summer II Ends (Finals)
Friday, August 10	Summer Orientation for New Students

Class Time Schedule

M/W/F	T/TH
8:00 - 8:50	8:00 - 9:15
9:00 - 9:50	9:25 - 10:40
10:00 - 10:50	10:45 - 11:25
11:00 - 11:50	11:30 - 12:45
12:00 - 12:50	12:55 - 2:10
1:00 - 1:50	2:20 - 3:35
2:00 - 2:50/3:15	

CHAPTER 2

GENERAL INFORMATION
PURPOSE OF THE COLLEGE

As a public, two-year institution, East Central Community College seeks to meet the educational needs of traditional and non-traditional students from its five-county support district of Newton, Leake, Neshoba, Scott, and Winston counties. In addition to students from the rural five-county district which it serves, East Central also serves a limited number of out-of-district, out-of-state, and international students. The College is committed to accessibility through its open door admissions policy, affordable cost, varied offerings, and support services. In a continuing effort to meet these needs, the College, through its board of trustees, administration, faculty, and staff conceives its purpose to be to provide instruction and service. To achieve its instructional goals, the College provides programs of instruction which incorporate knowledge and skills applicable to life in a complex world society. In addition to offering its students opportunities for their mental, physical, and emotional development, the College, as a service provider, also offers the constituencies of the district counties opportunities for assistance for growth and advancement.

To successfully fulfill its purpose, East Central Community College provides, at minimum cost, a variety of programs which include senior college or university parallel, technical, health-related, career, adult, and remedial education. In addition, the College provides quality instruction through voice, video and electronic technologies to enable students to attain their educational goals. The College further subscribes to and provides for self-improvement through its continuing education programs, community services, workforce training, small business development, career exploration resources, special workshops, and other opportunities.

Through curricular and extracurricular activities, the College provides experiences which lead to the development of the total individual. In addition to academic advisement/intervention, these experiences include opportunities for participation and leadership in campus activities and student organizations.

INSTITUTIONAL GOALS

1. To provide effective instructional programs for the first two years of university-parallel curricula to prepare students for successful transfer to senior institutions.
2. To provide career, technical, and health-related programs designed to prepare students for immediate employment.

3. To provide a developmental program of instruction to raise basic skills levels of students whose academic foundation requires strengthening.
4. To provide enriched educational experiences for the academically talented students to enhance their academic challenges.
5. To provide guidance, counseling, and other student services to aid students in the attainment of personal, educational, and occupational goals.
6. To provide specialized training programs which will develop a productive work force for new and expanding district businesses and industries.
7. To provide administrative services and technology to support the faculty in its commitment to offer a high quality, innovative educational program for students.
8. To offer community services, continuing education programs, and adult basic education programs to meet the educational, occupational, and personal needs of both youth and adults and to cooperate with high schools and service agencies in providing community education programs.
9. To serve as a cultural and recreational center for the service area by offering a broad range of programs to enrich the community and to enhance creative expression in music, dance, theater arts, visual arts, sports, and recreation.

HISTORY OF THE COLLEGE

In 1928 the Legislature of the State of Mississippi adopted the first basic laws for the organization and operation of Mississippi public junior colleges.

East Central Community College opened its doors to a freshman class of twenty students for the first regular session in September of 1928.

The college occupied buildings that were a part of the Newton County Agricultural High School, which had been organized in 1914. The Agricultural High School was located on property belonging to the Decatur Municipal School District, which had been created in 1912. The upper high school grades that comprised the Newton County Agricultural High School were a part of the college until 1958 when they moved to the Decatur Attendance Center.

In March of 1939, East Central Junior College was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. It has been reaffirmed each decade since. Today the College holds membership in the American Association of Community and Junior Colleges, The Southern Association of Colleges and Schools, The Mississippi Association of Colleges, and The Mississippi Community and Junior Colleges Association.

Originally the institution was supported by three counties — Newton, Neshoba and Scott. Later they were joined by Leake and Winston.

From the two members of the original faculty of East Central Community College, Mrs. W.W. Newsome and Mr. Robert Marshall, the number of full and part-time personnel has increased to over 240 for the current year. Since its founding, seven presidents have served the institution.

COLLEGE PLANT AND EQUIPMENT

Through the cooperative efforts of the district and the state legislature, the College has experienced growth in buildings and facilities during the past several years. The College plant consists of approximately 150 acres with buildings and facilities now valued at over ten and one-half million dollars. There are twenty-six main brick buildings. All residence halls, classrooms and offices are air-conditioned. In addition to facilities sufficient to sustain the general education program, laboratories are provided for art, engineering drawing, audio visual education, applied music, dramatics, reading, athletic and recreation activities, and scientific and vocational education.

WALTER ARNO VINCENT ADMINISTRATION BUILDING

Occupied at the beginning of the 1978-79 school year, the administration building houses the offices of the president, vice president for instruction, vice president for business operations, vice president for foundation and alumni relations, dean of adult and continuing education, director for technology management, and the Board of Trustee's room. Proper vault facilities for the business office and adequate storage for all offices are provided in the building. The 7,995 square foot facility was built in 1962 as the library for the College but was renovated for administrative use when the Burton Library was occupied. It is modern, spacious, and comfortable and is located on the front of the campus adjacent to Huff Auditorium.

ERMA LEE BARBER HALL

With over 26,500 square feet, this dormitory houses approximately 128 women. This welcome addition to the campus was opened in the fall of 1999. The building is both aesthetically pleasing and very functional in design. It is equipped with all modern conveniences and meets all standards for fire safety and energy conservation.

ASSOCIATE DEGREE NURSING/CHILDCARE BUILDING

Containing over 20,000 square feet of floor space, this facility opened in 1996 and houses both the associate degree nursing and child care programs. This modern facility contains classrooms, lecture rooms, computer labs, and laboratories.

BRACKEEN-WOOD PHYSICAL EDUCATION BUILDING

This building was constructed in 1970 and is located near the football stadium. Offices for football, baseball, basketball, soccer, and softball are housed in this facility in addition to dressing facilities, the varsity basketball court, and the weight room.

BRADFORD J. TUCKER APPLIED TECHNOLOGY CENTER

Containing over 58,000 square feet of floor space, this facility opened in 1969 and houses automotive technology, collision repair technology, business and office technology, computer technology, drafting and design technology, electrical technology, electronics technology, heating and air conditioning technology, machine shop technology, and welding.

BURTON LIBRARY

Occupied during the 1976-77 school year, this building is located near the center of the campus and contains a large reading area, a conference room, a spacious lobby, librarians' offices, a workroom, a faculty reading room, nine study rooms, and a room for special collections. Total seating capacity, mostly at individual and grouped carrels, is 250; and shelving is provided for 50,000 volumes. Provision is also made for housing non-book materials. Closed circuit, public, or commercial television viewing is available in any area of the building. Other media include slides, filmstrips, audio and video tapes, film loops, and micro texts. Circulation is fully automated via an online catalog. This catalog is accessible via the Internet.

CROSS HALL

The science building contains the classrooms and laboratories for the biological and chemical sciences. In 1990, the chemistry laboratory was completely renovated with modern laboratory tables, equipment, and controlled, vented chemical storage areas added.

FACULTY HOUSES

There are thirteen of these houses located at various sites on the college property.

FOUNDERS GYMNASIUM

One of the original college facilities, the gymnasium has hosted many regional and state basketball events in addition to regular East Central games.

RICHARD C. ETHRIDGE HALL

Part of the old Newton County High School property purchased by the College in 1995, this facility is currently used by the College for the Gerontology Technology Program, academic classes, ABE/GED classes, and office space. The Decatur Public Library is also housed in this facility. This facility is located on South Campus.

HUFF AUDITORIUM

Located in the center of the front campus, Huff Auditorium is the most prominent building at East Central Community College. The auditorium was constructed in 1953 and named for J. Knox Huff who served as a member of the Board of Trustees of East Central Junior College for twenty-three years. He served as Chairman of the Board from 1948 through 1952. This structure has a seating capacity of one thousand and is conveniently located at the front of the campus. The auditorium has excellent acoustics and equipment and is used by the College and community for a variety of activities. Located on the ground floor are faculty offices and the office of Public Information. A major refurbishing of Huff Auditorium was funded by donations to the East Central Community College Development Foundation, Inc.

JACKSON HALL

The freshman women's dormitory was remodeled in 1963, 1978 and again in 1989. It houses 125 women and contains the office and apartment of the dormitory supervisor.

LEAKE HALL

This two-story building containing sixteen apartments was originally constructed for married students. Today it is occupied by both faculty, honor students, and married students. A major renovation of this building was completed during the 1994 spring semester.

MABRY DINING HALL

Remodeled in 1979, this facility contains four dining rooms. The main dining room has a seating capacity of 300. Other dining rooms are the Gold Room, which seats 120; the Gordon Room, which seats 50; and the Magnolia Room, which seats 20.

NESHOBA HALL

This two-story dormitory for men was constructed in 1971. It consists of thirty-one rooms which house sixty-two students.

NEWSOME HALL

Completed in 1957, and renovated in 1989, the dormitory is equipped with modern furniture and appliances and accommodates fifty to sixty men and the dormitory supervisor. New p-tac units were installed in 2004.

NEWTON HALL

This two-story classroom building was constructed in 1975 and houses the English, Social Science, History, Journalism, Education, and Psychology departments. Also, sixteen faculty offices are located in this building along with several support facilities.

PHYSICAL PLANT BUILDING

This facility houses the office of the physical plant director and also provides space for the various maintenance equipment utilized by the College.

FRANK T. RIVES EDUCATIONAL BUILDING

Part of the old Newton County High School property purchased by the College in 1995, this facility is currently used by the College for the Surgical Technology Program, the EMT-Paramedic Program, the Practical Nursing Program, a Ceramics Lab, a Computer Science Lab, a Physics Lab, academic classes, and office space. This facility is located on South Campus.

SCOTT HALL

This two-story dormitory for men was constructed in 1972. It consists of an apartment for the director of housing and thirty-one rooms which house sixty-two students.

SOUTH CAMPUS GYMNASIUM

Part of the old Newton County High School property purchased by the College in the fall of 1995, this facility is currently being used by the College for overflow athletic events and camps.

EDDIE M. SMITH STUDENT UNION

Student Services moved into this modern 12,500 square foot complex in the summer of 1999. This ultra modern building houses Student Services, Financial Aid, the Student Nurse, Distance Learning, and the Career Center. This complex also contains conference rooms and counselors' offices. Phase II of the Student Union opened during the spring of 2006. This 20,749 square foot addition to the Student Union houses the Office of Admissions, Records, and Research, the Student Grill, Bookstore, Activity Center, Fitness Center, a computer lab, and a student lounge area.

TODD HALL

This dormitory for men was completed in 1957. It is arranged in suites rather than conventional halls found in most men's dormitories. Seventy two men are housed in this dormitory. A total renovation was completed in 1989 to bring this dormitory to present day standards for fire safety and energy conservation.

THE OVID S. VICKERS FINE ARTS CENTER

Occupied in 1969, this facility contains a 212 seat auditorium, a choral room, a band room, a music library, a listening room, classrooms, and art studios.

THE VOCATIONAL-TECHNICAL ANNEX BUILDING

Completed in 1969, this building is located on the north side of the campus and contains classrooms, offices, and laboratories for several vocational-technical programs.

WINSTON HALL

This residence hall was completely renovated in 1989 and 1990 with structural changes to bring it up to modern standards for housing students. This renovation provided an energy efficient, attractive facility for men. It consists of forty-one rooms which house eighty-two students.

WORKFORCE DEVELOPMENT CENTER

Completed in 1995, this modern building has over 2,700 square feet. Its nine offices and conference room provide space for the industrial and economic development activities of the College.

ATHLETIC FIELDS/PRACTICE FIELDS

THE FOOTBALL STADIUM

Warrior Field anchors the North Campus Athletic complex and is located next to the Brackeen-Wood Physical Education Building. The stadium is lighted and has a public address system. In addition to college football home games, the facility is used for other athletic and institutional events.

BAND PRACTICE FIELD

This field is located South of the baseball field and includes a director's tower.

FOOTBALL PRACTICE FIELD

This practice field is located west of the football stadium.

INTRAMURAL FIELD

This playing field is located north of the baseball field and contains an area for intramural sports.

CHRIS GAY IV MEMORIAL BASEBALL FIELD/JAMIE CLARK STADIUM

Situated near the football stadium this well located facility was completed with a gift from the family of former student Chris Gay IV. It has up-to-date lighting, a press box, and aluminum seating.

SOCCER FIELD

The soccer field is located on the College's North Campus next to the women's softball field. This facility was completed in the summer of 1999.

TENNIS COURTS

Located north of Newsome Hall, this facility contains four lighted tennis courts.

WOMEN'S SOFTBALL FIELD

This lighted playing field is located north of the baseball field. Construction of this field was completed during the 1994 spring semester.

GARDENS, PARKS, RECREATION

THE DAY ARBORETUM

Established as a memorial to the Day family and the wife of the second president of the College, the arboretum is a campus teaching laboratory. The arboretum contains a variety of tree specimens that have been catalogued and published for students and groups to learn about various trees native to this area.

THE EAST MALL

This area is the living room of the campus and includes a patio and stage area for various events on campus. The mall also serves as the focal point of the Day Arboretum and is located between the Vincent Administration Building, Mabry Memorial Cafeteria, Newton Hall, and Huff Auditorium.

FITNESS TRAIL

Located on the north side of the campus, this one-half mile trail is lighted, landscaped, equipped with exercise stations, and is handicapped accessible.

HARRISON MEMORIAL GARDEN

This park is dedicated to the memory of Crystal and C. J. Harrison, children of Mr. Ricky and Mrs. Jeanine Harrison. The garden is centrally located.

DICK LIVINGSTON RECREATIONAL/STUDY TRAIL

Located on the north side of the campus, this trail is an extension of the one-half mile fitness trail and follows the contour of the College pond. This three-fourths mile trail is lighted, landscaped, and handicapped accessible. The trail is named in memory of Representative Richard L. "Dick" Livingston.

PAVILION

Located on the north campus, this structure is situated to provide a scenic view of the College Pond and the Dick Livingston Memorial Study/Recreational Trail. This structure is utilized by the College for various functions and is also available for use by the community.

SULLIVAN PARK

Located on the east side of campus adjacent to the College's tennis courts, this park was dedicated in memory of Ms. Janie Sullivan and was provided for by private donations. It has various plant life, modern lighting, and park benches/tables providing enjoyment for the student body and the public.

STUDENT ORGANIZATIONS

Student organizations include:

Freshman Class, President's Council, Sophomore Class, and Student Body Association

Honor Society:

Phi Theta Kappa, Scholars Bowl

Curricular organizations include:

Alpha Alpha Epsilon, HOSA, Mu Alpha Theta, Phi Beta Lambda, Sigma Mu Tau, Student Education Association, and Skills-USA

Special interest organizations include:

Accents, Athletics, Band, Cheerleaders, Collegians, Diamond Girls, ECCC Choir, East Central Environmental Club, Gospel Choir, S.I.F.E., Native American Association, New Directions, Residence Hall Councils, S.A.D.D., Warrior Corps, Adult Warrior Corps

Religious organizations include:

Baptist Student Union, Newman Club, Wesley Foundation, and Fellowship of Christian Athletes

Publications include:

Tom-Tom and Wo-He-Lo

CHAPTER 3

ACADEMIC POLICIES

REQUIREMENTS FOR ADMISSION

Implementation of specific admission policies is the responsibility of the administration and faculty of the institution. East Central Community College ascribes to an "open admissions" policy consistent with all appertaining laws. The College embraces the philosophy that students be provided the opportunities for learning experiences, e.g. developmental courses, counseling, tutorial assistance, etc., that will help the individual students succeed in achieving their educational goals. Further, the College utilizes relevant diagnostic instruments to determine the strengths and needs of students in order to assist them in the selection of the most appropriate program options. There are no programs at East Central Community College designed for transfer to senior institutions that require a minimum ACT score for admission.

ACADEMIC AND TECHNICAL STUDENTS

To be admitted as a full-time student to an academic or technical program, an applicant must meet one of the following criteria:

The completion of no more than one unit less than the minimum acceptable high school units as prescribed by law; or

1. A General Educational Development (GED) certificate; or
2. A High School Diploma; or
3. A Mississippi Occupational Diploma; or
4. An official transcript from an accredited college or university.

Before admission can be granted, the following must be on file in the Office of Admissions, Records, and Research:

1. An official college application which may be completed by using the form provided in the back of the catalog or online at the East Central Community College Web Page <http://www.eccc.edu>
2. One of the following criteria:
 1. An official college application which may be completed by using the form provided in the back of the catalog or online at the East Central Community College Web Page <http://www.eccc.edu>

2. One of the following criteria:

- An official high school transcript (regular high school diploma or the Occupational Diploma) with a recorded graduation date and official school signature. **OR**
- A transfer student must submit an official transcript from an accredited college, preferably the last college attended. **OR**
- Individuals who have obtained the minimum acceptable high school units must submit an official high school transcript. **OR**
- An official General Educational Development (GED) transcript with a passing score.

3. Official scores on the American College Test (ACT), applicants 23 years of age and over are exempt from the ACT requirement except for certain specialized curricula.

Admission as an East Central Community College student does not guarantee admission to a specific program of study. Some programs have additional requirements for entry.

LEGAL RESIDENT STATUS

East Central Community College observes the following definitions with regard to residential status of applicants and students as interpreted from laws engaged by the Mississippi Legislature. The College's district includes the following supporting counties: Newton, Leake, Neshoba, Scott, and Winston.

1. **General Rule for Adults.** The residence of an adult is the domicile, i.e., the place where the person physically resides with the intention of remaining or returning to if temporarily absent. MCA 37-103-13.
2. **General Rule for Persons under 21.** The residence of a person under 21 is that of the father, mother or general guardian (guardian appointed by a Miss. court). However, if custody has been granted to one parent, then the residency is that of the custodial parent. If both parents are deceased, residency is that of the last surviving parent unless the person under 21 lives with a general guardian (guardian appointed by a Miss. court). MCA 37-103-7 effective July 1, 2005. If both parents move out of Mississippi, a minor is immediately classified as a nonresident. MCA 37-103-11.
3. **When Residency Is Established.** A student may not be admitted as a resident unless residency is in Mississippi prior to admission. MCA 37-103-3. A person entering the state to enter an educational institution is considered a nonresident and remains a nonresident even if adopted by a Mississippi resident or registers to vote or owns land.

MCA 37-103-5. See exception in MCA 37-103-25(2) which provides that if a nonresident (1) was born in Mississippi but relocated outside Mississippi as a minor in their father or mother's care, (2) is a veteran of the Armed Forces, and (3) is domiciled in Mississippi no later than six months after separation from service for the purpose of enrolling in a CC/IHL, then such person shall pay resident tuition and fees.

4. **Special Rule for Married Persons.** A married person may claim the residency of their spouse or independent status under MCA 37-103-15. MCA 37-103-13.

5. **Special Rule for Children of Faculty and Staff.** Children of parents who are members of the faculty or staff of a CC/IHL may be considered a resident for the purpose of attending that institution. MCA 37-103-9.

6. **Special MPACT Rule.** An MPACT beneficiary is considered a resident. MCA 37-155- 5(d)(iii); MS AG Op., Patterson (Oct. 11, 1996).

7. **Special Military Provisions.**

- a. **Active Duty in Mississippi and Mississippi National Guard.** Members of the Armed Forces on extended active duty in Mississippi and members of the Mississippi National Guard may be classified as residents. Resident status of those not residents of Mississippi per MCA 37-103-13 shall terminate upon reassignment for duty in the continental U. S. outside Mississippi. MCA 37-103-17. See MCA 37-103-21 for proof requirements.
- b. **Status of Spouse and Children of Military Personnel on Extended Active Duty.** Resident status of a spouse or child of a member of the Armed Forces on extended active duty shall be that of the military spouse or parent during the time that the spouse or parent is stationed in Mississippi. Resident status continues if the military spouse or parent is reassigned from Mississippi to an overseas area (excepting training assignments en route from Mississippi). Resident status of a minor child terminates upon reassignment of the military parent for duty in the continental U. S. outside Mississippi. However, children who attain residency under this section and who begin and complete their senior year in high school in Mississippi and who enroll full-time in a CC/IHL for the fall after their graduation from high school maintain status as long as they remain enrolled in good standing (summer school is not required). MCA 37-103-19(1).
- c. **Spouse or Child of a Member of the Armed Forces Who Dies or Is Killed.** A spouse or child of a member of the Armed Forces who dies or is killed is entitled to pay resident tuition if the spouse

or child becomes a resident of Mississippi within 180 days of the date of death. MCA 37-103-19(2).

- d. Spouse or Child of a Member of the Armed Forces Stationed Outside Mississippi. If a spouse or child of a member of the Armed Forces stationed outside Mississippi establishes residency in Mississippi and registers with a CC/IHL, the CC/IHL will permit the spouse or child to pay resident fees and tuition regardless of the length of time that the spouse or child has resided in Mississippi. MCA 37-103-19(3).
 - e. Effect of Continuous Enrollment. If a member of the Armed Forces or their spouse or child is entitled to pay resident tuition and fees under MCA 37-101-19 while enrolled in a degree or certificate program, they may continue to pay resident tuition and fees in subsequent terms while continuously enrolled in the same degree or certificate program. (Student may withdraw or not enroll for one semester with medical documentation without losing status and no summer term is required. In addition, student's status remains unchanged even if they are no longer a member of the Armed Forces or the child or spouse of a member of the Armed Forces). MCA 37-101-19(4).
8. Aliens. Section 37-103-23 states that all aliens are classified as nonresidents. However, this section was declared unconstitutional in *Jagnadan v. Giles*, 379 F. Supp. 1178 (N.D. Miss. 1974), affirmed in part on other grounds 538 F.2d 1166 (5th Cir. 1976). No statutory provision addressing aliens and residency for tuition purposes is currently in effect. Accordingly, aliens should be treated in the same manner as other persons attempting to prove resident status for the purpose of determining tuition and fees charged by CC/IHL's.
- a. Immigrants Distinguished from Nonimmigrants. Under the Immigration and Nationality Act, aliens are classified as (1) "immigrants", i.e., persons seeking to be permanent residents, and (2) "nonimmigrants", i.e. persons seeking admission to the U. S. for a limited time, usually for a limited purpose.
 - b. Immigrants, Permanent Residents or "Green Card" Holders. Generally speaking, most persons having immigrant or permanent resident status ("green card" holders) have the ability to establish a domicile in Mississippi and to qualify as Mississippi residents.
 - c. Nonimmigrant Visa Holders. Most persons holding nonimmigrant visas, including F-1 student visas, will not be able to demonstrate the requirements for a Mississippi domicile because their visas are temporary in nature and U. S. approval of their visas may have

required a determination that the persons intended to return to their country of origin after the purpose of their visas is concluded. This being the case, the person's domicile would remain in their country of origin. In addition, Section 37-103-5 provides that a person entering Mississippi to attend an educational institution is and remains a nonresident for tuition purposes. See 3 above. However, there may be instances in which nonimmigrants can establish residency in Mississippi due to special provisions or special circumstances. For example, in *Toll v. Moreno*, 458 U. S. 1, 102 S. Ct. 2977, 73 L.Ed. 2d 563 (1982), the United States Supreme Court concluded that, while Congress precluded many aliens in nonimmigrant categories from establishing domicile in the United States, it allowed G-4 aliens to establish domicile in the U. S.

9. Miscellaneous Provisions. Any student willfully presenting false evidence of residency is deemed guilty of a misdemeanor. MCA 37-103-27. Law is not to be construed as requiring the admission of nonresidents. MCA 37-103-29.

MISSISSIPPI VIRTUAL COMMUNITY COLLEGE

The Mississippi Virtual Community College is a cooperative of Mississippi's 15 community college districts and the Mississippi State Board for Community and Junior Colleges. Its mission is to provide educational opportunities to constituencies who live within the various community and junior college districts in Mississippi and to others beyond those boundaries.

Through MSVCC, students may take courses from colleges anywhere in Mississippi while getting support services from a local college. To take a course from a *remote* (provider) college, a student enrolls at a *local* (host) community or junior college. The host college supports the student with a full slate of student services including advisement and counseling, financial aid, and learning resources. The host college receives the student's tuition and fees. The host college awards credit for the course. The *remote* (provider) college provides the course instruction. Assignments, tests, and grades are administered by one of its instructors.

For this instructional service, the provider college receives the state's reimbursement for the enrollment.

This cooperative makes it possible for MSVCC colleges to leverage their distance learning resources—including faculty, course, support services, and technology—to benefit students throughout Mississippi and beyond.

East Central Community College is a participant in the Mississippi Virtual Community College. For a list of courses offered through MSVCC, please see the web site at www.msvcc.org.

HEALTH RELATED STUDENTS

ASSOCIATE DEGREE NURSING PROGRAM

The Associate Degree Nursing Program is designed to provide educational opportunities for qualified students desiring a career in nursing. The curriculum includes a balance of general education, nursing theory, and laboratory and clinical experiences. Graduates receive an Associate of Applied Science Degree (AAS) and those that meet the requirements of the State Board of Nursing are eligible to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN®). The State Board of Nursing may deny any application for licensure due to, but not limited to conviction of a felony, commission of fraud or deceit in the application process, or addiction to alcohol or other drugs. The Associate Degree Nursing Program is accredited by the Board of Trustees of State Institutions of Higher Learning of Mississippi and the National League for Nursing Accrediting Commission.

According to Mississippi law, all nursing and allied health students may be required to submit to a criminal background check with fingerprinting prior to any clinical laboratory experience in any hospital, nursing home, home health agency or hospice.

Once a student is admitted into a program, if the criminal history check discloses a felony conviction, guilty plea or plea of nolo contendere to a felony, the student will automatically be dismissed from the nursing or allied health program.

Admission Procedures

All applicants are required to take the American College Test (ACT) and meet the general admission requirements to the College. Application deadline for the fall class is April 15. All entrance materials must be on file in the Office of Admissions, Records, and Research and the Associate Degree Nursing program office by April 15.

Admission Requirements

1. The student must apply for regular admission and be accepted by the College.
2. The student must apply to the Associate Degree Nursing Program.
3. An ACT composite score less than 18, (or 15 if taken prior to October 1989) will necessitate successful completion of a minimum of 12 semester hours with a 2.00 GPA. Anatomy and Physiology I and II (BIO 2514 and BIO 2524) with a grade of "C" or better are included

in the above 12 semester hours. A math score of 14 or less on the ACT will necessitate successful completion of a math course concurrent with or prior to NUR 1118.

4. Students must have a cumulative GPA of 2.00 or better.
5. All students are required to complete Anatomy & Physiology I (BIO 2514) and Anatomy & Physiology II (BIO 2524) prior to taking the first nursing course. An applicant may be accepted into the ADN program prior to completing these courses, but these courses must be completed in the summer prior to beginning nursing classes in the fall.
6. Students selected for admission into the ADN program must submit proof of the following items: physical examination (obtained in June, July, or August of the year of admission), immunizations against measles, mumps, rubella (MMR), or rubella titer, Hepatitis B vaccine, or signed declination statement, TB skin test (2 step TB test required if not tested in previous year) and American Heart Association Healthcare Provider Course (completed in June, July or August of year of admission).

Any student must agree to be randomly tested for drugs at any point and time while enrolled in the ADN program. The student is responsible for all expenses associated with testing.

The number of students admitted into the program will vary according to resources available. Qualified applicants will be given priority based on academic records. Students admitted to any nursing courses must adhere to the current catalog policies and the ADN Student Handbook.

Acceptance Criteria

To be considered for acceptance into the ADN program, the applicant's file in the Admissions Office and the ADN office must be complete. The student is responsible for ensuring that the data in the file is correct and by the application deadline.

Qualified applicants will be considered by the admissions committee on a priority basis using the following criteria:

1. Applicants are grouped according to residency and priority is given to in-district residents first, then all other qualified applicants.
2. Grade point average based on required courses for ADN curriculum. A minimum grade of C is required on each ADN curriculum course. Students who have received a grade of D or F in more than six hours in the required ADN curriculum receive a ten-point deduction.
3. ACT composite score.

4. Anatomy and physiology and microbiology grades.

5. **ACT Scores:**

Enhanced Points

Above 27 5

25-27 4

22-24 3

19-21 2

16-18 1

6. **College GPA on ADN Curriculum Courses:**

3.5 - 4.00 5

3.0 - 3.49 4

2.5 - 2.99 3

2.0 - 2.49 2

OR High School GPA with no college courses taken:

3.5 - 4.00 5

3.0 - 3.49 4

2.5 - 2.99 3

2.0 - 2.49 2

7. **ADN Curriculum Courses completed with a grade of "C" or better:**

A&P I & II and Microbiology 5

A&P I & II 4

A&P I 3

8. **Associate in Arts Degree or Higher Degrees completed:** 5

Acceptance into the program is once a year. Within two weeks following written notification of the applicant's admission status, the applicant must present the signed notification letter to the ADN office declaring intent to enter the next scheduled class. Failure to comply with this requirement negates the applicant's priority status, and vacancies will be filled based on available class slots using the acceptance criteria.

FEES AND EXPENSES:

The regular college fees are listed in the General Information section of the catalog. These are additional costs specific to the ADN Division. These costs are an estimate only and are subject to change.

Lab fees per semester	60.00
(covers cost of malpractice insurance and drug screen)	
Uniforms and accessories for program	200.00
Required textbooks	600.00
Health Requirements	150.00
Assessment testing	200.00
Nursing pins (optional)	36.00 - 160.00
Criminal Background Check	55.00
Course Objectives and Handouts per semester	15.00
Transportation costs to and from clinical sites	
Nursing class portraits	25.00
NCLEX-RN® application fees	260.00

PROMOTION POLICIES:

In addition to the college probation and suspension policy, a grade point average of 2.00 in each nursing curriculum course is required. A student enrolled in nursing is required to be full-time (12 semester hours). A student must maintain a "C" or better average in each nursing course, score 100% on drug calculations test in NUR 1118, 1129 and 2149 and successfully pass clinical testing. A failure in clinical testing or any "critical skill" including dosage calculations constitutes an "F" for that course. Students are eligible to repeat one nursing course and the program of study must be completed within four years of first admission. The nursing faculty reserves the right to retain and admit only those students who demonstrate evidence of performing safe acts of nursing.

LPN TO ADN BRIDGE PROGRAM FOR ASSOCIATE DEGREE NURSING

Applications for the College may be obtained from the Office of Admissions, P.O. Box 129, Decatur, MS 39327, and applications for the LPN to RN Upgrade/Bridge Program may be obtained from the Associate Degree Nursing Program Office by writing to the above address or telephoning (601) 635-2111, ext. 294 after August 1 each year and returning the applications to the respective offices. Application deadline for the Spring class is November 15.

Admission Requirements:

1. The student must apply for regular admission and be accepted by the College.
2. The student must apply to the Associate Degree Nursing Program.
3. The student must have an ACT composite score. Students must have a cumulative GPA of 2.00. Students must have at least a "C" in all nursing curriculum courses.
4. Hold a current unrestricted license to practice as a licensed practical nurse in Mississippi.

5. Have one-year clinical work experience within the last five years; documentation from employer(s) must be submitted with application.
6. Score 80% on math assessment test given prior to admission.

Prerequisite courses:

Anatomy and Physiology I
 Anatomy and Physiology II
 Human Growth & Development
 Fine Arts/Humanities Elective
 Microbiology
 English Composition I
 English Composition II

The acceptance criteria are the same as for the two year ADN program. Post acceptance requirements are the same as all other ADN students.

All information pertaining to the Associate Degree Nursing Program may be found in the East Central Community College catalog or by contacting NLNAC, 61 Broadway, New York, NY 10016 or by telephone at 1-800-669-9656.

**EMT/PARAMEDIC TECHNOLOGY
 Admission Requirements:**

1. EMT Basic Certification;
2. 18 Years of Age or Older;
3. High School Diploma or GED;
4. Enhanced ACT score of 16 or higher;
5. Current Childhood Immunizations;
6. Hepatitis-B Inoculations;
7. Physical examination stating that the applicant is capable of the paramedic job demands;
8. Health Care Provider CPR Card;
9. BIO 2514 – Anatomy and Physiology I with a grade of "C" or better;
10. Official transcripts from previous colleges attended; and
11. Official college application;
12. Have acceptable personal qualities as established through a personal interview.

Upon admission to the EMT-Paramedic Program, professional liability insurance will be required at a cost of \$20.00 per year. In addition a random drug test will be completed at a cost of approximately \$20.00 per year. Other required fees include a one-time \$50.00 lab fee for entering students and a criminal background check at a cost of \$55.00.

- The East Central Community College health form must be completed by all students initially accepted into the program. Final acceptance of students into the program will not be granted until the medical examination and certifying report is on file. (Physical exam must be obtained in October, November, or December.)
- Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, or nolo contender to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

PRACTICAL NURSING PROGRAM (PN)

To be admitted to the Practical Nursing Program (PN) applicants must:

1. Be eighteen (18) years of age or older;
2. Have a minimum of 12th grade education or its equivalent as determined by the General Educational Development Test;
3. Be in good physical and emotional condition as verified by a medical examination and certifying report;*
4. Have acceptable personal qualities as established through a personal interview;
5. First priority will be given to students in the ECCC district;
6. Applicants must have a TABE (Level A, Form 7-8) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading.
7. Applicants must take the NLN Pre-Admission Examination – PN and have a minimum score of 40 percentile.

8. Applicants shall be selected for an interview by the Practical Nurse Admissions Committee based upon the applicants' scores on the standardized tests listed in item 6 and 7.
9. Be recommended for admission by the Practical Nurse Admissions Committee.
10. Have current CPR Class C certification.
11. Be of good moral character. The State Board of Nursing may deny any application for licensure due to, but not limited to conviction of a felony, commission of fraud or deceit in the application process, or addiction to alcohol or other drugs.
 - The East Central Community College health form must be completed by all students initially accepted into the program. Final acceptance of students into the program will not be granted until the medical examination and certifying report is on file. Physical exam must be obtained in May, June, or July of the year of admission.
 - Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, or nolo contender to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

MEDICAL OFFICE TECHNOLOGY (BOMT)

To be admitted to the Medical Office Technology Program (BOMT) applicants must meet the admission requirements for Academic and Technical students listed previously.

SURGICAL TECHNOLOGY (SUT)

To be admitted to the Surgical Technology Program, applicants must meet the following criteria:

1. The applicant must be of legal working age (18) before program completion.
2. The applicant must have a 12th grade education as demonstrated by a high school diploma or its equivalent as demonstrated by the General Development Test.
3. The applicant must be in good physical condition as verified by a medical examination and certifying report. (National Certification Requirement)

4. Applicants must have a TABE (Level A, Form 7-8) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading.
5. First priority will be given to students in the ECCC district.
6. The applicant must have acceptable personal qualities as established through a personal interview.
7. Applicants shall be selected for interviews by the Surgical Technology Committee.
8. The applicant must be recommended for admission by the Surgical Technology Admissions Committee.
9. Must have CPR-C certification.

*Initial acceptance into the Surgical Technology program must be granted prior to submission of medical examination and certifying report. Final acceptance into the program will not be granted until an acceptable medical examination certifying report is on file.

- Physical exam must be obtained in October, November, or December before the year of admission.
- Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, or nolo contender to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

TRANSFER STUDENTS

Students desiring to attend East Central Community College after having attended another regionally accredited college must meet the same requirements as entering freshmen. Students with records indicating unsatisfactory standing may be accepted on probation if individual cases indicate a reasonable chance of success in the program selected. If a student is accepted on probation, he/she must make satisfactory progress at the completion of one semester or he/she will be suspended for one semester.

TRANSFER CREDITS

Acceptable credits transferred by students are reproduced on the students' permanent records at East Central Community College. This action signifies that the credits are judged valid. Only those courses that average "C" or better will be entered on the record and applied toward graduation when the transferred average is less than "C." This will be completed by the end of the first semester in which the student is enrolled.

Coursework transferred or accepted for credit must represent collegiate coursework relevant to the degree, with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in the institution's own undergraduate degree programs.

CAREER STUDENTS

To be admitted as a full-time student to a career program: welding or carpentry and cabinet-making, an applicant must:

1. Be of legal working age (18) before program completion;
2. Complete a federally approved ability-to-benefit test;
3. Have an official application and a transcript from the last school attended on file in the Office of Admissions, Records, and Research;
4. Complete an interview with the career counselor or with an instructor in the program of choice.

To be admitted to the cosmetology program, an applicant must:

1. Be a high school graduate or the equivalent.
2. The student must make a 14 (composite in English and math) on the ACT or score 8th grade equivalent or above as measured by the TABE Standardized Test administered by East Central Community College personnel;
3. Upon notification of the above requirements being met, the applicant will have a personal interview by the Cosmetology Admissions Committee.
4. The applicant must be recommended for admission by the Cosmetology Admissions Committee.

INTERNATIONAL STUDENTS

International students with acceptable scholastic records and proven English proficiency will be considered for full-time admission as freshmen or as transfer students. Freshman applicants must be graduates of

recognized secondary schools comparable in level to the American high school.

Transfer applicants are considered on the basis of secondary school records and records of postsecondary study (college, technical school). Factors considered in making the admission decision are grades earned, subjects to be taken, ability to carry a full course of studies, satisfactory scores on the East Central Community College placement tests, proof of financial responsibility, and proof of health insurance.

Applicants, both freshmen and transfer, whose native language is not English are required to submit a score of at least 500 on the paper-based or 173 on the computer-based Test of English as a Foreign Language (TOEFL) and must have a score on the ACT.

The following materials must be in the Office of Admissions, Records and Research at least 60 days before the beginning of the semester in which admission is desired:

1. An application for admission form.
2. A certified copy of all high school and/or college transcripts of previous credits earned.
3. Information showing sufficient financial support.
4. Proof of health insurance.
5. A copy of Form I20.

Fees -

1. In addition to the regular tuition and fees paid by in-state students, international students will be assessed out-of-state fees payable at registration. See general information in Chapter 4.
2. Dormitory facilities will be available each semester only after in-district and in-state students have been housed.

PART-TIME STUDENTS

Part-time students must meet the same admission requirements as do full-time students.

SPECIAL ADMISSION

In conformity with Section 37-29-1, Mississippi Code of 1972 as amended in 1998, East Central Community College will admit students who have not completed the requirements for regular admission to the College but who meet the enrollment criteria specified in either policy 4.1.6.1 or 4.1.6.2.

DUAL ENROLLMENT

Students may be granted part-time admission status at East Central Community College while concurrently enrolled in high school if they meet the following admission requirements:

1. Have completed a minimum of fourteen (14) core high school units (Students who do not have fourteen (14) core high school units but who have a composite score of thirty (30) on the ACT Assessment may be considered for enrollment),
2. Have a minimum 3.0 cumulative GPA on a 4.0 scale for high school work completed, and
3. Have the unconditional recommendation of their high school principal or guidance counselor.

EARLY ENROLLMENT

Students may be admitted as regular students at East Central Community College if they meet the following admission requirements:

1. Have completed a minimum of fourteen (14) core high school units,
2. Have a minimum composite score of twenty-six (26) on the ACT Assessment,
3. Have a minimum 3.0 cumulative GPA on a 4.0 scale for high school work completed, and
4. Have the unconditional recommendation of their high school principal or guidance counselor that said enrollment is in the best educational interest of the student.

The credit earned at East Central Community College by students admitted under the Early Enrollment Policy will be available for transfer or for meeting the requirements for graduation from the College after the student has successfully completed one (1) full semester of course work.

CONTINUING EDUCATION UNITS

To participate in non-credit (CEU) programs or courses, a student should complete an application form and be of sufficient maturity for the course desired. (Ten hours of instruction are equal to one CEU.)

NOTE: No transcript, certificate, test scores, or anything in addition to a completed application is required.

ENGLISH AND MATHEMATICS PLACEMENT

Placement in mathematics and English courses will be based upon ACT scores in the subject areas and/or assessments.

Competency in the areas of English and mathematics will be determined based upon skills demonstrated in the combined criteria enumerated above.

Any student enrolled for nine or more credit hours must enroll in the appropriate English course sequence, Developmental I, II, Composition I or II, during the earliest consecutive semesters of such enrollment.

ACT WAIVER FOR ADULTS

Students who have been out of high school for five or more years, or those who are 23 years of age or older will have the ACT requirement waived except for those who wish to enroll in specialized programs.

BENEFITS FOR VETERANS

East Central Community College is an approved institution for providing education training for veterans. The Director of Admissions, Records, and Research serves as Veterans Advisor and offers assistance in handling matters pertaining to veterans at the College.

SELECTIVE SERVICE

Information and assistance in handling matters concerning Selective Service for students are available in the office of the Director of Admissions, Records, and Research.

NATIONAL GUARD, VETERANS PREVIOUS EDUCATION, SERVICE MEMBERS OPPORTUNITY COLLEGES; EVALUATION, CREDIT, AND TRANSFER

The College maintains a written record of the previous education and training of each veteran enrolled and appropriate credit is given. When the training period has been shortened proportionately as a result of previous education and training, the veteran or eligible person and VA are so notified.

East Central Community College is a participant in the Mississippi National Guard Higher Education Program. Credit earned in the armed forces is evaluated based upon the recommendations of the American Council on Education. The College is also a member of Service-members Opportunity Colleges (SOC). Seven semester hours of credit can be established on a veteran's record when a copy of the DD214 is presented to the Director of Admissions, Records, and Research. These hours include:

- A. 4 semester hours of Physical Education
- B. 3 semester hours of Personal and Community Health

No credit is granted by East Central Community College on the General Education Development Test. No credit is established by the College for experiential learning but credit is accepted when transcribed by another accredited college.

EAST CENTRAL COMMUNITY COLLEGE SCHOOL STANDARDS OF PROGRESS AS REQUIRED BY VA REGULATIONS 14253 [D]

1. EXAMINATION OF RECORDS:

The College records and accounts pertaining to veterans and eligible persons are readily identifiable and available for examination by authorized representatives of the Government.

2. ENTRANCE REQUIREMENTS:

Proof that entrance requirements to East Central Community College have been met prior to enrollment are a part of the veteran's and eligible person's permanent record. They also include the grade in each subject per semester, record of withdrawals, and the number of absences from any subject. These records are maintained in the Office of the Director of Admissions, Records, and Research.

3. PREVIOUS EDUCATION AND TRAINING RECORDS:

The school maintains permanent records showing previous education and training. Enrollment certificates submitted to VA reflect proper credit for previous education and training according to the policies of the College.

4. PROGRESS RECORDS:

In the academic and technical program, the school records show grades of A, B, C, D, F, W (withdrawal, no grade), I (incomplete grade which is temporary and is changed to a grade of A, B, C, D, or F on completion and is used in the overall grade point average of the student).

The State Veterans Affairs Approving Agency requires that "I" grades be considered as F's in computing grade point averages. This procedure is followed in all reports to the Veterans Administration concerning the student's status. Course changing is not allowed after the first two weeks of classes. Any time a student quits a course without officially withdrawing, a final grade of "F" will be recorded.

The VA will be promptly notified when a veteran or other eligible person drawing VA benefits changes his course load from full-time to part-time or reduces his part-time load.

Veterans who are attending East Central Community College in the Academic and Technical programs must pass a certain number of hours each semester, the same as regular students, to remain in good standing. Students must pass nine semester hours and earn 18 quality points to remain in good standing. Quality points are assigned per semester hour the following way: A-4 quality points; B-3 quality points; C-2 quality points; D-1 quality point; and F-0 quality points.

For the Veterans and other eligible persons, East Central Community College will apply the probation and suspension policies as listed in this catalog.

B. ATTENDANCE RECORDS:

East Central Community College maintains schedule and permanent record cards. The last date of attendance is reflected when one drops a course. The number of absences in any particular course is placed on the final Grade Report and also in the teachers' grade book which is turned in at the end of the term and is filed for records and is available in the Director of Admissions, Records, and Research's office. An individual is allowed absences per semester equal to twice the times a class meets per week in addition to any official absences representing the College. This policy is given in detail elsewhere in this publication.

SOPHOMORE STATUS

Before a student can be classified as a sophomore, he/she must have earned a minimum of 28 hours or its equivalent from an approved college.

TESTING SERVICE

East Central Community College is a fully participating institution in the American College Testing Program and administers the test on all nationally scheduled testing dates. The ACT test is also administered on a residual basis upon request.

East Central also administers and utilizes the Test of Adult Basic Education (TABE) in its Special Populations and Adult Basic Education program. The Accu-placer is used to determine eligibility in the Ability to Benefit for financial aid. Further, the General Educational Development Test (GED) is administered on a monthly basis.

SCHOOL TERMS AND PERIODS

East Central operates on the semester system. There are two regular semesters which begin in August and in January. During the summer, there is an eight (8) week summer session divided into two four-week terms,

a ten-week evening session, and a three-week intersession. The College also offers courses at other times to meet the needs of students.

Lecture periods meet a minimum of 50 minutes. Laboratory periods are equivalent to two lecture periods. Semester hours of credit are granted on the number of lecture and/or laboratory periods the class meets per week for one regular semester. A semester hour of credit is equal to 750 minutes of instruction.

Classes are also offered off-campus at various locations throughout the five county district.

RECORDS

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

East Central Community College is in compliance with provisions granted under the Family Educational Rights and Privacy Act of 1974. Under this law, students enrolled in any educational institution receiving federal funds are given certain rights concerning school records.

The following rights are accorded to students under this act:

1. Students are entitled to have access to school records upon request.
2. Request for access to records concerning academic grades, transcripts and absences should be filed with the Director of Admissions, Records, and Research. Request for access to records concerning test scores administered by East Central Community College counselors, financial aid, and other personal data should be filed with the Vice President for Student Services.
3. Students are entitled to inspect and review the contents of their school records and to challenge the contents if they feel the contents are inaccurate, misleading or inappropriate. If a student wishes to challenge the contents, the Director of Admissions, Records, and Research or Vice President for Student Services will provide a written copy of procedures to be followed.
4. Before any school records will be released to third parties (colleges, potential etc.) who have requested copies of school records, the school must have the students' written consent.
5. Upon receipt of a subpoena or judicial order requiring the Director of Admissions, Records, and Research and/or Vice President for Student Services to supply a student's records, the requested action will be taken.

6. Whenever a student seeks to enroll in another institution outside this district, the student must approve transfer of the record.
7. The law allows "directory information" about students to be made public without specific permission. Students are entitled, however, to request the deletion of certain information from school directories. Any request for deletion of directory information must be made within fourteen calendar days from the date of registration. Forms for requesting the deletion of information may be secured from the Office of the Director of Admissions, Records, and Research. The following items are considered directory information:

- Name
- Degrees and Awards Received
- Address
- Phone
- Dates of Attendance
- Major Program
- Height/Weight of Athletes
- E-Mail Address
- Enrollment Status
- Date and Place of Birth
- Photograph
- Grade Level
- Participation in Officially Recognized Activities and Sports

GRADING SYSTEM

A — 92-100	F — Failure
B — 83-91	W — Withdrawal
C — 74-82	AU — Registered for Audit
D — 65-73	I — Incomplete, but can be made up

A progress report is made to all day students at mid-term of each semester.

INCOMPLETE GRADES

A grade of "I" (incomplete) may be submitted in lieu of a final grade when the student, because of illness, death in the student's immediate family, or similar circumstances beyond the student's control, is unable to complete the course work or to take final examinations. The student must have in writing, an approval by the Director of Admissions, Records, and Research before the student can complete this course work.

An "incomplete" on final semester grades must be removed by completing the required work by the end of the first six weeks of the next semester or a grade of "F" will be recorded by the Director of Admissions, Records,

and Research. The individual student has the responsibility of making the necessary arrangements with the instructor concerned.

APPEAL PROCEDURES FOR GRADES

See Student Complaint Procedures

HONORS AND QUALITY POINTS

HONORS — Special recognition is given those students doing outstanding work in their academic subjects at the end of each grading period and at graduation. The honors are based on quality point averages.

HONORS	Required Quality Point Average
President's List	4.00
Dean's List	3.50
Honorable Mention	3.00

QUALITY POINTS — Quality points are based on the grade and number of hours credit for each course and are computed as follows:

GRADES	Quality Points
A	4 for each semester hour
B	3 for each semester hour
C	2 for each semester hour
D	1 for each semester hour
F	0 for each semester hour

The last grade in each course attempted will be counted for quality point purposes.

HONORS PROGRAM

The purpose of the Honors Program at East Central Community College is to provide enriched educational experiences for the academically talented students. Specially designed honors classes are offered to stimulate the honor student's spirit of inquiry and to provide opportunities for more in-depth study in several subject areas.

An Honors Council chaired by the Director of the Honors Program has been established. It is the responsibility of the council to coordinate the honors courses and to promote an atmosphere of intellectual stimulation and camaraderie among the academically talented students.

The Honors Program provides students the opportunity for independent projects and research, for greater intellectual challenge, and for association with others of similar abilities and interest.

HONORS PROGRAM ELIGIBILITY

In order to enroll in the Honors Program a student should have a superior ACT score, a superior grade point average, and an invitation from the honors faculty. Courses are scheduled so that a student may participate in all honors courses or in any combination of courses. Courses offered

include: Elementary Functions, Honors English Composition I, Honors English Composition II, Honors American History I, Honors American History II, Honors English Literature I, and Honors English Literature II.

Students with a Math ACT score of 25 and a score of 30 or above on a math assessment administered by the East Central Community College math faculty are eligible to enroll in Elementary Functions. Students with a 25 composite and a 27 English score on the ACT are eligible to participate in Honors English. Students with a 25 composite and a 25 reading score on the ACT are eligible to participate in Honors American History I.

Students are invited to enroll in Honors English Literature based on grades in previous English courses, ACT scores, and teacher recommendation.

ADVANCED PLACEMENT/CREDIT BY EXAMINATION

East Central has two provisions for granting credit by advanced placement of students and one provision for granting credit by examination.

Provisions for Advanced Placement in Vocational-Technical Instruction

East Central Community College will grant credit for selected courses in certain Applied Science and Certificate programs under the following conditions:

1. Applicant for credit meets all college admissions requirements and is a registered full-time student in good standing in one of ECCC's career-technical or certificate programs, and
2. Applicant has maintained at least a "B" average in the high school course for which articulated credit is requested, and
3. Applicant has on file a written recommendation from the high school instructor and vocational director, and
4. Applicant has successfully completed two units in high school in the approved area with an A or B average, and applicant has passed a competency exam administered by East Central Community College with a grade of "85" or higher, and
5. College credit will be held in escrow until the student has completed the prescribed courses in a specific program. The credits will be included on the student's official college transcript with the designation of "satisfactory" and counted toward the appropriate degree or certificate. Following provisions of the Southern Association

of Colleges and Schools, these courses will be identified as advanced standing in the articulated area and identified on the college transcript as such.

Each articulation agreement will be updated as the curriculum is revised.

It is understood that should a student intending to receive credit under this agreement fail to make satisfactory progress in the next higher sequential course, the student may transfer back to the beginning level course.

It is further understood that a high school graduate may exercise this privilege no later than the beginning of the third year following graduation.

THERE WILL BE NO CHARGE FOR ADVANCED STANDING CREDIT.

Advanced Placement Examination

Students who make a score of three (3) or higher on the Advanced Placement (AP) test will be given credit for the course at East Central. Generally an AP score of three (3) will result in awarding three (3) semester hours credit in the subject area. More than three (3) semester hours credit may be awarded for AP scores of four (4) or five (5) when approved by the appropriate division chairs working in conjunction with departmental faculty and the Vice President for Instruction. Academic credit established through AP will not carry a letter grade and will not be included in calculating the quality point average.

College Level Examination Program (CLEP)

East Central Community College welcomes students from a wide variety of backgrounds and learning experiences. Some students come to ECCC with a firm grounding in a number of disciplines. ECCC recognizes and honors their prior learning by accepting College-Level Examination Program (CLEP) tests, which measure a student's mastery of college-level, introductory course content in a wide range of subjects. Students meeting the credit-granting score in any of the tests listed below will be granted course credit and a grade of "Z" will be entered on their transcript.

Exam	Score	Credit	Equiv. Course
Am. Literature	50	6 hrs.	ENG 2223, 2233
Eng. Comp. Fresh.	50	6 hrs.	ENG 1113, 1123
Eng. Literature	50	6 hrs.	ENG 2323, 2333
College Algebra	50	3 hrs.	MAT 1313
Trigonometry	50	3 hrs.	MAT 1323
Biology	50	6 hrs.	BIO 1133, 1143
Chemistry	50	6 hrs.	CHE 1213, 1223
Calculus w/ Elem. Functions	50	3 hrs.	MAT 1613
French, Level 1	50	6 hrs.	MFL 1113, 1123
Spanish, Level 1	50	6 hrs.	MFL 1213, 1223
Am. Government	50	3 hrs.	HIS 2213
US History II	50	3 hrs.	HIS 2223

Human Growth/Dev.	50	3 hrs.	EPY 2533
Macroeconomics	50	3 hrs.	ECO 2113
Microeconomics	50	3 hrs.	ECO 2123
Psychology	50	3 hrs.	PSY 1513
Sociology	50	3 hrs.	SOC 2113
Western Civ. I	50	3 hrs.	HIS 1163
Western Civ. II	50	3 hrs.	HIS 1173
Accounting, Prin	50	6 hrs.	ACC 1213, 1223
Business Law	50	3 hrs.	BAD 2413
Info Sys/Comp Apps	50	3 hrs.	CSC 1113

Students may earn CLEP credit at ECCC only in courses taught at ECCC. The maximum number of CLEP credits that may be earned is 45 semester hours per student.

Students who transfer to ECCC after earning CLEP credit through another institution must submit official copies of their scores to the Director of Admissions, Records, and Research. The scores will be evaluated and credit granted following the same scale as for other ECCC students.

ACADEMIC PROBATION AND SUSPENSION

A student who fails to pass nine semester hours and to earn 18 quality points during a regular semester will be placed on probation until the academic record meets this minimum standard. If the minimum requirements are not met for two consecutive semesters, the student will be suspended for one regular semester. If the suspension occurs at the conclusion of the spring semester, it may be removed by attending summer school and improving the record to the stated minimum. Deviation from this policy will be made only with the approval of the Academic Probation Committee.

The above policy will also apply to all transfer students.

COURSE CHANGE

A fee of \$5 is assessed for a change in schedule after the date a student's schedule is entered.

CHANGING PROGRAM

A student should discuss any proposed changes in his program with his/her advisor. No student will be permitted to register in a new course after the second week of any regular semester.

PROGRAM OF STUDY

A student registering for 12 or more semester hours will be considered a fulltime student and should follow one of the curriculums as outlined.

CLASS ATTENDANCE AND ABSENCES

When a student enrolls in a course, the student assumes the responsibility for attending all class meetings, completing all assignments, and otherwise satisfying the requirements of that course. Realizing that from time to time there may be just cause for absence, the College has established the policy outlined below.

The student should discuss with the instructor the impending absence before it occurs if possible or immediately after his/her return to class if the absence was an emergency. The student is responsible for all work missed regardless of the reason for being absent.

1. Official absences are those incurred when students miss class while officially representing the College. The College sponsor of the group supplies a list to the Director of Admissions, Records, and Research's Office in advance, and instructors are notified from that office before the next meeting of the class following the absence. Official absences will not count in the total number of absences allowed.
2. Unofficial absences occur when students who are not representing the college miss class. Total unofficial absences per class may not exceed three for a class that meets once per week, four for a class that meets twice per week, six for a class that meets three times per week, eight for a class that meets four times per week or ten for a class meeting five times per week. Exceptions to this policy include classes that meet less than a full semester; Mississippi Virtual Community College Classes, associate degree nursing classes, and some of the career and technical classes. The instructor will notify students in these classes of the absentee policy in those particular classes in writing at the beginning of the semester. Tardies, which equal the number of times the class meets per week will constitute an unofficial absence. (Exception: For classes, which meet once per week, three tardies will constitute an unofficial absence.) If a student exceeds these numbers of absences he/she will be cut out of class and will receive an "F" for the course.
3. The student who misses announced tests or class assignments due to unofficial absences must have approval of the instructor to take makeup tests or to complete assignments. Approval will not be granted unless the student presents a valid reason for having been absent.
4. The student has the right to appeal if he or she feels that there were extenuating circumstances for exceeding the allowable number of absences or for being cut out of class and receiving an "F" for the course. Within ten (10) days of being cut out of the class (es), the

student should submit to the Vice President for Student Services a written letter of appeal giving all reasons for the appeal. The Vice President for Student Services will contact the instructor and discuss the reasons and excuses. The Vice President will then meet with the student and will decide whether or not the student should be placed back into the class. If the student is readmitted, he/she will sign a form stating that they will not be tardy or absent from the class for the remainder of the semester and if they are, they will be dropped with a grade of "F" and will not have the opportunity to appeal again. If the Vice President for Student Services denies the student reentry, he/she will have the opportunity to appear before the Absentee Appeals Committee. This committee will include the Vice President for Student Services, the student's instructor, the academic or vocational counselor (depending on classification of student), an administrator-at-large, an instructor-at-large, and an officer of the Student Body Association. A majority vote will be necessary for the student to be reinstated in class. Should the matter not be resolved to the student's satisfaction through the Absentee Appeals Committee, the student has the right to appeal to the President of the College within 24 hours. Such appeals must be made in writing with all reasons for the appeal given. The last step in the appeals process will be the hearing before the President.

DROPPING A COURSE

If a student desires to drop a course, the student may do so at any time with proper approval from their advisor or teacher and a counselor. There is no charge for dropping a course.

Unofficial withdrawal from a course at any time during the semester will result in a grade of F. No student can drop a course within five class days prior to the first day of final examinations.

REPEATING A COURSE

A student may repeat any course taken at East Central Community College that is recorded on his/her transcript. The last grade earned in any repeated course will be the grade used for determining credit and the GPA applicable to graduation. The prior East Central course grade on the student's transcript will be marked through and will not count for or against the student in ascertaining graduation requirements or GPA. (NOTE: This policy only pertains to credits earned at East Central Community College.)

EXEMPTION

Any student who has applied and been accepted as a candidate for graduation may be exempt from the final examination of any course

in which the student has at least a B average as of the last regular class meeting. Exemption of graduates and types of examinations (unit or comprehensive) are left to the discretion of the instructor.

PRE-REGISTRATION TESTS

The American College Test will be administered to all academic and technical students under age 23 who have not previously taken it. The results will be used in classification. Assessment tests are given in English and Mathematics to students over the age of 23 who have not taken the ACT. Students will be placed in these courses based on ACT scores.

ORIENTATION

All students entering East Central Community College for the first time must participate in the orientation program. This program consists of two parts:

- (1) **Advance registration** is held on five specific dates each summer. On these dates, students are assigned to faculty advisors who help in proper course selection. Handbooks are distributed and Math and English assessments are given to those students that qualify to take them. Students can have their ID made, purchase a car decal, check on their financial aid status, and pay their fees in the business office on these dates. After a student completes the process during one of these five dates, he/she will need to complete the orientation process in one of two ways.
- (2) **Orientation** can either be completed on-line at www.eccc.edu or in person on the first two days of class. The orientation program is designed to acquaint new students with the rules and regulations of the College. All first-time students must participate in an advance registration date and an orientation, whether it is on-line or in person.

MAXIMUM LOAD

Fifteen or sixteen semester hours of academic work are considered a normal load each semester. First semester freshmen are not allowed to register for more than a normal load unless specified in the curriculum. Other students desiring to enroll for 20 or more semester hours must have special permission from an appropriate curriculum advisor and approval by the Vice President for Instruction. A full-time career student cannot enroll in a daytime academic course for credit.

WITHDRAWAL FROM SCHOOL

Any student who leaves the College, except for temporary absences, must secure a withdrawal permit in duplicate from the Academic or Vo-

ational Counselor's office, where he will be instructed as to the proper procedure. This permit, when completed, must be filed with the Director of Admissions, Records and Research and Vice President for Business Operations. Administrative withdrawal may be processed by the Vice President for Student Services or Director of Admissions, Records, and Research.

ACADEMIC FORGIVENESS

East Central Community College students who have not been enrolled in any postsecondary educational programs for a period of four consecutive years may petition the Vice President for Instruction to have their prior credit records removed from consideration for determining qualifications for graduation from East Central Community College.

Any students who have changed their degree or certificate objective, for example, from an Associate of Arts/Science degree to an Associate of Applied Science degree, or vice-versa, may petition the Vice President for Instruction to apply only for those courses and quality points applicable to their current degree or certificate objectives. A change of major within the same degree or certificate designation does not qualify under this policy.

For students who seek academic forgiveness and whose petitions are approved, the College will utilize only the courses and quality points earned from the time approved for forgiveness in determining the students' eligibility to graduate from East Central. For students who have changed their degree or certificate objectives, the College will utilize only those courses and quality points which apply to the degrees or certificates that they seek to receive.

The College will make notations on the students' records regarding the application of this policy. All courses taken at the College and courses transferred to and accepted by the College will remain on the students' permanent records and no guarantees will be expressed or implied regarding the transferability of the forgiven credits to other postsecondary institutions. The VA does not recognize this policy for students receiving VA benefits.

A student may utilize the provisions of this policy only once.

GRADUATION

ALL STUDENTS EXPECTING TO BECOME CANDIDATES FOR DEGREES OR CERTIFICATES MUST FILE AN APPLICATION WITH THE VICE PRESIDENT FOR INSTRUCTION BY THE ANNOUNCED DEADLINE DATE REQUIREMENTS FOR DEGREES

East Central Community College grants three associate degrees the Associate in Arts, the Associate in Science, and the Associate in Applied Science. Students who plan to transfer to senior institutions should take note that substitution in the specified courses of Categories I and II below may be made with the approval of the Vice President for Instruction in order to meet senior college requirements. A student may transfer back from senior college a maximum of six semester hours to complete graduation requirements at East Central Community College.

- I. To graduate from the College with the degree of Associate in Arts a student must:
 - (1) Earn a minimum of 64 semester hours of credit to include: the 35 semester hours listed in the Academic Core Curriculum, but not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.);
 - (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled only the last grade recorded will count for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- II. To graduate from the College with the degree of Associate in Science a student must:
 - (1) Earn a minimum of 64 semester hours of credit to include: the 35 semester hours listed in the Academic Core Curriculum, sixteen or more semester hours of laboratory science, and not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.);
 - (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled, only the last grade recorded will count for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;

- (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- III. To graduate from the College with the degree of Associate in Applied Science a student must:
 - (1) Earn a minimum of 64 semester hours of credit to include the 18 semester hours listed in the Technical Core Curriculum, all technical courses in the specified program of study as listed in Chapter 5, "Program of Study" in the College Catalog, but not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.); and enough approved non-technical courses to complete 64 semester hours;
 - (2) Earn an average of two quality points for each semester hour attempted; (when a course is scheduled and rescheduled, only the last grade recorded counts for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- IV. To graduate from the College with a second associate degree, which must be different from the first, a student must:
 - (1) Earn a minimum of 15 additional semester hours of credit with no more than one semester hour of activity credit (physical education, band, choir, or varsity sports);
 - (2) Meet all of the requirements listed for the second degree as enumerated in paragraphs I, II, or III above;
 - (3) Complete all 15 additional semester hours credit at East Central Community College;
 - (4) Secure the approval of the Vice President for Instruction.

REQUIREMENTS FOR CERTIFICATES

East Central Community College grants nine months, one year, and eighteen months, certificates.

To graduate from the College with a certificate in a particular program a student must:

- (1) Make a passing grade and average a "C" (2.00 point) on all those courses required in the curriculum. Grades in courses not listed

in the curriculum will not be counted in calculating quality point averages.

- (2) Satisfactorily complete a prescribed certificate program as outlined under curriculum.
- (3) Practical nurse students and surgical technology students must maintain a grade of 80 on each course to earn a certificate.

GRADUATION FEE

A \$30.00 graduation fee is charged all students who are tentatively accepted for graduation.

TRANSCRIPTS

It is the policy of this institution to furnish free to each graduate of East Central Community College upon written request one transcript of his or her credits earned here. After the one free transcript, a charge of \$2.00 will be assessed for each additional request for transcript from students currently enrolled at the College and a charge of \$3.00 will be assessed for each additional transcript request from a former student. Correspondence pertaining to this service should be addressed to the Director of Admissions, Records, and Research of the College. The College reserves the right to protect the student's records from outside agencies. Holds will be placed on transcripts for non-payment of fees, board, fines, etc.

HEALTH SERVICES

Medical services are available to students. The campus nurse provides routine medical care and simple medication. The nurse's office is located on the first floor of the Eddie M. Smith Student Union. Office hours are 7:00 a.m. until 3:00 p.m. during the regular school session. Students who need more specialized care must visit their family physician.

Clinics in Decatur and hospitals in Newton and Union provide emergency medical care for students.

COUNSELING AND GUIDANCE

East Central Community College is wholly committed to providing the service of professionally trained guidance personnel to all of its students. The purpose of the guidance work is to provide professional assistance to the students in deciding academic, vocational, and personal questions, especially as they involve their college life.

The Vice President for Student Services has overall supervision and coordination of guidance, counseling, extra-curricular activities, and religious development. In addition, two full-time academic counselors, and a full-time career-technical counselor, employed by the College. Also, faculty members serve as academic advisors in their particular area. Advisors are selected from the teaching faculty according to curricula. Faculty members are well qualified to assist the students in their career planning. Each student upon entering selects a course of study with the aid of one of the advisors. Frequently meetings are held, and the students are urged to keep in touch with their Advisor on matters pertaining to their educational or career-technical careers. By careful planning, the students can find and pursue the course of study that will be most helpful in their chosen professions. Each student is thus aided in choosing a vocation for which the student is best suited.

Personal problems should be referred to the Vice President for Student Services or one of the professionally qualified guidance counselors. Students with disabilities should contact the Vice President for Student Services for possible accommodations.

FIREARMS ON CAMPUS

In keeping with the laws of Mississippi, students are not permitted to have rifles, shotguns, or other forms of weapons on campus. Campus residents must make arrangements to store any type of hunting weapons off campus.

STUDENT IDENTIFICATION CARD

Each full-time student will be issued an identification card during registration at a cost of \$3.00. The card will be used as an activity card during regular school session. Failure to show or surrender the identification card when requested by any East Central Community College official will result in disciplinary action. Replacement of a card due to loss or damage will cost \$10.00.

UNSATISFACTORY CONDUCT

Upon enrollment each student is given a Student Handbook in which the rules and regulations governing student conduct are listed in detail. Violations, which could result in suspension from college, will require that the student appear before the Discipline Committee, while violations that are not cause for suspension will be handled by the appropriate authorities.

ADULT AND CONTINUING EDUCATION PROGRAM

The Adult and Continuing Education Program meets the needs of an increasing number of adult and nontraditional students who wish to earn a degree on a part-time basis, prepare for job advancement or career change, or improve quality of life through personal enrichment and enhancement of knowledge in a specialized field of study. Classes are taught at the Decatur campus of East Central Community College and at several off-campus locations throughout the five-county district.

Present off-campus sites include Carthage, Forest, Louisville, Philadelphia Career/Technical Centers, and the Choctaw Hospitality Institute near Philadelphia. Credit classes may be arranged on-site for business or industry, school districts, medical facilities, government agencies, or in any location where specific educational needs exist.

ADULT BASIC EDUCATION PROGRAM

East Central Community College teaches adult basic education classes in Leake, Neshoba, Newton, Scott, and Winston counties. Classes are available to the general public in literacy training, GED preparation and English as a Second Language. Adult basic education classes are free. Class locations include Forest, Decatur, Carthage, Louisville and Philadelphia. Day and night classes are available.

GED testing is offered at East Central Community College each week that the College is in session. There is a fee for the five-part GED test. The GED diploma is recognized as the equivalent to the high school diploma.

CHILDCARE LABORATORY

The East Central Child Development Technology program operates a licensed, on-site childcare center for the laboratory training of students majoring in the field. The center operates during the fall and spring semesters. It is open to ECCC employees, students' children, and others. There is a minimum fee. The facility is located on 10th street.

FACILITY ARRANGEMENTS

Facility arrangements are available to professional, fraternal, governmental, or other associations that may require this space and service for seminars, workshops, and annual meetings. Coordinators are available to assist with every detail in the organization and implementation of a successful meeting from banquet arrangements to on-site registration. A calendar of events is maintained in the office of Adult and Continuing Education listing all activities by college and outside agencies.

CONFERENCES, WORKSHOPS, TRAINING PROGRAMS

Conferences, workshops, and training programs assist in solving special problems encountered by businesses, industries, and government agencies. Programs may be offered on-site at the client's facility, at East Central Community College main campus in Decatur, at the Productivity Enhancement Lab in Philadelphia, or at any of the College's Workforce Development training locations.

The Small Business Development Center offers workshops throughout the district at locations convenient to the small business community. The topics of these programs are designed to address many aspects of operating and maintaining a small business profitably. Topics may include:

- Starting a small business
- Customer service
- Marketing
- Financial management
- Developing a business plan

CAMPS AND CLINICS

A wide variety of camps and clinics are conducted annually to serve youth during the summer months. The choices include baseball, softball, football, basketball, soccer, tennis, and cheerleading camps. Also included are short courses in manners and etiquette, chemistry, computer, math, creative arts, scrapbooking, cake decorating, jewelry making and art, which is offered through Kids' College. Participants are given the opportunity to explore various fields and to further develop sports or academic skills under the supervision of qualified instructors in a college setting. The philosophy of each particular camp, whether sports or academic, emphasizes a well-balanced, enjoyable learning experience.

TRAVEL PROGRAMS

Travel programs are offered periodically to provide educational and personal enrichment. College faculty have served as directors for trips to such destinations as England, France, Switzerland, Austria, Germany, Australia, and New Zealand. College credit may be earned.

EXTENSION CENTER

Classes may be organized which give credit beyond junior college credit. The college has served as an Extension Center for Mississippi State University and the University of Southern Mississippi at various times in the past.

THE LEARNING SKILLS CENTER

The Learning Skills Center is a tutorial lab for students who need or want supplemental instruction. The Learning Skills Center has two components: a computer aided instruction lab and tutoring by peers, faculty, and community volunteers. The LSC components will be implemented by the Director of the Learning Skills Center cooperating with the Learning Resource Advisory Committee in policy making and performance assessment activities. The Committee will be comprised of:

1. Learning Resource Advisory Committee
Two students: one sophomore, one freshman, appointed by the SBA; one faculty representative each from the basic skills areas, i.e., English, reading and math; Vice President for Instruction; Vice President for Student Services; Dean of Adult and Continuing Education; Academic Counselor; Career-Technical Counselor; and Learning Skills Center Director.
2. Coordination
The Learning Skills Center Director will meet with academic department faculty to coordinate services and determine needs of students. The ongoing process of analyzing job market data will be coordinated with the tech prep career center coordinator and the science and technology instructor to meet the needs of business and industry. Student services will be coordinated with the Vice President for Student Services and the student services staff.
3. Subject Areas
Subject areas will be primarily developmental reading, writing, and math. In addition, higher levels of these subjects plus science, social science and other courses as needed will be available through the computer lab and individual tutoring.
4. Referral
Students may be referred by faculty, counselors, or themselves.
5. Student Assessment
Students will be assessed using a combination of student and faculty interviews, computerized assessment, local English and math placement tests, high school transcripts, and ACT scores. Records are maintained on students who utilize the services of the center.
6. Schedule
The Learning Skills Center will be open the following hours:

Monday and Tuesday	8:00 a.m.-8:00 p.m.
Wednesday and Thursday	8:00 a.m.-4:30 p.m.
Friday	8:00 a.m.-4:00 p.m.

WORKFORCE DEVELOPMENT CENTER

The mission of the Workforce Development Center staff is to support businesses, industries, individuals, and communities with assessment, training, job placement, consultation, and educational services designed to improve the economy by enhancing the employability skills of the citizens in the East Central Community College district.

Specialized advanced technical training classes and Industrial Maintenance Technician Apprenticeship programs are available at the Productivity Enhancement Lab in Philadelphia. Short-term computer applications training classes are offered at Workforce Development computer labs in each county.

Customized sessions are designed, curricula developed and training facilitators provided to businesses and industries that address workforce improvement, technical skills upgrade, professional skills development, basic skills enhancement and Adult Basic Education. Private counseling, workshops and seminars are available for individuals interested in establishing and growing small businesses.

WORK-BASED LEARNING

The Work-Based Learning program creates an opportunity for technology students which combines school-based education/training through an East Central Community College career-technical program and structured, parallel work site experience in local businesses and industries. The program's objectives are to better equip students for employment in technical careers and to effectively manage the quality of technology instruction.

Placed in work environments that compliment classroom instruction, the Work-Based Learning students master skills and competencies that have been cooperatively outlined by participating businesses, industries and technology instructors. In doing so, Work-Based Learning participants earn competitive wages while learning from skilled, professional mentors.

Work-Based Learning students enter the workforce equipped with proven employability skills and an educational experience designed to enhance future career options. Students receive technical credit and transcript recognition for work site experience.

TECH PREP

East Central Community College, in conjunction with the Mississippi State Department of Education and a consortium formed by local secondary schools, has developed and implemented the Technical Preparation

Education Program. The Tech Prep initiative is a response to the challenges that students of today will face in the 21st century. In Mississippi, as in every other state in the nation, the success of new and expanding businesses depends on a technically sophisticated workforce. Tech Prep integrates college prep course work with career and technical applications. This planned sequence of courses begins in junior high school and is articulated to the community college, leading to an associate of applied science degree. Students can also pursue a four-year baccalaureate degree, if so desired. A comprehensive career and guidance program is a major component of Tech Prep to ensure each student is provided with appropriate educational opportunities.

INFORMATION TECHNOLOGY RESOURCES AND SYSTEMS

East Central Community College seeks to provide computer resources, computer networks, and information technology to the students, faculty, staff, and administration at a level that enhances learning and productivity. The College requires students to demonstrate computer literacy to meet graduation requirements and provides training opportunities for the administration, faculty and staff. It is the responsibility of the users of computers and networks to act in a manner consistent with the rights of all other users.

Electronic information is volatile, easily reproduced, and easily vandalized. Respect for the work and personal expression of others is critical. Further, one should never publish anything on a computer networks that they are unwilling to have made public. Computer users must never access, use, or edit files of others without the consent of the author.

The College's networks are monitored networks. Security and management considerations require that the networks be open for review and maintenance. A user of the networks can assume that anything stored on the networks is public information and should act accordingly.

The College's computers and networks are for official business and users shall access only those files and data to which they have authorization. Users shall protect her/his personal computer(s) from unauthorized use and safeguard her/his user-IDs and passwords.

Private and/or commercial uses of the College's computers or networks and work conducted for personal gain or profit will not be allowed.

At no time shall a computer user engage in illegal or immoral activities on the College's networks. Examples of these activities include the transmission of defrauding, obscene, threatening, violent, or unlawful materials.

Publication of annoying, harassing, or intimidating messages on the networks will not be allowed.

Using the College or State networks to advocate political positions will not be allowed.

Computer or network users will not attempt to circumvent system security measures, modify the computer system or software, install invasive software such as "worms" or "viruses," or install pirated software on the College's computers or networks.

Users are not allowed to remove hardware, software, manuals, supplies, etc. from the College's computing sites without proper authorization.

Anyone who knowingly violates the principles outlined in this policy will be subject to appropriate disciplinary action.

DUE PROCESS PROCEDURES FOR STUDENT GRIEVANCES

Grievances by an East Central Community College student arising from compliance with the provisions of Title VI of the Civil Rights Act of 1964 and its Amendments, Part H of the Higher Education Act of 1965 and its Amendments, Title IX of the Higher Education Act of 1965 and its Amendments, Section 504 of the Rehabilitation Act of 1973 and its Amendments, and the Americans With Disabilities Act of 1990 and its Amendments and other non-academic matters should first be presented to the Vice President for Student Services. The only academic matters that may be appealed by a student through due process are those that relate to charges of academic dishonesty and perceived errors in the transmittal of grades. The grievance should be written and should be delivered either in person or by mail to The Vice President for Student Services, East Central Community College, P.O. Box 129, Decatur, MS 39327; telephone (601) 635-2111.

Upon receipt of a grievance under the provisions of this policy, the Vice President for Student Services will schedule a hearing before a student-faculty committee within ten (10) days. This committee will be composed of the Vice President for Student Services, the President of the SBA, the Academic or Career Counselor as appropriate, an academic, technical, or career-technical member of the faculty as appropriate, and a student-at-large.

The committee and the grievant may call such witnesses as may be required to investigate the grievance. Further, the grievant may have an advisor present during the hearing. However, the advisor may only consult with the grievant and not speak for the grievant.

If the results and/or procedure of the student-faculty committee hearing are deemed unsatisfactory by the grievant, the grievant may appeal in writing within three (3) days to the President of the College who will schedule a hearing within (10) days of the appeal. The decision of the President shall be deemed final with regard to student due process procedures at East Central Community College.

The above three (3) steps shall exhaust full recourse available at the College.

Records of grievances filed under this policy shall be maintained in the Vice President for Student Services' office as stated in policy 5.5.2.21.

Student Complaints

Any student who wishes to make a complaint to East Central Community College about a college program, a service of the college, an employee of the college, or any other aspect of the college should follow the procedures provided in this policy.

The student should first discuss the problem with the faculty member, staff member, or administrator involved prior to initiating formal complaint procedures under this policy. If informal efforts are not productive or appropriate in resolving the complaint, the student should follow the procedures enumerated herein.

Students who wish to complain about academic or non-academic matters should contact the Vice President for Student Services. The complaint must be in writing and either be hand delivered or mailed to the Vice President for Student Services, East Central Community College, P.O. Box 129, Decatur, Mississippi 39327; telephone (601) 635-2111.

All complaints will be handled by the Vice President for Student Services or referred to the appropriate college official for response. College personnel who are not directly involved in the alleged problem will review the facts and make the final determination regarding the complaint. Students have the right to use the due process procedures contained in policy 5.5.2.21.1. for all non-academic matters. The only academic matters that may be appealed by a student through due process are those that relate to charges of academic dishonesty and perceived errors in the transmittal of grades. No adverse action will be taken against a student filing a complaint under the provisions of this policy solely on the basis of the complaint filed.

East Central Community College shall maintain comprehensive records of all complaints received for a period of five years. The records shall contain aggregate data on complaints and specific data on each complaint. Documentation required to support this policy shall be maintained in

the Vice President for Student Services' office and will contain the following:

1. The Student Handbook, the College Catalog, and the Policy and Procedures Manual;
2. All letters of complaint and/or appeal;
3. Written determinations of complaints;
4. All materials related to complaint processing and determination; and
5. A log of complaints.

A log of all complaints will include the following information and will be maintained in the Vice President for Student Services' office.

1. A complaint number assigned to each complaint preceded by the last two digits of the calendar year in which the complaint was filed, e.g., 94-001;
2. The date of receipt of the complaint;
3. The name and address of the complainant;
4. The name of the individual (s) assigned to handle the complaint;
5. The dates of response to the complaint;
6. The date of resolution; and,
7. The final disposition of the complaint.

An individual file for each complaint will be maintained in the Vice President for Student Services' office and will include the following information.

1. The initial complaint;
2. All correspondence related to the complaint; and,
3. Written documentation of the final determination with the signatures of the party or parties who submitted the complaint and the representative(s) of the institution who made the final determination.

CHAPTER 4 FINANCIAL INFORMATION EXPENSES FOR THE 2006-2007 REGULAR SESSION

Registration Fee	36.00	36.00	36.00
1-Day Room & Board Fee	1,185.00		1,185.00
(7-Day Room & Board Fee)	(1,330.00)		(1,330.00)
Out/State-Out/Country Fee			1,050.00
Total First Semester	\$1,946.00		\$2,996.00
(5-day meal plan)			
Total First Semester	\$2,091.00	\$ 761.00	\$3,141.00
(7-day meal plan)			
SECOND SEMESTER			
Matriculation Fee	\$ 700.00	\$ 700.00	\$ 700.00
Technology Fee	25.00	25.00	25.00
Registration Fee	36.00	36.00	36.00
Room & 5-Day Board Fee	1,185.00		
Room & 7-Day Board Fee	1,330.00		
Out/State-Out/Country Fee			1,050.00
Total Second Semester	\$1,946.00		\$2,996.00
(5-day meal plan)			
Total Second Semester	\$2,091.00	\$ 761.00	\$3,141.00
(7-day meal plan)			

Cable TV and telephone are now available for students who choose to pay the fee to receive these services. Contact should be made directly to Cablevision and/or the Decatur Telephone Company.

Each dormitory student is required to purchase a meal plan. Students who prefer the Deferred Payment Plan may pay their board in the following way:

FIRST SEMESTER		
<u>5 DAY PLAN</u>	<u>7 DAY PLAN</u>	<u>PAYMENT DUE</u>
1. \$236.00	\$285.00	upon entrance
2. \$237.00	\$285.00	September 18, 2006
3. \$237.00	\$285.00	November 6, 2006
SECOND SEMESTER		
<u>5 DAY PLAN</u>	<u>7 DAY PLAN</u>	<u>PAYMENT DUE</u>
1. \$236.00	\$285.00	upon entrance
2. \$237.00	\$285.00	February 19, 2007
3. \$237.00	\$285.00	April 2, 2007

Fees are an additional \$1,050.00 per semester for out-of-state students.
Fees are an additional \$1,050.00 per semester for out-of-country students.

Cosmetology students see "12" under General Information.

GENERAL INFORMATION

1. There is no special charge for music or business courses for full-time students. There is a \$15.00 fee for laboratory science courses and ceramics courses, a \$60.00 fee for ADN, PN, Surgical Technology, Emergency Medical Technology/Paramedic, and Child Development Technology courses.
- *2. Non-resident fees are an additional \$1050.00 per semester for out-of-state students, or an additional \$1050.00 per semester for out-of-country students.
3. If the deferred payment plan is used and these payments are not met, there will be an additional charge of \$5.00 added to the account.
4. All fees are payable in advance on the date due as indicated in the "Board Calendar."
5. Holds will be placed on transcripts and records for non-payment of fees, board, fines, etc.
6. For registration on dates other than those listed on the college calendar, there will be an additional charge of \$15.00 added to the account.
7. All students who expect to register for fall semester as scheduled should complete admission requirements by August 1. Students who have not registered as scheduled in the bulletin will be assessed a late registration fee.
8. Students taking less than twelve semester hours on the Decatur campus will pay fees at the rate of \$75.00 per semester hour at the time they register. A technology fee of \$2.00 per semester hour (maximum of \$25.00 per semester) will be assessed for part-time students. A registration fee of \$3.00 per semester hour (maximum of \$36.00 per semester) will be assessed for all students.
9. Students taking classes at off-campus locations will pay fees at the rate of \$75.00 per semester hour at the time they register.

Students taking classes via the Mississippi State Virtual Community College (MSVCC) will pay an additional \$20 per MSVCC class at the time they register.
10. Adults who are 65 years of age or older may attend East Central Community College with Matriculation fees waived.
11. East Central Community College reserves the right to change any charges published if it should become necessary.
12. Cost for the 12 months Cosmetology Program is \$2,650.00, which includes books and cosmetology kit. A first-time student has a first time charge of \$600.00 for special supplies. Charges may be made the following way:

Fall Semester	\$700.00
Spring Semester	\$700.00
Summer Semester	\$700.00
Room and Board are same as listed on opposite page.	

13. Cost for the twelve-month Practical Nursing (PN) Program is \$2,280.00. Charges may be made in the following manner:

Fall Semester	\$760.00
Spring Semester	\$760.00
Summer Semester	\$760.00

 Room and Board are same as listed on page 81.

(The out-of-state fee will be waived for students who meet the requirements of legislation approved by the governor during the fall 2003 session of the Mississippi Legislature. For the out-of-state fee to be waived, the following criteria must be satisfied:

- the nonresident student was born in the State of Mississippi but subsequently relocated and resided outside the state as a minor under the care of the minor's father or mother, or both;
- the nonresident student is a veteran who served in the Armed Forces of the United States; and
- the nonresident student is domiciled in Mississippi no later than six months after the nonresident student's separation from service as evidenced by a Report of Separation from Military Service or other military discharge document, for the purpose of enrolling in a state institution of higher learning or a community or junior college.)

FIRST COURSE FREE

East Central Community College has a policy to encourage adults who have not attended college previously to try college free. Any adult in the five-county district who has not previously enrolled in college and who otherwise meets entrance requirements may take the first college credit course free at any location in the district.

For purposes of this policy, an adult is anyone over 21 years of age who has graduated from high school or who has passed the GED Test and has been out of high school for more than one year. The \$75.00 per semester hour will be waived for the first course only.

Those interested should contact the Admissions, Records and Research Office at East Central Community College or attend registration as announced at the location where they plan to enroll.

REFUND POLICY

Refunds for full-time students are made only when a student has officially withdrawn or officially dropped to part-time status, and are based on the following schedule:

During Registration	100% of amount paid
First Calendar Week	75% of amount paid
Second Calendar Week	50% of amount paid
Third Calendar Week	25% of amount paid
After Third Calendar Week	No Refund

Part-time students will not be granted tuition refunds after the first class meeting.

Students who drop from full-time status to part-time status will be reassessed fees at the part-time rate through the eighth week of each semester and will be required to withdraw from the residence hall.

Meal plan refunds are pro-rated on the number of full weeks remaining for which a board payment has been made. There will be no refund of dormitory room rent.

The refund policy of East Central Community College for Veterans, Veterans' widows or War Orphans enrolled under Chapter 34 or 35 is on a prorata basis for the number of weeks remaining in the semester. The proper withdrawal procedure must be followed and the refund must be requested.

SUMMER SCHOOL EXPENSES

Expenses for the summer are different from those during the regular session. They are announced in a special bulletin, a copy of which may be obtained on request from the Director of Admissions, Records, and Research of the College.

THE COLLEGE BOOKSTORE

The campus bookstore is operated as a convenience to students and instructors in securing books when needed. Secondhand books, in good condition, are purchased from students at a fair price provided such books will be used again as textbooks. This exchange of textbooks reduces the total cost of books for each student.

Books will be purchased from students at the end of each semester during final examinations.

HOUSING AND BOARDING POLICIES

East Central Community College provides a comprehensive food service, seven resident halls, and an apartment building. The food service facilities and all residence halls are modern, air-conditioned facilities.

The apartments are designed to accommodate a married couple with one child. Prior written consent must be received from the College for ad-

ditional occupants in a single apartment. The rent is \$200.00 plus utilities per month. Students interested in these accommodations should contact the Vice President for Business Operations. In special circumstances, these apartments may be used to house honor students. The Vice President for Student Services will make these recommendations.

Resident halls are provided on campus, and students are encouraged to live in the residence halls. All dormitory rooms are assigned based on the date of a \$60.00 deposit, which includes a \$10.00 key deposit and a completed housing application. However, room assignments are made only to students who have an application for admission on file in the Admissions Office. Students may send the room deposit with the application for admission. The housing application should also be included. Room deposits and housing applications should be sent to the Business Office when not accompanying an application.

Room deposits are refundable if a student chooses not to attend East Central, but the school must receive the request for the refund by August 1. After this date, the deposit is forfeited.

This deposit is also refundable when an attending student officially withdraws from the residence hall, provided that the student is not charged with room damage or loss of keys. The deposit is forfeited if the student does not officially withdraw within one week of the last day of school or earlier. To officially withdraw, a student must complete a Dormitory Withdrawal Form and turn in his key to the Director of Student Life.

If a student has preference for a particular room or roommate, this should accompany the payment of the room deposit and should be noted on the Housing Application. Roommates must have complete applications for housing on file before assignments can be made. East Central's dormitories are furnished, and the student will only need to provide bed linens.

Mabry Cafeteria offers wholesome but inexpensive meals for students. All residence hall students are required to purchase a meal plan, and they must present their ID cards each time they eat in the cafeteria. Students may not lend their ID card to other people. Also, food service is not available when the College is not in session on official holidays.

STUDENT HOUSING

Residence Requirements for East Central Students

1. Full-time single students who are receiving activity scholarships (athletic, cheerleader, band, Collegians, Centralettes, flag corps, or rifle corps) will be required to live on campus in the college's residence halls. Exceptions may be made for those students who live with parents or legal guardians,

those who commute, for those who have a substantiated medical reason for not living on campus, and those who are over 21 years of age.

2. Single students less than 21 years of age who do not receive an activity scholarship and do not commute from their parents' or legal guardians' home, must have on file in the Vice President for Student Services' office a release statement signed by the parents/guardians granting permission to live off campus. This release statement may be obtained from the Vice President for Student Services' office.

NOTE: The justification or reason for this policy is for the protection and security of students, parents, and school officials involved in emergency situations that might occur with the aforementioned parties.

APPLICATION FOR HOUSING

The housing application can be found inside the back cover of this catalog. The housing application must be typed or printed in ink and may accompany the admissions application if the applicant intends to live in campus housing. A \$60.00 room deposit must accompany the housing application in order for the housing reservation to be complete. If you have already sent an admissions application, or if you are a current student, please send the housing application along with your room deposit to the business office.

STUDENT ACCOUNTS

Payment of students' expenses may be made by cash, check or money order. Checks should be made out to EAST CENTRAL COMMUNITY COLLEGE. There will be a charge of \$25.00 for all checks returned as NSF or Stop Payment.

STUDENT FINANCIAL AID

The following information is a summary of financial aid programs and policies at East Central Community College. For further information and application forms, contact:

Financial Aid Office
East Central Community College
P. O. Box 129
Decatur, Mississippi 39327
Telephone: (601) 635-2111, Ext. 218 or 326

SECTION I: FINANCIAL AID PROGRAMS

FEDERAL PELL GRANT — This Federal Program is designed to provide financial assistance to students on the basis of need. Any eligible student may receive a Pell Grant. A Pell Grant is not a loan; therefore, it does not have to be paid back.

STATE OF MISSISSIPPI TUITION GRANTS — The State of Mississippi established the following grant programs in 1995 for eligible Mississippi residents; the Mississippi Resident Tuition Assistance Grant (MTAG) and the Mississippi Eminent Scholars Grant (MESG). Applications must be submitted by the deadline established by the State of Mississippi. Students must meet the eligibility requirements as established by the State of Mississippi in order to be eligible.

LEVERAGING EDUCATIONAL ASSISTANCE PARTNERSHIP (LEAP) PROGRAM — The State of Mississippi through a matching grant program with the Federal Government provides grants to eligible Mississippi residents. Very limited funds are available to students with substantial financial need.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) — This Federal Program is designed to assist students who would be unable to obtain an education without the grant and is available to a limited number of students of exceptional financial need. Because it is a grant, it does not have to be paid back.

WORK STUDY — East Central Community College participates in two types of work-study — Federal Work-Study and Institutional Work-Study. Students are awarded jobs based on need and academic ability. This program gives students a chance to earn money to help pay their educational expenses.

FEDERAL STAFFORD LOAN — A Federal Stafford Loan is a low-interest loan made to the student by a lender such as a bank, credit union, or savings and loan association to help with educational expenses. Two types of Federal Stafford Loans are available: Subsidized Federal Stafford Loans and Unsubsidized Federal Stafford Loans for middle income borrowers.

PLUS — The PLUS Loan Program is not based on need. PLUS loans are for the parents of dependent students. These loans provide additional funds for educational expenses. Like Stafford Loans, PLUS loans are made by a lender.

INSTITUTIONAL SCHOLARSHIPS — East Central Community College offers various scholarships to eligible students.

Academic Achievement Scholarships — The Academic Achievement Scholarships were established at East Central Community College effective at the beginning of the 1996 fall semester. The Academic Achievement Scholarships are available to any Mississippi resident who enrolls as a full-time student at East Central Community College the fall semester following his/her high school graduation. East student must have a high school grade point average of 3.0 or better on a 4.0 scale (90 or higher numerical average) to be eligible for this scholarship. Students who have ACT scores of 20 or above will not be eligible to receive ACT scholarships.

and Academic Achievement Scholarships. The Academic Achievement Scholarships will be available to eligible students for four (4) consecutive semesters, provided each awardee maintains a 2.5 G.P.A. for the first semester and a cumulative 3.0 G.P.A. for the second and third semesters at ECCC. A scholarship in the amount of \$100 will be awarded each semester to each eligible student.

Achievement Recognition Scholarships — Achievement Recognition Scholarships will be awarded to individuals who receive the following honors: Miss East Central Mississippi, Miss Hospitality, Miss Newton County, Choctaw Indian Princess, in-district Junior Miss winners, Miss Neshoba County, and Miss Morton. Full tuition scholarships will be awarded to those eligible who enroll as full-time students at East Central Community College the fall semester following high school graduation. The scholarship will be available to the students for four (4) consecutive semesters provided each student maintains a 2.5 G.P.A. for the first semester and a cumulative 3.0 G.P.A. for the second and third semesters. Any student who does not maintain the required G.P.A. and is removed from scholarship, may have the scholarship reinstated by earning the required G.P.A. the following semester.

ACT Scholarships — The ACT Scholarships listed below will be available to any Mississippi resident who enrolls full-time at East Central Community College the fall semester following high school graduation or the first regular semester after having received the GED. The ACT Scholarship will be available to the student for four (4) consecutive semesters. See Section II: Financial Aid Policies for further requirements.

ACT Composite (20-23) — A scholarship in the amount of \$100 will be awarded each semester to the eligible student.

ACT Composite (24-26) — A scholarship in the amount of \$300 will be awarded each semester to the eligible student.

ACT Composite (27-30) — A scholarship in the amount of tuition will be awarded each semester to the eligible student.

ACT Composite (31-36) — A full scholarship (Matriculation fee, room and board) will be awarded each semester to the eligible student.

Art Scholarships — The Art Department awards art scholarships to students majoring in art who meet the established criteria.

Art Majors: Two full tuition scholarships are awarded to art majors with the highest GPAs after their first semester.

1. Art major scholarship recipients must maintain a 3.0 grade point in art courses.

2. Art major scholarship recipients must maintain a 2.0 grade point average in other academic courses.

Art Service Scholarships: Eight one-half tuition art service scholarships are awarded to students who:

1. Submit a student information sheet and a minimum of five art works on the portfolio day announced in the spring semester at the district high schools;
2. Agree to enroll full-time at East Central; and
3. Declare art as their major.

These scholarships are service-based; therefore, recipients will be required to provide service to the College by:

1. Assisting with set designs for the dinner theater and musical productions;
2. Designing layouts for art show, drama productions or the like; and
3. Serving as lab assistants for art and ceramic labs performing the following tasks: firing kilns, loading and unloading kilns, mixing ceramic glazes, clay preparation, and general art lab maintenance. Service scholarship recipients will be given an opportunity to apply for the two full-tuition art scholarships at the end of the fall semester.

Athletic Scholarships — All Athletic Scholarships are awarded by the respective coaches in baseball, basketball, football, golf, soccer, tennis, and women's softball. The athlete must meet the eligibility requirements of East Central Community College, the Mississippi Community and Junior College Association, and the National Junior College Athletic Association. The scholarships are awarded in whole dollar amounts up to a full scholarship, to include tuition, room, and board, for basketball and football. Baseball, golf, soccer, tennis and women's softball scholarships are awarded each semester in whole dollar amounts up to the amount of matriculation (tuition) and fees.

Band Scholarships — The Band Scholarships are awarded by the band director to full-time students. The scholarships are awarded by audition for marching band, concert band, jazz band, orchestra, and Collegians. Scholarship amounts vary depending upon participation in the various groups.

Career-Technical Scholarships — These scholarships are available in the skill areas which are part of programs offered at East Central. The career-technical counselor will make the awards to the winners. To receive an FBLA, Skills-USA, HOSA, DECA, FFA, TSA or Outstanding Student

Scholarship, the student must enroll fulltime at East Central Community College the fall semester following high school graduation.

To receive a FBLA, Skills-USA, HOSA, DECA, FFA, TSA or Outstanding Student Scholarship, the student must enroll in a vocational-technical program.

To retain the FBLA, Skills-USA, HOSA, DECA, FFA, TSA, or Outstanding Student Scholarship, a student must maintain a B (3.0) average each semester.

Any student who does not maintain a B (3.0) average is removed from the scholarship. The scholarship will be reinstated if the student earns a B (3.0) average the following semester.

1. A scholarship of \$300.00 per semester for four semesters will be awarded to the outstanding senior student from each Cluster Area of the six career/technical centers in the East Central Community College District. The recipient will be selected by the Director and teachers at each center in consultation with East Central's Career-Tech Counselors and Instructors.
2. A scholarship of \$300 per semester for four semesters will be awarded to the first place winners in the skill contest from the District Skills-USA Mississippi competition, District HOSA competition, District DECA Competition, District FFA Competition, and District TSA Competition.
3. A full matriculation scholarship for four semesters will be awarded to the first place winners in the skills contest from the State Skills USA Mississippi Competition, State FBLA Competition, State HOSA Competition, State DECA Competition, State FFA Competition, and State TSA Competition.
4. A full scholarship (Matriculation fee, room and board) for four semesters will be awarded to the first place winners in the skills contests from the National High School Skills-USACompetition, National FBLA Competition, National HOSA Competition, National DECA Competition, National FFA Competition, and National TSA Competition.

Career-Technical Non-Traditional Gender Scholarships — These scholarships are available in non-traditional gender programs, as specified by Federal Guidelines, for which the scholarships are awarded. One scholarship in the amount of one-half tuition will be presented to one student from each Career-Technical/Career Center in the East Central Community College District each spring.

To receive the scholarship the student must enroll in a non-traditional gender program. The student must enroll full time the fall following high school graduation and continue in the non-traditional program. The scholarship will be available for four consecutive semesters if the student meets all other requirements.

To retain the non-traditional gender scholarship, the student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average will be removed from the scholarship. The scholarship will be reinstated if the student earns a B (3.0) average the following semester.

Recipients will be chosen by a committee composed of the Dean of Career-Technical Education, the Assistant Dean of Career-Technical Education, the Career-Technical Counselor, the Tech Prep Coordinator, and an instructor in the Career-Technical area.

The Dean of Career-Technical Education will be responsible for notifying qualified high school students as to the availability of the scholarships.

Cheerleader Scholarships — Cheerleader Scholarships are awarded to seventeen students (sixteen cheerleaders and one mascot) who are selected by a committee. The scholarships are awarded in the following amount each semester: matriculation fee.

Mathematics Contest Scholarship — The Mathematics Department sponsors a Mathematics Contest and Seminar in the spring each year for high school juniors and seniors in the East Central District. The winner of the mathematics contest receives a three hundred dollar (\$300) tuition scholarship when entering East Central in the fall semester.

Mississippi Junior Academy of Sciences Scholarships — The Mississippi Junior Academy of Sciences Scholarships were established at East Central Community College effective at the beginning of the 1996 fall semester. Eligible students will receive full tuition scholarships each semester for a maximum of four (4) semesters. These scholarships will be available to any Mississippi resident who is a winner in the Mississippi Junior Academy of Sciences competition and who enrolls as a full-time student at East Central Community College the fall semester following his/her high school graduation. The Mississippi Junior Academy of Sciences Scholarships will be available to the eligible students for (4) consecutive semesters, fall and spring only, provided the students maintain 3.0 grade point averages each semester they are enrolled at ECCC.

Music Scholarships — Music scholarships are awarded in the following areas:

Music Major (voice and piano): The Music Department awards a total of eight tuition scholarships to voice and/or piano students each year pro-

vided that they meet the criteria established by the department. Recipients must:

1. declare music as their major;
2. audition before the music faculty;
3. enroll as full-time students;
4. maintain a 2.0 grade point average overall with a 3.0 in music, and
5. perform as a member of a vocal performing group (voice music major) or perform as a member of any music performing group (piano music major).

Ac'cents: The Choral Department awards scholarships to students who are selected, through audition, to sing with the Ac'cents, a small vocal ensemble. The amount of each scholarship is the cost of tuition per semester.

Concert Choir: These scholarships are awarded to full-time students who are members of the concert choir. The scholarships in the amount of one fourth tuition are awarded per semester.

Non-Traditional Student Tuition Scholarship for Full-Time Students — The non-traditional student tuition scholarship will be available to any qualified Mississippi resident 23 years of age or older, at the time of initial enrollment, who enrolls full-time at East Central Community College in Decatur. The scholarship will be available to the student for three (3) consecutive semesters following the first twelve semester hours earned as either a part-time or full-time student at East Central. To be eligible, a recipient:

1. Must enroll as a full-time academic or technical student on the Decatur campus.
2. Must have earned all previous college credit as a student at East Central; 3. Must have earned a minimum of 12 semester hours but no more than 21 semester hours of college credit as either a full-time or part-time student at East Central Community College;
4. Must have demonstrated the capacity and a strong desire to obtain a college education by maintaining a 3.0 GPA or higher for each previous semester at East Central;
5. Must complete a scholarship application form and submit it to the Vice President for Student Services' office; and,
6. Must show potential for leadership, academic excellence, and have high moral standards and good character as documented by two letters of recommendation.

The recipients will be selected by the College Scholarship Committee from students who meet the criteria listed above. Proceeds from the scholarship will be credited to the recipients' account in the Business Office and may be used to pay for tuition only. Any student awarded the nontraditional student scholarship must maintain a B (3.0) average each semester and must remain enrolled as full-time student to retain the scholarship. (See the College Catalog, Section II: Financial Aid Policies for further requirements.)

Salutatorian Scholarships — A scholarship in the amount of one-half the cost of tuition per semester will be available to the salutatorians of Mississippi high schools who enroll full time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The scholarship will be available to the student(s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

Star Student Scholarships — A scholarship in the amount of tuition will be available to the star students of Mississippi high schools who enroll fulltime at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The scholarship will be available to the student(s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

TOM-TOM Scholarships — TOM-TOM Scholarships are awarded to the editor and the assistant editor of the College's student newspaper. The editor will be awarded a tuition scholarship and the assistant editor will be awarded a half tuition scholarship during the semesters that the students hold the positions of editor or assistant editor.

Valedictorian Scholarships — A scholarship in the amount of tuition will be available to the valedictorians of Mississippi high schools who enroll full time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The Valedictorian scholarship will be available to the student (s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

WO-HE-LO Scholarships — WO-HE-LO Scholarships are awarded to the editor and the assistant editor of the College's yearbook. The editor will be awarded a tuition scholarship and the assistant editor will be awarded a half tuition scholarship during the semesters that the students hold the positions of editor or assistant editor.

Youth Challenge GED Scholarships — The Youth Challenge GED Scholarships were established at East Central Community College effective the fall semester of 1995. Eligible students will receive scholarships

equal to one-half the amount of tuition per semester. These scholarships will be available to any Mississippi residents who graduate from the Youth Challenge Program conducted by the Mississippi National Guard at Camp Shelby, Mississippi. The Youth Challenge Program is designed to assist teenage high school dropouts. The program involves six months of intensive physical and mental training designed to instill discipline and to prepare the students to take the GED test. Program sessions are conducted twice a year from January until June and from July until December. The scholarships will be available for eligible students for four consecutive semesters provided each eligible student maintains a 2.5 grade point average each semester he/she is enrolled at East Central. Specific requirements for the scholarship include a passing score on the GED test, successful completion of the Youth Challenge Program, and a favorable recommendation by the director of the Youth Challenge Program.

ENDOWED AND OTHER SPECIAL SCHOLARSHIPS — Endowed and Other Special Scholarships are funded by individual and group donations and are made available to eligible students according to each scholarship's guidelines.

The T. T. Beemon Scholarship — Endowed in 2001, this award was funded by T. T. Beemon, Class of '37 and his wife, the former Mary Emma Fancher. A Newton County native, he graduated in 1935 from Beulah-Hubbard High School. After East Central, he graduated from Mississippi Southern College. He then taught at the high school level before serving in the U.S. Army from 1943 to 1945. After military service, he was employed at Hinds Community College where he stayed for 38 years, retiring in 1983 as biology instructor and chairman of the Biology Department. Mrs. Beemon was born in Choctaw County and graduated from Weir High School. Her family then moved to Louisville in Winston County. She graduated from Mississippi Woman's College, now William Carey College in Hattiesburg. She also retired from Hinds Community College, where she was a math instructor. Early in her career, she taught in Louisville where her students included Miss Lucille Wood, longtime EC instructor and one of the two people for whom the Brackeen-Wood Physical Education Building is named. Criteria for the T.T. Beemon Scholarship include the following:

- Must be a resident of the Little Rock, Mississippi area;
- Must plan to enroll in college full-time after graduation from high school;
- Must major in a science field such as chemistry or biology; and
- Must plan a career in pre-med, pre-dentistry, or a related field.

Recipients will be selected by the College Scholarship Committee and the award will be made during the first semester of the freshman year.

Only the interest earned on the endowment corpus will be used for the scholarship award. No part of the endowment corpus will be used for the scholarship awards. For more information, contact the Vice President for Student Services, P.O. Box 129, Decatur, MS 39327-0129, or call toll-free: 1-877-GO2ECCC (462-3222), ext. 375

BellSouth Endowed Scholarship Fund — This scholarship fund was initiated on December 30, 2002, and formally established in April of 2003, by BellSouth Telecommunications, Inc. through a gift of \$10,000.00, \$2,500.00 of which funds the annual scholarship luncheon. The remaining \$7,500.00 provides three scholarships to entering freshmen at East Central Community College and benefits students who are pursuing a degree in education or business at the College.

The specific terms and conditions of the scholarship are set forth as follows:

1. The purpose of the BellSouth Endowed Scholarship Fund is to assist deserving young men and women who are pursuing a degree in education or business at the College.
2. The BellSouth Endowed Scholarship Fund provides three (3) annual scholarships in the amount of \$500 each to qualified students who, for the twelve (12) months preceding admission to the College, resided in an area where BellSouth provides telecommunications service (a "BellSouth Service Area"), and maintains residence in a BellSouth Service Area while attending the College.
3. The principal assets of this endowment fund are invested and only the income from the principal assets are used to finance the scholarships. In the event there is not sufficient income to provide three \$500 scholarships annually, the College is authorized to take needed monies from the principal assets to cover the scholarships until the assets are depleted. Additional monies may be added to the BellSouth Endowed Scholarship Fund from time to time.
4. Recipients are selected by the East Central Community College Scholarship Committee and ECCC will provide the names of the recipients to BellSouth each year for appropriate publicity.

For more information, contact the Vice President for Student Services Office toll free at 1/877/GO2-ECCC (462-3222), ext. 375.

Board of Trustees Scholarship — The Board of Trustees Scholarship was established in the spring of 1999 by the East Central Community College Board of Trustees. This tuition scholarship is awarded annually to a student from one of the five counties in the district on a rotating basis. The rotation will be in this order: Leake County, Neshoba County, Newton

County, Scott County, and Winston County. The scholarship is funded by donations from the College's 30-member Board of Trustees. To be eligible, potential recipients must meet the following criteria:

- Be a resident of the College's five-county supporting district;
- Be in need of financial assistance, and
- Have at least a 2.5 (C+) grade point average on a 4.0 scale

The scholarship recipient will be selected annually by the College Scholarship Committee.

Dr. Austin P. Boggan Scholarship — Established in 1998, this scholarship shall be awarded annually to a freshman pre-med major. The endowment was funded by the family and friends of Dr. Austin P. Boggan, a Decatur physician for over 40 years. Dr. Boggan completed high school at Rose Hill in Jasper County. After graduating from Jones County Junior College, Boggan served in the Army for three years. He then obtained a zoology degree from Mississippi State University. After completing two years of study at the University of Mississippi, he transferred to the Tulane University School of Medicine where he received the Doctor of Medicine degree.

Scholarship recipient selection shall be made by the College Scholarship Committee. To be considered, candidates must meet the following minimum criteria:

- Be a pre-med major;
- Have earned at least a 3.0, or "B" grade point average in high school;

Graduates of high schools within the College's five-county district including Scott, Winston, Newton, Leake, and Neshoba counties will be given first consideration for the annual scholarship award. However, students from other areas may also apply and may be considered.

The scholarship amount is estimated to be approximately \$500 for the first semester of the freshman year. However, the actual amount each year will depend upon the annual earnings from the scholarship endowment.

Applications will be accepted through the end of March each year. The award will be made for the fall semester of the student's freshman year only. For more information, contact the Vice President for Student Services' office.

Clayton Blount Scholarship — This scholarship was established in 1995 in honor and appreciation of Coach Clayton Blount by his former students. During his employment at East Central Junior College from the years 1953 through 1970, Coach Blount served in various capacities including physi-

cal education teacher, head basketball coach, assistant football coach, head football coach, dean of men, and athletic director. Coach Blount expected much of the students and athletes with whom he worked. He was a father figure and an exceptional disciplinarian. He expected the students and athletes to conduct themselves in a very decent manner at all times and to bring honor to the college that they represented. The rapport he had with his students allowed him to be very demanding of them while still keeping their respect and admiration. Because of his high expectations and discipline, many of the students with whom Clayton Blount was associated are now successful and respected citizens.

The following policies and requirements relate to the administration of this scholarship.

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship awards. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.
2. A recipient will be selected annually by the East Central Community College Scholarship Committee from the pool of applicants.
3. Each recipient must:
 - a. Be a graduate of a high school from the five-county area supporting East Central Community College;
 - b. Have a high school grade point average of 3.0 or above;
 - c. Participate as an athlete in one of the major athletic programs at East Central which includes baseball, basketball, football, softball, tennis and soccer;
 - d. Appear on East Central Community College's certification list as a certified athlete for the given year;
 - e. Not have been involved in any activity which would bring discredit to the College.
4. The scholarship will be available to the recipient beginning the fall semester following high school graduation. One-half of the scholarship will be awarded the fall semester and one-half will be awarded the following spring semester. To retain the scholarship for the spring semester, the student must earn a 2.5 grade point average on the 4.0 scale during the fall semester.

Ples Clayton and Nancy Amanda Breazeale Blount Memorial Scholarship — This scholarship endowment was started in the fall of 2000 in memory of Ples Clayton and Nancy Amanda Breazeale Blount, and in honor and memory of her children. Her 12 children include Henry Clay-

ton Blount, Lillie Blount Gallaspy Wright, Jasper Monroe Blount, Hardy Edmund Blount, John Elzie Blount, Lou Ella Blount Gordon Kennedy, Ida Mae Blount Foy, Minnie Lee Blount Wall, Edna Blount Ware, Ruby Blount Robinson Mayberry, Clarence Malcolm Blount and Lloyd Lamar Blount.

Mrs. Blount served as the dietician at East Central Community College from 1933 until her retirement in 1950. She was succeeded by her daughter, Mrs. Lou Ella Gordon, who continued as the College's dietician until the early 1960's. The Gordon Room in Mabry Cafeteria is named for Mrs. Gordon.

Criteria for applicants for the Blount Scholarship are as follows:

- Must be a resident of the United States;
- Must have maintained at least a "B" grade point average (3.0 on 4.0 scale);
- Must pursue a bachelor's degree; and
- Must enroll full time at the College.

In addition to high school seniors, the scholarship is open to students who have been enrolled in adult and continuing education and others who meet the criteria.

The amount of the scholarship award, to be given for both semesters of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award.

Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

R. W. Bounds Scholarship — The R. W. Bounds Scholarship was established in 1986 by Mr. Sam Bounds, son of the person for whom the scholarship was named and member of the East Central Community College Board of Trustees. The elder Mr. Bounds was the founder of B and W Feed Service in Lawrence, Mississippi.

This scholarship is awarded to a graduate of Newton High School in the amount of \$100 a year for attendance at East Central Community College. The recipient will be named by the principal and vocational agriculture instructor at Newton High School. The recipient must have excelled as a student in vocational agriculture and must have displayed outstanding interest and involvement in the field of agriculture. An additional factor in the selection process shall be the need of the recipient for financial assistance to attend East Central Community College.

The scholarship will be awarded to the recipient at the annual Newton High School Awards Day Program.

The Paul V. and Voncile H. Breazeale Ministerial Scholarship — Mr. and Mrs. Paul Breazeale, both alumni of East Central Community College, established the Paul V. and Voncile H. Breazeale Trust Fund in 1995. The proceeds from this trust fund provide a scholarship to an incoming, fulltime, freshman student who demonstrates financial need and who is enrolled in a curriculum which will prepare the student for a ministry in full-time Christian service. Preference will be given to Baptist students. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards. The East Central Community College Scholarship Committee will make the annual selection from the applicants who have completed the application process and met the general eligibility requirements. To be eligible for the scholarship the student must:

- (1) be a high school graduate as verified by a high school transcript;
- (2) be a first-time, entering freshman in the fall semester;
- (3) demonstrate financial need on a current federal student financial aid form;
- (4) provide letters of recommendation from his/her high school principal, local pastor, and a personal acquaintance.

To retain the scholarship for the four semesters of eligibility, the student must maintain a 2.5 cumulative GPA as a student at East Central Community College and exhibit those characteristics which are expected of one who intends to follow a career in full-time Christian service. Students who wish to apply for the scholarship should contact the Vice President for Student Services' office at East Central Community College for a scholarship application.

The Ann H. Burkes Phi Theta Kappa Scholarship — Established in December of 1999, this endowed scholarship honors the life and works of Ann Hunter Burkes, Class of 1963, of Decatur. She served as an advisor for the Theta Xi Chapter of Phi Theta Kappa, the international scholastic honor society for community college students, for 19 years, from 1981 to 2000.

The scholarship is given annually to a student who exemplifies the hallmarks of Phi Theta Kappa — scholarship, leadership, service, and fellowship. The scholarship is awarded at the end of each recipient's freshman year at East Central.

Mrs. Burkes first became associated with Phi Theta Kappa when she joined the organization while a student here in 1963. After East Central, she then earned the B.S., M.S., and Ed.S. degrees from the University of Southern Mississippi. Mrs. Burkes became Head Librarian at East Central in 1969.

After being named Theta Xi Chapter advisor, her work with the chapter involved untold hours of work above and beyond her library responsibilities. With her help, the East Central Chapter achieved numerous state, regional, and international awards. After serving as co-advisor, she helped organize a campus-based Phi Theta Kappa alumni chapter.

Candidates for the Burkes Phi Theta Kappa Scholarship must meet the following criteria:

- (1) Become a Phi Theta Kappa member during the freshman year at East Central;
- (2) Be a resident of the College's five-county district; and
- (3) Exemplify the hallmarks of Phi Theta Kappa.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by a committee named by the Phi Theta Kappa Advisors. For more information, contact, the Vice President for Student Services' Office, Box 129, Decatur, MS 39327-0129, or call toll free: 1-877-GO2-ECCC (462-3222), Ext. 375.

The Mable Moore Carr Educational Scholarship — The Mable Moore Carr Educational Scholarship is for deserving graduating high school seniors from Forest High School in Forest, Mississippi. The scholarship is named after Mrs. Mable Moore Carr of Forest who served as a secondary school science teacher for some 30 years. It was created and fully endowed in 1996 by her four sons, all of whom attended community or junior colleges. Three of her sons, Jimmy, Hugh, and Tom, attended East Central, and Charles, the oldest son, attended Jones County Junior College.

Scholarship candidates must:

- (1) Have a "B" or better average;
- (2) Desire to pursue a degree in education;
- (3) Plan to attend East Central Community College in Decatur as fulltime students during the fall semester following their senior year in high school.

The annual recipient will be chosen by a scholarship committee at Forest High School. If there are no qualified applicants pursuing a degree in education, others may be considered.

Carthage Bank Scholarship — (SEE Heritage Banking Group Scholarship)

The Citizens Bank of Philadelphia Scholarship — This scholarship was established in 1992 by The Citizens Bank of Philadelphia. The scholarship will be available to a selected recipient from one of the four East Central Community College District counties served by this bank. These counties include Leake, Neshoba, Newton, and Scott. This full tuition scholarship will be available for the fall and spring semesters of each recipient's freshman year.

To be eligible, a recipient must:

- (1) Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- (2) Reside in an area served by The Citizens Bank of Philadelphia in the East Central Community College District;
- (3) Have demonstrated leadership ability in his/her high school;
- (4) Have scored a composite of 20 or above on the ACT.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above.

W. R. Covington Scholarship — This scholarship was established in 1985 by Dr. Eddie M. Smith, President of East Central Community College, in recognition of the support and assistance Mr. W. R. Covington of Noxapater, MS, has provided for many students to aid them in attending college and personally for his encouragement and financial support of Dr. Smith when he was a student at East Central Junior College. This scholarship is awarded to a graduate of Noxapater High School in the amount of \$150 for one year for attendance at East Central. One-half of the scholarship will be awarded each semester.

The Nellie Neill Cross Memorial Scholarship — This scholarship was established in memory of the late Nellie Neill Cross by her former students and friends. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards. Mrs. Cross served East Central as a member of the faculty, as manager of the Sullivan Student Center and as a loyal supporter of the College for more than fifty years. The scholarship will be awarded annually to an entering freshman who plans to major in music with an emphasis in voice.

Fred Preston Dallas and MaudieThreatt Dallas Memorial Scholarship — This scholarship was established in 1991 to assist deserving graduates of Neshoba Central High School who reside in the southeast quarter of Neshoba County (indicated on an available map) to attend East Central Community College. It was established and funded by the children of Mr.

and Mrs. Dallas in their memory and in honor of their interest in education. Seven of Mr. and Mrs. Dallas' eight children attended East Central Junior College.

In the event that an eligible student is not selected from the designated area during a period of five years, then any eligible student living in Neshoba or Newton counties may be considered. In the event an eligible student is not selected during the following five-year period from these two counties, then any eligible student may be considered from the entire community college district.

The amount of the scholarship award should be based on the calendar year ending December 31st prior to the fall semester. The amount of the scholarship available should be the earnings in excess of the inflation rate upon to the cost of tuition, room and board for a year.

The endowment fund may be increased, from time to time, by appropriate contributions from the founders or from others. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Requirements:

1. The person selected must have a demonstrated financial need, as determined by the College Scholarship Committee.
2. The person selected must have high moral standards, good character, and must not be a substance abuser.
3. The recipient must have demonstrated the capacity and a strong desire to obtain a college education.
4. The award will be for students pursuing an academic (university transfer) education only.
5. The scholarship is to be awarded on Awards Day at the appropriate high school.
6. The recipient must show potential for leadership and academic excellence.
7. In order for the recipient to reapply for consideration for a second year, the student must have a D or above in all classes, must have an average of C or above, continue to have a financial need, and have a clear disciplinary record.
8. Funds from this scholarship are to be applied to the educational expenses of the recipients.

9. The recipients are to be selected by the College Scholarship Committee. The recipients will be selected from students recommended by at least four of their senior year high school classroom teachers who agree that the students meet the above requirements.

Stella Dickerson Technical Honor Scholarship — The Stella Dickerson Technical Honor Scholarship is for deserving technical sophomore students who show leadership and academic excellence in the field of technology. The scholarship was created in the summer of 2000 to honor Mrs. Stella Dickerson, a computer technology instructor at East Central. According to one of her students who initiated the scholarship drive, "this scholarship is named in Mrs. Dickerson's honor for the countless hours she spends instructing students. She is a shining example of a true educator. She shows exceptional leadership and accepts no less than the very best from each student. She is a constant supporter of Phi Theta Kappa and encourages each of her students to strive for academic excellence. With her famous words, 'You can do it; I know you can,' she has been, and continues to be an inspiration to us all."

To qualify, potential recipients must:

- Be a technical student returning to East Central Community College for the sophomore year of study;
- Earn membership in the Phi Theta Kappa International Honor Society for two-year colleges during the fall semester of the freshman year;
- Join Phi Theta Kappa the second semester of the freshman year;
- Maintain a 3.0 GPA during the fall semester of the sophomore year; and
- Be a non-traditional student.

The amount of this scholarship award will be based upon earnings from an endowment corpus. No part of the corpus may be used for scholarship awards. The scholarship committee in conjunction with the Phi Theta Kappa advisors and the Career-Technical Division will select recipients. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327-0129, or call toll free: 1-877-GO2-ECCC (462-3222), ext. 375.

Opal McMullan Dickerson Memorial Scholarship — This scholarship was established by the Marion McMullan family in memory of their daughter, Opal. It is awarded to a sophomore, who is majoring in elementary education. Selection is made by the student education association advisor and is based on academic success and potential, and the contribution to the student education organization.

The Tony Dobbs Memorial Golf Scholarship – This scholarship was established in 2004, in honor of the memory of the late Tony Dobbs. Funding has been provided by the Forest Country Club's annual crawfish tournament and private donations. Tony was a 1980 graduate of Forest High School, where he lettered in golf, football, and baseball. Tony was an avid outdoorsman who lived life to the fullest.

To be eligible, a recipient must:

- Be a legal resident of Leake, Neshoba, Newton, Scott, or Winston County;
- Maintain a 2.0 GPA;
- Be a member of the ECCC golf team; and
- Be an incoming freshman

The recipient will be selected by the ECCC Scholarship Committee in consultation with the ECCC golf coach. The recipient will receive \$500.00 for the fall semester and \$500.00 for the spring semester of their freshman year at ECCC.

East Central Scholars Scholarship — This scholarship was established by the College in the summer of 1999. Individuals, businesses, and groups provide these two-year full-tuition scholarships to select in-district students who are in the top ten percent of their high school classes. To be eligible, potential recipients must meet the following criteria:

- Be in the top ten percent of their high school classes;
- Enroll as full-time students at East Central the first semester after high school graduation;
- Agree to enroll in Honors Program courses at East Central; and
- Maintain at least a "3.0" average during their four semesters at East Central.

Qualified recipients will be selected by the college Scholarship Committee. For more information, contact the Vice President for Student Services' Office at East Central Community College.

Scholarship donors will be invited to attend a luncheon each spring to meet the students who receive the scholarships that they provide. Donors are also encouraged to initiate a "mentoring" relationship with the recipients and to monitor their academic progress.

The Leon Eubanks Kaljyc-Peers Leadership Award — This scholarship was established in 1994 by Mr. Leon Eubanks who was a faculty member at East Central Junior College from 1934 to December 1943. While an instructor at East Central, Mr. Eubanks was the faculty sponsor of a campus

leadership organization called the Kaljyc-Peers. To honor the leadership philosophy of that organization, Mr. Eubanks stipulated that the interest earned from the invested scholarship corpus be used to fund an annual scholarship to be awarded to the President of the East Central Community College Student Body Association at the annual Awards Day program. The award funds will be disbursed in two equal payments during the year the student serves as the Student Body Association President.

Excellence in Education Scholarship for Career and Technical Students — Entergy Mississippi, Inc.'s (Entergy) Excellence in Education Scholarship for Career and Technical students recognizes the importance of a well-trained workforce to the future economic success of Mississippi. Entergy believes that Mississippi's community colleges provide excellent job-training programs that enable graduates to compete in today's market.

Criteria: This scholarship will be awarded on an annual basis and will cover tuition and required fees up to \$1,200. The scholarship will be awarded to a student who meets the following criteria:

- Be a full-time East Central Community College freshman or sophomore student pursuing a career or technical field of study.
- Have a 2.5 or better high school and/or East Central Community College grade point average.
- Be free of any disciplinary problems.
- Be a legal resident of Mississippi.
- Have a demonstrated financial need.
- This scholarship may not duplicate other scholarships or financial assistance. That is, the total amount of scholarships and other financial aid may not exceed the total cost of tuition and fees by more than \$300 per semester.

If for any reason the recipient does not return to East Central Community College for the Spring semester or drops below the required GPA, the balance of the scholarship fund shall be awarded in the Spring semester to an alternate student who meets the above criteria.

The scholarship is awarded on an annual basis. To be considered for a second year, the recipient must reapply.

In order to be considered for this scholarship the student must apply to the East Central Community College Student Services Office, submitting the documents required by the College prior to March 1 of each year.

The recipient of the scholarship will be selected by the East Central Community College Scholarship Committee. Review and recommenda-

tion of candidates will be without regard to age, race, gender, religion, or national origin.

Anyone interested in applying for the Entergy Excellence in Education Scholarship should contact the Vice President for Student Services Office at (601) 635-2111, Ext. 375. (Added 12/18/01)

Robert G. Fick Memorial Scholarship — This scholarship was established by the family of Robert G. Fick who was a devoted music instructor at East Central Community College from 1951-1978. After retirement, he continued to work in civic and community activities until his death on July 26, 1990. Each year's recipient will have his/her name inscribed on a loving cup which was purchased by the family. This loving cup will remain on permanent display in the college's trophy case. The scholarship amount awarded each year will be based on the annual earnings from the scholarship endowment.

Scholarship candidates must:

1. Be completing their freshman year and be returning as full-time students the following year;
2. Show dedication to the betterment of the music department through untiring work; and
3. Have cumulative grade point averages of no less than a 2.0 on a 4.0 scale.

Financial need and field of study are not criteria for selection. The Vice President for Student Services working with the scholarship committee will be responsible for selecting the recipients of the scholarship and the East Central Band Director will make the annual presentations.

Bank of Forest Scholarship — This scholarship was established in 1997 by the Bank of Forest.

To be eligible, a recipient must:

1. Be a legal resident of Scott County;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
4. Have a high school grade point average of 2.5 or above on a 4.0 scale; and
5. Be willing to participate in an awards ceremony and be part of publicity involving the Scholarship award.

The recipients will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above. Each recipient will receive \$500 for the fall semester and \$500 for the spring semester of their freshman year at East Central Community College.

The Hubert D. Gilmore Scholarship — This scholarship was created in 2000 to benefit students needing financial assistance who agree to tutor other students who need academic help.

Criteria for the Hubert D. Gilmore Scholarship is as follows:

- Possess the academic ability to do so and agree to tutor other students who need academic help;
- Have a need for financial assistance;
- Be motivated to receive an education; and
- Be willing to participate in an annual scholarship luncheon and to take part in accompanying publicity related to the scholarship award.

The amount of the annual scholarship will depend on earnings from the endowment corpus. No part of the corpus may be used for the scholarship. Scholarship recipients will be selected by the College Scholarship Committee. For more information, call the Office of the Vice President for Student Services toll-free; 1-877-GO2-ECCC 462-3222), ext. 375, or write: Box 129, Decatur, MS 39327.

Sue Gunter Memorial Scholarship — This scholarship was established in memory of Sue Gunter, who passed away in August of 2005. Mrs. Jessie Whittle of Newton created this scholarship to honor the life and numerous accomplishments of her former classmate and friend. Sue Gunter, a Leake County native and graduate of Walnut Grove High School, attended East Central Junior College from 1957 to 1958. In July of 1958, she transferred to the Nashville Business College and played basketball earning All-American honors in 1960. She was also a member of the U.S. National team from 1960-1962. In 1962, she received her bachelor's and master's degrees from the Peabody College in Nashville, Tennessee. Ms. Gunter also did post-graduate work at Texas Women's University. She would go on to coach women's college basketball for 40 seasons – with 22 of those seasons at Louisiana State University. Her overall coaching record, 708-308, is ranked fourth in all-time wins in NCAA women's basketball, ranked third in games coached (1016), and sixth in 20-win seasons (22). Among her numerous honors, Sue Gunter was inducted into the Women's Basketball Hall of Fame in 2000, the Mississippi Sports Hall of Fame in 2003, and the Louisiana Sports Hall of Fame in June of 2005. In September of 2005, she was also elected to the Naismith Memorial Basketball Hall of Fame in Springfield, Massachusetts.

Candidates for the Sue Gunter Scholarship must meet the following criteria:

- Be a resident of the College's five-county district;
- Enroll full-time at East Central his or her freshman year after high school graduation;
- Have maintained a "B" grade point average; and
- Demonstrate the necessity for financial assistance.

This is a four semester scholarship. Recipients must maintain a "B" grade point average and must continue full-time study at East Central to continue to receive the scholarship. The amount of the scholarship award will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Scholarship recipients will be selected by the ECCC Scholarship Committee.

R. O. and Bertha Hannah Scholarship — This scholarship was established in 1991 by the sons of R. O. and Bertha Hannah to honor their parents for the motivation, assistance, and encouragement they provided their children. Mr. and Mrs. Hannah encouraged their sons to acquire the education each would need to help assure a successful future. All four of the Hannahs' sons attended East Central Junior College.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

This scholarship will be awarded annually to an entering freshman from Scott County. Eligible recipients of this scholarship must have the demonstrated potential for successful college study and must be able to demonstrate the need for financial assistance.

The Vice President for Student Services working with the Scholarship Committee will select the recipients annually.

The Nancy Hiatt Harris ADN Scholarship — This scholarship was fully endowed in the fall of 1998 with a gift of \$10,000 from an unnamed alumnus who had a keen interest in enhancing the quality of the College's Associate Degree Nursing program. The scholarship was named for Mrs. Nancy Hiatt Harris, R.N., M.S.N., of Philadelphia who was the first director of the College's Associate Degree Nursing program. While serving in that role, Mrs. Harris spearheaded the program's achievement of initial state and national accreditation.

Candidates for the Harris scholarship must meet the following criteria:

1. Have a minimum grade point average of "C" or above on all previous college study, and
2. Have a demonstrated financial need.

Candidates must have previously been accepted and must be entering their first semester of the Associate Degree Nursing program. The scholarship will be awarded for the first semester of the two-year program. Recipients who withdraw during the semester of the award must repay the scholarship.

Only the interest earned on the endowment corpus for this scholarship fund will be used for the scholarship awards. No part of the endowment corpus will be used for the scholarship awards. Recipients will be selected by the College's Scholarship Committee.

The Richard Harris Scholarship — This scholarship was established in December of 2003 by Dr. Harold S. Aycock, Class of 64, in honor of Mr. Richard Harris, his high school basketball coach at Hickory, Mississippi. A native of Hickory, Mr. Harris, Class of 1952, was an outstanding basketball player at Hickory, ECCC and Delta State University. He taught and coached boys and girls basketball teams at several Newton County schools for more than 40 years. His coaching philosophy emphasized that players master the game's basic fundamental skills and strategies, play hard with court awareness and as a team, and show respect for the game, opponents and themselves. His teams won 5 state championships and he was inducted into the ECCC Athletic Hall of Fame in 1990 and the Mississippi Association of Coaches Hall of Fame in 1991.

Candidates for the Richard Harris Scholarship must meet the following criteria:

- Be a graduate of a high school in Newton County;
- Desire to pursue a career in education;
- Complete at least two full academic semesters at ECCC with a minimum of a 3.0 GPA on a 4.0-point scale and intend to complete the appropriate sophomore program at East Central; and
- Preference given to the prior year freshman recipient of the James E. Land Memorial Scholarship, if the freshman recipient meets or exceeds the minimum requirements listed above.

This scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus.

No part of the corpus may be used for scholarship awards. The ECCC Scholarship Committee will select scholarship recipients. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Shelby L. Harris Memorial Scholarship — This scholarship endowment was established in May of 2002 in memory of Dr. Shelby L. Harris by the East Central Community College mathematics and computer science

division along with other East Central Community College faculty and staff members and friends.

Dr. Harris graduated from East Central Junior College in 1958 and returned in 1963 as a mathematics instructor. He was employed at East Central Community College for 36 years before retiring in 1999, and he served as chairman of the mathematics and science division from 1986-1999. Dr. Harris also served as faculty advisor for Alpha Alpha Epsilon, the national engineering honor society, for 36 years.

Perhaps his greatest contribution came as advisor to the Theta Xi Chapter of Phi Theta Kappa (PTK), the international honor society for two year colleges. He was instrumental in developing Theta Xi and led the chapter to honors in several categories at the local, state, and national levels. Dr. Harris was inducted into PTK when he was a student at East Central Junior College.

Candidates for the Shelby L. Harris Memorial Scholarship must meet the following criteria:

- Be a freshman mathematics or engineering major;
- Be a member of Phi Theta Kappa; and
- Be a returning sophomore.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the first semester of the recipient's sophomore year. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the East Central Community College mathematics faculty and the Phi Theta Kappa advisors. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Heritage Banking Group Scholarship — (formerly known as The Carthage Bank Scholarship) This scholarship was established in 1992 by The Carthage Bank now known as the Heritage Banking Group. The scholarship will be available annually to a selected recipient whose legal residence is in Leake County. This full tuition scholarship will be available for the fall and spring semesters of each recipients' freshman year.

To be eligible, a recipient must:

- (1) Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- (2) Must be a legal resident of Leake County;
- (3) Have demonstrated leadership ability in his/her high school;
- (4) Have scored a composite of 20 or above on the ACT.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above.

The Jeffrey G. and Kathy L. Hitt Memorial Scholarship — Established in the Fall of 2003 by Jeff and Kathy's family and in-laws, this scholarship honors their memory and Jeff's devotion to Christ, education and personal success. Kathy, Jeff's sister, was only an adolescent when she was called home to heaven. Jeff was a life-long resident of Union, MS, where he graduated with honors from Union High School, East Central Community College, The University of Mississippi and Mississippi State University. Jeff had served as associate minister of Union Church of Christ and was a cosponsor of the Fellowship of Christian Athletes at ECCC. Jeff began his career in education at Union High School, continued that with the Newton County School System and was working at ECCC as the Work-Based Learning Coordinator at the time of his death in August 2003 at age 31. Jeff was the treasurer of the ECCC Administration, Faculty and Staff Association, and a member of the Mississippi Faculty Association for Community and Junior Colleges. Jeff was an active member of the ECCC Alumni Association and the Newton County Ole Miss Alumni Association.

Candidates for the Hitt Scholarship must meet the following criteria:

1. Plan to enroll full-time the semester after graduating from high school and be committed to earning an Associate Degree (and continuing to Bachelor's studies) or a Career-Technical Degree or Certificate from ECCC;
2. Reside in the 5-county district and be a legal resident of the state of Mississippi;
3. Have a 3.0 GPA on all high school classes and maintain a 2.5 GPA on all ECCC classes to continue receiving the scholarship;
4. Have earned 9 hours after the first semester of freshman year to continue receiving the scholarship the following semester and earn a cumulative 21 hours during the second semester to be eligible for two additional semesters;
5. ACT composite score of 18;
6. Be active in a church;
7. Be an active leader in school and/or civic organizations (or work experience);
8. Demonstrate need of financial assistance on a current student federal financial aid form; and 9. Provide letters of recommendation from his/her high school principal and pastor of his/her church.

This scholarship may not duplicate other scholarships of financial assistance. That is, the total amount of scholarships and other financial aid may not exceed the total cost of attendance, as established by the financial aid office, by more than \$500.00 per semester, if so, this scholarship will be reduced to meet that amount and excess funds placed into the principal of the scholarship. If no applicant meets the full criteria and/or if an applicant selected has already met full tuition through other scholarships/awards, others may be selected.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded for two semesters. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Hogue-Brantley Scholarship — First funded in the Spring of 2001, this \$1,000 annual scholarship honors Leake County natives Coyt Hogue and Bobbie Brantley Hogue, parents of East Central alumni Carolyn Hogue Appler, '66, of Elizabethtown, Kentucky, and Larry Hogue, '61, of Jackson, Mississippi. Larry Hogue retired from the College in 2001 as Vice President for Foundation and Alumni Relations after helping raise \$2 million over five years. "Both of our parents valued education and my mother took her life savings, \$500, to help me go to East Central," Larry said. Larry later got B.S. and M.S. degrees, as did Carolyn, a registered nurse who served at the time of this writing as program manager, Health and Wellness Center, Ireland Army Community Hospital, Fort Knox, Kentucky. Their father Coyt Hogue, a graduate of Sebastopol High School, was a Studebaker car dealer in Forest and retired as East Central automotive technology instructor in 1980. Mrs. Bobbie Brantley Hogue attended Walnut Grove High School and was a nursing graduate of Hinds Community College, Raymond. Their parents were Walter and Molly Dennis Hogue and Pleas and Jewel Upton Brantley of Leake County.

Scholarship criteria include:

- Be a nontraditional (23 years old or older) student, and
- Study in a career-technical area, with preference given to nursing or auto mechanics.

Selection of recipients will be made by the College Scholarship Committee. For more information, contact the Vice President for Student Services, Box 129, Decatur, MS 39327-0129. Phone toll-free: 1-877-GO2ECCC (462-3222), ext. 375.

The Albert F. and Fannie M. Hollingsworth Scholarship — This scholarship was endowed by Albert F. Hollingsworth and Fannie McDonald Hollingsworth to be awarded to two entering freshmen for their fall semester at East Central Community College. The recipients will be chosen by the College Scholarship Committee on recommendations from Lake High School in Scott County.

Mr. Hollingsworth graduated from East Central in 1943. He served in the Navy and Marine Corps during World War II. Mr. Hollingsworth is also a graduate from the University of Southern Mississippi. After College, he was a mathematics teacher and served as principal at Lexie High School in Walthall County. Mr. Hollingsworth also served as principal of Lake High School before becoming Superintendent of Education for Scott County for twenty years (beginning in 1967). He has also served on the Board of Trustees at East Central Community College in excess of thirty years.

Mr. and Mrs. Hollingsworth's children, daughter Patricia Ann Lowe and husband Alan Lowe, were both teachers in the Jackson Schools, and son, T. Freeman Hollingsworth, and wife Sherri Carter are both teachers in the Rankin County Schools.

Criteria for applicants for the Hollingsworth Scholarships are as follows:

- Must be a graduate of Lake High School;
- Must enroll at East Central Community College in an academic field;
- First preference will be given to Mathematics Education majors;
- Second preference will be given to Elementary or Secondary Education majors;
- Must have the potential to be a successful teacher;
- Third preference will be given to professional majors.

The amount of the scholarship award will be based only on interest earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

The Delane Hudson/Voices of Congress Scholarship — This scholarship, the first minority-sponsored scholarship at the College, was established in 1998 by Mr. Delane Hudson, a member of the East Central Community

College Board of Trustees representing Winston County. Mr. Hudson established the scholarship to encourage more Winston Countians, especially those needing financial assistance, to take advantage of the educational opportunities offered by the College. Candidates for the scholarship must meet the following criteria:

- Be a graduate of a public high school in Winston County;
- Have a high school grade point average of at least 2.5 or above on a 4.0 scale;
- Have a demonstrated financial need; and
- Enroll as a full-time student at East Central Community College.

The recipient of this annual \$500 scholarship will be selected by the College Scholarship Committee. For more information, contact the Vice President for Student Services' office by calling toll-free 1-877-GO2-ECCC, Ext. 204, or write box 129, Decatur, MS 39327-0129.

The Hudspeth Scholarship — This scholarship was endowed in the fall of 1998 with a substantial gift to the College from Henry Bane "Bubba" Hudspeth and his wife Faye McCully Hudspeth of Louisville. At the time of the gift, it was the largest individual donation ever made to the College.

Mr. Hudspeth, a successful businessman and Winston County native, graduated from East Central Junior College in 1959. The Hudspeths' son, Henry McCully "Cully" Hudspeth, graduated from the College in 1989. A lifelong supporter of East Central and community colleges statewide, Bubba Hudspeth served on the College's Board of Trustees for 28 years, from 1968 to 1996. He was chairman of the board for almost 11 years, from July of 1983 to January of 1994. In 1996, he was appointed to a six-year term on the State Board for Community and Junior Colleges. He was chosen to serve as Vice Chairman of that Board in 1997.

The Hudspeths established the endowment for this scholarship with a gift of stock to the College. The amount of the annual award for this tuition scholarship will depend upon the level of the earnings from the endowment.

Students from any public or private high school in Winston County are eligible to compete for a Hudspeth Scholarship. Also eligible are home schooled students who meet the basic requirements. To be considered, each potential recipient must meet the following criteria:

1. Have a "C" or "C+" average in course work completed (2.0-2.5 on a 4.00 scale);
2. Have definable career goals and plans; and
3. Have a demonstrated need for financial assistance.

For more information, contact the Vice President for Student Services' office at ECCC. You may call 1-877-GO2-ECCC, Ext. 300, or write Box 129, Decatur, MS 39327-0129.

The Martha Kate Tullios Hummel Scholarship — This scholarship endowment was funded by her husband, Donald, her sons Andrew, Robert, Jeffrey, her family, and friends. A native of Choctaw County, MS, Martha Kate graduated with honors from Louisville High School. At East Central Junior College, she received the highest recognition when her name was inscribed on the "Hall of Fame" at East Central for exhibiting exemplary character, superior scholarship, leadership, and contribution to the betterment of the College. She also participated in the band, choir, ECJC Players, and was voted a class favorite. Throughout her life, Martha Kate was active in the United Methodist Church. In later years, Martha Kate had lead roles in several Little Theater Stage productions. She directed and sang in "Harmony," a female choral group. Also, she was very active in organizing the 57-58-59 East Central Alumni Group which met every year at Homecoming.

The East Central Community College Scholarship Committee will make the selection from the applicants who have completed the application process and met the general eligibility requirements.

To be eligible for the scholarship the student must:

1. Be a legal resident of the 5-County District;
2. Have a minimum 3.0 grade point on a 4- system;
3. Be a full time student starting the sophomore year; and
4. Be a music major.

All funds contributed shall go into the endowment fund. The amount of the scholarship will be \$500.00 the first year and increase by \$25 each year thereafter. No part of the endowment corpus may be used for scholarship awards. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Myrtle R. Hutchison Scholarship — The purpose of this scholarship is to annually provide encouragement and recognition to a member of the Student Education Association (SEA) who has the potential and genuine interest in pursuing a career in the field of elementary education at a senior college or university after graduation from East Central Community College. Recipients may receive \$300.00 per semester for the two sophomore semesters at East Central. This scholarship is provided by Myrtle R. Fikes Hutchison, originally from Lake, Mississippi. She attended East Central in 1948-49 and graduated at Mississippi Southern College in 1951. Mrs.

Hutchison retired from the education field in 1986, after having taught at Pearl River Indian School and schools in Alabama, Neshoba County, Albuquerque, New Mexico, and Littleton, Colorado, for over 30 years.

To be eligible, each scholarship contestant must:

- Be an active member of the SEA at East Central;
- Demonstrate a genuine potential for and interest in pursuing a career in the field of elementary education at a senior college or university after graduating from East Central Community College;
- Complete at least two full academic semesters at East Central Community College with a minimum of a "C+" average (minimum 2.75 GPA on a 4.0 scale) and intend to complete the appropriate sophomore program at East Central;
- Improve grades during the third semester over the first two semesters to qualify for the fourth academic semester scholarship; and
- Have a demonstrated need for financial assistance.

First consideration will be given to those who reside in the East Central Community College District. Involvement in religious, charitable and/or community activities will be given additional merit. Selection of recipients will be made by the SEA advisor in cooperation with the College Scholarship Committee. For more information, contact the Vice President for Student Services' Office, East Central Community College, P.O. Box 129, Decatur, MS 39327.

The S. Lebrun Hutchison Scholarship — The purpose of this scholarship is to provide recognition and encouragement to an Alpha Alpha Epsilon (AAE) engineering club member at East Central Community College who has the potential to succeed in the field of engineering or science. Since 1985 the engineering award has been given to an AAE member who demonstrated a genuine interest in pursuing an engineering or science major at a senior college or university. Recipients of the award, now a scholarship, may receive \$300.00 a semester for the two sophomore semesters at East Central. The scholarship is provided by S. Lebrun Hutchison, Class of 1949 and founding vice-president of the AAE at East Central in 1947.

To be eligible, each scholarship contestant must:

- Be an active member of AAE at East Central;
- Demonstrate a genuine potential for and interest in pursuing a career in either the fields of engineering or science at a senior college or university;
- Complete at least two full academic semesters in a pre-engineering

or a science curriculum with a minimum of a "C" (2.0 GPA on a 4.0 scale) average and intend to complete the appropriate sophomore program at East Central;

- Improve grades during the third semester over the first two semesters to qualify for the fourth academic semester scholarship;
- Have a demonstrated need for financial assistance.

First consideration will be given to those who reside in the East Central Community College District. Involvement in religious, charitable and/or community activities will be given additional merit. The AAE advisor will select recipients in cooperation with the College Scholarship Committee. For more information, contact the Vice President for Student Services' Office, East Central Community College, P. O. Box 129, Decatur, MS 39327.

The James E. Land Memorial Scholarship — This scholarship was established in December of 2003 by Dr. Harold S. Aycock, Class of 64, in memory of Mr. James E. Land who was his high school vocational agriculture teacher and FFA advisor at Hickory, Ms. Mr. Land, Class of 1938, was a professional educator for many years at Hickory and Union High schools retiring in 1983. He was also a generous and avid photographer dedicated to helping others capture the memories of their special occasions. He received a number of professional and community recognitions including the ECCC Lifetime Achievement Award in 2000 for his many years of support and contributions to the College.

Candidates for the Land Scholarship must meet the following criteria:

1. Be a graduate of a high school in Newton County.
2. Desire to pursue a degree in education.
3. Enroll full time as a freshman the semester after graduating from high school.

This scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus.

No part of the corpus may be used for scholarship awards. The ECCC Scholarship Committee will select scholarship recipients. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), ext. 375.

La-Z-Boy Scholarship — This scholarship was established in 1995 by La-Z-Boy South located in Newton, Mississippi. The purpose of this scholarship is to provide financial assistance to qualified students who choose to enroll at East Central Community College. The scholarship will be awarded annually to a minimum of two students. Recipients must be legal Mississippi residents who enroll as full-time students on the Decatur Campus, must be in-district students with preference given to Newton

County residents, and must have a cumulative 3.0 G.P.A. on college credit course work or a "B" average on all high school course work. Students must have demonstrated a high level of participation in extracurricular activities and/or community involvement.

Frank Edwin and Nena Holt Leatherwood Scholarship — This scholarship was funded by the family and friends of the Leatherwoods in loving memory and honor of these two educators who ignited the spark of learning and encouraged the hopes and dreams of countless students. Mr. Leatherwood was a longtime member of the biology department faculty at East Central Junior College, and Mrs. Leatherwood served for many years as an elementary school teacher in Decatur. The scholarship is awarded each year to a freshman, selected by the science faculty, who will return for the next fall semester. The presentation of the award is made at Awards Day each spring.

The Edwin and Marie Lowe Scholarship — This scholarship honors the life and work of Louisville, Mississippi, native Edwin W. Lowe and Marie Johnson Lowe, a Helena, Arkansas native and was endowed by their children.

The Lowes both worked for newspapers in the mid-South area during much of their careers. However, in her 50's Mrs. Lowe completed bachelor's and master's degrees from Texas Women's University and was a school librarian in the Dallas, Texas, area for the last 14 years of her career. Together the Lowes raised three children, two daughters and a son, all of whom had careers in education.

To be eligible, potential recipients must meet the following criteria:

- Be a nontraditional student (at least 23 years old or older);
- Have at least a 2.0 (C) grade point average on a 4.0 scale.

These requirements recognize the fact that Mrs. Lowe completed her college degrees after having a family and a career and that Mr. Lowe, although he was unable to complete his degree because of the Depression, supported his wife's efforts to obtain her degrees and was an avid life-long learner.

The amount of the annual scholarship will depend on earnings from the endowment. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1/877/GO2-ECCC (4623222), ext. 375.

The Thomas Rudolph Mayes Memorial Scholarship — Created in August of 1998, by his family and friends, this scholarship honors the memory of Mr. Rudolph Mayes, East Central English instructor for 28 years. According to his daughter, Mrs. Jackie Mayes Edie, Class of '79, of Houston, Texas, this scholarship "perpetuates the tenacious value of education and continuous learning exemplified by the life and contributions of this dedicated educator." Mr. Mayes graduated from East Central in 1952 with the distinction of having been elected to serve as the College's first student body president. Following completion of a master's degree in English from Mississippi State University, he began a career of teaching at East Central. During his tenure here he served as sponsor of Phi Theta Kappa, international honorary scholastic society for community college students, and sponsor of *The TomTom*, the student newspaper. He retired in 1986. His first wife, Madaline Smith Mayes, who preceded him in death, served the College for 20 years as secretary to the registrar and later worked as a math teacher in the Newton County School System. Prior to his death, he was married for six years to Rosalyn Thompson Mayes of Decatur, an employee of the La-Z-Boy Corporation in Newton.

To be eligible for the scholarship, potential recipients must:

- Have maintained a 3.0 grade point average in high school on the 4.0 scale;
- Submit a letter of recommendation from a high school or college faculty member who taught the applicant; and,
- Agree to take part in a recognition ceremony at which the scholarship award will be presented.

Recipients will be selected by the College Scholarship Committee. Only the interest earned on the endowment corpus for this scholarship fund shall be used for this scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

The Russell McCann Memorial Scholarship — Created in the spring of 2001 by family and friends, this annual \$500 scholarship honors the memory of Russell McCann, Class of '97. Russell lost his life in April 2001, after an auto accident.

Russell, a 1995 graduate of Newton County Academy in Decatur, Mississippi, was co-captain of the football team. Honors received while at Newton County Academy include:

1990-91 Football Trophy (Best Defensive Player), Basketball Trophy

1991-92 Captain Crunch Award

1993-94 All-Conference (Defensive Tackle, All-Conference Defensive Team)

1994-95 School Paper Staff – Sports Reporter

American History Award

Captain Award – Outstanding Leadership

Most Valuable Player – Defensive

While at East Central, Russell was an offensive guard for the '96 and '97 Warrior teams. The '96 team went 10-1, finished fifth in the nation, and won the Huddle House Golden Isles Bowl Game in Brunswick, Georgia, by beating the Middle Georgia College 7-6 on December 7, 1996. Russell was a member of the 1st string offensive team for the Huddle House Golden Isles Bowl game and received MACJC All-State Honorable Mention honors in football in 1997. East Central Head Football Coach Terry Underwood said, "Russell was a good player and a fine young man. We were very fortunate to have had him in our program."

East Central Alumni Ricky and Teresa Williamson Shannon of Lena, Class of '82, are his parents who initiated the scholarship in his honor.

Scholarship applicants must:

- Be a resident of the five county East Central district; and
- Have at least a "C" grade point average;
- Be an athlete, with preference given to football.

Selection of the recipient is made by the College Scholarship Committee. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. Call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

Merchants and Farmers Bank Scholarship — This scholarship was established in the spring of 1998 by the Merchants and Farmers Bank of Philadelphia. It is awarded the first semester of the freshman year at East Central and goes to two entering freshmen who receive \$500 each. To be eligible, recipients must:

1. Be legal residents of Neshoba County;
2. Have overall high school grade point averages of 2.5, or "C", on a 4.0 scale;
3. Have ACT scores of at least 18;
4. Enroll as full-time students at East Central Community College the fall semester following high school graduation; and
5. Be willing to participate in an awards ceremony and be part of publicity involving the scholarship award.

The recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. For more information, contact the Vice President for Student Services' office at East Central Community College.

Mississippi Association of Supervisors' Community College Scholarship — In 1996, the Mississippi Association of Supervisors established scholarships for each of Mississippi's 15 community colleges. The scholarships are awarded to four (4) students each year at each college in the amount of \$500 per year each (250 per semester) for one year or two consecutive semesters. Eligibility for the scholarship is based on the following criteria:

1. Be a freshman and have potential for success in college;
2. Demonstrate a financial need (minor consideration);
3. Complete the application process to the College to include:
 - a. letters of recommendation
 - b. transcript
 - c. other as required by each community college committee;
4. Be selected from eligible applicants by the College's scholarship committee based on a rotation system between the counties of the College's district in alphabetical order;
5. Have a 2.5 or better GPA after the first semester in order to receive for second semester;
6. Be recognized in publicity releases and to the appropriate local Board of Supervisors and the Mississippi Association of Supervisors.

Bank of Morton Scholarship — This scholarship was established in 1997 by the Bank of Morton. To be eligible, a recipient must:

1. Be a graduate of Morton High School;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
4. Have a high school grade point average of 3.0 or above on a 4.0 scale; and
5. Participate in an awards ceremony and be a part of publicity involving the scholarship award.

The recipient of the scholarship will be selected by a committee composed of representatives from Morton High School and the Bank of

Morton. The recipient will receive \$500 for the fall semester and \$500 for the spring semester of his/her freshman year at East Central Community College.

Dr. Margaret Mosal Memorial Scholarship for Leadership — This scholarship was established in 1997 to provide financial assistance to deserving students at East Central Community College. The award was established in honor of the late Dr. Margaret Mosal of Canton, Mississippi, former executive director of Phi Theta Kappa, the International Honor Society for two year colleges. Dr. Mosal led the organization for 50 years, from 1935 to 1985.

The scholarship was funded by a Mosal Leadership Award stipend presented to Dr. Shelby L. Harris by Phi Theta Kappa with additional funds from Dr. Harris, longtime mathematics instructor and chairman of the Mathematics and Science Division at East Central.

The award will be given annually to a student who exemplifies the hallmarks of Phi Theta Kappa - scholarship, leadership, service and fellowship - during the student's freshman year of membership in Phi Theta Kappa as determined by the advisors of East Central's Theta Xi Chapter of Phi Theta Kappa.

In addition to a \$200 scholarship, awards will include placing the names of the recipients and the dates of presentation on an engraved commemorative plaque. Certificates will be presented to the recipients by an advisor of Phi Theta Kappa on the annual Awards Day at the College.

The Ben Myers Memorial Scholarships — These scholarships were established in memory of Ben Myers, a 1997 graduate of East Central Community College. Ben's family and friends created these scholarships after he lost his life in an automobile accident in Winston County on July 9, 1998. While at East Central, Ben, an outstanding student-athlete, was chosen "Mr. East Central Community College." An accounting major from Philadelphia, he was a member of Phi Theta Kappa, the international scholastic honor society for community and junior college students. He was also a member of Phi Beta Lambda, an organization for students planning to pursue careers in business. He also served on the Presidents Council and in the Warrior Corps, an elite group of students who serve as ambassadors for the College. He was a Dean's List Scholar and a member of the College Golf Team at ECCC. After graduation from East Central, he attended the University of Mississippi where he was a senior, a Dean's List Scholar, and a member of the Fellowship of Christian Athletes as well as the Ambassadors, a volunteer student-recruiting group. He was the son of Mr. and Mrs. Rocky Parks and Mr. and Mrs. Glenn Myers, all of Philadelphia. He was a 1995 graduate of Neshoba Central High School,

where he served as president of the student body and was voted "Most Outstanding Senior."

Candidates for the Myers scholarships must meet the following criteria:

- Be a high school graduate from either Neshoba Central High School, Philadelphia High School, or Choctaw Central High School;
- Enroll full time at East Central; and
- Have a grade point average of 3.5 or above on a 4.0 scale

The annual selection of the two Myers scholarship recipients will be made by the College Scholarship Committee. The scholarship award shall be equal to \$500.00 per year per recipient and funding for the scholarship will come from the earnings of the fund. The principal may be used when earnings do not cover the amount of the scholarship and excess earnings from the fund will be reinvested in the fund.

New Directions Scholarship — Established in the spring of 1998 by an East Central graduate and successful business executive, this scholarship provides \$2,000 for four semesters of full-time study by a nontraditional (older) student who has decided to return to college after having been out of school for more than three years. Recipients must meet the following criteria:

- Be at least 21 years of age;
- Be either married or a single parent;
- Have been out of school for more than three years (high school, college, or since passing the GED);

Recipients must maintain a "B" or better average each semester to continue receiving the scholarship. Recipients must continue full-time study and graduate or complete their course work within four semesters. This award is presented every two years.

The Stella Weathersby Newsome Scholarship — This scholarship was endowed in the fall of 1999. It honors the memory of Mrs. Stella Weathersby Newsome who served the College as a literature instructor and in various other capacities for 30 years, from 1928 to 1958. Newsome Hall dormitory is named in her memory. The scholarship drive was started in the spring of 1998 by Ms. Marion Francis of Jackson, Mrs. Newsome's granddaughter who, during her childhood visited often with Mrs. Newsome on the campus. The initial effort to raise the first \$10,000 needed to minimally endow the scholarship was completed at Homecoming, 1999. An anonymous donor's pledge to match \$1 for every \$5 raised, up to a

total of \$1,000, helped complete the drive. The class of 1949 took a leadership role in the completion of the endowment.

Scholarship recipients must be "nontraditional" students who are 23 years old or older.

Scholarship candidates must:

- Be at least 23 years old or older;
- Have at least a "C" or 2.0 grade point average on all previously completed course work;
- Be a high school graduate or hold the GED certificate; and
- Agree to enroll as a full-time student at East Central's Decatur Campus.

The amount of the scholarship award, to be given for the first semester of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, write the Vice President for Student Services' office, ECCC, Box 129, Decatur, MS 39327, or call toll-free 1-877-GO2-ECCC (462-3222), ext. 375.

Newton Community Healthcare Scholarship — This scholarship was established in August 2003, by Newton Community Healthcare, Inc., in partnership with the Grow Your Own Program. This partnership received grant funding to establish a scholarship that would benefit students of Newton County as well as the community. The scholarship was designed to attract students to the healthcare profession and have them remain in Newton County to work after graduation.

This scholarship will provide two students two full years (four semesters) of tuition at East Central Community College. Recipients of the scholarship must be enrolled in the Associate Degree Nursing Program or the Licensed Practical Nursing Program at East Central.

To qualify, potential recipients must:

1. Register as full time students at East Central in the ADN or LPN programs;
2. Reside in Newton County; and
3. Maintain at least a "3.0" or "B" average during the four semesters at EC

Scholarship recipients will be selected by the College Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Newton Rotary Club Scholarship — This annual scholarship was established in November of 2003. The Newton Rotary Club Scholarship will be awarded the fall semester of the recipient's freshman year and will provide two students, one male and one female, a \$500 scholarship to attend East Central Community College.

To qualify, potential recipients must:

1. Be a graduate of a high school located in Newton County;
2. Enroll as a full-time student at East Central the fall semester following high school graduation;
3. Have a high school grade point average of at least 2.75 on a 4.0 scale;
4. Demonstrate leadership qualities by serving in a leadership role as a member of a student organization or organizations such as intramural sports, or athletic team but not on an athletic scholarship;
5. Leadership qualities will exemplify the Rotary Four Way Test of the things they think, say or do. (Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?);
6. Complete a scholarship application form; and
7. Submit three written letters of recommendation from high school principal or superintendent, at least one teacher, and a prominent citizen of the community stating he or she meets the Rotary Four Way Test.

Scholarship recipients will be selected by the College Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1/877/GO2-ECCC (462-3222), ext. 375.

The Polk and Jennie Pace Scholarship — This scholarship was endowed in March of 1997 by Mr. Pace's widow, Scott County native Mrs. Jennie Thrash Pace of Newton, Mississippi; her children, Mrs. Reba DeBari of Pensacola, Florida, and Dr. Harrell S. Pace of Biloxi, Mississippi; her grandchildren, Mrs. Donnie White of Clifton, Virginia, Mrs. Guy Garner of Lenoir, North Carolina, Mr. Stephen Pace of Murfreesboro, Tennessee, Mr. Michael Pace of Starkville, Mississippi, Mr. David DeBari of Luling, Louisiana, and Mr. Kenneth DeBari of Pensacola, Florida; and other family members and friends. This scholarship honors the memory of the late Mr. Lawrence Polk Pace, originally from Conehatta, Mississippi, who passed away January 23, 1997, at age 86. Mr. Pace, a businessman, was a strong believer in the value of education. He attended East Central Junior College in 1929. Both of his children and his daughter-in-law, the former Miss

Grace Holman of Newton, all graduated from East Central. The Paces' son, Dr. Harrell Pace, MD, was named to the first East Central Hall of Fame in 1956. Their daughter, Mrs. Reba DeBari, a realtor, sang at the Orange Bowl with the East Central Choir in 1957, and performed nationally as a member of the Choral Society of Pensacola, performing in Carnegie Hall in 1990 and in 1997, and throughout the country.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Each scholarship candidate must:

1. Be a resident of either Scott County, or Newton County, Mississippi;
2. Have a "B" or better average his/her senior year in high school;
3. Plan to major in either science, math, or music (if no applicant plans a major in these fields, others will be considered);
4. Plan to attend East Central Community College in Decatur as a fulltime student during the fall semester following his/her senior year in high school.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. For more information, write the Vice President for Student Services' office, East Central Community College, Box 129, Decatur, MS 39327-0129, or call 601-635-2111, ext. 375.

The Philadelphia-Neshoba County Arts Council Music, Art, or Drama Scholarship — This scholarship was established in 1996 by the Philadelphia-Neshoba County Arts Council. The purpose of this scholarship is to provide an award of \$200.00 per semester to an appropriately selected sophomore student who has declared music, art, or drama as his/her major.

To be eligible for this scholarship, the student must:

1. Have resided in Neshoba County for at least two years prior to attending East Central Community College;
2. Be of sophomore status;
3. Have maintained a cumulative college GPA of 2.5 or better, and;
4. Recipients must maintain at least a 2.5 GPA to retain this scholarship.

The Music, Art, and Drama Scholarship Committee, composed of an art instructor, a drama instructor, and the director of bands, will annually select the recipients of this scholarship.

Philadelphia Sertoma Club Scholarship — (SEE Sam Rush Memorial Scholarship)

The Charles P. Phillips and Bonnie Saxon Phillips Scholarship — Endowed in 2005, this scholarship was funded by Charles P. Phillips, class of 1938, and his wife, Bonnie Saxon Phillips. A native of Edinburg, Mr. Phillips graduated from Edinburg High School. After East Central, he graduated from Mississippi State College. He taught school a few years before serving in the European theater in WWII. After his military duty, he was employed at the Farmers Home Administration until retirement. He is a member of the Masonic Lodge and a Shriner. Mrs. Phillips, the former Bonnie Saxon, was born in Houlika, MS and moved to Neshoba County in early childhood. She graduated from Philadelphia High School and later was employed as a buyer for Stubbs Department Store and then as an office employee of Coca Cola Bottling Company in Philadelphia. She was a member and officer of the Philadelphia Business and Professional Women's Club.

Criteria for this scholarship includes:

- Must plan to enroll at East Central as a full-time student;
- Must have maintained at least a "B" average in high school; and
- Demonstrate need (to be determined by the College Scholarship Committee)

Recipients will be selected by the College Scholarship Committee, and the scholarship will be awarded during the first semester of the freshman year. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

The James E. Pugh Memorial Scholarship — Funded in the spring of 2001, this scholarship is sponsored by Montrose United Methodist Church in Montrose, Mississippi. The award is for full tuition for one year, \$1,200, with \$600 awarded the first semester and \$600 the second semester of the freshman year.

Among applicants, preference will be given to a nontraditional (23 or older) married student studying for the ministry. If no married, older student receives the scholarship, it may be awarded to a single, younger ministerial student.

Selection of recipients is made by Montrose United Methodist Church.

The Roscoe C. Pugh Memorial Scholarship — Roscoe C. Pugh was the first president of East Central Junior College. He served in that capacity

from 1928 when the College was founded until 1934. He served previously as the superintendent of the Newton County Agricultural High School.

In the fall of 1996, Leon Eubanks, who served from 1934 until 1943 as an English instructor at East Central and who was a graduate of the Newton County Agricultural High School, established and fully endowed this scholarship to honor his friend, Mr. Pugh.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the annual scholarship awards. No part of the endowment corpus shall be used for the scholarship awards.

To be eligible to be considered for this scholarship, candidates must:

1. Enroll as full-time day academic or technical students at the Decatur campus after having been previously enrolled as part-time students;
2. Have earned all previous college credits at East Central Community College;
3. Have earned a minimum of 12 semester hours credit and not more than 21 semester hours credit before applying for the scholarship.
4. Have a minimum 3.00 grade point average on all college work completed;
5. Have submitted completed scholarship application forms to the Vice President for Student Services' office; and final selection of the recipients for this scholarship will be made by the College's Scholarship Committee.

This scholarship will be available for two semesters of enrollment at East Central Community College.

The Shirley Renaud Memorial Scholarship — Established early in 2000, this endowed scholarship honors the memory of Shirley Sanders Renaud, Class of 1963, an outstanding student, athlete, and educator. Mrs. Renaud, a Greenwood native who lived in Carthage for most of her life, died at age 56 in November of 1999 after a long bout with cancer.

Mrs. Renaud was a graduate of Carthage High School where she was a star basketball player from 1957 to 1961. During her senior year, she averaged 35 points per game and once scored 53 points in two quarters and three minutes of a game. Her high school uniform number, 33, was retired when she graduated. Her high school coach said she was one of the most outstanding players he had ever seen.

At East Central, Shirley played intramural basketball. She also achieved membership in Phi Theta Kappa, the international academic honor society

for community college students. After graduating from East Central, Mrs. Renaud graduated from the University of Southern Mississippi with honors. She was a teacher in both public and private schools before ending her career as a librarian with the Leake County Schools. Mrs. Renaud was the wife of Joe Renaud who at the time of her death was serving as personal development specialist in East Central's Workforce Development Center.

Both of the Renaud children graduated from East Central. Their daughter, Tara Lynn, graduated in 1997. She was a member of Phi Theta Kappa and was an Academic All-American on the College's tennis team. Their son, Joseph "Joff" Renaud, III, was also a member of Phi Theta Kappa and the tennis team when he graduated in 1993. Both children went on to graduate from the University of Southern Mississippi with honors. Mrs. Renaud's mother, the former Evelyn Adams, was a member of East Central's Class of 1933. Her two brothers, Wilbur Eugene Sanders and Billy Joe Sanders, both of Jackson, also attended East Central.

Students selected for this scholarship must have excelled both athletically and academically.

Scholarship criteria include the following:

- Have a minimum overall grade point average of 3.5 (B+) on a 4.0 scale;
- Participate in varsity sports, with the first choice of recipients going to basketball players, second to tennis, then golf, soccer, and football; and
- Be a resident of the College's five-county district.

The amount of the annual scholarship will depend on earnings from the endowment. No part of the endowment corpus may be used for scholarship awards. Recipients will be selected by the College Scholarship Committee. For more information, contact the Vice President for Student Services, East Central Community College, Box 129, Decatur, MS 39327-0129. Call toll free 1-877-GO2-ECCC (462-3222), Ext. 375.

The Herman and Mosoura Rigby Memorial Scholarship — This scholarship was established in 1993 by Dr. M. G. Rigby who attended East Central Junior College in 1965 and 1966. Dr. Rigby came to East Central as an out-of-state student to major in education. He went on to complete his BA degree at the University of Southern Mississippi, and his MA and Ed.D. degrees at the University of Mississippi. His parents were of great inspiration to him as he pursued his educational goals. It was in the memory of Dr. Rigby's parents that this scholarship was established. This two-semester scholarship will be awarded annually to an out-of-state entering freshman who demonstrates both the need for financial

assistance and an aptitude for success as a student. The amount of each scholarship award will equal fifty percent of the annual interest earned on the invested scholarship corpus. The remaining fifty percent of the annual interest earned will be added to the corpus. The annual recipients of this scholarship will be selected by the Scholarship Committee from the pool of qualified applicants.

The Sam Rush Memorial Scholarship — (formerly known as the Philadelphia Sertoma Club Scholarship) Created in the summer of 2000 this scholarship is funded by the Sertoma Club as part of their emphasis on education. The club sponsors the annual Heart O' Dixie Triathlon as a fund raiser to help with various civic projects including Christmas gifts for families, support of parks and public health, and patient scholarships for treatment of speech/hearing problems.

Criteria include the following:

- Be a resident of Neshoba County;
- Enroll as a full-time student the fall after they graduate from high school;
- Be a graduate of public school in Neshoba County; and
- Have at least a 2.5 (C+) average on a 4.0 scale.

The scholarship recipient will be awarded annually by the College Scholarship Committee to an incoming freshman. The recipient will receive a total of \$500, \$250 for each of two semesters for their first two semesters of college. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. Call toll-free: 1-877-GO2ECCC (462-3222), Ext. 375.

The Charles W. Sanders Memorial Scholarship Award — This scholarship is awarded each year by the Forest-Scott County Civic Club to a high school senior from either Forest, Lake, or Scott Central high schools. The recipients of the award are selected by the schools from a list of those students who have maintained good grades and who can benefit from financial assistance. The award is named after the late Charles W. Sanders, longtime member and former president of the Forest Kiwanis Club. This scholarship was established in the Spring of 2000. At that time Mr. Sander's daughter, Mrs. Gloria Sanders McRae of Carthage, a graduate of Forest High School, was a math instructor at East Central and Craig, his grandson, had just been named to the Hall of Fame, the College's highest honor. This \$700 scholarship will be awarded in the fall semester following the recipient's graduation from high school.

The Jay B. and Frances Harris Smith Scholarship — This scholarship endowment was established in December of 2002 in memory of Mr. Jay B. Smith and in honor of Mrs. Frances Harris Smith.

Mr. Smith graduated from ECJC in 1934 and went on to graduate from Mississippi State University. Mr. Smith was employed with the Department of Agriculture, Bureau of Entomology for 12 years before returning to Newton County to operate a dairy farm. He also worked with the USDA soil conservation services and the MS Department of Welfare.

Mrs. Frances Smith was a member of the first class of 1928 and graduated from ECJC in 1930. At the time of the establishment of the scholarship, Mrs. Smith was the only living member of the College's first class. She presented the College her original diploma and a photograph of the first ECJC class dated May 16, 1929.

Candidates for the Jay B. and Frances Harris Smith Scholarship must meet the following criteria:

- (1) Be an entering freshman;
- (2) Have at least a "C" or 2.0 grade point average;
- (3) Reside in one of East Central's five supporting counties;
- (4) Be a high school graduate or hold the GED certificate; and
- (5) Agree to enroll as a full-time student at East Central's Decatur campus.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded for the two semesters of the recipient's freshman year. No part of the endowment corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

State Farm Insurance Company Scholarship — The State Farm Insurance Company agents in East Central's five-county district initiated the endowment of this scholarship in the spring of 1999. The individual agents' gifts toward the initial endowment corpus of \$10,000 were matched by the State Farm Companies Foundation. This scholarship was established specifically for non-traditional students. To be eligible, potential recipients must meet the following criteria:

1. Be at least 23 years of age or older;
2. Have a demonstrated financial need;
3. Reside within the five-county district served by East Central Community College; and
4. Enroll as full time students on the Decatur campus.

Scholarship awards will be made to entering college freshmen at the beginning of the fall semester of the students' college enrollment. The selection of the recipients will be made by the College Scholarship Committee.

For more information, contact the Vice President for Student Services Office at East Central Community College. Call toll free 1-877-GO2-ECCC, Ext. 375 or write Box 129, Decatur, MS 39327.

The Joanne Stevens Scholarship Award — This scholarship award was established in August 2003, by W. H. Stevens, in memory of his wife, Mary Joanne Conyers Stevens. Mrs. Stevens graduated from Lancaster High School, Lancaster, Ohio, in 1940. She attended Ohio State University in Columbus, Ohio, but World War II interrupted her college career. She later returned to the classroom and received a Bachelor of Science Degree in Education from Mississippi College in 1972, and earned a Master's Degree in Education from Mississippi State University in 1977. Mrs. Stevens taught first grade at Morton Elementary School for several years and then was promoted to principal of Morton Elementary School in September 1980, the position she held until her retirement in 1989.

Candidates for the Joanne Stevens Scholarship Award must meet the following criteria:

1. Be a graduate of Morton High School;
2. Have a need for financial assistance;
3. Have a strong desire to pursue a degree in: first preference Elementary Education; second preference - Secondary Education; and third preference - Pre-Bachelor of Science in Nursing;
4. Enroll as a full-time student at East Central Community College, Decatur, MS, the fall semester following high school graduation;
5. Have a high school grade point average of 3.0 or above on a 4.0 scale; and
6. Have Christian moral standards of good character, have the potential for leadership and academic excellence with no incidents of misconduct, and have a good record of school attendance.

The recipient of the Joanne Stevens Scholarship Award will be selected by his or her teachers, principal, and counselors of Morton High School.

The award will be in the amount of \$1,000 (\$500 for the fall semester and \$500 for the spring semester). The recipient of this award is to understand that the scholarship funds will be sent to East Central Community College to be held in an account for the recipient and administered to the student as needed each semester.

The Joanne Stevens Scholarship Award will be given in her memory each year beginning at Awards Day 2004, at Morton High School for as long as W. H. Stevens shall live and be financially able to fund the scholarship.

Taylor Advanced Machining Scholarship — This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005. One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies. To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;
- Have successfully completed the corresponding machining program provided through the vocational technical center in their respective county; and
- Have plans to pursue machining as a career.

The scholarship recipient will be selected annually by the College Scholarship Committee based to a large extent, on recommendations of applicants' former vocational instructors.

Taylor Advanced Welding Scholarship — This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005.

One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies.

To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;

- Have successfully completed the corresponding welding program provided through the vocational technical center in their respective county; and
- Have plans to pursue welding as a career.

The scholarship recipient will be selected annually by the College Scholarship Committee based to a large extent, on recommendations of applicants' former vocational instructors.

The Charles and Judy Dowdle Thomas Scholarship — This scholarship was established in 1997 by the Thomas family. Mr. Thomas, class of '64, is a Philadelphia native living in Louisville and Mrs. Thomas is a Leake county native originally from Carthage. The scholarship fund, one of the largest at the College, was created with a donation of 430 shares of stock to the East Central Community College Foundation, Inc. To be eligible, a recipient must:

1. Be a legal resident of Neshoba County for three years or more and a graduate of Philadelphia High School;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester after high school graduation, although College enrollment may be deferred for military service;
4. Have a high school grade point average of 3.0 or above on a 4.0 scale;
5. Be willing to participate in an awards ceremony recognizing receiving the scholarship and be a part of publicity involving the scholarship award.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for this scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

The recipients shall be selected by the College Scholarship Committee. The scholarship awards will be provided the fall and spring semesters of the recipients' freshman year at East Central Community College.

Kinoth and Ella Mae Thornton and Emerson Electric Scholarship — The Kinoth and Ella Mae Thornton and Emerson Electric Company Scholarship was established by Mr. and Mrs. Thornton and Emerson Electric Company in 1991 as a tribute to the College for its many positive contributions to the Thorntons' lives. The contributions by the Thorntons and Emerson Electric Company totaled \$10,000.00 which was used to establish the endowment for the scholarship. Interest and dividends and, if required, the sale of shares of stock from the investment will be used to fund scholarships in

the amount of \$1,000.00 each to be awarded to cover four semesters of study. Thus, scholarship awards will be made on alternate years unless the full amount of an awarded scholarship is not utilized. The investment endowment shall never fall below \$10,000. To be eligible for this scholarship, the recipients must:

1. Reside in one of the five counties served by East Central Community College. Preference shall be given to applicants from Newton and Neshoba Counties.
2. Have family contributions on financial aid needs analysis forms that are from fifty (50) percent to one hundred (100) percent of the students' financial aid budgets.
3. Have the demonstrated ability to profit from higher education by having achieved acceptable grades in high school and by having participated in community projects or work experience.
4. Have high moral and ethical values.
5. Project the reasonable probability that they would not attend college if they did not receive assistance from this scholarship fund.

If on any year no one applies who substantially meets all of the above qualifications, no award will be made and the fund will accumulate. The Vice President for Student Services of the College shall be responsible for notifying qualified high school students as to the availability of this scholarship. The College's Scholarship Committee shall screen all applications and make the final selections.

The Thomas W. Thrash Memorial Scholarship — Endowed in 2002 by the friends and family of Thomas W. Thrash, this scholarship honors one of East Central's long-time faculty members. A native of Newton, Mr. Thrash was a graduate of Newton High School and East Central Junior College, and earned both the bachelor and master's degrees from Mississippi State University. He completed additional studies at MSU and the University of Southern Mississippi. He was the recipient of numerous civic and academic awards. He served as a social science instructor at East Central Community College from 1962 until the time of his death in September 2002, when he was serving as Chairman of the Social Science, Education and Business Division.

Policies and criteria for the Thomas W. Thrash Memorial Scholarship are as follows:

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship award. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award;

2. As long as there is interest earned on the endowment corpus, a recipient shall be selected annually by the family or its designee and the East Central Community College Scholarship Committee;
3. The scholarship will be awarded the fall semester of the recipient's sophomore year;
4. The scholarship will be presented at the spring Awards Day by a member of the family or its designee;
5. Graduates of high schools within the College's five-county district including Scott, Winston, Newton, Leake, and Neshoba counties or counties that are contiguous with Newton County and who meet all other qualifications will be given first consideration for the annual scholarship award. Additionally, preference will be given to applicants who are majoring in history or education and plan a career in education.
6. The successful recipient shall:
 - Be a high school graduate;
 - At the time of the scholarship application, must have completed a minimum of 12 semester hours, but no more than 36 hours at East Central Community College;
 - Must have demonstrated the capacity and a strong desire to obtain a college education by maintaining a 3.0 GPA or higher on all college coursework;
 - Be enrolled as a full-time student on the Decatur campus;
 - Have high moral standards and good character as documented by two letters of recommendation to be submitted along with the scholarship application; and
 - Must complete a scholarship application form and submit it to the Vice President for Student Services' Office, ECCC, Box 129, Decatur, MS 39327. You may call toll-free: 1/877/GO2-ECCC (462-3222) ext. 375. (added 2/11/03)

U. S. Electrical Motors Scholarship — The U. S. Electrical Motors Scholarship is intended to help defray the cost of college expenses at East Central Community College. Awards will be made to outstanding children, grandchildren, or great grandchildren, of active or retired U. S. Electrical Motors' employees. All children, grandchildren, and great grandchildren of all active or retired USEM-Philadelphia, Mississippi employees are eligible to participate in this scholarship plan, provided they are in good standing their senior year of high school.

Selection will be based upon the following criteria:

Selection Criteria:	Points
SAT, ACT, etc. scores	30
Curriculum, grades, class rank	20
Community and extra-curricular activities	25
Employment/earned expenses	<u>25</u>
Total	100

A maximum of one student annually will be selected under this plan and will be eligible for awards of \$500 annually in each of their two years of study at ECCC. The scholarship will provide a payment toward ECCC expenses at one-half the annual scholarship amount (\$250.00) at registration in each of four semesters provided performance has been satisfactory (2.00 or better GPA) during the previous semester.

The Vice President for Student Services of the College shall be responsible for notifying qualified high school students as to the availability of this scholarship. The College's Scholarship Committee shall screen all applications and make the final selections.

James M. Vance Endowed Scholarship — This scholarship was established in the Summer of 2005 by Margaret Vance Scardaci (Class of 1947) in honor of her brother, James Mac Vance. This scholarship is to be awarded annually to an incoming freshman at East Central Community College. Mr. Vance graduated from East Central in 1957. After EC, he attended and graduated from Mississippi State University in 1959. In the fall of 1959, Mr. Vance took a teaching position at Waynesboro and taught there until May of 1962. While at Waynesboro he began his coaching career and coached junior high and high school football and basketball. In the fall of 1962, he moved to Meridian and coached at Northwest Junior High School for three years before being appointed assistant principal in 1965. By 1970, Mr. Vance was principal of Northwest and remained so for 14 years. In 1985, Mr. Vance was appointed Assistant Superintendent for the Meridian Public School System and held this position until his retirement in 1995. After retiring, he served on the Meridian Public School Board for five and one-half years. While on the Board he served as President and Vice President. He officiated for the Junior College Football Association for 32 years and for high school football games for 42 years before retiring. He now teaches the rules of the game to football and basketball officials and coaches. James Vance is a faithful financial supporter of the College and has served as the Alumni Association president. He currently serves as an out-of-district representative on the Alumni Association Board of Directors.

Criteria for applicants for the James M. Vance Scholarship are as follows:

- Must be an incoming freshman;
- Must enroll at East Central Community College with an education major (first preference will be given to mathematics education majors);
- Must have the potential to be a successful teacher;
- Must show need for financial assistance; and
- Must maintain a GPA of 2.0 on a 4.0 scale.

The amount of the scholarship award will be based only on interest earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375

The Ovid S. and Carol F. Vickers Scholarship — Established in the fall of 1999 by former students and friends of the Vickers, this scholarship honors this couple's lifetime of devotion to East Central. Ovid Vickers, an Eastman, Georgia, native, served the College as a humanities instructor and in various other capacities from 1955 to 1995. Throughout his 40-year teaching career and in retirement he maintained a keen interest in the lives of East Central students, faculty, and staff. Held in high regard by his former students, he is considered a favorite by many. Evidence of the esteem in which he is held is the 1995 naming of the College's Fine Arts Center in his honor. Recognized statewide and nationally during his career, he served two terms as president of the Mississippi Council of Teachers of English and helped form the Mississippi Folklore Society. In 1990, he was named College English Teacher of the Year by the Mississippi Council of Teachers of English. He earned the BA, MA, and EdS degrees from George Peabody College in Nashville.

Carol Farish Vickers, Class of 1958, is a graduate of Noxapater High School. She was initially employed by the College in 1961 as secretary to the president and served in that position until 1968. From 1968 until 1983, Mrs. Vickers taught English at Decatur High School. In 1983, she was again employed by the College, this time as an instructor of English and reading. She retired from full-time teaching at East Central in 1992 and subsequently served in various part-time positions at the College. In 1997, she was chosen as East Central's "Alumna of the Year." Mrs. Vickers earned her BS and MS degrees from the University of Southern Mississippi.

To be considered for the Vickers Scholarship, potential recipients must meet the following criteria:

1. Be a high school graduate or hold a General Education Diploma (GED);
2. Have at least a cumulative "C" (2.0) high school grade point average;
3. Reside in one of East Central's five supporting counties; and
4. Plan to major in English, English education, literature, speech or in theater.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for scholarship awards. Recipients will be selected by the College Scholarship Committee.

The Arno and Ruth Carr Vincent Scholarship — Established in the fall of 1999, this scholarship recognizes a lifetime of service to the College by a couple who capped their careers here by serving as president and first lady of East Central from 1953 to 1962. Decades later, the Vincents, both alumni, were still active in the life of the College, attending Homecoming and other events faithfully.

Walter Arno Vincent, Class of 1937 and a Navy combat veteran of World War II, served the College in various capacities from 1947 to 1962. He was assistant football coach, men's basketball coach, math teacher, registrar, and dean of students before becoming president. Former students and athletes have praised his teaching and coaching abilities, stating that he had a profoundly positive influence on their lives. During his East Central career, he rose rapidly to the position of president after working at the College for only six years. At the time he was the youngest person and first alumnus ever appointed president. He earned a bachelor's degree from Mississippi Southern, now the University of Southern Mississippi, and a master's degree in math from the University of Mississippi. The Lauderdale County native was selected to Athletic Halls of Fame at both East Central and Southern. He played football and basketball at both colleges, although he had never seen a football game before he went to college. He was named "Alumnus of the Year" at East Central in 1973 and was selected for inclusion in the Alumni Hall of Fame at Southern as well. In 1999, the East Central Board of Trustees named the College's administration building in his honor. The building, completed in 1959 while Mr. Vincent was president was first utilized as the College's library.

Ruth Carr Vincent of Winston County was "one of the most liked people in the East Central family," according to an alumnus. An outstanding student in the Class of 1937, she served as president of the College's Baptist Student Union and was involved in a number of campus organizations. In reflecting on her East Central days, she was grateful that she "never had to

come in after class to pass Mr. Leon Eubanks' English class," as many of her classmates did. After graduating from East Central, she taught elementary school in Newton, Neshoba, and Winston counties while going to Southern each summer to earn a bachelor's degree. She married Arno Vincent in June of 1941. The Vincents had two daughters, Mrs. Glenn Daphne Lancaster of Meridian and Mrs. Pamela Fowlkes of Monroe, Louisiana.

Scholarship candidates must:

- Have at least a "C" or 2.0 grade point average on all previous course work completed;
- Be high school graduates or hold the GED certificate; and
- Agree to enroll as full-time students at East Central's Decatur campus.

The amount of the scholarship award, to be given for the first semester of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, write the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327, or call toll-free 1-877-GO2-ECCC (462-3222), ext. 375.

The Lavern & Elizabeth Vowell Memorial Scholarship — Initially established in 1993 to honor Mr. Lavern Vowell, the title and description for this scholarship were revised by David and E. L. Vowell to honor the memory of both Mr. Vowell and Mrs. Vowell after her death in 2000. This annual scholarship is available to assist a worthy student at East Central Community College.

The scholarship which will be awarded each year to an entering freshman will cover the cost of tuition for two semesters.

Each recipient of this scholarship must be a major in some field of business administration. Each recipient must have a demonstrated need for financial assistance and must have a demonstrated potential for academic success. Preference will be given to applicants for the scholarship who are or have been employed by Triple V, Inc.

Applications for this scholarship will be received by the Vice President for Student Services at the College. The College's scholarship committee will be responsible for the final selection of each year's recipient.

Captain Charles E. Ward USN/RET Memorial Scholarship — This scholarship endowment was initiated in February of 2003 in memory of Captain Charles E. Ward by his wife, Mrs. Gail M. Ward, and their three sons Roger, Mike, and David Ward.

Captain Ward was originally from Louisville, Mississippi, in Winston County (where his mother, Mrs. Hilda Parker Ward, ECJC Class of 1932 resides). He came to East Central on an academic/athletic scholarship. While at East Central, he played football and baseball. He was also president of the Student Body Association and voted sophomore class favorite. Captain Ward graduated from ECJC in 1957 and went on to graduate from Louisiana College, Pineville, Louisiana, earning a BS in Mathematics.

After college, Captain Ward played professional baseball with the North Louisiana Rookie League. In 1959, Captain Ward entered the Navy and earned his Navy "Wings of Gold" in 1961. He served over 30 years in the Navy and earned several awards including three Legions of Merit, the Meritorious Service Medal, the Air Medal, and three Navy Commendation Medals. Captain Ward furthered his education by earning a Masters Degree in Computer Systems Management in 1972 from the Naval Post Graduate School, Monterey, California. He retired from active duty in 1990.

After retiring from the Navy, Captain Ward served as an Adjunct Professor at Pensacola Junior College teaching college algebra. >From 1991 to 1999, he worked for Raytheon Aerospace serving as Site Manager for Aircraft Maintenance Operations on the Navy's Primary Trainer aircraft at Naval Air Station Whiting Field in Milton, Florida. In his free time he was a member of several organizations. "Charlie" was an avid golfer. He was a very active charter member of the Emerald Coast Senior Amateur Scratch Series, achieving two "Holes-In-One" in tournament play. He was also a member and active player at his residence home course, Stonebrook Golf Club, Pace, Florida.

In 1999, Captain Ward was inducted into the ECCC Athletic Hall of Fame, and in 2000 he was inducted into the Louisiana College Sports Hall of Fame.

On December 27, 2002, Captain Ward died of cancer at the age of 65. His family established this scholarship in his memory because he deeply appreciated the opportunity to attend EC and participate in athletics. Education was very important to "Charlie". He served on many committees in his local community, including the pre-school board of his local church. He enjoyed mentoring, in reading, to first grade students, on a weekly basis at Bagdad Elementary School, Milton, Florida. This scholarship endowment will continue his desire to assist a young person with furthering his or her education.

Candidates for this scholarship must meet the following criteria:

- (1) Be an entering freshman, enrolling as a full-time student;
- (2) Be an athlete, with preference given to golf, football and baseball;

- (3) Have at least a 2.5 grade point average on a 4.0 scale; and
- (4) Reside in one of East Central's five supporting counties.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the fall semester of the recipient's freshman year. No part of the endowment corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Weems Family Scholarship — The Weems Family Scholarship Fund was established to commemorate the historical roles of the Weems Family of Scott County as members of the faculty, Board of Trustees, and student body of East Central Community College. Laura Zelle Weems taught English from 1931 until 1944. She was a teacher in Mississippi public education for forty years. Robert Samuel Weems was County Superintendent of Education in Scott County and one of the original Scott County members of the East Central Board of Trustees. While Superintendent of Scott County, he was instrumental in Scott County becoming one of the counties in the College's current five-county district. Mack Dawson Weems was County Superintendent of Education in Scott County for sixteen years and served on the Board of Trustees of East Central Community College for 41 years. Many descendants of their parents, William Lafayette and Molly Thompson Weems, have attended ECCC; one being Dr. William Lamar Weems, who was Valedictorian of the East Central Class of 1951, Editor of the Tom-Tom, and East Central Alumnus of the Year in 1972. Many other Weems Family descendants have gone on to achieve distinguished careers, boosted in no small measure by the quality and affordability of the educational experience provided by East Central.

The scholarship award shall be equal to full tuition. One scholarship will be awarded annually to an incoming freshman. The scholarship award shall be automatically renewed until graduation provided the recipient maintains a minimum of 2.5 grade point average and an academic load that would permit graduation in four semesters.

Funding for the scholarship will come from the earnings of the fund, which will be invested in conservative equities mutual funds. The principal may be used when earnings do not cover the amount of the scholarship. Excess earnings from the fund's investments will be reinvested to the fund.

The recipients of the scholarship will be selected by the members of the East Central Community College Scholarship Committee or its future counterpart, according to the following criteria, each of which will be given equal weight:

- High school grade point average;
- College aptitude test;
- Financial need;
- Participation in extra curricular activities; and
- Good moral character.

For more information, contact the Vice President for Student Services at ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

The J. C. White Scholarship — Endowed in the summer of 2000 with gifts from family and friends, this scholarship honors the memory of Kemper county native J. C. White, Class of 1937, of Birmingham. White passed away April 21, 2000, at age 84. J. C. had a lifelong devotion to East Central and he and his wife, Jean also of Kemper County, were leaders in organizing reunions of his class and in attending homecoming activities in Decatur. They were also generous contributors to campus activities, including the building of the archway at the College's main entrance and the fitness trail on the north end of the campus. They also belonged to the Loyalty Club, one of the East Central Foundation's five-year gift clubs. After East Central, J. C. majored in math at Mississippi State. He worked for the Social Security Administration and retired from that agency in 1980. The Whites had two children, Rebecca White Tidd and John, both of Birmingham. On his last visit to the campus, at Homecoming on October 16, 1999, J. C. gave a pine seedling to the College, asking that it be planted on campus in honor of then president, Dr. Eddie M. Smith.

Criteria for the White scholarship are as follows:

- Plan to major in either math or science;
- Have a high school grade point average of at least "B" (3.0 on 4.0 scale); and
- Enroll as a full-time student at East Central.

The amount of the scholarship will be based on earnings from the endowment corpus. No part of the corpus may be used for the scholarship awards. Scholarship recipients will be selected by the College Scholarship Committee.

The Jack White and Mary Jo White Scholarship Fund — Endowed in the will of the late Mary Jo White of Union, this annual scholarship, established in the spring of 2001, is named for Mrs. White and her late husband. Jack White was an auto mechanics instructor at the College during the years

1954 to 1958. The Whites had no children, but they had a real interest in East Central and wanted to help students get a college education.

Criteria for the White scholarship are as follows:

- Be a resident of Newton or Neshoba counties; and
- Be a needy and/or worthy student.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for scholarship awards. The scholarship will be awarded annually by the College Scholarship Committee to an incoming freshman.

The Bob Wilkerson Memorial Vo-Tech Scholarship — This endowed scholarship was established in December 2003, by Robert G. and Patsy J. Wilkerson in memory of their son, Bob Wilkerson. Bob and his wife Dannette G. Burkes had one daughter, Kimberly. Bob was a country boy who loved being with family, neighbors, and friends. He graduated from Forest High School in 1980 where he was a good student and participated in several activities including weight-lifting and football. However, his favorite interest in high school was attending classes at the Vo-Tech Center where he received the agriculture award his senior year. After graduation, Bob was asked to serve on the Advisory Board of the Scott County Vo-Tech Center. Later he was employed at Puckett Machinery for seventeen years until his untimely death. On Sunday, December 22, 2002, Bob died from injuries suffered in an ATV accident. He has been described by his mother as a son who loved everything about his life and was the least materialistic person she had ever known.

Candidates for the Wilkerson Scholarship must meet the following criteria:

- (1) Have a C or C+ average on all high school classes;
- (2) Reside in Scott county (preference will be given to students who graduate from Forest High School);
- (3) Enroll full-time as a freshman the semester after graduating from high school and be committed to earning a career-technical degree or career-technical certificate from ECCC;
- (4) Pursue a career in mechanics; and
- (5) Demonstrate financial need.

This scholarship will be awarded for four semesters. If the current recipient is enrolled for only one year, a new recipient will be selected the following year. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For

more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Wilks-Palmer Scholars Scholarship — Elgie Wilks Chatham, a Winston County native, endowed this scholarship in the spring of 1998 for students from Winston County.

Mrs. Chatham established the scholarship in honor of her parents, Mr. J. Earl Wilks and Mrs. Willie (Palmer) Wilks, who attended church and were active in the Liberty Community in Winston County for some 25 years. Mr. Wilks was in the grocery business in Meridian. Early in their marriage, Mrs. Wilks was a pioneer teacher in one-room, one-teacher schools in grades 1-8 in Winston County. The Wilks raised six children, three of whom graduated from East Central, and all of whom graduated from senior colleges and universities. Three of the children graduated during the depths of the Great Depression.

Mrs. Chatham was a 1934 graduate of Noxapater High School and a 1936 graduate of East Central. She then earned the B.S. degree in English from Mississippi State College for Women, her M.S. in counseling from the University of Southern Mississippi, and her Ed.S. in counseling from Mississippi State University.

Two of Mrs. Chatham's sisters also graduated from EC. Mrs. Melba Wilks Chesney of Meridian, class of '41, also graduated from USM, and Mrs. Doris Wilks Tissue, '39, of Pittsburg, Pennsylvania, finished at the "W." Another sister, Mrs. Janice Silvey Townshend of Dunedin, Florida, graduated from the University of Georgia. Their other sister, Mrs. Faye Wilks Tidwell of Lilburn, Georgia, graduated from Blue Mountain College. The five sisters' only brother, Dr. T. Palmer Wilks of Madison, Mississippi, graduated from MC and the University of Tennessee School of Dentistry.

Mrs. Chatham and her husband, Henry Elbert Chatham, who was in the finance business in Meridian, gave their inherent love and respect for quality education to their own children. They had two sons, both graduates of Millsaps. One, Henry, Jr. of Jackson, also graduated from Harvard Law School. The other, Franklin Earl, a cardiologist in Baltimore, graduated from John Hopkins University. He married another M.D., Dr. Marie (Dickson) Chatham, originally from Canton, Mississippi.

Requirements for the Wilks-Palmer Scholarship recipients include the following:

1. Have evidence of a "burning desire" to go to college;
2. Be a high school graduate from a school in Winston county; and
3. Have a minimum 2.5, or C+, high school grade point average.

Other things being equal, scholarship preference will be given to a resident of the Liberty Community in Winston County. The amount of the scholarship, awarded the first semester of the freshman year, will depend upon the earnings from the endowment. Selection of recipients will be made by the College Scholarship Committee.

The Jones and Carrie Williamson and Bascom and Hattie Chisolm Memorial Scholarship — Endowed in August of 2000, this scholarship honors the parents of Dolphus, Class of '52 and Sybil Williamson of Laurel Neshoba County natives, their parents sent four children to the College. In addition, numerous grandchildren, great grandchildren, and other relatives have attended in subsequent years.

Dolphus Williamson, a poultry science major here and at Mississippi State, had a long and successful career in the poultry industry and as a Methodist minister. He and Mrs. Williamson raised five children, four of whom attended junior college.

Their scholarship will be awarded annually to an entering freshman who meets the following qualifications:

- Plan to enroll full-time at the College during the fall semester after they graduate from high school;
- Plan to major in agriculture (preference is given to agriculture majors, but other candidates may be considered);
- Have earned at least average grades in high school;
- Demonstrate a serious desire to better himself/herself educationally;
- Have a demonstrated need for financial assistance.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. The scholarship will be available for the fall and spring semester of each recipient's freshman year.

Only the interest earned on the endowment corpus will be used to fund the scholarship. No part of the endowment corpus shall be used for scholarship awards. The value of the scholarship is a maximum of \$600 per year.

Any earnings on the endowment corpus above the amount of the scholarship will be reinvested in the scholarship account for future use. An annual accounting of earnings on the corpus is provided to the donors. For more information, contact the Vice President for Student Services. Call toll free 1/877/GO2-ECCC (462-3222), ext. 375, or write Box 129, Decatur, MS 39327.

General William Patrick Wilson Memorial Scholarship — This scholarship was established by the Class of 1937, family, friends, and associates of General Pat Wilson. It honors his memory as a coach, dormitory supervisor, teacher, and National Guard officer at East Central Junior College from 1933 to 1940, and his long and colorful military career. From his Pre-World War II days when he was affectionately known as Captain Pat, to his much decorated combat service in the European Theater of Operations, and his outstanding record as Adjutant General of Mississippi, Pat Wilson was a remarkable leader of men.

It is the expectation of those who fund it that this scholarship will aid college students to develop such leadership qualities as he displayed. It will be administered by the Scholarship Committee of East Central Community College within the restrictions set by the founding Committee which are:

1. All funds contributed will be placed in endowment with only the interest expended each year for scholarships.
2. Recipients are to be selected annually by the College Scholarship Committee from students who have attained sophomore standing, a 3.0 grade point average, and who have a demonstrated need for financial assistance.
3. To retain the scholarship for a second semester a student will be required to maintain a minimum of a 2.5 grade point average on the 4.0 system.
4. The award each year will be made on Awards Day so that due recognition may be given the recipient.

SECTION II: FINANCIAL AID POLICIES

FEDERAL PROGRAMS — In order to be eligible to receive financial aid at East Central Community College, students are expected to maintain satisfactory progress toward their certificate or degree objective in the academic, technical, or vocational programs. Satisfactory progress for all Title IV aid (Pell Grant, LEAP, Supplemental Educational Opportunity Grant, Federal Work-Study, Stafford Loan, or PLUS Loans) for the various programs for full-time students is defined below. The required number of hours to be completed will be reduced proportionately for part-time students. At the end of the time frame allowed for the completion of a program, students will not be eligible to receive financial aid regardless of their grade point average or cumulative hours earned.

1. The time frame for the number of hours to be completed and the grade point average required is as follows:

At the end of this semester,	1	2	3	4	5	6
student must have accumulated at least this many hours,	9	18	28	40	52	64
with at least a cumulative grade point average of	1.0	1.5	1.75	2.0	2.0	2.0

2. A student who does not meet these standards will be placed on financial aid probation for a semester. During the probationary semester, a student will continue to be eligible for financial aid. Upon completion of the probationary semester, a student who does not meet the satisfactory progress standards will be ineligible to receive financial aid and will remain ineligible until the standards are achieved.
3. A student's entire record at East Central Community College will be evaluated to determine eligibility for financial aid regardless of whether or not the student has received aid for all semesters.
4. Upon enrolling at East Central, a transfer student will be considered to be maintaining satisfactory progress and will therefore be allowed to receive financial aid for one semester without the transfer credits being considered. At the end of that semester the transfer student's entire record, including not only the credits earned at East Central but also the accepted transfer credits from the previous institution, will be evaluated to determine if the student is maintaining satisfactory progress in the program being pursued by the student.
5. Developmental courses will be treated in the same manner as regular courses since students receive institutional credit and grades for these courses.
6. The procedure for determining satisfactory progress as related to incomplete grades, withdrawing from a course, or repeating a course will be the same as those procedures followed by the Admissions and Records Office. Students may obtain additional information about these procedures from the Office of Admissions, Records, and Research or the Financial Aid Office.
7. Students who wish to appeal the decisions and financial aid awards made by the Financial Aid Office should submit a written request for an appeal to the Director of the Financial Aid Office. The written request should include any information relative to the case. The appeal will be reviewed by the Financial Aid Appeals Committee. The student will be notified in writing of the committee's decision.

INSTITUTIONAL PROGRAMS — The following information is related to Scholarships and Institutional Work-Study.

1. A student receiving institutional financial aid in the form of an Athletic Scholarship, Band Scholarship, Cheerleader Scholarship, or Institutional

Work-Study must pass nine (9) semester hours and earn eighteen (18) quality points during a semester. If a student does not meet this standard at the end of a semester, the student will be placed on probation for a semester. During the probationary semester, the student will be eligible to receive the institutional financial aid. Upon completion of the probationary semester, a student who does not meet the standard will be ineligible to receive the institutional financial aid. This policy coincides with the academic probation and suspension policy of the college; therefore, when suspended students become eligible to return to college, they shall also be eligible to receive institutional financial assistance.

2. To retain an ACT, Salutatorian, Valedictorian, or Career-Technical scholarship, a student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average and is removed from scholarship, can get back on scholarship by having a B (3.0) average the following semester provided the scholarship is for four (4) semesters. See Section I: Financial Aid Programs for further eligibility requirements.
3. Total financial aid in scholarships from East Central Community College for dormitory and commuter students MAY NOT exceed the published cost of matriculation fee, room, board, and an allowance of \$200 per semester for books.
4. Total financial aid awards for a student which includes Title IV aid (campus-based aid or loans) and institutionally funded aid may not exceed the campus-based budget or the student's need as determined by the need analysis document.

AWARD NOTIFICATION — Students who complete the financial aid application requirements and who provide all required forms by April 1 will be notified regarding their financial aid awards, normally, by the end of July. Students who apply after the April 1 priority deadline will be notified on a rolling basis after the priority group is complete.

Requests for information and award letters will be mailed to the address listed on the student's financial aid application.

Financial Aid Application Requirements

1. Complete the East Central Community College Financial Aid Application. New students must also complete an Application for Admission to East Central Community College.
2. Complete the Free Application for Federal Student Aid (FAFSA) or Renewal AFSA (if returning student). The following are related to completing the FAFSA:

- a. Read all instructions carefully and check the information reported on the FAFSA.
 - b. List the East Central Community College Code and address in the school section of the application.
Federal school code - 002404 Address - PO Box 129, Decatur, MS 39327
 - c. Mail the FAFSA in the envelope provided in the instruction booklet unless applying electronically. Students may complete the FAFSA online at the U.S. Department of Education website and submit it via the Internet at the following Internet address www.fafsa.ed.gov.
 - d. After the completed application is received by the Department of Education processing system, the student will be sent the Student Aid Report (SAR). The SAR should be received in about four weeks if applying by mail and about two weeks if applying electronically. At that time the ECCC Financial Aid Office should be contacted to ask if other forms or documents (such as U.S. Income Tax Return, Form 1040, 1040A, or 1040EZ) are needed.
3. To apply for a Stafford and/or PLUS Loan, students must indicate on the ECCC Financial Aid Application the type of loan being requested. Students will be mailed an award letter on which the loan eligibility will be indicated and additional instructions will be included concerning the loan.
 4. The priority deadline for applying for financial aid at East Central Community College is April 1 (for the upcoming fall semester). The results of the processed FAFSA (Student Aid Report) must be received by ECCC on or before April 1 to receive full consideration for financial aid. Additional applications will be accepted and are encouraged after April 1; however, no assurance can be given that funds will be available in all programs. Aid is awarded on a first-come, first-served basis.
 5. All students must reapply for financial aid each academic year.

Note: Several state-funded aid programs are administered by the Mississippi Office of Student Financial Aid (MOSFA). Some of the programs include MTAG, MESG, Critical Needs Teacher Program, HELP, and William Winter Teacher Program. An online application must be completed by the program deadline and additional information may be required; therefore, students should read the information and instructions provided on the MOSFA website. Contact MOSFA at 1-800-327-2980 or at the following website: www.mississippiuniversities.com.

Conditions for Receiving Financial Aid

1. The Financial Aid Office reserves the right on behalf of ECCC to review and revise or cancel an award at any time because of changes in the student's financial or academic status. Students are required to notify the Financial Aid Office regarding any changes in their financial or academic status while attending ECCC.
2. Any commitment of Federal, State, or local funds is contingent upon subsequent Congressional or Legislative appropriation and actual receipt of the funds by ECCC.
3. Recipients of financial assistance from ECCC must notify the Financial Aid Office concerning any scholarships or other funds from any outside source.
4. Student eligibility criteria for Federal Aid require that in order to receive financial aid, a student must be making satisfactory academic progress in their course of study. See the Satisfactory Progress section in this publication for further details on the ECCC Financial Aid Satisfactory Progress Policy.
5. Generally, a student must be enrolled in a minimum of six hours each semester and must be enrolled in a program leading to a degree or certificate to receive financial aid. Students receiving loans must maintain at least half-time attendance (6 hours) each semester. MTAG, MESG, and LEAP require full-time enrollment each semester. Additionally, students may not receive aid from more than one college at the same time.
6. To be eligible for financial aid a student must be a high school graduate or have a GED. Students who receive a high school certificate do not meet the high school graduation requirement. Students who do not meet this requirement must meet the minimum requirements on an ability-to-benefit test as set forth by the Department of Education.
7. Financial aid funds may be used toward educational expenses which include matriculation, fees, books, supplies, transportation, room, board and miscellaneous expenses.
8. Financial aid funds are disbursed on a semester-by-semester basis. Aid is credited to a student's account at the College and the balance of the award, after the account is cleared, will be disbursed to the student. An eligibility review is required before the disbursement is made. This review includes checking the enrollment status of each student to be sure the minimum enrollment requirement has been met for the student to be fully eligible for the financial aid. Grant payments will not be made until after 10 weeks of class attendance each semester. Adjustments to the student's financial aid may be required for a student who withdraws

from school or drops out of school within a semester because of refund calculations required by federal regulations.

9. MTAG, MESG, and LEAP funds will be disbursed when funds are received from the State of Mississippi. MTAG, MESG, and LEAP recipients must maintain full time enrollment to be eligible to receive the funds.
10. Financial aid is applied to student accounts as funds are received by the College rather than as aid is approved. All funds received are applied until the account for the pertinent semester is cleared, then any remaining funds will be given to the student.
11. Students withdrawing during the semester who have received financial assistance will be required to abide by the refund policy governing the programs. It is advised that the student contact the Financial Aid Office before withdrawing (especially loan recipients who must attend an exit interview prior to leaving school).
12. Work-Study students:
 - a. must meet with their supervisor to establish a work schedule. (Students awarded prior to the beginning of the semester must do this the first week of school; all others immediately after receiving the award.)
 - b. must complete an I-9 form and other required forms in the Business Office before beginning work. Payroll checks will not be issued until the student completes all forms required by the Business Office.
 - c. Will be paid monthly at the current minimum wage.
 - d. Will be required at the end of each month to sign a time card which shows the number of hours worked that month.
 - e. Must understand that the amount of the work-study award is based upon the maximum amount the student may earn during the school year.
 - f. Will be issued work-study checks by the Business Office five (5) working days following the end of each month (provided all required payroll forms have been completed and time cards are submitted in a timely manner).
 - g. Must read, understand, and agree to the information provided on the job assignment form.

13. The Award Letter lists aid from outside sources that is taken into consideration in evaluating the student's financial need. Outside resources are included for the student to verify the accuracy of the amount(s). Report any discrepancies regarding these resources to the Financial Aid Office.
14. Students must reapply for aid each academic year.

CHAPTER 5

PROGRAMS OF STUDY

ACADEMIC PROGRAMS

Suggested programs of study in many fields of interest have been established with recommended courses for each semester. Students should note that these outlines are suggestions, not requirements. Requirements for degrees and certificates are listed in Chapter Three.

The East Central Community College transfer programs are designed for the student who wishes to complete two years of college work and continue toward a Baccalaureate degree at senior college. These suggested programs of study have been set up with extreme care; however, students should consult with advisors and the university or college catalog of their choice to ensure that the right courses are taken.

In 1991, the Mississippi Board of Trustees of State Institutions of Higher Learning and the Mississippi State Board for Community and Junior Colleges approved an articulation agreement which provides for the transfer of academic credit in over 160 majors available at the eight senior institutions in Mississippi. This agreement is a safety net for students who plan to transfer. East Central has utilized this agreement in developing programs of study. A student who follows the prescribed course of study in this catalog with the assistance of their advisor and the catalog of the college to which they plan to transfer should experience no difficulty with the acceptance of East Central credit.

The course sequences listed in this catalog do not represent the only majors available to students. East Central Community College can offer course work in all of the majors listed in the Articulation Agreement. Majors included on the following pages are those most frequently pursued by students at East Central Community College. Students interested in majors not specified in this catalog may request a copy of the major from the Articulation Agreement or follow the catalog of the four-year institution to which they will transfer upon completion of course work at East Central Community College.

BASIC COLLEGE CORE CURRICULUM

This core curriculum is designed for students who later plan to transfer with junior standing to one of the four-year colleges in Mississippi. Students should understand that different colleges and universities have their own requirements, and students should consult the latest catalog of the institution to which they plan to transfer.

The following East Central Community College core curriculum contains the core curriculum which is required by all universities under the State Board of Trustees, Institutions of Higher Learning, which was implemented during the fall of 1984 and the core curriculum is incorporated in all transfer programs of study as outlined in this chapter.

English Composition.....	6 semester hours
Laboratory Science	8 semester hours
Humanities & Fine Arts	9 semester hours
Social/Behavioral Science	3 semester hours
College Algebra or Higher Mathematics	3 semester hours
Oral Communication	3 semester hours
Computer Science	*3 semester hours
Total.....	35 semester hours

*or demonstrated skills

This 35 semester hour core curriculum is required for graduation from East Central Community College in both transfer degrees — the Associate in Arts and the Associate in Science. (See requirements for degrees section of chapter three — Academic Policies.)

MATHEMATICS:

MAT 1313- College Algebra (required)

BUSINESS ADMINISTRATION (BADM)

Advisors: Mrs. Roberta Holt, Mrs. Wanda Hurley

Upon successfully completing the Business Administration program of study, graduates should be able to enter the junior year of Business Administration, Accounting, Banking and Finance, Marketing, Management or other related business fields at a four-year institution. A student who enrolls in the Business Administration program is advised to refer to the catalog from the institution which he/she plans to attend after graduating from East Central and to follow the recommendations of his/her academic advisor.

EDUCATION

Advisors: Miss Lucille Wood,
Mrs. Sue Ford, Mrs. Susan Fox-Smith, Mrs. Sylvia Wright

An education curriculum should be selected by those who are planning to teach. The requirements include courses in General Education, Professional Education, and Specialized Education. Those who plan to teach in high school should decide on their teaching field and take one or more courses in the field each semester. The PRAXIS should be taken during the second semester of the sophomore year. Students should consult advisor for details.

ELEMENTARY EDUCATION (EEDU)

Advisors: Debbie Boyd, Mr. Marc McCool, Ms. Sylvia Wright

Upon successfully completing the elementary education program of study, graduates who have completed appropriate courses with required GPA as specified by the universities to which they transfer, should be able to enter the junior year of the appropriate teacher education program at a four-year institution.

EDUCATION, PHYSICAL (PEDU)

Advisor: Miss Lucille Wood

Upon successfully completing the physical education program of study with a 2.5 GPA or better on the 45-hour education core and upon successfully passing the PRAXIS, graduates should be able to enter the junior year of physical education at a four-year institution. (Note that USM requires a 2.65 GPA.)

17			15		

Recommended Electives: PSC 1113, ECO 2213 (Required by DSU, UM, USM), SOC 2143 (Required by MSU)

Note: Literature courses must be taken in sequence.

MAT 1323 - Required by MSU

EDUCATION, SECONDARY (SEDU)

Advisor: Mrs. Sue Ford, Ms. Gail Fulton

Upon successfully completing the secondary education program of study with a 2.5 GPA or better and upon successfully passing the PRAXIS, graduates should be able to enter the junior year of secondary education at a four-year institution.

Students are encouraged to follow the suggested curriculum for their major as listed in the catalog of the senior institution of their choice.

FRESHMAN YEAR

First Semester			Second Semester		
ENG	1113	English Composition I 3	ENG	1123	English Composition II 3
PHY	1513	General Psychology 3	HIS		History (ASU, USM Require World) 3
BIO	1134	General Biology I 4			Fine Arts Elective 3
HIS		History (ASU, USM require World) 3	SPT	1113	Oral Communication 3
MAT	1313	College Algebra 3			Elective Math or Science (MSU requires Math elective) . . . 3-4
16			15-16		

SOPHOMORE YEAR

First Semester			Second Semester		
ENG		Literature 3	ENG		Literature (in sequence with previous course) 3
SCI		Physical Science Elective . . 4	CSC	1113	Intro. To Computer Concepts (See note) 3
Elective		Social Science 3			Social Science Elective 3
		Electives from Teaching Area 6			Math or Science Elective . . . 3-4
16			15-16		

Notes: English majors can meet the foreign language requirements by taking MFL 1113, 1123, 2213, 2223.

HPR 1213 is required at ASU, DSU, MSU, MVSU, UM.

BIO 1144 is required at MUW.

CSC 1213 or CSC 1313 is required for math majors at MSU, USM.

USM requires PHY 2514; 2524 for math majors.

Some majors do not require two literature courses and two history courses. See the advisor and the senior college catalog. Literature courses must continue in sequence if two are taken.

Business Education majors must make special agreements with the desired senior institution to identify the business technology courses that should be taken.

Specific courses in teaching area should be taken in line with requirements at the particular senior institution selected.

ENGINEERING (ENGR)

Advisor: Mrs. Gloria McRae, Mr. Haywood Reeves

Students who are interested in any engineering field should register in this curriculum. The first two years of engineering are basically the same for all branches of engineering, and this curriculum is designed to meet these needs. Upon successfully completing the engineering program of study, graduates should be able to enter the junior year of engineering at a four-year institution.

FRESHMAN YEAR

LIBERAL ARTS (LART)

Advisors: Mrs. Tanya Boler, Mrs. Paige Case, Mr. Phillip Crenshaw, Mr. Tony Kinton, Dr. Linda Lane, Ms. Maxine McKee, Mrs. Linda Pierce, Mr. Kevin Ryals, Mrs. Carol Shackelford, Mrs. Melinda Smith, Mr. Stan Tucker

The Liberal Arts Curriculum will meet the pre-professional needs of many students who are planning some professional vocation. It may be selected by the pre-law students, by pre-ministerial students, or by those planning a career in home economics, journalism, or social work, and by others. In addition to the above, students who come to college to secure the general and liberalizing value of education, who are planning to continue a similar curriculum in a four-year college, or whose interests cannot be met by another curriculum usually select this curriculum. Electives should be chosen from a student's field of interest with the approval of the individual's advisor. Students should consult with the catalog of the university to which they plan to transfer.

FRESHMAN YEAR

First Semester			Second Semester		
ENG	1113	English Composition I 3	ENG	1123	English Composition II 3

MUSIC

Advisors: Mrs. Blaylock, Mr. Bobo, Mr. Brownlee, Mr. Carson, Dr. Jenkins

The work of the music department is organized (1) to give sound foundation work in music theory, (2) to develop understanding and appreciation of the literature and history of music, and (3) to develop performance skills with the voice and musical instruments.

All students majoring in music are required to perform with one of the large ensembles each semester. Instrumental majors are required to participate in the band, and voice and piano majors are to participate in the choir. Those students taking applied music courses must perform in or attend all scheduled music recitals.

Upon successfully completing the music program of study, graduates should be able to enter the junior year of piano, voice, or instrumental music at a four-year institution.

MUSIC WITH INSTRUMENTAL EMPHASIS (MEIE)

Advisors: Mr. Jared Brownlee, Mr. Tom Carson

Upon successfully completing the music program of study, graduates should be able to enter the junior year of instrumental music at a four-year institution.

HEALTH RELATED PROGRAMS

East Central Community College currently offers four programs of study related to the health care industry. Students who successfully complete any of these programs should be able to obtain employment in their area of specialty in the health care field.

ASSOCIATE DEGREE NURSING (ASDN)

Advisors: Ms. Anderson, Ms. Boykin, Ms. Cantey, Ms. Gilmore, Ms. Gorgas, Ms. Mann, W. Buchanan Moore, Ms. Odom, Ms. Savell

Upon successfully completing the Associate Degree Nursing program, graduates should meet the requirements of the State Board of Nursing to apply to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN®). However, completion of the program does not guarantee that the graduate will be allowed by the State Board of Nursing to take the examination.

PRE-REQUISITES:

BIO 2514	Anatomy & Physiology I ... 4
BIO 2524	Anatomy & Physiology II ... 4

Notes: Enrollment in NUR courses is limited to students who have been admitted to the ASDN program and these courses must be taken in the sequence specified. ASDN science courses must be taken within five years of admission to the ADN program. All nursing courses must be completed within four years to graduate from the ADN program. The student must take the ACT with a minimum composite score of 18, or 15 if taken prior to October 1989. A math score of 14 or below on the ACT will necessitate successful completion of MAT 1103, MAT 1203 (developmental math) or higher, concurrent with or prior to NUR 1118. All ADN students must be full time.

Progression/Graduation Requirements: Test average of 80 or above, grade of "C" or above on all nursing and required courses, mastery of selected nursing skills.

LPN BRIDGE PROGRAM FOR ASSOCIATE DEGREE NURSING (ASDN)

Advisors: Ms. Anderson, Ms. Boykin, Ms. Cantey, Ms. Gilmore, Ms. Gorgas,
Ms. Mann, Ms. W. Buchanan Moore, Mrs. Odom, Ms. Savell

Licensed Practical Nurses are eligible for advanced placement in the Associate Degree Nursing Program.

PREREQUISITE COURSES: ALL PREREQUISITE COURSES MUST BE COMPLETED WITH A MINIMUM GRADE OF C.

Progression/Graduation Requirements: Test average of 80 or above, grade of "C" or above on all nursing and required courses, mastery of selected nursing skills.

Applications for the College may be obtained from the Office of Admissions, P.O. Box 129, Decatur, MS 39327 and applications for the LPN to RN Upgrade/Bridge Program may be obtained from the ADN office by writing to the above address or telephoning 601-635-2111, ext. 293 after August 1 each year and return to respective offices. All admission requirements and current admission application must be on file by November 15 prior to admission. All science courses must be within five years of admission to the ADN program.

All information pertaining to the Associate Degree Nursing Program may be found in the East Central Community College catalog or by contacting NLNAC, 61 Broadway, New York, NY 10016 or by telephone 1-800-669-9656.

EMERGENCY MEDICAL TECHNOLOGY - PARAMEDIC (EMPT)

Advisor: Ms. Katrina Bryant

A Paramedic is a dedicated healthcare professional who provides a high level of medical care in the pre-hospital setting by utilizing extensive advanced life support skills. The EMT-Paramedic program will prepare the student for a high-skilled and exciting career as a Paramedic by combining classroom instruction as well as hands-on-instruction. After successful completion of the EMT-Paramedic Technology program, the student will be awarded an Associate in Applied Science Degree in EMT-Paramedic Technology and be eligible for a seat for the National Registry exam for paramedics. Mississippi EMT-Basic certification and Anatomy and Physiology I is a prerequisite (by state law and national standards) for entrance into this program.

PRACTICAL NURSING (PNTC)

Advisors: Mrs. Lori Luke, Ms. Kelly Miller

FRESHMAN YEAR

The Practical Nursing program prepares the individual to assist in providing general nursing care requiring basic knowledge of the biological, physical, behavioral, psychological, and sociological sciences; and of nursing procedures which do not require the substantial skills, judgment, and knowledge required of a registered nurse. This care is performed under the direction of a registered nurse, licensed physician, or dentist. Students that complete the program requirements, as identified by the Mississippi Department of Education, will be eligible to apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN®). The State Board of Nursing may refuse any individual the right to take the NCLEX-PN® based on previous criminal records.

SURGICAL TECHNOLOGY (SGTT OR SGTC)

Advisors: Mrs. LeAnn Shirley, Mrs. Kristie Pilgrim

Surgical Technology is an instructional program that prepares an individual to serve as a member of the surgical team. Graduates of the 12-month program will be awarded the Certificate of Surgical Technology. The Associate of Applied Science Degree in Surgical Technology will be awarded the successful graduate of the 24-month program. Qualified graduates may apply to the Association of Surgical Technologies for the National Certifying Examination and become a Certified or Registered Technologist.

*Baseline competencies for Surgical Technology

* Students who lack entry level skills in math, English, science, etc. will be provided related studies.

** Baseline competencies are taken from the high school Allied Health program. Students who can document mastery of these competencies should not receive duplicate instruction. Students who cannot demonstrate mastery will be required to do so.

*** APPROVED ELECTIVES: EMT 1116 Emergency Medical Technician; CHE 1214 General Chemistry; BIO 1134 General Biology I; BIO 1144 General Biology II; Math 1233 or higher Math; EPY 2513 Child Psychology; FCS 1253 Nutrition; HPR 1213 Personal and Community Health 1; SOC 2143 Marriage and Family; HPR 2213 First Aid; HPR 1213 Personal & Community Health;

CSC 1113 Introduction to Computer Concepts, WBL 191 (1-3) Work-Based Learning

Test average of "80" or above, grade of "C" or above on all Surgical Technology courses and required courses, mastery of selected Surgical Technology skills.

TECHNICAL PROGRAMS

Technical programs at East Central Community College are designed to prepare the student for employment upon completion of the specified program curriculum. Students who complete a two-year program are then eligible to receive the Associate of Applied Science Degree. Students who complete the nine-month options will receive certificates.

TECHNICAL CORE CURRICULUM

To complete the requirements for the A.A.S. degree, the students must complete the 18 semester hour Technical Core Curriculum which includes the following:

English Composition	3 sem. hrs.
Humanities/Fine Arts	3 sem. hrs.
Social/Behavioral Sciences	3 sem. hrs.
Mathematics	3 sem. hrs.
Oral Communication	3 sem. hrs.
Computer Science	*3 sem. hrs.
	<u>18 sem. hrs.</u>

* or demonstrated competence on computer-based equipment in the skill area.

AUTOMOTIVE TECHNOLOGY (AVIT)

Advisor: Mr. Scott McLemore

Postsecondary Automotive Technology is an instructional program that prepares individuals to engage in the servicing and maintenance of all types of automobiles. Instruction includes the diagnosis of malfunction and repair of engines, fuel, electrical, cooling, brake systems, and drive train and suspension systems. Instruction is also provided in the adjustment and repair of individual components such as transmissions and fuel systems.

Postsecondary automotive technology is an articulated technical program designed to provide advanced and technical skills to its students. Baseline competencies, taken from secondary automotive mechanics curriculum framework, serve as a foundation for the competencies and suggested objectives taught in the courses of the program. Students who do not possess these competencies will be allowed to acquire them during the program. Students who can document mastery of the baseline competencies will receive advanced instruction on these topics. Automotive Technology may be taught as either a certificate program or as a technical program.

BUSINESS AND OFFICE TECHNOLOGY

This is the era of high technology-the age of information processing. To maintain a competitive edge in this fast paced world, dynamic organizations sense a critical need to do more work in less time, thus generating reduced cost. As a result, high levels of productivity are required. To attain such a far-reaching goal, managers rely on benefits of progressively more powerful technologies, which include new concepts and new equipment as well as a more highly qualified personnel.

The overall objective of the Business and Office curriculum is to provide business training in theory and practical applications necessary for employment in high tech government agencies, industries, businesses, and medical and professional areas. The Curriculum consists primarily of training to provide employable skills using up-to-date procedures, processes, and equipment.

Degree Option

The Associate of Applied Science degree is awarded for successful completion of either Medical Office Technology, Office Systems Technology, Microcomputer Technology or Medical Billing and Coding Technology.

Upon successfully completing the Business and Office Technology curriculum, graduates should be able to apply the theory and practical applications necessary for employment in government agencies, industries, businesses, and medical and professional areas.

MEDICAL OFFICE TECHNOLOGY (BOMT)

Advisors: Mrs. Christy Ferguson, Mrs. Ruth Gregory, Ms. Judith Hurtt

Medical Office Technology is designed to prepare students for positions as medical transcriptionists, medical secretaries, medical file clerks, medical receptionists, or medical office assistants. Strong emphasis is placed on medical terminology and medical machine transcription. In addition to these skills, office communications, business computer applications, records management, accounting, and office procedures are emphasized.

CERTIFICATE OPTION OFFICE ASSISTANT CERTIFICATE (OATC)

Advisors: Mrs. Christy Ferguson, Mrs. Ruth Gregory, Ms. Judith Hurtt

The Business and Office Technology certificate option is designed for those students who wish employable skills without earning a degree. To earn a certificate, a student must complete the requirements of the Office Assistant curriculum.

First Semester		Second Semester

Students who lack entry level skills in math, English, etc., will be provided related studies.

****Prior to enrollment in Document Formatting and Production (BOT 1113), students will be required to key straight-copy material at a minimum of 35 GWPM, on a 5-minute timed writing, with a maximum of 1 error per minute. Students who do not demonstrate this level of proficiency will be required to enroll in Introduction to Keyboarding (BOT 1013).

CHILD DEVELOPMENT TECHNOLOGY (CDVT)

Advisors: Ms. Kathy George, Ms. Mary Ann Wright

The student enrolled in Child Development Technology is required to successfully complete two academic years of study. An individual will receive an Associate in Applied Science Degree. The student receives adequate instruction and training in curriculum planning and implementation.

Experiences in coordination of activities in art, music, language arts, and other avenues of learning prepare the student for job placements in private and public day care centers, HeadStart, teachers' aides in public school systems, and other positions. All students enrolled in the program must have up-to-date immunizations and submit to finger printing and a background check.

Upon successfully completing the Child Development Technology program, graduates should be able to gain entry to administrative level employment in the childcare industry.

COLLISION REPAIR TECHNOLOGY (CRTT)

Advisor: Mr. Conrad Germany

Collision Repair Technology is an instructional program designed to prepare students for entry level into the Collision Repair and Refinishing trade. Upon completion of this program, the students will be prepared for beginning positions as body, frame, and refinish technicians. Students will be provided theory and practical repair and refinish work beginning with basic applications and progressing on to heavy collision repairs requiring major body and frame alignment and panel replacement. The instruction includes all phases necessary to teach collision repair including glass replacement, welding, replacement of hardware and trim items, cosmetic and structural repairs.

Students enrolling in Collision Repair Technology will need to select one of the following options upon entering the program. The options are the two year Associate in Applied Science Degree in Collision Repair Technology, or the one or two year Collision Repair Technology Certificates.

COMPUTER INFORMATION SYSTEMS TECHNOLOGY

The objective of the Computer Technology program is to prepare students for successful careers in today's computer-oriented society. The emphasis is directed toward developing competence in computer operations and/or programming so that upon successful completion of a two year program, graduates may seek entry level positions in business, industry, government, or professional areas as data entry operators, computer operators, computer programmers, microcomputer specialists, or network administrators.

COMPUTER OPERATIONS OPTION (COPC)

Advisors: Mrs. Stella Dickerson, Mrs. Brenda Johnson

Upon successfully completing the Computer Operations option, graduates should be prepared for positions as computer operators and/or data entry operators. Instruction will be provided on an on-line business computer system as well as on microcomputers. A certificate will be awarded to those students completing the computer operations option.

FRESHMAN YEAR

First Semester		Second Semester	
CPT 1353	Database Design Fundamentals 3	CPT 1324	Survey of Microcomputer Applications 4

CPT 1214	Visual Basic Programming Language 4	PSY 1513	General Psychology or 3
—		SOC 2113	Intro. to Sociology —
15		18	

Keyboard Concepts will be required first semester for students who need to improve their keyboarding speed. Upon successful completion of the computer operations option, a student may enter the computer programming option.

RECOMMENDED ELECTIVES:

General Psychology
American National Government
Introduction to Sociology

RECOMMENDED PROGRAMMING ELECTIVES:

CPT 1214 Visual Basic Programming Language
CPT 1224 RPG Programming Language
CPT 1234 Cobol Programming Language
CPT 2264 Advanced RPG Programming Language
CPT 2274 Advanced Cobol Programming Language
CPT 1414 JAVA Programming Language

COMPUTER PROGRAMMING OPTION (CPRT)

Advisors: Mrs. Stella Dickerson, Mrs. Brenda Johnson

Upon successfully completing the Computer Programming option, students should be prepared for employment as a computer programmer and/or computer operator in a business-oriented environment. Instruction will be provided in several different programming languages, and hands-on experience will be included on microcomputers as well as on an on-line business computer system. The Associate in Applied Science Degree is awarded for successful completion of the Computer Programming Option.

DRAFTING AND DESIGN TECHNOLOGY (DRAF)

Advisors: Mrs. Polly Mayes, Mr. Ricky Harrison

The Drafting and Design program of study is designed to provide specialized occupational instruction in all phases of drafting technology in order to prepare students for positions in the drafting field. A combination of class work and practical experience is stressed. Completion of a minimum of 64 semester credit hours of course work in a two-year program leads to an associate in applied science.

FRESHMAN YEAR

* Restricted Elective - Must be math, science or technology based course.
Math 1323 Trigonometry is strongly suggested for one of the restricted electives.

ELECTRICAL TECHNOLOGY (ELTT)

Advisor: Mr. John Everett

The Electrical Technology program prepares individuals to install, operate, maintain, and repair electrically-energized systems such as residential, commercial, and industrial electric wiring, and D.C. and A.C. motors, controls, and electrical distribution panels. Instruction in the use of test equipment is included.

Certificate programs in electricity require a minimum of 34 semester credit hours beyond the essential skills level. Students desiring to receive only a certificate may substitute other courses for the six hours of academic credit in the proposed curriculum. Technical programs require a minimum of 65 semester credit hours above the secondary level which includes a recommended 15 hours of academic core courses. Successful completion of the two-year program leads to an Associate in Applied Science degree.

ELECTRONICS TECHNOLOGY (ELET)

Advisors: Mr. Jim Blackburn, Mr. James Clark

Electronics Technology is an instructional program that prepares individuals to support electrical engineers and other professionals in the design, development, and testing of electrical circuits, devices, and systems for generating electricity and distributing electrical power. Included are instruction in model and prototype development and testing; systems analysis and integration, including design, development of corrective and preventive maintenance techniques; application of engineering data; and the preparation of reports and test results.

Technical programs in Electronics Technology require a minimum of 65 semester credit hours (SCH) beyond the essential skills level. Fifteen semester credit hours of academic course courses are included in this minimum. Successful completion of the two-year program leads to an Associate in Applied Science degree.

HEATING AND AIR CONDITIONING TECHNOLOGY (ACTT)

Advisor: Mr. William C. Wilson

Heating and Air Conditioning is a postsecondary instructional program that prepares individuals to work in engineering departments or private firms installing, maintaining, and operating small or medium air conditioning, heating, and refrigeration systems. Instruction prepares individuals to work in a commercial setting performing special tasks relating to designing ductwork, assembly, installation, servicing, operation, and maintenance of heating and cooling systems according to the standards of the American Society of Heating, Refrigeration, and Air Conditioning Engineers Inc., Air Conditioning Contractors of America (ACCA), and Air Conditioning Refrigeration Institute (ARI). Included are air-conditioning, heating and refrigeration devices; equipment, techniques, and systems; and maintenance and operation of these systems.

INDUSTRIAL MAINTENANCE TRADES TECHNOLOGY (IMTT)

Advisor: Mr. Robert Kilpatrick

This program prepares students in nine months for employment in the industrial maintenance industry. Students receive instruction and hands-on experience in electricity, plumbing/pipe fitting, heating ventilating, air-conditioning, structural repair, sheet metal, welding and basic related instruction.

FIRST YEAR

First Semester		Second Semester	
IMM 1111	Industrial Maint. Safety . . . 1	IMM 1615	Principles of Piping & 5
IMM 1122	Industrial Maintenance Math . . 2		Hydro-Testing
	& Measurement 2	IMM 1734	Maint. Welding & Metals or . . 4
IMM 1132	Industrial Maint. Blueprint . . . 2	WLV 1116	Shielded Metal Arc 6
	Reading 2		Welding I
IMM 1213	Industrial Hand Tools & . . . 3	IMM 1813	Industrial Electricity for
	Mechanical Components . . . 3		Industrial Maint. Mechanics . . 3
IMM 1224	Power Tool Applications . . . 4		**Technical Electives 4-6
	**Technical Electives 1-6		English Composition I 3
	Math/Science Elective 3		—
	16-21		19-23

SECOND YEAR

First Semester		Second Semester	
IMM 2114	Equip. Maintenance 4	IMM 1515	Equipment Installation 5
	Troubleshooting & Repair . . . 4		& Alignment
IMM 1314	Principles of Hydraulics & . . 4	ART 1113	Art Appreciation or 3
	Pneumatics 4	MUS 1113	Music Appreciation 3
IMM 1415	Pump & Valve 5	PSY 1513	General Psychology or 3
	Operations 5	SOC 2113	Intro. to Sociology 6
SPT 1113	Oral Communication 3		**Technical Electives 6
	Technical Electives 2		—
	18		17

* Students who lack entry level skills in math, English, science, etc. will be provided related studies.

TECHNICAL ELECTIVES MAY BE CHOSEN FROM THE FOLLOWING LIST:

IMM 1235	Precision Machining Operations 5
ELT 1123	Commercial and Industrial Wiring 3
IMM 1823	Advanced Industrial Electricity for Industrial Maintenance Trades 3
MST 1115	Power Machinery I 5
IMM 1524	Preventive Maintenance and Service of Equipment 4
IMM 1713	Methods of Layout 3
IMM 1723	Structural Repair 3
IMM 191 (1-3)	Special Project in Industrial Maintenance Mechanics 1-3
IMM 192 (1-6)	Supervised Work Experience in Industrial Maintenance Mechanics 1-6
	Work-Based Learning I, II, III, IV, V, VI 1-3
	WBL 191(1-3), WBL 192(1-3), WBL 193(1-3), WBL 291(1-3),
	WBL 292(1-3), WBL 293(1-3)

INDUSTRIAL MAINTENANCE TRADES TECHNOLOGY

ONE YEAR VOCATIONAL CERTIFICATE (IMCC)

Fall Semester		Spring Semester	
IMM 1111	Industrial Maintenance ... 1	IMM 1615	Prin. of Piping & Hydro-Testing
IMM 1122	Industrial Maint. 2	IMM 1734	Maint. Welding & Metals or
	Math & Measurement	WLV 1116	Shielded Metal Arc Welding I
IMM 1132	Industrial Maintenance ... 2	IMM 1813	Industrial Electricity ... 3

MACHINE SHOP TECHNOLOGY (MSTT)

Advisor: Mr. Danny Gressett

This program is designed to prepare students to enter the machinist trade at the apprentice level. The student will be able to interpret blueprints, make necessary shop mathematical calculations, skillfully operate the lathe, shaper, milling machine, grinders, drills, and make precision measurements. Also, the student will be competent in machining methods, metallurgy, heat treatments of metals, programming and operation of CNC equipment.

ONE YEAR CERTIFICATE (MSCC)

First Semester		Second Semester	
MST 1313	Machine Tool Mathematics . 3	MST 1125	Power Machinery II 5
MST 1413	Blueprint Reading 3	MST 1613	Precision Layout 3
MST 1115	Power Machinery I 5	MST 1423	Adv. Blueprint Reading 3
DDT 1313	Principles of CAD 3	MST 2813	Metallurgy 3

DDT	1114	Fundamentals of Drafting
MAT	1313	College Algebra
PHY	2244	Physical Science Survey
WBL	191 (1-3)	Work-Based Learning

CAREER PROGRAMS

The following East Central Community College Career Programs are designed to teach the students a trade. A certificate is issued upon satisfactory completion of one of the programs. These programs are scheduled to meet six hours a day, five days a week, unless otherwise specified in the course description. Classroom activities in each career and related fields, as well as laboratory experiences are given each student. A career learning lab is provided to enhance instruction in reading and mathematics.

CARPENTRY & CABINET MAKING (CCMA)

Advisor: Mr. Fredrick Lyons

This program is designed to prepare the student for the entry level of Carpentry and Cabinet Making trades. It provides training in the basic skills and technical knowledge in both rough and finish carpentry and in cabinet making. This training includes proper tools, equipment and material uses that are comparable to those that are used in the industry. This course of study will be centered around the performance of useful and/or productive jobs. A student who completes the first year will receive a certificate in Basic Carpentry. A student who completes the second year will receive a certificate in Advanced Carpentry.

BASIC CARPENTRY (CCMA)

CAV	1115	Plans, Specifications, & Foundations 5	CAV	1128	Cabinet Construction 8
CAV	1215	Floor, Wall, Ceiling, Roof Framing & Roofing 5	CAV	1225	Hardware, Trim & Laminates 5
CAV	1317	Insulation, Exterior & Interior Finishing & Coordinating . . 7	CAV	1324	Cabinet Finishing 4
		17			17

ADVANCED CARPENTRY (CACA)

First Semester			Second Semester

COSMETOLOGY (COSM)

Advisor: Mrs. Wanda Brackeen

This course is designed for those who want to become cosmetologists. The course has been approved by the State Board of Education and the Mississippi Board of Cosmetology. It has the approval and support of beauty salon owners and operators throughout this area of the State. A student enrolling must be at least 17 years of age and must have completed high school, or obtained the GED.

During the training period, students must maintain an average grade of 85 in theory and skill to be eligible for State Board Examination in order to attain a license. Fifteen hundred clock hours of training are required to complete the course. These 1500 hours are completed in the 12-month course.

COSMETOLOGY TEACHER TRAINING (CTTC)

Advisor: Mrs. Wanda Brackeen

Approved by MISSISSIPPI STATE BOARD OF COSMETOLOGY for Licensed Cosmetologist with minimum of two years experience.

Major Units of Instruction			Semester Hours
COV 2816	Teacher Training I		6
COV 2826	Teacher Training II		6
COV 2836	Teacher Training III		6
COV 2846	Teacher Training IV		6

Requirements for entering program:

- Must be 21 years of age to take State Board Exam
- Read, write, and speak English
- Graduate of an accredited cosmetology school
- Successfully completed 12 semester hours of approved academic course work
- Hold a current, valid Mississippi Cosmetology License
- Two years active practical experience as a licensed cosmetologist

WELDING & CUTTING (WELD)

Advisor: Mr. Gerald Jordan

The Welding and Cutting curriculum is designed to prepare the student for entry-level employment in the field of welding and cutting. The curriculum includes Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), Gas Tungsten Arc Welding (GTAW), Cutting Processes, Drawing and Welding Symbol Interpretation, and Welding Inspection and Testing Principles.

First Semester		Second Semester	
WLW 1116	Shielded Metal Arc Welding I 6	WLW 1226	Shielded Metal Arc Welding II 6

CHAPTER 6

DESCRIPTION OF COURSES

UNIVERSITY PARALLEL

East Central Community College adheres to the common course number system adopted by the Mississippi Association of Community and Junior Colleges. The numbers for University Parallel Courses carry four digits. The first digit indicates the year that the course is normally taught. Generally courses required or recommended for freshmen begin with a 1 and courses at the sophomore level begin with a 2. The last digit indicates semester hours credit carried by the course. The second and third digits are used to separate courses within departments. Course descriptions used in this catalog are those adopted in the Uniform Numbering System and are intended to be equivalent to those courses at the same level at four-year institutions.

ACCOUNTING

ACC 1213 — PRINCIPLES OF ACCOUNTING — A study of the elementary accounting principles as applied to the various forms of business organizations, and an introduction to specialized fields of accounting. Three lectures and one hour laboratory. Three semester hours credit.

ACC 1223 — PRINCIPLES OF ACCOUNTING — Prerequisite: Accounting 1213. Three lectures and one hour laboratory. Three semester hours credit.

AGRICULTURE

AGR 2314 — BASIC SOILS — A general course in soils designed to give the student a basic understanding of all important phases of the subject, including soil genesis, morphology, classification, and the physical, chemical and biological aspects of soils as applied to soil fertility. Soil management, including fertilization and liming of soils, is also included. Four hours lecture. Four semester hours credit.

AGR 2343 — FOREST MEASUREMENTS — This course is designed to introduce the student to the techniques, instruments and practices of measuring forest inventories and cut-wood products for sales, timber management planning and forest studies. Three hours lecture. Three semester hours credit.

ART

- ART 1113 — ART APPRECIATION — A simple approach to the understanding of the plastic arts (drawing, architecture, sculpture, painting, graphics, minor art, and industrial arts) on a conceptual basis. Three lectures. Three semester hours credit.
- ART 1313 — DRAWING I — Study of basic principles of construction of visual forms. Emphasis on line, perspective, and shading. Use of black and white media, pencil, charcoal. Required of art majors. Six hours laboratory. Three semester hours credit.
- ART 1323 — DRAWING II — (Prerequisite: ART 1313) Introduction to color dynamics and precision drawing as used in creative expression. Emphasis on composition. Required of art majors. Six hours laboratory. Three semester hours credit.
- ART 1433 — DESIGN I (Supersedes ART 1413) — To provide students with an understanding of the elements and principles of design to enable development of an informed, intuitive sense as well as a highly informed skills base/methodology involving black and white design problems which apply principles and elements of visual design. Six hours laboratory. Three semester hours credit.
- ART 1443 — DESIGN II (Supersedes ART 1423) — To provide students with an understanding of color theory and applications of color so that there begins to be an informed as well as intuitive sense of seeing, mixing, and applying color and light to design problems. Six hours laboratory. Three semester hours credit.
- ART 1513 — COMPUTERS IN ART — An introduction to the theory and practice of using the computer to create art. A study of methods and applications utilizing the computer and selected software applications. Six hours laboratory. Three semester hours credit.
- ART 2513 — PAINTING I — (Prerequisite: ART 1313, 1323, 1413 & 1423) Techniques used in painting water colors, oils, pastels, or other media, in still life and landscape pictures. Six hours laboratory. Three semester hours credit.
- ART 2613 — CERAMICS I — A studio course designed to cover the making of pottery from the building by hand or throwing on the potter's wheel to the application of ceramic glazes and the firing procedures. An appreciation of the ceramics of the past and present will be included. Six hours laboratory. Three semester hours credit.
- ART 2623 — CERAMICS II — A continuation of ART 2613.

ART 2713 — ART HISTORY I — A survey course of the historical background of art forms from Prehistoric to the Renaissance. Emphasis is on painting, architecture, and sculpture as related to history. Three semester hours credit.

ART 2723 — ART HISTORY II — A survey course of the historical background of art forms from the Renaissance to the Twentieth Century. Emphasis is on modern expressions in the field of art. Three semester hours credit.

BIOLOGY

- BIO 1134 — GENERAL BIOLOGY I — A laboratory course in general biological principles including a survey of the kinds of plants and animals, their structure, and function, and relationships with each other and the environment. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 1144 — GENERAL BIOLOGY II — A continuation of BIO 1134. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 1314 — BOTANY I — A lecture/laboratory course dealing with the application of biological principles to the study of plants including classification, anatomy and physiology, and function. Three hours lecture, two hours lab. Four semester hours credit.
- BIO 1324 — BOTANY II — A lecture/laboratory course of principles listed but not covered in BIO 1314. Four semester hours credit.
- BIO 2313 — DENDROLOGY — A lecture/laboratory course concerning taxonomy, morphology, and identification of woody plants. Three hours lecture. Three semester hours credit.
- BIO 2414 — ZOOLOGY I — A laboratory course dealing with the application of biological principles to the study of animals including a survey of the kinds, their structure and function. Emphasis is on the invertebrates. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 2424 — ZOOLOGY II — A continuation of BIO 2414 with emphasis on the vertebrates. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 2514 — HUMAN ANATOMY AND PHYSIOLOGY I — Study is made of anatomy and physiology of the human body as an integrated whole with more detailed studies of the skeletal, muscular, and nervous systems. Prerequisite: General Biology (BIO 1134 or 1144), or General Chemistry (CHE 1214), or ACT science score of 18, or sophomore standing, or admission to a health related program at ECCC. Three lectures and two hours laboratory. Four semester hours credit.

BIO 2524 — HUMAN ANATOMY AND PHYSIOLOGY II — A continuation of Anatomy and Physiology 2514 in which the circulatory, respiratory, digestive, urinary, reproductive, and endocrine systems are studied. Prerequisite: Human Anatomy 2514. Three lectures and two hours laboratory. Four semester hours credit.

BIO 2924 — MICROBIOLOGY — A lecture/laboratory course providing a survey of the microbes (microscopic organisms) with emphasis and detailed study being placed on those affecting other forms of life, especially man. Laboratory is devoted to basic techniques of microbial study, such as identification, control, morphology, physiology, life cycles, and culture techniques. Three hours lecture and two hours laboratory. Four semester hours credit.

BUSINESS ADMINISTRATION

BAD 1113 — INTRODUCTION TO BUSINESS — This course includes an introduction to the major division of study that will be followed in succeeding business courses such as: Business Organization, Accounting, Business Law, and other related courses. Three semester hours credit.

BAD 1121 — BUSINESS SEMINAR — This course is designed to coordinate the various business-related student activities to the local level. It promotes leadership and professionalism in civic and social functions, and includes student participation, guest speakers, and community service activities. One hour lecture. One semester hour credit.

BAD 2323 — BUSINESS STATISTICS — Introduction to statistical methods of collecting, presenting, analyzing, and interpreting quantitative data for business management and control. Three lectures. Three semester hours credit. (Prerequisite: MAT 1313)

BAD 2413 — THE LEGAL ENVIRONMENT OF BUSINESS — Designed to acquaint the student with the fundamental principles of law as they relate to the basic legal problems of business transactions in our economy. Three semester hours credit.

CHEMISTRY

CHE 1214 — GENERAL CHEMISTRY I — Atomic and molecular structure, periodicity and atomic properties, stoichiometry, the mole concept, types of solutions, gases, introduction to thermodynamics. Corequisite or prerequisite: College Algebra. Three lectures and two hours laboratory. Four semester hours credit.

CHE 1224 — GENERAL CHEMISTRY II — Kinetics, equilibria, thermodynamics, electrochemistry, nuclear chemistry, coordination compounds,

introduction to organic chemistry. Three lectures and two hours laboratory. Prerequisite: satisfactory completion of CHEM 1214 - General Chemistry I. Four semester hours credit.

CHE 2424 — ORGANIC CHEMISTRY I — A study of the basic principles of carbon chemistry, bonding structure, and behavior; aliphatic compounds; identification and preparation of compounds. Three lectures and three hours laboratory. Four semester hours credit. Prerequisite: CHE 1224 - General Chemistry II.

CHE 2434 — ORGANIC CHEMISTRY II — A continuation of Chemistry 2424. A study of aromatic and complex compounds. Three lectures and three hours laboratory. Four semester hours credit. Prerequisite: CHE 2424 - Organic Chemistry I.

COMPUTER SCIENCE

CSC 1113 — INTRODUCTION TO COMPUTER CONCEPTS — A basic course that advances concepts, terminology, and theory of modern computers and provides a background in programming languages. Three lectures. Three semester hours credit.

CSC 1123 — MICROCOMPUTER APPLICATIONS — Designed to teach the use of major applications packages as used on micro-computers in business, education, and other environments. The packages will include Microsoft Office. Three hours lecture with open lab. Three semester hours credit.

CSC 1213 — VISUAL BASIC PROGRAMMING I — The writing of programs using the Visual Basic computer language. Three lectures. Three semester hours credit.

CSC 2133 — PROGRAMMING I with "C" — Introduction to problem solving methods and algorithm development; designing, debugging, and documentation in C/C++ language with a variety of applications. Prerequisite or corequisite: MAT 1313 or permission of instructor. Three lectures. Three semester hours credit.

CSC 2143 — PROGRAMMING II with "C" — Continued program and algorithm development and analysis; search/sort methods; abstract data types and object-oriented design; designing and debugging larger programs using C/C++ language. Prerequisite: 2133. Three lectures. Three semester hours credit.

CRIMINAL JUSTICE

CRJ 1313 — INTRODUCTION TO CRIMINAL JUSTICE — This course is a general introduction to the history, development, and philosophy of

law enforcement in a democratic society and the introduction to agencies involved in the administration of criminal justice and career orientation. Three hours lecture. Three semester hours credit.

CRJ 1323 — POLICE ADMINISTRATION AND ORGANIZATION I — Principles of organization and administration in law enforcement as applied to law enforcement agencies; introduction to concepts of organizational behavior. Three hours lecture. Three semester hours credit.

CRJ 1353 — INTERNSHIP IN CRIMINAL JUSTICE — Internship in approved law enforcement or correctional agency under supervision of the agency concerned and school instructor. Written report required of agency. Three hours lecture. Three semester hours credit.

CRJ 1363 — INTRODUCTION TO CORRECTIONS — An overview of the correctional field; its origins, historical and philosophical background, development, current status, relationship with other facets of the criminal justice system and future prospects. Three hours lecture. Three semester hours credit.

CRJ 2313 — POLICE OPERATIONS — A study of the operation and administration of law enforcement agencies. Particular emphasis is placed on the functions of the patrol division. Three hours lecture. Three semester hours credit.

CRJ 2333 — CRIMINAL INVESTIGATION I — Fundamentals, search and recording, collection and preservation of evidence, finger printing, photography, sources of information, interviews and interrogation. Three hours lecture. Three semester hours credit.

ECONOMICS

ECO 2113 — PRINCIPLES OF ECONOMICS (MACROECONOMICS) — An introduction to economic principles, problems, and policies with emphasis on the monetary system and national income theory and measurement. Three lectures. Three semester hours credit.

ECO 2123 — PRINCIPLES OF ECONOMICS (MICROECONOMICS) — A continuation of Economics 2113 with emphasis on price and production theory. Three lectures. Three semester hours credit.

EDUCATION

EDU 1111 — LIBRARY SCIENCE — This course provides information concerning the development of books and libraries and instruction in and practice with the skills necessary for selecting, locating, and using library materials in a variety of formats. One hour lecture. One semester hour credit.

EDU 1321 — CAREER EXPLORATION — A course designed to assist students in determining career goals. Interest tests and aptitude tests are given to help students determine career choices. One semester hour credit.

EDU 1411 — IMPROVEMENT OF STUDY — This course is designed to aid the student in three basic areas: adjustment to college life, development of good study skills, and the formation of good test-taking skills. One hour lecture. One semester hour credit.

EDU 1151 — COLLEGE LIFE — College Life offers group experiences in study skills, career exploration, self-affirmation, and values clarification. This course is designed to assist the first-time student in bonding to the college and to a small group of students. One hour lecture. One semester hour credit.

EDU 1811, 1821, 1831, and 1841 — LEADERSHIP I, II, III, IV — This course is limited to members of the Warrior Corps. Its purpose is to teach leadership skills and give the student a better understanding of the overall operation of the College. Among the leadership skills to be taught are listening skills, time management, salesmanship, and information giving techniques. One semester hour credit.

EDU 1833 — LEADERSHIP AND ORGANIZATION SKILLS — A study of leadership styles, skills, roles, and functions of leaders of organizations. The course integrates writings from the humanities with other readings, films, and activities. These historical and philosophical works, which include multi-cultural readings, not only constitute the collective wisdom of mankind, but also provide rich insight into leading. The course will be taught as eleven skill units. Three hours lecture. Three semester hours credit.

EDU 2511 — INTRODUCTION TO ELEMENTARY EDUCATION — An introduction to elementary schools and the role of teachers. Study of philosophical thought and inquiry in relation to educational assumptions, questions, problems and alternatives. Includes a minimum of 10 hours field experience in the elementary schools. (See attached handout for additional justification.)

ENGINEERING

EGR 2413 — ENGINEERING MECHANICS (STATICS) — Equilibrium of point objects and extended objects in two and three dimensions using vector algebra. Distributed forces, structures, friction, and moments of inertia in three dimensions. Three hours lecture. Three semester hours credit. Prerequisites: MAT 1623 and PHY 2514

EDUCATIONAL PSYCHOLOGY

EPY 2513 — CHILD PSYCHOLOGY (HUMAN GROWTH & DEVELOPMENT I) — A course which deals with the various aspects of human growth and development. Problems studied include physical, mental, social and emotional development from infancy through preadolescence. Special attention is given to the implications for education. Three lectures. Three semester hours credit.

EPY 2533 — HUMAN GROWTH AND DEVELOPMENT — A study of the growth and development of the human organism from conception through old age to death. Topics include changes in abilities and interests, social and emotional adjustments of each maturity level, and implications of growth and development to health professionals and others who work with people. Three lectures. Three semester hours credit.

ENGLISH

ENG 1103 — DEVELOPMENTAL ENGLISH I — Designed to reinforce fundamental language skills with an emphasis on reading, grammar, mechanics, sentence structure, and paragraphs. Required for students with ACT English sub scores of 1-11. Three hours per week. Three semester hours credit.

ENG 1113 — ENGLISH COMPOSITION I — Stresses effective writing through the study of the elements of composition with emphasis on the essay. Three lectures. Three semester hours credit.

ENG 1123 — ENGLISH COMPOSITION II — A continuation of English 1113 with emphasis on essays, critical writing, and research. A research paper is required. Prerequisite: ENG 1113. Three lectures. Three semester hours credit.

ENG 1203 — DEVELOPMENTAL ENGLISH II — Designed to teach fundamental composition skills with an emphasis on basic paragraph and essay writing. Prerequisites: ACT English sub score of 12-14 or successful completion of ENG 1103. Three hours per week. Three semester hours credit.

ENG 1213 and 1223 — HONORS ENGLISH COMPOSITION — Designed to develop the expository writing skills of academically talented students. Emphasizes logical thinking, objective analysis, clear organization and precise writing. Special attention given to critical reading, to written analysis, to using the library, and to documented research writing. Enrollment open to students with a 25 composite and an English score of 27 on the ACT. Six semester hours credit each.

ENG 2133 — CREATIVE WRITING — Consent of the instructor is required. Designed to offer experience in writing poetry, short stories, plays, and essays. Prerequisite: ENG 1113 or ACT English Subscore of 25 or above. Three lectures. Three semester hours credit.

ENG 2223 — AMERICAN LITERATURE I — Representative prose and poetry of the United States from colonial beginnings through Emily Dickinson. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2233 — AMERICAN LITERATURE II — Representative prose and poetry of the United States from Samuel Clemens to the present. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2323 — ENGLISH LITERATURE I — A survey of English Literature from Beowulf through the Renaissance. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2333 — ENGLISH LITERATURE II — A survey of English Literature from the Restoration to modern times. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2353 — HONORS ENGLISH LITERATURE I — Designed for students who have a special interest in English Literature and who have at least a "B" average in Freshman Composition. A study of English Literature from its beginnings until 1798. An individualized course with attempts to program the study of literature to the student's major interests and skills. Enrollment by invitation. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2363 — HONORS ENGLISH LITERATURE II — Designed for students who have a special interest in English Literature and who have at least a "B" average in Freshman Composition. A study of English Literature from 1798 until the present. An individualized course which attempts to program the study of literature to the student's major interests and skills. Enrollment by invitation. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2423 — WORLD LITERATURE I — A survey of world literature from the invention of writing to 1650. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2433 — WORLD LITERATURE II — A survey of world literature from 1650 to 2000. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

GEOGRAPHY

GEO 1113 — WORLD GEOGRAPHY — A regional survey of the basic geographic features and major new developments of the nations of the world. Three hours lecture. Three semester hours credit.

GEOLOGY

GLY 1114 — PHYSICAL GEOLOGY — A laboratory course in the study of the earth, its materials and the forces acting upon them, and the land forms and their developments. Three lectures. Two hours lab. Four semester hours credit.

HEALTH, PHYSICAL EDUCATION, AND RECREATION

HPR 1131 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 1141 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 1213 — PERSONAL AND COMMUNITY HEALTH — Application of principles and practices of healthful living to the individual and community; major health problems and the mutual responsibilities of home, school, and health agencies. Three lectures. Three semester hours credit.

HPR 1313 — INTRODUCTION TO HEALTH, PHYSICAL EDUCATION AND RECREATION — Introduction to the objectives, literature, and organizations of the profession. Analysis of successful teaching with discussion of the responsibilities and opportunity of professional personnel. Orientation of student to opportunities in the field. Three lectures. Three semester hours credit.

HPR 1531 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 1541 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 1551 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 1561 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 1571 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit.

HPR 1581 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit.

HPR 2131 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 2141 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 2213 — FIRST AID — Instruction and practice in methods prescribed in the American Red Cross standard and advanced courses. Three lectures. Three semester hours credit.

HPR 2323 — RECREATIONAL LEADERSHIP — Planning and leadership techniques for conducting community recreation centers, playgrounds, parks, and school recreation programs. Three lectures. Three semester hours credit. Three lectures. Three semester hours credit.

HPR 2423 — FOOTBALL THEORY — A theoretical study of football from an offensive and defensive standpoint including the fundamentals of blocking, passing, tackling, charging, punting, generalship, rules and team play. Three lectures. Three semester hours credit.

HPR 2433 — BASKETBALL THEORY — A theoretical study of basketball from an offensive and defensive standpoint, including the study of teaching of the fundamentals and team organization. Three lectures. Three semester hours credit.

HPR 2443 — ATHLETIC TRAINING & TREATMENT OF INJURIES — A practical study of safety and first aid, taping, bandaging, and use of massage, and the uses of heat, light, and water in the treatment and prevention of injuries; conditioning of athletes as to diet, rest, work, and proper methods of procedures in training for sports. Three lectures. Three semester hours credit.

HPR 2453 — BASEBALL THEORY — A theoretical study of baseball from a coaching standpoint; study of fundamentals and team play; methods of teaching fundamentals; team organization. Three lectures. Three semester hours credit.

HPR 2463 — SOCCER THEORY — A theoretical study of soccer from a coaching standpoint; including the study of the fundamentals, the methods of teaching fundamentals, progression of team play, and team organization. Three hours lecture. Three semester hours credit.

HPR 2531 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in tennis. Two hours per week. One semester hour credit.

HPR 2541 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 2551 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders).

HPR 2561 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HISTORY

HIS 1163 — WORLD CIVILIZATION I — A survey of man's struggle for civilization from early times to the times of the Commercial Revolution and the New Society. Covers all major areas of the world with all receiving appropriate attention. Three lectures. Three semester hours credit.

HIS 1173 — WORLD CIVILIZATION II — A continuation of HIS 1163 from the Age of Absolutism through a survey of Modern World Problems. Emphasis again placed, as appropriate, on all areas of the world. Three lectures. Three semester hours credit.

HIS 2213 — AMERICAN (U.S.) HISTORY I — A survey of U.S. history from the period of discovery and exploration through Reconstruction. Three lectures. Three semester hours credit.

HIS 2223 — AMERICAN (U.S.) HISTORY II — A survey of U.S. history from Reconstruction to the present. Three lectures. Three semester hours credit.

HIS 2243 — HONORS AMERICAN (U.S.) HISTORY I — Substitutes for HIS 2213. Survey of political, economic, and social developments to 1877. Special projects and recitations required. Instructor approval required.

HIS 2253 — HONORS AMERICAN (U.S.) HISTORY II — Substitutes for HIS 2223. Continued survey of political, economic, and social developments since 1877. Special projects and recitations required. Instructor approval required.

HOME ECONOMICS

HES 1253 — NUTRITION — This course is a study of nutrients required for normal growth and applied to the selection of food for ingestion, metabolic process of digestion, assimilation and absorption. Three lectures. Three semester hours credit.

HUMANITIES

HUM 1113 — HUMANITIES — Deals with the achievements of Western man as reflected in the art, architecture, and customs of selected European countries. This course consists of a tour which culminates in a supervised project to be completed by the student. With the completion of the tour and the project, a student shall earn three semester hours of credit in the humanities.

HUM 1911 — HONORS COLLOQUIUM I, II, III, IV — Selected topics from the Honors Study Topic Program Guide published each year through Phi Theta Kappa International Honor Society. This course includes research, lecture, and discussion. One semester hour credit.

HUM 1921 — HONORS COLLOQUIUM I, II, III, IV — A continuation of HUM 1911. One semester hour credit.

HUM 2911 — HONORS COLLOQUIUM I, II, III, IV — Students selected to participate in Scholars Bowl may enroll in this class. One semester hour credit.

HUM 2921 — HONORS COLLOQUIUM I, II, III, IV — Students selected to participate in Scholars Bowl may enroll in this class. One semester hour credit.

JOURNALISM

JOU 1111 — COLLEGE PUBLICATIONS I — A laboratory course in college newspaper and yearbook production.

JOU 1121 — COLLEGE PUBLICATIONS II — A continuation of JOU 1111.

JOU 2111 — COLLEGE PUBLICATIONS III — A continuation of JOU 1121.

JOU 2121 — COLLEGE PUBLICATIONS IV — A continuation of JOU 2111.

MATHEMATICS

MAT 1103 — DEVELOPMENTAL MATH (Nursing Math) — This course is designed to reinforce nursing skills for computation of drug dosage problems. This course will include the topics of fractions, decimals, percentages, metric conversions, and word problems. Three hours lecture. Three semester hours credit.

MAT 1203 — DEVELOPMENTAL ALGEBRA — A course in algebra to include signed numbers, first-degree equations, polynomial products, factors and fractions. Three hours lecture. Three semester hours credit.

MAT 1111 — BASIC GRAPHING CALCULATOR — This course is designed for students who have little or no background in the use of a TI-82 or TI-83 graphing calculator. Topics covered include keyboard layout, modes, menus, algebraic computation, graphing functions, statistics regression analysis, and matrix operations. The class will meet for five weeks, 750 minutes. One semester hour credit. Prerequisite or corequisite: Intermediate Algebra or successful completion of Algebra II in high school.

MAT 1121 — ADVANCED GRAPHING CALCULATOR — This course is an extension of MAT 1111. Topics covered include advanced matrix operation, parametric graphing, advanced function graphing, Boolean algebra, and programming. The class will meet for five weeks, 750 minutes. One semester hour credit. Prerequisite: A passing score on a graphing calculator usage pre-test or successful completion of MAT 1111.

MAT 1233 — INTERMEDIATE ALGEBRA — This course is designed for students whose qualifications are deficient for College Algebra. Materials covered include algebraic factoring, fractions, problem solving, exponents, radicals, quadratics, graphs, and simultaneous equations. Three hours lecture. Three semester hours credit. Prerequisites: Successful completion of MAT 1203 OR 14 or higher on ACT math subscore OR 12 or higher on ECCC math assessment.

MAT 1313 — COLLEGE ALGEBRA — This course includes equations, inequalities, functions and graphs, circles, polynomial and rational functions, systems of equations, and logarithms. Three hours lecture.

Three semester hours credit. Prerequisites: Successful completion of MAT 1233 OR 19 or higher on ACT math subscore OR 20 or higher on ECCC math assessment.

MAT 1323 — TRIGONOMETRY — The study of trigonometric functions, identities, trigonometric equations, and applications. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1313 (Can be taken simultaneously.)

MAT 1333 — FINITE MATHEMATICS — Introduction and application of sets, functions, matrices, sequences, and linear programming oriented to business decision making and behavioral sciences. Three hours lecture. Three semester hours credit. Prerequisites: MAT 1313

MAT 1343 — ELEMENTARY FUNCTIONS — Selected topics from College Algebra and College Trigonometry. Three hours lecture. Three semester hours credit. Prerequisites: ACT math subscore of 19 or above AND successful completion of Algebra I, Algebra II, and Trigonometry in high school. (Only for students whose majors include Calculus I.)

MAT 1513 — BUSINESS CALCULUS I — The basics of Differential Calculus with emphasis on business applications. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1313

MAT 1613 — CALCULUS I — Coordinate systems, basic theorems of analytics, functions, limits, the derivative, the integral, differentiation and integration of algebraic functions, and applications. Three hours lecture. Three semester hours credit. Prerequisites: Successful completion of MAT 1313 AND MAT 1323 OR successful completion of MAT 1343.

MAT 1623 — CALCULUS II — Differentiation and integration of transcendental functions, the definite integral, methods of integration and applications of differentiation and integration. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1613.

MAT 1723 — THE REAL NUMBER SYSTEM — Structure and properties of number systems of arithmetic. (For Elementary and Special Education majors.) Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1313.

MAT 1733 — GEOMETRY, MEASUREMENT, AND PROBABILITY — Basic concepts of geometry, measurements, and applications. (For Elementary and Special Education majors only.) Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1313.

MAT 1743 — PROBLEM SOLVING WITH REAL NUMBERS — Problems with decimals, proportions and percent, probability, counting principles,

and statistics. (For Elementary and Special Education majors only.) Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1723.

MAT 2113 — INTRODUCTION TO LINEAR ALGEBRA — Vector spaces, matrices, linear transformations; systems of linear equations, determinants; characteristic values and characteristic vectors. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1623.

MAT 2323 — BUSINESS STATISTICS — Introduction to statistical methods of collecting, presenting, analyzing, and interpreting quantitative data for business management and control. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1313.

MAT 2613 — CALCULUS III — Infinite series, solid analytics, vectors, improper integrals, and line integration. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1623.

MAT 2623 — CALCULUS IV — Differential calculus of functions of several variables, multiple integration. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 2613.

MAT 2913 — DIFFERENTIAL EQUATIONS — Solution of first and higher order differential equations; existence theorems; solution by series; and application to problems in geometry, physics and chemistry. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 2613.

MODERN FOREIGN LANGUAGE

MFL 1213 — ELEMENTARY SPANISH I* — Intended for beginning students and those with not more than one year of high school Spanish. The course seeks to develop the basic language skills: listening, speaking, reading, and writing. Three semester hours credit. Prerequisite: None.

MFL 1223 — ELEMENTARY SPANISH II* — A continuation of MFL 1213. Building on the skills mastered in Elementary Spanish I, this course seeks to develop further communicative competence at the elementary level in the areas of listening, speaking, reading, and writing. Three semester hours credit. Prerequisite: MFL 1213 or one unit of high school Spanish.

MFL 2213 — INTERMEDIATE SPANISH I* — Intended for students who have completed Elementary Spanish II or two years of high school Spanish. This course provides a review and expansion on the communicative skills introduced in MFL 1213 and 1223. Three semester hours credit. Prerequisite: MFL 1223 or two units of high school Spanish.

MFL 2223 — INTERMEDIATE SPANISH II* — A continuation of MFL 2213. Building on the communicative competencies mastered in Intermediate Spanish I, this course focuses on strengthening the listening and speaking skills. It seeks to expand the students' reading and writing skills. Three semester hours credit. Prerequisite: MFL 2213.

MFL 2243 — SPANISH CONVERSATION I — Intended for students who have completed Intermediate Spanish II. The course provides a review and practice of the major problems faced in listening and speaking at an advanced level. Taught primarily in Spanish. Three semester hours credit. Prerequisite: MFL 2223 or consent of the instructor.

* Foreign students may not register for credit in elementary and intermediate courses of their native language. All inquiries should be addressed to the Department Head.

MUSIC FOUNDATIONS

(Education, History, Literature and Theory)

MUS 1113 — MUSIC APPRECIATION — A listening and lecture course designed to give the student, through aural perception, understanding and appreciation of music as a moving force in Western Culture. Three lectures. Three semester hours credit.

MUS 1133 — FUNDAMENTALS OF MUSIC — Provides the student with basic knowledge of notations, scales, keys, rhythm, intervals, triads, and their inversions. Three lectures. Three semester hours credit.

MUS 1214 — MUSIC THEORY I — Basic training in harmonic, melodic, and rhythmic elements of music. Four-part writing, ear-training, dictation, keyboard-harmony, and sight singing. Three lectures and two hours laboratory. Four semester hours credit.

MUS 1224 — MUSIC THEORY II — A continuation of MUS 1214. Three lectures and two hours laboratory. Four semester hours credit.

MUS 1910, 1920, 2910, 2920 — RECITAL — Required performance of solo and ensemble literature by students majoring in music. Attendance is required at all Department of Music sponsored recitals.

MUS 2214 — MUSIC THEORY III — A continuation of MUS 1224. Three lectures and two hours laboratory. Four semester hours credit.

MUS 2224 — MUSIC THEORY IV — A continuation of MUS 2214. Three lectures and two hours laboratory. Four semester hours credit.

MUS 2313 — MUSIC HISTORY I — Music of primitive nations; rise and developments of liturgy; the Polyphonic Age; the rise of opera and oratorio; the periods of Bach and Handel Haydn, and Mozart; advent of Beethoven; American musical development. Three lectures. Three semester hours credit.

MUS 2513 — MUSIC FOR CHILDREN I — Music course designed for elementary education majors. A study of the fundamentals of music, singing activities, accompanying skills and the application of teaching music to children. Three lectures. Three semester hours credit.

MUSIC APPLIED

(Brass, Guitar, Organ, Percussion, Piano, Voice and Woodwinds)

All applied music requires one half-hour lesson per semester hour credit. All students interested in Applied Music are to consult the instructor before scheduling.

MUA1141, 1151, 2141, 2151 — BRASS FOR NON-MAJORS (Elective Brass) II, III, IV, & I — Half-hour lesson. One semester hour credit.

MUA 1172, 1182, 2172, 2182 — BRASS FOR MAJORS II, III, IV, & I — One hour lesson. Two semester hours credit.

MUA1242, 1252, 2142, 2152 — GUITAR FOR MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1331, 1341, 2331, 2341 — ORGAN FOR NON MAJORS (Elective Organ) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA1362, 1372, 2362, 2372 — ORGAN FOR MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1411, 1421, 2411, 2421 — CLASS PERCUSSION I, II, III, IV — Half-hour lesson. One semester hour credit.

MUA, 1441, 1451, 2441, 2451 — PERCUSSION FOR NON-MAJORS (Elective Percussion) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA1472, 1482, 2472, 2482 — PERCUSSION FOR MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1511, 1521, 2511, 2521 — CLASS PIANO I, II, III, & IV — One hour lesson. One semester hour credit.

MUA 1541, 1551, 2541, 2551 — PIANO FOR NON-MAJORS (Elective piano Prerequisite: Previous piano study) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA1572, 1582, 2572, 2582 — PIANO FOR MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1711, 1721, 2711, 2721 — CLASS VOICE I, II, III, & IV — One-hour lesson. One semester hour credit.

MUA 1741, 1751, 2741, 2751 — VOICE FOR NON-MAJORS I, II, III, & IV — One-half hour lesson. One semester hour credit.

MUA1772, 1782, 2772, 2782 — VOICE FOR MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1841, 1851, 2841, 2851 — WOODWINDS FOR NON-MAJORS (Elective Woodwinds) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA1872, 1882, 2872, 2882 — WOODWINDS FOR MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUSIC ORGANIZATIONS

(Marching Band, Centralettes, Concert Band, Jazz Band, Pit Orchestra, Chorus, Collegians)

MUO 1111, 1121, 2111, 2121 — BAND I, II, III, & IV — One semester hour credit.

MUO 1141, 1151, 2141, 2151 — COLLEGIANS I, II, III, & IV — One semester hour credit.

MUO 1171, 1181, 2171, 2181 — JAZZ BAND I, II, III, & IV — One semester hour credit.

MUO 1211, 1221, 2211, 2221 — CHOIR I, II, III, & IV — One semester hour credit.

MUO 1241, 1251, 2241, 2251 — ACCENTS I, II, III, & IV — One semester hour credit.

BIBLE

PHI 1113 — OLD TESTAMENT SURVEY — This is a study of the Old Testament covering the recorded events prior to Abraham and the history of the Hebrew nation as revealed in the books of history, prophecy and poetry. Three hours lecture. Three semester hours credit.

PHI 1133 — NEW TESTAMENT SURVEY — This is a study of the New Testament covering the life of Christ and the establishment of the early church as presented in Gospels, Acts, and the other New Testament books. Three hours lecture. Three semester hours credit.

PHI 1153 — THE LIFE OF CHRIST — The aim of this course is to give the student a general knowledge of the most important events in the life of Christ in a chronological order as found in the Gospels. The Gospels will be studied as a unit endeavoring to get a composite picture of the life and earthly ministry of Jesus. Three hours lecture. Three semester hours credit.

PHI 2113 — INTRODUCTION TO PHILOSOPHY — An introduction to systematic and philosophical thinking and study of significant men and

trends of philosophy both past and present. The emphasis is on learning how to think properly and how to come to grips with "proper" thinking of great philosophers.

PHYSICS

PHY 2244 — PHYSICAL SCIENCE SURVEY I — A survey of physics and astronomy. Three lectures and two hours laboratory. Four semester hours credit.

PHY 2254 — PHYSICAL SCIENCE SURVEY II — A survey of chemistry, geology, and meteorology. Three lectures and two hours laboratory. Four semester hours credit.

PHY 2414 — GENERAL PHYSICS — The fundamental concepts and laws of mechanics, heat and sound. Three lectures and two hours laboratory. Four semester hours credit. Corequisite: MAT 1323.

PHY 2424 — GENERAL PHYSICS — The fundamental concepts and laws of electricity, magnetism, light and modern physics. Three lectures and two hours laboratory. Four semester hours credit. Prerequisite: PHY 2414.

PHY 2514 — GENERAL PHYSICS I-A — Taught with the aid of calculus. A study of mechanics, heat, and sound. Primarily for engineering, science, and mathematics students. Three hours lecture and two hours laboratory. Four semester hours credit. Prerequisite: MAT 1623, corequisite MAT 2613.

PHY 2524 — GENERAL PHYSICS II-A — Taught with the aid of calculus. The fundamental concepts and laws of electricity, magnetism, light and modern physics. Primarily for engineering. Three hours lecture and two hours laboratory. Four semester hours credit. Prerequisite: PHY 2514.

POLITICAL SCIENCE

PSC 1113 — AMERICAN NATIONAL GOVERNMENT — Survey of the organizations, political aspects of and basis for American Government. Three lectures. Three semester hours credit.

PSYCHOLOGY

PSY 1513 — GENERAL PSYCHOLOGY — An introduction to the scientific study of human behavior. Includes history and methods of psychology, growth and development, principles of learning, sensation, perception, thinking, statistics, personality, and intelligence. Three lectures. Three semester hours credit.

READING

REA 1213 — READING IMPROVEMENT — Designed to help students develop reading skills necessary for success in college. Required for Developmental English I students with an ACT English score of 1-11. Emphasis on spelling, pronunciation, vocabulary, and study skills. Guidance in developing wide reading interests. Three hours lecture. Three semester hours credit.

SOCIOLOGY

SOC 2113 — INTRODUCTION TO SOCIOLOGY — Deals with human relationships. Students will receive a synopsis of the whole field of sociology including the social world, the social and cultural process within this world, and the integration of the processes in relation to the individual, the group, and the institution. Three lectures. Three semester hours credit.

SOC 2143 — MARRIAGE AND FAMILY — A study of the family as a cultural unit, the institution of marriage, the problems of parenthood and of social-economic adjustments to society. Three lectures. Three semester hours credit.

SOC 2163 — INTRODUCTION TO SOCIAL WORK — A survey of the history and contemporary development of social work. Relation of social work to other social problems, poverty, child welfare, aging, family needs, juvenile delinquency, etc. Three hours lecture. Three semester hours credit.

SPEECH AND THEATRE

SPT 1113 — ORAL COMMUNICATION (PRINCIPLES OF SPEECH) — Correct and effective English: correct pronunciation and enunciation, breath control, study and practice in making speeches for all occasions, and emphasis on organization of material and practice in speaking before the group. Three lectures. Three semester hours credit.

SPT 1213 — FUNDAMENTALS OF THEATRE — A basic course in the theatre arts. An introduction to the cultural, historical, and social aspects of the drama and investigation of essential elements of play production. Three lectures. Three semester hours credit.

SPT 1233 — ACTING — An introduction to the theatre and the art of acting. Emphasis is placed on the technical aspects of acting and on the expressive use of the body in stage movement. Classroom work in mime and the presentation of scenes from plays prepare the student for required performance in either a workshop or major production. A production

laboratory in connection with the class introduces the student to the technical phases of the theatre which contribute to the effectiveness of the work of the actor. Three lectures. Three semester hours credit.

SPT 1241 — DRAMA PRODUCTION I — Participation in college drama productions.

SPT 1251 — DRAMA PRODUCTION II — Participation in college drama productions.

SPT 2241 — DRAMA PRODUCTION III — Participation in college drama productions.

SPT 2251 — DRAMA PRODUCTION IV — Participation in college drama productions.

WILDLIFE AND FISHERIES

FPW 1313 — INTRODUCTION TO WILDLIFE CONSERVATION — A survey of wildlife and forest conservation, stressing biological principles and management practices for renewable resources. Three hours lecture. Three semester hours credit.

HEALTH RELATED

ASSOCIATE DEGREE NURSING PROGRAM

NUR 1003 — NURSE EXTERNSHIP — This course is designed to enhance the clinical development of nursing students. Students are enrolled in the course of study and may participate as an employee. The externship experience provides the student the opportunity to practice learned skills repetitively, enhance interpersonal skills, and develop organizational skills. The student has the opportunity to choose an area of clinical interest in nursing. The student receives guidance, supervision, and evaluation from a registered nurse preceptor in conjunction with nursing faculty. Prerequisites: NUR 1118 and NUR 1129. The student will complete between 200-250 clinical employment hours during the eight weeks of employment. Three semester hours credit.

NUR 1118 — NURSING I — This course focuses on developing and understanding the nursing process as a problem solving approach for the care of clients with basic needs. Fundamental concepts of communication, nutrition, pharmacology, caring and preventive health care are taught. Emphasis is placed on dosage calculations and math for nurses. The clinical focus is on the care of the geriatric client in long-term care and community settings. Prerequisites: BIO 2514 and BIO 2524. Six class hours per week, six clinical hours per week. Eight semester hours credit.

NUR 1129 — NURSING II — This course emphasizes critical thinking utilizing the nursing process to care for clients with chronic and acute medical surgical problems. Areas of study include: gastrointestinal, cardiac, and respiratory problems, patients experiencing fluid and electrolyte imbalance, diabetes, surgical nursing, musculoskeletal disorders, gynecological problems and clients experiencing anxiety and depression. Students are introduced to pathophysiology while planning and giving care to clients, with an emphasis on growth and development, nutrition, pharmacology and basic nursing skills. The clinical laboratory experiences are in a variety of settings. Prerequisites: BIO 2514, BIO 2524, ENG 1113, EPY 2533, NUR 1118. Six class hours per week, nine hours clinical per week. Nine semester hours credit.

NUR 1148 — NURSING TRANSITION — This course focuses on updating and reinforcing information and skills already learned in a practical nursing program. The course uses a fast track approach to assist the Licensed Practical Nurse to articulate into the second year of the associate of applied science degree in nursing. Only Licensed Practical Nurses with at least one year of clinical experience are eligible for the course. The practical experience, along with competencies from the *Mississippi Curriculum Framework for Practical Nursing* are substituted for the first course of nursing. Prerequisites: BIO 2514, BIO 2524, BIO 2924, ENG 1113, ENG 1123, EPY 2533. The eight-hour course includes 6 hours of lecture per week and a total of 20 hours of clinical laboratory. At the successful completion of the course, the student will receive a total of 18 hours of credit.

NUR 2102 — PHARMACOLOGY — This course focuses on the knowledge and interventions needed to maximize therapeutic effects and prevent or minimize adverse effects of drugs. Major content areas include basic concepts of pharmacology, groups of therapeutic drugs, drug effects on body systems, human responses to drug therapy and applying the nursing process in relation to prescribed drug therapy. Prerequisites: NUR 1118 and NUR 1129. Two semester hours credit.

NUR 2121 — NURSING SEMINAR — This course is designed to promote active participation in national, state, and local student nurse organizations and involvement in community activities. The course consists of monthly meetings where group discussions will be held concerning today's nursing trends. Goals and objectives set by the student nursing association will be carried out by the group. One semester hour credit for four semesters of participation.

NUR 2149 — NURSING III — This course utilizes the nursing process for the development of decision-making skills to care for clients with medical surgical problems and the childbearing family. Areas of study

include: cancer, neurological and genitourinary problems, pediatrics, maternal infant nursing. Clinical laboratory experiences include acute care and community settings. Prerequisites: BIO 2514, BIO 2524, BIO 2924, EPY 2533, ENG 1113, ENG 1123, NUR 1118, NUR 1129. Six class hours per week, twelve clinical hours per week. Ten semester hours credit.

NUR 2159 — NURSING IV — This course focuses on skills to plan, coordinate, implement and evaluate nursing care to promote and/or maintain healthy outcomes for clients. The psychopathology underlying altered behavioral responses to unmet needs is explored and utilized as a basis for understanding the rationale for nursing approaches in the clinical setting. Clinical laboratory experiences focus on care of acutely ill clients with complex needs. Areas of study include: management, emergency nursing, and acute medical nursing. Prerequisites: BIO 2514, BIO 2524, BIO 2924, EPY 2533, PSY 1513, ENG 1113, ENG 1123, NUR 1118, NUR 1129, and NUR 2149. An average of five class hours per week, twelve clinical hours per week. Nine semester hours credit.

NUR 2941 — NCLEX REVIEW — A comprehensive, simulated review of the National Council Licensure Examination for Registered Nurses. The lab is intended to assist in the preparation of students for writing the NCLEX-RN® Exam. 0 hours lecture, three hours laboratory. One semester hour credit.

WBL191(1-3), 192(1-3), 291(1-3), & 292(1-3) — WORK-BASED LEARNING — The Work-Based Learning course is designed for students enrolled in vocational-technical programs and employed in parallel workplace environments for a minimum of 15 hours per week. Course content is based upon a model course curriculum, defined workplace requirements, and specific objectives addressing competent workplace performance. Three semester hours credit based upon the total quantity of 270 approved clock hours.

EMERGENCY MEDICAL TECHNICIAN

EMT 1116 — EMERGENCY MEDICAL TECHNICIAN — This introductory course prepares individuals to function in the prehospital environment. The class offers instruction in the basic life support care of sick and/or injured persons. This includes: airway assessment; communications; documentation; general pharmacology; hemorrhage control; ambulance operations; splinting of adult, pediatric and infant patients; and special care of patients exposed to heat, cold, radiation, or contagious disease. Students must spend a minimum of 10 hours in a hospital emergency room and participate in a minimum of five separate ambulance runs. One hour lecture, six hours lab, and six hours clinical. Six semester hours

credit. (In the event of numerous applicants to be enrolled in EMT-Basic courses, a priority list has been established: EMS Personnel, Fire Department/Rescue Personnel, Industry Workers, Hospital Emergency Care Personnel, Law Enforcement, Civil Defense Personnel) Prerequisites to enter EMT-Basic Courses: Age of at least 18; Ability to read and write; High school graduate or GED equivalent; Minimum score of 10 on the TABE or 16 on the ACT taken after October, 1989 or 12 taken before October, 1989; Valid CPR certification (course C); Physically fit per physical examination by physician; Hepatitis B vaccination started prior to clinical or ambulance run portion of the class.

* Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, or nolo contender to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

EMT/PARAMEDIC TECHNOLOGY

EMT 1122 — FUNDAMENTALS OF PRE-HOSPITAL CARE — This course introduces the student to the EMS systems, roles and responsibilities of the paramedic, well-being of the paramedic, illness and injury prevention, medical/legal issues, therapeutic communications, and life span development. This course was formerly taught as EMT 1123 - Preparatory. One hour lecture. Two hours lab. Two semester hours credit. (Pre/Corequisite: BIO 2524 - Anatomy and Physiology II)

EMT 1315 — AIRWAY MANAGEMENT AND VENTILATION — This course will provide the student with the essential knowledge to attain an airway and manage the respiratory system using advanced techniques. This class was formerly taught as EMT 1313 - Airway Management and Ventilation. Two hours lecture. Six hours lab. Five semester hours credit. (Pre/corequisite: EMT 1122 - Fundamentals of Pre-Hospital Care and BIO 2524 - Anatomy and Physiology II)

EMT 1415 — PATIENT ASSESSMENT — This course will teach comprehensive history taking and physical exam techniques. This class was formerly taught as EMT 1414 - Patient Assessment. Two hours lecture. Six hours lab. Five semester hours credit. (Pre/corequisite: EMT 1122 - Fundamentals of Pre-Hospital Care and BIO 2524 - Anatomy and Physiology II)

EMT 1423 — EMS SPECIAL CONSIDERATIONS — This course will provide a comprehensive overview of providing care for the patient with special needs. This course was formerly taught as EMT 1423 - Special

Considerations. One hour lecture. Four hours lab. Three semester hours credit. (Prerequisites: All first semester courses)

EMT 1513 — EMS CLINICAL I — This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was formerly taught as EMT 1513 - Clinical Internship I. Nine hours clinical. Three semester hours credit. (Pre/corequisite: EMT 1122-Fundamentals of Pre-Hospital Care and BIO 2524 - Anatomy and Physiology II)

EMT 1523 — EMS CLINICAL II — This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was formerly taught as EMT 1523 Clinical Internship II. Nine hours clinical. Three semester hours credit. (Prerequisite: EMT 1513 - EMS Clinical I)

EMT 1613 — PRE-HOSPITAL PHARMACOLOGY — This course will teach comprehensive pharmacodynamics and pharmacokinetics. This course was formerly taught as EMT 1613 - Pharmacology. One hour lecture. Six hours lab. Three semester hours credit. (Prerequisites: All first semester courses)

EMT 1825 — PRE-HOSPITAL CARDIOLOGY — This course will teach a comprehensive approach to the care of patients with acute and complex cardiovascular compromise. This course is a combination of the courses formerly taught as Acute Cardiology (EMT 1814) and Advanced Cardiology (EMT 2824). Two hours lecture. Six hours lab. Five semester hours credit. (Prerequisites: All first semester courses)

EMT 2412 — PRE-HOSPITAL OB/GYN — This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in gynecological and obstetrical emergencies. The course formerly called EMT 1425 - Maternal/Child Emergencies was divided into EMT 2412 Pre-Hospital OB/GYN and EMT 2423 - Pre-Hospital Pediatrics. One hour lecture. Two hours lab. Two semester hours credit. (Prerequisites: All first semester courses)

EMT 2423 — PRE-HOSPITAL PEDIATRICS — This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in pediatric emergencies. The course called EMT 1435 - Maternal/Child Emergencies was divided into EMT 2412 - Pre-Hospital OB/GYN and EMT 2423 - Pre-Hospital Pediatrics. One hour lecture. Four hours lab. Three semester hours credit. (Prerequisites: All first semester courses)

EMT 2552 — FIELD CLINICAL I — This course will provide clinical training in the skills and knowledge obtained in the classroom. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was formerly called EMT 2552 - Field Internship I. Six hours clinical. Two semester hours credit. (Prerequisites: All first semester courses)

EMT 2564 — FIELD CLINICAL II — This course will provide advanced clinical training in the skills and knowledge obtained in the classroom with an emphasis on leadership skills. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was formerly called EMT 2564 - Field Internship II. Twelve hours clinical. Four semester hours credit. (Prerequisites: All first semester courses)

EMT 2714 — PRE-HOSPITAL TRAUMA — This course will provide advanced instruction in the integration of pathophysiological principles and assessment findings to formulate a field impression and implement a treatment plan for a suspected trauma patient. This course is a combination of the courses formerly taught as EMT 1714 - Trauma I and EMT 2724 - Trauma II. Two hours lecture. Four hours lab. Four semester hours credit. (Prerequisites: All first semester courses)

EMT 2855 — PRE-HOSPITAL MEDICAL CARE — This course will provide a detailed understanding of the anatomic structures, physiology and pathophysiology encountered when providing care in medical emergencies involving pulmonary, allergy and anaphylaxis, gastroenterology, renal urology, and hematology. This course is a combination of the courses formerly taught as EMT 2834 - Medical Emergencies I and EMT 2845 - Medical Emergencies II. Two hours lecture. Six hours lab. Five semester hours credit. (Prerequisites: All first semester courses)

EMT 2913 — EMS TEAM MANAGEMENT — This course teaches the leadership skills necessary to manage complex situations including patient care, management of the hazardous and crime scene, supervision, mentoring, and leading other personnel. This class was formerly taught as EMT 2915 - Team Management. One hour lecture. Four hours lab. Three semester hours credit. (Prerequisites: All first semester courses)

PRACTICAL NURSING

PNV 1112 — BASIC NUTRITION — This course consists of a study of nutrition for all individuals. Digestion, metabolism, and diet therapy are introduced. Two hours lecture. Two semester hours credit.

PNV 1213 — BODY STRUCTURE AND FUNCTION — This course is a study of body structure and function essential to safe and effective nursing.

ing care. Each system of the body is covered with applications to nursing. Two hours lecture. Two hours lab. Three semester hours credit.

PNV 1312 — GROWTH AND DEVELOPMENT — This course is a study of the normal developmental processes of humans from conception to death, including physical, emotional, social, and intellectual aspects. Two hours lecture. Two semester hours credit.

PNV 1413 — GERIATRIC NURSING — The course utilizes the nursing process to teach the care of the geriatric patient. Clinical experience in a long-term facility is a component of this course. Two hour lecture. Three hours clinical. Three semester hours credit. Pre/corequisites: Completion of Fundamentals of Nursing (PNV 1425) and Fundamentals of Nursing Lab (PNV 1434).

PNV 1425 — FUNDAMENTALS OF NURSING — This course provides the student with knowledge and skills necessary to care for the individual. Study includes beginning use of the nursing process; cause and prevention of illness; patient, family, and community health care provisions; and resource agencies available. The course also includes personal health care, medical terms, and preparation to assist the patient in meeting basic living needs. Pre/corequisites: This course requires concurrent registration in PNV 1434. It also requires a passing grade in PNV 1425 and PNV 1434 to receive credit for these courses. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. Five hours lecture. Five semester hours credit.

PNV 1434 — FUNDAMENTALS OF NURSING LAB/CLINICAL — This course provides demonstration, supervision, and practice for the student to master fundamental nursing skills. Six hours lab. Three hours clinical. Four semester hours credit. Pre/corequisites: Concurrent registration in PNV 1425 is required. A passing grade in PNV 1425 and PNV 1434 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1513 — PHARMACOLOGY — This course is designed to provide the student with appropriate basic theoretical and clinical information related to drugs, including: classifications, sources, dosages, basic math and measurements, regulatory requirements and basic principles of drug administration. Two hours lecture. Two hours lab. Three semester hours credit. Pre-requisites: All first semester Practical Nursing courses.

PNV 1614 — MEDICAL/SURGICAL NURSING — This course introduces nursing theory for the following medical-surgical disorders: cancer, neurological, respiratory, cardiovascular, and digestive. Emphasis is placed on developing and demonstrating an understanding of the role

of the practical nurse functioning as an effective team member. Two hours lab. Eight hours clinical. Four semester hours credit. Prerequisites: Basic Nutrition (PNV 1113), Body Structure and Function (PNV 1213), Growth and Development (PNV 1312), Geriatric Nursing (PNV 1412), Fundamentals of Nursing (PNV 1425), and Fundamentals of Nursing Lab (PNV 1434). Concurrent registration in PNV 1624 is required. A passing grade in PNV 1615 and PNV 1624 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1624 — MEDICAL/SURGICAL NURSING LAB AND CLINICAL — This course includes supervised laboratory and clinical experiences for application of medical/surgical theory and the development of skill and the use of nursing process. Nine hours clinical. Two hours lab. Four semester hours credit. Prerequisites: Basic Nutrition (PNV 1113), Body Structure and Function (PNV 1213), Growth and Development (PNV 1312), Geriatric Nursing (PNV 1412), Fundamentals of Nursing (PNV 1425), and Fundamentals of Nursing Lab (PNV 1434). Concurrent registration in PNV 1615 is required. It also requires a passing grade in PNV 1615 and PNV 1624 in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1634 — ALTERATIONS IN ADULT HEALTH — This course introduces nursing theory for the following medical-surgical disorders: urological, endocrine, reproductive, musculoskeletal, and skin and special senses. Emphasis is placed on developing and demonstrating an understanding of the role of the practical nurse functioning as an effective team member. Four hours lecture. Four semester hours credit. Prerequisites: Basic Nutrition (PNV 1113), Body Structure and Function (PNV 1213), Growth and Development (PNV 1312), Geriatric Nursing (PNV 1412), Fundamentals of Nursing (PNV 1425), and Fundamentals of Nursing Lab (PNV 1434). Concurrent registration in PNV 1644 is required. A passing grade in PNV 1633 and PNV 1644 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1644 — ALTERATIONS IN ADULT HEALTH LAB AND CLINICAL — This course includes supervised laboratory and clinical experiences for application of medical/surgical theory and the development of skill and the use of the nursing process. Nine hours clinical. Two hours lab. Four semester hours credit. Prerequisites: All first semester PNV courses. Concurrent registration in PNV 1633 is required. It also requires a passing grade in PNV 1633 and PNV 1644 in order to progress in the practical

nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1716 — MATERNAL-CHILD NURSING — This course utilizes the nursing process to teach care for the expectant mother from conception to delivery, including newborn, child and the family unit during normal and complicated conditions. Clinical experiences include perinatal labor and delivery, postpartum, newborn, and pediatrics. Three hours clinical. Five hours lecture. Six semester hours credit. Prerequisites: All first semester PNV courses.

PNV 1813 — PSYCHIATRIC CONCEPTS — This course provides an introduction to mental health concepts. Emphasis is placed on normal as well as abnormal behavior in application of principles of effective therapeutic communication. Clinical experience will provide application of previously learned theory. Two hour lecture. Three hours clinical. Three semester hours credit. Prerequisites: First semester PNV courses.

PNV 1913 — NURSING TRANSITION — This course further develops decision making skills and promotes an interest in continued professional development. Legal aspects of nursing and employment opportunities and responsibilities, as well as preparation for the State Board Exam, will be included. One hour lecture. Six hours clinical. Three semester hours credit. Prerequisites: All first semester PNV courses.

MEDICAL OFFICE TECHNOLOGY CONCENTRATION BUSINESS AND OFFICE CLUSTER

See the Business Technology course descriptions in reference to the above field.

SURGICAL TECHNOLOGY

SUT 1113 — FUNDAMENTALS OF SURGICAL TECHNOLOGY — Basic introductory course including hospital and surgical suite organization and environment, history, legal responsibilities, terminology, pharmacology, anesthesia, and interpersonal relationships. Three hours lecture. Three semester hours credit.

SUT 1216 — PRINCIPLES OF SURGICAL TECHNIQUE — A comprehensive study of aseptic technique, safe patient care, and surgical techniques. Two hours lecture. Eight hours lab. Six semester hours credit.

SUT 1314 — SURGICAL ANATOMY — Emphasis is placed on structure and function of the human body as related to surgery. Application of the principles of surgical anatomy to participation in clinical experience. Three hours lecture. Two hours lab. Four semester hours credit.

SUT 1413 — SURGICAL MICROBIOLOGY — Introduction to pathogenic microorganisms related to surgery and their effect on wound healing and infection. Includes principles of sterilization and disinfection. Three hours lecture. Three semester hours credit.

SUT 1518 — BASIC AND RELATED SURGICAL PROCEDURES — This course includes instruction in regional anatomy, pathology, instrumentation, and surgical techniques in general, gynecology, obstetrics, and urology. Four hours lecture. Twelve hours clinical. Eight semester hours credit. Prerequisites: Introduction to Surgical Technology (SUT 1113), Principles of Surgical Technique (SUT 1216), Surgical Anatomy (SUT 1314), and Surgical Microbiology (SUT 1413).

SUT 1528 — SPECIALIZED SURGICAL PROCEDURES — This course includes instruction in regional anatomy, pathology, instrumentation, and techniques in surgical specialty areas of ear, nose, and throat; ophthalmology and plastics. Clinical experience in area hospital surgical suite and related departments. Four hours lecture. Twelve hours clinical. Eight semester hours credit. Prerequisites: Introduction to Surgical Technology (SUT 1113), Principles of Surgical Technique (SUT 1216), Surgical Anatomy (SUT 1314), and Surgical Microbiology (SUT 1413).

SUT 1538 — ADVANCED SURGICAL PROCEDURES — Instruction in regional anatomy, pathology, instrumentation, employability skills, and techniques in surgical specialty areas of orthopedics, neurosurgery, thoracic, and cardiovascular surgery. Clinical experience in area hospital surgical suites. Comprehensive final examination. Four hours lecture. Twelve hours clinical. Eight semester hours credit. Prerequisites: Basic and Related Surgical Procedures (SUT 1518)

TECHNICAL

COLLISION REPAIR TECHNOLOGY

ABT 1113 — RESTRAINT SYSTEMS AND INTERIOR TRIM — A course to provide skills and practices in vehicle restraint systems and interior trim. Included are procedures for servicing restraint systems, active or passive, and air bags. Also included are service procedures for trim items such as headliners, seats, carpets, and general safety procedures to follow. One hour lecture, four hours lab. Three semester hours credit.

ABT 1123 — BOLTED UNITS, ASSEMBLIES, AND ELECTRICAL SYSTEMS — A course which provides instruction and practice in the removal and replacement of bolted parts, sub-units, and assemblies. Methods of disassembly and reassembly, part adjustment, alignment, and electrical system service and repair are included in this course. One hour lecture, four hours lab. Three semester hours credit.

ABT 1133 — GLASS AND RELATED HARDWARE INSTALLATION AND SEALING — A course in the removal and replacement of stationary and movable glass. Included are the alignment of movable glass and the repair and alignment of glass mounting hardware. Also included are the sealing and adjustments needed to eliminate water leaks and wind noise. One hour lecture, four hours lab. Three semester hours credit.

ABT 1213 — AUTOMOTIVE BODY WELDING AND CUTTING — A course designed to provide specialized skills and practice in automotive body welding and cutting. Includes instruction in the use of the Gas Metal Arc Welding (GMAW) equipment and Plasma Arc Cutting (PAC) in repairing the high strength steels used in unibody construction. One hour lecture, four hours lab. Three semester hours credit.

ABT 1313 — REFINISHING I — A course to provide skills and practices in vehicle preparation, cleaning, sanding, metal treatment, masking and basic spray applications. Instruction includes determining imperfections in paint films, personal and environmental safety practices. One hour lecture, four hours lab. Three semester hours credit.

ABT 1324 — REFINISHING II — A continuation of Refinishing I. Included are types of refinish materials and their specific application procedures. Also included are ways to prevent painting problems, solving problems that occur, basic blending for color matching, and basecoat/clearcoat applications. One hour lecture, six hours lab. Four semester hours credit.

ABT 1414 — SHEET METAL REPAIR — A course designed to provide instruction and practice in the repair of the sheet metal components of the vehicle body. Includes practice in selecting and applying various methods and tools of the trade used in removing dents and other damage conditions from sheet metal panels. Also included are constructing and installing simple metal patch panels, and making basic repairs. One hour lecture, six hours lab. Four semester hours credit.

ABT 1423 — BODY PANEL AND UPPER STRUCTURAL REPAIR I — A course in the repair and replacement of major body panels and upper body structural components. Instruction will include the use of power equipment, basic anchoring and pulling, non-adjustable panel alignment and attachment (welded and bonded). One hour lecture, four hours lab. Three semester hours credit.

ABT 2333 — REFINISHING III — A continuation of Refinishing II with emphasis on advanced techniques; including HVLP spray systems plastic parts refinishing, color analysis, tinting and matching difficult colors, pinstriping, decals, lettering, color sanding, buffing, polishing and detailing. One hour lecture, four hours lab. Three semester hours credit.

ABT 2434 — BODY PANEL AND UPPER STRUCTURAL REPAIR II — A continuation of Body Panel and Upper Structural Repair I. Emphasis will continue to be placed on major panel replacement. Instruction will include rolled-over vehicle repair, structural alignment, roof panel replacement, and the replacement or sectioning of upper structural members. One hour lecture, six hours lab. Four semester hours credit.

ABT 2513 — FRAME AND UNDERBODY STRUCTURAL REPAIR I — An introduction to frame repair. Instruction includes analyzing frame, structural, suspension, and steering damage, and setting up alignment equipment. One hour lecture, four hours lab. Three semester hours credit.

ABT 2524 — FRAME AND UNDERBODY STRUCTURAL REPAIR II — This course continues instruction from Frame and Underbody Structural Repair I. Emphasis is placed on unibody vehicle construction. Included are welding in unibody repair and repairing/replacing/sectioning structural components. Assembly, body repair and paint operations will continue in the lab as part of this course. One hour lecture, six hours lab. Four semester hours credit.

ABT 2613 — FIBERGLASS AND PLASTIC REPAIR — A course designed to provide theory and practice in the repair of fiberglass, plastic, and sheet molded compounds. One hour lecture, four hours lab. Three semester hours credit.

ABT 2714 — COLLISION ANALYSIS AND ESTIMATION — This course covers the complete inspection and analysis of damaged vehicles. It is designed to enable the student to determine the conditions and severity of the damage, the repair or replacement of parts, the estimated repair time, and correct use of reference manuals. Assembly, body repair and paint operations will continue in the lab as part of this course. One hour lecture, six hours lab. Four semester hours credit.

ABT 2814 — SHOP OPERATIONS AND PROCEDURES — An introduction to small business management techniques as applied to the collision repair shop. Includes computerized information and records systems. Also included are financial responsibilities, shop layout, inventory, and employee-employer relations. Students will continue all normal collision repair shop operations in this course and participate in a supervisory capacity during laboratory times, when possible. One hour lecture. Six hours lab. Four semester hours credit.

TECHNICAL ELECTIVE:

ABT 292(1-6) — WORK-BASED LEARNING IN COLLISION REPAIR TECHNOLOGY — This course is a cooperative program between indus-

try and education and is designed to integrate the student's technical studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours (3-18 hour extern ship: 1-6 semester hours credit) Prerequisite: Sophomore standing in Collision Repair Technology.

AUTOMOTIVE TECHNOLOGY

ATT 1114 — ELECTRICAL SYSTEM — This is a course designed to provide advanced skills and knowledge related to all components of the vehicle electrical system including lights, instruments, and charging components. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1213 — BRAKES — This is a course designed to provide advanced skills and knowledge related to the repair and maintenance of brake systems on automobiles. It includes instruction and practice in diagnosis of braking system problems and the repair of brake systems. Two hours lecture. Two hours lab. Three semester hours credit.

ATT 1315 — MANUAL DRIVE TRAIN/TRANSAXLE — This is a course designed to provide advanced skills and knowledge related to the maintenance and repair of manual transmissions, transaxles and drive train components. It includes instruction in the diagnosis of drive train problems and the repair and maintenance of transmissions, transaxles, clutches, CV joints, differentials and other components. Two hours lecture. Six hours lab. Five semester hours credit.

ATT 1414 — BASIC ENGINE PERFORMANCE — This is a course designed to provide advanced skills and knowledge related to the maintenance and adjustment of gasoline engines for optimum performance. It includes instruction and practice in the diagnosis and correction of problems associated with poor performance. Two hours lecture. Two hours lab. Four semester hours credit.

ATT 1513 — BASIC FUEL SYSTEMS — This is a course designed to provide advanced skills and knowledge related to the repair, maintenance, and adjustment of conventional carburetion systems and emission control. It includes instruction in the diagnosis and repair/adjustment of carburetors and conventional emission control systems. Two hours lecture. Two hours lab. Three semester hours credit.

ATT 1715 — ENGINE REPAIR — This is a course designed to provide advanced skills and knowledge related to the repair and rebuilding of automobile type engines. It includes instruction and practice in the diagnosis and repair of engine components including valve trains, blocks, pistons and connecting rods, crankshafts and oil pumps. Two hours lecture. Six hours lab. Five semester hours credit.

ATT 2325 — AUTOMATIC TRANSMISSIONS/TRANSAXLES — This is a course designed to provide technical skills and knowledge related to the diagnosis and repair of automotive type automatic transmissions and transaxles. It includes instruction and practice in testing and inspecting these devices and in disassembly, repair, and reassembly. Three hours lecture. Four hours lab. Five semester hours credit.

ATT 2334 — STEERING AND SUSPENSION SYSTEMS — This is a course designed to provide advanced skills and knowledge related to the inspection and repair of steering and suspension systems on automobiles. It includes instruction and practice in the diagnosis of steering system problems and the repair/replacement of steering system components. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 2343 — WHEEL ALIGNMENT — This is a course designed to provide technical skills and knowledge related to the alignment of both front and rear wheels on automobiles. It includes instruction and practice in the inspection, detection, and correction of wheel alignment problems. One hour lecture. Four hours lab. Three semester hours credit.

ATT 2524 — COMPUTER CONTROLLED EMISSIONS SYSTEMS — This course provides technical skills and knowledge related to the inspection and repair/adjustment of the newer types of automobile carburetors. Includes instruction and practice in the diagnosis and correction of problems associated with electronic ignition systems, pollution control systems and other features found on newer model fuel systems. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 2535 — COMPUTERIZED ENGINE CONTROLS — This is a course designed to provide technical skills and knowledge associated with computer controls found on newer cars. It includes instruction and practice in the diagnosis and correction of problems associated with computer controls of the ignition and fuel injection system. Two hours lecture. Six hours lab. Five semester hours credit.

ATT 2614 — HEATING AND AIR CONDITIONING — This course is designed to provide advanced skills and knowledge associated with the maintenance and repair of automotive heating and air conditioning systems. It includes instruction and practice in the diagnosis and repair of heating and air conditioning system components, and control systems. Two hours lecture. Four hours lab. Four semester hours credit.

BUSINESS AND OFFICE TECHNOLOGY

BOT 1013 — INTRODUCTION TO KEYBOARDING — (Prerequisite: None) This course provides an introduction to basic word processing commands and essential skill development using the touch system on

the alphabetic keyboard. Course emphasis will be on speed and accuracy when keying documents and timed writings. Three hours lecture. Three semester hours credit.

BOT 1113 — DOCUMENT FORMATTING & PRODUCTION — (Prerequisite: Prior to enrollment in this course, students will be required to key straight-copy material at a minimum of 35 GWPM on a 5-minute timed writing, with a maximum of 1 error per minute OR successfully complete Introduction to Keyboarding (BOT-1013). This course focuses on improving keyboarding techniques using the touch method and on production of documents using word processing functions. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1123 — KEYBOARD SKILLBUILDING — (Prerequisite: BOT 1113 Document Formatting & Production) This course further develops keyboard techniques emphasizing speed and accuracy. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1133 — MICROCOMPUTER APPLICATIONS — (Prerequisite: Introduction to Keyboarding BOT-1013 or consent of instructor.) This course will introduce an operating system and word processing, spreadsheet, database management, and presentation software applications. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1143 — WORD PROCESSING — (Prerequisites: Microcomputer Applications BOT-1133, Document Formatting & Production BOT-1113, Mechanics of Communication BOT-1713, or by consent of instructor.) This course focuses on production of documents using word processing functions. Production with accuracy is stressed and practice is given through a variety of documents for skill building. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1213 — PROFESSIONAL DEVELOPMENT — This course develops an awareness of interpersonal skills essential for job success. Three hours lecture. Three semester hours credit.

BOT 1313 — APPLIED BUSINESS MATH — This course is designed to develop competency in mathematics for business use. Ten-key touch method on electronic desktop calculators is stressed. Three hours lecture. Three semester hours credit.

BOT 1413 — RECORDS MANAGEMENT — (Prerequisite: None) This course focuses on the systems approach to managing recorded information in any form. Emphasis is placed on the three categories into which records generally fall and the treatment of these categories in proper management, storage, and retrieval. Three hours lecture. Three semester hours credit.

BOT 1433 — BUSINESS ACCOUNTING — This course is designed to develop an understanding of recording, classifying, and summarizing business transactions and events with insight into interpreting and reporting the resulting effects upon the business. Three hours lecture. Three semester hours credit.

BOT 1513 — MACHINE TRANSCRIPTION — (Prerequisite: BOT-1143 Word Processing) This course is designed to teach transcription of a wide variety of business communications from machine dictation. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1613 — MEDICAL OFFICE TERMINOLOGY I — This course is a study of medical language relating to the various body systems including diseases, physical conditions, procedures, clinical specialties, and abbreviations. Emphasis is placed on correct spelling and pronunciation. Three hours lecture. Three semester hours credit.

BOT 1623 — MEDICAL OFFICE TERMINOLOGY II — (Prerequisite: BOT-1613) This course presents medical terminology pertaining to human anatomy in the context of body systems. The emphasis is directed toward medical terminology as it relates to medical office. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1713 — MECHANICS OF COMMUNICATION — This course is designed to develop the basic English competencies necessary for success in the business world. A study of the parts of speech, sentence structure, sentence types, capitalization, punctuation, and spelling is emphasized. Three hours lecture. Three semester hours credit.

BOT 1813 — ELECTRONIC SPREADSHEET — (Prerequisites: BOT-1313 Applied Business Math and BOT-1133 Microcomputer Applications, or by consent of the instructor). This course focuses on advanced applications of the electronic spreadsheet as an aid to management decision making. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2133 — DESKTOP PUBLISHING — (Prerequisite: BOT-1143 Word Processing Applications). This course presents graphic design techniques, principles of page layout and design, and electronic publishing terminology and applications to create a variety of documents such as flyers, brochures, newsletters, and business cards using advanced features of word processing. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2323 — DATABASE MANAGEMENT — (Prerequisites: BOT 1133-Microcomputer Applications and BOT 1413-Records Management). This course applies database concepts for designing and manipulating data

files and formatting output as complex documents and reports. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2413 — COMPUTERIZED ACCOUNTING — (Prerequisite: BOT1433-Business Accounting or ACC1213-Principles of Accounting) This course applies basic accounting principles using a computerized accounting system. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2523 — MEDICAL MACHINE TRANSCRIPTION I — (Prerequisites: BOT 1113-Documents Formatting & Production, BOT 1613- Medical Office Terminology I and BOT1623-Medical Office Terminology II). This course is designed to teach transcription of various medical documents. One hour lecture. Four hours lab. Three semester hours credit.

BOT 2533 — MEDICAL MACHINE TRANSCRIPTION II — (Prerequisite: BOT 2523-Medical Machine Transcription I). This course is designed to continue teaching transcription of various medical documents including dictation given by doctors with foreign accents and additional medical specialties. One hour lecture. Four hours lab. Three semester hours credit.

BOT 2663 — ADVANCED CODING — (Prerequisites: BOT 2773-CPT Coding, BOT 2783-ICD Coding). This course includes advanced analysis of diagnostic and procedural coding systems. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2673 — MEDICAL INSURANCE BILLING — (Prerequisites: BOT 2773-CPT Coding, and BOT 2783-ICD coding). This course is a culmination of skills and knowledge of appropriate procedures for generating, processing, and submitting health insurance claims to private and governmental health insurance programs. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2723 — ADMINISTRATIVE OFFICE PROCEDURES — (Prerequisite: BOT1143- Word Processing) This course will provide comprehensive coverage and integration of business skills and issues, develop critical thinking and problem-solving skills, and establish a foundation in business procedures. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2743 — MEDICAL OFFICE CONCEPTS — (Prerequisites: BOT 1113-Documents Formatting & Production, BOT 1413-Records Management) This course will provide coverage and integration of medical office skills and issues using knowledge of medical terminology. Problem solving will be emphasized. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2753 — MEDICAL INFORMATION MANAGEMENT — (Prerequisite: BOT 2743-Medical Office Concepts). This course will continue coverage of medical office issues with emphasis on health insurance filing. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2773 — CPT CODING — (Prerequisites: BOT1613-Medical Office Terminology I, BOT 1623-Medical Office Terminology II) This course is an introduction to the field of procedural coding and requirements for insurance reimbursement. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2783 — ICD CODING — (Prerequisites: BOT 1613-Medical Office Terminology I, BOT 1623-Medical Office Terminology II, or consent of instructor) This course is an introduction to the field of diagnostic coding. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2813 — BUSINESS COMMUNICATION — (Prerequisite: BOT 1713- Mechanics of Communication and BOT 1113-Documents Formatting and Production or by consent of instructor) This course develops communication skills with emphasis on principles of writing business correspondence and reports and preparing presentations using electronic media. Three hours lecture. Three semester hours credit.

BOT 2823 — COMMUNICATION TECHNOLOGY — (Prerequisite: Word Processing BOT-1143, or by consent of instructor) This course will present an overview of the resources available for communication using current technology. Three semester hours credit. Two hours lecture. Two hours lab.

BOT 2833 — INTEGRATED COMPUTER APPLICATIONS — (Prerequisites: Word Processing-BOT1143, Business Communication BOT-2813, Database Management-BOT2323, Electronic Spreadsheet BOT-1813, or by consent of instructor). This course integrates activities using application software including word processing, database, spreadsheet, graphics, and multimedia. Three semester hours credit. Two hours lecture. Two hours lab.

BOT 2913 — SUPERVISED WORK EXPERIENCE — (Prerequisites: Successful completion of at least 30 semester hours in the program and consent of the instructor.) This course provides related on-the-job training in an office environment. This training must include at least 135 clock hours. Three semester hours credit.

CHILD DEVELOPMENT TECHNOLOGY

CDT 1113 — EARLY CHILDHOOD PROFESSION — (Prerequisites: None) This course provides an introduction to the profession of early childhood, types of early childhood programs, and theories of child

development. Students are required to observe, assess, and record child behavior through laboratory experience. Room arrangements, software, play, and safety are explored. (This course was previously taught as CDT 1114, Child Care Profession) Two hours lecture. Two hours lab. Three semester hours credit.

CDT 1214 — CHILD DEVELOPMENT I — (Prerequisites: None) This course provides knowledge concerning the care and development of infants and toddlers in group settings. Practice is given in infant and toddler care giving in group settings through classroom laboratory. (This course was previously taught as CDT 1214, Infant and Toddler Development.) Three hours lecture. Two hours lab. Four semester hours credit.

CDT 1224 — CHILD DEVELOPMENT II — (Prerequisites: None) The cognitive, physical, and social developmental characteristics of young children (ages 3-8). (This course was previously taught as CDT 1224, Child Growth and Development) Three hours lecture. Two hours lab. Four semester hours credit.

CDT 1314 — CREATIVE ARTS FOR YOUNG CHILDREN — (Prerequisites: None) Planning and developing creative arts experiences for the young child. Lab activities with the children are implemented during Practicum I and II. (This course was previously taught as CDT 1313, Art for Preschool Children, and CDT 1323, Music/Movement for Preschool Children.) Four hours lecture. Four semester hours credit.

CDT 1343 — CHILD HEALTH AND SAFETY — (Prerequisites: None) Health and safety practices in the care and education of young children. Includes health and safety issues such as first aid, CPR, universal precautions, communicable diseases, and child abuse. (This course was previously taught as CDT 1514, Child Nutrition and Health Care.) Three hours lecture. Three semester hours credit.

CDT 1513 — NUTRITION FOR YOUNG CHILDREN — (Prerequisites: None) This course focuses on fundamental principles of child nutrition and the practical application of this knowledge in the selection of balanced diets. (This course was previously taught as CDT 1514, Child Nutrition and Health Care.) Three hours lecture. Three semester hours credit.

CDT 1713 — LANGUAGE AND LITERACY DEVELOPMENT FOR YOUNG CHILDREN — (Prerequisites: None) A study of language development and the implementation of a developmentally appropriate language arts curriculum for young children. (This course was previously taught as CDT 1333, Language Arts for Preschool Children.) Three hours lecture. Three semester hours credit.

CDT 2233 — GUIDING SOCIAL AND EMOTIONAL BEHAVIOR — (Prerequisites: None) Identifying and practicing effective techniques in guiding young children's behavior. Lab activities with the children are implemented during Practicum I and II. Three hours lecture. Three semester hours credit.

CDT 2413 — ATYPICAL CHILD DEVELOPMENT — (Prerequisites: CDT 1214 - Child Development I, CDT 1224 - Child Development II) This course provides information concerning growth and development, identification, intervention strategies, and management of atypical children. Legal, ethical, and legislative issues will be explored. Two hours lecture. Two hours lab. Three semester hours credit.

CDT 2613 — METHODS AND MATERIALS — (Prerequisites: CDT 1314 - Creative Arts for Young Children, CDT 1513 - Nutrition for Young Children) (Corequisites: CDT 1713 - Language and Literacy Development for Young Children, CDT 2714 - Social Studies, Math, and Science for Young Children.) Appropriate methods and materials for young children in a learning environment. Lab activities with the children are implemented during Technical Practicum I and II. Three hours lecture. Three semester hours credit.

CDT 2714 — SOCIAL STUDIES, MATH, AND SCIENCE FOR YOUNG CHILDREN — (Prerequisites: None) - Planning developmentally appropriate activities in social studies, math, and science for the young child. Lab activities with the children are implemented during Practicum I and II. (This course was previously taught as CDT 2713, Social Studies, Math, and Science for Preschool Children.) Four hour lecture. Four semester hours credit.

CDT 2813 — ADMINISTRATION OF PROGRAMS FOR YOUNG CHILDREN — (Prerequisites: First three semesters of core courses) - Development and administration of programs for young children to include an emphasis on evaluation of policies and procedures, organizational structure, and management. (This course was previously taught as CDT 2813, Administration of Preschool Programs.) Three hours lecture. Three semester hours credit.

CDT 2915 — PRACTICUM I — (Prerequisites: CDT 1314 - Creative Arts for Young Children, CDT 1513 - Nutrition for Young Children, CDT 1713 - Language and Literacy Development for Young Children, CDT 2613 - Methods and Materials.) (Corequisite: CDT 1343 - Child Health and Safety.) This course allows advanced early childhood students to implement knowledge and experience in preparing and implementing positive experiences for young children. Completion of the competencies provides opportunities for students to implement experiences planned in the prerequisites and ensures a balance of all curriculum areas. Not

all competencies will be achieved at the end of this course due to the variance that exists in the childhood settings used for student experiences. Other student competencies will be achieved and documented by the end of the two-year program of study. (This course was previously taught as CDT 2915, Technical Practicum I.) Ten hours lab. Five semester hours credit.

CDT 2925 — TECHNICAL PRACTICUM II — (Prerequisites: CDT 2233 - Guiding Social and Emotional Behavior, CDT 2613 - Methods and Materials, CDT 2714 - Social Studies, Math, and Science, and CDT 2915 - Practicum I) (Corequisite: CDT 2813 - Administration of Programs for Young Children) This course is a continuation of Practicum I, which allows advanced early childhood students to implement knowledge and experience in preparing and implementing positive experiences for young children. Completion of the competencies provides opportunities for students to implement experiences planned in the prerequisites and ensures a balance of all curriculum areas. All competencies will be achieved and documented by the completion of the two practicum courses. (This course was previously taught as CDT 2925, Technical Practicum II.) Ten lab hours. Five semester hours credit.

COMPUTER INFORMATION SYSTEMS TECHNOLOGY

CPT 1144 — PROGRAMMING DEVELOPMENT CONCEPTS — (Prerequisite: Database Design Fundamentals - CPT 1353). This course is an introduction to programming logic and computer systems. Students will gain hands-on experience in the development of computer programs. Three hours lecture. Two hours laboratory. Four semester credit hours.

CPT 1214 — VISUAL BASIC PROGRAMMING LANGUAGE — Introduces the student to object oriented programming and a graphical integrated development environment. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1224 — RPG PROGRAMMING LANGUAGE — (Prerequisite: Programming Development Concepts CPT 1144 or by permission of instructor). This course is designed to introduce the student to the RPG language for the creation of business applications. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1234 — COBOL PROGRAMMING LANGUAGE — (Prerequisite: Programming Development Concepts CPT 1144 or by permission of instructor). This course is designed to introduce the student to the COBOL language in business applications to include arithmetic operations, report editing, control break processing and table processing techniques. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1353 — DATABASE DESIGN FUNDAMENTALS — This course is a study of the design of databases. Additional emphasis is placed on creation, manipulation, extraction, and display of data from existing databases. Two hours lecture. Two hours laboratory. Three semester hours credit.

CPT 1324 — SURVEY OF MICROCOMPUTER APPLICATIONS — (Prerequisite: Operating Platforms CPT 1332) This course will introduce word processing, spreadsheet, and database management software with the integration of these applications. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1332 — OPERATION PLATFORMS — This course will provide experience in a variety of operating platforms. Emphasis will be placed on support personnel interaction with the platform to assist users in business environments. One hour lecture. Two hours laboratory. Two semester hours credit.

CPT 1414 — JAVA PROGRAMMING — (Prerequisite: Operating Platforms CPT 1332) Introduction to the Java Programming language to include sort, loops, arrays, Applets. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 1513 — INTERNET CONCEPTS — (Prerequisite: Operating Platforms CPT 1332) This course is an introduction to the Internet and its uses in the world of business. It includes basic and advanced features of the Internet, World Wide Web, browsers, list servers, and creating web pages. Upon completion of this course, students will be able to create a personalized home page and post it on the Internet, download files using a browser and an FTP program, and send e-mail messages. Two hour lecture. Two hours lab. Three semester hours credit.

CPT 2132 — CAREER DEVELOPMENT — (Prerequisite: Written Communications Elective). This course provides practical exercises in both the technical and social skills necessary for employment. Interpersonal skills, the job search process, and the importance of high standards of personal and professional relationships are stressed. One hour lecture. Two hours lab. Two semester hours credit.

CPT 2264 — ADVANCED RPG PROGRAMMING LANGUAGE — (Prerequisite: RPG Programming Language CPT 1224 and/or Programming Development Concepts CPT 1144). This course is a continuation of the RPG programming language. Emphasis is placed on advanced table processing, file maintenance, and interactive programming. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 2274 — ADVANCED COBOL PROGRAMMING — (Prerequisite: COBOL Programming Language CPT 1234) This course is a continuation in the study of COBOL. Emphasis is placed on advanced table processing, file maintenance, and interactive programming. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 2354 — SYSTEMS ANALYSIS AND DESIGN — (Prerequisite: Advanced RPG Programming CPT 2264). This course introduces techniques used in system analysis and design. Emphasis will be placed on the design, development, and implementation of an information system. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 2373 — NETWORK FUNDAMENTALS — (Prerequisite: Operating Platforms CPT 1332) This course focuses on the fundamentals of computer networking. Two hours lecture. Two hours lab. Three semester hours credit.

CPT 292(1-6) — SUPERVISED WORK EXPERIENCE IN COMPUTER INFORMATION SYSTEMS TECHNOLOGY — A course which is a cooperative program between industry and education and is designed to integrate studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours.

COMPUTER NETWORK SUPPORT TECHNOLOGY

CNT 1413 — FUNDAMENTALS OF DATA COMMUNICATIONS — This course presents basic concepts of telephony, local area networks, wide area networks, data transmission, and topology methods. Two hours lecture, two hours laboratory, three semester hours credit.

CNT 1513 — INTERNET CONCEPTS — (Corequisite: CPT 1332) This course is an introduction to the Internet and its uses in the world of business. It includes basic and advanced features of the Internet, World Wide Web, gophers, list servers, and creating web pages. Upon completion of this course, students will be able to create a personalized home page and post it on the Internet, download files using browser and an FTP program, and send e-mail messages. Two hours lecture, two hours laboratory, three semester hours credit.

CNT 1523 — NETWORK COMPONENTS — (Prerequisite: CNT 1413 Fundamentals of Data Communications) - This course presents local area network and wide area network connectivity. It focuses on architectures, topologies, protocols, and transport methods of a network. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 1614 — NETWORKING ADMINISTRATION USING NOVELL — (Corequisite: CNT 1413 Fundamentals of Data Communications,

CPT 1332 Operating Platforms) This course focuses on the management of a computer network using the Novell network operating systems. Emphasis will be placed on daily administrative tasks performed by a network administrator. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 1624 — NETWORK ADMINISTRATION USING MICROSOFT SERVER — (Pre/Corequisites: CNT 1413 Fundamentals of Data Communications and CPT 1332 Operating Platforms) This course focuses on the management of a computer network using the Microsoft Windows Server network operating system. Emphasis will be placed on daily administrative tasks performed by a network administrator. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 1654 — NETWORK ADMINISTRATION USING LINUX — (Corequisites: CNT 1413 Fundamentals of Data Communication, CPT 1332 Operating Platforms) This course focuses on the management of a computer network using the Linux operating system. Emphasis is placed on installation, configuration, implementation, and administrative tasks of a functional server.

CNT 2423 — SYSTEM MAINTENANCE — (Prerequisite: CPT 1332 Operating Platforms) This course covers the diagnosis, trouble-shooting and maintenance of computer components. Topics include hardware compatibility, system architecture, memory, input devices, video displays, disk drives, modems, and printers. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 2533 — NETWORK PLANNING AND DESIGN — (Prerequisite: CNT 1614 Network Administration Using Novell; CNT 1624 Network Administration Using Microsoft Server; CNT 1523 Network Components) This course involves applying concepts in planning and designing a functioning network. Emphasis is placed on recognizing the need for a network, conducting analysis, and designing a solution. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 2544 — PROJECT MANAGEMENT — (Prerequisite: CNT 2532 Network Planning and Design) This course is the culmination of all concepts learned in the network curriculum. Topics include planning, installation, evaluation, and maintenance of a network solution. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2634 — ADVANCED NETWORK ADMINISTRATION USING NOVELL — (Prerequisite: CNT 1614 Networking Administration Using Novell) This course is a continuation of Network Administration Using Novell. Emphasis is placed on installation, configuration, and implementation of a Novell Network. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2644 — ADVANCED NETWORK ADMINISTRATION USING MICROSOFT WINDOWS SERVER — (Prerequisites: CNT 1413 Fundamentals of Data Communications, CNT 1624 Network Administration Using Microsoft Server) This course is a continuation of Network Administration Using Microsoft Windows Server. Emphasis is placed on installation, configuration, and implementation of a function server. Two hours lecture, four hours laboratory, four semester credit hours.

WAN 1413 — COMMUNICATION HARDWARE — This course is an introduction to communication hardware and its uses in wide area networks. Topics include modems, CSU/DSU, multiplexers, wireless transceivers, and satellites. Three semester hours credit.

WAN 2313 — SURVEY OF NETWORK ELECTRONICS — This course is designed to provide the student concepts of electronics. Topics include DC and AC fundamentals, radio frequency interference, instrument and test equipment familiarization, and terminology. Three semester hours credit.

WAN 2524 — PROTOCOLS — (Prerequisite: NETWORK COMPONENTS — CNT 1524) Topics include IGRP, IPX, X.25, XNS, DECnet, AppleTalk, HDLC, LAPB, SDLC, SNA, ATM, Frame Relay, FDDI, and SONET. Laboratory topics include implementation of protocols, router configuration, and usage of a protocol analyzer. Four semester hours credit.

WAN 2623 — ROUTER CONFIGURATION (Co-requisite: PROTOCOLS — WAN 2524) — This emphasizes the configuration of a production router. Topics include VLSM, Frame Relay, Tunneling, and VPN. Three semester hours credit.

WAN 2633 — ADVANCED ROUTER CONFIGURATION AND SECURITY (Prerequisite: PROTOCOLS — WAN 2524) AND ROUTER CONFIGURATION — WAN 2623) — This course emphasizes advanced configuration techniques used with routers, focusing on the topics needed to implement, secure, maintain and expand routers and routing on your network. Topics include scalable routing protocols, methods to manage IP traffic using access lists, traffic management and router/network security. Three semester hours credit.

WAN 2713 — WAN MANAGEMENT (Prerequisites: PROTOCOLS — WAN 2524) — This course discusses planning, monitoring, trends, thresholds, and utilization statistics for wide area networks. Three semester hours credit.

WAN 2723 — WAN DESIGN (Prerequisites: NETWORK COMPONENTS — CNT 1524) — This course involves applying concepts in planning and designing a functioning WAN. Emphasis is placed on recognizing

needs, conducting analysis, and designing solutions. Three semester hours credit.

WORK-BASED LEARNING IN COMPUTER INFORMATION SYSTEMS TECHNOLOGY — Direct application of concepts, terminology, and theory of computer information systems technology. Students must be employed in a work environment where they will have to solve problems as encountered in industry. One semester credit hour.

DRAFTING AND DESIGN TECHNOLOGY

DDT 1114 — FUNDAMENTALS OF DRAFTING — This course is designed to give the drafting major the background needed for all other drafting courses. Emphasis is placed upon maintaining correct techniques while developing speed. Two hours lecture, four hours laboratory. Four semester hours credit.

DDT 1133 — MACHINE DRAFTING I — (Prerequisite: Fundamentals of Drafting.) This course emphasizes methods, techniques and procedure in presenting screws, bolts, rivets, springs, thread types, symbols for welding, materials, finish and heat treatment rotation, working order preparation, routing and other drafting room procedures. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 1213 — CONSTRUCTION MATERIALS — A course designed to familiarize the student with the physical properties of the materials generally used in the erection of structures, with a brief description of their manufacturer. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1313 — PRINCIPLES OF CAD — This course will use the CAD system to design and draw various problems in the architectural, mechanical and civil drafting areas. Emphasis will be placed on the operations of the CAD system to solve these problems. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1323 — INTERMEDIATE CAD — (Prerequisite: Principles of CAD). This course is designed as a continuation of Principles of CAD. Subject areas will include dimensions, sectional views, and symbols. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1413 — ELEMENTARY SURVEYING — A basic course in surveying dealing with the principles of geometry, theory and use of instruments, mathematical calculations, and the control and reduction of errors. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 1613 — ARCHITECTURAL DESIGN I — (Prerequisite: Fundamentals of Drafting). This course includes principles and practices of modern

design, requiring working drawings and solutions, typical construction details and specifications for residential construction. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2163 — MACHINE DRAFTING II — (Prerequisite: Machine Drafting I). A continuation of Machine Drafting I with emphasis on advanced techniques and knowledge employed in the planning of mechanical objects. Includes instruction in the use of tolerancing and dimensioning techniques. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 2233 — STRUCTURAL DRAFTING — (Prerequisite: Fundamentals of Drafting & Principles of CAD). This course will introduce the drafting major to structural sections, terms and conventional abbreviations, and symbols used by structural fabricators and erectors. Knowledge is gained in the use of A.I.S.C. Handbook. Problems are studied that involve structural designing and drawing of beams, columns, connections, trusses and bracing. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2243 — COST ESTIMATING — This course includes preparation of material lists and quantity surveys from actual working drawings and specifications. Two hours lecture and two hours laboratory. Three semester hours credit.

DDT 2343 — ADVANCED CAD — (Prerequisite: Intermediate CAD). This is an advanced course in the use of CAD software with emphasis on producing drawings. Emphasis is placed on attributes, slide shows, the user coordinate system, 3-D faces, and solid modeling. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2423 — MAPPING AND TOPOGRAPHY LAB — (Prerequisite: Elementary Surveying and Intermediate CAD). This laboratory setting will allow the drafting major to apply selected drafting techniques to the problem of making maps, traverses, plot plans, plan and profile drawings using maps, field survey data, aerial photographs and related references, materials including symbols, notations, and other applicable standardized materials. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 2443 — ADVANCED SURVEYING — (Prerequisite: Elementary Surveying) This course provides the student with practical applications in land surveying, methods of boundary locations, and land descriptions in accordance with original surveys and resurveys. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2623 — ARCHITECTURAL DESIGN II — (Prerequisite: Architectural Design I and Intermediate CAD). This course emphasizes standard procedures and working drawings. Details involving architectural, mechanical, electrical, and structural drawings are covered, along with presentation of drawings and computer aided design assignments. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2911-2913 — SPECIAL PROJECT (DRAFTING) — (Prerequisite: Consent of Instructor). This course is designed to provide the student with practical application of skills and knowledge gained in other drafting courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two six hours laboratory. One to three semester hours credit.

DDT 1313 — GRAPHIC COMMUNICATION — This course is a study of the fundamentals of the graphic language used by engineers. Through theory and application, students will develop the visualization and computerized drafting skills necessary for later courses in engineering once employed. One hour lecture, four hours laboratory. Three semester hours credit.

ELECTRICAL TECHNOLOGY

ELT 1102 — FUNDAMENTALS OF ELECTRICITY — This is a basic course designed to provide fundamental skills associated with all electrical courses. It includes safety, basic tools, special tools, equipment, and introduction to simple AC and DC circuits. One hour lecture. Two hours lab. Two semester hours credit.

ELT 1113 — RESIDENTIAL/LIGHT COMMERCIAL WIRING — (Prerequisite: Fundamentals of Electricity, ELT 1102 or equivalent). A course to provide advanced skills related to the wiring of multi-family and small commercial buildings. Includes instruction and practice in service entrance installation, specialized circuits, and use of commercial raceways. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1123 — COMMERCIAL AND INDUSTRIAL WIRING — (Prerequisite: Fundamentals of Electricity, ELT 1102 or equivalent). A course to provide instruction and practice in the installation of commercial electrical service including the types and uses of conduits and other raceways. NEC code requirements, and three phase distribution networks. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1213 — ELECTRICAL POWER — (Pre/corequisite: Fundamentals of Electricity, ELT 1102 or equivalent). A course to provide skills related to electrical motors and their installation. Includes instruction and practice in using the different types of motors, transformers and alternators. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1223 — MOTOR MAINTENANCE AND TROUBLESHOOTING — (Prerequisite: Fundamentals of Electricity ELT 1102 or equivalent). A course to familiarize the students with the principles and practice of electrical motor repair. Includes instruction and practice in the disassembly / assembly and preventive maintenance of common electrical motors. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1263 — BLUEPRINT READING/PLANNING THE RESIDENTIAL INSTALLATION — This course provides knowledge of architectural symbols and electric symbols needed to read blueprints. All elevations and various plans associated with electrical wiring will be studied. Blank blueprints will be provided and a list of all appliances and their amperage will be supplied. The blanks will be filled with receptacles, switches, and lighting outlets as required by NEC. Circuit layouts for all switching will be demonstrated. All branch circuits will be plotted on the blueprint. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1273 — SWITCHING CIRCUITS FOR RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL APPLICATION — This course is designed to introduce the student to the various methods by which single pole, 3-way, and 4-way switches are used in residential, commercial, and industrial installations. This course also includes the installation and operation of low voltage, remote control switching. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1413 — MOTOR CONTROL SYSTEMS — (Prerequisite: Fundamentals of Electricity, ELT 1102 or equivalent). A course in the installation of the different motor control circuits and devices. Emphasis is placed on developing student's ability to diagram, wire and troubleshoot the different circuits and mechanical control devices. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 2424 — SOLID STATE MOTOR CONTROL — (Prerequisite: Motor Control Systems, ELT 1413). A course to introduce the students to the principles of solid state motor control. Includes instruction and practice in the design and installation of different solid state devices for motor control. Two hours lecture. Four hours lab. Four semester hours credit.

ELT 2613 — PROGRAMMABLE LOGIC CONTROLLERS — (Prerequisite: Motor Control Systems, ELT 1413 or EET 1324 Microprocessors). A course to provide instruction and practice in the use of programmable logic controllers (PLC's) in modern industrial settings. Includes instruction in the operating principles of PLC's and practice in the programming, installation, and maintenance of PLC's. Three hours lecture. Two hours lab. Three semester hours credit.

ELT 291 (1-3) — SPECIAL PROJECT — (Prerequisite: Consent of Instructor). Practical application of skills and knowledge gained in other electronics or electronics-related technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two to six hours lab. One to three semester hours credit.

ELECTRONICS TECHNOLOGY

EET 1192 — FUNDAMENTALS OF ELECTRONICS — This course is designed to provide fundamental skills associated with all electronics courses. This course includes safety, bread boarding, use of calculator, test equipment familiarization, soldering, electronic symbols, and terminology. One hour lecture. Two hours lab. Two semester hours credit.

EET 1114 — DC CIRCUITS — (Prerequisite: Fundamentals of Electronics, EET 1192 or Fundamentals of Electricity ELT 1192). This course is designed for students to know the principles and theories associated with DC circuits. This course includes the study of electrical circuits, laws, and formulae and the use of test equipment to analyze DC circuits. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1123 — AC CIRCUITS — (Prerequisite: DC Circuits, EET 1114). This course is designed to provide the students with the principles and theories associated with AC circuits. This course includes the study of electrical circuits, laws and formulae, and the use of test equipment to analyze AC circuits. Two hours lecture. Two hours lab. Three semester hours credit.

EET 1214 — DIGITAL ELECTRONICS — A course designed to introduce the student to number systems, basic gates and truth tables, logic circuits, latches and flip-flops, counters, registers, memory devices, combination logic circuits, Boolean algebra, and a basic computer system. Three hours lecture. Two hours lab. Four semester hours credit.

EET 1334 — SOLID STATE DEVICES AND CIRCUITS — (Prerequisite: AC Circuits, EET 1123). A course designed to provide familiarization with state of the art active devices and their applications in the control and manipulation of electricity to make it work for man's benefit. This includes the study of P-N junction and P-N junction devices. Uni Polar, Bipolar and Hybrid, their circuit applications and troubleshooting with emphasis on low frequency. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1324 — MICROPROCESSORS — (Prerequisite: Digital Electronics (EET 1214). A course designed to provide student with skills and knowledge of microprocessor architecture, data and control functions,

operational codes, instruction sets, machine and assembly language, timing, interfacing, and other hardware applications associated with microprocessor systems. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1614 — COMPUTER FUNDAMENTALS FOR ELECTRICAL/ELECTRONICS — Basic computer science as used in electrical/electronic area. Computer nomenclature, logic, numbering systems, coding and operating system commands are covered. Detail test equipment description and operation for oscilloscope, function generator, and digital meters. Two hours lecture. Four hours lab. Four semester hours credit.

EET 2335 — LINEAR INTEGRATED CIRCUITS — (Prerequisite: Solid State Devices and Circuits (EET 1334). Accurse designed to provide students with knowledge and application skills of linear integrated devices. Includes general purpose and dedicated devices. Operational amplifiers, active filters, voltage regulators, timers, VCO's, phase lock loops and other devices will be covered along with their applications. Advanced soldering techniques shall be taught in accordance with industry standards. Four hours lab. Five semester hours credit.

EET 2414 — ELECTRONICS COMMUNICATION — (Prerequisite: Digital Electronics (EET 1214). A course designed to provide the student with the concepts and skills related to analog and digital communications. Includes modulation techniques, transmission, reception, formats, encoding, encryption, protocols, modem etc. Also includes standard interface methods. Two hours lecture. Four hours lab. Four semester hours credit.

EET 2514 — INTERFACING TECHNIQUES — (Prerequisite: Microprocessors (EET 1324). A study of data acquisition devices and systems including their interface to microprocessors and other control systems. Also local area networks (LANS) and their functions are covered. Two hours lecture. Four hours lab. Four semester hours credit.

CST 2113 — COMPUTER SERVICING LAB I — (Prerequisite: Microprocessors EET 1324) Fundamentals of computer servicing. Includes configuration, test equipment usage, basic disassembly and assembly methods, preliminary tests and diagnostics, schematic interpretation, and building cables. Six hours lab. Three semester hours credit.

CST 2123 — COMPUTER SERVICING LAB II — (Prerequisite: Computer Servicing Lab I CST 2113) Continuation of Computer Servicing Lab I (CST 2113) with increased emphasis on system analysis and diagnosis of board and component failures. Emphasis on laboratory experience with computer repair. Six hours lab. Three semester hours credit.

EET 2911 — SPECIAL PROJECTS — (Prerequisite: Instructor approved) This course is designed to provide practical application of skills and knowledge gained in other technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two hours lab. One semester hour credit.

HEATING AND AIR CONDITIONING TECHNOLOGY

ACT 1124 — BASIC COMPRESSION REFRIGERATION — An introduction to the field of refrigeration and air conditioning. Emphasis is placed on the principles of safety, thermodynamics, and heat transfer. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 1133 — TOOLS AND PIPING — Various tools and pipe connection techniques. Covers tools and test equipment required in heating, ventilation, air conditioning and refrigeration. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1213 — CONTROLS — Fundamentals of gas, fluid, electrical and programmable controls. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1313 — REFRIGERATION SYSTEM COMPONENTS — An in-depth study of the components and accessories of a sealed system including metering devices, evaporators, compressors and condensers. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1432 — REFRIGERANT RECOVERY AND LUBRICANTS — Practical applications of refrigerants and lubricants according to the EPA standards. Includes recovery, recycling and disposal. Two semester hours credit. One hour lecture. Two hours lab.

ACT 1713 — ELECTRICITY FOR HEATING, VENTILATION, AIR CONDITIONING AND REFRIGERATION — Basic knowledge of electricity, power distribution, components, solid state devices and electrical circuits. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1812 — PROFESSIONAL SERVICES PROCEDURES — Business ethics necessary to work with both the employer and customer. Includes resume, record keeping, and services contracts. Two semester hours credit. One hour lecture. Two hours lab.

ACT 2324 — COMMERCIAL REFRIGERATION — A study of various commercial refrigeration systems. It includes installation, servicing and

maintaining systems. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 2414 — AIR CONDITIONING I — Various types of residential and commercial air conditioning, including hydronic, absorption and desiccant systems. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 2424 — AIR CONDITIONING II — An in-depth course in the installation, start-up, maintenance and air quality of complete heating and air conditioning systems. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 2433 — REFRIGERANT, RETROFIT AND REGULATIONS — Regulations and standards for new retrofit and government regulations. Includes OSHA regulations, EPA regulations, local and state codes. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 2513 — HEATING SYSTEMS — Various types of residential and commercial heating systems. Includes gas, oil, electric, compression and hydroponic heating systems. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 2624 — HEAT LOAD AND AIR PROPERTIES — Introduction to heat load calculations for residential and light commercial heating, ventilation, air conditioning and refrigeration systems. Included are air distribution, duct sizing selection of grills and register, types of fans, air velocity and fan performance. An introduction is provided to air testing instruments and computer usage. Four semester hours credit. Two hours lecture. Four hours lab.

HOTEL AND RESTAURANT MANAGEMENT TECHNOLOGY

CUT 1134 — PRINCIPLES OF BAKING — Fundamentals of baking science, terminology, ingredients, weights and measures, and formula conversion and storage. Students will prepare yeast goods, pies, cakes, cookies, and quick breads, and use and care for equipment.

HRT 1114 — CULINARY PRINCIPLES I — Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Four semester hours credit. Two hours lecture. Four hours lab.

HRT 1123 — HOSPITALITY AND TOURISM INDUSTRY — An introduction to the hospitality and tourism industry. Discussions and industry observations to discover the opportunities, trends, problems, and organizations in the field. Three semester hours credit.

HRT 1213 — SANITATION AND SAFETY — Basic principles of microbiology, sanitation, and safety for a food service operation. The course studies the implementation of sanitation procedures, cost control, risk reduction standards in a hospitality operation. Three semester hours credit.

HRT 1224 — RESTAURANT AND CATERING OPERATIONS — Principles of organizing and managing a food and beverage operation. Four semester hours credit.

HRT 1413 — ROOMS DIVISION MANAGEMENT — An operational approach to rooms division management in the hospitality industry including front office management and housekeeping operations. Three semester hours credit.

HRT 1511 — HOSPITALITY SEMINAR — Leadership and management skills necessary for success in hospitality and tourism management. The course addresses computer based management systems. One semester hour credit.

HRT 1813 — THE PROFESSIONAL TOUR GUIDE — Activities associated with organizing, booking, and conducting group tours. Three semester hours credit.

HRT 1823 — THE TRAVEL AGENCY — A detailed exploration of travel agency operation to include physical structure, staffing needs, client needs, legal implications, interaction with travel and lodging, and accreditation. Three semester hours credit.

HRT 1833 — TRAVEL AND TOURISM GEOGRAPHY — Location, currency, port of entry, and form of governments in various countries around the world. Exercises involve itinerary planning, knowledge of time zones, and familiarity with the countries' natural, cultural, and entertainment attractions. Three semester hours credit.

HRT 2233 — FOOD AND BEVERAGE CONTROL — Principles and procedures involved in an effective food and beverage control system, including standards determination, the operating budget, cost-volume-profit analysis, income and cost control, menu pricing, labor cost control, and computer applications. Three semester hours credit.

HRT 2323 — HOSPITALITY FACILITIES MANAGEMENT AND DESIGN — Design and manage the physical plant of a hotel or restaurant and work effectively with the engineering and maintenance department. Three semester hours credit.

HRT 2423 — SECURITY MANAGEMENT — Issues surrounding the need for individualized security programs. Examines a variety of security

equipment and procedures and discusses internal security for food service and lodging operations. This course provides awareness of the rights and responsibilities that the law grants to or imposes upon a hotelier and consequences of failure to satisfy legal obligations. Three semester hours credit.

HRT 2613 – HOSPITALITY SUPERVISION – Supervisory skills in leadership styles, communication skills, motivational techniques, employee training techniques, and evaluation methods. Three semester hours credit.

HRT 2623 – HOSPITALITY MANAGEMENT – Principles of hospitality human resource management with an emphasis placed on the study of human behavior and human relations in the hospitality industry. Three semester hours credit.

HRT 2713 – MARKETING HOSPITALITY SERVICES – This course covers the application of marketing methodologies and terms to the hospitality and tourism industry, the use of sales techniques for selling to targeted markets, and developing marketing plans for hospitality and tourism operations. Three semester hours credit.

HRT 2843 – SEMINAR IN TRAVEL AND TOURISM – Simulations of activities related to travel and tourism including reservation tasks and services. Three semester hours credit.

HRT 2853 – CONVENTION AND MEETING PLANNING – Planning, promotion, and management of meetings, conventions, expositions, and events. Three semester hours credit.

HRT 2863 – TOURISM PLANNING AND DEVELOPMENT – This course is designed to provide the knowledge to plan and implement the marketing and management of special events and tourism events. Three semester hours credit.

INDUSTRIAL MAINTENANCE TECHNOLOGY

IMM 1111 – INDUSTRIAL MAINTENANCE SAFETY – General safety practices, personal safety, electrical safety practices, and power equipment safety. One semester hour credit.

IMM 1122 – INDUSTRIAL MAINTENANCE MATH AND MEASUREMENT – Mathematical and measurement procedures and instruments related to industrial maintenance. Two semester hours credit.

IMM 1132 – INDUSTRIAL MAINTENANCE BLUEPRINT READING – Blueprints, schematics, and plans used in industrial maintenance including instruction in nomenclature, different views, and symbols and notations. Two semester hours credit.

IMM 1213 – INDUSTRIAL HAND TOOLS AND MECHANICAL COMPONENTS – Safe and proper use of hand tools and mechanical components commonly used by industrial maintenance mechanics and technicians. Includes instruction in the selection, use, and care of common hand tools and in the identification and maintenance of mechanical components such as belts and pulleys, chains and sprockets, and bearings and seals used to transmit mechanical power. Three semester hours credit.

IMM 1224 – POWER TOOL APPLICATIONS – Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, cut-off saws, and drill presses. Four semester hours credit.

IMM 1235 – PRECISION MACHINING OPERATIONS – Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, metal saw, drill presses, engine lathes, and milling machines. Five semester hours credit.

IMM 1314 – PRINCIPLES OF HYDRAULICS AND PNEUMATICS – Instruction in basic principles of hydraulics and pneumatics, and the inspection, maintenance, and repair of hydraulic and pneumatic systems. Four semester hours credit.

IMM 1415 – PUMP AND VALVE OPERATIONS – Instruction on the different types of pumps and valves used in industry and their disassembly, inspection, and repair/replacement. Five semester hours credit.

IMM 1515 – EQUIPMENT INSTALLATION AND ALIGNMENT – Instruction in pre-installation checks, assembly, location and layout of equipment, preparation of foundations and anchoring procedures, rigging and hoisting, and alignment and initial setup of equipment. Five semester hours credit.

IMM 1524 – PREVENTIVE MAINTENANCE AND SERVICE OF EQUIPMENT – Instruction in basic maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. Four semester hours credit.

IMM 1615 – PRINCIPLES OF PIPING AND HYDRO-TESTING – Instruction on basic principles of piping and pipe fitting, basic pipe fitting procedures, and basic hydro-testing of pipe systems. Five semester hours credit.

IMM 1713 – METHODS OF LAYOUT – Layout and development of various sheet metal problems using the principles of parallel line and triangulation development. Three semester hours credit.

IMM 1723 – STRUCTURAL REPAIR – Estimating and making repairs of wood, metal, and masonry structures. Three semester hours credit.

IMM 1734 – MAINTENANCE WELDING AND METALS – Instruction in different metals and their properties, and in basic SMAW welding and oxy-fuel cutting and brazing. Four semester hours credit.

IMM 1813 – INDUSTRIAL ELECTRICITY FOR INDUSTRIAL MAINTENANCE MECHANICS – Instruction in terminology and basic principles of electricity, use of test equipment, safety practices for working around and with electricity, and basic electrical procedures. Three semester hours credit.

IMM 1823 – ADVANCED INDUSTRIAL ELECTRICITY FOR INDUSTRIAL MAINTENANCE MECHANICS – Advanced skills and knowledge associated with electrical systems in an industrial setting. Content includes instruction in the National Electrical Code, electrical circuits, motors, and estimating expenses for a given project. Three semester hours credit.

IMM 2114 – EQUIPMENT MAINTENANCE, TROUBLESHOOTING, AND REPAIR – Maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. Four semester hours credit.

IMM 191 (1-3) – SPECIAL PROJECT IN INDUSTRIAL MAINTENANCE MECHANICS – Practical applications of skills and knowledge gained in other Industrial Maintenance Mechanics courses. The instructor works closely with the student to insure that selection of a special project enhances the student's learning experiences. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours. One to three semester hours credit.

MACHINE SHOP TECHNOLOGY

MST 1115 — POWER MACHINERY I — A course in the operation of power machinery. Includes instruction and practice in the operation of lathes, drill presses, and vertical mills. Five semester hours credit. Two hours lecture. Six hours lab.

MST 1125 — POWER MACHINERY II — (Prerequisite: Power Machinery I, MST 1115) A continuation of Power Machinery I with emphasis on more advanced applications of lathes, mills, shapers, and precision grinders. Five semester hours credit. Two hours lecture. Six hours lab.

MST 1313 — MACHINE TOOL MATHEMATICS — An applied mathematics course designed for machinists. Includes instruction and practice in algebraic and trigonometric operations essential for successful machining. Three semester hours credit. Two hours lecture. Two hours lab.

MST 1413 — BLUEPRINT READING — A course in blueprint reading designed for machinists. Includes instruction and practice in reading industrial blueprints. Three semester hours credit. Two hours lecture. Two hours lab.

MST 1423 — ADVANCED BLUEPRINT READING — (Prerequisite: Blueprint Reading (MST 1413). A continuation of Blueprint Reading with emphasis on advanced feature of technical prints. Includes instruction on the identification of various projections and views and on different assembly components. Three semester hours credit. Two hours lecture. Two hours lab.

MST 1613 — PRECISION LAYOUT — An introduction to the concepts and practice of precision layout for machining operations. Includes instruction and practice in the use of layout instruments. Three semester hours credit. Two hours lecture. Two hours lab.

MST 2135 — POWER MACHINERY III — (Prerequisite: Power Machinery II, MST 1124). A continuation of the Power Machinery II course with emphasis on advanced applications of the engine lathe, milling machine, and grinding machine. Five semester hours credit. Two hours lecture. Six hours lab.

MST 2144 — POWER MACHINERY IV — (Prerequisites: Power Machinery III, MST 2135). A continuation of Power Machinery III with emphasis on advanced operations of the radial arm drill, milling machine, engine lathe, and precision grinder. Four semester hours credit. Two hours lecture. Four hours lab.

MST 2714 — COMPUTER NUMERICAL CONTROL OPERATIONS I — An introduction to the application of computer numerical control (CNC) and computer assisted manufacturing (CAM) techniques and practices. Includes instruction and practice related to the use of the Cartesian coordinate system, programming codes and commands and tooling requirements for CNC/CAM machines. Four semester hours credit. Three hours lecture. Two hours lab.

MST 2725 — COMPUTER NUMERICAL CONTROL OPERATIONS II — (Pre/corequisite: Computer Numerical Control Operations I, MST 2714). A continuation of Computer Numerical Control Operations I. Includes instruction in writing and editing CNC programs, machine setup and operation, and use of CAM equipment to program and operate

CNC machines. Five semester hours credit. Two hours lecture. Six hours lab. MST 2813 — METALLURGY — An introduction to the concepts of metallurgy. Includes instruction and practice in metal identification, heat treatment, and hardness testing. Three semester hours credit. Two hours lecture. Two hours lab.

WORK-BASED LEARNING

WBL 191(1-3), 192(1-3), 291(1-3) & 292(1-3) — WORK-BASED LEARNING

— The Work-Based Learning course is designed for students enrolled in career-technical programs and employed in parallel workplace environments for a minimum of 15 hours per week. Course content is based upon a model course curriculum, defined workplace requirements, and specific objectives addressing competent workplace performance. Three semester hours credit based upon 270 approved contact hours of work experience.

TECHNICAL EVENING CLASSES

Regular college courses are offered on campus during the day and evenings and off campus in the evening at various locations in the college district including Carthage, Forest, Louisville, Morton, Philadelphia, and the Choctaw Hospitality Institute near Philadelphia. The same instructional standards are maintained and the same tuition and fees apply as stated in the catalog for campus day students.

SPECIAL POPULATIONS SUPPORT SERVICES

The Test of Adult Basic Education (TABE) will be administered to all Career students upon entering school. Results from this test will be used to identify students that need help in Reading, Math and Language. Any student needing help in these areas will be assigned to the Special Population Support Services Center for three hours per week until he/she achieves the functioning level needed to receive full value of the education he/she is pursuing.

The following entrance and exit criteria will be followed:

1. Technical students who are recommended for Developmental Mathematics (through the Assessment Process) will be scheduled for the Support Services program.
2. Technical students who are recommended for Developmental English or Reading (through the Assessment Process) will be scheduled for the Support Services program.

3. Career students will remain in the Support Services program until they score at the 10th grade level on the TABE test in mathematics, reading, or in both areas if they were assigned Support Services Center in both areas.
4. Career students will be allowed to exit the Support Services program by scoring at the 10th grade level on the TABE test in mathematics, reading, or in both areas if they were assigned to the Support Services Center in both areas.
5. After completing course requirements and exiting the mathematics portion of Support Services program, technical students will schedule Developmental Algebra, if needed, or Intermediate Algebra.
6. After completing course requirements and exiting the reading/language portion of the Support Services program, technical students will schedule Developmental English (if needed) or English Composition I.

CARPENTRY AND CABINET MAKING

CAV 1115 — PLANS, SPECIFICATIONS & FOUNDATIONS — Study of plans in residential construction and specifications. Practical work experience in layout, installing batter boards, and the placing of foundation members. One hundred fifty clock hours. Five semester hours.

CAV 1128 — CABINET CONSTRUCTION — Theory and practical work experience in blueprint reading, safety, measuring in a wide range of cabinets, cabinet layout, materials, cabinet framing and shelf construction. Two hundred forty clock hours. Eight semester hours.

CAV 1215 — FLOOR, WALL, CEILING, ROOF FRAMING & ROOFING — Theory and practical work in actual framing of floors, walls, ceiling and roofs, and actual installation of roofing materials. One hundred fifty clock hours. Five semester hours.

CAV 1225 — HARDWARE, TRIM & LAMINATES — Theory and work experience in selection of correct hardware and installation of hardware and trim, and installation of plastic laminates. One hundred fifty clock hours. Five semester hours.

CAV 1317 — INSULATION, EXTERIOR AND INTERIOR FINISHING & COORDINATING — Theory and practical work experience in sound and thermo insulation, interior and exterior buildings dealing with walls, trim, floors, cabinets, doors, windows and exterior trim. Also, steps to follow in coordinating other work such as plumbing, electrical, heating and cooling, etc. Two hundred ten clock hours. Seven semester hours.

CAV 1324 — CABINET FINISHING — Theory and practical experience in sanding, preparing and finishing cabinets. One hundred twenty clock hours. Four semester hours.

CAV 2134 — BLUEPRINT READING, SPECIFICATIONS, CODES AND FOUNDATION — Theory and study of blueprint reading, specifications and codes. Actual work experience in laying out foundations, setting grade stakes, and placing of reinforcement steel. One hundred twenty clock hours. Four semester hours.

CAV 2148 — CABINET CONSTRUCTION TECHNIQUES — Theory and practical experience in actual cabinet construction with emphasis being put on different styles and techniques. Two hundred forty clock hours. Eight semester hours.

CAV 2235 — TECHNIQUES IN FRAMING & ROOFING — Theory and work experience in all parts of residential framing and actual installation of sheathing and roofing material. One hundred fifty clock hours. Five semester hours.

CAV 2245 — LAMINATE APPLICATION, TRIM AND HARDWARE — Theory and practical work experience in proper selection of hardware and trims. Installation of plastic laminates. One hundred fifty clock hours. Five semester hours.

CAV 2338 — EXTERIOR & INTERIOR FINISHING, INSULATION & COORDINATING — Theory and work experience in all types of insulation, siding, wall covering, and trim work plus the study of permits and coordinating building activities with other tradesmen. Two hundred forty clock hours. Eight semester hours.

CAV 2344 — CABINET FINISHING — Theory and practical experience in sanding, preparing and finishing cabinets. One hundred twenty clock hours. Four semester hours.

COSMETOLOGY

COV 1122 — COSMETOLOGY ORIENTATION — This course will cover the history, career opportunities, life skills, professional image, Mississippi Cosmetology laws, rules and regulations and communicating for success in the cosmetology industry. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. Two hours lecture.

COV 1245 — COSMETOLOGY SCIENCES I — This course consists of the study of bacteriology, sterilization and sanitation. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws,

rules, and regulations involved in cosmetology practices and safety precautions associated with each. Five semester hours credit. Three hours lecture. Six hours lab.

COV 1255 — COSMETOLOGY SCIENCES II — This course consists of the study of anatomy and physiology. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Five semester hours credit. Three hours lecture. Four hours lab.

COV 1263 — COSMETOLOGY SCIENCES III — This course consists of the application and demonstration of chemistry, and electricity. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three semester hours credit. Two hours lecture. Three hours lab.

COV 1426 — HAIR CARE I — This course consists of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Six semester hours credit. Two hours lecture. Twelve hours lab.

COV 1436 — HAIR CARE II — This course consists of the advanced study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Six semester hours credit. Two hours lecture. Twelve hours lab.

COV 1443 — HAIR CARE III — This course consists of the practical applications of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three semester hours credit. Nine hours lab.

COV 1522 — NAIL CARE I — This course consists of basic nail care services including nail structure and growth, manicuring and pedicur-

ing, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1532 — NAIL CARE II — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1542 — NAIL CARE III — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. Six hours lab.

COV 1622 — SKIN CARE I — This course consists of the introduction to basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1632 — SKIN CARE II — This course consists of basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each.

COV 1642 — SKIN CARE III — This course consists of advanced skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. Six hours lab.

COV 1722 — SALON BUSINESS I — This course will cover preparing to operate a successful salon. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and

regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1732 — SALON BUSINESS II — This course will cover operating a successful salon and seeking employment. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COSMETOLOGY TEACHER TRAINING

COV 2816 — COSMETOLOGY TEACHER TRAINING I — (Pre/corequisites: Students must have at least two years of active practical experience as a licensed cosmetologist and currently hold a valid Mississippi cosmetology license.) Instruction will be given in developing appropriate communication skills, effective use of visual aids, identification of various teaching styles, and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

COV 2826 — COSMETOLOGY TEACHER TRAINING II — (Pre/corequisites: COV 2816 Cosmetology Teacher Training I) Instruction will be given in development of instructional methods, development of visual aids, development of effective evaluation, and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

COV 2836 — COSMETOLOGY TEACHER TRAINING III — (Pre/corequisite: Cosmetology Teacher Training II COV 2826) Professional application and training includes: Laws Governing Learning Processes, Student Motivation, Student Participation, Student Personalities and Individual Differences, Ninety-nine clock hours. Three semester hours credit.

COV 2846 — COSMETOLOGY TEACHER TRAINING IV — (Pre/corequisite: COV 2836 Cosmetology Teacher Training III) Instruction will be given in classroom management techniques; cosmetology laws, rules, and regulations; and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

WELDING AND CUTTING

WLW 1116 — SHIELDED METAL ARC WELDING I (SMAW) — This course is designed to teach students welding techniques using E-6010 electrodes. Six semester hours credit. One-hour lecture, 10 hours lab.

WLW 1124 — GAS METAL ARC WELDING (GMAW) — This course is designed to give the student experience in various welding applications with the (GMAW) welder including short-circuiting and pulsed transfer. Four semester hours credit. One hour lecture, 6 hours lab.

WLW 1136 — GAS TUNGSTEN ARC WELDING (GTAW) — This course is designed to give the student experience in various welding applications with the GTAW welder. Six semester hours credit. One hour lecture. Ten hours lab.

WLW 1143 — FLUX CORED ARC WELDING (FCAW) — This course is designed to give the student experience in FCAW. Three semester hours credit. One hour lecture. Four hours lab.

WLW 1171 — WELDING INSPECTION AND TESTING PRINCIPLES — This course is designed to give the student experience in inspection and testing of welds. One semester hour credit. Two-hour lab.

WLW 1226 — SHIELDED METAL ARC WELDING II (SMAW) — This course is designed to teach students welding techniques using E-7018 electrodes. Six semester hours credit. One hour lecture. Ten hours lab.

WLW 1232 — DRAWING AND WELDING SYMBOL INTERPRETATION — This course is designed to give the student advanced experience in reading welding symbols. Two semester hours credit. One hour lecture. Two hours lab.

WLW 1314 — CUTTING PROCESSES — This course is designed to give the student experience in oxyfuel cutting principles and practices, air-carbon cutting and gouging, and plasma arc cutting. Four semester hours credit. Two hour lecture. Four hours lab.

TRADE, INDUSTRIAL AND TECHNICAL

BLUEPRINT READING — Instructions in fundamentals, lines, views, notes and specifications, dimensions, shapes, abbreviations and symbols, sections, details and assembly, precision instruments. Length of course to be determined by industry.

CARPENTRY I, II, III, & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the basic skills and technical knowledge in both rough and finish carpentry. Six CEU's.

COMPUTER APPLICATIONS — Three hours per night, one night per week for an established number of consecutive weeks. Instruction and hands-on training sessions for beginners through advanced computer users dealing with MS Office applications. CEU credit is available.

ELECTRICITY I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the electrical trade to include the following areas: use of electrical tools and instruments, basic electricity, residential and commercial wiring, motor testing, controls and related science. Six CEU's.

INDUSTRIAL MAINTENANCE APPRENTICESHIP — Instructions in elements of mechanics, lubrication of drive components, bearings, pumps, piping systems, basic hydraulics, hydraulic trouble-shooting, tools, measurements, trouble-shooting skills, pneumatics, blueprints and schematics. Length of courses determined by requirements to achieve credential per each of 5 levels.

MACHINE SHOP I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in machine shop to include the following areas: precision measuring instruments, tools, materials, heat treating, bench work, drilling machines, milling machines, lathes and shaper, jig, boring and girding machines, and abrasive and cutting fluids. Six CEU's when offered on campus. If offered in industry, length of course is determined by the industry.

PERSONNEL MANAGEMENT — Instructions in the management system, personnel program, staffing the organization, employee potential, behavior management, labor relations, remuneration, security, and management of the future. Length of course to be determined by the industry.

REFRIGERATION, AIR-CONDITIONING & HEATING I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the A-C and refrigeration trade to include the following areas: basic electricity, motors and controls, service tools, fundamentals of refrigeration, compression systems and construction, refrigerants and controls, cabinets, materials, absorption, systems, hermetic units, and commercial refrigeration and heating application. Six CEU's.

SUPERVISORY TRAINING — Instructions in history of company, the art of supervision, planning, organizing, directing and leadership, controlling, decision making, motivation, communication, team work, performance and role playing. Length of course determined by needs of industry.

TRUCK DRIVING — A course of 280 training hours consisting of classroom instruction and practical application of truck driving skills. Successful completion of the course results in the trainee receiving a Class A Commercial Drivers license.

OTHER

CAKE DECORATING — Two hours per night, one night a week for 6 weeks. (1.2 CEU's) Instruction in making icing, frosting, making decorating cones, and equipment, and making the following designs: sweet pea, clown, basket, heart, wedding, bathing suit, doll, etc.

ART YOUTH PROGRAM — The Art for Youth Program is organized under the supervision of the Office of Adult and Continuing Education with a certified art instructor. All classes are held in the ceramics lab of South Campus located at East Central Community College in Decatur, MS. The classes will consist of a variety of art activities modified for all levels of artistic ability. Activities will include ceramics, drawing, painting, and work in three-dimensional drawing. Students ages 7-17 may enroll in the program. Youth ages 7-11 will meet from 6:00 to 7:00 p.m. while youth ages 12-17 will meet from 7:00 until 8:00 p.m. Classes will meet only on Tuesday nights. The maximum number of students allowed in each class will be 12. The Art for Youth Program is an open entry-open exit type of program. A student may enroll or may exit the program at any time

AUTO MECHANICS (carburetor and electrical) — Three hours per evening for two evenings per week. Instructions in fuel system, fuels, types of carburetors, types of fuel pumps, air cleaners and manifolds. Electrical system-magnetism and electricity, generators, ignitions, lighting, schematics and diagram reading and symbols. Six CEU's.

VOLUNTEER FIREMANSHIP — Two and one-half hours per day for 4 days. Instructions in fire triangle, travel, transfer of heat, exposure, chemistry of petroleum, fire, use of equipment, operation of truck, breathing equipment, fire stream, forcible entry and coordination of attack. 1 CEU

BEGINNING PAINTING — A studio course designed for the beginner pertaining to the use and knowledge of various painting media as well as decorative crafts. 3 CEU's

BEGINNING CERAMICS — A studio course designed for the beginner pertaining to the use and knowledge of various clays in hand building three dimensional art objects. An application of ceramic glaze and firing procedures will also be included. 3 CEU's

BEGINNING PHOTOGRAPHY — Two hours per night, one night a week for ten weeks. 2 CEU's. Instruction in examining camera functions and care, types of films and accessories, operation of camera, introduction to various types of photography, developing film, printmaking and mounting for display. 2 CEU's

CHANGES IN ADMISSION REQUIREMENTS

Page 43-44 - ACADEMIC AND TECHNICAL STUDENTS

To be admitted as a student to an academic or technical program, an applicant must meet one of the following criteria:

1. The completion of no more than one unit less than the minimum acceptable high school units as prescribed by law; or
2. A General Educational Development (GED) certificate; or
3. A High School Diploma; or
4. A Mississippi Occupational Diploma; or
5. An official transcript from an accredited college or university.

Before admission can be granted, the following must be on file in the Office of Admissions, Records, and Research:

1. An official college application which may be completed by using the form provided in the back of the catalog or online at the East Central Community College Web Page <http://www.eccc.edu>;
2. One of the following criteria:
 An official high school transcript (regular high school diploma or the Occupational Diploma) with a recorded graduation date and official school signature. OR
 A transfer student must submit an official transcript from an accredited college, preferably the last college attended. OR
 Individuals who have obtained the minimum acceptable high school units must submit an official high school transcript. OR
 An official General Educational Development (GED) transcript with a passing score.
3. Official scores on the American College Test (ACT), applicants 23 years of age and over are exempt from the ACT requirement except for certain specialized curricula.

Admission as an East Central Community College student does not guarantee admission to a specific program of study. Some programs have additional requirements for entry.

EMERGENCY MEDICAL/PARAMEDIC TECHNOLOGY

Have acceptable personal qualities as established through a personal interview.

Additions for Clarification:

- The East Central Community College health form must be completed by all students initially accepted into the program. Final acceptance of students into the program will not be granted until the medical examination and certifying report is on file. (Physical exam must be obtained in October, November, or December of the year of admission.)
- Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, or nolo contendere to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

Page 51 - PRACTICAL NURSING

Delete: Be a citizen of the United States or have pending citizenship (not a rule for taking the State Board Exam.)

Insert: First priority will be given to in-district residents.

- Physical exam must be obtained in October, November, or December of the year of admission.
- Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, or nolo contendere to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

SURGICAL TECHNOLOGY

5. **Delete:** Be a citizen of the United States or have pending citizenship (not a requirement for taking the State Board Exam.)

Insert: First priority will be given to in-district residents.

***Additions for Clarification:**

- Physical exam must be obtained in June, July, or August before the year of admission.
- Upon admission to the program, a criminal history check will be required. If the criminal history check discloses a felony conviction, guilty plea, ornolo contender to a felony, the student will automatically be dismissed from the program. In addition, an unannounced drug test will be administered at any point and time while enrolled in the program. The student is responsible for all expenses associated with testing. Students are also required to purchase personal liability insurance.

Page 44 - LEGAL RESIDENT STATUS

East Central Community College observes the following definitions with regard to residential status of applicants and students as interpreted from laws engaged by the Mississippi Legislature. The College's district includes the following supporting counties: Newton, Leake, Neshoba, Scott, and Winston.

1. **General Rule for Adults.** The residence of an adult is the domicile, i.e., the place where the person physically resides with the intention of remaining or returning to if temporarily absent. MCA 37-103-13.
2. **General Rule for Persons under 21.** The residence of a person under 21 is that of the father, mother or general guardian (guardian appointed by a Mississippi court). However, if custody has been granted to one parent, then the residency is that of the custodial parent. If both parents are deceased, residency is that of the last surviving parent unless the person under 21 lives with a general guardian (guardian appointed by a Miss. court). MCA 37-103-11 effective July 1, 2005. If both parents move out of Mississippi, a minor is immediately classified as a nonresident. MCA 37-103-11.
3. **When Residency Is Established.** A student may not be admitted as a resident unless residency is in Mississippi prior to admission. MCA 37-103-13. A person entering the state to enter an educational institution is considered a nonresident and remains a nonresident even if adopted by a Mississippi resident or registers to vote or owns land. MCA 37-103-5. See exception in MCA 37-103-25(2) which provides that if a nonresident (1) was born in

Mississippi but relocated outside Mississippi as a minor in their father or mother's care, (2) is a veteran of the Armed Forces, and (3) is domiciled in Mississippi no later than six months after separation from service for the purpose of enrolling in a CC/IHL, then such person shall pay resident tuition and fees.

Special Rule for Married Persons. A married person may claim the residency of their spouse or independent status under MCA 37-103-15. MCA 37-103-13.

Special Rule for Children of Faculty and Staff. Children of parents who are members of the faculty or staff of a CC/IHL may be considered a resident for the purpose of attending that institution. MCA 37-103-9.

Special MPACT Rule. An MPACT beneficiary is considered a resident. MCA 37-155- 5(d)(iii); MS AG Op., Patterson (Oct. 11, 1996).

Special Military Provisions.

- a. **Active Duty in Mississippi and Mississippi National Guard.** Members of the Armed Forces on extended active duty in Mississippi and members of the Mississippi National Guard may be classified as residents. Resident status of those not residents of Mississippi per MCA 37-103-13 shall terminate upon reassignment for duty in the continental U. S. outside Mississippi. MCA 37-103-17. See MCA 37-103-21 for proof requirements.
- b. **Status of Spouse and Children of Military Personnel on Extended Active Duty.** Resident status of a spouse or child of a member of the Armed Forces on extended active duty shall be that of the military spouse or parent during the time that the spouse or parent is stationed in Mississippi. Resident status continues if the military spouse or parent is reassigned from Mississippi to an overseas area (excepting training assignments en route from Mississippi). Resident status of a minor child terminates upon reassignment of the military parent for duty in the continental U. S. outside Mississippi. However, children who attain residency under this section and who begin and complete their senior year in high school in Mississippi and who enroll full-time in a CC/IHL for the fall after their graduation from high school maintain status as long as they remain enrolled in good standing (summer school is not required). MCA 37-103-19(1).

c. Spouse or Child of a Member of the Armed Forces Who Dies or is Killed. A spouse or child of a member of the Armed Forces who dies or is killed is entitled to pay resident tuition if the spouse or child becomes a resident of Mississippi within 180 days of the date of death. MCA 37-103-19(2).

d. Spouse or Child of a Member of the Armed Forces Stationed Outside Mississippi. If a spouse or child of a member of the Armed Forces stationed outside Mississippi establishes residency in Mississippi and registers with a CC/IHL, the CC/IHL will permit the spouse or child to pay resident fees and tuition regardless of the length of time that the spouse or child has resided in Mississippi. MCA 37-103-19(3).

e. Effect of Continuous Enrollment. If a member of the Armed Forces or their spouse or child is entitled to pay resident tuition and fees under MCA 37-101-19 while enrolled in a degree or certificate program, they may continue to pay resident tuition and fees in subsequent terms while continuously enrolled in the same degree or certificate program. (Student may withdraw or not enroll for one semester with medical documentation without losing status and no summer term is required. In addition, student's status remains unchanged even if they are no longer a member of the Armed Forces or the child or spouse of a member of the Armed Forces). MCA 37-101-19(4).

8. Aliens. Section 37-103-23 states that all aliens are classified as nonresidents. However, this section was declared unconstitutional in *Jagnadan v. Giles*, 379 F. Supp. 1178 (N.D. Miss. 1974), affirmed in part on other grounds 538 F.2d 1166 (5th Cir. 1976). No statutory provision addressing aliens and residency for tuition purposes is currently in effect. Accordingly, aliens should be treated in the same manner as other persons attempting to prove resident status for the purpose of determining tuition and fees charged by CC/IHL's.

a. Immigrants Distinguished from Nonimmigrants. Under the Immigration and Nationality Act, aliens are classified as (1) "immigrants", i.e., persons seeking to be permanent residents, and (2) "nonimmigrants", i.e. persons seeking admission to the U. S. for a limited time, usually for a limited purpose.

b. Immigrants, Permanent Residents or "Green Card" Holders. Generally speaking, most persons having immigrant or permanent resident status ("green card" holders) have the ability to establish a

domicile in Mississippi and to qualify as Mississippi residents.

c. Nonimmigrant Visa Holders. Most persons holding nonimmigrant visas, including F-1 student visas, will not be able to demonstrate the requirements for a Mississippi domicile because their visas are temporary in nature and U. S. approval of their visas may have required a determination that the persons intended to return to their country of origin after the purpose of their visas is concluded. This being the case, the person's domicile would remain in their country of origin. In addition, Section 37-103-5 provides that a person entering Mississippi to attend an educational institution is and remains a nonresident for tuition purposes. See 3 above. However, there may be instances in which nonimmigrants can establish residency in Mississippi due to special provisions or special circumstances. For example, in *Toll v. Moreno*, 458 U. S. 1, 102 S. Ct. 2977, 73 L.Ed. 2d 563 (1982), the United States Supreme Court concluded that, while Congress precluded many aliens in nonimmigrant categories from establishing domicile in the United States, it allowed G-4 aliens to establish domicile in the U. S.

9. Miscellaneous Provisions. Any student willfully presenting false evidence of residency is deemed guilty of a misdemeanor. MCA 37-103-27. Law is not to be construed as requiring the admission of nonresidents. MCA 37-103-29.

CHANGES IN FINANCIAL INFORMATION GENERAL INFORMATION

1. There is no special charge for music or business courses for full-time students. There is a \$15.00 fee for laboratory science courses and ceramics courses, a \$60.00 fee for ADN, PN, Surgical Technology, **Emergency Medical Technology/Paramedic, Gerontology, and Child Development** courses.
8. Students taking less than twelve semester hours on the Decatur campus will pay fees at the rate of \$75.00 per semester hour at the time they register. A **technology fee of \$2.00 per semester hour (maximum of \$25.00 per semester) will be assessed for part-time students. A registration fee of \$3.00 per semester hour (maximum of \$36.00 per semester) will be assessed for all students.**

Page 86 - CHANGES IN SCHOLARSHIPS

Charles W. Sanders Memorial Scholarship Award – This scholarship is awarded each year by the **Forest-Scott County Civic Club** to a high school senior from either Forest, Lake, or Scott Central High Schools. The recipients of the award are selected by the schools from a list of those students who have maintained good grades and who can benefit from financial assistance. The award is named after the late Charles W. Sanders, longtime member and former president of the Forest Kiwanis Club. This scholarship was established in the spring of 2000. At that time Mr. Sander's daughter, Mrs. Gloria Sanders McRae of Carthage, a graduate of Forest High School, was a math instructor at East Central and Craig, his grandson, had just been named to the Hall of Fame, the College's highest honor. **This \$700 scholarship will be awarded in the fall semester following the recipient's graduation from high school.**

SCHOLARSHIPS

Advanced Machining Scholarship – This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005. One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies. To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;
- Have successfully completed the corresponding machining program provided through the vocational technical center in their respective county; and
- Have plans to pursue machining as a career.

The scholarship recipient will be selected annually by the College Scholarship committee based to a large extent, on recommendations of applicants' former vocational instructors. (added 6/14/05)

Advanced Welding Scholarship – This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005. One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies. To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;
- Have successfully completed the corresponding welding program provided through the vocational technical center in their respective county; and
- Have plans to pursue welding as a career.

The scholarship recipient will be selected annually by the College Scholarship committee based to a large extent, on recommendations of applicants' former vocational instructors. (added 6/14/05)

NEW COURSES

Add the following courses to Chapter 6, beginning at Page 189, Description of Courses, University Parallel.

Page 228 - PHILOSOPHY

PHI 2113 - INTRODUCTION TO PHILOSOPHY - An introduction to systematic and philosophical thinking and study of significant men and trends of philosophy both past and present. The emphasis is on learning how to think properly and how to come to grips with "proper" thinking of great philosophers.

Page 257 - ELECTRONICS TECHNOLOGY

EET 1614 - COMPUTER FUNDAMENTALS FOR ELECTRICAL/ELECTRONIC
Basic computer science as used in electrical/electronic area. Computer nomenclature, logic, numbering systems, coding and operating system commands are covered. Detail test equipment description and operation for oscilloscope, function generator and digital meters. Two hours lecture. Four hours lab. Four semester hours credit.

PAGE 261 - INSERT

HOTEL AND RESTAURANT MANAGEMENT TECHNOLOGY

HRT 1114 - CULINARY PRINCIPLES I - Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Four semester hours credit.

HRT 1123 - HOSPITALITY AND TOURISM INDUSTRY - An introduction to the hospitality and tourism industry. Discussions and industry observations to discover the opportunities, trends, problems, and organizations in the field. Three semester hours credit.

HRT 1213 - SANITATION AND SAFETY - Basic principles of microbiology, sanitation, and safety for a food service operation. The course studies the environmental control application through the prevention of food-borne illnesses, cleaning materials and procedures, general safety regulations, food processing methods, first aid, and fire prevention. Three semester hours credit.

HRT 1224 - RESTAURANT AND CATERING OPERATIONS - Principles of organizing and managing a food and beverage operation. Four semester hours credit.

HRT 1413 - ROOMS DIVISION MANAGEMENT - An operational approach to rooms division management in the hospitality industry including front office management and housekeeping operations. Three semester hours credit.

HRT 1511 - HOSPITALITY SEMINAR - Leadership and management skills necessary for success in hospitality and tourism management. The course addresses computer based management systems. One semester hour credit.

HRT 1813 - THE PROFESSIONAL TOUR GUIDE - Activities associated with organizing, booking, and conducting group tours. Three semester hours credit.

HRT 1823 - THE TRAVEL AGENCY - A detailed exploration of travel agency operation to include physical structure, staffing needs, client needs, legal implications, interaction with travel and lodging, and accreditation. Three semester hours credit.

HRT 1833 - TRAVEL AND TOURISM GEOGRAPHY - Location, currency, port of entry, and form of governments in various countries around the world. Exercises involve itinerary planning, knowledge of time zones, and familiarity with the countries' natural, cultural, and entertainment attractions. Three semester hours credit.

HRT 2233 - FOOD AND BEVERAGE CONTROL - Principles and procedures involved in an effective food and beverage control system, including standards determination, the operating budget, cost-volume-profit analysis, income and cost control, menu pricing, labor cost control, and computer applications. Three semester hours credit.

HRT 2323 - HOSPITALITY FACILITIES MANAGEMENT AND DESIGN - Design and manage the physical plant of a hotel or restaurant and work effectively with the engineering and maintenance department. Three semester hours credit.

HRT 2423 - SECURITY MANAGEMENT - Issues surrounding the need for individualized security programs. Examines a variety of security equipment and procedures and discusses internal security for food service and lodging operations. Three semester hours credit.

HRT 2613 - HOSPITALITY SUPERVISION - Supervisory skills in leadership styles, communication skills, motivational techniques, employee training techniques, and evaluation methods. Three semester hours credit.

HRT 2623 - HOSPITALITY MANAGEMENT - Principles of hospitality human resource management with an emphasis placed on the study of human behavior and human relations in the hospitality industry. Three semester hours credit.

HRT 2713 - MARKETING HOSPITALITY SERVICES - Practical sales techniques for selling to targeted markets and developing strategic marketing plans for hospitality and tourism operations. Three semester hours credit.

HRT 2723 - HOSPITALITY SALES AND MARKETING - Advertising, sales, and promotional techniques as related to the hospitality industry. Three semester hours credit.

HRT 2843 - SEMINAR IN TRAVEL AND TOURISM - Simulations of activities related to travel and tourism including reservation tasks and services. Three semester hours credit.

HRT 2853 - CONVENTION AND MEETING PLANNING - Planning, promotion, and management of meetings, conventions, expositions, and events. Three semester hours credit.

HRT 2863 - TOURISM PLANNING AND DEVELOPMENT - This course is designed to provide the application of established standards, techniques, and practice of special event/tourism management. Three semester hours credit.

INSERT (Following Hotel Restaurant Management Technology)
INDUSTRIAL MAINTENANCE TECHNOLOGY

IMM 1111 - INDUSTRIAL MAINTENANCE SAFETY - General safety practices, personal safety, electrical safety practices, and power equipment safety. One semester hour credit.

IMM 1122 - INDUSTRIAL MAINTENANCE MATH AND MEASUREMENT - Mathematical and measurement procedures and instruments related to industrial maintenance. Two semester hours credit

IMM 1132 - INDUSTRIAL MAINTENANCE BLUEPRINT READING - Blueprints, schematics, and plans used in industrial maintenance including instruction in nomenclature, different views, and symbols and notations. Two semester hours credit

IMM 1213 - INDUSTRIAL HAND TOOLS AND MECHANICAL COMPONENTS - Safe and proper use of hand tools and mechanical components commonly used by industrial maintenance mechanics and technicians. Includes instruction in the selection, use, and care of common hand tools and in the identification and maintenance of mechanical components such as belts and pulleys, chains and sprockets, and bearings and seals used to transmit mechanical power. Three semester hours credit

IMM 1224 - POWER TOOL APPLICATIONS - Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, cut-off saws, and drill presses. Four semester hours credit

IMM 1235 - PRECISION MACHINING OPERATIONS - Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, metal saw, drill presses, engine lathes, and milling machines. Five semester hours credit.

IMM 1314 - PRINCIPLES OF HYDRAULICS AND PNEUMATICS - Instruction in the principles of hydraulics and pneumatics, and the inspection, maintenance, and repair of hydraulic and pneumatic systems. Four semester hours credit.

IMM 1415 - PUMP AND VALVE OPERATIONS - Instruction on the different types of pumps and valves used in industry and their disassembly, inspection, and repair/replacement. Five semester hours credit.

IMM 1515 - EQUIPMENT INSTALLATION AND ALIGNMENT - Instruction in the installation checks, assembly, location and layout of equipment, preparation of foundations and anchoring procedures, rigging and hoisting, and alignment and initial setup of equipment. Five semester hours credit.

IMM 1524 - PREVENTIVE MAINTENANCE AND SERVICE OF EQUIPMENT - Instruction in basic maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. Four semester hours credit.

IMM 1615 - PRINCIPLES OF PIPING AND HYDRO-TESTING - Instruction on the basic principles of piping and pipe fitting, basic pipe fitting procedures, and basic hydro-testing of pipe systems. Five semester hours credit.

IMM 1713 - METHODS OF LAYOUT - Layout and development of various sheet metal problems using the principles of parallel line and triangulation development. Three semester hours credit.

IMM 1723 - STRUCTURAL REPAIR - Estimating and making repairs of wood, metal, and masonry structures. Three semester hours credit.

IMM 1734 - MAINTENANCE WELDING AND METALS - Instruction in different metals and their properties, and in basic SMAW welding and oxy-fuel cutting and brazing. Four semester hours credit.

IMM 1813 - INDUSTRIAL ELECTRICITY FOR INDUSTRIAL MAINTENANCE MECHANICS - Instruction in terminology and basic principles of electricity, use of test equipment, safety practices for working around and with electricity, and basic electrical procedures. Three semester hours credit.

IMM 1823 - ADVANCED INDUSTRIAL ELECTRICITY FOR INDUSTRIAL MAINTENANCE MECHANICS - Advanced skills and knowledge associated with electrical systems in an industrial setting. Content includes instruction in the National Electrical Code, electrical circuits, motors, and estimating expenses for a given project. Three semester hours credit.

IMM 2114 – EQUIPMENT MAINTENANCE, TROUBLESHOOTING, AND REPAIR - Maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. Four semester hours credit.

IMM 191(1-3) - SPECIAL PROJECT IN INDUSTRIAL MAINTENANCE MECHANICS - Practical applications of skills and knowledge gained in other Industrial Maintenance Mechanics courses. The instructor works closely with the student to insure that selection of a special project enhances the student's learning experiences. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours. One to three semester hours credit.

INSERT (Following Industrial Maintenance Technology)

WIDE AREA NETWORK TECHNOLOGY (new curriculum)

WAN 1413 – COMMUNICATION HARDWARE - This course is an introduction to communication hardware and its uses in wide area networks. Topics include modems, CSU/DSU, multiplexers, wireless transceivers, and satellites. Three semester hours credit.

WAN 2313 – SURVEY OF NETWORK ELECTRONICS - This course is designed to provide the student concepts of electronics. Topics include DC and AC fundamentals, radio frequency interference, instrument and test equipment familiarization, and terminology. Three semester hours credit

WAN 2524 – PROTOCOLS (Prerequisite: NETWORK COMPONENTS - CNT 1524). This course is a continuation of NETWORK COMPONENTS - CNT 1524. Topics include IGRP, IPX, X.25, XNS, DECnet, AppleTalk, HDLC, LAPB, SDLC, SNA, ATM, Frame Relay, FDDI, and SONET. Laboratory topics include implementation of protocols, router configuration, and usage of a protocol analyzer. Four semester hours credit.

WAN 2623 – ROUTER CONFIGURATION (Co-requisite: PROTOCOLS - WAN 2524)- This emphasizes the configuration of a production router. Topics include VLSM, Frame Relay, Tunneling, and VPN. Three semester hours credit.

WAN 2633 – ADVANCED ROUTER CONFIGURATION AND SECURITY (Prerequisite: PROTOCOLS - WAN 2524) and ROUTER CONFIGURATION - WAN 2623) - This course emphasizes advanced configuration techniques used with routers, focusing on the topics needed to implement, secure, maintain and expand routers and routing on your network. Topics include scalable routing protocols, methods to manage IP traffic using access lists, traffic management and router/network security. Three semester hours credit.

WAN 2713 - WAN MANAGEMENT (Prerequisites: PROTOCOLS - WAN 2524)- This course discusses planning, monitoring, trends, thresholds, and utilization statistics for wide area networks. Three semester hours credit.

WAN 2723 - WAN DESIGN (Prerequisites: NETWORK COMPONENTS - CNT 1524) - This course involves applying concepts in planning and designing a functioning WAN. Emphasis is placed on recognizing needs, conducting analysis, and developing solutions. Three semester hours credit

Page 188 - CHANGES IN COURSE DESCRIPTIONS

EET 1334 changed to EET 2335 – LINEAR INTEGRATED CIRCUITS – (Prerequisite: SOLID STATE DEVICES AND CIRCUITS - EET 1334) A course designed to provide students with knowledge and application skills of linear integrated devices. Includes general purpose and dedicated devices. Operational amplifiers, active filters, voltage regulators, timers, VCO's, phase lock loops and other devices will be covered along with their applications. **Advanced soldering techniques shall be taught in accordance with industry standards. Four hours credit.**

NEW CURRICULUMS

HOTEL/RESTAURANT MANAGEMENT TECHNOLOGY (HRTT)

Advisor: Ms. Lisa O'Neill

The Hotel and Restaurant Management concentration provides specialized occupational instruction in all phases of hotel and restaurant management to prepare students for careers as manager/supervisors in the hospitality and tourism industry. Completion of the two-year program leads to an Associate of Applied Science degree. A student may receive a certificate by successfully completing all HRT and/or CUT courses listed in the Hotel and Restaurant Management concentration.

DISABILITY SUPPORT SERVICES

East Central Community College provides reasonable accommodations for students with disabilities through Disability Support Services (DSS). DSS verifies eligibility for accommodations and works with eligible students who have self-identified and provided current documentation.

Students should contact Dr. Lavinia Sparkman, ADA Coordinator at 601-635-6202 or, Mr. Joe Killens, Vice President for Student Services at 601-635-6375 to establish a plan for reasonable accommodations and services.

GENERAL INFORMATION PAGE 84- 85 IN CATALOG

1. There is no special charge for music or business courses for full-time students. There is a \$15.00 fee for laboratory science courses and ceramics courses, a **\$120.00** fee for ADN, PN, Surgical Technology, Emergency Medical Technology/Paramedic and Child Development Technology courses.
13. Cost for the twelve-month Practical Nursing (PN) Program is **\$2,565.00**
 Charges may be made in the following manner:

Fall Semester	\$855.00
Spring Semester	\$855.00
Summer Semester	\$855.00

New and Revised Scholarships

Fred Preston Dallas and Maudie Threatt Dallas Memorial Scholarship - The scholarship was established in 1991 to assist deserving graduates of Neshoba Central High School who reside in the southeast quarter of Neshoba County (indicated on an available map) to attend East Central Community College. It was established and funded by the children of Mr. and Mrs. Dallas in their memory and in honor of their interest in education. Seven of Mr. and Mrs. Dallas' eight children attended East Central Junior College.

*In the event an eligible scholarship applicant is not selected from the designated area (southeast quarter of Neshoba County), then an eligible scholarship applicant residing in Neshoba County should be considered. If a Neshoba county applicant does not qualify, then an eligible scholarship applicant residing in Newton County should be considered. In the event a Newton County applicant does not qualify, then an eligible student should be considered from the College's five-county district.

The amount of the scholarship award should be based on the calendar year ending December 31st prior to the fall semester. The amount of the scholarship available should be the earnings in excess of the inflation rate up to the cost of tuition, room and board for a year.

The endowment fund may be increased, from time to time, by appropriate contributions from the founders or from others. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Requirements:

1. The person selected must have a demonstrated financial need, as determined by the College Scholarship Committee.
2. The person selected must have high moral standards, good character, and must not be a substance abuser.
3. The recipient must have demonstrated the capacity and a strong desire to obtain a college education.
4. ECCC will be required to make high school seniors in the designated area aware of the scholarship.
5. In the event the scholarship is not awarded in any one year, the funds will remain and will be added to the principal.

6. The award will be for students pursuing an academic (university transfer) education only.

7. The scholarship is to be awarded on Awards Day at the appropriate high school.

8. The recipient must show potential for leadership and academic excellence.

9. In order for the recipient to reapply for consideration for a second year, the student must have a D or above in all classes, must have an average of C or above, continue to have a financial need, and have a clear disciplinary record.

10. Funds from this scholarship are to be applied to the educational expenses of the recipients.

11. The recipients are to be selected by the College Scholarship Committee. The recipients will be selected from students recommended by at least four of their senior year high school classroom teachers who agree that the students meet the above requirements.

12. An annual report is to be sent by the college's Financial Aid Director on June 30, to:

Winifred Dallas Davis
P. O. Box 192
Enterprise, MS 39330

The report is to include:

- Name of the recipient
- Amount awarded
- Total contributions during the calendar year
- Total interest earned during the calendar year
- Interest retained for inflation
- Total endowment principal

13. Should the college ever close, the funds will be transferred to Mississippi State University/Meridian. In the event that Mississippi State University/Meridian should close; the funds shall be transferred to the main campus of Mississippi State University.

14. The first scholarship award will be made for the 1992-93 school year. The amount of the award will be \$500.00 plus interest in excess of the inflation rate. The first award was funded by a separate contribution. (*revised 3-13-07)

Sylvia Ann Graham Haywood Memorial Scholarship - This scholarship was established to honor the memory of Sylvia Ann Graham Haywood by her husband, William Thomas

Haywood. Dr. Haywood served as Business Manager at EC and taught accounting from 1951-1958.

Sylvia was a member of the East Central Junior College Class of 1954. While at EC, she was an honor student who served as editor of the Wo-He-Lo annual, sang in the Madrigals, and was elected May Queen.

Following her marriage, Sylvia attended and graduated from Sophie Newcomb College of Tulane University and received a Master of Education degree from Mercer University. She taught English and tutored French in both the public and private secondary schools in Macon, Georgia. In 1972 she graduated with honors from Mercer University's Walter F. George School of Law. She practiced law in Macon and taught law at Mercer. In 1984, Sylvia died of cancer at age 48.

*The scholarship will be awarded annually to an incoming freshman student for the fall semester. The amount of the scholarship award will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award.

To be eligible, a recipient must:

- Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- Have good academic standing;
- Demonstrate financial need; and
- Display leadership qualities and good citizenship.

The recipient will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above. *(revised 5-8-07)

The Regina Gail Gibbs Rigby Memorial Scholarship - The Regina Gail Gibbs Rigby Memorial Scholarship is for deserving graduating high school seniors from Forest High School in Forest, Mississippi. The scholarship is named for Mrs. Regina Gail Gibbs Rigby of Forest who served as a Middle School science teacher for 17 years. Regina attended East Central where she excelled in theatre arts and graduated with Honors. Ultimately, Regina returned to East Central Community College as adjunct staff to direct musical and drama productions. This scholarship was created and endowed in 2006 by her husband, Bill Rigby, and her children, Ginny Rigby Ivy and Anse Rigby. Regina and her husband met while attending East Central Community College. Both of their children also attended East Central Community College. Ginny served on the president's council, was a member of Phi Theta Kappa, was president of the Baptist Student Union, performed with the Ac'cents show choir for two years, and graduated with highest honors. Anse was elected Mr. ECCC for 2007. He led the praise team in the Baptist Student Union and also performed with the Ac'cents show choir for two years.

To be eligible, a recipient must:

- (1) Have a "B" or better average;
- (2) Decide to pursue a degree in Art, Elementary Education, or Music;
- (3) Have demonstrated leadership ability in Forest High School; and
- (4) Have Christian moral standards of good character.

The annual recipient will receive \$250 per semester for his/her freshman year totaling \$500. A group of finalists will be chosen by a scholarship committee at Forest High School.

CLASS OF 1964 ENDOWED SCHOLARSHIP - The East Central Community College Class of 1964 established this scholarship in October 2004 at homecoming during its 40-year class reunion. Those attending discussed and unanimously approved the establishment of an endowment fund.

One recipient will be selected annually by the ECCC Scholarship Committee from applicants who have met the following criteria:

- Attained sophomore standing;
- Maintain a 3.0 grade point average; and
- Demonstrate a need for financial assistance

The scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for the scholarship award.

EAST CENTRAL COMMUNITY COLLEGE
SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY
Effective Date - Fall 2007

According to federal regulations, students must meet Satisfactory Academic Progress (SAP) standards in order to be eligible for federal Title IV financial aid. Federal Title IV financial aid consists of the following programs:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work-Study (FWS)
- Leveraging Educational Assistance Partnership Program (LEAP)
- Federal Stafford Loans (FFEL - Subsidized and Unsubsidized)
- Parent Loan Program (PLUS)

To meet SAP at East Central Community College, students receiving federal Title IV financial aid must maintain satisfactory progress in grade point average, percentage of hours passed and length of attendance in completing a certificate or degree in the academic, technical or career/vocational programs.

Qualitative Requirement - GPA and % of Hours Passed

SAP will be measured according to the following criteria:

Cumulative Semester Hours Attempted *	Cumulative Grade Point Average (GPA)**	Percentage of Semester Hours Passed*
1 - 30	1.5	66.7%
31 - 63	1.75	66.7%
64 and above	2.0	66.7%

*All attempted classes will count in hours attempted (including classes from which the student withdrew - Grade "W").

**Students will be allowed to repeat a course and only the most recent grade (other than W) will count in the GPA calculation.

Quantitative Requirement - Time Frame (Length)

As required by federal regulations, a student must complete the program of study (major) within a time frame not to exceed 150% of the length of the program. All courses including, but not limited to, withdrawals, repeats and accepted transfer hours from another college will be counted in the time frame. Students who reach the 150% limit will no longer be eligible to receive federal financial aid.

Other Required Considerations

All coursework for students will be included in the SAP review including any semesters that students did not receive financial aid.

Incompletes: A grade of "I" incomplete will count as an "F" in the hours attempted, hours passed and GPA calculations. Once the incomplete is removed, the actual earned grade will be used.

Repeats: All repeated classes will count in hours attempted and hours passed calculations. The most recent grade for a repeated class (other than "W") will count in the GPA calculation.

Withdrawals: Students may withdraw from a class and receive no credit with a grade of "W." Classes from which students withdraw will count in the hours attempted and hours passed calculations. Classes from which students withdraw will not be included in the GPA calculation.

Development courses: These courses will be treated in the same manner as regular courses since students receive institutional credit and grades for these courses.

SAP Examples

1. A first-year student attempts 15 hours in the fall semester and 15 hours in the spring semester. At the end of the spring term the student must have passed 21 hours (30 hours attempted X 66.7%) with at least a 1.5 GPA.
2. A returning student has attempted 31 hours in prior semesters and now has completed 6 hours in summer, 9 hours in fall and 12 hours in spring. At the end of the spring term, the student must have passed a total of 39 hours (58 hours attempted X 66.7%) with at least a 1.75 GPA.
3. A student must complete the program of study (major) in the 150% time frame. 64-hour program (64 hours X 150% = 96 hours)
50-hour program (50 hours X 150% = 75 hours)

Review of Standards

Federal regulations require that SAP standards must be checked each year to determine if students are progressing toward completing a degree or certificate.

Degree or Certificate Programs at Least Two Years in Length

The SAP standards will be checked annually at the end of the spring semester for students in programs that are at least two years in length.

Degree or Certificate Programs Less Than Two Years in Length

The SAP standards will be checked at the end of each semester for students in a program of less than 2 years in length.

Consequences of Not Meeting Standards/Regaining Eligibility

Degree or Certificate Programs at Least Two Years in Length

Students who do not meet the SAP standards at the end of the spring semester will be suspended and will not be eligible to receive federal financial aid beginning with the next fall semester. However, the summer term immediately following the spring semester in which a student was placed on suspension will be considered as a probationary period. If all other criteria have been met, students in this status may be eligible to receive financial aid during the summer probationary semester. Students who enroll for the summer semester and who believe that as a result of the summer academic performance the SAP standards have been met should contact the Financial Aid Office to request a reevaluation of their SAP eligibility. In

addition, students can request a reevaluation after the fall semester or any subsequent semester.

Degree or Certificate Programs Less Than Two Years in Length

Students who do not meet the SAP standards at the end of the semester will be placed on financial aid probation for the next semester. During the probationary semester, a student will continue to be eligible for financial aid. Upon completion of the probationary semester, a student who does not meet the SAP standards will be suspended and will not be eligible to receive federal financial aid.

Degree or Certificate Programs (All Programs)

Students who do not meet the SAP standards will be ineligible to receive financial aid and will remain ineligible until the standards are achieved. Students who reach the 150% limit will no longer be eligible to receive federal financial aid.

Students on financial aid suspension may attend ECCC as long as they are not also on academic suspension.

Students who have been suspended from receiving financial aid as a result of the failure to meet the SAP standards have the right to appeal.

Students may regain eligibility for financial aid by meeting the standards in a subsequent semester or through a successful appeal.

Appeal Procedures

Students who have been suspended from receiving financial aid may appeal based on mitigating circumstances including but not limited to illness, injury, death of an immediate family member, undue hardships or other such circumstances. To request an appeal, students must complete the Financial Aid SAP Appeal Form which is available in the ECCC Financial Aid Office. The form must be submitted to the Financial Aid Office along with a written letter fully explaining the mitigating circumstances. Students may also provide documentation such as a letter from a doctor, an accident report, etc. to support the request.

The appeal requests will be reviewed by the Financial Aid Appeal Committee. Students will be notified in writing of the Committee's decision.

Changes in bold for catalog - page 158 & 159

Conditions for Receiving Financial Aid

8. Financial aid funds are disbursed on a semester-by-semester basis. Aid is credited to a student's account at the College and the balance of the award, after the account is cleared, will be disbursed to eligible **students at the 60% point of the semester**. Adjustments to

8 student's financial aid may be required for a student who withdraws from **class(es)** or drops out of school within a semester because of refund calculations required by federal regulations.

9. MTAG, MESSG, **HELP**, and LEAP funds will be disbursed when funds are received from the State of Mississippi. MTAG, MESSG, **HELP**, and LEAP recipients must **be enrolled full time** to be eligible to receive the funds.

Delete #10

Course Changes

Change Developmental Algebra MAT 1203 to Elementary Algebra MAT 1203.

Change Fundamentals of Electricity ELT1192 to ELT1193

Fundamental skills associated with all electrical courses. Safety, basic tools, special tools, equipment, and introduction to simple AC and DC circuits. Three semester hours, two lecture and two lab hours.

New Courses

CUT-1114— CULINARY PRINCIPLES I

Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Four semester hours, 2 lecture hours and 4 lab hours. Co-requisites: Sanitation and Safety (HRT 1213) or by permission of instructor

CUT-1124— CULINARY PRINCIPLES II

Advanced study of Culinary Principles I to polish and perfect the techniques of food Preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Four semester hours, two lecture hours and four lab hours. Prerequisites: Culinary Principles I (HRT/CUT 1114).

CUT-1134— PRINCIPLES OF BAKING

Fundamentals of baking science, terminology, ingredients, weights and measures, and formula conversion and storage. Students will prepare yeast goods, pies, cakes cookies, and quick breads; and use and care for equipment. Four semester hours, two lecture hours, and four lab hours. Prerequisites: Culinary Principles I (HRT/CUT 1114).

CUT-1513— GARDE MANGER

This course provides orientation to garnishing, preparation of charcuterie items, cold foods, and buffet presentation. It also explores the various duties of the modern garde manager. Three semester hours, one lecture hour and four lab hours. Prerequisites: Culinary Principles I (HRT/CUT 1114)

CUT-2223— MENU PLANNING AND FACILITIES DESIGN

The principles and concepts of menu planning, menu formats, and layout with regard to a wide variety of eating habits and taste of the dining public. Emphasis will be on pricing, menu design, merchandising, tools, nutritional consideration, schedules, and profitability. Effective planning and layout of kitchen and equipment will also be emphasized. Three semester hours, three lecture hour.

New Program

CULINARY ARTS TECHNOLOGY

The Culinary Arts Technology concentration provides a solid foundation in the methods and science of cooking through exposure to classical, American, and international cuisine as well as the art of baking and pastries. Special emphasis is placed on culinary tools, equipment, techniques, and specialty ingredients. The heart of the Culinary Arts Technology program is hands-on lab instruction by a chef instructor in a commercial kitchen. All students must wear appropriate chef's uniforms for all lab classes. Culinary Arts students will receive a certificate after successfully completing all CUT and/or HRT courses listed in the Culinary Arts curriculum

COMMITTEES OF THE FACULTY

ADMINISTRATIVE COUNCIL

President, Vice President for Instruction, Vice President for Student Services, Vice President for Business Operations, Director of Admissions, Records, and Research, Dean of Adult and Continuing Education, Director of the Learning Skills Center, Dean of Career-Tech Instruction, Dean of Associate Degree Nursing Program, Division Chairs, Librarian, Director for Technology Management, Director of Workforce Development Center, Athletic Director, Vice President for Public Information, and Director of Maintenance. (Two faculty guests are invited each week during the academic year).

APPEALS COMMITTEE FOR ABSENTEES

Vice President for Student Services, Chair; Director of Admissions, Records, and Research; Counselor, Faculty, and Student

ACADEMIC PROBATION

Vice President for Instruction, Vice President for Student Services, Director of Admissions, Records, and Research, and Mrs. Roberta Holt

ADMISSIONS

Vice President for Instruction, Vice President for Student Services, Director of Admissions, Records, and Research, Peggy Clayton

ATHLETIC ADVISORY COUNCIL

Haywood Reeves, Chair; Chris Harris, Brenda Johnson, Maxine McKee, and two student representatives

BEAUTY PAGEANT

Maudean Sanders, Chair; Jared Brownlee, John Everett, Joan Grimes, Stacey Hollingsworth, Bubby Johnston, Tony Kinton, Christi Gregory, LeAnn Shirley, Susan Fox-Smith, Katie Sparkman, Ronald Westbrook, Ex Officio - Yearbook, and a student representative

BUDGET TASK FORCE

Mickey Vance, Chair; Dr. Lavinia Sparkman, Gene Davis, Mike Dearing, Wayne Eason, John Everett, Conrad Germany, Norman Gillis, Melanie Gilmore, Bruce Guraedy, Gloria Johnson, Joe Johnson, Joe Killens, Cynthia Odom, Linda Pierce

CONSTITUTION COMMITTEE

Phillip Crenshaw, Marc McCool, Don Price

CURRICULUM

Dr. Lavinia Sparkman, Chair; Michael Alexander, Dr. Lisa McMillin, Christi Gregory, Jim Clark, Sherri Cantey, Joe Johnson, Betsy Mann, Wayne Eason, Bruce Guraedy, Lanette Hanna, Joe Johnson, Donna Luke, Lori Luke, Fredrick Lyons, Polly Mayes, Gloria McRae, Wendy B. Moore, Linda Pierce, and two student representatives

DISCIPLINE

Dr. Lisa McMillin, Chair; Michael Alexander, Christi Gregory, Gloria Johnson, Joe Killens, ex-officio, and a student representative

DISTANCE LEARNING

Distance Learning Coordinator, Chair; Vice President for Instruction, Vice President for Student Services, Director of Admissions, Records, and Research, Director of Financial Aid, Dean of Adult and Continuing Education, Librarian, Tech-Prep Coordinator, Two academic instructors, Two career-technical instructors, Workforce Development Specialist, Webmaster

FINANCIAL AID APPEALS

Vice President for Student Services, Academic Counselor, Director of Financial Aid, Career-Tech Counselor, Director of Admissions, Records, & Research, Teresa Boykin, Scott McLemore, and Gail Wood

HOMECOMING

All personnel

HONORS COUNCIL

Linda Pierce, Chair; Bruce Guraedy, Dr. Lisa McMillin, Carol Shackelford

INTERCOLLEGIATE ATHLETICS

Athletic Director and All Head Coaches

INTRAMURAL

Scott Hill, Chair; Maurice Bowie, Glen Elarbee, Brent Gregory, Neal Holliman, Billy W. Smith, Kenneth Thompson, Terry Underwood, Michael Volarovich, Lucille Wood

LEARNING SKILLS CENTER ADVISORY COMMITTEE

Vice President for Instruction, Vice President for Student Services, Dean of Adult and Continuing Education, Michael Alexander, Debbie Boyd, Sherri Cliburn, Ann Durham, Christy Ferguson, Kevin Ryals, Lynn Selman, Katie Sparkman, Sylvia Wright, and two students-one freshman and one sophomore

LIBRARY

Gloria Johnson, Chair; Len Bobo, Patti Davis, Stella Dickerson, Thomas Fortenberry, Lisa Gorgas, Ruth Gregory, Linda Lane, Tosha Sanders, Laura Thorne, and student representative

LITERACY TASK FORCE

Gene Davis, Chair; Chris Clark, Sherri Cliburn, Tina Harris, Maxine McKee, Lisa O'Neill, Haywood Reeves, Melinda Smith, Stan Tucker, Roger Whitlock, Lucretia Williams, Bill Wilson

PUBLIC RELATIONS TASK FORCE

Bubby Johnston, Chair; Dr. Lisa McMillin, David Case, Gene Davis, Romonica Evans, Melanie Gilmore, Bruce Guraedy, Joe Johnson, Joe Killens, Donna Luke, Linda B. Pierce, Dr. Lavinia Sparkman, Mickey Vance, Roger Whitlock

RECRUITMENT AND RETENTION TASK FORCE

Joe Killens, Chair; Michael Alexander, Maurice Bowie, Jared Brownlee, Christi Gregory, Brenda Carson, Tom Carson, Gene Davis, Melanie Gilmore, Brent Gregory, Bruce Guraedy, Lanette Hanna, Tina Harris, Ricky Harrison, Bubby Johnston, Tony Kinton, Maria McLeod, Maudean Sanders, Katie Sparkman, Dr. Lavinia Sparkman, Mickey Vance, SBA President, and Warrior Corps President

SAC'S LEADERSHIP COMMITTEE

All Vice Presidents of the College

SAC'S QUALITY ENHANCEMENT COMMITTEE

All Personnel

SAFETY COMMITTEE

Mike Dearing, Chair, Nan Anderson, Joe Barrett, Wanda Brackeen, Katrina Bryant, Vicky Blaylock, Mary Boulton, Gene Davis, Katherine George, Robert Kilpatrick, Marc McCool, Vikki McNair, Joe Renaud, Gloria Rigdon, Christy Ravell, Curt Skipper

SCHOLARSHIP

Vice President for Student Services, Chair; Brenda Carson, Sue Ford, Wanda Hurley, Brenda Johnson, Mickey Vance

STAFF DEVELOPMENT

Deborah Hammons, Chair; Phillip Crenshaw, Kim W. Hardy, Gerald Jordan, Gloria McRae, Kelly Miller, Tosha Sanders

TECHNOLOGY PLANNING

David Case, Chair; Jim Blackburn, Kelly Cluff, Wayne Eason, Danny Gressett, Bruce Guraedy, Judith Hurtt, Gloria Johnson, Brenda Johnson, Joe Killens, Dr. Lisa McMillin, William Miles, Derek Pace, Linda Pierce, R. T. Purvis, LeAnn Shirley, Curt Skipper, Dr. Lavinia Sparkman, Mickey Vance

TITLE III PLANNING COMMITTEE

Dr. Lavinia Sparkman, Chair; Mickey Vance, Wayne Eason, Michael Alexander, Gene Davis, Ricky Harrison, Joe Killens, Joseph Knight, Sharon LeJeune, Dr. Lisa McMillin, Mary Ann Wright

GENERAL CALENDAR

2007-2008 REGULAR SESSION

First Semester Fall 2007

August 6, Monday	Begin Football, Soccer, & Band Practice
August 9, Thursday	New Faculty Orientation
August 10, Friday	Orientation & Registration for New Students
August 13-15, Monday-Wednesday	Faculty Meetings & Workshops
August 14, Tuesday	Fees Due
August 15, Wednesday	Residence Halls Open at 8:00 a.m.
August 16, Thursday	Begin Day Classes Late Registration Fee Charged
August 20, Monday	Begin Evening Classes
August 31, Friday	Last Day to Register or Change Classes for Evening and Day
September 3, Monday	Labor Day Holiday (Evening Classes Meet)
September 26, Wednesday	Last Day to Remove I's of Previous Semester
October 19, Friday	Mid-Term Grades Due By 4:00 p.m.
November 12, Monday	Spring Semester Advance Registration Begins
November 16, Friday	Last Day to Drop an Evening Course with a W Thanksgiving Holidays Begin at 3:15 p.m.
November 19-23, Monday-Friday	Thanksgiving Holidays
November 26, Monday	Resume Regular Class Schedule
December 3, Monday	Last Day to Drop a Day Course with a W
December 3-6, Monday-Thursday	Evening Final Exams
December 11-14, Tuesday-Friday	Day Final Exams
December 14, Friday	Christmas Holidays Begin for Students 12:30 p.m. Residence Halls Close 2:00 p.m. Final Grades Due 2:30 p.m.

Second Semester Spring 2008

January 1, Tuesday	New Year's Day Holiday
January 4, Friday	New Orientation & Registration Fees Due
January 6, Sunday	Residence Halls Open at 2:00 p.m.
January 7, Monday	Begin Day & Evening Classes Late Registration Fee Charged
January 21, Monday	Martin Luther King Holiday (Evening Classes Meet)
January 18, Friday	Last Day to Register or Change Classes for Day and Evening
February 15, Friday	Last Day to Remove I's of Previous Semester
March 7, Friday	Mid-Term Grades Due By 4:00 p.m. Spring Holidays Begin at 3:15 p.m.
March 10-14, Monday-Friday	Spring Holidays
March 17, Monday	Resume Regular Class Schedule
March 21, Friday	Easter Holiday
April 14, Monday	Fall Semester Advance Registration Begins

CHAPTER 2

GENERAL INFORMATION

PURPOSE OF THE COLLEGE

VISION STATEMENT

East Central Community College is committed to providing educational opportunities and services to assist individuals in meeting their goals for life and work.

MISSION STATEMENT

The College, located in east central Mississippi, is a public, open door, comprehensive, two-year institution of higher education that values and demonstrates accessibility, affordability, excellence and integrity in teaching and learning by providing university transfer education, career-technical programs, workforce development services, and basic skills offerings to meet the life-long learning needs of its diverse students and community.

INSTITUTIONAL GOALS

1. To provide effective instructional programs for the first two years of university-parallel curricula to prepare students for successful transfer to senior institutions.
2. To provide vocational, technical, and health-related programs designed to prepare students for immediate employment.
3. To provide a developmental program of instruction to raise basic skills levels of students whose academic foundation requires strengthening.
4. To provide enriched educational experiences for the academically talented students to enhance their academic challenges.
5. To provide guidance, counseling, and other student services to aid students in the attainment of personal, educational, and occupational goals.
6. To provide specialized training programs and services which will develop a productive workforce for new and expanding district businesses and industries.
7. To provide administrative services and technology to support the College in its commitment to offer a high quality, innovative educational program and services for its constituents.

8. To provide community services, continuing education programs, adult basic education programs, and GED preparation/testing to meet the educational, occupational, and personal needs of both youth and adults and to cooperate with high schools and service agencies in providing community education programs.
9. To provide a cultural and recreational center for the service area by offering a broad range of programs to enrich the community and to enhance creative expression in music, dance, theater arts, visual arts, sports, and recreation.

HISTORY OF THE COLLEGE

In 1928 the Legislature of the State of Mississippi adopted the first basic laws for the organization and operation of Mississippi public junior colleges.

East Central Community College opened its doors to a freshman class of twenty students for the first regular session in September of 1928.

The college occupied buildings that were a part of the Newton County Agricultural High School, which had been organized in 1914. The Agricultural High School was located on property belonging to the Decatur Municipal School District, which had been created in 1912. The upper high school grades that comprised the Newton County Agricultural High School were a part of the college until 1958 when they moved to the Decatur Attendance Center.

In March of 1939, East Central Junior College was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. It has been reaffirmed each decade since. Today the College holds membership in the American Association of Community and Junior Colleges, The Southern Association of Colleges and Schools, The Mississippi Association of Colleges, and The Mississippi Community and Junior Colleges Association.

Originally the institution was supported by three counties — Newton, Neshoba and Scott. Later they were joined by Leake and Winston.

From the two members of the original faculty of East Central Community College, Mrs. W.W. Newsome and Mr. Robert Marshall, the number of full and part-time personnel has increased to over 240 for the current year. Since its founding, seven presidents have served the institution.

COLLEGE PLANT AND EQUIPMENT

Through the cooperative efforts of the district and the state legislature, the College has experienced growth in buildings and facilities during the past several years. The College plant consists of approximately 150 acres with buildings and facilities now valued at over ten and one-half million dollars. There are twenty-six main brick buildings. All residence halls, classrooms and offices are air-conditioned. In addition to facilities sufficient to sustain the general education program, laboratories are provided for art, engineering drawing, audio visual education, applied music, dramatics, reading, athletic and recreation activities, and scientific and vocational education.

WALTER ARNO VINCENT ADMINISTRATION BUILDING

Occupied at the beginning of the 1978-79 school year, the administration building houses the offices of the president, vice president for instruction, vice president for business operations, vice president for foundation and alumni relations, dean of adult and continuing education, director for technology management, and the Board of Trustees' room. Proper vault facilities for the business office and adequate storage for all offices are provided in the building. The 7,995 square foot facility was built in 1962 as the library for the College but was renovated for administrative use when the Burton Library was occupied. It is modern, spacious, and comfortable and is located on the front of the campus adjacent to Huff Auditorium.

ERMA LEE BARBER HALL

With over 26,500 square feet, this dormitory houses approximately 128 women. This welcome addition to the campus was opened in the fall of 1999. The building is both aesthetically pleasing and very functional in design. It is equipped with all modern conveniences and meets all standards for fire safety and energy conservation.

ASSOCIATE DEGREE NURSING/CHILDCARE BUILDING

Containing over 20,000 square feet of floor space, this facility opened in 1996 and houses both the associate degree nursing and child care programs. This modern facility contains classrooms, lecture rooms, computer labs, and laboratories.

BRACKEEN-WOOD PHYSICAL EDUCATION BUILDING

This building was constructed in 1970 and is located near the football stadium. Offices for football, baseball, basketball, soccer, and softball are housed in this facility in addition to dressing facilities, the varsity basketball court, and the weight room.

BRADFORD J. TUCKER APPLIED TECHNOLOGY CENTER

Containing over 58,000 square feet of floor space, this facility opened in 1969 and houses automotive technology, collision repair technology, business and office technology, computer technology, drafting and design technology, electrical technology, electronics technology, heating and air conditioning technology, machine shop technology, and welding.

BURTON LIBRARY

Occupied during the 1976-77 school year, this building is located near the center of the campus and contains a large reading area, a conference room, a spacious lobby, librarians' offices, a workroom, a faculty reading room, nine study rooms, and a room for special collections. Total seating capacity, mostly at individual and grouped carrels, is 250; and shelving is provided for 50,000 volumes. Provision is also made for housing non-book materials. Closed circuit, public, or commercial television viewing is available in any area of the building. Other media include slides, filmstrips, audio and video tapes, film loops, and micro texts. Circulation is fully automated via an online catalog. This catalog is accessible via the Internet.

CROSS HALL

The science building contains the classrooms and laboratories for the biological and chemical sciences. In 1990, the chemistry laboratory was completely renovated with modern laboratory tables, equipment, and controlled, vented chemical storage areas added.

FACULTY HOUSES

There are thirteen of these houses located at various sites on the college property.

FOUNDERS GYMNASIUM

One of the original college facilities, the gymnasium has hosted many regional and state basketball events in addition to regular East Central games.

RICHARD C. ETHRIDGE HALL

Part of the old Newton County High School property purchased by the College in 1995, this facility is currently used by the College for the Gerontology Technology Program, academic classes, ABE/GED classes, and office space. The Decatur Public Library is also housed in this facility. This facility is located on South Campus.

HUFF AUDITORIUM

Located in the center of the front campus, Huff Auditorium is the most prominent building at East Central Community College. The auditorium was constructed in 1953 and named for J. Knox Huff who served as a mem-

ber of the Board of Trustees of East Central Junior College for twenty-three years. He served as Chairman of the Board from 1948 through 1952. This structure has a seating capacity of one thousand and is conveniently located at the front of the campus. The auditorium has excellent acoustics and equipment and is used by the College and community for a variety of activities. Located on the ground floor are faculty offices and the office of Public Information. A major refurbishing of Huff Auditorium was funded by donations to the East Central Community College Development Foundation, Inc.

JACKSON HALL

The freshman women's dormitory was remodeled in 1963, 1978 and again in 1989. It houses 125 women and contains the office and apartment of the dormitory supervisor.

LEAKE HALL

This two-story building containing sixteen apartments was originally constructed for married students. Today it is occupied by both faculty, honor students, and married students. A major renovation of this building was completed during the 1994 spring semester.

MABRY DINING HALL

Remodeled in 1979, this facility contains four dining rooms. The main dining room has a seating capacity of 300. Other dining rooms are the Gold Room, which seats 120; the Gordon Room, which seats 50; and the Magnolia Room, which seats 20.

NESHOBA HALL

This two-story dormitory for men was constructed in 1971. It consists of thirty-one rooms which house sixty-two students.

NEWSOME HALL

Completed in 1957, and renovated in 1989, the dormitory is equipped with modern furniture and appliances and accommodates fifty to sixty men and the dormitory supervisor. New p-tac units were installed in 2004.

NEWTON HALL

This two-story classroom building was constructed in 1975 and houses the English, Social Science, History, Journalism, Education, and Psychology departments. Also, sixteen faculty offices are located in this building along with several support facilities.

PHYSICAL PLANT

Is being used for storage at this time and will be demolished in the near future for the construction of the Davis Science Complex.

FRANK T. RIVES EDUCATIONAL BUILDING

Part of the old Newton County High School property purchased by the College in 1995, this facility is currently used by the College for the Surgical Technology Program, the EMT-Paramedic Program, the Practical Nursing Program, a Ceramics Lab, a Computer Science Lab, a Physics Lab, academic classes, and office space. This facility is located on South Campus.

F. CLINTON RUSSELL MAINTENANCE COMPLEX

Located on Hwy 15, this 16,588 sq. ft. facility houses the office of the Physical Plant Director and also provides space for the various maintenance equipment utilized by the college.

SCOTT HALL

This two-story dormitory for men was constructed in 1972. It consists of an apartment for the director of housing and thirty-one rooms which house sixty-two students.

SOUTH CAMPUS GYMNASIUM

Part of the old Newton County High School property purchased by the College in the fall of 1995, this facility is currently being used by the College for overflow athletic events and camps.

EDDIE M. SMITH STUDENT UNION

Student Services moved into this modern 12,500 square foot complex in the summer of 1999. This ultra modern building houses Student Services, Financial Aid, the Student Nurse, Admissions, Records, and Research, and the Career Center. This complex also contains conference rooms and counselors' offices. Phase II of the Student Union opened during the spring of 2006. This 20,749 square foot addition to the Student Union houses the Office of Admissions, Records, and Research, the Student Grill, Bookstore, Activity Center, Fitness Center, a computer lab, and a student lounge area.

TODD HALL

This dormitory for men was completed in 1957. It is arranged in suites rather than conventional halls found in most men's dormitories. Seventy two men are housed in this dormitory. A total renovation was completed in 1989 to bring this dormitory to present day standards for fire safety and energy conservation.

THE OVID S. VICKERS FINE ARTS CENTER

Occupied in 1969, this facility contains a 212 seat auditorium, a choral room, a band room, a music library, a listening room, classrooms, and art studios.

THE VOCATIONAL-TECHNICAL ANNEX BUILDING

Completed in 1969, this building is located on the north side of the campus and contains classrooms, offices, and laboratories for several vocational technical programs.

WINSTON HALL

This residence hall was completely renovated in 1989 and 1990 with structural changes to bring it up to modern standards for housing students. This renovation provided an energy efficient, attractive facility for men. It consists of forty-one rooms which house eighty-two students.

WORKFORCE DEVELOPMENT CENTER

Completed in 1995, this modern building has over 2,700 square feet. Its nine offices and conference room provide space for the industrial and economic development activities of the College.

ATHLETIC FIELDS/PRACTICE FIELDS

THE FOOTBALL STADIUM

Warrior Field anchors the North Campus Athletic complex and is located next to the Brackeen-Wood Physical Education Building. The stadium is lighted and has a public address system. In addition to college football home games, the facility is used for other athletic and institutional events.

HAND PRACTICE FIELD

This field is located South of the baseball field and includes a director's tower.

FOOTBALL PRACTICE FIELD

This practice field is located west of the football stadium.

INTRAMURAL FIELD

This playing field is located north of the baseball field and contains an area for intramural sports.

CHRIS GAY IV MEMORIAL BASEBALLFIELD/JAMIE CLARK STADIUM

Situated near the football stadium this well located facility was completed with a gift from the family of former student Chris Gay IV. It has up-to-date lighting, a press box, and aluminum seating.

SOCCER FIELD

The soccer field is located on the College's North Campus next to the women's softball field. This facility was completed in the summer of 1999.

TENNIS COURTS

Located north of Newsome Hall, this facility contains four lighted tennis courts.

WOMEN'S SOFTBALL FIELD

This lighted playing field is located north of the baseball field. Construction of this field was completed during the 1994 spring semester.

GARDENS, PARKS, RECREATION

THE DAY ARBORETUM

Established as a memorial to the Day family and the wife of the second president of the College, the arboretum is a campus teaching laboratory. The arboretum contains a variety of tree specimens that have been catalogued and published for students and groups to learn about various trees native to this area.

THE EAST MALL

This area is the living room of the campus and includes a patio and stage area for various events on campus. The mall also serves as the focal point of the Day Arboretum and is located between the Vincent Administration Building, Mabry Memorial Cafeteria, Newton Hall, and Huff Auditorium.

FITNESS TRAIL

Located on the north side of the campus, this one-half mile trail is lighted, landscaped, equipped with exercise stations, and is handicapped accessible.

HARRISON MEMORIAL GARDEN

This park is dedicated to the memory of Crystal and C. J. Harrison, children of Mr. Ricky and Mrs. Jeanine Harrison. The garden is centrally located.

DICK LIVINGSTON RECREATIONAL/STUDY TRAIL

Located on the north side of the campus, this trail is an extension of the one-half mile fitness trail and follows the contour of the College pond. This three-fourths mile trail is lighted, landscaped, and handicapped accessible. The trail is named in memory of Representative Richard L. "Dick" Livingston.

PAVILION

Located on the north campus, this structure is situated to provide a scenic view of the College Pond and the Dick Livingston Memorial Study/Recreational Trail. This structure is utilized by the College for various functions and is also available for use by the community.

SULLIVAN PARK

Located on the east side of campus adjacent to the College's tennis courts, this park was dedicated in memory of Ms. Janie Sullivan and was provided for by private donations. It has various plant life, modern lighting and park benches/tables providing enjoyment for the student body and the public.

STUDENT ORGANIZATIONS

Student organizations include:

Freshman Class, President's Council, Sophomore Class, and Student Body Association

Honor Society:

Phi Theta Kappa, Scholars Bowl

Curricular organizations include:

Alpha Alpha Epsilon, HOSA, Mu Alpha Theta, Phi Beta Lambda, Sigma Mu Tau, Student Education Association, and Skills-USA

Special interest organizations include:

Accents, Athletics, Band, Cheerleaders, Collegians, Diamond Girls, ECCC Choir, East Central Environmental Club, Gospel Choir, EC Business Club., Native American Association, New Directions, Residence Hall Councils, S.A.D.D., Warrior Corps, Adult Warrior Corps

Religious organizations include:

Baptist Student Union, Newman Club, Wesley Foundation, and Fellowship of Christian Athletes

Publications include:

Tom-Tom and Wo-He-Lo

CHAPTER 3

ACADEMIC POLICIES

REQUIREMENTS FOR ADMISSION

Implementation of specific admission policies is the responsibility of the administration and faculty of the institution. East Central Community College ascribes to an "open admissions" policy consistent with all applicable laws. The College embraces the philosophy that students be provided the opportunities for learning experiences, e.g. developmental courses, counseling, tutorial assistance, etc., that will help the individual students succeed in achieving their educational goals. Further, the College utilizes relevant diagnostic instruments to determine the strengths and needs of students in order to assist them in the selection of the most appropriate program options. There are no programs at East Central Community College designed for transfer to senior institutions that require a minimum ACT score for admission.

East Central Community College is committed to excellent post-secondary education opportunities. East Central does not exclude from participation in, deny the benefits of, or otherwise discriminate against any person in any program or activity of the College on the basis of race, religion, color, national origin, sex, and age or disability. This is in compliance with Title VI of Civil Rights Act of 1964; Title IX, Educational Amendments of 1972 of the Higher Education Act, Section 504 of the Rehabilitation Act of 1973, as amended and the American with Disabilities Act of 1990 (ADA).

ACADEMIC AND TECHNICAL STUDENTS

To be admitted as a full-time student to an academic or technical program, an applicant must meet one of the following criteria:

The completion of no more than one unit less than the minimum acceptable high school units as prescribed by law; or

1. A General Educational Development (GED) certificate; or
2. A High School Diploma; or
3. A Mississippi Occupational Diploma; or
4. An official transcript from an accredited college or university.

Before admission can be granted, the following must be on file in the Office of Admissions, Records, and Research:

1. An official college application which may be completed by using the form provided in the back of the catalog or online at the East Central Community College Web Page <http://www.eccc.edu>

2. One of the following criteria:

1. One of the following criteria:

- An official high school transcript (regular high school diploma or the Occupational Diploma) with a recorded graduation date and official school signature. **OR**
- A transfer student must submit an official transcript from an accredited college, preferably the last college attended. **OR**
- Individuals who have obtained the minimum acceptable high school units must submit an official high school transcript. **OR**
- An official General Educational Development (GED) transcript with a passing score.

2. Official scores on the American College Test (ACT), applicants 23 years of age and over are exempt from the ACT requirement except for certain specialized curricula.

Admission as an East Central Community College student does not guarantee admission to a specific program of study. Some programs have additional requirements for entry.

Students applying for admission to healthcare education programs must meet the same admission requirements as academic and technical students. Healthcare education programs have additional requirements for entry into each program. For specific admission criteria refer to program admission requirements.

LEGAL RESIDENT STATUS

East Central Community College observes the following definitions with regard to residential status of applicants and students as interpreted from laws engaged by the Mississippi Legislature. The College's district includes the following supporting counties: Newton, Leake, Neshoba, Scott, and Winston.

1. **General Rule for Adults.** The residence of an adult is the domicile, i.e., the place where the person physically resides with the intention of remaining or returning to if temporarily absent. MCA 37-103-13.
2. **General Rule for Persons under 21.** The residence of a person under 21 is that of the father, mother or general guardian (guardian appointed by a Miss. court). However, if custody has been granted to one parent, then the residency is that of the custodial parent. If both parents are deceased, residency is that of the last surviving parent unless the person under 21 lives with a general guardian (guardian appointed by a Miss. court). MCA 37-103-7 effective July 1, 2005. If both parents move out of Mississippi, a minor is immediately classified as a nonresident. MCA 37-103-11.

3. **When Residency Is Established.** A student may not be admitted as a resident unless residency is in Mississippi prior to admission. MCA 37-103-3. A person entering the state to enter an educational institution is considered a nonresident and remains a nonresident even if adopted by a Mississippi resident or registers to vote or owns land. MCA 37-103-5. See exception in MCA 37-103-25(2) which provides that if a nonresident (1) was born in Mississippi but relocated outside Mississippi as a minor in their father or mother's care, (2) is a veteran of the Armed Forces, and (3) is domiciled in Mississippi no later than six months after separation from service for the purpose of enrolling in a CC/IHL, then such person shall pay resident tuition and fees.

4. **Special Rule for Married Persons.** A married person may claim the residency of their spouse or independent status under MCA 37-103-15. MCA 37-103-13.

5. **Special Rule for Children of Faculty and Staff.** Children of parents who are members of the faculty or staff of a CC/IHL may be considered a resident for the purpose of attending that institution. MCA 37-103-9.

6. **Special MPACT Rule.** An MPACT beneficiary is considered a resident. MCA 37-155-5(d)(iii); MS AG Op., Patterson (Oct. 11, 1996).

7. Special Military Provisions.

a. **Active Duty in Mississippi and Mississippi National Guard.** Members of the Armed Forces on extended active duty in Mississippi and members of the Mississippi National Guard may be classified as residents. Resident status of those not residents of Mississippi per MCA 37-103-13 shall terminate upon reassignment for duty in the continental U. S. outside Mississippi. MCA 37-103-17. See MCA 37-103-21 for proof requirements.

b. **Status of Spouse and Children of Military Personnel on Extended Active Duty.** Resident status of a spouse or child of a member of the Armed Forces on extended active duty shall be that of the military spouse or parent during the time that the spouse or parent is stationed in Mississippi. Resident status continues if the military spouse or parent is reassigned from Mississippi to an overseas area (excepting training assignments en route from Mississippi). Resident status of a minor child terminates upon reassignment of the military parent for duty in the continental U. S. outside Mississippi. However, children who attain residency under this section and who begin and complete their senior year in high school in Mississippi and who enroll full-time in a CC/IHL for the fall after their graduation from high school maintain status as long as they remain enrolled in good standing (summer school is not required). MCA 37-103-19(1).

- c. Spouse or Child of a Member of the Armed Forces Who Dies or Is Killed. A spouse or child of a member of the Armed Forces who dies or is killed is entitled to pay resident tuition if the spouse or child becomes a resident of Mississippi within 180 days of the date of death. MCA 37-103-19(2).
 - d. Spouse or Child of a Member of the Armed Forces Stationed Outside Mississippi. If a spouse or child of a member of the Armed Forces stationed outside Mississippi establishes residency in Mississippi and registers with a CC/IHL, the CC/IHL will permit the spouse or child to pay resident fees and tuition regardless of the length of time that the spouse or child has resided in Mississippi. MCA 37-103-19(3).
 - e. Effect of Continuous Enrollment. If a member of the Armed Forces or their spouse or child is entitled to pay resident tuition and fees under MCA 37-101-19 while enrolled in a degree or certificate program, they may continue to pay resident tuition and fees in subsequent terms while continuously enrolled in the same degree or certificate program. (Student may withdraw or not enroll for one semester with medical documentation without losing status and no summer term is required. In addition, student's status remains unchanged even if they are no longer a member of the Armed Forces or the child or spouse of a member of the Armed Forces). MCA 37-101-19(4).
8. Aliens. Section 37-103-23 states that all aliens are classified as nonresidents. However, this section was declared unconstitutional in *Jagnadan v. Giles*, 379 F. Supp. 1178 (N.D. Miss. 1974), affirmed in part on other grounds 538 F.2d 1166 (5th Cir. 1976). No statutory provision addressing aliens and residency for tuition purposes is currently in effect. Accordingly, aliens should be treated in the same manner as other persons attempting to prove resident status for the purpose of determining tuition and fees charged by CC/IHL's.
- a. Immigrants Distinguished from Nonimmigrants. Under the Immigration and Nationality Act, aliens are classified as (1) "immigrants", i.e., persons seeking to be permanent residents, and (2) "nonimmigrants", i.e. persons seeking admission to the U. S. for a limited time, usually for a limited purpose.
 - b. Immigrants, Permanent Residents or "Green Card" Holders. Generally speaking, most persons having immigrant or permanent resident status ("green card" holders) have the ability to establish a domicile in Mississippi and to qualify as Mississippi residents.
 - c. Nonimmigrant Visa Holders. Most persons holding nonimmi-

grant visas, including F-1 student visas, will not be able to demonstrate the requirements for a Mississippi domicile because their visas are temporary in nature and U. S. approval of their visas may have required a determination that the persons intended to return to their country of origin after the purpose of their visas is concluded. This being the case, the person's domicile would remain in their country of origin. In addition, Section 37-103-5 provides that a person entering Mississippi to attend an educational institution is and remains a nonresident for tuition purposes. See 3 above. However, there may be instances in which nonimmigrants can establish residency in Mississippi due to special provisions or special circumstances. For example, in *Toll v. Moreno*, 458 U. S. 1, 102 S. Ct. 2977, 73 L.Ed. 2d 563 (1982), the United States Supreme Court concluded that, while Congress precluded many aliens in nonimmigrant categories from establishing domicile in the United States, it allowed G-4 aliens to establish domicile in the U. S.

9. Miscellaneous Provisions. Any student willfully presenting false evidence of residency is deemed guilty of a misdemeanor. MCA 37-103-27. Law is not to be construed as requiring the admission of nonresidents. MCA 37-103-29.

MISSISSIPPI VIRTUAL COMMUNITY COLLEGE

The Mississippi Virtual Community College is a cooperative of Mississippi's 15 community college districts and the Mississippi State Board for Community and Junior Colleges. Its mission is to provide educational opportunities to constituencies who live within the various community and junior college districts in Mississippi and to others beyond those boundaries.

Through MSVCC, students may take courses from colleges anywhere in Mississippi while getting support services from a local college. To take a course from a *remote* (provider) college, a student enrolls at a *local* (host) community or junior college. The host college supports the student with a full slate of student services including advisement and counseling, financial aid, and learning resources. The host college receives the student's tuition and fees. The host college awards credit for the course. The *remote* (provider) college provides the course instruction. Assignments, tests, and grades are administered by one of its instructors.

For this instructional service, the provider college receives the state's reimbursement for the enrollment.

This cooperative makes it possible for MSVCC colleges to leverage their distance learning resources—including faculty, course, support services, and technology—to benefit students throughout Mississippi and beyond.

East Central Community College is a participant in the Mississippi Virtual Community College. For a list of courses offered through MSVCC, please see the web site at www.msvcc.org.

HEALTH CARE EDUCATION STUDENTS

All nursing and healthcare education students are required to submit to a criminal background check with fingerprinting prior to any clinical laboratory experience in any hospital, nursing home, home health agency or hospice. According to Mississippi law, an individual may not be eligible for employment in a healthcare agency if the person has ever been convicted of a felony, or pleaded guilty to, or pleaded no contest to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-33-23 (f), child abuse, grand larceny, burglary, gratification of lust or aggravated assault, felonious abuse and/or battery of a vulnerable adult.

Acceptance into a nursing or healthcare education program is conditional pending results of a criminal background check at the applicant's expense.

Any student enrolled in a healthcare education program must agree to random drug testing at any point and any time during the program. The student is responsible for all expenses incurred with testing.

All students enrolled in a healthcare education program must carry professional liability insurance. The student is responsible for the expense.

An application to any of the healthcare education programs may be obtained from the Healthcare Education or Associate Degree Nursing administrative office.

ASSOCIATE DEGREE NURSING PROGRAM

The Associate Degree Nursing Program is designed to provide educational opportunities for qualified students desiring a career in nursing. The curriculum includes a balance of general education, nursing theory, and laboratory and clinical experiences. Graduates receive an Associate of Applied Science Degree (AAS) and those that meet the requirements of the State Board of Nursing are eligible to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN®). The State Board of Nursing may deny any application for licensure due to, but not limited to conviction of a felony, commission of fraud or deceit in the application process, or addiction to alcohol or other drugs. The Associate Degree Nursing Program is accredited by the Board of Trustees of State Institutions of Higher Learning of Mississippi and the National League for Nursing Accrediting Commission.

Admission Procedures

In order to be considered for admission into the ADN program. All admission requirements must be completed and submitted in a timely manner. All information and entrance materials must be submitted by April 15. Incomplete applications will not be reviewed for admission. All applications are evaluated on a competitive basis and meeting the admission criteria does not guarantee admission into the program.

Admission Requirements

1. The student must apply for regular admission and be accepted by the College.
2. The student must apply to the Associate Degree Nursing Program.
3. The student must have an ACT composite score of 18 and at least a 2.0 grade point average. Students with less than the ACT composite score of 18 must have completed anatomy and physiology I and II in addition to four other semester hours in the required ADN curriculum with a grade of "C" or better. Students with less than the ACT composite score of 18 are required to have an overall grade point average of 2.5.
4. Students must have a cumulative GPA of 2.00 or better.
5. All students are required to complete Anatomy & Physiology I (BIO 2514) and Anatomy & Physiology II (BIO 2524) prior to taking the first nursing course. An applicant may be accepted into the ADN program prior to completing these courses, but these courses must be completed in the summer prior to beginning nursing classes in the fall.
6. Students selected for admission into the ADN program must submit proof of the following items: physical examination (obtained in June, July, or August of the year of admission), immunizations against measles, mumps, rubella (MMR), or rubella titer, Hepatitis B vaccine, or signed declination statement, TB skin test (2 step TB test required if not tested in previous year) and American Heart Association Healthcare Provider Course (completed in June, July or August of year of admission).

Any student must agree to be randomly tested for drugs at any point and time while enrolled in the ADN program. The student is responsible for all expenses associated with testing.

The number of students admitted into the program will vary according to resources available. Qualified applicants will be given priority based on academic records. Students admitted to any nursing courses must adhere to the current catalog policies and the ADN Student Handbook.

Acceptance Criteria

To be considered for acceptance into the ADN program, the applicant's file in the Admissions Office and the ADN office must be complete. The

student is responsible for ensuring that the data in the file is correct and by the application deadline.

Qualified applicants will be considered by the admissions committee on a priority basis using the following criteria:

1. Applicants are grouped according to residency and priority is given to in-district residents first, then all other qualified applicants.
2. Grade point average based on required courses for ADN curriculum. A minimum grade of C is required on each ADN curriculum course. Students who have received a grade of D or F in more than six hours in the required ADN curriculum receive a ten-point deduction.
3. ACT composite score.
4. Anatomy and physiology and microbiology grades.
5. **ACT Scores:**

Enhanced	Points
Above 27	5
25-27	4
22-24	3
19-21	2
16-18	1
6. **College GPA on ADN Curriculum Courses:**

3.5 - 4.00	5
3.0 - 3.49	4
2.5 - 2.99	3
2.0 - 2.49	2

OR High School GPA with no college courses taken:

3.5 - 4.00	5
3.0 - 3.49	4
2.5 - 2.99	3
2.0 - 2.49	2
7. **ADN Curriculum Courses** completed with a grade of "C" or better:

A&P I & II and Microbiology	5
A&P I & II	4
A&P I	3
8. Associate in Arts Degree or Higher Degrees completed: 5

Acceptance into the program is once a year. Within two weeks following written notification of the applicant's admission status, the applicant must present the signed notification letter to the ADN office declaring intent to enter the next scheduled class. Failure to comply with this requirement negates the applicant's priority status, and vacancies will be filled based on available class slots using the acceptance criteria.

FEES AND EXPENSES:

The regular college fees are listed in the General Information section of the catalog. These are additional costs specific to the ADN Division. These costs are an estimate only and are subject to change.

Lab fees per semester	60.00
(covers cost of malpractice insurance and drug screen)	
Uniforms and accessories for program	200.00
Required textbooks	700.00
Health Requirements	150.00
Assessment testing	200.00
Nursing pins (optional)	36.00 - 160.00
Criminal Background Check	65.00
Course Objectives and Handouts per semester	15.00
Transportation costs to and from clinical sites	
Nursing class portraits	25.00
NCLIX-RN® application fees	260.00

PROMOTION POLICIES:

In addition to the college probation and suspension policy, a grade point average of 2.00 in each nursing curriculum course is required. A student enrolled in nursing is required to be full-time (12 semester hours). A student must maintain a "C" or better average in each nursing course, score 100% on drug calculations test in NUR 1116, 1129 and 2149 and successfully pass clinical testing. A failure in clinical testing or any "critical skill" including dosage calculations constitutes an "F" for that course. Students are eligible to repeat one nursing course and the program of study must be completed within four years of first admission. The nursing faculty reserves the right to retain and admit only those students who demonstrate evidence of performing safe acts of nursing.

LPN TO ADN BRIDGE PROGRAM FOR ASSOCIATE DEGREE NURSING

Applications for the LPN to RN Upgrade/Bridge Program may be obtained from the Associate Degree Nursing Program Office after August 1 each year and returning the application packet to the office. Application deadline for the Spring class is November 15.

Admission Requirements:

1. The student must apply for regular admission and be accepted by the College.
2. The student must complete a Healthcare Education Program application packet for the Associate Degree Nursing Program. Forms and required documentation must be returned to the office of Associate Degree Nursing by August 15th.

3. The student must have an ACT composite score. Students must have a cumulative GPA of 2.5. Students must have at least a "C" in all nursing curriculum courses.
4. Hold a current unrestricted license to practice as a licensed practical nurse in Mississippi.
5. Have one-year clinical work experience within the last five years; documentation from employer(s) must be submitted with application.
6. Score 80% on math assessment test given prior to admission.

Prerequisite courses:

Anatomy and Physiology I
 Anatomy and Physiology II
 Human Growth & Development
 Microbiology
 English Composition I
 English Composition II

The acceptance criteria are the same as for the two year ADN program. Post acceptance requirements are the same as all other ADN students.

All information pertaining to the Associate Degree Nursing Program may be found in the East Central Community College catalog or by contacting NLNAC, 61 Broadway, New York, NY 10016 or by telephone at 1-800-669-9656.

ADMISSION REQUIREMENTS FOR EMERGENCY MEDICAL TECHNICIAN (EMT) BASIC

Applicants must be a high school graduate or GED. All applicants must be 18 years of age. All students must have a minimum ACT score of 16 or minimum TABE (Level A most recent edition) score of 10. Submit Healthcare Education application along with (1) proof of a negative 2 step TB skin test or negative chest x-ray, (2) a satisfactory criminal background check, (3) a negative drug screen (at student's expense), (4) complete a CPR class (at student's expense), and (5) verification of physical ability to do the job of EMT by a physician or nurse practitioner to the Career-Technical Counselor. Once all requirements are met, the student is enrolled in EMT 1116. After enrollment in the EMT Basic course, the student must purchase personal liability insurance (at student's expense) and show proof of Hepatitis B immunizations.

ADMISSION REQUIREMENTS FOR EMERGENCY MEDICAL TECHNICIAN (EMT) - PARAMEDIC

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the pro-

gram. Applicants are evaluated on ACT score, academic course work, GPA, and health care work experience. All applicants:

1. Must complete a Healthcare Education Program Application packet. Forms and required documentation must be returned to the office of the Dean of Healthcare Education by May 31st;
2. Must be eighteen (18) years of age or older;
3. Must hold Mississippi EMT-Basic Certification;
4. Must have a high school diploma or GED;
5. Must submit an enhanced ACT score of 16 or higher;
6. Completed BIO 2514-Anatomy and Physiology I with a grade of "C" or better;
7. Must be in good physical and emotional condition for the demands of the paramedic, as verified by a medical examination and certifying report;
8. Students accepted under items 1-6 above are accepted tentatively pending: (a) acceptable criminal background check and (b) a health evaluation form (to be completed in Oct., Nov., Dec of the year of admission by a physician or nurse practitioner).
9. All students accepted to the program must show proof of current CPR Healthcare Provider Certification.
10. Students who are accepted into the program must (1) show proof of a negative 2 step TB skin test or negative chest x-ray, (2) have a satisfactory criminal background check, (3) have a negative drug screen (at student's expense), (4) show proof of rubella, and hepatitis B immunizations.

ADMISSION REQUIREMENTS FOR PRACTICAL NURSING

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program. Applicants are evaluated on ACT score, academic course work, GPA, PAX-PN, and health care work experience. All applicants:

1. Must complete a Healthcare Education Program Application packet. Forms and required documentation must be returned to the office of the Dean of Healthcare Education by May 31.
2. Must be eighteen (18) years of age or older.
3. Must be a high school graduate or submit satisfactory GED scores.
4. Must take the NLN Pre-Admission Examination-PN (at student's expense) and have a minimum score of 40th percentile.

5. Must have a TABE (Level A most recent edition) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading;
6. Must be recommended for admission by the Practical Nurses Admissions Committee.
7. Students accepted under items 1-5 above are accepted tentatively pending: (a) acceptable criminal background check and (b) a health evaluation form (to be completed in May, June, or July of the year of admission by a physician or nurse practitioner).
8. All students accepted to the program must show proof of current CPR Healthcare Provider Certification.
9. Students who are accepted into the program must (1) show proof of a negative 2 step TB skin test or negative chest x-ray, (2) have a satisfactory criminal background check, (3) have a negative drug screen (at student's expense), and (4) show proof of rubella and hepatitis B immunizations.

MEDICAL OFFICE TECHNOLOGY (MOT)

To be admitted to the Medical Office Technology Program (MOT) applicants must meet the admission requirements for Academic and Technical students listed previously.

ADMISSION REQUIREMENTS FOR SURGICAL TECHNOLOGY

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program. Applicants are evaluated on ACT score, academic course work, and GPA. Completed Healthcare Education application must be submitted to the Office of Healthcare Education by May 31 for spring admission.

1. Applicants must be a high school graduate or GED.
2. All applicants must be 18 years of age before program completion.
3. Must have a TABE (Level A most recent edition) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading;
4. Applicants must be recommended by the Surgical Technology Committee.
5. Students who are accepted into the program must (1) show proof of a negative 2 step TB skin test or negative chest x-ray and rubella and hepatitis B immunizations (2) have a satisfactory criminal background check, (3) have a negative drug screen (at student's expense), and (4) complete a CPR Healthcare Provider course (at student's expense).

ADMISSION REQUIREMENTS FOR HEALTH CARE ASSISTANT PROGRAM

Applicants must be a high school graduate or GED. All students must have a minimum ACT score of 16 or minimum TABE (Level A most recent edition) score of 12. Completed Healthcare Education application must be submitted by May 31 for fall admission. All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program.

Students who are accepted into the program must (1) show proof of a negative 2 step TB skin test or negative chest x-ray, (2) have a satisfactory criminal background check, (3) have a negative drug screen (at student's expense), and (4) complete a CPR class (at student's expense).

TRANSFER STUDENTS

Students desiring to attend East Central Community College after having attended another regionally accredited college must meet the same requirements as entering freshmen. Students with records indicating unsatisfactory standing may be accepted on probation if individual cases indicate a reasonable chance of success in the program selected. If a student is accepted on probation, he/she must make satisfactory progress at the completion of one semester or he/she will be suspended for one semester.

TRANSFER CREDITS

Acceptable credits transferred by students are reproduced on the students' permanent records at East Central Community College. This action signifies that the credits are judged valid. Only those courses that average "C" or better will be entered on the record and applied toward graduation when the transferred average is less than "C." This will be completed by the end of the first semester in which the student is enrolled.

Coursework transferred or accepted for credit must represent collegiate coursework relevant to the degree, with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in the institution's own undergraduate degree programs.

CAREER STUDENTS

To be admitted as a full-time student to a career program: welding or carpentry and cabinet-making, an applicant must:

1. Be of legal working age (18) before program completion;
2. Complete a federally approved ability-to-benefit test;
3. Have an official application and a transcript from the last school attended on file in the Office of Admissions, Records, and Research;

4. Complete an interview with the career counselor or with an instructor in the program of choice.

To be admitted to the cosmetology program, an applicant must:

1. Be a high school graduate or the equivalent.
2. The student must make a 14 (composite in English and math) on the ACT or score 8th grade equivalent or above as measured by the TABE Standardized Test administered by East Central Community College personnel;
3. Upon notification of the above requirements being met, the applicant will have a personal interview by the Cosmetology Admissions Committee.
4. The applicant must be recommended for admission by the Cosmetology Admissions Committee.

INTERNATIONAL STUDENTS

International students with acceptable scholastic records and proven English proficiency will be considered for full-time admission as freshmen or as transfer students. Freshman applicants must be graduates of recognized secondary schools comparable in level to the American high school.

Transfer applicants are considered on the basis of secondary school records and records of postsecondary study (college, technical school). Factors considered in making the admission decision are grades earned, subjects to be taken, ability to carry a full course of studies, satisfactory scores on the East Central Community College placement tests, proof of financial responsibility, and proof of health insurance.

Applicants, both freshmen and transfer, whose native language is not English are required to submit a score of at least 500 on the paper-based or 173 on the computer-based Test of English as a Foreign Language (TOEFL) and must have a score on the ACT.

The following materials must be in the Office of Admissions, Records and Research at least 60 days before the beginning of the semester in which admission is desired:

1. An application for admission form.
2. A certified copy of all high school and/or college transcripts of previous credits earned.
3. Information showing sufficient financial support.
4. Proof of health insurance.
5. A copy of Form I20.

1. In addition to the regular tuition and fees paid by in-state students, international students will be assessed out-of-state fees payable at registration. See general information in Chapter 4.
2. Dormitory facilities will be available each semester only after in-district and in-state students have been housed.

PART-TIME STUDENTS

Part-time students must meet the same admission requirements as do full-time students.

SPECIAL ADMISSION

In conformity with Section 37-29-1, Mississippi Code of 1972 as amended in 1998, East Central Community College will admit students who have not completed the requirements for regular admission to the College but who meet the enrollment criteria specified in either policy 4.1.6.1 or 4.1.6.2.

DUAL ENROLLMENT

Students may be granted part-time admission status at East Central Community College while concurrently enrolled in high school if they meet the following admission requirements:

1. Have completed a minimum of fourteen (14) core high school units (Students who do not have fourteen (14) core high school units but who have a composite score of thirty (30) on the ACT Assessment may be considered for enrollment).
2. Have a minimum 3.0 cumulative GPA on a 4.0 scale for high school work completed, and
3. Have the unconditional recommendation of their high school principal or guidance counselor.

EARLY ENROLLMENT

Students may be admitted as regular students at East Central Community College if they meet the following admission requirements:

1. Have completed a minimum of fourteen (14) core high school units,
2. Have a minimum composite score of twenty-six (26) on the ACT Assessment,
3. Have a minimum 3.0 cumulative GPA on a 4.0 scale for high school work completed, and
4. Have the unconditional recommendation of their high school principal or guidance counselor that said enrollment is in the best educational interest of the student.

The credit earned at East Central Community College by students admitted under the Early Enrollment Policy will be available for transfer or for meeting the requirements for graduation from the College after the student has successfully completed one (1) full semester of course work.

CONTINUING EDUCATION UNITS

To participate in non-credit (CEU) programs or courses, a student should complete an application form and be of sufficient maturity for the course desired. (Ten hours of instruction are equal to one CEU.) NOTE: No transcript, certificate, test scores, or anything in addition to a completed application is required.

ENGLISH AND MATHEMATICS PLACEMENT

Placement in mathematics and English courses will be based upon ACT scores in the subject areas and/or assessments.

Competency in the areas of English and mathematics will be determined based upon skills demonstrated in the combined criteria enumerated above.

Any student enrolled for nine or more credit hours must enroll in the appropriate English course sequence, Developmental I, II, Composition I or II, during the earliest consecutive semesters of such enrollment.

ACT WAIVER FOR ADULTS

Students who have been out of high school for five or more years, or those who are 23 years of age or older will have the ACT requirement waived except for those who wish to enroll in specialized programs.

BENEFITS FOR VETERANS

East Central Community College is an approved institution for providing education training for veterans. The Director of Admissions, Records, and Research serves as Veterans Advisor and offers assistance in handling matters pertaining to veterans at the College.

SELECTIVE SERVICE

Information and assistance in handling matters concerning Selective Service for students are available in the office of the Director of Admissions, Records, and Research.

NATIONAL GUARD, VETERANS PREVIOUS EDUCATION, SERVICE MEMBERS OPPORTUNITY COLLEGES; EVALUATION, CREDIT, AND TRANSFER

The College maintains a written record of the previous education and training of each veteran enrolled and appropriate credit is given. When the training period has been shortened proportionately as a result of previous education and training, the veteran or eligible person and VA are so notified.

East Central Community College is a participant in the Mississippi National Guard Higher Education Program. Credit earned in the armed forces is evaluated based upon the recommendations of the American Council on Education. The College is also a member of Service-members Opportunity Colleges (SOC). Seven semester hours of credit can be established on a veteran's record when a copy of the DD214 is presented to the Director of Admissions, Records, and Research. These hours include:

- A. 4 semester hours of Physical Education
- B. 3 semester hours of Personal and Community Health

No credit is granted by East Central Community College on the General Education Development Test. No credit is established by the College for experiential learning but credit is accepted when transcribed by another accredited college.

EAST CENTRAL COMMUNITY COLLEGE SCHOOL STANDARDS OF PROGRESS AS REQUIRED BY VA REGULATIONS 14253 [D]

1. EXAMINATION OF RECORDS:

The College records and accounts pertaining to veterans and eligible persons are readily identifiable and available for examination by authorized representatives of the Government.

2. ENTRANCE REQUIREMENTS:

Proof that entrance requirements to East Central Community College have been met prior to enrollment are a part of the veteran's and eligible person's permanent record. They also include the grade in each subject per semester, record of withdrawals, and the number of absences from any subject. These records are maintained in the Office of the Director of Admissions, Records, and Research.

3. PREVIOUS EDUCATION AND TRAINING RECORDS:

The school maintains permanent records showing previous education

and training. Enrollment certificates submitted to VA reflect proper credit for previous education and training according to the policies of the College.

4. PROGRESS RECORDS:

In the academic and technical program, the school records show grades of A, B, C, D, F, W (withdrawal, no grade), I (incomplete grade which is temporary and is changed to a grade of A, B, C, D, or F on completion and is used in the overall grade point average of the student).

The State Veterans Affairs Approving Agency requires that "I" grades be considered as F's in computing grade point averages. This procedure is followed in all reports to the Veterans Administration concerning the student's status. Course changing is not allowed after the first two weeks of classes. Any time a student quits a course without officially withdrawing, a final grade of "F" will be recorded.

The VA will be promptly notified when a veteran or other eligible person drawing VA benefits changes his course load from full-time to part-time or reduces his part-time load.

Veterans who are attending East Central Community College in the Academic and Technical programs must pass a certain number of hours each semester, the same as regular students, to remain in good standing. Students must pass nine semester hours and earn 18 quality points to remain in good standing. Quality points are assigned per semester hour the following way: A-4 quality points; B-3 quality points; C-2 quality points; D-1 quality point; and F-0 quality points.

For the Veterans and other eligible persons, East Central Community College will apply the probation and suspension policies as listed in this catalog.

5. ATTENDANCE RECORDS:

East Central Community College maintains schedule and permanent record cards. The last date of attendance is reflected when one drops a course. The number of absences in any particular course is placed on the final Grade Report and also in the teachers' grade book which is turned in at the end of the term and is filed for records and is available in the Director of Admissions, Records, and Research's office. An individual is allowed absences per semester equal to twice the times a class meets per week in addition to any official absences representing the College. This policy is given in detail elsewhere in this publication.

SOPHOMORE STATUS

Before a student can be classified as a sophomore, he/she must have earned a minimum of 28 hours or its equivalent from an approved college.

TESTING SERVICE

East Central Community College is a fully participating institution in the American College Testing Program and administers the test on all nationally scheduled testing dates. The ACT test is also administered on a residual basis upon request.

East Central also administers and utilizes the Test of Adult Basic Education (TABE) in its Special Populations and Adult Basic Education program. The Accu-placer is used to determine eligibility in the Ability to Benefit for financial aid. Further, the General Educational Development Test (GED) is administered on a monthly basis.

SCHOOL TERMS AND PERIODS

East Central operates on the semester system. There are two regular semesters which begin in August and in January. During the summer, there is an eight (8) week summer session divided into two four-week terms, a ten-week evening session, and a three-week intersession. The College also offers courses at other times to meet the needs of students.

Lecture periods meet a minimum of 50 minutes. Laboratory periods are equivalent to two lecture periods. Semester hours of credit are granted on the number of lecture and/or laboratory periods the class meets per week for one regular semester. A semester hour of credit is equal to 750 minutes of instruction.

Classes are also offered off-campus at various locations throughout the five county district.

RECORDS

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

East Central Community College is in compliance with provisions granted under the Family Educational Rights and Privacy Act of 1974. Under this law, students enrolled in any educational institution receiving federal funds are given certain rights concerning school records.

The following rights are accorded to students under this act:

1. Students are entitled to have access to school records upon request.

2. Request for access to records concerning academic grades, transcripts and absences should be filed with the Director of Admissions, Records, and Research. Request for access to records concerning test scores administered by East Central Community College counselors, financial aid, and other personal data should be filed with the Vice President for Student Services.
3. Students are entitled to inspect and review the contents of their school records and to challenge the contents if they feel the contents are inaccurate, misleading or inappropriate. If a student wishes to challenge the contents, the Director of Admissions, Records, and Research or Vice President for Student Services will provide a written copy of procedures to be followed.
4. Before any school records will be released to third parties (colleges, potential etc.) who have requested copies of school records, the school must have the students' written consent.
5. Upon receipt of a subpoena or judicial order requiring the Director of Admissions, Records, and Research and/or Vice President for Student Services to supply a student's records, the requested action will be taken.
6. Whenever a student seeks to enroll in another institution outside this district, the student must approve transfer of the record.
7. The law allows "directory information" about students to be made public without specific permission. Students are entitled, however, to request the deletion of certain information from school directories. Any request for deletion of directory information must be made within fourteen calendar days from the date of registration. Forms for requesting the deletion of information may be secured from the Office of the Director of Admissions, Records, and Research. The following items are considered directory information:
 - Name
 - Degrees and Awards Received
 - Address
 - Phone
 - Dates of Attendance
 - Major Program
 - Height/Weight of Athletes
 - E-Mail Address
 - Enrollment Status
 - Date and Place of Birth
 - Photograph
 - Grade Level
 - Participation in Officially Recognized Activities and Sports

GRADING SYSTEM

A - 92-100
 B - 83-91
 C - 74-82
 D - 65-73

F - Failure
 W - Withdrawal
 AU - Registered for Audit
 I - Incomplete, but can be made up

A progress report is made to all day students at mid-term of each semester.

INCOMPLETE GRADES

A grade of "I" (incomplete) may be submitted in lieu of a final grade when the student, because of illness, death in the student's immediate family, or similar circumstances beyond the student's control, is unable to complete the course work or to take final examinations. The student must have in writing, an approval by the Director of Admissions, Records, and Research before the student can complete this course work.

An "incomplete" on final semester grades must be removed by completing the required work by the end of the first six weeks of the next semester or a grade of "F" will be recorded by the Director of Admissions, Records, and Research. The individual student has the responsibility of making the necessary arrangements with the instructor concerned.

APPEAL PROCEDURES FOR GRADES

See Student Complaint Procedures

HONORS AND QUALITY POINTS

HONORS — Special recognition is given those students doing outstanding work in their academic subjects at the end of each grading period and at graduation. The honors are based on quality point averages.

HONORS	Required Quality Point Average
President's List	4.00
Dean's List	3.50
Honorable Mention	3.00

QUALITY POINTS — Quality points are based on the grade and number of hours credit for each course and are computed as follows:

GRADES	Quality Points
A	4 for each semester hour
B	3 for each semester hour
C	2 for each semester hour
D	1 for each semester hour
F	0 for each semester hour

The last grade in each course attempted will be counted for quality point purposes.

HONORS PROGRAM

The purpose of the Honors Program at East Central Community College is to provide enriched educational experiences for the academically talented students. Specially designed honors classes are offered to stimulate the honor student's spirit of inquiry and to provide opportunities for more in-depth study in several subject areas.

An Honors Council chaired by the Director of the Honors Program has been established. It is the responsibility of the council to coordinate the honors courses and to promote an atmosphere of intellectual stimulation and camaraderie among the academically talented students.

The Honors Program provides students the opportunity for independent projects and research, for greater intellectual challenge, and for association with others of similar abilities and interest.

HONORS PROGRAM ELIGIBILITY

In order to enroll in the Honors Program a student should have a superior ACT score, a superior grade point average, and an invitation from the honors faculty. Courses are scheduled so that a student may participate in all honors courses or in any combination of courses. Courses offered include: Elementary Functions, Honors English Composition I, Honors English Composition II, Honors English Literature I, and Honors English Literature II.

Students with a Math ACT score of 25 and a score of 30 or above on a math assessment administered by the East Central Community College math faculty are eligible to enroll in Elementary Functions. Students with a 25 composite and a 27 English score on the ACT are eligible to participate in Honors English. Students with a 25 composite and a 25 reading score on the ACT are eligible to participate in Honors American History I.

Students are invited to enroll in Honors English Literature based on grades in previous English courses, ACT scores, and teacher recommendation.

ADVANCED PLACEMENT/CREDIT BY EXAMINATION

East Central has two provisions for granting credit by advanced placement of students and one provision for granting credit by examination.

Provisions for Advanced Placement in Vocational-Technical Instruction

East Central Community College will grant credit for selected courses in certain Applied Science and Certificate programs under the following conditions:

1. Applicant for credit meets all college admissions requirements and is a registered full-time student in good standing in one of ECCC's career-technical or certificate programs, and
2. Applicant has maintained at least a "B" average in the high school course for which articulated credit is requested, and
3. Applicant has on file a written recommendation from the high school instructor and vocational director, and
4. Applicant has successfully completed two units in high school in the approved area with an A or B average, and applicant has passed a competency exam administered by East Central Community College with a grade of "85" or higher, and
5. College credit will be held in escrow until the student has completed the prescribed courses in a specific program. The credits will be included on the student's official college transcript with the designation of "satisfactory" and counted toward the appropriate degree or certificate. Following provisions of the Southern Association of Colleges and Schools, these courses will be identified as advanced standing in the articulated area and identified on the college transcript as such.

Each articulation agreement will be updated as the curriculum is revised.

It is understood that should a student intending to receive credit under this agreement fail to make satisfactory progress in the next higher sequential course, the student may transfer back to the beginning level course.

It is further understood that a high school graduate may exercise this privilege no later than the beginning of the third year following graduation.

THERE WILL BE NO CHARGE FOR ADVANCED STANDING CREDIT.

Advanced Placement Examination

Students who make a score of three (3) or higher on the Advanced Placement (AP) test will be given credit for the course at East Central. Generally an AP score of three (3) will result in awarding three (3) semester hours credit in the subject area. More than three (3) semester hours credit may be awarded for AP scores of four (4) or five (5) when approved by the appropriate division chairs working in conjunction with departmental faculty and the Vice President for Instruction. Academic credit established

through AP will not carry a letter grade and will not be included in calculating the quality point average.

College Level Examination Program (CLEP)

East Central Community College welcomes students from a wide variety of backgrounds and learning experiences. Some students come to ECCC with a firm grounding in a number of disciplines. ECCC recognizes and honors their prior learning by accepting College-Level Examination Program (CLEP) tests, which measure a student's mastery of college-level introductory course content in a wide range of subjects. Students meeting the credit-granting score in any of the tests listed below will be granted course credit and a grade of "Z" will be entered on their transcript.

Exam	Score	Credit	Equiv. Course
Am. Literature	50	6 hrs.	ENG 2223, 2233
Eng. Comp. Fresh.	50	6 hrs.	ENG 1113, 1123
Eng. Literature	50	6 hrs.	ENG 2323, 2333
College Algebra	50	3 hrs.	MAT 1313
Trigonometry	50	3 hrs.	MAT 1323
Biology	50	6 hrs.	BIO 1133, 1143
Chemistry	50	6 hrs.	CHE 1213, 1223
Calculus w/ Elem. Functions	50	3 hrs.	MAT 1613

Students may earn CLEP credit at ECCC only in courses taught at ECCC. The maximum number of CLEP credits that may be earned is 45 semester hours per student.

Students who transfer to ECCC after earning CLEP credit through another institution must submit official copies of their scores to the Director of Admissions, Records, and Research. The scores will be evaluated and credit granted following the same scale as for other ECCC students.

ACADEMIC PROBATION AND SUSPENSION

A student who fails to pass nine semester hours and to earn 18 quality points during a regular semester will be placed on probation until the academic record meets this minimum standard. If the minimum requirements are not met for two consecutive semesters, the student will be suspended for one regular semester. If the suspension occurs at the conclusion of the spring semester, it may be removed by attending summer school and improving the record to the stated minimum. Deviation from this policy will be made only with the approval of the Academic Probation Committee.

The above policy will also apply to all transfer students.

COURSE CHANGE

A fee of \$5 is assessed for a change in schedule after the date a student's schedule is entered.

CHANGING PROGRAM

A student should discuss any proposed changes in his program with his/her advisor. No student will be permitted to register in a new course after the second week of any regular semester.

PROGRAM OF STUDY

A student registering for 12 or more semester hours will be considered a fulltime student and should follow one of the curriculums as outlined.

CLASS ATTENDANCE AND ABSENCES

When a student enrolls in a course, the student assumes the responsibility for attending all class meetings, completing all assignments, and otherwise satisfying the requirements of that course. Realizing that from time to time there may be just cause for absence, the College has established the policy outlined below.

The student should discuss with the instructor the impending absence before it occurs if possible or immediately after his/her return to class if the absence was an emergency. The student is responsible for all work missed regardless of the reason for being absent.

1. Official absences are those incurred when students miss class while officially representing the College. The College sponsor of the group supplies a list to the Director of Admissions, Records, and Research's Office in advance, and instructors are notified from that office before the next meeting of the class following the absence. Official absences will not count in the total number of absences allowed.

2. Unofficial absences occur when students who are not representing the college miss class. Total unofficial absences per class may not exceed three for a class that meets once per week, four for a class that meets twice per week, six for a class that meets three times per week, eight for a class that meets four times per week or ten for a class meeting five times per week. Exceptions to this policy include classes that meet less than a full semester; Mississippi Virtual Community College Classes, associate degree nursing classes, and some of the career and technical classes. The instructor will notify students in these classes of the absentee policy in those particular classes in writing at the beginning of the semester. Tardies, which equal the number of times the class meets per week will constitute an unofficial absence. (Exception: For classes, which meet once per week, three tardies will constitute an unofficial absence.) If a student exceeds these numbers of absences he/she will be cut out of class and will receive an "F" for the course.
3. The student who misses announced tests or class assignments due to unofficial absences must have approval of the instructor to take make-up tests or to complete assignments. Approval will not be granted unless the student presents a valid reason for having been absent.
4. The student has the right to appeal if he or she feels that there were extenuating circumstances for exceeding the allowable number of absences or for being cut out of class and receiving an "F" for the course. Within ten (10) days of being cut out of the class (es), the student should submit to the Vice President for Student Services a written letter of appeal giving all reasons for the appeal. The Vice President for Student Services will contact the instructor and discuss the reasons and excuses. The Vice President will then meet with the student and will decide whether or not the student should be placed back into the class. If the student is readmitted, he/she will sign a form stating that they will not be tardy or absent from the class for the remainder of the semester and if they are, they will be dropped with a grade of "F" and will not have the opportunity to appeal again. If the Vice President for Student Services denies the student reentry, he/she will have the opportunity to appear before the Absentee Appeals Committee. This committee will include the Vice President for Student Services, the student's instructor, the academic or vocational counselor (depending on classification of student), an administrator-at-large, an instructor-at-large, and an officer of the Student Body Association. A majority vote will be necessary for the student to be reinstated in class. Should the matter not be resolved to the student's satisfaction through the Absentee Appeals Committee, the student has the right to appeal to the President of the College within 24 hours. Such appeals must be made in writing with all reasons for the appeal given. The last step in the appeals process will be the hearing before the President.

DROPPING A COURSE

If a student desires to drop a course, the student may do so at any time with proper approval from their advisor or teacher and a counselor. There is no charge for dropping a course.

Unofficial withdrawal from a course at any time during the semester will result in a grade of F. No student can drop a course within five class days prior to the first day of final examinations.

REPEATING A COURSE

A student may repeat any course taken at East Central Community College that is recorded on his/her transcript. The last grade earned in any repeated course will be the grade used for determining credit and the GPA applicable to graduation. The prior East Central course grade on the student's transcript will be marked through and will not count for or against the student in ascertaining graduation requirements or GPA.

(NOTE: This policy only pertains to credits earned at East Central Community College.)

EXEMPTION

Any student who has applied and been accepted as a candidate for graduation may be exempt from the final examination of any course in which the student has at least a B average as of the last regular class meeting. Exemption of graduates and types of examinations (unit or comprehensive) are left to the discretion of the instructor.

PRE-REGISTRATION TESTS

The American College Test will be administered to all academic and technical students under age 23 who have not previously taken it. The results will be used in classification. Assessment tests are given in English and Mathematics to students over the age of 23 who have not taken the ACT. Students will be placed in these courses based on ACT scores.

ORIENTATION

All students entering East Central Community College for the first time must participate in the orientation program. This program consists of two parts:

- (1) **Advance registration** is held on five specific dates each summer. On these dates, students are assigned to faculty advisors who help in proper course selection. Handbooks are distributed and Math and English assessments are given to those students that qualify to take them. Students can have their ID made, purchase a car decal, check on

their financial aid status, and pay their fees in the business office on these dates. After a student completes the process during one of these five dates, he/she will need to complete the orientation process in one of two ways.

- (2) **Orientation** can either be completed on-line at www.eccc.edu or in person on the first two days of class. The orientation program is designed to acquaint new students with the rules and regulations of the College. All first-time students must participate in an advance registration date and an orientation, whether it is on-line or in person.

MAXIMUM LOAD

Fifteen or sixteen semester hours of academic work are considered a normal load each semester. First semester freshmen are not allowed to register for more than a normal load unless specified in the curriculum. Other students desiring to enroll for 20 or more semester hours must have special permission from an appropriate curriculum advisor and approval by the Vice President for Instruction.

WITHDRAWAL FROM SCHOOL

Any student who leaves the College, except for temporary absences, must secure a withdrawal permit in duplicate from the Academic or Vocational Counselor's office, where he will be instructed as to the proper procedure. This permit, when completed, must be filed with the Director of Admissions, Records and Research and Vice President for Business Operations. Administrative withdrawal may be processed by the Vice President for Student Services or Director of Admissions, Records, and Research.

ACADEMIC FORGIVENESS

East Central Community College students who have not been enrolled in any postsecondary educational programs for a period of four consecutive years may petition the Vice President for Instruction to have their prior credit records removed from consideration for determining qualifications for graduation from East Central Community College.

Any students who have changed their degree or certificate objective, for example, from an Associate of Arts/Science degree to an Associate of Applied Science degree, or vice-versa, may petition the Vice President for Instruction to apply only for those courses and quality points applicable to their current degree or certificate objectives. A change of major within the same degree or certificate designation does not qualify under this policy.

For students who seek academic forgiveness and whose petitions are approved, the College will utilize only the courses and quality points

earned from the time approved for forgiveness in determining the students' eligibility to graduate from East Central. For students who have changed their degree or certificate objectives, the College will utilize only those courses and quality points which apply to the degrees or certificates that they seek to receive.

The College will make notations on the students' records regarding the application of this policy. All courses taken at the College and courses transferred to and accepted by the College will remain on the students' permanent records and no guarantees will be expressed or implied regarding the transferability of the forgiven credits to other postsecondary institutions. The VA does not recognize this policy for students receiving VA benefits.

A student may utilize the provisions of this policy only once.

GRADUATION

ALL STUDENTS EXPECTING TO BECOME CANDIDATES FOR DEGREES OR CERTIFICATES MUST FILE AN APPLICATION WITH THE VICE PRESIDENT FOR INSTRUCTION BY THE ANNOUNCED DEADLINE DATE REQUIREMENTS FOR DEGREES

East Central Community College grants three associate degrees the Associate in Arts, the Associate in Science, and the Associate in Applied Science. Students who plan to transfer to senior institutions should take note that substitution in the specified courses of Categories I and II below may be made with the approval of the Vice President for Instruction in order to meet senior college requirements. A student may transfer back from senior college a maximum of six semester hours to complete graduation requirements at East Central Community College.

- I. To graduate from the College with the degree of Associate in Arts a student must:
 - (1) Earn a minimum of 64 semester hours of credit to include: the 35 semester hours listed in the Academic Core Curriculum, but not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.);
 - (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled only the last grade recorded will count for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;

- (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- II. To graduate from the College with the degree of Associate in Science a student must:
- (1) Earn a minimum of 64 semester hours of credit to include: the 30 semester hours listed in the Academic Core Curriculum, sixteen or more semester hours of laboratory science, and not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.);
 - (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled, only the last grade recorded will count for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- III. To graduate from the College with the degree of Associate in Applied Science a student must:
- (1) Earn a minimum of 64 semester hours of credit to include the 18 semester hours listed in the Technical Core Curriculum, all technical courses in the specified program of study as listed in Chapter 5, "Program of Study" in the College Catalog, but not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.); and enough approved non-technical courses to complete 64 semester hours;
 - (2) Earn an average of two quality points for each semester hour attempted; (when a course is scheduled and rescheduled, only the last grade recorded counts for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- IV. To graduate from the College with a second associate degree, which must be different from the first, a student must:
- (1) Earn a minimum of 15 additional semester hours of credit with no more than one semester hour of activity credit (physical education, band, choir, or varsity sports);
 - (2) Meet all of the requirements listed for the second degree as enumerated in paragraphs I, II, or III above;

- (3) Complete all 15 additional semester hours credit at East Central Community College;
- (4) Secure the approval of the Vice President for Instruction.

REQUIREMENTS FOR CERTIFICATES

East Central Community College grants nine months, one year, and eighteen months, certificates.

To graduate from the College with a certificate in a particular program a student must:

- (1) Make a passing grade and average a "C" (2.00 point) on all those courses required in the curriculum. Grades in courses not listed in the curriculum will not be counted in calculating quality point averages.
- (2) Satisfactorily complete a prescribed certificate program as outlined under curriculum.
- (3) Practical nurse students and surgical technology students must maintain a grade of 80 on each course to earn a certificate.

GRADUATION FEE

A \$30.00 graduation fee is charged all students who are tentatively accepted for graduation.

TRANSCRIPTS

It is the policy of this institution to furnish free to each graduate of East Central Community College upon written request one transcript of his or her credits earned here. After the one free transcript, a charge of \$2.00 will be assessed for each additional request for transcript from students currently enrolled at the College and a charge of \$3.00 will be assessed for each additional transcript request from a former student. Correspondence pertaining to this service should be addressed to the Director of Admissions, Records, and Research of the College. The College reserves the right to protect the student's records from outside agencies. Holds will be placed on transcripts for non-payment of fees, board, fines, etc.

HEALTH SERVICES

Medical services are available to students. The campus nurse provides routine medical care and simple medication. The nurse's office is located on the first floor of the Eddie M. Smith Student Union. Office hours are 7:00 a.m. until 3:00 p.m. during the regular school session. Students who need more specialized care must visit their family physician.

Clinics in Decatur and hospitals in Newton and Union provide emergency medical care for students.

COUNSELING AND GUIDANCE

East Central Community College is wholly committed to providing the service of professionally trained guidance personnel to all of its students. The purpose of the guidance work is to provide professional assistance to the students in deciding academic, career, and personal questions, especially as they involve their college life.

The Vice President for Student Services has overall supervision and coordination of guidance, counseling, extra-curricular activities, and religious development. In addition, two full-time academic counselors, and a full-time career-technical counselor, employed by the College. Also, faculty members serve as academic advisors in their particular area. Advisors are selected from the teaching faculty according to curricula. Faculty members are well qualified to assist the students in their career planning. Each student upon entering selects a course of study with the aid of one of the advisors. Frequently meetings are held, and the students are urged to keep in touch with their Advisor on matters pertaining to their educational or career-technical careers. By careful planning, the students can find and pursue the course of study that will be most helpful in their chosen professions. Each student is thus aided in choosing a vocation for which the student is best suited.

Personal problems should be referred to the Vice President for Student Services or one of the professionally qualified guidance counselors. Students with disabilities should contact the Vice President for Student Services for possible accommodations.

FIREARMS ON CAMPUS

In keeping with the laws of Mississippi, students are not permitted to have rifles, shotguns, or other forms of weapons on campus. Campus residents must make arrangements to store any type of hunting weapons off campus.

STUDENT IDENTIFICATION CARD

Each full-time student will be issued an identification card during registration at a cost of \$3.00. The card will be used as an activity card during regular school session. Failure to show or surrender the identification card when requested by any East Central Community College official will result in disciplinary action. Replacement of a card due to loss or damage will cost \$10.00.

UNSATISFACTORY CONDUCT

Upon enrollment each student is given a Student Handbook in which the rules and regulations governing student conduct are listed in detail. Violations, which could result in suspension from college, will require that the student appear before the Discipline Committee, while violations that are not cause for suspension will be handled by the appropriate authorities.

ADULT AND CONTINUING EDUCATION PROGRAM

The Adult and Continuing Education Program meets the needs of an increasing number of adult and nontraditional students who wish to earn a degree on a part-time basis, prepare for job advancement or career change, or improve quality of life through personal enrichment and enhancement of knowledge in a specialized field of study. Classes are taught at the Decatur campus of East Central Community College and at several off-campus locations throughout the five-county district.

Present off-campus sites include Carthage, Forest, Louisville, Philadelphia Career/Technical Centers, and the Choctaw Hospitality Institute near Philadelphia. Credit classes may be arranged on-site for business or industry, school districts, medical facilities, government agencies, or in any location where specific educational needs exist.

ADULT BASIC EDUCATION PROGRAM

East Central Community College teaches adult basic education classes in Leake, Neshoba, Newton, Scott, and Winston counties. Classes are available to the general public in literacy training, GED preparation and English as a Second Language. Adult basic education classes are free. Class locations include Forest, Decatur, Carthage, Louisville and Philadelphia. Day and night classes are available.

GED testing is offered at East Central Community College each week that the College is in session. There is a fee for the five-part GED test. The GED diploma is recognized as the equivalent to the high school diploma.

CHILDCARE LABORATORY

The East Central Child Development Technology program operates a licensed, on-site childcare center for the laboratory training of students majoring in the field. The center operates during the fall and spring semesters. It is open to ECCC employees, students' children, and others. There is a minimum fee. The facility is located on 10th street.

FACILITY ARRANGEMENTS

Facility arrangements are available to professional, fraternal, governmental, or other associations that may require this space and service for seminars, workshops, and annual meetings. Coordinators are available to assist with every detail in the organization and implementation of a successful meeting from banquet arrangements to on-site registration. A calendar of events is maintained in the office of Adult and Continuing Education listing all activities by college and outside agencies.

CONFERENCES, WORKSHOPS, TRAINING PROGRAMS

Conferences, workshops, and training programs assist in solving special problems encountered by businesses, industries, and government agencies. Programs may be offered on-site for the client, at East Central Community College main campus in Decatur, at the Integrated Technologies Training Center in the Choctaw Advanced Tech Parc, at the Productivity Enhancement Lab in Philadelphia, or at any of the College's Workforce Development training locations.

The Small Business Development Center offers workshops throughout the district at locations convenient to the small business community. The topics of these programs are designed to address many aspects of operating and maintaining a small business profitably. Topics may include:

- Starting a small business
- Customer service
- Marketing
- Financial management
- Developing a business plan

CAMPS AND CLINICS

A wide variety of camps and clinics are conducted annually to serve youth during the summer months. The choices include baseball, softball, football, basketball, soccer, tennis, and cheerleading camps. Also included are short courses in manners and etiquette, chemistry, computer, math, creative arts, scrapbooking, cake decorating, jewelry making and art, which is offered through Kids' College. Participants are given the opportunity to explore various fields and to further develop sports or academic skills under the supervision of qualified instructors in a college setting. The philosophy of each particular camp, whether sports or academic, emphasizes a well-balanced, enjoyable learning experience.

TRAVEL PROGRAMS

Travel programs are offered periodically to provide educational and personal enrichment. College faculty have served as directors for trips to such

destinations as England, France, Switzerland, Austria, Germany, Australia, and New Zealand. College credit may be earned.

EXTENSION CENTER

Classes may be organized which give credit beyond junior college credit. The college has served as an Extension Center for Mississippi State University and the University of Southern Mississippi at various times in the past.

THE LEARNING SKILLS CENTER

The Learning Skills Center is a tutorial lab for students who need or want supplemental instruction. The Learning Skills Center has two components: a computer aided instruction lab and tutoring by peers, faculty, and community volunteers.

1. Learning Resource Advisory Committee
Two students: one sophomore, one freshman, appointed by the SBA; one faculty representative each from the basic skills areas, i.e., English, reading and math; Vice President for Instruction; Vice President for Student Services; Dean of Adult and Continuing Education; Academic Counselor; Career-Technical Counselor; and Learning Skills Center Coordinator.
2. Coordination
The Learning Skills Center Coordinator will meet with academic department faculty to coordinate services and determine needs of students. The ongoing process of analyzing job market data will be coordinated with the tech prep career center coordinator and the science and technology instructor to meet the needs of business and industry. Student services will be coordinated with the Vice President for Student Services and the student services staff.
3. Subject Areas
Subject areas will be primarily developmental reading, writing, and math. In addition, higher levels of these subjects plus science, social science and other courses as needed will be available through the computer lab and individual tutoring.
4. Referral
Students may be referred by faculty, counselors, or themselves.
5. Student Assessment
Students will be assessed using a combination of student and faculty interviews, computerized assessment, local English and math placement tests, high school transcripts, and ACT scores. Records are maintained on students who utilize the services of the center.

6. Schedule

The Learning Skills Center will be open the following hours:

Monday and Tuesday 8:00 a.m.-4:30 p.m.

Wednesday and Thursday 8:00 a.m.-4:30 p.m.

Friday 8:00 a.m.-4:00 p.m.

Open late by appointment

WORKFORCE DEVELOPMENT CENTER

The mission of the Workforce Development Center staff is to support businesses, industries, individuals, and communities with assessment, training, job placement, consultation, and educational "solutions" designed to improve the economy by enhancing the employability skills of the citizens in the East Central Community College district.

Specialized advanced technical training classes and Industrial Maintenance Technician Apprenticeship programs are available at the Integrated Technologies Training Center in the Choctaw Advanced Tech Parc and at the Productivity Enhancement Lab in Philadelphia. Short-term computer applications training classes are offered at Workforce Development computer labs in each county.

Customized sessions are designed, curricula developed and training facilitators provided to businesses and industries that address workforce improvement, technical skills upgrade, professional skills development, basic skills enhancement and Adult Basic Education. Private counseling, workshops and seminars are available for individuals interested in establishing and growing small businesses.

WORK-BASED LEARNING

The Work-Based Learning program creates an opportunity for technology students which combines school-based education/training through an East Central Community College career-technical program and structured, parallel work site experience in local businesses and industries. The program's objectives are to better equip students for employment in technical careers and to effectively manage the quality of technology instruction.

Placed in work environments that complement classroom instruction, the Work-Based Learning students master skills and competencies that have been cooperatively outlined by participating businesses, industries and technology instructors. In doing so, Work-Based Learning participants earn competitive wages while learning from skilled, professional mentors.

Work-Based Learning students enter the workforce equipped with proven employability skills and an educational experience designed to enhance future career options. Students receive technical credit and transcript recognition for work site experience.

TECH PREP

East Central Community College, in conjunction with the Mississippi State Department of Education and a consortium formed by local secondary schools, has developed and implemented the Technical Preparation Education Program. The Tech Prep initiative is a response to the challenges that students of today will face in the 21st century. In Mississippi, as in every other state in the nation, the success of new and expanding businesses depends on a technically sophisticated workforce. Tech Prep integrates college prep course work with career and technical applications. This planned sequence of courses begins in junior high school and is articulated to the community college, leading to an associate of applied science degree. Students can also pursue a four-year baccalaureate degree, if so desired. A comprehensive career and guidance program is a major component of Tech Prep to ensure each student is provided with appropriate educational opportunities.

INFORMATION TECHNOLOGY RESOURCES AND SYSTEMS

East Central Community College seeks to provide computer resources, computer networks, and information technology to the students, faculty, staff, and administration at a level that enhances learning and productivity. The College requires students to demonstrate computer literacy to meet graduation requirements and provides training opportunities for the administration, faculty and staff. It is the responsibility of the users of computers and networks to act in a manner consistent with the rights of all other users.

Electronic information is volatile, easily reproduced, and easily vandalized. Respect for the work and personal expression of others is critical. Further, one should never publish anything on a computer networks that they are unwilling to have made public. Computer users must never access, use, or edit files of others without the consent of the author.

The College's networks are monitored networks. Security and management considerations require that the networks be open for review and maintenance. A user of the networks can assume that anything stored on the networks is public information and should act accordingly.

The College's computers and networks are for official business and users shall access only those files and data to which they have authorization. Users shall protect her/his personal computer(s) from unauthorized use and safeguard her/his user-IDs and passwords.

Private and/or commercial uses of the College's computers or networks and work conducted for personal gain or profit will not be allowed.

At no time shall a computer user engage in illegal or immoral activities on the College's networks. Examples of these activities include the transmission of defrauding, obscene, threatening, violent, or unlawful materials.

Publication of annoying, harassing, or intimidating messages on the networks will not be allowed.

Using the College or State networks to advocate political positions will not be allowed.

Computer or network users will not attempt to circumvent system security measures, modify the computer system or software, install invasive software such as "worms" or "viruses," or install pirated software on the College's computers or networks.

Users are not allowed to remove hardware, software, manuals, supplies, etc. from the College's computing sites without proper authorization.

Anyone who knowingly violates the principles outlined in this policy will be subject to appropriate disciplinary action.

DUE PROCESS PROCEDURES FOR STUDENT GRIEVANCES

Grievances by an East Central Community College student arising from compliance with the provisions of Title VI of the Civil Rights Act of 1964 and its Amendments, Part H of the Higher Education Act of 1965 and its Amendments, Title IX of the Higher Education Act of 1965 and its Amendments, Section 504 of the Rehabilitation Act of 1973 and its Amendments, and the Americans With Disabilities Act of 1990 and its Amendments and other non-academic matters should first be presented to the Vice President for Student Services. The only academic matters that may be appealed by a student through due process are those that relate to charges of academic dishonesty and perceived errors in the transmittal of grades. The grievance should be written and should be delivered either in person or by mail to The Vice President for Student Services, East Central Community College, P.O. Box 129, Decatur, MS 39327; telephone (601) 635-2111.

Upon receipt of a grievance under the provisions of this policy, the Vice President for Student Services will schedule a hearing before a student faculty committee within ten (10) days. This committee will be composed of the Vice President for Student Services, the President of the SBA, the Academic or Career Counselor as appropriate, an academic, technical, or career-technical member of the faculty as appropriate, and a student-at-large.

The committee and the grievant may call such witnesses as may be required to investigate the grievance. Further, the grievant may have an advisor present during the hearing. However, the advisor may only consult with the grievant and not speak for the grievant.

If the results and/or procedure of the student-faculty committee hearing are deemed unsatisfactory by the grievant, the grievant may appeal in writing within three (3) days to the President of the College who will schedule a hearing within (10) days of the appeal. The decision of the President shall be deemed final with regard to student due process procedures at East Central Community College.

The above three (3) steps shall exhaust full recourse available at the College.

Records of grievances filed under this policy shall be maintained in the Vice President for Student Services' office as stated in policy 5.5.2.21.

Student Complaints

Any student who wishes to make a complaint to East Central Community College about a college program, a service of the college, an employee of the college, or any other aspect of the college should follow the procedures provided in this policy.

The student should first discuss the problem with the faculty member, staff member, or administrator involved prior to initiating formal complaint procedures under this policy. If informal efforts are not productive or appropriate in resolving the complaint, the student should follow the procedures enumerated herein.

Students who wish to complain about academic or non-academic matters should contact the Vice President for Student Services. The complaint must be in writing and either be hand delivered or mailed to the Vice President for Student Services, East Central Community College, P.O. Box 129, Decatur, Mississippi 39327; telephone (601) 635-2111.

All complaints will be handled by the Vice President for Student Services or referred to the appropriate college official for response. College personnel who are not directly involved in the alleged problem will review the facts and make the final determination regarding the complaint. Students have the right to use the due process procedures contained in policy 5.5.2.21.1. for all non-academic matters. The only academic matters that may be appealed by a student through due process are those that relate to charges of academic dishonesty and perceived errors in the transmittal of grades. No adverse action will be taken against a student filing a complaint under the provisions of this policy solely on the basis of the complaint filed.

East Central Community College shall maintain comprehensive records of all complaints received for a period of five years. The records shall contain aggregate data on complaints and specific data on each complaint. Documentation required to support this policy shall be maintained in the Vice President for Student Services' office and will contain the following:

1. The Student Handbook, the College Catalog, and the Policy and Procedures Manual;
2. All letters of complaint and/or appeal;
3. Written determinations of complaints;
4. All materials related to complaint processing and determination. And
5. A log of complaints.

A log of all complaints will include the following information and will be maintained in the Vice President for Student Services' office.

1. A complaint number assigned to each complaint preceded by the last two digits of the calendar year in which the complaint was filed, e.g., 94-001;
2. The date of receipt of the complaint;
3. The name and address of the complainant;
4. The name of the individual (s) assigned to handle the complaint;
5. The dates of response to the complaint;
6. The date of resolution; and,
7. The final disposition of the complaint.

An individual file for each complaint will be maintained in the Vice President for Student Services' office and will include the following information.

1. The initial complaint;
2. All correspondence related to the complaint; and,
3. Written documentation of the final determination with the signatures of the party or parties who submitted the complaint and the representative(s) of the institution who made the final determination.

Total Second Semester	\$2,091.00	\$ 761.00	\$3,141.00
(7-day meal plan)			

Cable TV and telephone are now available for students who choose to pay the fee to receive these services. Contact should be made directly to Cablevision and/or the Decatur Telephone Company.

Each dormitory student is required to purchase a meal plan. Students who prefer the Deferred Payment Plan may pay their board in the following way:

FIRST SEMESTER		
<u>5 DAY PLAN</u>	<u>7 DAY PLAN</u>	<u>PAYMENT DUE</u>
1. \$236.00	\$285.00	upon entrance
2. \$237.00	\$285.00	September 17, 2007
3. \$237.00	\$285.00	November 5, 2007
SECOND SEMESTER		
<u>5 DAY PLAN</u>	<u>7 DAY PLAN</u>	<u>PAYMENT DUE</u>
1. \$236.00	\$285.00	upon entrance
2. \$237.00	\$285.00	February 18, 2008
3. \$237.00	\$285.00	April 1, 2008

Fees are an additional \$1,050.00 per semester for out-of-state students.

Fees are an additional \$1,050.00 per semester for out-of-country students.

Cosmetology students see "12" under General Information.

GENERAL INFORMATION

1. There is no special charge for music or business courses for full-time students. There is a \$15.00 fee for laboratory science courses and ceramics courses, a \$60.00 fee for ADN, PN, Surgical Technology, Emergency Medical Technology/Paramedic, and Child Development Technology courses.
- *2. Non-resident fees are an additional \$1050.00 per semester for out-of-state students, or an additional \$1050.00 per semester for out-of-country students.
3. If the deferred payment plan is used and these payments are not met, there will be an additional charge of \$5.00 added to the account. 4. All fees are payable in advance on the date due as indicated in the "Board Calendar."
4. Holds will be placed on transcripts and records for non-payment of fees, board, fines, etc.
5. For registration on dates other than those listed on the college calendar, there will be an additional charge of \$15.00 added to the account.
6. All students who expect to register for fall semester as scheduled should complete admission requirements by August 1. Students who have not registered as scheduled in the bulletin will be assessed a late registration fee.
7. Students taking less than twelve semester hours on the Decatur campus will pay fees at the rate of \$75.00 per semester hour at the time they register. A technology fee of \$2.00 per semester hour (maximum of \$25.00 per semester) will be assessed for part-time students. A non-refundable registration fee of \$3.00 per semester hour (maximum of \$36.00 per semester) will be assessed for all students.
8. Students taking classes at off-campus locations will pay fees at the rate of \$75.00 per semester hour at the time they register.

Students taking classes via the Mississippi State Virtual Community College (MSVCC) will pay an additional \$20 per MSVCC class at the time they register.
9. Adults who are 65 years of age or older may attend East Central Community College with Matriculation fees waived.

10. East Central Community College reserves the right to change any charges published if it should become necessary.

11. Cost for the 12 months Cosmetology Program is \$2,650.00, which includes books and cosmetology kit. A first-time student has a first time charge of \$600.00 for special supplies.

Charges may be made the following way:

Fall Semester	\$700.00
Spring Semester	\$700.00
Summer Semester	\$700.00
Room and Board are same as listed on opposite page.	

13. Cost for the twelve-month Practical Nursing (PN) Program is \$2,280.00

Charges may be made in the following manner:

Fall Semester	\$760.00
Spring Semester	\$760.00
Summer Semester	\$760.00
Room and Board are same as listed on page 81.	

*(The out-of-state fee will be waived for students who meet the requirements of legislation approved by the governor during the fall 2003 session of the Mississippi Legislature. For the out-of-state fee to be waived, the following criteria must be satisfied:

- the nonresident student was born in the State of Mississippi but subsequently relocated and resided outside the state as a minor under the care of the minor's father or mother, or both;
- the nonresident student is a veteran who served in the Armed Forces of the United States; and
- the nonresident student is domiciled in Mississippi no later than six months after the nonresident student's separation from service as evidenced by a Report of Separation from Military Service or other military discharge document, for the purpose of enrolling in a state institution of higher learning or a community or junior college.)

FIRST COURSE FREE

East Central Community College has a policy to encourage adults who have not attended college previously to try college free. Any adult in the five-county district who has not previously enrolled in college and who otherwise meets entrance requirements may take the first college credit course free at any location in the district.

For purposes of this policy, an adult is anyone over 21 years of age who has graduated from high school or who has passed the GED Test and has been out of high school for more than one year. The \$75.00 per semester

hour will be waived for the first course only. This policy applies to part-time students only.

Those interested should contact the Admissions, Records and Research Office at East Central Community College or attend registration as announced at the location where they plan to enroll.

REFUND POLICY

Refunds for full-time students are made only when a student has officially withdrawn or officially dropped to part-time status, and are based on the following schedule:

During Registration	100% of amount paid
First Calendar Week	75% of amount paid
Second Calendar Week	50% of amount paid
Third Calendar Week	25% of amount paid
After Third Calendar Week	No Refund

Part-time students will not be granted tuition refunds after the first class meeting.

Students who drop from full-time status to part-time status will be reassessed fees at the part-time rate through the eighth week of each semester and will be required to withdraw from the residence hall.

Meal plan refunds are pro-rated on the number of full weeks remaining for which a board payment has been made. There will be no refund of dormitory room rent.

The refund policy of East Central Community College for Veterans, Veterans' widows or War Orphans enrolled under Chapter 34 or 35 is on a prorata basis for the number of weeks remaining in the semester. The proper withdrawal procedure must be followed and the refund must be requested.

SUMMER SCHOOL EXPENSES

Expenses for the summer are different from those during the regular session. They are announced in a special bulletin, a copy of which may be obtained on request from the Director of Admissions, Records, and Research of the College.

THE COLLEGE BOOKSTORE

The campus bookstore is operated as a convenience to students and instructors in securing books when needed. Secondhand books, in good condition, are purchased from students at a fair price provided such books will be used again as textbooks. This exchange of textbooks reduces the total cost of books for each student.

Books will be purchased from students at the end of each semester during final examinations.

HOUSING AND BOARDING POLICIES

East Central Community College provides a comprehensive food service, seven resident halls, and an apartment building. The food service facilities and all residence halls are modern, air-conditioned facilities.

The apartments are designed to accommodate a married couple with one child. Prior written consent must be received from the College for additional occupants in a single apartment. The rent is \$200.00 plus utilities per month. Students interested in these accommodations should contact the Vice President for Business Operations. In special circumstances, these apartments may be used to house honor students. The Vice President for Student Services will make these recommendations.

Resident halls are provided on campus, and students are encouraged to live in the residence halls. All dormitory rooms are assigned based on the date of a \$60.00 deposit, which includes a \$10.00 key deposit and a completed housing application. However, room assignments are made only to students who have an application for admission on file in the Admissions Office. Students may send the room deposit with the application for admission. The housing application should also be included. Room deposits and housing applications should be sent to the Business Office when not accompanying an application.

Room deposits are refundable if a student chooses not to attend East Central, but the school must receive the request for the refund by August 1. After this date, the deposit is forfeited.

This deposit is also refundable when an attending student officially withdraws from the residence hall, provided that the student is not charged with room damage or loss of keys. The deposit is forfeited if the student does not officially withdraw within one week of the last day of school or earlier. To officially withdraw, a student must complete a Dormitory Withdrawal Form and turn in his key to the Director of Student Life.

If a student has preference for a particular room or roommate, this should accompany the payment of the room deposit and should be noted on the Housing Application. Roommates must have complete applications for housing on file before assignments can be made. East Central's dormitories are furnished, and the student will only need to provide bed linens.

Mabry Cafeteria offers wholesome but inexpensive meals for students. All residence hall students are required to purchase a meal plan, and they must present their ID cards each time they eat in the cafeteria. Students

may not lend their ID card to other people. Also, food service is not available when the College is not in session on official holidays.

STUDENT HOUSING

Residence Requirements for East Central Students

1. Full-time single students who are receiving activity scholarships (athletic, cheerleader, band, Collegians, Centralettes, flag corps, or rifle corps) will be required to live on campus in the college's residence halls. Exceptions may be made for those students who live with parents or legal guardians, those who commute, for those who have a substantiated medical reason for not living on campus, and those who are over 21 years of age.
2. Single students less than 21 years of age who do not receive an activity scholarship and do not commute from their parents' or legal guardians' home, must have on file in the Vice President for Student Services' office a release statement signed by the parents/guardians granting permission to live off campus. This release statement may be obtained from the Vice President for Student Services' office.

NOTE: The justification or reason for this policy is for the protection and security of students, parents, and school officials involved in emergency situations that might occur with the aforementioned parties.

APPLICATION FOR HOUSING

The housing application can be found inside the back cover of this catalog. The housing application must be typed or printed in ink and may accompany the admissions application if the applicant intends to live in campus housing. A \$60.00 room deposit must accompany the housing application in order for the housing reservation to be complete. If you have already sent an admissions application, or if you are a current student, please send the housing application along with your room deposit to the business office.

STUDENT ACCOUNTS

Payment of students' expenses may be made by cash, check or money order. Checks should be made out to EAST CENTRAL COMMUNITY COLLEGE. There will be a charge of \$25.00 for all checks returned as NSF or Stop Payment.

STUDENT FINANCIAL AID

The following information is a summary of financial aid programs and policies at East Central Community College. For further information and application forms, contact:

Financial Aid Office
East Central Community College
P.O. Box 129
Decatur, Mississippi 39327
Telephone: (601) 635-2111, Ext. 218 or 326

SECTION I: FINANCIAL AID PROGRAMS

FEDERAL PELL GRANT — This Federal Program is designed to provide financial assistance to students on the basis of need. Any eligible student may receive a Pell Grant. A Pell Grant is not a loan; therefore, it does not have to be paid back.

STATE OF MISSISSIPPI TUITION GRANTS — The State of Mississippi established the following grant programs in 1995 for eligible Mississippi residents; the Mississippi Resident Tuition Assistance Grant (MTAG) and the Mississippi Eminent Scholars Grant (MESG). Applications must be submitted by the deadline established by the State of Mississippi. Students must meet the eligibility requirements as established by the State of Mississippi in order to be eligible.

LEVERAGING EDUCATIONAL ASSISTANCE PARTNERSHIP (LEAP) PROGRAM — The State of Mississippi through a matching grant program with the Federal Government provides grants to eligible Mississippi residents. Very limited funds are available to students with substantial financial need.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) — This Federal Program is designed to assist students who would be unable to obtain an education without the grant and is available to a limited number of students of exceptional financial need. Because it is a grant, it does not have to be paid back.

WORK STUDY — East Central Community College participates in two types of work-study — Federal Work-Study and Institutional Work-Study. Students are awarded jobs based on need and academic ability. This program gives students a chance to earn money to help pay their educational expenses.

FEDERAL STAFFORD LOAN — A Federal Stafford Loan is a low-interest loan made to the student by a lender such as a bank, credit union, or savings and loan association to help with educational expenses. Two types of Federal Stafford Loans are available: Subsidized Federal Stafford Loans and Unsubsidized Federal Stafford Loans for middle income borrowers.

PLUS — The PLUS Loan Program is not based on need. PLUS loans are for the parents of dependent students. These loans provide additional funds for educational expenses. Like Stafford Loans, PLUS loans are made by a lender.

INSTITUTIONAL SCHOLARSHIPS — East Central Community College offers various scholarships to eligible students.

Academic Achievement Scholarships — The Academic Achievement Scholarships were established at East Central Community College effective at the beginning of the 1996 fall semester. The Academic Achievement Scholarships are available to any Mississippi resident who enrolls as a full-time student at East Central Community College the fall semester following his/her high school graduation. East student must have a high school grade point average of 3.0 or better on a 4.0 scale (90 or higher numerical average) to be eligible for this scholarship. Students who have ACT scores of 20 or above will not be eligible to receive ACT scholarships and Academic Achievement Scholarships. The Academic Achievement Scholarships will be available to eligible students for four (4) consecutive semesters, provided each awardee maintains a 2.5 G.P.A. for the first semester and a cumulative 3.0 G.P.A. for the second and third semesters at ECCC. A scholarship in the amount of \$100 will be awarded each semester to each eligible student.

Achievement Recognition Scholarships — Achievement Recognition Scholarships will be awarded to individuals who receive the following honors: Miss East Central Mississippi, Miss Hospitality, Miss Newton County, Choctaw Indian Princess, in-district Junior Miss winners, Miss Neshoba County, and Miss Morton. Full tuition scholarships will be awarded to those eligible who enroll as full-time students at East Central Community College the fall semester following high school graduation. The scholarship will be available to the students for four (4) consecutive semesters provided each student maintains a 2.5 G.P.A. for the first semester and a cumulative 3.0 G.P.A. for the second and third semesters. Any student who does not maintain the required G.P.A. and is removed from scholarship, may have the scholarship reinstated by earning the required G.P.A. the following semester.

ACT Scholarships — The ACT Scholarships listed below will be available to any Mississippi resident who enrolls full-time at East Central Community College the fall semester following high school graduation or the first regular semester after having received the GED. The ACT Scholarship will be available to the student for four (4) consecutive semesters. See Section II: Financial Aid Policies for further requirements.

ACT Composite (20-23) — A scholarship in the amount of \$100 will be awarded each semester to the eligible student.

ACT Composite (24-26) — A scholarship in the amount of \$300 will be awarded each semester to the eligible student.

ACT Composite (27-30) — A scholarship in the amount of tuition will be awarded each semester to the eligible student.

ACT Composite (31-36) — A full scholarship (Matriculation fee, room and board) will be awarded each semester to the eligible student.

Art Scholarships — The Art Department awards art scholarships to students majoring in art who meet the established criteria.

Art Majors: Two full tuition scholarships are awarded to art majors with the highest GPAs after their first semester.

1. Art major scholarship recipients must maintain a 3.0 grade point in art courses.
2. Art major scholarship recipients must maintain a 2.0 grade point average in other academic courses.

Art Service Scholarships: Eight one-half tuition art service scholarships are awarded to students who:

1. Submit a student information sheet and a minimum of five art works on the portfolio day announced in the spring semester at the district high schools;
2. Agree to enroll full-time at East Central; and
3. Declare art as their major.

These scholarships are service-based; therefore, recipients will be required to provide service to the College by:

1. Assisting with set designs for the dinner theater and musical productions;
2. Designing layouts for art show, drama productions or the like; and
3. Serving as lab assistants for art and ceramic labs performing the following tasks: firing kilns, loading and unloading kilns, mixing ceramic glazes, clay preparation, and general art lab maintenance. Service scholarship recipients will be given an opportunity to apply for the two full-tuition art scholarships at the end of the fall semester.

Athletic Scholarships — All Athletic Scholarships are awarded by the respective coaches in baseball, basketball, football, golf, soccer, tennis, and women's softball. The athlete must meet the eligibility requirements of East Central Community College, the Mississippi Community and Junior College Association, and the National Junior College Athletic Association. The scholarships are awarded in whole dollar amounts up to a full scholarship, to include tuition, room, and board, for basketball and football. Baseball, golf, soccer, tennis and women's softball scholarships are awarded each semester in whole dollar amounts up to the amount of matriculation (tuition) and fees.

Band Scholarships — The Band Scholarships are awarded by the band director to full-time students. The scholarships are awarded by audition

for marching band, concert band, jazz band, orchestra, and Collegians. Scholarship amounts vary depending upon participation in the various groups.

Career-Technical Scholarships — These scholarships are available in the skill areas which are part of programs offered at East Central. The career-technical counselor will make the awards to the winners. To receive an FBLA, Skills-USA, HOSA, DECA, FFA, TSA or Outstanding Student Scholarship, the student must enroll fulltime at East Central Community College the fall semester following high school graduation.

To receive a FBLA, Skills-USA, HOSA, DECA, FFA, TSA or Outstanding Student Scholarship, the student must enroll in a vocational-technical program.

To retain the FBLA, Skills-USA, HOSA, DECA, FFA, TSA, or Outstanding Student Scholarship, a student must maintain a B (3.0) average each semester.

Any student who does not maintain a B (3.0) average is removed from the scholarship. The scholarship will be reinstated if the student earns a B (3.0) average the following semester.

1. A scholarship of \$300.00 per semester for four semesters will be awarded to the outstanding senior student from each Cluster Area of the six career/technical centers in the East Central Community College District. The recipient will be selected by the Director and teachers at each center in consultation with East Central's Career-Tech Counselors and Instructors.
2. A scholarship of \$300 per semester for four semesters will be awarded to the first place winners in the skill contest from the District Skills-USA Mississippi competition, District HOSA competition, District DECA Competition, District FFA Competition, and District TSA Competition.
3. A full matriculation scholarship for four semesters will be awarded to the first place winners in the skills contest from the State Skills USA Mississippi Competition, State FBLA Competition, State HOSA Competition, State DECA Competition, State FFA Competition, and State TSA Competition.
4. A full scholarship (Matriculation fee, room and board) for four semesters will be awarded to the first place winners in the skills contests from the National High School Skills-USA Competition, National FBLA Competition, National HOSA Competition, National DECA Competition, National FFA Competition, and National TSA Competition.

Career-Technical Non-Traditional Gender Scholarships — These scholarships are available in non-traditional gender programs, as specified by Federal Guidelines, for which the scholarships are awarded. One scholarship in the amount of one-half tuition will be presented to one student from each Career-Technical/Career Center in the East Central Community College District each spring.

To receive the scholarship the student must enroll in a non-traditional gender program. The student must enroll full time the fall following high school graduation and continue in the non-traditional program. The scholarship will be available for four consecutive semesters if the student meets all other requirements.

To retain the non-traditional gender scholarship, the student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average will be removed from the scholarship. The scholarship will be reinstated if the student earns a B (3.0) average the following semester.

Recipients will be chosen by a committee composed of the Dean of Career-Technical Education, the Assistant Dean of Career-Technical Education, the Career-Technical Counselor, the Tech Prep Coordinator, and an instructor in the Career-Technical area.

The Dean of Career-Technical Education will be responsible for notifying qualified high school students as to the availability of the scholarships.

Cheerleader Scholarships — Cheerleader Scholarships are awarded to seventeen students (sixteen cheerleaders and one mascot) who are selected by a committee. The scholarships are awarded in the following amount each semester: matriculation fee.

Mathematics Contest Scholarship — The Mathematics Department sponsors a Mathematics Contest and Seminar in the spring each year for high school juniors and seniors in the East Central District. The winner of the mathematics contest receives a three hundred dollar (\$300) tuition scholarship when entering East Central in the fall semester.

Mississippi Junior Academy of Sciences Scholarships — The Mississippi Junior Academy of Sciences Scholarships were established at East Central Community College effective at the beginning of the 1996 fall semester. Eligible students will receive full tuition scholarships each semester for a maximum of four (4) semesters. These scholarships will be available to any Mississippi resident who is a winner in the Mississippi Junior Academy of Sciences competition and who enrolls as a full-time student at East Central Community College the fall semester following his/her high school graduation. The Mississippi Junior Academy of Sciences Scholarships will be available to the eligible students for (4) consecutive semesters, fall and spring only, provided the students maintain 3.0 grade point averages each semester they are enrolled at ECCC.

Music Scholarships — Music scholarships are awarded in the following areas:

Music Major (voice and piano): The Music Department awards a total of eight tuition scholarships to voice and/or piano students each year provided that they meet the criteria established by the department. Recipients must:

1. declare music as their major;
2. audition before the music faculty;
3. enroll as full-time students;
4. maintain a 2.0 grade point average overall with a 3.0 in music, and
5. perform as a member of a vocal performing group (voice music major) or perform as a member of any music performing group (piano music major).

Ac'cents: The Choral Department awards scholarships to students who are selected, through audition, to sing with the Ac'cents, a small vocal ensemble. The amount of each scholarship is the cost of tuition per semester.

Concert Choir: These scholarships are awarded to full-time students who are members of the concert choir. The scholarships in the amount of one fourth tuition are awarded per semester.

Non-Traditional Student Tuition Scholarship for Full-Time Students — The non-traditional student tuition scholarship will be available to any qualified Mississippi resident 23 years of age or older, at the time of initial enrollment, who enrolls full-time at East Central Community College in Decatur. The scholarship will be available to the student for three (3) consecutive semesters following the first twelve semester hours earned as either a part-time or fulltime student at East Central. To be eligible, a recipient:

1. Must enroll as a full-time academic or technical student on the Decatur campus.
2. Must have earned all previous college credit as a student at East Central;
3. Must have earned a minimum of 12 semester hours but no more than 21 semester hours of college credit as either a full-time or part-time student at East Central Community College;
4. Must have demonstrated the capacity and a strong desire to obtain a college education by maintaining a 3.0 GPA or higher for each previous semester at East Central;
5. Must complete a scholarship application form and submit it to the Vice President for Student Services' office; and,

6. Must show potential for leadership, academic excellence, and have high moral standards and good character as documented by two letters of recommendation.

The recipients will be selected by the College Scholarship Committee from students who meet the criteria listed above. Proceeds from the scholarship will be credited to the recipients' account in the Business Office and may be used to pay for tuition only. Any student awarded the nontraditional student scholarship must maintain a B (3.0) average each semester and must remain enrolled as full-time student to retain the scholarship. (See the College Catalog, Section II: Financial Aid Policies for further requirements.)

Salutatorian Scholarships — A scholarship in the amount of one-half the cost of tuition per semester will be available to the salutatorians of Mississippi high schools who enroll full time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The scholarship will be available to the student(s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

Star Student Scholarships — A scholarship in the amount of tuition will be available to the star students of Mississippi high schools who enroll full-time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The scholarship will be available to the student(s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

TOM-TOM Scholarships — TOM-TOM Scholarships are awarded to the editor and the assistant editor of the College's student newspaper. The editor will be awarded a tuition scholarship and the assistant editor will be awarded a half tuition scholarship during the semesters that the students hold the positions of editor or assistant editor.

Valedictorian Scholarships — A scholarship in the amount of tuition will be available to the valedictorians of Mississippi high schools who enroll full time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The Valedictorian scholarship will be available to the student (s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

WO-HE-LO Scholarships — WO-HE-LO Scholarships are awarded to the editor and the assistant editor of the College's yearbook. The editor will be awarded a tuition scholarship and the assistant editor will be awarded a half tuition scholarship during the semesters that the students hold the positions of editor or assistant editor.

Youth Challenge GED Scholarships — The Youth Challenge GED Scholarships were established at East Central Community College effective the fall semester of 1995. Eligible students will receive scholarships equal to one-half the amount of tuition per semester. These scholarships will be available to any Mississippi residents who graduate from the Youth Challenge Program conducted by the Mississippi National Guard at Camp Shelby, Mississippi. The Youth Challenge Program is designed to assist teenage high school dropouts. The program involves six months of intensive physical and mental training designed to instill discipline and to prepare the students to take the GED test. Program sessions are conducted twice a year from January until June and from July until December. The scholarships will be available for eligible students for four consecutive semesters provided each eligible student maintains a 2.5 grade point average each semester he/she is enrolled at East Central. Specific requirements for the scholarship include a passing score on the GED test, successful completion of the Youth Challenge Program, and a favorable recommendation by the director of the Youth Challenge Program.

ENDOWED AND OTHER SPECIAL SCHOLARSHIPS — Endowed and Other Special Scholarships are funded by individual and group donations and are made available to eligible students according to each scholarship's guidelines.

The T. T. Beemon Scholarship — Endowed in 2001, this award was funded by T. T. Beemon, Class of '37 and his wife, the former Mary Emma Fancher. A Newton County native, he graduated in 1935 from Beulah-Hubbard High School. After East Central, he graduated from Mississippi Southern College. He then taught at the high school level before serving in the U.S. Army from 1943 to 1945. After military service, he was employed at Hinds Community College where he stayed for 38 years, retiring in 1983 as biology instructor and chairman of the Biology Department. Mrs. Beemon was born in Choctaw County and graduated from Weir High School. Her family then moved to Louisville in Winston County. She graduated from Mississippi Woman's College, now William Carey College in Hattiesburg. She also retired from Hinds Community College, where she was a math instructor. Early in her career, she taught in Louisville where her students included Miss Lucille Wood, longtime EC instructor and one of the two people for whom the Brackeen-Wood Physical Education Building is named. Criteria for the T.T. Beemon Scholarship include the following:

- Must be a resident of the Little Rock, Mississippi area;
- Must plan to enroll in college full-time after graduation from high school;
- Must major in a science field such as chemistry or biology; and
- Must plan a career in pre-med, pre-dentistry, or a related field.

Recipients will be selected by the College Scholarship Committee and the award will be made during the first semester of the freshman year. Only the interest earned on the endowment corpus will be used for the scholarship award. No part of the endowment corpus will be used for the scholarship awards. For more information, contact the Vice President for Student Services, P.O. Box 129, Decatur, MS 39327-0129, or call toll-free: 1-877-GO2ECCC (462-3222), ext. 375.

BellSouth Endowed Scholarship Fund — This scholarship fund was initiated on December 30, 2002, and formally established in April of 2003, by BellSouth Telecommunications, Inc. through a gift of \$10,000.00, \$2,500.00 of which funds the annual scholarship luncheon. The remaining \$7,500.00 provides three scholarships to entering freshmen at East Central Community College and benefits students who are pursuing a degree in education or business at the College.

The specific terms and conditions of the scholarship are set forth as follows:

1. The purpose of the BellSouth Endowed Scholarship Fund is to assist deserving young men and women who are pursuing a degree in education or business at the College.
2. The BellSouth Endowed Scholarship Fund provides three (3) annual scholarships in the amount of \$500 each to qualified students who, for the twelve (12) months preceding admission to the College, resided in an area where BellSouth provides telecommunications service (a "BellSouth Service Area"), and maintains residence in a BellSouth Service Area while attending the College.
3. The principal assets of this endowment fund are invested and only the income from the principal assets are used to finance the scholarships. In the event there is not sufficient income to provide three \$500 scholarships annually, the College is authorized to take needed monies from the principal assets to cover the scholarships until the assets are depleted. Additional monies may be added to the BellSouth Endowed Scholarship Fund from time to time.
4. Recipients are selected by the East Central Community College Scholarship Committee and ECCC will provide the names of the recipients to BellSouth each year for appropriate publicity. For more information, contact the Vice President for Student Services Office toll free at 1/877/GO2-ECCC (462-3222), ext. 375.

Board of Trustees Scholarship — The Board of Trustees Scholarship was established in the spring of 1999 by the East Central Community College Board of Trustees. This tuition scholarship is awarded annually to a student from one of the five counties in the district on a rotating basis. The rotation will be in this order: Leake County, Neshoba County, Newton

County, Scott County, and Winston County. The scholarship is funded by donations from the College's 30-member Board of Trustees. To be eligible, potential recipients must meet the following criteria:

- Be a resident of the College's five-county supporting district;
- Be in need of financial assistance, and
- Have at least a 2.5 (C+) grade point average on a 4.0 scale

The scholarship recipient will be selected annually by the College Scholarship Committee.

Dr. Austin P. Boggan Scholarship — Established in 1998, this scholarship shall be awarded annually to a freshman pre-med major. The endowment was funded by the family and friends of Dr. Austin P. Boggan, a Decatur physician for over 40 years. Dr. Boggan completed high school at Rose Hill in Jasper County. After graduating from Jones County Junior College, Boggan served in the Army for three years. He then obtained a zoology degree from Mississippi State University. After completing two years of study at the University of Mississippi, he transferred to the Tulane University School of Medicine where he received the Doctor of Medicine degree.

Scholarship recipient selection shall be made by the College Scholarship Committee. To be considered, candidates must meet the following minimum criteria:

- Be a pre-med major;
- Have earned at least a 3.0, or "B" grade point average in high school;

Graduates of high schools within the College's five-county district including Scott, Winston, Newton, Leake, and Neshoba counties will be given first consideration for the annual scholarship award. However, students from other areas may also apply and may be considered.

The scholarship amount is estimated to be approximately \$500 for the first semester of the freshman year. However, the actual amount each year will depend upon the annual earnings from the scholarship endowment.

Applications will be accepted through the end of March each year. The award will be made for the fall semester of the student's freshman year only. For more information, contact the Vice President for Student Services' office.

Clayton Blount Scholarship — This scholarship was established in 1995 in honor and appreciation of Coach Clayton Blount by his former students. During his employment at East Central Junior College from the years 1953 through 1970, Coach Blount served in various capacities including physical education teacher, head basketball coach, assistant football coach, head

football coach, dean of men, and athletic director. Coach Blount expected much of the students and athletes with whom he worked. He was a father figure and an exceptional disciplinarian. He expected the students and athletes to conduct themselves in a very decent manner at all times and to bring honor to the college that they represented. The rapport he had with his students allowed him to be very demanding of them while still keeping their respect and admiration. Because of his high expectations and discipline, many of the students with whom Clayton Blount was associated are now successful and respected citizens.

The following policies and requirements relate to the administration of this scholarship.

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship awards. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.
2. A recipient will be selected annually by the East Central Community College Scholarship Committee from the pool of applicants.
3. Each recipient must:
 - a. Be a graduate of a high school from the five-county area supporting East Central Community College;
 - b. Have a high school grade point average of 3.0 or above;
 - c. Participate as an athlete in one of the major athletic programs at East Central which includes baseball, basketball, football, softball, tennis and soccer;
 - d. Appear on East Central Community College's certification list as a certified athlete for the given year;
 - e. Not have been involved in any activity which would bring discredit to the College.
4. The scholarship will be available to the recipient beginning the fall semester following high school graduation. One-half of the scholarship will be awarded the fall semester and one-half will be awarded the following spring semester. To retain the scholarship for the spring semester, the student must earn a 2.5 grade point average on the 4.0 scale during the fall semester.

Ples Clayton and Amanda Breazeale Blount Memorial Scholarship — This scholarship endowment was started in the fall of 2000 in memory of Ples Clayton and Nancy Amanda Breazeale Blount, and in honor and memory of her children. Her 12 children include Henry Clayton Blount, Lillie Blount Gallaspy Wright, Jasper Monroe Blount, Hardy Edmund

Blount, John Elzie Blount, Lou Ella Blount Gordon Kennedy, Ida Mae Blount Foy, Minnie Lee Blount Wall, Edna Blount Ware, Ruby Blount Robinson Mayberry, Clarence Malcolm Blount and Lloyd Lamar Blount.

Mrs. Blount served as the dietician at East Central Community College from 1933 until her retirement in 1950. She was succeeded by her daughter, Mrs. Lou Ella Gordon, who continued as the College's dietician until the early 1960's. The Gordon Room in Mabry Cafeteria is named for Mrs. Gordon.

Criteria for applicants for the Blount Scholarship are as follows:

- Must be a resident of the United States;
- Must have maintained at least a "B" grade point average (3.0 on 4.0 scale);
- Must pursue a bachelor's degree; and
- Must enroll full time at the College.

In addition to high school seniors, the scholarship is open to students who have been enrolled in adult and continuing education and others who meet the criteria.

The amount of the scholarship award, to be given for both semesters of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award.

Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

Ernest Harrison Boswell Memorial Scholarship — This scholarship was given in memory of Ernest Harrison Boswell by his wife, Rebecca Henry Boswell, and children, Ann Spell, Linda Montgomery, Karen Gibson, and Harry Boswell.

He was a native of Louisville, Mississippi and graduated from ECJC in 1940. Leaving with the National Guard unit from Decatur, he spent the next several years in the Army in WWII. He graduated with a master's degree in Geology from the University of Alabama in 1949.

He was a nationally recognized expert on the geohydrology of the Embayment Area of the southeastern United States. He also authored more than 30 scientific reports and papers. He received the Department of the Interior's Meritorious Service Award in 1983.

Boswell and Rebecca met at ECJC and carried a love for it throughout their life together.

To be eligible for the Ernest Harrison Boswell Memorial Scholarship the student must:

1. Be a male, incoming freshman;
2. Reside in Winston County;
3. Have a minimum 3.0 grade point on a 4.0 scale;
4. Plan to enroll full time at East Central; and
5. Demonstrate financial need.

Recipients who receive the scholarship their freshman year are eligible for the scholarship their sophomore year if a "B" grade point average is maintained and full-time status at East Central is maintained.

The amount of the scholarship award will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Scholarship recipients will be selected by the ECCC Scholarship Committee.

R. W. Bounds Scholarship — The R. W. Bounds Scholarship was established in 1986 by Mr. Sam Bounds, son of the person for whom the scholarship was named and member of the East Central Community College Board of Trustees. The elder Mr. Bounds was the founder of B and W Feed Service in Lawrence, Mississippi.

This scholarship is awarded to a graduate of Newton High School in the amount of \$100 a year for attendance at East Central Community College. The recipient will be named by the principal and vocational agriculture instructor at Newton High School. The recipient must have excelled as a student in vocational agriculture and must have displayed outstanding interest and involvement in the field of agriculture. An additional factor in the selection process shall be the need of the recipient for financial assistance to attend East Central Community College.

The scholarship will be awarded to the recipient at the annual Newton High School Awards Day Program.

Denver Brackeen Scholarship — The Denver Brackeen Scholarship was established in 2005 in appreciation, honor, and recognition of his service to East Central Junior College by former men's basketball players who played under his tutelage from 1956 until 1963. Coach Brackeen served in various capacities at East Central in addition to basketball coach including counselor, Director of Admissions, Academic Dean, Director of Financial Aid, and Dean of Students, of which he was the first in Mississippi Public Junior Colleges. In recognition of his dedication and devotion to the College, the Brackeen-Wood Physical Education Building is named for him and long-time ECCC coach/instructor Lucille Wood.

Brackeen was an outstanding basketball player and student at Hickory High School, East Central Junior College, and the University of Mississippi. He also played professionally for the New York Knickerbockers. Throughout his basketball career, he received numerous state, regional, and national awards for his accomplishments.

In addition to his outstanding contributions to East Central Junior College, Brackeen also had a most distinguished career with the Mississippi National Guard having served as Mississippi's Adjutant General during Desert Storm and had reached the rank of Brigadier General when he retired from military service. At the time of his death in 2006, he was serving as a member of the State Board for Community and Junior Colleges.

The following policies and procedures will be used in the administration and subsequent awarding of the Denver Brackeen Scholarship:

1. All contributions will be placed in endowment with only the interest expended each year the scholarship is awarded.
2. The scholarship recipient will be selected and the monetary amount will be determined by a committee of five. Four of the five members will be former players who will serve a four year term. The initial committee appointments will be made on a staggered basis so that members will rotate off at varying times. The fifth member will be Brackeen's widow, Charlotte. The selection committee will be responsible for maintaining membership for future years.
3. First priority for the scholarship recipient each year will be given to applicants who are lineal descendents of Brackeen or one of the players who played for him at East Central Junior College from 1956-1963. Each applicant qualifying for consideration under this provision must present in writing the lineal connection to Brackeen or one of his players.
4. Should there be no applicants which meet the lineal descendent requirement, consideration may be given to applicants which meet the following requirements:
 - A high school graduate with a 2.5 GPA;
 - Have participated in extracurricular activities in high school;
 - A secondary education major;
 - Be able to present definable career goals, plans, and aspirations;
 - Be willing to participate in an award ceremony and agreeable to publicity regarding the scholarship; and
 - Not involved in any activity which would bring discredit to East Central Community College.

5. The Denver Brackeen Scholarship will be awarded for two semesters. Each award recipient may reapply for a second year consisting of two semesters.
6. Applications will be accepted through the end of March each year. At that time all applications will be presented to the selection committee.
7. In the event a scholarship is not awarded in any year, the interest that would have been used to fund the scholarship will be deposited into the scholarship endowment. (added 12-19-06)

The Paul V. and Voncile H. Breazeale Ministerial Scholarship — Mr. and Mrs. Paul Breazeale, both alumni of East Central Community College, established the Paul V. and Voncile H. Breazeale Trust Fund in 1995. The proceeds from this trust fund provide a scholarship to an incoming, full-time, freshman student who demonstrates financial need and who is enrolled in a curriculum which will prepare the student for a ministry in full-time Christian service. Preference will be given to Baptist students. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards. The East Central Community College Scholarship Committee will make the annual selection from the applicants who have completed the application process and met the general eligibility requirements. To be eligible for the scholarship the student must:

- (1) be a high school graduate as verified by a high school transcript;
- (2) be a first-time, entering freshman in the fall semester;
- (3) demonstrate financial need on a current federal student financial aid form;
- (4) provide letters of recommendation from his/her high school principal, local pastor, and a personal acquaintance.

To retain the scholarship for the four semesters of eligibility, the student must maintain a 2.5 cumulative GPA as a student at East Central Community College and exhibit those characteristics which are expected of one who intends to follow a career in full-time Christian service. Students who wish to apply for the scholarship should contact the Vice President for Student Services' office at East Central Community College for a scholarship application.

The Ann H. Burkes Phi Theta Kappa Scholarship — Established in December of 1999, this endowed scholarship honors the life and works of Ann Hunter Burkes, Class of 1963, of Decatur. She served as an advisor for the Theta Xi Chapter of Phi Theta Kappa, the international scholastic honor society for community college students, for 19 years, from 1981 to 2000.

The scholarship is given annually to a student who exemplifies the hallmarks of Phi Theta Kappa — scholarship, leadership, service, and fellowship. The scholarship is awarded at the end of each recipient's freshman year at East Central.

Mrs. Burkes first became associated with Phi Theta Kappa when she joined the organization while a student here in 1963. After East Central, she then earned the B.S., M.S., and Ed.S. degrees from the University of Southern Mississippi. Mrs. Burkes became Head Librarian at East Central in 1969.

After being named Theta Xi Chapter advisor, her work with the chapter involved untold hours of work above and beyond her library responsibilities. With her help, the East Central Chapter achieved numerous state, regional, and international awards. After serving as co-advisor, she helped organize a campus-based Phi Theta Kappa alumni chapter.

Candidates for the Burkes Phi Theta Kappa Scholarship must meet the following criteria:

- (1) Become a Phi Theta Kappa member during the freshman year at East Central;
- (2) Be a resident of the College's five-county district; and
- (3) Exemplify the hallmarks of Phi Theta Kappa.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by a committee named by the Phi Theta Kappa Advisors. For more information, contact, the Vice President for Student Services' Office, Box 129, Decatur, MS 39327-0129, or call toll free: 1-877-GO2-ECCC (462-3222), Ext. 375.

The Mable Moore Carr Educational Scholarship — The Mable Moore Carr Educational Scholarship is for deserving graduating high school seniors from Forest High School in Forest, Mississippi. The scholarship is named after Mrs. Mable Moore Carr of Forest who served as a secondary school science teacher for some 30 years. It was created and fully endowed in 1996 by her four sons, all of whom attended community or junior colleges. Three of her sons, Jimmy, Hugh, and Tom, attended East Central, and Charles, the oldest son, attended Jones County Junior College.

Scholarship candidates must:

- (1) Have a "B" or better average;
- (2) Desire to pursue a degree in education;
- (3) Plan to attend East Central Community College in Decatur as fulltime students during the fall semester following their senior year in high school.

The annual recipient will be chosen by a scholarship committee at Forest High School. If there are no qualified applicants pursuing a degree in education, others may be considered.

Carthage Bank Scholarship — (SEE Heritage Banking Group Scholarship)

The Citizens Bank of Philadelphia Scholarship — This scholarship was established in 1992 by The Citizens Bank of Philadelphia. The scholarship will be available to a selected recipient from one of the four East Central Community College District counties served by this bank. These counties include Leake, Neshoba, Newton, and Scott. This full tuition scholarship will be available for the fall and spring semesters of each recipient's freshman year.

To be eligible, a recipient must:

- (1) Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- (2) Reside in an area served by The Citizens Bank of Philadelphia in the East Central Community College District;
- (3) Have demonstrated leadership ability in his/her high school;
- (4) Have scored a composite of 20 or above on the ACT.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above.

W. R. Covington Scholarship — This scholarship was established in 1985 by Dr. Eddie M. Smith, President of East Central Community College, in recognition of the support and assistance Mr. W. R. Covington of Noxapater, MS, has provided for many students to aid them in attending college and personally for his encouragement and financial support of Dr. Smith when he was a student at East Central Junior College. This scholarship is awarded to a graduate of Noxapater High School in the amount of \$150 for one year for attendance at East Central. One-half of the scholarship will be awarded each semester.

The Nellie Neill Cross Memorial Scholarship — This scholarship was established in memory of the late Nellie Neill Cross by her former students and friends. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards. Mrs. Cross served East Central as a member of the faculty, as manager of the Sullivan Student Center and as a loyal supporter of the College for more than fifty years. The scholarship will be awarded annually to an entering freshman who plans to major in music with an emphasis in voice.

Fred Preston Dallas and Maudie Threath Dallas Memorial Scholarship — This scholarship was established in 1991 to assist deserving graduates of

Neshoba Central High School who reside in the southeast quarter of Neshoba County (indicated on an available map) to attend East Central Community College. It was established and funded by the children of Mr. and Mrs. Dallas in their memory and in honor of their interest in education. Seven of Mr. and Mrs. Dallas' eight children attended East Central Junior College.

In the event that an eligible student is not selected from the designated area during a period of five years, then any eligible student living in Neshoba or Newton counties may be considered. In the event an eligible student is not selected during the following five-year period from these two counties, then any eligible student may be considered from the entire community college district.

The amount of the scholarship award should be based on the calendar year ending December 31st prior to the fall semester. The amount of the scholarship available should be the earnings in excess of the inflation rate upon to the cost of tuition, room and board for a year.

The endowment fund may be increased, from time to time, by appropriate contributions from the founders or from others. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Requirements:

1. The person selected must have a demonstrated financial need, as determined by the College Scholarship Committee.
2. The person selected must have high moral standards, good character, and must not be a substance abuser.
3. The recipient must have demonstrated the capacity and a strong desire to obtain a college education.
4. The award will be for students pursuing an academic (university transfer) education only.
5. The scholarship is to be awarded on Awards Day at the appropriate high school.
6. The recipient must show potential for leadership and academic excellence.
7. In order for the recipient to reapply for consideration for a second year, the student must have a D or above in all classes, must have an average of C or above, continue to have a financial need, and have a clear disciplinary record.
8. Funds from this scholarship are to be applied to the educational expenses of the recipients.

8. The recipients are to be selected by the College Scholarship Committee. The recipients will be selected from students recommended by at least four of their senior year high school classroom teachers who agree that the students meet the above requirements.

Aaron Ronald Davis Memorial Scholarship — This scholarship was established in 2006 by family and friends to honor the life and work of Ron Davis, who contributed 29 years to science education in the state of Mississippi. A graduate of East Central Community College, Mr. Davis earned a bachelor's degree in biology from the University of Southern Mississippi and a master's degree from Mississippi State University in science education. For 19 years, Mr. Davis was an outstanding instructor of biology, zoology, and anatomy/physiology at ECCC, and he served for 10 years as department chair of the science division, providing knowledge and support to faculty, students, and the ECCC community at large. As sponsor of Sigma Sigma Mu Tau, an organization for students interested in health careers, Mr. Davis mentored many students in regard to coursework, applications, and decision-making. Praised for his skill and compassion as a teacher and advisor, Mr. Davis was recognized with the Instructor of the Year Award, HEADWAE Award, and a medallion for teaching excellence from the National Institute for Staff and Organizational Development.

The scholarship will be awarded annually to a sophomore majoring in science, with special consideration to majors in the medical fields. The annual scholarship recipient will be chosen by a consensus of the ECCC science faculty.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

Stella Dickerson Technical Honor Scholarship — The Stella Dickerson Technical Honor Scholarship is for deserving technical sophomore students who show leadership and academic excellence in the field of technology. The scholarship was created in the summer of 2000 to honor Mrs. Stella Dickerson, a computer technology instructor at East Central. According to one of her students who initiated the scholarship drive, "this scholarship is named in Mrs. Dickerson's honor for the countless hours she spends instructing students. She is a shining example of a true educator. She shows exceptional leadership and accepts no less than the very best from each student. She is a constant supporter of Phi Theta Kappa and encourages each of her students to strive for academic excellence. With her famous words, 'You can do it; I know you can,' she has been, and continues to be an inspiration to us all."

To qualify, potential recipients must:

- Be a technical student returning to East Central Community College for the sophomore year of study;
- Earn membership in the Phi Theta Kappa International Honor Society for two-year colleges during the fall semester of the freshman year;
- Join Phi Theta Kappa the second semester of the freshman year;
- Maintain a 3.0 GPA during the fall semester of the sophomore year and
- Be a non-traditional student.

The amount of this scholarship award will be based upon earnings from an endowment corpus. No part of the corpus may be used for scholarship awards. The scholarship committee in conjunction with the Phi Theta Kappa advisors and the Career-Technical Division will select recipients. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327-0129, or call toll free: 1-877-GO2-ECCC (462-3222), ext. 375.

Opal McMullan Dickerson Memorial Scholarship — This scholarship was established by the Marion McMullan family in memory of their daughter, Opal. It is awarded to a sophomore, who is majoring in elementary education. Selection is made by the student education association advisor and is based on academic success and potential, and the contribution to the student education organization.

The Tony Dobbs Memorial Golf Scholarship — This scholarship was established in 2004, in honor of the memory of the late Tony Dobbs. Funding has been provided by the Forest Country Club's annual crawfish tournament and private donations. Tony was a 1980 graduate of Forest High School, where he lettered in golf, football, and baseball. Tony was an avid outdoorsman who lived life to the fullest.

To be eligible, a recipient must:

- Be a legal resident of Leake, Neshoba, Newton, Scott, or Winston County;
- Maintain a 2.0 GPA;
- Be a member of the ECCC golf team; and
- Be an incoming freshman

The recipient will be selected by the ECCC Scholarship Committee in consultation with the ECCC golf coach. The recipient will receive \$500.00 for the fall semester and \$500.00 for the spring semester of their freshman year at ECCC.

East Central Scholars Scholarship — This scholarship was established by the College in the summer of 1999. Individuals, businesses, and groups

provide these two-year full-tuition scholarships to select in-district students who are in the top ten percent of their high school classes. To be eligible, potential recipients must meet the following criteria:

- Be in the top ten percent of their high school classes;
- Enroll as full-time students at East Central the first semester after high school graduation;
- Agree to enroll in Honors Program courses at East Central; and
- Maintain at least a "3.0" average during their four semesters at East Central.

Qualified recipients will be selected by the college Scholarship Committee. For more information, contact the Vice President for Student Services' Office at East Central Community College.

Scholarship donors will be invited to attend a luncheon each spring to meet the students who receive the scholarships that they provide. Donors are also encouraged to initiate a "mentoring" relationship with the recipients and to monitor their academic progress.

The Leon Eubanks Kaljyc-Peers Leadership Award — This scholarship was established in 1994 by Mr. Leon Eubanks who was a faculty member at East Central Junior College from 1934 to December 1943. While an instructor at East Central, Mr. Eubanks was the faculty sponsor of a campus leadership organization called the Kaljyc-Peers. To honor the leadership philosophy of that organization, Mr. Eubanks stipulated that the interest earned from the invested scholarship corpus be used to fund an annual scholarship to be awarded to the President of the East Central Community College Student Body Association at the annual Awards Day program. The award funds will be disbursed in two equal payments during the year the student serves as the Student Body Association President.

Excellence in Education Scholarship for Career and Technical Students

— Entergy Mississippi, Inc.'s (Entergy) Excellence in Education Scholarship for Career and Technical students recognizes the importance of a well-trained workforce to the future economic success of Mississippi. Entergy believes that Mississippi's community colleges provide excellent job-training programs that enable graduates to compete in today's market.

Criteria: This scholarship will be awarded on an annual basis and will cover tuition and required fees up to \$1,200. The scholarship will be awarded to a student who meets the following criteria:

- Be a full-time East Central Community College freshman or sophomore student pursuing a career or technical field of study.
- Have a 2.5 or better high school and/or East Central Community College grade point average.

- Be free of any disciplinary problems.
- Be a legal resident of Mississippi.
- Have a demonstrated financial need.
- This scholarship may not duplicate other scholarships or financial assistance. That is, the total amount of scholarships and other financial aid may not exceed the total cost of tuition and fees by more than \$300 per semester.

If for any reason the recipient does not return to East Central Community College for the Spring semester or drops below the required GPA, the balance of the scholarship fund shall be awarded in the Spring semester to an alternate student who meets the above criteria.

The scholarship is awarded on an annual basis. To be considered for a second year, the recipient must reapply.

In order to be considered for this scholarship the student must apply to the East Central Community College Student Services Office, submitting the documents required by the College prior to March 1 of each year.

The recipient of the scholarship will be selected by the East Central Community College Scholarship Committee. Review and recommendation of candidates will be without regard to age, race, gender, religion, or national origin.

Anyone interested in applying for the Entergy Excellence in Education Scholarship should contact the Vice President for Student Services Office at (601) 635-2111, Ext. 375. (Added 12/18/01)

Robert G. Fick Memorial Scholarship — This scholarship was established by the family of Robert G. Fick who was a devoted music instructor at East Central Community College from 1951-1978. After retirement, he continued to work in civic and community activities until his death on July 26, 1990. Each year's recipient will have his/her name inscribed on a loving cup which was purchased by the family. This loving cup will remain on permanent display in the college's trophy case. The scholarship amount awarded each year will be based on the annual earnings from the scholarship endowment.

Scholarship candidates must:

1. Be completing their freshman year and be returning as full-time students the following year;
2. Show dedication to the betterment of the music department through untiring work; and
3. Have cumulative grade point averages of no less than a 2.0 on a 4.0 scale.

Financial need and field of study are not criteria for selection. The Vice President for Student Services working with the scholarship committee will be responsible for selecting the recipients of the scholarship and the East Central Band Director will make the annual presentations.

Bank of Forest Scholarship — This scholarship was established in 1997 by the Bank of Forest.

To be eligible, a recipient must:

1. Be a legal resident of Scott County;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
4. Have a high school grade point average of 2.5 or above on a 4.0 scale; and
5. Be willing to participate in an awards ceremony and be part of publicity involving the Scholarship award.

The recipients will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above. Each recipient will receive \$500 for the fall semester and \$500 for the spring semester of their freshman year at East Central Community College.

The Hubert D. Gilmore Scholarship — This scholarship was created in 2000 to benefit students needing financial assistance who agree to tutor other students who need academic help.

Criteria for the Hubert D. Gilmore Scholarship is as follows:

- Possess the academic ability to do so and agree to tutor other students who need academic help;
- Have a need for financial assistance;
- Be motivated to receive an education; and
- Be willing to participate in an annual scholarship luncheon and to take part in accompanying publicity related to the scholarship award.

The amount of the annual scholarship will depend on earnings from the endowment corpus. No part of the corpus may be used for the scholarship. Scholarship recipients will be selected by the College Scholarship Committee. For more information, call the Office of the Vice President for Student Services toll-free; 1-877-GO2-ECCC 462-3222), ext. 375, or write: Box 129, Decatur, MS 39327.

Sue Gunter Memorial Scholarship — This scholarship was established in memory of Sue Gunter, who passed away in August of 2005. Mrs. Jessie Whittle of Newton created this scholarship to honor the life and numerous

accomplishments of her former classmate and friend. Sue Gunter, a Leake County native and graduate of Walnut Grove High School, attended East Central Junior College from 1957 to 1958. In July of 1958, she transferred to the Nashville Business College and played basketball earning All-American honors in 1960. She was also a member of the U.S. National team from 1960-1962. In 1962, she received her bachelor's and master's degrees from the Peabody College in Nashville, Tennessee. Ms. Gunter also did post-graduate work at Texas Women's University. She would go on to coach women's college basketball for 40 seasons - with 22 of those seasons at Louisiana State University. Her overall coaching record, 708-309, is ranked fourth in all-time wins in NCAA women's basketball, ranked third in games coached (1016), and sixth in 20-win seasons (22). Among her numerous honors, Sue Gunter was inducted into the Women's Basketball Hall of Fame in 2000, the Mississippi Sports Hall of Fame in 2003, and the Louisiana Sports Hall of Fame in June of 2005. In September of 2005, she was also elected to the Naismith Memorial Basketball Hall of Fame in Springfield, Massachusetts.

Candidates for the Sue Gunter Scholarship must meet the following criteria:

- Be a resident of the College's five-county district;
- Enroll full-time at East Central his or her freshman year after high school graduation;
- Have maintained a "B" grade point average; and
- Demonstrate the necessity for financial assistance.

This is a four semester scholarship. Recipients must maintain a "B" grade point average and must continue full-time study at East Central to continue to receive the scholarship. The amount of the scholarship award will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Scholarship recipients will be selected by the ECCC Scholarship Committee.

R. O. and Bertha Hannah Scholarship — This scholarship was established in 1991 by the sons of R. O. and Bertha Hannah to honor their parents for the motivation, assistance, and encouragement they provided their children. Mr. and Mrs. Hannah encouraged their sons to acquire the education each would need to help assure a successful future. All four of the Hannahs' sons attended East Central Junior College.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

This scholarship will be awarded annually to an entering freshman from Scott County. Eligible recipients of this scholarship must have the demon-

strated potential for successful college study and must be able to demonstrate the need for financial assistance.

The Vice President for Student Services working with the Scholarship Committee will select the recipients annually.

The Nancy Hiatt Harris ADN Scholarship — This scholarship was fully endowed in the fall of 1998 with a gift of \$10,000 from an unnamed alumna who had a keen interest in enhancing the quality of the College's Associate Degree Nursing program. The scholarship was named for Mrs. Nancy Hiatt Harris, R.N., M.S.N., of Philadelphia who was the first director of the College's Associate Degree Nursing program. While serving in that role, Mrs. Harris spearheaded the program's achievement of initial state and national accreditation.

Candidates for the Harris scholarship must meet the following criteria:

1. Have a minimum grade point average of "C" or above on all previous college study, and
2. Have a demonstrated financial need.

Candidates must have previously been accepted and must be entering their first semester of the Associate Degree Nursing program. The scholarship will be awarded for the first semester of the two-year program.

Only the interest earned on the endowment corpus for this scholarship fund will be used for the scholarship awards. No part of the endowment corpus will be used for the scholarship awards. Recipients will be selected by the College's Scholarship Committee.

The Richard Harris Scholarship — This scholarship was established in December of 2003 by Dr. Harold S. Aycock, Class of 64, in honor of Mr. Richard Harris, his high school basketball coach at Hickory, Mississippi. A native of Hickory, Mr. Harris, Class of 1952, was an outstanding basketball player at Hickory, ECCC and Delta State University. He taught and coached boys and girls basketball teams at several Newton County schools for more than 40 years. His coaching philosophy emphasized that players master the game's basic fundamental skills and strategies, play hard with court awareness and as a team, and show respect for the game, opponents and themselves. His teams won 5 state championships and he was inducted into the ECCC Athletic Hall of Fame in 1990 and the Mississippi Association of Coaches Hall of Fame in 1991.

Candidates for the Richard Harris Scholarship must meet the following criteria:

- Be a graduate of a high school in Newton County;
- Desire to pursue a career in education;
- Complete at least two full academic semesters at ECCC with a mini-

mum of a 3.0 GPA on a 4.0-point scale and intend to complete the appropriate sophomore program at East Central; and

- Preference given to the prior year freshman recipient of the James E. Land Memorial Scholarship, if the freshman recipient meets or exceeds the minimum requirements listed above.

This scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus.

No part of the corpus may be used for scholarship awards. The ECCC Scholarship Committee will select scholarship recipients. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Shelby L. Harris Memorial Scholarship — This scholarship endowment was established in May of 2002 in memory of Dr. Shelby L. Harris by the East Central Community College mathematics and computer science division along with other East Central Community College faculty and staff members and friends.

Dr. Harris graduated from East Central Junior College in 1958 and returned in 1963 as a mathematics instructor. He was employed at East Central Community College for 36 years before retiring in 1999, and he served as chairman of the mathematics and science division from 1986-1999. Dr. Harris also served as faculty advisor for Alpha Alpha Epsilon, the national engineering honor society, for 36 years.

Perhaps his greatest contribution came as advisor to the Theta Xi Chapter of Phi Theta Kappa (PTK), the international honor society for two year colleges. He was instrumental in developing Theta Xi and led the chapter to honors in several categories at the local, state, and national levels. Dr. Harris was inducted into PTK when he was a student at East Central Junior College.

Candidates for the Shelby L. Harris Memorial Scholarship must meet the following criteria:

- Be a freshman mathematics or engineering major;
- Be a member of Phi Theta Kappa; and
- Be a returning sophomore.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the first semester of the recipient's sophomore year. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the East Central Community College mathematics faculty and the Phi Theta Kappa advisors. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Sylvia Ann Graham Haywood Memorial Scholarship — This scholarship was established to honor the memory of Sylvia Ann Graham Haywood by her husband, William Thomas Haywood. Dr. Haywood served as Business Manager at EC and taught accounting from 1951-1958.

Sylvia was a member of the East Central Junior College Class of 1954. While at EC, she was an honor student who served as editor of the *Wo-He-Lo* annual, sang in the Madrigals, and was elected May Queen.

Following her marriage, Sylvia attended and graduated from Sophie Newcomb College of Tulane University and received a Master of Education degree from Mercer University. She taught English and tutored French in both the public and private secondary schools in Macon, Georgia. In 1972 she graduated with honors from Mercer University's Walter F. George School of Law. She practiced law in Macon and taught law at Mercer. In 1984, Sylvia died of cancer at age 48.

The scholarship will be awarded annually, dependent upon availability of funding, to an incoming freshman student for the fall semester.

To be eligible, a recipient must:

- Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- Have good academic standing;
- Demonstrate financial need; and
- Display leadership qualities and good citizenship.

The recipient will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above.

Heritage Banking Group Scholarship — (formerly known as The Carthage Bank Scholarship) This scholarship was established in 1992 by The Carthage Bank now known as the Heritage Banking Group. The scholarship will be available annually to a selected recipient whose legal residence is in Leake County. This full tuition scholarship will be available for the fall and spring semesters of each recipients' freshman year.

To be eligible, a recipient must:

- (1) Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- (2) Must be a legal resident of Leake County;
- (3) Have demonstrated leadership ability in his/her high school;
- (4) Have scored a composite of 20 or above on the ACT.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above.

The Jeffrey G. and Kathy L. Hitt Memorial Scholarship — Established in the Fall of 2003 by Jeff and Kathy's family and in-laws, this scholarship honors their memory and Jeff's devotion to Christ, education and personal success. Kathy, Jeff's sister, was only an adolescent when she was called home to heaven. Jeff was a life-long resident of Union, MS, where he graduated with honors from Union High School, East Central Community College, The University of Mississippi and Mississippi State University. Jeff had served as associate minister of Union Church of Christ and was a cosponsor of the Fellowship of Christian Athletes at ECCC. Jeff began his career in education at Union High School, continued that with the Newton County School System and was working at ECCC as the Work-Based Learning Coordinator at the time of his death in August 2003 at age 31. Jeff was the treasurer of the ECCC Administration, Faculty and Staff Association, and a member of the Mississippi Faculty Association for Community and Junior Colleges. Jeff was an active member of the ECCC Alumni Association and the Newton County Ole Miss Alumni Association.

Candidates for the Hitt Scholarship must meet the following criteria:

1. Plan to enroll full-time the semester after graduating from high school and be committed to earning an Associate Degree (and continuing to Bachelor's studies) or a Career-Technical Degree or Certificate from ECCC;
2. Reside in the 5-county district and be a legal resident of the state of Mississippi;
3. Have a 3.0 GPA on all high school classes and maintain a 2.5 GPA on all ECCC classes to continue receiving the scholarship;
4. Have earned 9 hours after the first semester of freshman year to continue receiving the scholarship the following semester and earn a cumulative 21 hours during the second semester to be eligible for two additional semesters;
5. ACT composite score of 18;
6. Be active in a church;
7. Be an active leader in school and/or civic organizations (or work experience);
8. Demonstrate need of financial assistance on a current student federal financial aid form; and
9. Provide letters of recommendation from his/her high school principal and pastor of his/her church.

This scholarship may not duplicate other scholarships of financial assistance. That is, the total amount of scholarships and other financial aid may

not exceed the total cost of attendance, as established by the financial aid office, by more than \$500.00 per semester, if so, this scholarship will be reduced to meet that amount and excess funds placed into the principal of the scholarship. If no applicant meets the full criteria and/or if an applicant selected has already met full tuition through other scholarships/awards, others may be selected.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded for two semesters. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Hogue-Brantley Scholarship — First funded in the Spring of 2001, this \$1,000 annual scholarship honors Leake County natives Coyt Hogue and Bobbie Brantley Hogue, parents of East Central alumni Carolyn Hogue Appler, '66, of Elizabethtown, Kentucky, and Larry Hogue, '61, of Jackson, Mississippi. Larry Hogue retired from the College in 2001 as Vice President for Foundation and Alumni Relations after helping raise \$2 million over five years. "Both of our parents valued education and my mother took her life savings, \$500, to help me go to East Central," Larry said. Larry later got B.S. and M.S. degrees, as did Carolyn, a registered nurse who served at the time of this writing as program manager, Health and Wellness Center, Ireland Army Community Hospital, Fort Knox, Kentucky. Their father Coyt Hogue, a graduate of Sebastopol High School, was a Studebaker car dealer in Forest and retired as East Central automotive technology instructor in 1980. Mrs. Bobbie Brantley Hogue attended Walnut Grove High School and was a nursing graduate of Hinds Community College, Raymond. Their parents were Walter and Molly Dennis Hogue and Pleas and Jewel Upton Brantley of Leake County.

Scholarship criteria include:

- Be a nontraditional (23 years old or older) student, and
- Study in a career-technical area, with preference given to nursing or auto mechanics.

Selection of recipients will be made by the College Scholarship Committee. For more information, contact the Vice President for Student Services, Box 129, Decatur, MS 39327-0129. Phone toll-free: 1-877-GO2ECCC (462-3222), ext. 375.

The Albert F. and Fannie M. Hollingsworth Scholarship — This scholarship was endowed by Albert F. Hollingsworth and Fannie McDonald Hollingsworth to be awarded to two entering freshmen for their fall semester at East Central Community College. The recipients will be chosen by the College Scholarship Committee on recommendations from Lake High School in Scott County.

Mr. Hollingsworth graduated from East Central in 1943. He served in the Navy and Marine Corps during World War II. Mr. Hollingsworth is also a graduate from the University of Southern Mississippi. After College, he was a mathematics teacher and served as principal at Lexie High School in Walthall County. Mr. Hollingsworth also served as principal of Lake High School before becoming Superintendent of Education for Scott County for twenty years (beginning in 1967). He has also served on the Board of Trustees at East Central Community College in excess of thirty years.

Mr. and Mrs. Hollingsworth's children, daughter Patricia Ann Lowe and husband Alan Lowe, were both teachers in the Jackson Schools, and son, T. Freeman Hollingsworth, and wife Sherri Carter are both teachers in the Rankin County Schools.

Criteria for applicants for the Hollingsworth Scholarships are as follows:

- Must be a graduate of Lake High School;
- Must enroll at East Central Community College in an academic field;
- First preference will be given to Mathematics Education majors;
- Second preference will be given to Elementary or Secondary Education majors;
- Must have the potential to be a successful teacher;
- Third preference will be given to professional majors.

The amount of the scholarship award will be based only on interest earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

The Delane Hudson/Voices of Congress Scholarship — This scholarship, the first minority-sponsored scholarship at the College, was established in 1998 by Mr. Delane Hudson, a member of the East Central Community College Board of Trustees representing Winston County. Mr. Hudson established the scholarship to encourage more Winston Countians, especially those needing financial assistance, to take advantage of the educational opportunities offered by the College. Candidates for the scholarship must meet the following criteria:

- Be a graduate of a public high school in Winston County;
- Have a high school grade point average of at least 2.5 or above on a 4.0 scale;
- Have a demonstrated financial need; and

— Enroll as a full-time student at East Central Community College.

The recipient of this annual \$500 scholarship will be selected by the College Scholarship Committee. For more information, contact the Vice President for Student Services' office by calling toll-free 1-877-GO2-ECCC, Ext. 204, or write box 129, Decatur, MS 39327-0129.

The Hudspeth Scholarship — This scholarship was endowed in the fall of 1998 with a substantial gift to the College from Henry Bane "Bubba" Hudspeth and his wife Faye McCully Hudspeth of Louisville. At the time of the gift, it was the largest individual donation ever made to the College.

Mr. Hudspeth, a successful businessman and Winston County native, graduated from East Central Junior College in 1959. The Hudspeths' son, Henry McCully "Cully" Hudspeth, graduated from the College in 1989. A lifelong supporter of East Central and community colleges statewide, Bubba Hudspeth served on the College's Board of Trustees for 28 years, from 1968 to 1996. He was chairman of the board for almost 11 years, from July of 1983 to January of 1994. In 1996, he was appointed to a six-year term on the State Board for Community and Junior Colleges. He was chosen to serve as Vice Chairman of that Board in 1997.

The Hudspeths established the endowment for this scholarship with a gift of stock to the College. The amount of the annual award for this tuition scholarship will depend upon the level of the earnings from the endowment.

Students from any public or private high school in Winston County are eligible to compete for a Hudspeth Scholarship. Also eligible are home schooled students who meet the basic requirements.

To be considered, each potential recipient must meet the following criteria:

1. Have a "C" or "C+" average in course work completed (2.0-2.5 on a 4.00 scale);
2. Have definable career goals and plans; and
3. Have a demonstrated need for financial assistance.

For more information, contact the Vice President for Student Services' office at ECCC. You may call 1-877-GO2-ECCC, Ext. 300, or write Box 129, Decatur, MS 39327-0129.

The Martha Kate Tullos Hummel Scholarship — This scholarship endowment was funded by her husband, Donald, her sons Andrew, Robert, Jeffrey, her family, and friends. A native of Choctaw County, MS, Martha Kate graduated with honors from Louisville High School. At East Central Junior College, she received the highest recognition when her name was inscribed on the "Hall of Fame" at East Central for exhibiting

exemplary character, superior scholarship, leadership, and contribution to the betterment of the College. She also participated in the band, choir, ECCC Players, and was voted a class favorite. Throughout her life, Martha Kate was active in the United Methodist Church. In later years, Martha Kate had lead roles in several Little Theater Stage productions. She directed and sang in "Harmony," a female choral group. Also, she was very active in organizing the 57-58-59 East Central Alumni Group which met every year at Homecoming.

The East Central Community College Scholarship Committee will make the selection from the applicants who have completed the application process and met the general eligibility requirements.

To be eligible for the scholarship the student must:

1. Be a legal resident of the 5-County District;
2. Have a minimum 3.0 grade point on a 4- system;
3. Be a full time student starting the sophomore year; and
4. Be a music major.

All funds contributed shall go into the endowment fund. The amount of the scholarship will be \$500.00 the first year and increase by \$25 each year thereafter. No part of the endowment corpus may be used for scholarship awards. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Myrtle R. Hutchison Scholarship — The purpose of this scholarship is to annually provide encouragement and recognition to a member of the Student Education Association (SEA) who has the potential and genuine interest in pursuing a career in the field of elementary education at a senior college or university after graduation from East Central Community College. Recipients may receive \$300.00 per semester for the two sophomore semesters at East Central. This scholarship is provided by Myrtle R. Fikes Hutchison, originally from Lake, Mississippi. She attended East Central in 1948-49 and graduated at Mississippi Southern College in 1951. Mrs. Hutchison retired from the education field in 1986, after having taught at Pearl River Indian School and schools in Alabama, Neshoba County, Albuquerque, New Mexico, and Littleton, Colorado, for over 30 years.

To be eligible, each scholarship contestant must:

- Be an active member of the SEA at East Central;
- Demonstrate a genuine potential for and interest in pursuing a career in the field of elementary education at a senior college or university after graduating from East Central Community College;

- Complete at least two full academic semesters at East Central Community College with a minimum of a "C+" average (minimum 2.75 GPA on a 4.0 scale) and intend to complete the appropriate sophomore program at East Central;
- Improve grades during the third semester over the first two semesters to qualify for the fourth academic semester scholarship; and
- Have a demonstrated need for financial assistance.

First consideration will be given to those who reside in the East Central Community College District. Involvement in religious, charitable and/or community activities will be given additional merit. Selection of recipients will be made by the SEA advisor in cooperation with the College Scholarship Committee. For more information, contact the Vice President for Student Services' Office, East Central Community College, P.O. Box 129, Decatur, MS 39327.

The S. Lebrun Hutchison Scholarship — The purpose of this scholarship is to provide recognition and encouragement to an Alpha Alpha Epsilon (AAE) engineering club member at East Central Community College who has the potential to succeed in the field of engineering or science. Since 1985 the engineering award has been given to an AAE member who demonstrated a genuine interest in pursuing an engineering or science major at a senior college or university. Recipients of the award, now a scholarship, may receive \$300.00 a semester for the two sophomore semesters at East Central. The scholarship is provided by S. Lebrun Hutchison, Class of 1949 and founding vice-president of the AAE at East Central in 1947.

To be eligible, each scholarship contestant must:

- Be an active member of AAE at East Central;
- Demonstrate a genuine potential for and interest in pursuing a career in either the fields of engineering or science at a senior college or university;
- Complete at least two full academic semesters in a pre-engineering or a science curriculum with a minimum of a "C" (2.0 GPA on a 4.0 scale) average and intend to complete the appropriate sophomore program at East Central;
- Improve grades during the third semester over the first two semesters to qualify for the fourth academic semester scholarship;
- Have a demonstrated need for financial assistance.

First consideration will be given to those who reside in the East Central Community College District. Involvement in religious, charitable and/or community activities will be given additional merit. The AAE advisor will

select recipients in cooperation with the College Scholarship Committee. For more information, contact the Vice President for Student Services Office, East Central Community College, P. O. Box 129, Decatur, MS 39327.

The Ronnie and Michele Jones Scholarship — Ronnie and Michele Jones are residents of Philadelphia, Mississippi. They are the franchisees and owners of Sonic Drive-In. They have been franchisees of Sonic Drive-In since 1977.

This scholarship was established in 2006 by Ronnie and Michele Jones. The recipient of this scholarship must be a graduate of Neshoba Central High School and enrolled as a full-time freshman at East Central Community College. The scholarship will pay for two semesters at \$700 per semester - dependent upon availability of funding.

Neshoba Central High School's scholarship committee will select this scholarship annually.

The specific requirements for this scholarship are set forth as follows:

1. Must have demonstrated leadership abilities while attending Neshoba Central High School;
2. Must have demonstrated high moral standards with good character;
3. Must be active in a Christian church;
4. Must be enrolled as a full-time student at East Central Community College;
5. Must have a 3.0 or higher GPA; and
6. Must not have been involved in any activity that would bring discredit to East Central Community College.

The James E. Land Memorial Scholarship — This scholarship was established in December of 2003 by Dr. Harold S. Aycok, Class of 64, in memory of Mr. James E. Land who was his high school vocational agriculture teacher and FFA advisor at Hickory, Ms. Mr. Land, Class of 1938, was a professional educator for many years at Hickory and Union High Schools retiring in 1983. He was also a generous and avid photographer dedicated to helping others capture the memories of their special occasions. He received a number of professional and community recognitions including the ECCC Lifetime Achievement Award in 2000 for his many years of support and contributions to the College.

Candidates for the Land Scholarship must meet the following criteria:

1. Be a graduate of a high school in Newton County.
2. Desire to pursue a degree in education.
3. Enroll full time as a freshman the semester after graduating from high school.

This scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus.

No part of the corpus may be used for scholarship awards. The ECCC Scholarship Committee will select scholarship recipients. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), ext. 375.

La-Z-Boy Scholarship — This scholarship was established in 1995 by La-Z-Boy South located in Newton, Mississippi. The purpose of this scholarship is to provide financial assistance to qualified students who choose to enroll at East Central Community College. The scholarship will be awarded annually to a minimum of two students. Recipients must be legal Mississippi residents who enroll as full-time students on the Decatur Campus, must be in-district students with preference given to Newton County residents, and must have a cumulative 3.0 G.P.A. on college credit course work or a "B" average on all high school course work. Students must have demonstrated a high level of participation in extracurricular activities and/or community involvement.

Frank Edwin and Nena Holt Leatherwood Scholarship — This scholarship was funded by the family and friends of the Leatherwoods in loving memory and honor of these two educators who ignited the spark of learning and encouraged the hopes and dreams of countless students. Mr. Leatherwood was a longtime member of the biology department faculty at East Central Junior College, and Mrs. Leatherwood served for many years as an elementary school teacher in Decatur. The scholarship is awarded each year to a freshman, selected by the science faculty, who will return for the next fall semester. The presentation of the award is made at Awards Day each spring.

The William Wade Long Memorial Scholarship — This scholarship endowment was established in June of 2006 in memory of William Wade Long by his parents, Gail and Dwight Long. Wade, a native of Neshoba County, attended Union High School and also attended Meridian Community College majoring in basic EMT courses while in high school. In 1994, Wade attended East Central Community College and also took courses at night from Shelton State in Tuscaloosa, Alabama to work on his intermediate EMT training. In 1996, he graduated from the paramedic school at Shelton State while also attending the University of Alabama.

Wade's untimely death occurred on December 8, 1996. He is survived by his parents; a brother, Russell Dwight Long; and a sister, Cynthia Gail Long Stevens.

Candidates for the William Wade Long Memorial Scholarship must meet the following criteria:

- (1) Be a resident of Neshoba or Newton County;
- (2) Be an incoming freshman;
- (3) Have a 2.0 GPA or better on high school coursework; and,
- (4) Plan to major in the medical or health-related field.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the fall and spring semesters of the recipient's freshman year. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the East Central Community College Scholarship Committee. (added 8/8/06)

The Edwin and Marie Lowe Scholarship — This scholarship honors the life and work of Louisville, Mississippi, native Edwin W. Lowe and Marie Johnson Lowe, a Helena, Arkansas native and was endowed by their children.

The Lowes both worked for newspapers in the mid-South area during much of their careers. However, in her 50's Mrs. Lowe completed bachelor's and master's degrees from Texas Women's University and was a school librarian in the Dallas, Texas, area for the last 14 years of her career. Together the Lowes raised three children, two daughters and a son, all of whom had careers in education.

To be eligible, potential recipients must meet the following criteria:

- Be a nontraditional student (at least 23 years old or older);
- Have at least a 2.0 (C) grade point average on a 4.0 scale.

These requirements recognize the fact that Mrs. Lowe completed her college degrees after having a family and a career and that Mr. Lowe, although he was unable to complete his degree because of the Depression, supported his wife's efforts to obtain her degrees and was an avid life-long learner.

The amount of the annual scholarship will depend on earnings from the endowment. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1/877/GO2-ECCC (4623222), ext. 375.

The Thomas Rudolph Mayes Memorial Scholarship — Created in August of 1998, by his family and friends, this scholarship honors the memory of Mr. Rudolph Mayes, East Central English instructor for 28 years. According to his daughter, Mrs. Jackie Mayes Edie, Class of '79, of Houston, Texas, this scholarship "perpetuates the tenacious value of education and continuous learning exemplified by the life and contributions of

this dedicated educator." Mr. Mayes graduated from East Central in 1952 with the distinction of having been elected to serve as the College's first student body president. Following completion of a master's degree in English from Mississippi State University, he began a career of teaching at East Central. During his tenure here he served as sponsor of Phi Theta Kappa, international honorary scholastic society for community college students, and sponsor of The TomTom, the student newspaper. He retired in 1986. His first wife, Madaline Smith Mayes, who preceded him in death, served the College for 20 years as secretary to the registrar and later worked as a math teacher in the Newton County School System. Prior to his death, he was married for six years to Rosalyn Thompson Mayes of Decatur, an employee of the La-Z-Boy Corporation in Newton.

To be eligible for the scholarship, potential recipients must:

- Have maintained a 3.0 grade point average in high school on the 4.0 scale;
- Submit a letter of recommendation from a high school or college faculty member who taught the applicant; and,
- Agree to take part in a recognition ceremony at which the scholarship award will be presented.

Recipients will be selected by the College Scholarship Committee. Only the interest earned on the endowment corpus for this scholarship fund shall be used for this scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

The Russell McCann Memorial Scholarship — Created in the spring of 2001 by family and friends, this annual \$500 scholarship honors the memory of Russell McCann, Class of '97. Russell lost his life in April 2001, after an auto accident.

Russell, a 1995 graduate of Newton County Academy in Decatur, Mississippi, was co-captain of the football team. Honors received while at Newton County Academy include:

- 1990-91 Football Trophy (Best Defensive Player), Basketball Trophy
- 1991-92 Captain Crunch Award
- 1993-94 All-Conference (Defensive Tackle, All-Conference Defensive Team)
- 1994-95 School Paper Staff — Sports Reporter
- American History Award
- Captain Award — Outstanding Leadership
- Most Valuable Player — Defensive

While at East Central, Russell was an offensive guard for the '96 and '97 Warrior teams. The '96 team went 10-1, finished fifth in the nation, and won the Huddle House Golden Isles Bowl Game in Brunswick, Georgia, by beating the Middle Georgia College 7-6 on December 7, 1996. Russell was a member of the 1st string offensive team for the Huddle House Golden Isles Bowl game and received MACJC All-State Honorable Mention honors in football in 1997. East Central Head Football Coach Terry Underwood said, "Russell was a good player and a fine young man. We were very fortunate to have had him in our program."

East Central Alumni Ricky and Teresa Williamson Shannon of Lena, Class of '82, are his parents who initiated the scholarship in his honor.

Scholarship applicants must:

- Be a resident of the five county East Central district; and
- Have at least a "C" grade point average;
- Be an athlete, with preference given to football.

Selection of the recipient is made by the College Scholarship Committee. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. Call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

Merchants and Farmers Bank Scholarship — This scholarship was established in the spring of 1998 by the Merchants and Farmers Bank of Philadelphia. It is awarded the first semester of the freshman year at East Central and goes to two entering freshmen who receive \$500 each.

To be eligible, recipients must:

1. Be legal residents of Neshoba County;
2. Have overall high school grade point averages of 2.5, or "C", on a 4.0 scale;
3. Have ACT scores of at least 18;
4. Enroll as full-time students at East Central Community College the fall semester following high school graduation; and
5. Be willing to participate in an awards ceremony and be part of publicity involving the scholarship award.

The recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. For more information, contact the Vice President for Student Services' office at East Central Community College.

Mississippi Association of Supervisors' Community College Scholarship — In 1996, the Mississippi Association of Supervisors established

scholarships for each of Mississippi's 15 community colleges. The scholarships are awarded to four (4) students each year at each college in the amount of \$500 per year each (250 per semester) for one year or two consecutive semesters. Eligibility for the scholarship is based on the following criteria:

1. Be a freshman and have potential for success in college;
2. Demonstrate a financial need (minor consideration);
3. Complete the application process to the College to include:
 - a. letters of recommendation
 - b. transcript
 - c. other as required by each community college committee;
4. Be selected from eligible applicants by the College's scholarship committee based on a rotation system between the counties of the College's district in alphabetical order;
5. Have a 2.5 or better GPA after the first semester in order to receive for second semester;
6. Be recognized in publicity releases and to the appropriate local Board of Supervisors and the Mississippi Association of Supervisors.

Bank of Morton Scholarship — This scholarship was established in 1997 by the Bank of Morton. To be eligible, a recipient must:

1. Be a graduate of Morton High School;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
4. Have a high school grade point average of 3.0 or above on a 4.0 scale; and
5. Participate in an awards ceremony and be a part of publicity involving the scholarship award.

The recipient of the scholarship will be selected by a committee composed of representatives from Morton High School and the Bank of Morton. The recipient will receive \$500 for the fall semester and \$500 for the spring semester of his/her freshman year at East Central Community College.

Dr. Margaret Mosal Memorial Scholarship for Leadership — This scholarship was established in 1997 to provide financial assistance to deserving students at East Central Community College. The award was established in honor of the late Dr. Margaret Mosal of Canton, Mississippi, former

executive director of Phi Theta Kappa, the International Honor Society for two year colleges. Dr. Mosal led the organization for 50 years, from 1935 to 1985.

The scholarship was funded by a Mosal Leadership Award stipend presented to Dr. Shelby L. Harris by Phi Theta Kappa with additional funds from Dr. Harris, longtime mathematics instructor and chairman of the Mathematics and Science Division at East Central.

The award will be given annually to a student who exemplifies the hallmarks of Phi Theta Kappa - scholarship, leadership, service and fellowship - during the student's freshman year of membership in Phi Theta Kappa as determined by the advisors of East Central's Theta Xi Chapter of Phi Theta Kappa.

In addition to a \$200 scholarship, awards will include placing the names of the recipients and the dates of presentation on an engraved commemorative plaque. Certificates will be presented to the recipients by an advisor of Phi Theta Kappa on the annual Awards Day at the College.

The Ben Myers Memorial Scholarships — These scholarships were established in memory of Ben Myers, a 1997 graduate of East Central Community College. Ben's family and friends created these scholarships after he lost his life in an automobile accident in Winston County on July 9, 1998. While at East Central, Ben, an outstanding student-athlete, was chosen "Mr. East Central Community College." An accounting major from Philadelphia, he was a member of Phi Theta Kappa, the international scholastic honor society for community and junior college students. He was also a member of Phi Beta Lambda, an organization for students planning to pursue careers in business. He also served on the Presidents Council and in the Warrior Corps, an elite group of students who serve as ambassadors for the College. He was a Dean's List Scholar and a member of the College Golf Team at ECCC. After graduation from East Central, he attended the University of Mississippi where he was a senior, a Dean's List Scholar, and a member of the Fellowship of Christian Athletes as well as the Ambassadors, a volunteer student-recruiting group. He was the son of Mr. and Mrs. Rocky Parks and Mr. and Mrs. Glenn Myers, all of Philadelphia. He was a 1995 graduate of Neshoba Central High School, where he served as president of the student body and was voted "Most Outstanding Senior."

Candidates for the Myers scholarships must meet the following criteria:

- Be a high school graduate from either Neshoba Central High School, Philadelphia High School, or Choctaw Central High School;
- Enroll full time at East Central; and
- Have a grade point average of 3.5 or above on a 4.0 scale

The annual selection of the two Myers scholarship recipients will be made by the College Scholarship Committee. The scholarship award shall be equal to \$500.00 per year per recipient and funding for the scholarship will come from the earnings of the fund. The principal may be used when earnings do not cover the amount of the scholarship and excess earnings from the fund will be reinvested in the fund.

New Directions Scholarship — Established in the spring of 1998 by an East Central graduate and successful business executive, this scholarship provides \$2,000 for four semesters of full-time study by a nontraditional (older) student who has decided to return to college after having been out of school for more than three years. Recipients must meet the following criteria:

- Be at least 21 years of age;
- Be either married or a single parent;
- Have been out of school for more than three years (high school, college, or since passing the GED);

Recipients must maintain a "B" or better average each semester to continue receiving the scholarship. Recipients must continue full-time study and graduate or complete their course work within four semesters. This award is presented every two years.

The Stella Weathersby Newsome Scholarship — This scholarship was endowed in the fall of 1999. It honors the memory of Mrs. Stella Weathersby Newsome who served the College as a literature instructor and in various other capacities for 30 years, from 1928 to 1958. Newsome Hall dormitory is named in her memory. The scholarship drive was started in the spring of 1998 by Ms. Marion Francis of Jackson, Mrs. Newsome's granddaughter who, during her childhood visited often with Mrs. Newsome on the campus. The initial effort to raise the first \$10,000 needed to minimally endow the scholarship was completed at Homecoming, 1999. An anonymous donor's pledge to match \$1 for every \$5 raised, up to a total of \$1,000, helped complete the drive. The class of 1949 took a leadership role in the completion of the endowment.

Scholarship recipients must be "nontraditional" students who are 23 years old or older.

Scholarship candidates must:

- Be at least 23 years old or older;
- Have at least a "C" or 2.0 grade point average on all previously completed course work;
- Be a high school graduate or hold the GED certificate; and

- Agree to enroll as a full-time student at East Central's Decatur Campus.

The amount of the scholarship award, to be given for the first semester of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, write the Vice President for Student Services' office, ECCC, Box 129, Decatur, MS 39327, or call toll-free 1-877-GO2-ECCC (462-3222), ext. 375.

Newton Community Healthcare Scholarship — This scholarship was established in August 2003, by Newton Community Healthcare, Inc., in partnership with the Grow Your Own Program. This partnership received grant funding to establish a scholarship that would benefit students of Newton County as well as the community. The scholarship was designed to attract students to the healthcare profession and have them remain in Newton County to work after graduation. This scholarship will provide two students two full years (four semesters) of tuition at East Central Community College. Recipients of the scholarship must be enrolled in the Associate Degree Nursing Program or the Licensed Practical Nursing Program at East Central.

To qualify, potential recipients must:

1. Register as full time students at East Central in the ADN or LPN programs;
2. Reside in Newton County; and
3. Maintain at least a "3.0" or "B" average during the four semesters at EC

Scholarship recipients will be selected by the College Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Newton Rotary Club Scholarship — This annual scholarship was established in November of 2003. The Newton Rotary Club Scholarship will be awarded the fall semester of the recipient's freshman year and will provide two students, one male and one female, a \$500 scholarship to attend East Central Community College.

To qualify, potential recipients must:

1. Be a graduate of a high school located in Newton County;
2. Enroll as a full-time student at East Central the fall semester following high school graduation;
3. Have a high school grade point average of at least 2.75 on a 4.0 scale;
4. Demonstrate leadership qualities by serving in a leadership role as a

member of a student organization or organizations such as intramural sports, or athletic team but not on an athletic scholarship;

5. Leadership qualities will exemplify the Rotary Four Way Test of the things they think, say or do. (Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?);
6. Complete a scholarship application form; and
7. Submit three written letters of recommendation from high school principal or superintendent, at least one teacher, and a prominent citizen of the community stating he or she meets the Rotary Four Way Test.

Scholarship recipients will be selected by the College Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1/877/GO2-ECCC (462-3222), ext. 375.

The Polk and Jennie Pace Scholarship — This scholarship was endowed in March of 1997 by Mr. Pace's widow, Scott County native Mrs. Jennie Thrash Pace of Newton, Mississippi; her children, Mrs. Reba DeBari of Pensacola, Florida, and Dr. Harrell S. Pace of Biloxi, Mississippi; her grandchildren, Mrs. Donnie White of Clifton, Virginia, Mrs. Guy Garner of Lenoir, North Carolina, Mr. Stephen Pace of Murfreesboro, Tennessee, Mr. Michael Pace of Starkville, Mississippi, Mr. David DeBari of Luling, Louisiana, and Mr. Kenneth DeBari of Pensacola, Florida; and other family members and friends. This scholarship honors the memory of the late Mr. Lawrence Polk Pace, originally from Conehatta, Mississippi, who passed away January 23, 1997, at age 86. Mr. Pace, a businessman, was a strong believer in the value of education. He attended East Central Junior College in 1929. Both of his children and his daughter-in-law, the former Miss Grace Holman of Newton, all graduated from East Central. The Paces' son, Dr. Harrell Pace, MD, was named to the first East Central Hall of Fame in 1956. Their daughter, Mrs. Reba DeBari, a realtor, sang at the Orange Bowl with the East Central Choir in 1957, and performed nationally as a member of the Choral Society of Pensacola, performing in Carnegie Hall in 1990 and in 1997, and throughout the country.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Each scholarship candidate must:

1. Be a resident of either Scott County, or Newton County, Mississippi;
2. Have a "B" or better average his/her senior year in high school;
3. Plan to major in either science, math, or music (if no applicant plans a major in these fields, others will be considered);

4. Plan to attend East Central Community College in Decatur as a full-time student during the fall semester following his/her senior year in high school.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. For more information, write the Vice President for Student Services' office, East Central Community College, Box 129, Decatur, MS 39327-0129, or call 601-638-2111, ext. 375.

The Philadelphia-Neshoba County Arts Council Music, Art, or Drama Scholarship — This scholarship was established in 1996 by the Philadelphia-Neshoba County Arts Council. The purpose of this scholarship is to provide an award of \$200.00 per semester to an appropriately selected sophomore student who has declared music, art, or drama as his/her major.

To be eligible for this scholarship, the student must:

1. Have resided in Neshoba County for at least two years prior to attending East Central Community College;
2. Be of sophomore status;
3. Have maintained a cumulative college GPA of 2.5 or better, and;
4. Recipients must maintain at least a 2.5 GPA to retain this scholarship.

The Music, Art, and Drama Scholarship Committee, composed of an art instructor, a drama instructor, and the director of bands, will annually select the recipients of this scholarship.

Philadelphia Sertoma Club Scholarship — (SEE Sam Rush Memorial Scholarship)

The Charles P. Phillips and Bonnie Saxon Phillips Scholarship — Endowed in 2005, this scholarship was funded by Charles P. Phillips, class of 1938, and his wife, Bonnie Saxon Phillips. A native of Edinburg, Mr. Phillips graduated from Edinburg High School. After East Central, he graduated from Mississippi State College. He taught school a few years before serving in the European theater in WWII. After his military duty, he was employed at the Farmers Home Administration until retirement. He is a member of the Masonic Lodge and a Shriner. Mrs. Phillips, the former Bonnie Saxon, was born in Houlka, MS and moved to Neshoba County in early childhood. She graduated from Philadelphia High School and later was employed as a buyer for Stubbs Department Store and then as an office employee of Coca Cola Bottling Company in Philadelphia. She was a member and officer of the Philadelphia Business and Professional Women's Club.

Criteria for this scholarship includes:

- Must plan to enroll at East Central as a full-time student;
- Must have maintained at least a "B" average in high school; and
- Demonstrate need (to be determined by the College Scholarship Committee)

Recipients will be selected by the College Scholarship Committee, and the scholarship will be awarded during the first semester of the freshman year. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

The Roscoe C. Pugh Memorial Scholarship — Roscoe C. Pugh was the first president of East Central Junior College. He served in that capacity from 1928 when the College was founded until 1934. He served previously as the superintendent of the Newton County Agricultural High School.

In the fall of 1996, Leon Eubanks, who served from 1934 until 1943 as an English instructor at East Central and who was a graduate of the Newton County Agricultural High School, established and fully endowed this scholarship to honor his friend, Mr. Pugh.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the annual scholarship awards. No part of the endowment corpus shall be used for the scholarship awards.

To be eligible to be considered for this scholarship, candidates must:

1. Enroll as full-time day academic or technical students at the Decatur campus after having been previously enrolled as part-time students;
2. Have earned all previous college credits at East Central Community College;
3. Have earned a minimum of 12 semester hours credit and not more than 21 semester hours credit before applying for the scholarship.
4. Have a minimum 3.00 grade point average on all college work completed;
5. Have submitted completed scholarship application forms to the Vice President for Student Services' office; and final selection of the recipients for this scholarship will be made by the College's Scholarship Committee.

This scholarship will be available for two semesters of enrollment at East Central Community College.

The Shirley Renaud Memorial Scholarship — Established early in 2000, this endowed scholarship honors the memory of Shirley Sanders Renaud, Class of 1963, an outstanding student, athlete, and educator. Mrs. Renaud,

a Greenwood native who lived in Carthage for most of her life, died at age 56 in November of 1999 after a long bout with cancer.

Mrs. Renaud was a graduate of Carthage High School where she was a star basketball player from 1957 to 1961. During her senior year, she averaged 35 points per game and once scored 53 points in two quarters and three minutes of a game. Her high school uniform number, 33, was retired when she graduated. Her high school coach said she was one of the most outstanding players he had ever seen.

At East Central, Shirley played intramural basketball. She also achieved membership in Phi Theta Kappa, the international academic honor society for community college students. After graduating from East Central, Mrs. Renaud graduated from the University of Southern Mississippi with honors. She was a teacher in both public and private schools before ending her career as a librarian with the Leake County Schools. Mrs. Renaud was the wife of Joe Renaud who at the time of her death was serving as personal development specialist in East Central's Workforce Development Center.

Both of the Renaud children graduated from East Central. Their daughter, Tara Lynn, graduated in 1997. She was a member of Phi Theta Kappa and was an Academic All-American on the College's tennis team. Their son, Joseph "Joff" Renaud, III, was also a member of Phi Theta Kappa and the tennis team when he graduated in 1993. Both children went on to graduate from the University of Southern Mississippi with honors. Mrs. Renaud's mother, the former Evelyn Adams, was a member of East Central's Class of 1933. Her two brothers, Wilbur Eugene Sanders and Billy Joe Sanders, both of Jackson, also attended East Central.

Students selected for this scholarship must have excelled both athletically and academically.

Scholarship criteria include the following:

- Have a minimum overall grade point average of 3.5 (B+) on a 4.0 scale;
- Participate in varsity sports, with the first choice of recipients going to basketball players, second to tennis, then golf, soccer, and football; and
- Be a resident of the College's five-county district.

The amount of the annual scholarship will depend on earnings from the endowment. No part of the endowment corpus may be used for scholarship awards. Recipients will be selected by the College Scholarship Committee. For more information, contact the Vice President for Student Services, East Central Community College, Box 129, Decatur, MS 39327-0129. Call toll free 1-877-GO2-ECCC (462-3222), Ext. 375.

The Herman and Mosoura Rigby Memorial Scholarship — This scholarship was established in 1993 by Dr. M. G. Rigby who attended East Central

Junior College in 1965 and 1966. Dr. Rigby came to East Central as an out-of-state student to major in education. He went on to complete his BA degree at the University of Southern Mississippi, and his MA and Ed.D. degrees at the University of Mississippi. His parents were of great inspiration to him as he pursued his educational goals. It was in the memory of Dr. Rigby's parents that this scholarship was established. This two-semester scholarship will be awarded annually to an out-of-state entering freshman who demonstrates both the need for financial assistance and an aptitude for success as a student. The amount of each scholarship award will equal fifty percent of the annual interest earned on the invested scholarship corpus. The remaining fifty percent of the annual interest earned will be added to the corpus. The annual recipients of this scholarship will be selected by the Scholarship Committee from the pool of qualified applicants.

The Sam Rush Memorial Scholarship — (formerly known as the Philadelphia Sertoma Club Scholarship) Created in the summer of 2000 this scholarship is funded by the Sertoma Club as part of their emphasis on education. The club sponsors the annual Heart O' Dixie Triathlon as a fund raiser to help with various civic projects including Christmas gifts for families, support of parks and public health, and patient scholarships for treatment of speech/hearing problems.

Criteria include the following:

- Be a resident of Neshoba County;
- Enroll as a full-time student the fall after they graduate from high school;
- Be a graduate of public school in Neshoba County; and
- Have at least a 2.5 (C+) average on a 4.0 scale.

The scholarship recipient will be awarded annually by the College Scholarship Committee to an incoming freshman. The recipient will receive a total of \$500, \$250 for each of two semesters for their first two semesters of college. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. Call toll-free: 1-877-GO2ECCC (462-3222), Ext. 375.

The Charles W. Sanders Memorial Scholarship Award — This scholarship is awarded each year by the Forest-Scott County Civic Club to a high school senior from either Forest, Lake, or Scott Central high schools. The recipients of the award are selected by the schools from a list of those students who have maintained good grades and who can benefit from financial assistance. The award is named after the late Charles W. Sanders, longtime member and former president of the Forest Kiwanis Club. This scholarship was established in the Spring of 2000. At that time Mr. Sander's

daughter, Mrs. Gloria Sanders McRae of Carthage, a graduate of Forest High School, was a math instructor at East Central and Craig, his grandson, had just been named to the Hall of Fame, the College's highest honor. This \$700 scholarship will be awarded in the fall semester following the recipient's graduation from high school.

Elva Smith Sigrest Memorial Scholarship — This scholarship was established in October of 2006 by family of Mrs. Elva Sigrest. Mrs. Sigrest was a 1932 graduate of East Central. She was a native of Neshoba County and had been a resident of Harpersville for over 69 years where she was an active member of the Harpersville United Methodist Church.

To be eligible, scholarship applicants must meet the following criteria:

1. Be a graduate of Scott Central or Forest High School;
2. Have sophomore status at East Central Community College;
3. Have at least a 3.0 grade point average on a 4.0 scale; and
4. Must enroll full time at the College.

The recipient will be selected by the College Scholarship Committee. This scholarship will be initiated the fall semester of 2007 and will continue each fall semester - dependent upon availability of funding.

The Jay B. and Frances Harris Smith Scholarship — This scholarship endowment was established in December of 2002 in memory of Mr. Jay B. Smith and in honor of Mrs. Frances Harris Smith.

Mr. Smith graduated from ECJC in 1934 and went on to graduate from Mississippi State University. Mr. Smith was employed with the Department of Agriculture, Bureau of Entomology for 12 years before returning to Newton County to operate a dairy farm. He also worked with the USDA soil conservation services and the MS Department of Welfare.

Mrs. Frances Smith was a member of the first class of 1928 and graduated from ECJC in 1930. At the time of the establishment of the scholarship, Mrs. Smith was the only living member of the College's first class. She presented the College her original diploma and a photograph of the first ECJC class dated May 16, 1929.

Candidates for the Jay B. and Frances Harris Smith Scholarship must meet the following criteria:

- (1) Be an entering freshman;
- (2) Have at least a "C" or 2.0 grade point average;
- (3) Reside in one of East Central's five supporting counties;
- (4) Be a high school graduate or hold the GED certificate; and
- (5) Agree to enroll as a full-time student at East Central's Decatur campus.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded for the two semesters of the recipient's freshman year. No part of the endowment corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Vice President for Student Services Office toll-free at 1-877-G02-ECCC (462-3223), Ext. 375.

State Farm Insurance Company Scholarship — The State Farm Insurance Company agents in East Central's five-county district initiated the endowment of this scholarship in the spring of 1999. The individual agents' gifts toward the initial endowment corpus of \$10,000 were matched by the State Farm Companies Foundation. This scholarship was established specifically for non-traditional students. To be eligible, potential recipients must meet the following criteria:

1. Be at least 23 years of age or older;
2. Have a demonstrated financial need;
3. Reside within the five-county district served by East Central Community College; and
4. Enroll as full time students on the Decatur campus.

Scholarship awards will be made to entering college freshmen at the beginning of the fall semester of the students' college enrollment. The selection of the recipients will be made by the College Scholarship Committee. For more information, contact the Vice President for Student Services' Office at East Central Community College. Call toll free 1-877-G02-ECCC, Ext. 375 or write Box 129, Decatur, MS 39327.

The Joanne Stevens Scholarship Award — This scholarship award was established in August 2003, by W. H. Stevens, in memory of his wife, Mary Joanne Conyers Stevens. Mrs. Stevens graduated from Lancaster High School, Lancaster, Ohio, in 1940. She attended Ohio State University in Columbus, Ohio, but World War II interrupted her college career. She later returned to the classroom and received a Bachelor of Science Degree in Education from Mississippi College in 1972, and earned a Master's Degree in Education from Mississippi State University in 1977. Mrs. Stevens taught first grade at Morton Elementary School for several years and then was promoted to principal of Morton Elementary School in September 1980, the position she held until her retirement in 1989.

Candidates for the Joanne Stevens Scholarship Award must meet the following criteria:

1. Be a graduate of Morton High School;
2. Have a need for financial assistance;

3. Have a strong desire to pursue a degree in: first preference Elementary Education; Second preference - Secondary Education; and third preference - Pre-Bachelor of Science in Nursing;
4. Enroll as a full-time student at East Central Community College Decatur, MS, the fall semester following high school graduation;
5. Have a high school grade point average of 3.0 or above on a 4.0 scale and
6. Have Christian moral standards of good character, have the potential for leadership and academic excellence with no incidents of misconduct, and have a good record of school attendance.

The recipient of the Joanne Stevens Scholarship Award will be selected by his or her teachers, principal, and counselors of Morton High School.

The award will be in the amount of \$1,000 (\$500 for the fall semester and \$500 for the spring semester). The recipient of this award is to understand that the scholarship funds will be sent to East Central Community College to be held in an account for the recipient and administered to the student as needed each semester.

The Joanne Stevens Scholarship Award will be given in her memory each year beginning at Awards Day 2004, at Morton High School for as long as W. H. Stevens shall live and be financially able to fund the scholarship.

Taylor Advanced Machining Scholarship — This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005. One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies. To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;
- Have successfully completed the corresponding machining program provided through the vocational technical center in their respective county; and
- Have plans to pursue machining as a career.

The scholarship recipient will be selected annually by the College Scholarship Committee based to a large extent, on recommendations of applicants' former vocational instructors.

Taylor Advanced Welding Scholarship — This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005.

One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies.

To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;
- Have successfully completed the corresponding welding program provided through the vocational technical center in their respective county; and
- Have plans to pursue welding as a career.

The scholarship recipient will be selected annually by the College Scholarship Committee based to a large extent, on recommendations of applicants' former vocational instructors.

The Charles and Judy Dowdle Thomas Scholarship — This scholarship was established in 1997 by the Thomas family. Mr. Thomas, class of '64, is a Philadelphia native living in Louisville and Mrs. Thomas is a Leake county native originally from Carthage. The scholarship fund, one of the largest at the College, was created with a donation of 430 shares of stock to the East Central Community College Foundation, Inc.

To be eligible, a recipient must:

1. Be a legal resident of Neshoba County for three years or more and a graduate of Philadelphia High School;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester after high school graduation, although College enrollment may be deferred for military service;
4. Have a high school grade point average of 3.0 or above on a 4.0 scale;
5. Be willing to participate in an awards ceremony recognizing receiving the scholarship and be a part of publicity involving the scholarship award.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for this scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

The recipients shall be selected by the College Scholarship Committee. The scholarship awards will be provided the fall and spring semesters of the recipients' freshman year at East Central Community College.

Kinoth and Ella Mae Thornton and Emerson Electric Scholarship — The Kinoth and Ella Mae Thornton and Emerson Electric Company Scholarship was established by Mr. and Mrs. Thornton and Emerson Electric Company in 1991 as a tribute to the College for its many positive contributions to the Thorntons' lives. The contributions by the Thorntons and Emerson Electric Company totaled \$10,000.00 which was used to establish the endowment for the scholarship. Interest and dividends and, if required, the sale of shares of stock from the investment will be used to fund scholarships in the amount of \$1,000.00 each to be awarded to cover four semesters of study. Thus, scholarship awards will be made on alternate years unless the full amount of an awarded scholarship is not utilized. The investment endowment shall never fall below \$10,000. To be eligible for this scholarship, the recipients must:

1. Reside in one of the five counties served by East Central Community College. Preference shall be given to applicants from Newton and Neshoba Counties.
2. Have family contributions on financial aid needs analysis forms that are from fifty (50) percent to one hundred (100) percent of the students' financial aid budgets.
3. Have the demonstrated ability to profit from higher education by having achieved acceptable grades in high school and by having participated in community projects or work experience.
4. Have high moral and ethical values.
5. Project the reasonable probability that they would not attend college if they did not receive assistance from this scholarship fund.

If on any year no one applies who substantially meets all of the above qualifications, no award will be made and the fund will accumulate. The Vice President for Student Services of the College shall be responsible for notifying qualified high school students as to the availability of this scholarship. The College's Scholarship Committee shall screen all applications and make the final selections.

The Thomas W. Thrash Memorial Scholarship — Endowed in 2002 by the friends and family of Thomas W. Thrash, this scholarship honors one of East Central's long-time faculty members. A native of Newton, Mr. Thrash was a graduate of Newton High School and East Central Junior

College, and earned both the bachelor and master's degrees from Mississippi State University. He completed additional studies at MSU and the University of Southern Mississippi. He was the recipient of numerous civic and academic awards. He served as a social science instructor at East Central Community College from 1962 until the time of his death in September 2002, when he was serving as Chairman of the Social Science, Education and Business Division.

Policies and criteria for the Thomas W. Thrash Memorial Scholarship are as follows:

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship award. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award;
2. As long as there is interest earned on the endowment corpus, a recipient shall be selected annually by the family or its designee and the East Central Community College Scholarship Committee;
3. The scholarship will be awarded the fall semester of the recipient's sophomore year;
4. The scholarship will be presented at the spring Awards Day by a member of the family or its designee;
5. Graduates of high schools within the College's five-county district including Scott, Winston, Newton, Leake, and Neshoba counties or counties that are contiguous with Newton County and who meet all other qualifications will be given first consideration for the annual scholarship award. Additionally, preference will be given to applicants who are majoring in history or education and plan a career in education.
6. The successful recipient shall:
 - Be a high school graduate;
 - At the time of the scholarship application, must have completed a minimum of 12 semester hours, but no more than 36 hours at East Central Community College;
 - Must have demonstrated the capacity and a strong desire to obtain a college education by maintaining a 3.0 GPA or higher on all college coursework;
 - Be enrolled as a full-time student on the Decatur campus;
 - Have high moral standards and good character as documented by two letters of recommendation to be submitted along with the scholarship application; and

- Must complete a scholarship application form and submit it to the Vice President for Student Services' Office, ECCC, Box 129, Decatur, MS 39327. You may call toll-free: 1/877/GO2-ECCC (463-3222) ext. 375. (added 2/11/03)

Dustan Todd Memorial Scholarship — With loving memory of Dustan Eugene Todd, this scholarship was established in 2006 by his parents, David and Ann Todd, and his brother, Travis Todd. Dustan was a 2002 graduate of Newton County High School and through out his years of school earned many honors and awards. He was a member of East Central's Class of 2004 in the Drafting and Design Technology program. Dustan was tragically killed in a motorcycle accident on April 28, 2004. He loved life and being with his family and friends. He was an avid golfer & fisherman and loved anything outdoors. Dustan had his future all planned with his love of designing and surveying and knew what his job would be like. He would have had a job where he could do both. His family wishes to carry on Dustan's dream by helping a deserving student that has a deep desire to succeed in the field of drafting and design and to remember Dustan in their accomplishments.

To be eligible, scholarship applicants must meet the following criteria:

5. Be a graduate of Newton County High School;
6. Enroll as a full time freshman student at East Central Community College after high school graduation for the fall semester;
7. Major in Drafting and Design Technology;
8. Demonstrate a financial need;
9. Have a "B+" or above GPA while attending high school; and
10. Maintain a "B+" or above GPA while in this field of study at East Central Community College.

The recipient will be selected annually by the College Scholarship Committee. The scholarship award will be initiated on Awards Day 2007 at Newton County High School and will continue each year after - dependent upon availability of funding. The scholarship award is \$1,000 for the freshman year with \$500 for the fall semester and \$500 for the spring semester. In the event no one applies who substantially meets all of the above criteria, no award will be made and the fund will accumulate.

U. S. Electrical Motors Scholarship — The U. S. Electrical Motors Scholarship is intended to help defray the cost of college expenses at East Central Community College. Awards will be made to outstanding children, grandchildren, or great grandchildren, of active or retired U. S. Electrical Motors' employees. All children, grandchildren, and great grandchildren of all active or retired USEM-Philadelphia, Mississippi employees

are eligible to participate in this scholarship plan, provided they are in good standing their senior year of high school.

Selection will be based upon the following criteria:

Selection Criteria:	Points
SAT, ACT, etc. scores	30
Curriculum, grades, class rank	20
Community and extra-curricular activities	25
Employment/earned expenses	25
Total	100

A maximum of one student annually will be selected under this plan and will be eligible for awards of \$500 annually in each of their two years of study at ECCC. The scholarship will provide a payment toward ECCC expenses at one-half the annual scholarship amount (\$250.00) at registration in each of four semesters provided performance has been satisfactory (2.00 or better GPA) during the previous semester.

The Vice President for Student Services of the College shall be responsible for notifying qualified high school students as to the availability of this scholarship. The College's Scholarship Committee shall screen all applications and make the final selections.

James M. Vance Endowed Scholarship — This scholarship was established in the Summer of 2005 by Margaret Vance Scardaci (Class of 1947) in honor of her brother, James Mac Vance. This scholarship is to be awarded annually to an incoming freshman at East Central Community College. Mr. Vance graduated from East Central in 1957. After EC, he attended and graduated from Mississippi State University in 1959. In the fall of 1959, Mr. Vance took a teaching position at Waynesboro and taught there until May of 1962. While at Waynesboro he began his coaching career and coached junior high and high school football and basketball. In the fall of 1962, he moved to Meridian and coached at Northwest Junior High School for three years before being appointed assistant principal in 1965. By 1970, Mr. Vance was principal of Northwest and remained so for 14 years. In 1985, Mr. Vance was appointed Assistant Superintendent for the Meridian Public School System and held this position until his retirement in 1995. After retiring, he served on the Meridian Public School Board for five and one-half years. While on the Board he served as President and Vice President. He officiated for the Junior College Football Association for 32 years and for high school football games for 42 years before retiring. He now teaches the rules of the game to football and basketball officials and coaches. James Vance is a faithful financial supporter of the College and has served as the Alumni Association president. He currently serves as an out-of-district representative on the Alumni Association Board of Directors.

Criteria for applicants for the James M. Vance Scholarship are as follows:

- Must be an incoming freshman;
- Must enroll at East Central Community College with an education major (first preference will be given to mathematics education majors);
- Must have the potential to be a successful teacher;
- Must show need for financial assistance; and
- Must maintain a GPA of 2.0 on a 4.0 scale.

The amount of the scholarship award will be based only on interest earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375

The Ovid S. and Carol F. Vickers Scholarship — Established in the fall of 1999 by former students and friends of the Vickers, this scholarship honors this couple's lifetime of devotion to East Central. Ovid Vickers, an Eastman, Georgia, native, served the College as a humanities instructor and in various other capacities from 1955 to 1995. Throughout his 40-year teaching career and in retirement he maintained a keen interest in the lives of East Central students, faculty, and staff. Held in high regard by his former students, he is considered a favorite by many. Evidence of the esteem in which he is held is the 1995 naming of the College's Fine Arts Center in his honor. Recognized statewide and nationally during his career, he served two terms as president of the Mississippi Council of Teachers of English and helped form the Mississippi Folklore Society. In 1990, he was named College English Teacher of the Year by the Mississippi Council of Teachers of English. He earned the BA, MA, and Ed.S degrees from George Peabody College in Nashville.

Carol Farish Vickers, Class of 1958, is a graduate of Noxapater High School. She was initially employed by the College in 1961 as secretary to the president and served in that position until 1968. From 1968 until 1983, Mrs. Vickers taught English at Decatur High School. In 1983, she was again employed by the College, this time as an instructor of English and reading. She retired from full-time teaching at East Central in 1992 and subsequently served in various part-time positions at the College. In 1997, she was chosen as East Central's "Alumna of the Year." Mrs. Vickers earned her BS and MS degrees from the University of Southern Mississippi.

To be considered for the Vickers Scholarship, potential recipients must meet the following criteria:

1. Be a high school graduate or hold a General Education Diploma (GED);
2. Have at least a cumulative "C" (2.0) high school grade point average;
3. Reside in one of East Central's five supporting counties; and
4. Plan to major in English, English education, literature, speech or in the arts.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for scholarship awards. Recipients will be selected by the College Scholarship Committee.

The Arno and Ruth Carr Vincent Scholarship — Established in the fall of 1999, this scholarship recognizes a lifetime of service to the College by a couple who capped their careers here by serving as president and first lady of East Central from 1953 to 1962. Decades later, the Vincents, both alumni, were still active in the life of the College, attending Homecoming and other events faithfully.

Walter Arno Vincent, Class of 1937 and a Navy combat veteran of World War II, served the College in various capacities from 1947 to 1962. He was assistant football coach, men's basketball coach, math teacher, registrar, and dean of students before becoming president. Former students and athletes have praised his teaching and coaching abilities, stating that he had a profoundly positive influence on their lives. During his East Central career, he rose rapidly to the position of president after working at the College for only six years. At the time he was the youngest person and first alumnus ever appointed president. He earned a bachelor's degree from Mississippi Southern, now the University of Southern Mississippi, and a master's degree in math from the University of Mississippi. The Lauderdale County native was selected to Athletic Halls of Fame at both East Central and Southern. He played football and basketball at both colleges, although he had never seen a football game before he went to college. He was named "Alumnus of the Year" at East Central in 1973 and was selected for inclusion in the Alumni Hall of Fame at Southern as well. In 1999, the East Central Board of Trustees named the College's administration building in his honor. The building, completed in 1959 while Mr. Vincent was president was first utilized as the College's library.

Ruth Carr Vincent of Winston County was "one of the most liked people in the East Central family," according to an alumnus. An outstanding student in the Class of 1937, she served as president of the College's Baptist Student Union and was involved in a number of campus organizations. In reflecting on her East Central days, she was grateful that she "never had to come in after class to pass Mr. Leon Eubanks' English class," as many of her classmates did. After graduating from East Central, she taught elementary

school in Newton, Neshoba, and Winston counties while going to Southern each summer to earn a bachelor's degree. She married Arno Vincent in June of 1941. The Vincents had two daughters, Mrs. Glenn Daphne Lancaster of Meridian and Mrs. Pamela Fowlkes of Monroe, Louisiana.

Scholarship candidates must:

- Have at least a "C" or 2.0 grade point average on all previous course work completed;
- Be high school graduates or hold the GED certificate; and
- Agree to enroll as full-time students at East Central's Decatur campus.

The amount of the scholarship award, to be given for the first semester of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, write the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327, or call toll-free 1-877-GO2-ECCC (462-3222), ext. 375.

The Lavern & Elizabeth Vowell Memorial Scholarship — Initially established in 1993 to honor Mr. Lavern Vowell, the title and description for this scholarship were revised by David and E. L. Vowell to honor the memory of both Mr. Vowell and Mrs. Vowell after her death in 2000. This annual scholarship is available to assist a worthy student at East Central Community College.

The scholarship which will be awarded each year to an entering freshman will cover the cost of tuition for two semesters.

Each recipient of this scholarship must be a major in some field of business administration. Each recipient must have a demonstrated need for financial assistance and must have a demonstrated potential for academic success. Preference will be given to applicants for the scholarship who are or have been employed by Triple V, Inc.

Applications for this scholarship will be received by the Vice President for Student Services at the College. The College's scholarship committee will be responsible for the final selection of each year's recipient.

Captain Charles E. Ward USN/RET Memorial Scholarship — This scholarship endowment was initiated in February of 2003 in memory of Captain Charles E. Ward by his wife, Mrs. Gail M. Ward, and their three sons Roger, Mike, and David Ward.

Captain Ward was originally from Louisville, Mississippi, in Winston County (where his mother, Mrs. Hilda Parker Ward, ECJC Class of 1932 resides). He came to East Central on an academic/athletic scholarship.

While at East Central, he played football and baseball. He was also president of the Student Body Association and voted sophomore class favorite. Captain Ward graduated from ECJC in 1957 and went on to graduate from Louisiana College, Pineville, Louisiana, earning a BS in Mathematics.

After college, Captain Ward played professional baseball with the North Louisiana Rookie League. In 1959, Captain Ward entered the Navy and earned his Navy "Wings of Gold" in 1961. He served over 30 years in the Navy and earned several awards including three Legions of Merit, the Meritorious Service Medal, the Air Medal, and three Navy Commendation Medals. Captain Ward furthered his education by earning a Masters Degree in Computer Systems Management in 1972 from the Naval Post Graduate School, Monterey, California. He retired from active duty in 1990.

After retiring from the Navy, Captain Ward served as an Adjunct Professor at Pensacola Junior College teaching college algebra. From 1991 to 1999, he worked for Raytheon Aerospace serving as Site Manager for Aircraft Maintenance Operations on the Navy's Primary Trainer aircraft at Naval Air Station Whiting Field in Milton, Florida. In his free time he was a member of several organizations. "Charlie" was an avid golfer. He was a very active charter member of the Emerald Coast Senior Amateur Scratch Series, achieving two "Holes-In-One" in tournament play. He was also a member and active player at his residence home course, Stonebrook Golf Club, Pace, Florida.

In 1999, Captain Ward was inducted into the ECCC Athletic Hall of Fame, and in 2000 he was inducted into the Louisiana College Sports Hall of Fame.

On December 27, 2002, Captain Ward died of cancer at the age of 65. His family established this scholarship in his memory because he deeply appreciated the opportunity to attend EC and participate in athletics. Education was very important to "Charlie". He served on many committees in his local community, including the pre-school board of his local church. He enjoyed mentoring, in reading, to first grade students, on a weekly basis at Bagdad Elementary School, Milton, Florida. This scholarship endowment will continue his desire to assist a young person with furthering his or her education.

Candidates for this scholarship must meet the following criteria:

- (1) Be an entering freshman, enrolling as a full-time student;
- (2) Be an athlete, with preference given to golf, football and baseball;
- (3) Have at least a 2.5 grade point average on a 4.0 scale; and
- (4) Reside in one of East Central's five supporting counties.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the fall semester of the recip-

ient's freshman year. No part of the endowment corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Weems Family Scholarship — The Weems Family Scholarship Fund was established to commemorate the historical roles of the Weems Family of Scott County as members of the faculty, Board of Trustees, and student body of East Central Community College. Laura Zelle Weems taught English from 1931 until 1944. She was a teacher in Mississippi public education for forty years. Robert Samuel Weems was County Superintendent of Education in Scott County and one of the original Scott County members of the East Central Board of Trustees. While Superintendent of Scott County, he was instrumental in Scott County becoming one of the counties in the College's current five-county district. Mack Dawson Weems was County Superintendent of Education in Scott County for sixteen years and served on the Board of Trustees of East Central Community College for 41 years. Many descendants of their parents, William Lafayette and Molly Thompson Weems, have attended ECCC; one being Dr. William Lamar Weems, who was Valedictorian of the East Central Class of 1951, Editor of the Tom-Tom, and East Central Alumnus of the Year in 1972. Many other Weems Family descendants have gone on to achieve distinguished careers, boosted in no small measure by the quality and affordability of the educational experience provided by East Central.

The scholarship award shall be equal to full tuition. One scholarship will be awarded annually to an incoming freshman. The scholarship award shall be automatically renewed until graduation provided the recipient maintains a minimum of 2.5 grade point average and an academic load that would permit graduation in four semesters.

Funding for the scholarship will come from the earnings of the fund, which will be invested in conservative equities mutual funds. The principal may be used when earnings do not cover the amount of the scholarship. Excess earnings from the fund's investments will be reinvested to the fund.

The recipients of the scholarship will be selected by the members of the East Central Community College Scholarship Committee or its future counterpart, according to the following criteria, each of which will be given equal weight:

- High school grade point average;
- College aptitude test;
- Financial need;
- Participation in extra curricular activities; and

— Good moral character.

For more information, contact the Vice President for Student Services at ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

The J. C. White Scholarship — Endowed in the summer of 2000 with gifts from family and friends, this scholarship honors the memory of Kemper County native J. C. White, Class of 1937, of Birmingham. White passed away April 21, 2000, at age 84. J. C. had a lifelong devotion to East Central and he and his wife, Jean also of Kemper County, were leaders in organizing reunions of his class and in attending homecoming activities in Decatur. They were also generous contributors to campus activities, including the building of the archway at the College's main entrance and the fitness trail on the north end of the campus. They also belonged to the Loyalty Club, one of the East Central Foundation's five-year gift clubs. After East Central, J. C. majored in math at Mississippi State. He worked for the Social Security Administration and retired from that agency in 1980. The Whites had two children, Rebecca White Tidd and John, both of Birmingham. On his last visit to the campus, at Homecoming on October 16, 1999, J. C. gave a pine seedling to the College, asking that it be planted on campus in honor of then president, Dr. Eddie M. Smith.

Criteria for the White scholarship are as follows:

- Plan to major in either math or science;
- Have a high school grade point average of at least "B" (3.0 on 4.0 scale); and
- Enroll as a full-time student at East Central.

The amount of the scholarship will be based on earnings from the endowment corpus. No part of the corpus may be used for the scholarship awards. Scholarship recipients will be selected by the College Scholarship Committee.

The Jack White and Mary Jo White Scholarship Fund — Endowed in the will of the late Mary Jo White of Union, this annual scholarship, established in the spring of 2001, is named for Mrs. White and her late husband. Jack White was an auto mechanics instructor at the College during the years 1954 to 1958. The Whites had no children, but they had a real interest in East Central and wanted to help students get a college education.

Criteria for the White scholarship are as follows:

- Be a resident of Newton or Neshoba counties; and
- Be a needy and/or worthy student.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for

scholarship awards. The scholarship will be awarded annually by the College Scholarship Committee to an incoming freshman.

The Bob Wilkerson Memorial Vo-Tech Scholarship — This endowed scholarship was established in December 2003, by Robert G. and Patsy J. Wilkerson in memory of their son, Bob Wilkerson. Bob and his wife Dannette G. Burkes had one daughter, Kimberly. Bob was a country boy who loved being with family, neighbors, and friends. He graduated from Forest High School in 1980 where he was a good student and participated in several activities including weight-lifting and football. However, his favorite interest in high school was attending classes at the Vo-Tech Center where he received the agriculture award his senior year. After graduation, Bob was asked to serve on the Advisory Board of the Scott County Vo-Tech Center. Later he was employed at Puckett Machinery for seventeen years until his untimely death. On Sunday, December 22, 2002, Bob died from injuries suffered in an ATV accident. He has been described by his mother as a son who loved everything about his life and was the least materialistic person she had ever known.

Candidates for the Wilkerson Scholarship must meet the following criteria:

- (1) Have a C or C+ average on all high school classes;
- (2) Reside in Scott county (preference will be given to students who graduate from Forest High School);
- (3) Enroll full-time as a freshman the semester after graduating from high school and be committed to earning a career-technical degree or career-technical certificate from ECCC;
- (4) Pursue a career in mechanics; and
- (5) Demonstrate financial need.

This scholarship will be awarded for four semesters. If the current recipient is enrolled for only one year, a new recipient will be selected the following year. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Wilks-Palmer Scholars Scholarship — Elgie Wilks Chatham, a Winston County native, endowed this scholarship in the spring of 1998 for students from Winston County.

Mrs. Chatham established the scholarship in honor of her parents, Mr. J. Earl Wilks and Mrs. Willie (Palmer) Wilks, who attended church and were active in the Liberty Community in Winston County for some 25 years. Mr.

Wilks was in the grocery business in Meridian. Early in their marriage, Mrs. Wilks was a pioneer teacher in one-room, one-teacher schools in grades 1-8 in Winston County. The Wilks raised six children, three of whom graduated from East Central, and all of whom graduated from senior colleges and universities. Three of the children graduated during the depths of the Great Depression.

Mrs. Chatham was a 1934 graduate of Noxapater High School and a 1936 graduate of East Central. She then earned the B.S. degree in English from Mississippi State College for Women, her M.S. in counseling from the University of Southern Mississippi, and her Ed.S. in counseling from Mississippi State University.

Two of Mrs. Chatham's sisters also graduated from EC. Mrs. Melba Wilks Chesney of Meridian, class of '41, also graduated from USM, and Mrs. Doris Wilks Tissue, '39, of Pittsburg, Pennsylvania, finished at the "W." Another sister, Mrs. Janice Silvey Townshend of Dunedin, Florida, graduated from the University of Georgia. Their other sister, Mrs. Faye Wilks Tidwell of Lilburn, Georgia, graduated from Blue Mountain College. The five sisters' only brother, Dr. T. Palmer Wilks of Madison, Mississippi, graduated from MC and the University of Tennessee School of Dentistry.

Mrs. Chatham and her husband, Henry Elbert Chatham, who was in the finance business in Meridian, gave their inherent love and respect for quality education to their own children. They had two sons, both graduates of Millsaps. One, Henry, Jr. of Jackson, also graduated from Harvard Law School. The other, Franklin Earl, a cardiologist in Baltimore, graduated from John Hopkins University. He married another M.D., Dr. Marie (Dickson) Chatham, originally from Canton, Mississippi.

Requirements for the Wilks-Palmer Scholarship recipients include the following:

1. Have evidence of a "burning desire" to go to college;
2. Be a high school graduate from a school in Winston county; and
3. Have a minimum 2.5, or C+, high school grade point average.

Other things being equal, scholarship preference will be given to a resident of the Liberty Community in Winston County. The amount of the scholarship, awarded the first semester of the freshman year, will depend upon the earnings from the endowment. Selection of recipients will be made by the College Scholarship Committee.

The Jones and Carrie Williamson and Bascom and Hattie Chisolm Memorial Scholarship — Endowed in August of 2000, this scholarship honors the parents of Dolphus, Class of '52 and Sybil Williamson of Laurel. Neshoba County natives, their parents sent four children to the College. In addition, numerous grandchildren, great grandchildren, and other relatives have attended in subsequent years.

Dolphus Williamson, a poultry science major here and at Mississippi State, had a long and successful career in the poultry industry and as a Methodist minister. He and Mrs. Williamson raised five children, four of whom attended junior college.

Their scholarship will be awarded annually to an entering freshman who meets the following qualifications:

- Plan to enroll full-time at the College during the fall semester after they graduate from high school;
- Plan to major in agriculture (preference is given to agriculture majors, but other candidates may be considered);
- Have earned at least average grades in high school;
- Demonstrate a serious desire to better himself/herself educationally;
- Have a demonstrated need for financial assistance.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. The scholarship will be available for the fall and spring semester of each recipient's freshman year.

Only the interest earned on the endowment corpus will be used to fund the scholarship. No part of the endowment corpus shall be used for scholarship awards. The value of the scholarship is a maximum of \$600 per year.

Any earnings on the endowment corpus above the amount of the scholarship will be reinvested in the scholarship account for future use. An annual accounting of earnings on the corpus is provided to the donors. For more information, contact the Vice President for Student Services. Call toll free 1/877/GO2-ECCC (462-3222), ext. 375, or write Box 129, Decatur, MS 39327.

General William Patrick Wilson Memorial Scholarship — This scholarship was established by the Class of 1937, family, friends, and associates of General Pat Wilson. It honors his memory as a coach, dormitory supervisor, teacher, and National Guard officer at East Central Junior College from 1933 to 1940, and his long and colorful military career. From his Pre-World War II days when he was affectionately known as Captain Pat, to his much decorated combat service in the European Theater of Operations, and his outstanding record as Adjutant General of Mississippi, Pat Wilson was a remarkable leader of men.

It is the expectation of those who fund it that this scholarship will aid college students to develop such leadership qualities as he displayed. It will be administered by the Scholarship Committee of East Central Community College within the restrictions set by the founding Committee which are:

1. All funds contributed will be placed in endowment with only the interest expended each year for scholarships.
2. Recipients are to be selected annually by the College Scholarship Committee from students who have attained sophomore standing, a 3.0 grade point average, and who have a demonstrated need for financial assistance.
3. To retain the scholarship for a second semester a student will be required to maintain a minimum of a 2.5 grade point average on the 4.0 system.
4. The award each year will be made on Awards Day so that due recognition may be given the recipient.

The Lucille Wood Scholarship — This scholarship was established in May of 2006 by former basketball, volleyball, and tennis players of Miss Lucille Wood. A native of Louisville, MS, Lucille Wood was the youngest of five children to attend East Central and graduated in 1951. She received the BS and MA degrees from USM. After teaching and coaching at Copiah-Lincoln Junior College for three years, this outstanding coach and instructor began her career at East Central in 1956. She is now the longest tenured instructor in any of Mississippi's two-year colleges.

Miss Wood was a pioneer in establishing intercollegiate women's basketball in Mississippi and in implementing Title IX. She coached both club teams and varsity teams from 1956 until 1985. Her volleyball team won a state championship, and her basketball teams were successful at the state and regional levels. Several individuals were state champions in tennis. She also served the NJCAA as Region XXIII (MS/LA) Director. Her work with the NJCAA and success as a coach resulted in her receiving the NJCAA Service Award in 1992, the only Mississippian to be so honored. She was also selected to the NJCAA Women's Basketball Coaches Hall of Fame in 2004. She is also a member of the East Central Community College Athletic Hall of Fame.

Miss Wood's dedication to all East Central students is an indication of her commitment to excellence in academics and to the importance of being a well-rounded student. She sponsored many extra-curricular activities such as May Day, intramurals, talent shows, Awards Day, and the Student Education Association. Her successes in the academic area were recognized by her selection as the HEADWAE Outstanding Faculty Member; a Lamplighter Excellence in Teaching recipient; the Humanities Teacher of the Year; Instructor of the Year for East Central; a winner of Delta Kappa Gamma Xi Chapter's Red Rose Award; one of the Mississippi Women's Conference Power of One Award Winners; and the state winner of Blue Cross/Blue Shield Ageless Hero for Love of Learning.

This outstanding coach and instructor has served as speaker for the dedication of the Burton Library and Walter Arno Vincent Administration Building and was the key-note speaker for the Convocation celebrating the 75th Anniversary of East Central Community College. She was also instrumental in raising funds and working to establish Sullivan Park and the Memorabilia Room in Burton Library. Further service to her alma mater includes serving as president of the Alumni Association for two different terms. Further indication of her dedication to East Central is shown by the naming of the Brackeen-Wood Physical Education Building in honor of her and Coach Denver Brackeen. Upon entering that building, the historical display that she researched and had prepared demonstrates her interest in the total concept of athletics at East Central.

Miss Wood currently serves as chairman of the Social Science, Business, and Education Division of the College, but her greatest achievement lies in her interest in the lifetime success of her students.

Policies and criteria for the Lucille Wood Scholarship are as follows:

1. Be a graduate of a high school in the 5-county district;
2. Be enrolled as a full-time academic student;
3. Have completed two semesters of college work (26 hours) in any major;
4. Have a 3.0 G.P.A. on college work;
5. Follow a curriculum as outlined in the college catalog;
6. Have high moral and ethical character;
7. Extra curricular activities will be considered;
8. Be a returning female sophomore athlete (one student will be nominated from the women's basketball, women's soccer, women's softball, and women's tennis teams by their coaches) - of the four nominees, the ECCC Scholarship Committee will select the scholarship recipient;
9. Game playing time to be a factor; and The scholarship will be presented at the spring Awards Day by The coach of the selected player.

All funds contributed will be placed in the endowment with only the interest expended each year for the scholarship award. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award.

SECTION II: FINANCIAL AID POLICIES

FEDERAL PROGRAMS — In order to be eligible to receive financial aid at East Central Community College, students are expected to maintain satis-

factory progress toward their certificate or degree objective in the academic, technical, or vocational programs. Satisfactory progress for all Title IV aid (Pell Grant, LEAP, Supplemental Educational Opportunity Grant, Federal Work-Study, Stafford Loan, or PLUS Loans) for the various programs for full-time students is defined below. The required number of hours to be completed will be reduced proportionately for part-time students. At the end of the time frame allowed for the completion of a program, students will not be eligible to receive financial aid regardless of their grade point average or cumulative hours earned.

1. The time frame for the number of hours to be completed and the grade point average required is as follows:

At the end of this semester,	1	2	3	4	5	6
student must have accumulated at least this many hours,	9	18	28	40	52	64
with at least a cumulative grade point average of	1.0	1.5	1.75	2.0	2.0	2.0

2. A student who does not meet these standards will be placed on financial aid probation for a semester. During the probationary semester, a student will continue to be eligible for financial aid. Upon completion of the probationary semester, a student who does not meet the satisfactory progress standards will be ineligible to receive financial aid and will remain ineligible until the standards are achieved.
3. A student's entire record at East Central Community College will be evaluated to determine eligibility for financial aid regardless of whether or not the student has received aid for all semesters.
4. Upon enrolling at East Central, a transfer student will be considered to be maintaining satisfactory progress and will therefore be allowed to receive financial aid for one semester without the transfer credits being considered. At the end of that semester the transfer student's entire record, including not only the credits earned at East Central but also the accepted transfer credits from the previous institution, will be evaluated to determine if the student is maintaining satisfactory progress in the program being pursued by the student.
5. Developmental courses will be treated in the same manner as regular courses since students receive institutional credit and grades for these courses.
6. The procedure for determining satisfactory progress as related to incomplete grades, withdrawing from a course, or repeating a course will be the same as those procedures followed by the Admissions and Records Office. Students may obtain additional information about these procedures from the Office of Admissions, Records, and Research or the Financial Aid Office.

7. Students who wish to appeal the decisions and financial aid awards made by the Financial Aid Office should submit a written request for an appeal to the Director of the Financial Aid Office. The written request should include any information relative to the case. The appeal will be reviewed by the Financial Aid Appeals Committee. The student will be notified in writing of the committee's decision.

INSTITUTIONAL PROGRAMS — The following information is related to Scholarships and Institutional Work-Study.

1. A student receiving institutional financial aid in the form of an Athletic Scholarship, Band Scholarship, Cheerleader Scholarship, or Institutional Work-Study must pass nine (9) semester hours and earn eighteen (18) quality points during a semester. If a student does not meet this standard at the end of a semester, the student will be placed on probation for a semester. During the probationary semester, the student will be eligible to receive the institutional financial aid. Upon completion of the probationary semester, a student who does not meet the standard will be ineligible to receive the institutional financial aid. This policy coincides with the academic probation and suspension policy of the college; therefore, when suspended students become eligible to return to college, they shall also be eligible to receive institutional financial assistance.
2. To retain an ACT, Salutatorian, Valedictorian, or Career-Technical scholarship, a student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average and is removed from scholarship, can get back on scholarship by having a B (3.0) average the following semester provided the scholarship is for four (4) semesters. See Section I: Financial Aid Programs for further eligibility requirements.
3. Total financial aid in scholarships from East Central Community College for dormitory and commuter students MAY NOT exceed the published cost of matriculation fee, room, board, and an allowance of \$200 per semester for books.
4. Total financial aid awards for a student which includes Title IV aid (campus-based aid or loans) and institutionally funded aid may not exceed the campus-based budget or the student's need as determined by the need analysis document.

AWARD NOTIFICATION — Students who complete the financial aid application requirements and who provide all required forms by April 1 will be notified regarding their financial aid awards, normally, by the end of July. Students who apply after the April 1 priority deadline will be notified on a rolling basis after the priority group is complete.

Requests for information and award letters will be mailed to the address listed on the student's financial aid application.

Financial Aid Application Requirements

1. Complete the East Central Community College Financial Aid Application. New students must also complete an Application for Admission to East Central Community College.
2. Complete the Free Application for Federal Student Aid (FAFSA) or Renewal AFSA (if returning student). The following are related to completing the FAFSA:
 - a. Read all instructions carefully and check the information reported on the FAFSA.
 - b. List the East Central Community College Code and address in the school section of the application. Federal school code - 002404 Address - PO Box 129, Decatur, MS 39327
 - c. Mail the FAFSA in the envelope provided in the instruction booklet unless applying electronically. Students may complete the FAFSA online at the U.S. Department of Education website and submit it via the Internet at the following Internet address www.fafsa.ed.gov.
 - d. After the completed application is received by the Department of Education processing system, the student will be sent the Student Aid Report (SAR). The SAR should be received in about four weeks if applying by mail and about two weeks if applying electronically. At that time the ECCC Financial Aid Office should be contacted to ask if other forms or documents (such as U.S. Income Tax Return, Form 1040, 1040A, or 1040EZ) are needed.
3. To apply for a Stafford and/or PLUS Loan, students must indicate on the ECCC Financial Aid Application the type of loan being requested. Students will be mailed an award letter on which the loan eligibility will be indicated and additional instructions will be included concerning the loan.
4. The priority deadline for applying for financial aid at East Central Community College is April 1 (for the upcoming fall semester). The results of the processed FAFSA (Student Aid Report) must be received by ECCC on or before April 1 to receive full consideration for financial aid. Additional applications will be accepted and are encouraged after April 1; however, no assurance can be given that funds will be available in all programs. Aid is awarded on a first-come, first-served basis.
5. All students must reapply for financial aid each academic year.

Note: Several state-funded aid programs are administered by the

Mississippi Office of Student Financial Aid (MOSFA). Some of the programs include MTAG, MESH, Critical Needs Teacher Program, HELP, and William Winter Teacher Program. An online application must be completed by the program deadline and additional information may be required; therefore, students should read the information and instructions provided on the MOSFA website. Contact MOSFA at 1-800-327-2980 or at the following website: www.mississippiuniversities.com.

Conditions for Receiving Financial Aid

1. The Financial Aid Office reserves the right on behalf of ECCC to review and revise or cancel an award at any time because of changes in the student's financial or academic status. Students are required to notify the Financial Aid Office regarding any changes in their financial or academic status while attending ECCC.
2. Any commitment of Federal, State, or local funds is contingent upon subsequent Congressional or Legislative appropriation and actual receipt of the funds by ECCC.
3. Recipients of financial assistance from ECCC must notify the Financial Aid Office concerning any scholarships or other funds from any outside source.
4. Student eligibility criteria for Federal Aid require that in order to receive financial aid, a student must be making satisfactory academic progress in their course of study. See the Satisfactory Progress section in this publication for further details on the ECCC Financial Aid Satisfactory Progress Policy.
5. Generally, a student must be enrolled in a minimum of six hours each semester and must be enrolled in a program leading to a degree or certificate to receive financial aid. Students receiving loans must maintain at least half-time attendance (6 hours) each semester. MTAG, MESH, and LEAP require full-time enrollment each semester. Additionally, students may not receive aid from more than one college at the same time.
6. To be eligible for financial aid a student must be a high school graduate or have a GED. Students who receive a high school certificate do not meet the high school graduation requirement. Students who do not meet this requirement must meet the minimum requirements on an ability-to-benefit test as set forth by the Department of Education.
7. Financial aid funds may be used toward educational expenses which include matriculation, fees, books, supplies, transportation, room, board and miscellaneous expenses.
8. Financial aid funds are disbursed on a semester-by-semester basis. Aid is credited to a student's account at the College and the balance of the

award, after the account is cleared, will be disbursed to the student. An eligibility review is required before the disbursement is made. This review includes checking the enrollment status of each student to be sure the minimum enrollment requirement has been met for the student to be fully eligible for the financial aid. Grant payments will not be made until after 10 weeks of class attendance each semester. Adjustments to the student's financial aid may be required for a student who withdraws from school or drops out of school within a semester because of refund calculations required by federal regulations.

9. MTAG, MESH, and LEAP funds will be disbursed when funds are received from the State of Mississippi. MTAG, MESH, and LEAP recipients must maintain full time enrollment to be eligible to receive the funds.
10. Financial aid is applied to student accounts as funds are received by the College rather than as aid is approved. All funds received are applied until the account for the pertinent semester is cleared, then any remaining funds will be given to the student.
11. Students withdrawing during the semester who have received financial assistance will be required to abide by the refund policy governing the programs. It is advised that the student contact the Financial Aid Office before withdrawing (especially loan recipients who must attend an exit interview prior to leaving school).
12. Work-Study students:
 - a. Must meet with their supervisor to establish a work schedule. (Students awarded prior to the beginning of the semester must do this the first week of school; all others immediately after receiving the award.)
 - b. Must complete an I-9 form and other required forms in the Business Office before beginning work. Payroll checks will not be issued until the student completes all forms required by the Business Office.
 - c. Will be paid monthly at the current minimum wage.
 - d. Will be required at the end of each month to sign a time card which shows the number of hours worked that month.
 - e. Must understand that the amount of the work-study award is based upon the maximum amount the student may earn during the school year.
 - f. Will be issued work-study checks by the Business Office five (5) working days following the end of each month (provided all

required payroll forms have been completed and time cards are submitted in a timely manner).

- g. Must read, understand, and agree to the information provided on the job assignment form.
13. The Award Letter lists aid from outside sources that is taken into consideration in evaluating the student's financial need. Outside resources are included for the student to verify the accuracy of the amount(s). Report any discrepancies regarding these resources to the Financial Aid Office.
14. Students must reapply for aid each academic year.

CHAPTER 5

PROGRAMS OF STUDY

ACADEMIC PROGRAMS

Suggested programs of study in many fields of interest have been established with recommended courses for each semester. Students should note that these outlines are suggestions, not requirements. Requirements for degrees and certificates are listed in Chapter Three.

The East Central Community College transfer programs are designed for the student who wishes to complete two years of college work and continue toward a Baccalaureate degree at senior college. These suggested programs of study have been set up with extreme care; however, students should consult with advisors and the university or college catalog of their choice to ensure that the right courses are taken.

In 1991, the Mississippi Board of Trustees of State Institutions of Higher Learning and the Mississippi State Board for Community and Junior Colleges approved an articulation agreement which provides for the transfer of academic credit in over 160 majors available at the eight senior institutions in Mississippi. This agreement is a safety net for students who plan to transfer. East Central has utilized this agreement in developing programs of study. A student who follows the prescribed course of study in this catalog with the assistance of their advisor and the catalog of the college to which they plan to transfer should experience no difficulty with the acceptance of East Central credit.

The course sequences listed in this catalog do not represent the only majors available to students. East Central Community College can offer course work in all of the majors listed in the Articulation Agreement. Majors included on the following pages are those most frequently pursued by students at East Central Community College. Students interested in majors not specified in this catalog may request a copy of the major from the Articulation Agreement or follow the catalog of the four-year institution to which they will transfer upon completion of course work at East Central Community College.

BASIC COLLEGE CORE CURRICULUM

This core curriculum is designed for students who later plan to transfer with junior standing to one of the four-year colleges in Mississippi. Students should understand that different colleges and universities have their own requirements, and students should consult the latest catalog of the institution to which they plan to transfer.

The following East Central Community College core curriculum contains the core curriculum which is required by all universities under the State Board of Trustees, Institutions of Higher Learning, which was implemented during the fall of 1984 and the core curriculum is incorporated in all transfer programs of study as outlined in this chapter.

English Composition6 semester hours
Laboratory Science8 semester hours
Humanities & Fine Arts9 semester hours
Social/Behavioral Science3 semester hours
College Algebra or Higher Mathematics3 semester hours
Oral Communication3 semester hours
Computer Science	*.3 semester hours
Total35 semester hours

*or demonstrated skills

This 35 semester hour core curriculum is required for graduation from East Central Community College in both transfer degrees — the Associate in Arts and the Associate in Science. (See requirements for degrees section of chapter three — Academic Policies.)

BUSINESS ADMINISTRATION (BAD)

Advisors: Mrs. Roberta Holt, Mrs. Wanda Hurley

Upon successfully completing the Business Administration program of study, graduates should be able to enter the junior year of Business Administration, Accounting, Banking and Finance, Marketing, Management or other related business fields at a four-year institution. A student who enrolls in the Business Administration program is advised to refer to the catalog from the institution which he/she plans to attend after graduating from East Central and to follow the recommendations of his/her academic advisor.

EDUCATION

Advisors: Miss Lucille Wood,
Mrs. Sue Ford, Mrs. Susan Fox-Smith, Mrs. Sylvia Wright

An education curriculum should be selected by those who are planning to teach. The requirements include courses in General Education, Professional Education, and Specialized Education. Those who plan to teach in high school should decide on their teaching field and take one or more courses in the field each semester. The PRAXIS should be taken during the second semester of the sophomore year. Students should consult advisor for details.

ELEMENTARY EDUCATION (EED)

Advisors: Mrs. Debbie Boyd, Mr. Marc McCool, Ms. Sylvia Wright

Upon successfully completing the elementary education program of study, graduates who have completed appropriate courses with required GPA as specified by the universities to which they transfer, should be able to enter the junior year of the appropriate teacher education program at a four-year institution.

* See advisor for different options from state colleges

EDUCATION, SECONDARY (SED)

Advisor: Mrs. Sue Ford, Mrs. Vikki McNair

Upon successfully completing the secondary education program of study with a 2.5 GPA or better and upon successfully passing the PRAXIS, graduates should be able to enter the junior year of secondary education at a four-year institution.

Students are encouraged to follow the suggested curriculum for their major as listed in the catalog of the senior institution of their choice.

FRESHMAN YEAR

16			15-16		

Notes: English majors can meet the foreign language requirements by taking MFL 1113, 1123, 2213, 2223.

HPR 1213 is required at ASU, DSU, MSU, MVSU, UM.

BIO 1144 is required at MUW.

CSC 1213 or CSC 1313 is required for math majors at MSU, USM.

USM requires PHY 2514; 2524 for math majors.

Some majors do not require two literature courses and two history courses. See the advisor and the senior college catalog. Literature courses must continue in sequence if two are taken.

Business Education majors must make special agreements with the desired senior institution to identify the business technology courses that should be taken.

Specific courses in teaching area should be taken in line with requirements at the particular senior institution selected.

ENGINEERING (ENG)

Advisor: Mrs. Gloria McRae, Mr. Haywood Reeves

Students who are interested in any engineering field should register in this curriculum. The first two years of engineering are basically the same for all branches of engineering, and this curriculum is designed to meet these needs. Upon successfully completing the engineering program of study, graduates should be able to enter the junior year of engineering at a four-year institution.

LIBERAL ARTS (LAR)

Advisors: Mrs. Tanya Boler, Ms. Ann Durham, Mr. Phillip Crenshaw, Mr. Tony Kinton, Dr. Linda Lane, Ms. Maxine McKee, Mrs. Linda Pierce, Mr. Kevin Ryals, Mrs. Carol Shackelford, Mrs. Melinda Smith, Mr. Stan Tucker

The Liberal Arts Curriculum will meet the pre-professional needs of many students who are planning some professional vocation. It may be selected by the pre-law students, by pre-ministerial students, or by those planning a career in home economics, journalism, or social work, and by others. In addition to the above, students who come to college to secure the general and liberalizing value of education, who are planning to continue a similar curriculum in a four-year college, or whose interests cannot be met by another curriculum usually select this curriculum. Electives should be chosen from a student's field of interest with the approval of the individual's advisor. Students should consult with the catalog of the university to which they plan to transfer.

FRESHMAN YEAR

MUSIC

Advisors: Mrs. Blaylock, Mr. Bobo, Mr. Brownlee, Mr. Carson, Dr. Jenkins

The work of the music department is organized (1) to give sound foundation work in music theory, (2) to develop understanding and appreciation of the literature and history of music, and (3) to develop performance skills with the voice and musical instruments.

All students majoring in music are required to perform with one of the large ensembles each semester. Instrumental majors are required to participate in the band, and voice and piano majors are to participate in the choir. Those students taking applied music courses must perform in or attend all scheduled music recitals.

Upon successfully completing the music program of study, graduates should be able to enter the junior year of piano, voice, or instrumental music at a four-year institution.

MUSIC WITH INSTRUMENTAL EMPHASIS (MUI)

Advisors: Mr. Jared Brownlee, Mr. Tom Carson

Upon successfully completing the music program of study, graduates should be able to enter the junior year of instrumental music at a four year institution.

HEALTHCARE EDUCATION PROGRAMS

(Associate Degree Nursing, Emergency Medical Technician (EMT) - Basic, Emergency Medical Technician (EMT) - Paramedic, Health Care Assistant, Practical Nursing, Surgical Technology)

East Central Community College offers programs of study that prepare graduates to work in a variety of healthcare settings. Students who successfully complete the programs of study are prepared to take state and national licensure and/or certification exams in the area of preparation and obtain employment in their area of specialty in the health care field.

Students applying for admission into Healthcare Education programs must meet the general college admission requirements as well as admission requirements specific to the individual program of study. Admission to the Healthcare Education programs is competitive and space is limited. Refer to admission requirements in Chapter 3 of the catalog.

The Associate of Applied Science Degree is awarded to students who successfully complete the two-year program of study specified in the catalog. The 15-semester Core Curriculum (or demonstrated competence) is embedded in the curriculum for each of the programs. Students who complete the 12 month option will receive certificates.

English Composition I 3 hours
Mathematics/Science 3 hours

Approved Courses: MAT 1233, MAT 1313, MAT 1323, BIO 1134/1144, BIO 2414, BIO 2514/2524, BIO 2924, CHE 1214/1224

Humanities/Fine Arts 3 hours

Approved Courses: ART 1113, MUS 113, ENG 2133, ENG 2223/2323, ENG 2423/2433, MFL 1113/1123, MFL 2113/2123, MFL 2213/1233, MFL 2223/2243, HIS 1163/1173, HIS 2213/2223, HIS 2243/2253, PHI 1113, PHI 1153, and PHI 2113.

Social Behavioral Sciences 3 hours

Approved Courses: PSY 1513, EPY 2513, EPY 2533, SOC 2113, SOC 2143

Oral Communication 3 hours

Working in the healthcare environment enhances theory taught in the classroom and students completing the healthcare programs may obtain immediate employment in their area of specialty in the healthcare field. Therefore, students enrolled in healthcare programs are encouraged to participate in WBL 191 (1-3) Work-Based Learning as an elective course.

ASSOCIATE DEGREE NURSING (ADN)

Director Dr. Melanie Gilmore

Advisors: Ms. Anderson, Ms. Boykin, Ms. Cantey, Ms. Gorgas,
Ms. Mann, W. Buchanan Moore, Ms. Odom, Ms. Savell

Upon successfully completing the Associate Degree Nursing program, graduates should meet the requirements of the State Board of Nursing to apply to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN®). However, completion of the program does not guarantee that the graduate will be allowed by the State Board of Nursing to take the examination.

PRE-REQUISITES:

BIO 2514 Anatomy & Physiology I .4
BIO 2524 Anatomy & Physiology II .4

All information pertaining to the Associate Degree Nursing Program may be found in the East Central Community College catalog or by contacting NLNAC, 61 Broadway, New York, NY 10016 or by telephone 1-800-669-9656.

EMERGENCY MEDICAL TECHNOLOGY - PARAMEDIC (EMP)

Advisor: Ms. Katrina Bryant

A Paramedic is a dedicated healthcare professional who provides a high level of medical care in the pre-hospital setting by utilizing extensive advanced life support skills. The EMT-Paramedic program will prepare the student for a high-skilled and exciting career as a Paramedic by combining classroom instruction as well as hands-on-instruction. After successful completion of the EMT-Paramedic Technology program, the student will be awarded an Associate in Applied Science Degree in EMT Paramedic Technology and be eligible for a seat for the National Registry exam for paramedics. Mississippi EMT-Basic certification and Anatomy and Physiology I is a prerequisite (by state law and national standards) for entrance into this program.

PRACTICAL NURSING (PNT)

Advisors: Mrs. Lori Luke, Ms. Kelly Miller, Mrs. Tosha Sanders

The Practical Nursing program prepares the individual to assist in providing general nursing care requiring basic knowledge of the biological, physical, behavioral, psychological, and sociological sciences; and of nursing procedures which do not require the substantial skills, judgment, and knowledge required of a registered nurse. This care is performed under the direction of a registered nurse, licensed physician, or dentist. Students that complete the program requirements, as identified by the Mississippi Department of Education, will be eligible to apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN®). The State Board of Nursing may refuse any individual the right to take the NCLEX-PN® based on previous criminal records.

HEALTH CARE ASSISTANT PROGRAM (HCA)

Advisor: Mrs. Tosha Sanders

The Health Care Assistant Program prepares the individual to assist in providing health care as member of the health care team under the direction of a health care professional. This curriculum references standards based on the State of Mississippi Nurse Aide Candidate Handbook Exam Content Outline.

Graduates of the one semester program will be awarded the Certificate of Health Care Assistant. Students who complete the program may qualify for employment as Homemakers, Nurse Assistants, Long-Term Care Aides, or Home Health Aides in the Mississippi health care industry.

PROGRAM CURRICULUM

HCA	1115	Basic Health Care	5

SURGICAL TECHNOLOGY (SGT)

Advisors: Mrs. LeAnn Shirley, Mrs. Kristie Pilgrim

Surgical Technology is an instructional program that prepares an individual to serve as a member of the surgical team. Graduates of the 12-month program will be awarded the Certificate of Surgical Technology. The Associate of Applied Science Degree in Surgical Technology will be awarded the successful graduate of the 24-month program. Qualified graduates may apply to the Association of Surgical Technologies for the National Certifying Examination and become a Certified Surgical Technologist.

**Baseline competencies for Surgical Technology

			3

* Students who lack entry level skills in math, English, science, etc. will be provided related studies.

** Baseline competencies are taken from the high school Allied Health program. Students who can document mastery of these competencies should not receive Duplicate instruction. Students who cannot demonstrate mastery will be required to do so.

Test average of "80" or above, grade of "C" or above on all Surgical Technology courses and required courses, mastery of selected Surgical Technology skills.

TECHNICAL PROGRAMS

Technical programs at East Central Community College are designed to prepare the student for employment upon completion of the specified program curriculum. Students who complete a two-year program are then eligible to receive the Associate of Applied Science Degree. Students who complete the nine-month options will receive certificates.

TECHNICAL CORE CURRICULUM

To complete the requirements for the A.A.S. degree, the students must complete the 18 semester hour Technical Core Curriculum which includes the following:

English Composition	3 sem. hrs.
Humanities/Fine Arts	3 sem. hrs.
Social/Behavioral Sciences	3 sem. hrs.
Mathematics	3 sem. hrs.
Oral Communication	3 sem. hrs.
Computer Science	<u>*3 sem. hrs.</u>
	18 sem. hrs.

* or demonstrated competence on computer-based equipment in the skill area.

AUTOMOTIVE TECHNOLOGY (AUT)

Advisor: Mr. Scott McLemore

Postsecondary Automotive Technology is an instructional program that prepares individuals to engage in the servicing and maintenance of all types of automobiles. Instruction includes the diagnosis of malfunction of all 8 areas of ASE/NATEF certification (engine repair, electrical and electronic systems, engine performance, brakes, steering and suspension systems, manual drive trains and axles, automatic transmissions and transaxles, heating and air conditioning).

Postsecondary Automotive Technology is an articulated technical program designed to provide advanced and technical skills to its students. Baseline competencies, taken from secondary automotive mechanics curriculum framework, serve as a foundation for the competencies and suggested objectives taught in the courses of the program. Students who do not possess these competencies will be allowed to acquire them during the program. Students who can document mastery of the baseline competencies will receive advanced instruction on these topics. Automotive Technology may be taught as either a certificate program or as a technical program.

BUSINESS AND OFFICE TECHNOLOGY

This is the era of high technology-the age of information processing. To maintain a competitive edge in this fast paced world, dynamic organizations sense a critical need to do more work in less time, thus generating reduced cost. As a result, high levels of productivity are required. To attain such a far-reaching goal, managers rely on benefits of progressively more powerful technologies, which include new concepts and new equipment as well as a more highly qualified personnel.

The overall objective of the Business and Office curriculum is to provide business training in theory and practical applications necessary for employment in high tech government agencies, industries, businesses, and medical and professional areas. The Curriculum consists primarily of training to provide employable skills using up-to-date procedures, processes, and equipment.

Degree Option

The Associate of Applied Science degree is awarded for successful completion of either Medical Office Technology, Office Systems Technology, Microcomputer Technology or Medical Billing and Coding Technology.

Upon successfully completing the Business and Office Technology curriculum, graduates should be able to apply the theory and practical applications necessary for employment in government agencies, industries, businesses, and medical and professional areas.

MEDICAL OFFICE TECHNOLOGY (MOT)

Advisors: Mrs. Christy Ferguson, Mrs. Ruth Gregory, Ms. Judith Hurtt

Medical Office Technology is designed to prepare students for positions as medical transcriptionists, medical secretaries, medical file clerks, medical receptionists, or medical office assistants. Strong emphasis is placed on medical terminology and medical machine transcription. In addition to these skills, office communications, business computer applications, records management, accounting, and office procedures are emphasized.

Students who lack entry level skills in math, English, etc., will be provided related studies.

**** Prior to enrollment in Document Formatting and Production (BOT 1113), students will be required to key straight-copy material at a minimum of 35 GWPM, on a 5-minute timed writing, with a maximum of 1 error per minute. Students who do not demonstrate this level of proficiency will be required to enroll in Introduction to Keyboarding (BOT 1013).

APPROVED ELECTIVES/CAREER TECHNICAL

WBL 1913, WBL 1923, WBL 2913, WBL 2923

EARLY CHILDHOOD EDUCATION (ECE)

Advisors: Ms. Kathy George, Ms. Mary Ann Wright

The student enrolled in Early Childhood Education Technology is required to successfully complete two academic years of study. An individual will receive an Associate in Applied Science Degree. The student receives adequate instruction and training in curriculum planning and implementation.

Experiences in coordination of activities in art, music, language arts, and other avenues of learning prepare the student for job placements in private and public day care centers, HeadStart, teachers' aides in public school systems, and other positions. All students enrolled in the program must have up-to-date immunizations and submit to finger printing and a background check.

Upon successfully completing the Early Childhood Education Technology program, graduates should be able to gain entry to administrative level employment in the childcare industry.

COLLISION REPAIR TECHNOLOGY (CRT)

Advisor: Mr. Conrad Germany

Collision Repair Technology is an instructional program designed to prepare students for entry level into the Collision Repair and Refinishing trade. Upon completion of this program, the students will be prepared for beginning positions as body, frame, and refinish technicians. Students will be provided theory and practical repair and refinish work beginning with basic applications and progressing on to heavy collision repairs requiring major body and frame alignment and panel replacement. The instruction includes all phases necessary to teach collision repair including glass replacement, welding, replacement of hardware and trim items, cosmetic and structural repairs.

Students enrolling in Collision Repair Technology will need to select one of the following options upon entering the program. The options are the two year Associate in Applied Science Degree in Collision Repair Technology, or the one or two year Collision Repair Technology Certificates.

COMPUTER PROGRAMMING OPTION (CPT)

Advisors: Mrs. Stella Dickerson, Mrs. Brenda Johnson

Upon successfully completing the Computer Programming option, students should be prepared for employment as a computer programmer and/or computer operator in a business-oriented environment. Instruction will be provided in several different programming languages, and hands-on experience will be included on microcomputers as well as on an on-line business computer system. The Associate in Applied Science Degree is awarded for successful completion of the Computer Programming Option.

DRAFTING AND DESIGN TECHNOLOGY (DDT)

Advisors: Mrs. Polly Mayes, Mr. Ricky Harrison

The Drafting and Design program of study is designed to provide specialized occupational instruction in all phases of drafting technology in order to prepare students for positions in the drafting field. A combination of class work and practical experience is stressed. Completion of a minimum of 64 semester credit hours of course work in a two-year program leads to an associate in applied science.

FRESHMAN YEAR

First Semester			Second Semester		
DDT	1114	Fundamentals of Drafting .4	SPT	1113	Oral Communication3

Math 1323 Trigonometry is strongly suggested for one of the restricted electives.

ELECTRICAL TECHNOLOGY (ELT)

Advisor: Mr. John Everett

The Electrical Technology program prepares individuals to install, operate, maintain, and repair electrically-energized systems such as residential, commercial, and industrial electric wiring, and D.C. and A.C. motors, controls, and electrical distribution panels. Instruction in the use of test equipment is included.

Certificate programs in electricity require a minimum of 34 semester credit hours beyond the essential skills level. Students desiring to receive only a certificate may substitute other courses for the six hours of academic credit in the proposed curriculum. Technical programs require a minimum of 65 semester credit hours above the secondary level which includes a recommended 15 hours of academic core courses. Successful completion of the two-year program leads to an Associate in Applied Science degree.

****Baseline Competencies for Electrical Technology**

ELECTRONICS TECHNOLOGY (ELE)

Advisors: Mr. Jim Blackburn, Mr. James Clark

Electronics Technology is an instructional program that prepares individuals to support electrical engineers and other professionals in the design, development, and testing of electrical circuits, devices, and systems for generating electricity and distributing electrical power. Included are instruction in model and prototype development and testing; systems analysis and integration, including design, development of corrective and preventive maintenance techniques; application of engineering data; and the preparation of reports and test results.

Technical programs in Electronics Technology require a minimum of 60 semester credit hours (SCH) beyond the essential skills level. Fifteen semester credit hours of academic course courses are included in this minimum. Successful completion of the two-year program leads to an Associate in Applied Science degree.

HEATING AND AIR CONDITIONING TECHNOLOGY (HAC)

Advisor: Mr. William C. Wilson

Heating and Air Conditioning is a postsecondary instructional program that prepares individuals to work in engineering departments or private firms installing, maintaining, and operating small or medium air conditioning, heating, and refrigeration systems. Instruction prepares individuals to work in a commercial setting performing special tasks relating to designing ductwork, assembly, installation, servicing, operation, and maintenance of heating and cooling systems according to the standards of the American Society of Heating, Refrigeration, and Air Conditioning Engineers Inc., Air Conditioning Contractors of America (ACCA), and Air Conditioning Refrigeration Institute (ARI). Included are air-conditioning, heating and refrigeration devices; equipment, techniques, and systems; and maintenance and operation of these systems.

MACHINE SHOP TECHNOLOGY (MST)

Advisor: Mr. Danny Gressett

This program is designed to prepare students to enter the machinist trade at the apprentice level. The student will be able to interpret blueprints, make necessary shop mathematical calculations, skillfully operate the lathe, shaper, milling machine, grinders, drills, and make precision measurements. Also, the student will be competent in machining methods, metallurgy, heat treatments of metals, programming and operation of CNC equipment.

Technical Electives to be selected from the following:

CSC 1113	Introduction to Computer Concepts
CSC 1123	Microcomputer Applications
DDT 1323	Intermediate CAD
DDT 1114	Fundamentals of Drafting
Work-Based Learning I, II, III, IV, V, VI, "WBL 191(1-3), WBL 192(1-3), WBL 193(1-3), WBL 2919(1-3), WBL 292(1-3), WBL 293(1-3)	

Other electives to be selected from:

MAT 1313	College Algebra
PHY 2244	Physical Science Survey
SOC 2133	Intro. to Sociology
PSY 1513	General Psychology
SPT 1113	Oral Communication
ART 1113	Art Appreciation
MUS 1113	Music Appreciation

CAREER PROGRAMS

The following East Central Community College Career Programs are designed to teach the students a trade. A certificate is issued upon satisfactory completion of one of the programs. These programs are scheduled to meet six hours a day, five days a week, unless otherwise specified in the course description. Classroom activities in each career and related fields, as well as laboratory experiences are given each student. A career learning lab is provided to enhance instruction in reading and mathematics.

RESIDENTIAL CARPENTRY (RCC)

Advisor: Mr. Fredrick Lyons

The Residential Carpentry program is designed to prepare the student for entry-level employment. It provides training in the basic and advanced skills needed to have a successful career in the field of residential carpentry. The training in this course is centered around technical knowledge and hands-on experience in all the stages of construction from foundations and framing to finish carpentry and cabinet making. A student who completes the first year will receive a certificate in Basic Residential Carpentry. A student who completes the second year will receive a certificate in Advanced Residential Carpentry.

RESIDENTIAL CARPENTRY ONE-YEAR CERTIFICATE

FIRST YEAR

First Semester		Second Semester	
CAV 1116	Foundations6	CAV 1245	Ceiling & Roof Framing ..5
CAV 1236	Floor & Wall Framing6	CAV 1413	Roofing3
CAV 1133	Blueprint Reading3	CAV 1513	Exterior Finishing.3
CAV 1123	Forming Applications3	CAV 1316	Interior Finishing & Cabinet Making6
	18		17

* Student who lack entry level skills in math, English, science, etc., will be provided related studies.

* Student who lack entry level skills in math, English, science, etc., will be provided related studies.

APPROVED ELECTIVES

ATE 1113	Science & Technology
CPT 1113	Fundamentals of Microcomputer Application (or any other suitable computer science course approved by the instructor)
CAV 2133	Advanced Cabinet Making
CAV 2313	Advanced Interior Finishing
CAV 291(1-3)	Special Problem in Residential Carpentry Technology
CAC 292(1-6)	Supervised Work Experience in Residential Carpentry Technology
WORK BASED LEARNING (WBL-191(1-3), WBL 192(1-3), WBL 193(1-3), WBL 291(1-3), WBL 292(1-3), and WBL 293(1-3))	

COSMETOLOGY (COS)

Advisor: Mrs. Wanda Brackeen

This course is designed for those who want to become cosmetologists. The course has been approved by the State Board of Education and the Mississippi Board of Cosmetology. It has the approval and support of beauty salon owners and operators throughout this area of the State. A student enrolling must be at least 17 years of age and must have completed high school, or obtained the GED.

During the training period, students must maintain an average grade of 85 in theory and skill to be eligible for State Board Examination in order to attain a license. Fifteen hundred clock hours of training are required to complete the course. These 1500 hours are completed in the 12-month course.

COSMETOLOGY TEACHER TRAINING (CTT)

Advisor: Mrs. Wanda Brackeen

Approved by MISSISSIPPI STATE BOARD OF COSMETOLOGY for Licensed Cosmetologist with minimum of two years experience.

Major Units of Instruction		Semester Hours
COV 2816	Teacher Training I	6
COV 2826	Teacher Training II	6
COV 2836	Teacher Training III	6
COV 2846	Teacher Training IV	6

Requirements for entering program:

- Must be 21 years of age to take State Board Exam
- Read, write, and speak English
- Graduate of an accredited cosmetology school
- Successfully completed 12 semester hours of approved academic course work
- Hold a current, valid Mississippi Cosmetology License
- Two years active practical experience as a licensed cosmetologist

WELDING & CUTTING (WED)

Advisor: Mr. Gerald Jordan

The Welding and Cutting curriculum is designed to prepare the student for entry-level employment in the field of welding and cutting. The curriculum includes Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), Plasma Arc Cutting (PAC), Carbon Arc Cutting, Oxyfuel Cutting, and Gas Tungsten Arc Welding (GTAW)

CHAPTER 6

DESCRIPTION OF COURSES

UNIVERSITY PARALLEL

East Central Community College adheres to the common course number system adopted by the Mississippi Association of Community and Junior Colleges. The numbers for University Parallel Courses carry four digits. The first digit indicates the year that the course is normally taught. Generally courses required or recommended for freshmen begin with a 1 and courses at the sophomore level begin with a 2. The last digit indicates semester hours credit carried by the course. The second and third digits are used to separate courses within departments. Course descriptions used in this catalog are those adopted in the Uniform Numbering System and are intended to be equivalent to those courses at the same level at four-year institutions.

ACCOUNTING

ACC 1213 — PRINCIPLES OF ACCOUNTING — A study of the elementary accounting principles as applied to the various forms of business organizations, and an introduction to specialized fields of accounting. Three lectures and one hour laboratory. Three semester hours credit.

ACC 1223 — PRINCIPLES OF ACCOUNTING — Prerequisite: Accounting 1213. Three lectures and one hour laboratory. Three semester hours credit.

AGRICULTURE

AGR 2314 — BASIC SOILS — A general course in soils designed to give the student a basic understanding of all important phases of the subject, including soil genesis, morphology, classification, and the physical, chemical and biological aspects of soils as applied to soil fertility. Soil management, including fertilization and liming of soils, is also included. Four hours lecture. Four semester hours credit.

AGR 2343 — FOREST MEASUREMENTS — This course is designed to introduce the student to the techniques, instruments and practices of measuring forest inventories and cut-wood products for sales, timber management planning and forest studies. Three hours lecture. Three semester hours credit.

ART

- ART 1113 — ART APPRECIATION — A simple approach to the understanding of the plastic arts (drawing, architecture, sculpture, painting, graphics, minor art, and industrial arts) on a conceptual basis. Three lectures. Three semester hours credit.
- ART 1313 — DRAWING I — Study of basic principles of construction of visual forms. Emphasis on line, perspective, and shading. Use of black and white media, pencil, charcoal. Required of art majors. Six hours laboratory. Three semester hours credit.
- ART 1323 — DRAWING II — (Prerequisite: ART 1313) Introduction to color dynamics and precision drawing as used in creative expression. Emphasis on composition. Required of art majors. Six hours laboratory. Three semester hours credit.
- ART 1433 — DESIGN I (Supersedes ART 1413) — To provide students with an understanding of the elements and principles of design to enable development of an informed, intuitive sense as well as a highly informed skills base/methodology involving black and white design problems which apply principles and elements of visual design. Six hours laboratory. Three semester hours credit.
- ART 1443 — DESIGN II (Supersedes ART 1423) — To provide students with an understanding of color theory and applications of color so that there begins to be an informed as well as intuitive sense of seeing, mixing, and applying color and light to design problems. Six hours laboratory. Three semester hours credit.
- ART 1513 — COMPUTERS IN ART — An introduction to the theory and practice of using the computer to create art. A study of methods and applications utilizing the computer and selected software applications. Six hours laboratory. Three semester hours credit.
- ART 2513 — PAINTING I — (Prerequisite: ART 1313, 1323, 1413 & 1423) Techniques used in painting water colors, oils, pastels, or other media, in still life and landscape pictures. Six hours laboratory. Three semester hours credit.
- ART 2613 — CERAMICS I — A studio course designed to cover the making of pottery from the building by hand or throwing on the potter's wheel to the application of ceramic glazes and the firing procedures. An appreciation of the ceramics of the past and present will be included. Six hours laboratory. Three semester hours credit.
- ART 2623 — CERAMICS II — A continuation of ART 2613.
- ART 2713 — ART HISTORY I — A survey course of the historical background of art forms from Prehistoric to the Renaissance. Emphasis is on painting, architecture, and sculpture as related to history. Three semester hours credit.

ART 2723 — ART HISTORY II — A survey course of the historical background of art forms from the Renaissance to the Twentieth Century. Emphasis is on modern expressions in the field of art. Three semester hours credit.

BIOLOGY

- BIO 1134 — GENERAL BIOLOGY I — A laboratory course in general biological principles including a survey of the kinds of plants and animals, their structure, and function, and relationships with each other and the environment. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 1144 — GENERAL BIOLOGY II — A continuation of BIO 1134. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 1314 — BOTANY I — A lecture/laboratory course dealing with the application of biological principles to the study of plants including classification, anatomy and physiology, and function. Three hours lecture, two hours lab. Four semester hours credit.
- BIO 1324 — BOTANY II — A lecture/laboratory course of principles listed but not covered in BIO 1314. Four semester hours credit.
- BIO 1613 — NUTRITION — A lecture course covering the nutrients required for normal growth and prevention of major chronic disease, and applied to the selection of food for ingestion, the metabolic process of digestion, assimilation, and absorption. Three semester hours credit.
- BIO 2314 — DENDROLOGY — A combined lecture and laboratory course concerning the taxonomy, morphology, ecology, and identification of woody plants. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture and two hours lab. Four semester hours.
- BIO 2414 — ZOOLOGY I — A laboratory course dealing with the application of biological principles to the study of animals including a survey of the kinds, their structure and function. Emphasis is on the invertebrates. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 2424 — ZOOLOGY II — A continuation of BIO 2414 with emphasis on the vertebrates. Three lectures and two hours laboratory. Four semester hours credit.
- BIO 2514 — HUMAN ANATOMY AND PHYSIOLOGY I — Study is made of anatomy and physiology of the human body as an integrated whole with more detailed studies of the skeletal, muscular, and nervous systems. Prerequisite: General Biology (BIO 1134 or 1144), Zoology (BIO 2414 or BIO 2424) or General Chemistry (CHE 1214), Microbiology (BIO 2924) or ACT science score of 18. Three lectures and two hours laboratory. Four semester hours credit.

BIO 2524 — HUMAN ANATOMY AND PHYSIOLOGY II — A continuation of Anatomy and Physiology 2514 in which the circulatory, respiratory, digestive, urinary, reproductive, and endocrine systems are studied. Prerequisite: Human Anatomy 2514. Three lectures and two hours laboratory. Four semester hours credit.

BIO 2924 — MICROBIOLOGY — A lecture/laboratory course providing a survey of the microbes (microscopic organisms) with emphasis and detailed study being placed on those affecting other forms of life, especially man. Laboratory is devoted to basic techniques of microbial study, such as identification, control, morphology, physiology, life cycles, and culture techniques. Three hours lecture and two hours laboratory. Four semester hours credit.

BUSINESS ADMINISTRATION

BAD 1113 — INTRODUCTION TO BUSINESS — This course includes an introduction to the major division of study that will be followed in succeeding business courses such as: Business Organization, Accounting, Business Law, and other related courses. Three semester hours credit.

BAD 1121 — BUSINESS SEMINAR — This course is designed to coordinate the various business-related student activities to the local level. It promotes leadership and professionalism in civic and social functions, and includes student participation, guest speakers, and community service activities. One hour lecture. One semester hour credit.

BAD 2323 — BUSINESS STATISTICS — Introduction to statistical methods of collecting, presenting, analyzing, and interpreting quantitative data for business management and control. Three lectures. Three semester hours credit. (Prerequisite: MAT 1313)

BAD 2413 — THE LEGAL ENVIRONMENT OF BUSINESS — Designed to acquaint the student with the fundamental principles of law as they relate to the basic legal problems of business transactions in our economy. Three semester hours credit.

CHEMISTRY

CHE 1214 — GENERAL CHEMISTRY I — Atomic and molecular structure, periodicity and atomic properties, stoichiometry, the mole concept, types of solutions, gases, introduction to thermodynamics. Corequisite or prerequisite: College Algebra. Three lectures and two hours laboratory. Four semester hours credit.

CHE 1224 — GENERAL CHEMISTRY II — Kinetics, equilibria, thermodynamics, electrochemistry, nuclear chemistry, coordination compounds, introduction to organic chemistry. Three lectures and two hours laboratory. Prerequisite: satisfactory completion of CHEM 1214 - General Chemistry I. Four semester hours credit.

CHE 2424 — ORGANIC CHEMISTRY I — A study of the basic principles of carbon chemistry, bonding structure, and behavior; aliphatic compounds; identification and preparation of compounds. Three lectures and three hours laboratory. Four semester hours credit. Prerequisite: CHE 1224 - General Chemistry II.

CHE 2434 — ORGANIC CHEMISTRY II — A continuation of Chemistry 2424. A study of aromatic and complex compounds. Three lectures and three hours laboratory. Four semester hours credit. Prerequisite: CHE 2424 - Organic Chemistry I.

COMPUTER SCIENCE

CSC 1113 — INTRODUCTION TO COMPUTER CONCEPTS — A basic course that advances concepts, terminology, and theory of modern computers and provides a background in programming languages. Three lectures. Three semester hours credit.

CSC 1123 — MICROCOMPUTER APPLICATIONS — Designed to teach the use of major applications packages as used on micro-computers in business, education, and other environments. The packages will include Microsoft Office. Three hours lecture with open lab. Three semester hours credit.

CSC 1213 — VISUAL BASIC PROGRAMMING I — The writing of programs using the Visual Basic computer language. Three lectures. Three semester hours credit.

CSC 2133 — PROGRAMMING I with "C" — Introduction to problem solving methods and algorithm development; designing, debugging, and documentation in C/C++ language with a variety of applications. Prerequisite or corequisite: MAT 1313 or permission of instructor. Three lectures. Three semester hours credit.

CSC 2143 — PROGRAMMING II with "C" — Continued program and algorithm development and analysis; search/sort methods; abstract data types and object-oriented design; designing and debugging larger programs using C/C++ language. Prerequisite: 2133. Three lectures. Three semester hours credit.

CRIMINAL JUSTICE

CRJ 1313 — INTRODUCTION TO CRIMINAL JUSTICE — This course is a general introduction to the history, development, and philosophy of law enforcement in a democratic society and the introduction to agencies involved in the administration of criminal justice and career orientation. Three hours lecture. Three semester hours credit.

CRJ 1323 — POLICE ADMINISTRATION AND ORGANIZATION I — Principles of organization and administration in law enforcement as

applied to law enforcement agencies; introduction to concepts of organizational behavior. Three hours lecture. Three semester hours credit.

CRJ 1353 — INTERNSHIP IN CRIMINAL JUSTICE — Internship in approved law enforcement or correctional agency under supervision of the agency concerned and school instructor. Written report required of agency. Three hours lecture. Three semester hours credit.

CRJ 1363 — INTRODUCTION TO CORRECTIONS — An overview of the correctional field; its origins, historical and philosophical background, development, current status, relationship with other facets of the criminal justice system and future prospects. Three hours lecture. Three semester hours credit.

CRJ 2313 — POLICE OPERATIONS — A study of the operation and administration of law enforcement agencies. Particular emphasis is placed on the functions of the patrol division. Three hours lecture. Three semester hours credit.

CRJ 2333 — CRIMINAL INVESTIGATION I — Fundamentals, search and recording, collection and preservation of evidence, finger printing, photography, sources of information, interviews and interrogation. Three hours lecture. Three semester hours credit.

ECONOMICS

ECO 2113 — PRINCIPLES OF ECONOMICS (MACROECONOMICS) — An introduction to economic principles, problems, and policies with emphasis on the monetary system and national income theory and measurement. Three lectures. Three semester hours credit.

ECO 2123 — PRINCIPLES OF ECONOMICS (MICROECONOMICS) — A continuation of Economics 2113 with emphasis on price and production theory. Three lectures. Three semester hours credit.

EDUCATION

EDU 1111 — LIBRARY SCIENCE — This course provides information concerning the development of books and libraries and instruction in and practice with the skills necessary for selecting, locating, and using library materials in a variety of formats. One hour lecture. One semester hour credit.

EDU 1321 — CAREER EXPLORATION — A course designed to assist students in determining career goals. Interest tests and aptitude tests are given to help students determine career choices. One semester hour credit.

EDU 1411 — IMPROVEMENT OF STUDY — This course is designed to aid the student in three basic areas: adjustment to college life, development of good study skills, and the formation of good test-taking skills. One hour lecture. One semester hour credit.

EDU 1423 — COLLEGE STUDY SKILLS — An advanced course in study skills that fosters insight and practice of critical reading skills and study techniques needed for efficient and effective perusal of college level courses, both graduate and undergraduate. Three semester hours credit.

EDU 1151 — COLLEGE LIFE — College Life offers group experiences in study skills, career exploration, self-affirmation, and values clarification. This course is designed to assist the first-time student in bonding to the college and to a small group of students. One hour lecture. One semester hour credit.

EDU 1811, 1821, 1831, and 1841 — LEADERSHIP I, II, III, IV — This course is limited to members of the Warrior Corps. Its purpose is to teach leadership skills and give the student a better understanding of the overall operation of the College. Among the leadership skills to be taught are listening skills, time management, salesmanship, and information giving techniques. One semester hour credit.

EDU 1833 — LEADERSHIP AND ORGANIZATION SKILLS — A study of leadership styles, skills, roles, and functions of leaders of organizations. The course integrates writings from the humanities with other readings, films, and activities. These historical and philosophical works, which include multi-cultural readings, not only constitute the collective wisdom of mankind, but also provide rich insight into leading. The course will be taught as eleven skill units. Three hours lecture. Three semester hours credit.

EDU 2511 — INTRODUCTION TO ELEMENTARY EDUCATION — An introduction to elementary schools and the role of teachers. Study of philosophical thought and inquiry in relation to educational assumptions, questions, problems and alternatives. Includes a minimum of 10 hours field experience in the elementary schools. (See attached handout for additional justification.)

ENGINEERING

EGR 2413 — ENGINEERING MECHANICS (STATICS) — Equilibrium of point objects and extended objects in two and three dimensions using vector algebra. Distributed forces, structures, friction, and moments of inertia in three dimensions. Three hours lecture. Three semester hours credit. Prerequisites: MAT 1623 and PHY 2514

EDUCATIONAL PSYCHOLOGY

EPY 2513 — CHILD PSYCHOLOGY (HUMAN GROWTH & DEVELOPMENT I) — A course which deals with the various aspects of human growth and development. Problems studied include physical, mental, social and emotional development from infancy through preadolescence.

cence. Special attention is given to the implications for education. Three lectures. Three semester hours credit.

EPY 2523 — ADOLESCENT PSYCHOLOGY (HUMAN GROWTH & DEVELOPMENT II) — A study of the individual during adolescent years. Three semester hours credit.

EPY 2533 — HUMAN GROWTH AND DEVELOPMENT — A study of the growth and development of the human organism from conception through old age to death. Topics include changes in abilities and interests, social and emotional adjustments of each maturity level, and implications of growth and development to health professionals and others who work with people. Three lectures. Three semester hours credit.

ENGLISH

ENG 1103 — DEVELOPMENTAL ENGLISH I — Designed to reinforce fundamental language skills with an emphasis on reading, grammar, mechanics, sentence structure, and paragraphs. Required for students with ACT English sub scores of 1-11. Three hours per week. Three semester hours credit.

ENG 1113 — ENGLISH COMPOSITION I — Stresses effective writing through the study of the elements of composition with emphasis on the essay. Three lectures. Three semester hours credit.

ENG 1123 — ENGLISH COMPOSITION II — A continuation of English 1113 with emphasis on essays, critical writing, and research. A research paper is required. Prerequisite: ENG 1113. Three lectures. Three semester hours credit.

ENG 1203 — DEVELOPMENTAL ENGLISH II — Designed to teach fundamental composition skills with an emphasis on basic paragraph and essay writing. Prerequisites: ACT English sub score of 12-14 or successful completion of ENG 1103. Three hours per week. Three semester hours credit.

ENG 1213 and 1223 — HONORS ENGLISH COMPOSITION — Designed to develop the expository writing skills of academically talented students. Emphasizes logical thinking, objective analysis, clear organization and precise writing. Special attention given to critical reading, to written analysis, to using the library, and to documented research writing. Enrollment open to students with a 25 composite and an English score of 27 on the ACT. Six semester hours credit.

ENG 2133 — CREATIVE WRITING — Consent of the instructor is required. Designed to offer experience in writing poetry, short stories, plays, and essays. Prerequisite: ENG 1113 or ACT English Subscore of 25 or above. Three lectures. Three semester hours credit.

ENG 2153 — TRADITIONAL GRAMMER — Primarily for elementary education majors, this course focuses on English fundamentals. Beginning with parts of speech, it covers basic sentence patterns, pronouns, troublesome verbs, subject-verb agreement, spelling, diction, punctuation and mechanics - all the aspects of traditional grammar that the elementary teacher may encounter in teaching language skills for children. Three semester hours credit.

ENG 2223 — AMERICAN LITERATURE I — Representative prose and poetry of the United States from colonial beginnings through Emily Dickinson. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2233 — AMERICAN LITERATURE II — Representative prose and poetry of the United States from Samuel Clemens to the present. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2323 — ENGLISH LITERATURE I — A survey of English Literature from Beowulf through the Renaissance. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2333 — ENGLISH LITERATURE II — A survey of English Literature from the Restoration to modern times. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2353 — HONORS ENGLISH LITERATURE I — Designed for students who have a special interest in English Literature and who have at least a "B" average in ENG 1113 and ENG 1123. A study of English Literature from its beginnings until 1798. An individualized course with attempts to program the study of literature to the student's major interests and skills. Enrollment by invitation. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2363 — HONORS ENGLISH LITERATURE II — Designed for students who have a special interest in English Literature and who have at least a "B" average in ENG 1113 and ENG 1123. A study of English Literature from 1798 until the present. An individualized course which attempts to program the study of literature to the student's major interests and skills. Enrollment by invitation. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2423 — WORLD LITERATURE I — A survey of world literature from the invention of writing to 1650. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

ENG 2433 — WORLD LITERATURE II — A survey of world literature from 1650 to 2000. Prerequisites: ENG 1113, ENG 1123. Three lectures. Three semester hours credit.

GEOGRAPHY

GEO 1113 — WORLD GEOGRAPHY — A regional survey of the basic geographic features and major new developments of the nations of the world. Three hours lecture. Three semester hours credit.

GEO 1123 — PRINCIPLES OF GEOGRAPHY — A course which deals the basic content of geography, planetary relationships of the earth, interpretation and use of maps, elements of weather and climate, regional distribution of climatic elements and the interrelationship of man's physical and cultural landscapes. Three semester hours credit.

GEOLOGY

GLY 1114 — PHYSICAL GEOLOGY — A laboratory course in the study of the earth, its materials and the forces acting upon them, and the land forms and their developments. Three lectures. Two hours lab. Four semester hours credit.

GLY 1124 — A laboratory course in the study of the earth, its history and development and its life, as revealed by the character and fossil content of rock. Three lectures. Two hours lab. Four semester hours credit.

HEALTH, PHYSICAL EDUCATION, AND RECREATION

HPR 1131 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 1141 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 1213 — PERSONAL AND COMMUNITY HEALTH — Application of principles and practices of healthful living to the individual and community; major health problems and the mutual responsibilities of home, school, and health agencies. Three lectures. Three semester hours credit.

HPR 1313 — INTRODUCTION TO HEALTH, PHYSICAL EDUCATION AND RECREATION — Introduction to the objectives, literature, and organizations of the profession. Analysis of successful teaching with discussion of the responsibilities and opportunity of professional personnel. Orientation of student to opportunities in the field. Three lectures. Three semester hours credit.

HPR 1531 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 1541 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 1551 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 1561 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 1571 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit.

HPR 1581 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit.

HPR 2131 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 2141 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 2213 — FIRST AID — Instruction and practice in methods prescribed in the American Red Cross standard and advanced courses. Three lectures. Three semester hours credit.

HPR 2323 — RECREATIONAL LEADERSHIP — Planning and leadership techniques for conducting community recreation centers, playgrounds, parks, and school recreation programs. Three lectures. Three semester hours credit. Three lectures. Three semester hours credit.

HPR 2423 — FOOTBALL THEORY — A theoretical study of football from an offensive and defensive standpoint including the fundamentals of blocking, passing, tackling, charging, punting, generalship, rules and team play. Three lectures. Three semester hours credit.

HPR 2433 — BASKETBALL THEORY — A theoretical study of basketball from an offensive and defensive standpoint, including the study of teaching of the fundamentals and team organization. Three lectures. Three semester hours credit.

HPR 2443 — ATHLETIC TRAINING & TREATMENT OF INJURIES — A practical study of safety and first aid, taping, bandaging, and use of massage, and the uses of heat, light, and water in the treatment and preven-

tion of injuries; conditioning of athletes as to diet, rest, work, and proper methods of procedures in training for sports. Three lectures. Three semester hours credit.

HPR 2453 — BASEBALL THEORY — A theoretical study of baseball from a coaching standpoint; study of fundamentals and team play; methods of teaching fundamentals; team organization. Three lectures. Three semester hours credit.

HPR 2463 — SOCCER THEORY — A theoretical study of soccer from a coaching standpoint; including the study of the fundamentals, the methods of teaching fundamentals, progression of team play, and team organization. Three hours lecture. Three semester hours credit.

HPR 2531 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in tennis. Two hours per week. One semester hour credit.

HPR 2541 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 2551 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 2561 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HISTORY

HIS 1113 — WESTERN CIVILIZATION I — A general survey of European history from ancient times to 1660 A.D. Recommended for freshman. Three semester hours credit.

HIS 1123 — WESTERN CIVILIZATION II — A general survey of European civilization since 1600 A.D. Three semester hours credit.

HIS 1163 — WORLD CIVILIZATION I — A survey of man's struggle for civilization from early times to the times of the Commercial Revolution and the New Society. Covers all major areas of the world with all receiving appropriate attention. Three lectures. Three semester hours credit.

HIS 1173 — WORLD CIVILIZATION II — A continuation of HIS 1163 from the Age of Absolutism through a survey of Modern World Problems. Emphasis again placed, as appropriate, on all areas of the world. Three lectures. Three semester hours credit.

HIS 2213 — AMERICAN (U.S.) HISTORY I — A survey of U.S. history from the period of discovery and exploration through Reconstruction. Three lectures. Three semester hours credit.

HIS 2223 — AMERICAN (U.S.) HISTORY II — A survey of U.S. history from Reconstruction to the present. Three lectures. Three semester hours credit.

HIS 2243 — HONORS AMERICAN (U.S.) HISTORY I — Substitutes for HIS 2213. Survey of political, economic, and social developments to 1877. Special projects and recitations required. Instructor approval required.

HIS 2253 — HONORS AMERICAN (U.S.) HISTORY II — Substitutes for HIS 2223. Continued survey of political, economic, and social developments since 1877. Special projects and recitations required. Instructor approval required.

HOME ECONOMICS

FCS 1233 — PRINCIPLES OF NUTRITION — A study of nutrients required for growth and optimal health emphasizing recommended nutrient intake, food selection, digestion, absorption, transport, metabolism, and function. Three semester hours credit.

FCS 1253 — NUTRITION — This course is a study of nutrients required for normal growth and applied to the selection of food for ingestion, metabolic process of digestion, assimilation and absorption. Three lectures. Three semester hours credit.

HUMANITIES

HUM 1113 — HUMANITIES — Deals with the achievements of Western man as reflected in the art, architecture, and customs of selected European countries. This course consists of a tour which culminates in a supervised project to be completed by the student. With the completion of the tour and the project, a student shall earn three semester hours of credit in the humanities.

HUM 1911 — HONORS COLLOQUIUM I, II, III, IV — Selected topics from the Honors Study Topic Program Guide published each year through Phi Theta Kappa International Honor Society. This course includes research, lecture, and discussion. One semester hour credit.

HUM 1921 — HONORS COLLOQUIUM I, II, III, IV — A continuation of HUM 1911. One semester hour credit.

HUM 2911 — HONORS COLLOQUIUM I, II, III, IV — Students selected to participate in Scholars Bowl may enroll in this class. One semester hour credit.

HUM 2921 — HONORS COLLOQUIUM I, II, III, IV — Students selected to participate in Scholars Bowl may enroll in this class. One semester hour credit.

JOURNALISM

JOU 1111 — COLLEGE PUBLICATIONS I — A laboratory course in college newspaper and yearbook production.

JOU 1121 — COLLEGE PUBLICATIONS II — A continuation of JOU 1111.

JOU 2111 — COLLEGE PUBLICATIONS III — A continuation of JOU 1121.

JOU 2121 — COLLEGE PUBLICATIONS IV — A continuation of JOU 2111.

MATHEMATICS

MAT 1103 — DEVELOPMENTAL MATH (Nursing Math) — This course is designed to reinforce nursing skills for computation of drug dosage problems. This course will include the topics of fractions, decimals, percentages, metric conversions, and word problems. Three hours lecture. Three semester hours credit.

MAT 1203 — DEVELOPMENTAL ALGEBRA — A course in algebra to include signed numbers, first-degree equations, polynomial products, factors and fractions. Three hours lecture. Three semester hours credit.

MAT 1111 — BASIC GRAPHING CALCULATOR — This course is designed for students who have little or no background in the use of a TI-82 or TI-83 graphing calculator. Topics covered include keyboard layout, modes, menus, algebraic computation, graphing functions, statistics regression analysis, and matrix operations. The class will meet for five weeks, 750 minutes. One semester hour credit. Prerequisite or corequisite: Intermediate Algebra or successful completion of Algebra II in high school.

MAT 1121 — ADVANCED GRAPHING CALCULATOR — This course is an extension of MAT 1111. Topics covered include advanced matrix operation, parametric graphing, advanced function graphing, Boolean algebra, and programming. The class will meet for five weeks, 750 minutes. One semester hour credit. Prerequisite: A passing score on a graphing calculator usage pre-test or successful completion of MAT 1111.

MAT 1233 — INTERMEDIATE ALGEBRA — This course is designed for students whose qualifications are deficient for College Algebra. Materials covered include algebraic factoring, fractions, problem solving, exponents, radicals, quadratics, graphs, and simultaneous equations. Three hours lecture. Three semester hours credit. Prerequisites: Successful completion of MAT 1203 OR 14 or higher on ACT math sub-score OR 12 or higher on ECCC math assessment.

MAT 1313 — COLLEGE ALGEBRA — This course includes equations, inequalities, functions and graphs, circles, polynomial and rational functions, systems of equations, and logarithms. Three hours lecture. Three semester hours credit. Prerequisites: Successful completion of MAT 1233 OR 19 or higher on ACT math sub-score OR 20 or higher on ECCC math assessment.

MAT 1323 — TRIGONOMETRY — The study of trigonometric functions, identities, trigonometric equations, and applications. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1313 (Can be taken simultaneously.)

MAT 1333 — FINITE MATHEMATICS — Introduction and application of sets, functions, matrices, sequences, and linear programming oriented to business decision making and behavioral sciences. Three hours lecture. Three semester hours credit. Prerequisites: MAT 1313

MAT 1343 — ELEMENTARY FUNCTIONS — Selected topics from College Algebra and College Trigonometry. Three hours lecture. Three semester hours credit. Prerequisites: ACT math sub-score of 19 or above AND successful completion of Algebra I, Algebra II, and Trigonometry in high school. (Only for students whose majors include Calculus I.)

MAT 1513 — BUSINESS CALCULUS I — The basics of Differential Calculus with emphasis on business applications. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1313

MAT 1613 — CALCULUS I — Coordinate systems, basic theorems of analytics, functions, limits, the derivative, the integral, differentiation and integration of algebraic functions, and applications. Three hours lecture. Three semester hours credit. Prerequisites: Successful completion of MAT 1313 AND MAT 1323 OR successful completion of MAT 1343.

MAT 1623 — CALCULUS II — Differentiation and integration of transcendental functions, the definite integral, methods of integration and applications of differentiation and integration. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1613.

MAT 1723 — THE REAL NUMBER SYSTEM — Structure and properties of number systems of arithmetic. (For Elementary and Special Education majors.) Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1313.

MAT 1733 — GEOMETRY, MEASUREMENT, AND PROBABILITY — Basic concepts of geometry, measurements, and applications. (For Elementary and Special Education majors only.) Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1313.

MAT 1743 — PROBLEM SOLVING WITH REAL NUMBERS — Problems with decimals, proportions and percent, probability, counting principles,

and statistics. (For Elementary and Special Education majors only.) Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1723.

MAT 2113 — INTRODUCTION TO LINEAR ALGEBRA — Vector spaces, matrices, linear transformations; systems of linear equations, determinants; characteristic values and characteristic vectors. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1623.

MAT 2323 — BUSINESS STATISTICS — Introduction to statistical methods of collecting, presenting, analyzing, and interpreting quantitative data for business management and control. Three hours lecture. Three semester hours credit. Prerequisite: MAT 1313.

MAT 2613 — CALCULUS III — Infinite series, solid analytics, vectors, improper integrals, and line integration. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 1623.

MAT 2623 — CALCULUS IV — Differential calculus of functions of several variables, multiple integration. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 2613.

MAT 2913 — DIFFERENTIAL EQUATIONS — Solution of first and higher order differential equations; existence theorems; solution by series; and application to problems in geometry, physics and chemistry. Three hours lecture. Three semester hours credit. Prerequisite: Grade of "C" or better in MAT 2613.

MODERN FOREIGN LANGUAGE

MFL 1213 — ELEMENTARY SPANISH I* — Intended for beginning students and those with not more than one year of high school Spanish. The course seeks to develop the basic language skills: listening, speaking, reading, and writing. Three semester hours credit. Prerequisite: None.

MFL 1223 — ELEMENTARY SPANISH II* — A continuation of MFL 1213. Building on the skills mastered in Elementary Spanish I, this course seeks to develop further communicative competence at the elementary level in the areas of listening, speaking, reading, and writing. Three semester hours credit. Prerequisite: MFL 1213 or one unit of high school Spanish

MFL 2213 — INTERMEDIATE SPANISH I* — Intended for students who have completed Elementary Spanish II or two years of high school Spanish. This course provides a review and expansion on the communicative skills introduced in MFL 1213 and 1223. Three semester hours credit. Prerequisite: MFL 1223 or two units of high school Spanish.

MFL 2223 — INTERMEDIATE SPANISH II* — A continuation of MFL 2213. Building on the communicative competencies mastered in Intermediate Spanish I, this course focuses on strengthening the listen-

ing and speaking skills. It seeks to expand the students' reading and writing skills. Three semester hours credit. Prerequisite: MFL 2213

MFL 2243 — SPANISH CONVERSATION I — Intended for students who have completed Intermediate Spanish II. The course provides a review and practice of the major problems faced in listening and speaking at an advanced level. Taught primarily in Spanish. Three semester hours credit. Prerequisite: MFL 2223 or consent of the instructor.

* Foreign students may not register for credit in elementary and intermediate courses of their native language without prior approval of the instructor and division chair.

MUSIC FOUNDATIONS

(Education, History, Literature and Theory)

MUS 1113 — MUSIC APPRECIATION — A listening and lecture course designed to give the student, through aural perception, understanding and appreciation of music as a moving force in Western Culture. Three lectures. Three semester hours credit.

MUS 1133 — FUNDAMENTALS OF MUSIC — Provides the student with basic knowledge of notations, scales, keys, rhythm, intervals, triads, and their inversions. Three lectures. Three semester hours credit.

MUS 1214 — MUSIC THEORY I — Basic training in harmonic, melodic, and rhythmic elements of music. Four-part writing, ear-training, dictation, keyboard-harmony, and sight singing. Three lectures and two hours laboratory. Four semester hours credit.

MUS 1224 — MUSIC THEORY II — A continuation of MUS 1214. Three lectures and two hours laboratory. Four semester hours credit.

MUS 1911, 1921, 2911, 2921 — RECITAL CLASS I, II, III & IV — Required performance of solo and ensemble literature by students majoring in music. Attendance at maximum of five departmentally approved musical performances per semester also required.

MUS 2214 — MUSIC THEORY III — A continuation of MUS 1224. Three lectures and two hours laboratory. Four semester hours credit.

MUS 2224 — MUSIC THEORY IV — A continuation of MUS 2214. Three lectures and two hours laboratory. Four semester hours credit.

MUS 2313 — MUSIC HISTORY I — Music of primitive nations; rise and developments of liturgy; the Polyphonic Age; the rise of opera and oratorio; the periods of Bach and Handel Haydn, and Mozart; advent of Beethoven; American musical development. Three lectures. Three semester hours credit.

MUSIC APPLIED

(Brass, Guitar, Organ, Percussion, Piano, Voice and Woodwinds)

All applied music requires one half-hour lesson per semester hour credit. All students interested in Applied Music are to consult the instructor before scheduling.

MUA 1141, 1151, 2141, 2151 — BRASS FOR NON-MAJORS (Elective Brass) II, III, IV, & I — Half-hour lesson. One semester hour credit.

MUA 1172, 1182, 2172, 2182 — BRASS FOR MUSIC EDUCATION MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1272; MUA 1282; MUA 2272; MUA 2282 — GUITAR FOR MUSIC EDUCATION MAJORS I, II, III, IV

MUA 1331, 1341, 2331, 2341 — ORGAN FOR NON MAJORS (Elective Organ) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA 1362, 1372, 2362, 2372 — ORGAN FOR MUSIC EDUCATION MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1411, 1421, 2411, 2421 — CLASS PERCUSSION I, II, III, IV — Half hour lesson. One semester hour credit.

MUA, 1441, 1451, 2441, 2451 — PERCUSSION FOR NON-MAJORS (Elective Percussion) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA 1472, 1482, 2472, 2482 — PERCUSSION FOR MUSIC EDUCATION MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1511, 1521, 2511, 2521 — CLASS PIANO I, II, III, & IV — One hour lesson. One semester hour credit.

MUA 1541, 1551, 2541, 2551 — PIANO FOR NON-MAJORS (Elective piano Prerequisite: Previous piano study) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA 1572, 1582, 2572, 2582 — PIANO FOR MUSIC EDUCATION MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1711, 1721, 2711, 2721 — CLASS VOICE I, II, III, & IV — One-hour lesson. One semester hour credit.

MUA 1741, 1751, 2741, 2751 — VOICE FOR NON-MAJORS I, II, III, & IV — One-half hour lesson. One semester hour credit.

MUA 1772, 1782, 2772, 2782 — VOICE FOR MUSIC EDUCATION MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUA 1841, 1851, 2841, 2851 — WOODWINDS FOR NON-MAJORS (Elective Woodwinds) I, II, III, & IV — Half-hour lesson. One semester hour credit.

MUA 1872, 1882, 2872, 2882 — WOODWINDS FOR MUSIC EDUCATION MAJORS I, II, III, & IV — One hour lesson. Two semester hours credit.

MUSIC ORGANIZATIONS

(Marching Band, Centralettes, Concert Band, Jazz Band, Pit Orchestra, Chorus, Collegians)

MUO 1111, 1121, 2111, 2121 — BAND I, II, III, & IV — One semester hour credit.

MUO 1141, 1151, 2141, 2151 — SMALL BAND GROUPS I, II, III, & IV — One semester hour credit.

MUO 1171, 1181, 2171, 2181 — STAGE BAND I, II, III, & IV — One semester hour credit.

MUO 1211, 1221, 2211, 2221 — CHOIR I, II, III, & IV — One semester hour credit.

MUO 1241, 1251, 2241, 2251 — SMALL SINGING GROUPS I, II, III, & IV — One semester hour credit.

BIBLE

PHI 1113 — OLD TESTAMENT SURVEY — This is a study of the Old Testament covering the recorded events prior to Abraham and the history of the Hebrew nation as revealed in the books of history, prophecy and poetry. Three hours lecture. Three semester hours credit.

PHI 1133 — NEW TESTAMENT SURVEY — This is a study of the New Testament covering the life of Christ and the establishment of the early church as presented in Gospels, Acts, and the other New Testament books. Three hours lecture. Three semester hours credit.

PHI 1153 — THE LIFE OF CHRIST — The aim of this course is to give the student a general knowledge of the most important events in the life of Christ in a chronological order as found in the Gospels. The Gospels will be studied as a unit endeavoring to get a composite picture of the life and earthly ministry of Jesus. Three hours lecture. Three semester hours credit.

PHI 2113 — INTRODUCTION TO PHILOSOPHY — An introduction to systematic and philosophical thinking and study of significant men and trends of philosophy both past and present. The emphasis is on learning how to think properly and how to come to grips with "proper" thinking of great philosophers.

PHI 2143 — ETHICS — An introduction to classical moral philosophy with the investigation of some concrete moral problems. Three semester hours credit.

PHI 2613 — WORLD RELIGIONS I — Comparison of the beliefs and developments of the Christian religion with those of Buddhism, Mohammedanism, Hinduism, and other important religions. Three semester hours credit.

PHYSICS

PHY 2244 — PHYSICAL SCIENCE SURVEY I — A survey of physics and astronomy. Three lectures and two hours laboratory. Four semester hours credit.

PHY 2254 — PHYSICAL SCIENCE SURVEY II — A survey of chemistry, geology, and meteorology. Three lectures and two hours laboratory. Four semester hours credit.

PHY 2414 — GENERAL PHYSICS I — A combined lecture and laboratory course covering mechanics, heat, waves, and sound. This is a non-calculus based course primarily for pre-professional majors. This course requires a minimum of three hours lecture and two hours of laboratory exercises per week. Co- or prerequisite: College Trigonometry (MAT 1323) or permission of instructor.

PHY 2424 — GENERAL PHYSICS II — A combined lecture and laboratory course covering Electricity, magnetism, optics, and modern physics. This is a continuation of PHY 2414. This is a non-calculus based course primarily for pre-professional majors. This course requires a minimum of three hours lecture and two hours of laboratory exercises per week. Prerequisites: General Physics I (PHY 2414)

PHY 2514 — GENERAL PHYSICS I-A — A combined lecture and laboratory course covering mechanics, heat, waves, and sound. This is a calculus-based course primarily for students of engineering, science, or mathematics. This course requires a minimum of three hours lecture with two hours of laboratory exercises per week. Co or prerequisites: Calculus I (MAT 1813, MAT 1815) or permission of instructor.

PHY 2524 — GENERAL PHYSICS II-A — A combined lecture and laboratory course covering electricity, magnetism, optics, and modern physics. This is a continuation of PHY 2514. This is calculus-based course primarily for students of engineering, science, or mathematics. This course requires a minimum of three hours lecture with two hours of laboratory exercises per week.

POLITICAL SCIENCE

PSC 1113 — AMERICAN NATIONAL GOVERNMENT — Survey of the organizations, political aspects of and basis for American Government. Three lectures. Three semester hours credit.

PSC 1123 — AMERICAN STATE AND LOCAL GOVERNMENT —

Relationship between state and federal; government and between states and their subdivisions; organizations, function, and operation of executive, legislative, and judiciary; election and suffrage generally, Mississippi particularly. Three semester hours credit.

PSYCHOLOGY

PSY 1513 — GENERAL PSYCHOLOGY — An introduction to the scientific study of human behavior. Includes history and methods of psychology, growth and development, principles of learning, sensation, perception, thinking, statistics, personality, and intelligence. Three lectures. Three semester hours credit.

READING

REA 1103 — DEVELOPMENTAL READING I (Remedial Course) — A laboratory course designed to offer special reading instruction to students deficient in reading skills. Three semester hours credit.

SOCIOLOGY

SOC 2113 — INTRODUCTION TO SOCIOLOGY — Deals with human relationships. Students will receive a synopsis of the whole field of sociology including the social world, the social and cultural process within this world, and the integration of the processes in relation to the individual, the group, and the institution. Three lectures. Three semester hours credit.

SOC 2133 — SOCIAL PROBLEMS — A study of the nature, scope, and effects of the major social problems of today and the theoretical preventive measures to alleviate them. Course includes such problems as unemployment, urbanization, crime, juvenile delinquency, alcoholism, drug addiction, and disaster. Family problems include the aged, mentally ill, and retarded. Field trips to more fully acquaint students with social problems. Three hours lecture. Three semester hours credit.

SOC 2143 — MARRIAGE AND FAMILY — A study of the family as a cultural unit, the institution of marriage, the problems of parenthood and of social-economic adjustments to society. Three lectures. Three semester hours credit.

SOC 2163 — INTRODUCTION TO SOCIAL WORK — A survey of the history and contemporary development of social work. Relation of social work to other social problems, poverty, child welfare, aging, family needs, juvenile delinquency, etc. Three hours lecture. Three semester hours credit.

SOC 2243 — CULTURAL ANTHROPOLOGY — (Reactivation) The course examines the process of culture and personality development, methods

and techniques employed by the anthropologist. Included are studies of primitive cultures, demonstrations of the precision required in archaeological excavation and film interviews with anthropologists. Three semester hours credit.

SPEECH AND THEATRE

SPT 1113 — ORAL COMMUNICATION (PRINCIPLES OF SPEECH) — Correct and effective English: correct pronunciation and enunciation, breath control, study and practice in making speeches for all occasions, and emphasis on organization of material and practice in speaking before the group. Three lectures. Three semester hours credit.

SPT 1213 — FUNDAMENTALS OF THEATRE — A basic course in the theatre arts. An introduction to the cultural, historical, and social aspects of the drama and investigation of essential elements of play production. Three lectures. Three semester hours credit.

SPT 1233 — ACTING — An introduction to the theatre and the art of acting. Emphasis is placed on the technical aspects of acting and on the expressive use of the body in stage movement. Classroom work in mime and the presentation of scenes from plays prepare the student for required performance in either a workshop or major production. A production laboratory in connection with the class introduces the student to the technical phases of the theatre which contribute to the effectiveness of the work of the actor. Three lectures. Three semester hours credit.

SPT 1241 — DRAMA PRODUCTION I — Participation in college drama productions.

SPT 1251 — DRAMA PRODUCTION II — Participation in college drama productions.

SPT 2233 — THEATRE APPRECIATION (NON-MAJORS) — Appreciation of the theatre as performance art; developing audience standards through demonstration of the unique characteristics of theatre. A fine arts elective. Three semester hours credit.

SPT 2241 — DRAMA PRODUCTION III — Participation in college drama productions.

SPT 2251 — DRAMA PRODUCTION IV — Participation in college drama productions.

WILDLIFE AND FISHERIES

FPW 1313 — INTRODUCTION TO WILDLIFE CONSERVATION — A survey of wildlife and forest conservation, stressing biological principles and management practices for renewable resources. Three hours lecture. Three semester hours credit.

HEALTH RELATED

ASSOCIATE DEGREE NURSING PROGRAM

NUR 1003 — NURSE EXTERNSHIP — This course is designed to enhance the clinical development of nursing students. Students are enrolled in the course of study and may participate as an employee. The externship experience provides the student the opportunity to practice learned skills repetitively, enhance interpersonal skills, and develop organizational skills. The student has the opportunity to choose an area of clinical interest in nursing. The student receives guidance, supervision, and evaluation from a registered nurse preceptor in conjunction with nursing faculty. Prerequisites: NUR 1118 and NUR 1129. The student will complete between 200-250 clinical employment hours during the eight weeks of employment. Three semester hours credit.

NUR 1103 — PHARMACOLOGY — This course is designed to prepare students for medication administration. Major content areas include basic concepts of pharmacology, groups of therapeutic drugs, drug effects on body systems, human responses to drug therapy, systems of measurement for drugs and calculations for dosages and solutions. Three semester hours credit. Corequisite: NUR 1116

NUR 1116 — NURSING I — This course focuses on the nurses role in meeting the health needs of society using the nursing process as a problem solving approach. Emphasis is placed on the study and practice of the basic techniques of nursing care and the application of the scientific principles. Four class hours and six clinical hours per week. Prerequisites: BIO 2514 AND BIO 2524 AND Corequisites NUR 1103, ENG 1113, AND EPY 2533.

NUR 1129 — NURSING II — This course emphasizes critical thinking utilizing the nursing process to care for clients with chronic and acute medical surgical problems. Areas of study include: gastrointestinal, cardiac, and respiratory problems, patients experiencing fluid and electrolyte imbalance, diabetes, surgical nursing, musculoskeletal disorders, gynecological problems and clients experiencing anxiety and depression. Students are introduced to pathophysiology while planning and giving care to clients, with an emphasis on growth and development, nutrition, pharmacology and basic nursing skills. The clinical laboratory experiences are in a variety of settings. Prerequisites: BIO 2514, BIO 2524, ENG 1113, EPY 2533, NUR 1118. Six class hours per week, nine hours clinical per week. Nine semester hours credit.

NUR 1148 — NURSING TRANSITION — This course focuses on updating and reinforcing information and skills already learned in a practical nursing program. The course uses a fast track approach to assist the Licensed Practical Nurse to articulate into the second year of the associate of applied science degree in nursing. Only Licensed Practical Nurses

with at least one year of clinical experience are eligible for the course. The practical experience, along with competencies from the *Mississippi Curriculum Framework for Practical Nursing* are substituted for the first course of nursing. Prerequisites: BIO 2514, BIO 2524, BIO 2924, ENG 1113, ENG 1123, EPY 2533. The eight-hour course includes 6 hours of lecture per week and a total of 20 hours of clinical laboratory. At the successful completion of the course, the student will receive a total of 16 hours of credit.

NUR 2121 — NURSING SEMINAR — This course is designed to promote active participation in national, state, and local student nurse organizations and involvement in community activities. The course consists of monthly meetings where group discussions will be held concerning today's nursing trends. Goals and objectives set by the student nursing association will be carried out by the group. One semester hour credit for four semesters of participation.

NUR 2149 — NURSING III — This course utilizes the nursing process for the development of decision-making skills to care for clients with medical surgical problems and the childbearing family. Areas of study include: cancer, neurological and genitourinary problems, pediatrics, maternal infant nursing. Clinical laboratory experiences include acute care and community settings. Prerequisites: BIO 2514, BIO 2524, BIO 2924, EPY 2533, ENG 1113, ENG 1123, NUR 1118, NUR 1129. Six class hours per week, twelve clinical hours per week. Ten semester hours credit.

NUR 2159 — NURSING IV — This course focuses on skills to plan, coordinate, implement and evaluate nursing care to promote and/or maintain healthy outcomes for clients. The psychopathology underlying altered behavioral responses to unmet needs is explored and utilized as a basis for understanding the rationale for nursing approaches in the clinical setting. Clinical laboratory experiences focus on care of acutely ill clients with complex needs. Areas of study include: management, emergency nursing, and acute medical nursing. Prerequisites: BIO 2514, BIO 2524, BIO 2924, EPY 2533, PSY 1513, ENG 1113, ENG 1123, NUR 1118, NOR 1129, and NUR 2149. An average of five class hours per week, twelve clinical hours per week. Nine semester hours credit.

NUR 2941 — NCLEX REVIEW — A comprehensive, simulated review of the National Council Licensure Examination for Registered Nurses. The lab is intended to assist in the preparation of students for writing the NCLEX-RN® Exam. 0 hours lecture, three hours laboratory. One semester hour credit.

WBL191(1-3), 192(1-3), 291(1-3), & 292(1-3) — WORK-BASED LEARNING — The Work-Based Learning course is designed for students enrolled in vocational-technical programs and employed in parallel workplace environments for a minimum of 15 hours per week. Course content is based

upon a model course curriculum, defined workplace requirements, and specific objectives addressing competent workplace performance. Three semester hours credit based upon the total quantity of 270 approved clock hours.

EMERGENCY MEDICAL TECHNICIAN

EMT 1116 — EMERGENCY MEDICAL TECHNICIAN — This introductory course prepares individuals to function in the prehospital environment. The class offers instruction in the basic life support care of sick and/or injured persons. This includes: airway assessment; communications; documentation; general pharmacology; hemorrhage control; ambulance operations; splinting of adult, pediatric and infant patients; and special care of patients exposed to heat, cold, radiation, or contagious disease. Students must spend a minimum of 10 hours in a hospital emergency room and participate in a minimum of five separate ambulance runs. One hour lecture, six hours lab, and six hours clinical. Six semester hours credit. (In the event of numerous applicants to be enrolled in EMT-Basic courses, a priority list has been established: EMS Personnel, Fire Department/Rescue Personnel, Industry Workers, Hospital Emergency Care Personnel, Law Enforcement, Civil Defense Personnel) Prerequisites to enter EMT-Basic Courses: Age of at least 18; Ability to read and write; High school graduate or GED equivalent; Minimum score of 10 on the TABE or 16 on the ACT taken after October, 1989 or 12 taken before October, 1989; Valid CPR certification (course C); Physically fit per physical examination by physician; Hepatitis B vaccination started prior to clinical or ambulance run portion of the class.

EMT/PARAMEDIC TECHNOLOGY

EMT 1122 — FUNDAMENTALS OF PRE-HOSPITAL CARE — This course introduces the student to the EMS systems, roles and responsibilities of the paramedic, well-being of the paramedic, illness and injury prevention, medical/legal issues, therapeutic communications, and life span development. This course was formerly taught as EMT 1123 - Preparatory. One hour lecture. Two hours lab. Two semester hours credit. (Pre/Corequisite: BIO 2524 - Anatomy and Physiology II)

EMT 1315 — AIRWAY MANAGEMENT AND VENTILATION — This course will provide the student with the essential knowledge to attain an airway and manage the respiratory system using advanced techniques. This class was formerly taught as EMT 1313 - Airway Management and Ventilation. Two hours lecture. Six hours lab. Five semester hours credit. (Pre/corequisite: EMT 1122 - Fundamentals of Pre-Hospital Care and BIO 2524 - Anatomy and Physiology II)

EMT 1415 — PATIENT ASSESSMENT — This course will teach comprehensive history taking and physical exam techniques. This class was for-

merly taught as EMT 1414 - Patient Assessment. Two hours lecture. Six hours lab. Five semester hours credit. (Pre/corequisite: EMT 1122 - Fundamentals of Pre-Hospital Care and BIO 2524 - Anatomy and Physiology II)

EMT 1423 — EMS SPECIAL CONSIDERATIONS — This course will provide a comprehensive overview of providing care for the patient with special needs. This course was formerly taught as EMT 1423 - Special Considerations. One hour lecture. Four hours lab. Three semester hours credit. (Prerequisites: All third semester courses)

EMT 1513 — EMS CLINICAL I — This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was formerly taught as EMT 1513 - Clinical Internship I. Nine hours clinical. Three semester hours credit. (Pre/corequisite: EMT 1122-Fundamentals of Pre-Hospital Care and BIO 2524 - Anatomy and Physiology II)

EMT 1523 — EMS CLINICAL II — This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was formerly taught as EMT 1523 Clinical Internship II. Nine hours clinical. Three semester hours credit. (Prerequisite: EMT 1513 - EMS Clinical I, EMT 1825, EMT 1613, EMT 2855).

EMT 1613 — PRE-HOSPITAL PHARMACOLOGY — This course will teach comprehensive pharmacodynamics and pharmacokinetics. This course was formerly taught as EMT 1613 - Pharmacology. One hour lecture. Six hours lab. Three semester hours credit. (Prerequisites: All first semester courses)

EMT 1825 — PRE-HOSPITAL CARDIOLOGY — This course will teach a comprehensive approach to the care of patients with acute and complex cardiovascular compromise. This course is a combination of the courses formerly taught as Acute Cardiology (EMT 1814) and Advanced Cardiology (EMT 2824). Two hours lecture. Six hours lab. Five semester hours credit. (Prerequisites: All first semester courses)

EMT 2412 — PRE-HOSPITAL OB/GYN — This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in gynecological and obstetrical emergencies. The course formerly called EMT 1425 - Maternal/Child Emergencies was divided into EMT 2412 Pre-Hospital OB/GYN and EMT 2423 - Pre-Hospital Pediatrics. One hour lecture. Two hours lab. Two semester hours credit. (Prerequisites: All first semester and second courses)

EMT 2423 — PRE-HOSPITAL PEDIATRICS — This course will provide a

detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in pediatric emergencies. The course called EMT 1435 - Maternal/Child Emergencies was divided into EMT 2412 - Pre-Hospital OB/GYN and EMT 2423 - Pre-Hospital Pediatrics. One hour lecture. Four hours lab. Three semester hours credit. (Prerequisites: All first semester courses)

EMT 2552 — FIELD CLINICAL I — This course will provide clinical training in the skills and knowledge obtained in the classroom. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was formerly called EMT 2552 - Field Internship I. Six hours clinical. Two semester hours credit. (Prerequisites: All first and second semester courses)

EMT 2564 — FIELD CLINICAL II — This course will provide advanced clinical training in the skills and knowledge obtained in the classroom with an emphasis on leadership skills. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was formerly called EMT 2564 - Field Internship II. Twelve hours clinical. Four semester hours credit. (Prerequisites: All second semester courses)

EMT 2714 — PRE-HOSPITAL TRAUMA — This course will provide advanced instruction in the integration of pathophysiological principles and assessment findings to formulate a field impression and implement a treatment plan for a suspected trauma patient. This course is a combination of the courses formerly taught as EMT 1714 -Trauma I and EMT 2724 -Trauma II. Two hours lecture. Four hours lab. Four semester hours credit. (Prerequisites: All second semester courses)

EMT 2855 — PRE-HOSPITAL MEDICAL CARE — This course will provide a detailed understanding of the anatomic structures, physiology and pathophysiology encountered when providing care in medical emergencies involving pulmonary, allergy and anaphylaxis, gastroenterology, renal urology, and hematology. This course is a combination of the courses formerly taught as EMT 2834 - Medical Emergencies I and EMT 2845 - Medical Emergencies II. Two hours lecture. Six hours lab. Five semester hours credit. (Prerequisites: All first semester courses)

EMT 2913 — EMS TEAM MANAGEMENT — This course teaches the leadership skills necessary to manage complex situations including patient care, management of the hazardous and crime scene, supervision, mentoring, and leading other personnel. This class was formerly taught as EMT 2915 - Team Management. One hour lecture. Four hours lab. Three semester hours credit. (Prerequisites: All third semester courses)

1425), and Fundamentals of Nursing Lab (PNV 1434). Concurrent registration in PNV 1615 is required. It also requires a passing grade in PNV 1615 and PNV 1624 in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1634 — ALTERATIONS IN ADULT HEALTH — This course introduces nursing theory for the following medical-surgical disorders: urological, endocrine, reproductive, musculoskeletal, and skin and special senses. Emphasis is placed on developing and demonstrating an understanding of the role of the practical nurse functioning as an effective team member. Four hours lecture. Four semester hours credit. Prerequisites: Basic Nutrition (PNV 1113), Body Structure and Function (PNV 1213), Growth and Development (PNV 1312), Geriatric Nursing (PNV 1412), Fundamentals of Nursing (PNV 1425), and Fundamentals of Nursing Lab (PNV 1434). Concurrent registration in PNV 1644 is required. A passing grade in PNV 1633 and PNV 1644 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1644 — ALTERATIONS IN ADULT HEALTH LAB AND CLINICAL — This course includes supervised laboratory and clinical experiences for application of medical/surgical theory and the development of skill and the use of the nursing process. Nine hours clinical. Two hours lab. Four semester hours credit. Prerequisites: All first semester PNV courses. Concurrent registration in PNV 1633 is required. It also requires a passing grade in PNV 1633 and PNV 1644 in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission.

PNV 1716 — MATERNAL-CHILD NURSING — This course utilizes the nursing process to teach care for the expectant mother from conception to delivery, including newborn, child and the family unit during normal and complicated conditions. Clinical experiences include prenatal labor and delivery, postpartum, newborn, and pediatrics. Three hours clinical. Five hours lecture. Six semester hours credit. Prerequisites: All first semester PNV courses.

PNV 1813 — PSYCHIATRIC CONCEPTS — This course provides an introduction to mental health concepts. Emphasis is placed on normal as well as abnormal behavior in application of principles of effective therapeutic communication. Clinical experience will provide application of previously learned theory. Two hour lecture. Three hours clinical. Three semester hours credit. Prerequisites: First semester PNV courses.

PNV 1913 — NURSING TRANSITION — This course further develops decision making skills and promotes an interest in continued professional development. Legal aspects of nursing and employment opportunities and responsibilities, as well as preparation for the State Board Exam, will

be included. One hour lecture. Six hours clinical. Three semester hours credit. Prerequisites: All first semester PNV courses.

MEDICAL OFFICE TECHNOLOGY CONCENTRATION BUSINESS AND OFFICE CLUSTER

See the Business Technology course descriptions in reference to the above field.

SURGICAL TECHNOLOGY

SUT 1113 — FUNDAMENTALS OF SURGICAL TECHNOLOGY — Basic introductory course including hospital and surgical suite organization and environment, history, legal responsibilities, terminology, pharmacology, anesthesia, and interpersonal relationships. Three hours lecture. Three semester hours credit.

SUT 1216 — PRINCIPLES OF SURGICAL TECHNIQUE — A comprehensive study of aseptic technique, safe patient care, and surgical techniques. Two hours lecture. Eight hours lab. Six semester hours credit.

SUT 1314 — SURGICAL ANATOMY — Emphasis is placed on structure and function of the human body as related to surgery. Application of the principles of surgical anatomy to participation in clinical experience. Three hours lecture. Two hours lab. Four semester hours credit.

SUT 1413 — SURGICAL MICROBIOLOGY — Introduction to pathogenic microorganisms related to surgery and their effect on wound healing and infection. Includes principles of sterilization and disinfection. Three hours lecture. Three semester hours credit.

SUT 1518 — BASIC AND RELATED SURGICAL PROCEDURES — This course includes instruction in regional anatomy, pathology, instrumentation, and surgical techniques in general, gynecology, obstetrics, and urology. Four hours lecture. Twelve hours clinical. Eight semester hours credit. Prerequisites: Introduction to Surgical Technology (SUT 1113), Principles of Surgical Technique (SUT 1216), Surgical Anatomy (SUT 1314), and Surgical Microbiology (SUT 1413).

SUT 1528 — SPECIALIZED SURGICAL PROCEDURES — This course includes instruction in regional anatomy, pathology, instrumentation, and techniques in surgical specialty areas of ear, nose, and throat; ophthalmology and plastics. Clinical experience in area hospital surgical suite and related departments. Four hours lecture. Twelve hours clinical. Eight semester hours credit. Prerequisites: Introduction to Surgical Technology (SUT 1113), Principles of Surgical Technique (SUT 1216), Surgical Anatomy (SUT 1314), and Surgical Microbiology (SUT 1413).

SUT 1538 — ADVANCED SURGICAL PROCEDURES — Instruction in regional anatomy, pathology, instrumentation, employability skills, and

techniques in surgical specialty areas of orthopedics, neurosurgery, thoracic, and cardiovascular surgery. Clinical experience in area hospital surgical suites. Comprehensive final examination. Four hours lecture. Twelve hours clinical. Eight semester hours credit. Prerequisites: Basic and Related Surgical Procedures (SUT 1518)

TECHNICAL

COLLISION REPAIR TECHNOLOGY

ABT 1113 — RESTRAINT SYSTEMS AND INTERIOR TRIM — A course to provide skills and practices in vehicle restraint systems and interior trim. Included are procedures for servicing restraint systems, active or passive, and air bags. Also included are service procedures for trim items such as headliners, seats, carpets, and general safety procedures to follow. One hour lecture, four hours lab. Three semester hours credit.

ABT 1123 — BOLTED UNITS, ASSEMBLIES, AND ELECTRICAL SYSTEMS — A course which provides instruction and practice in the removal and replacement of bolted parts, sub-units, and assemblies. Methods of disassembly and reassembly, part adjustment, alignment, and electrical system service and repair are included in this course. One hour lecture, four hours lab. Three semester hours credit.

ABT 1133 — GLASS AND RELATED HARDWARE INSTALLATION AND SEALING — A course in the removal and replacement of stationary and movable glass. Included are the alignment of movable glass and the repair and alignment of glass mounting hardware. Also included are the sealing and adjustments needed to eliminate water leaks and wind noise. One hour lecture, four hours lab. Three semester hours credit.

ABT 1213 — AUTOMOTIVE BODY WELDING AND CUTTING — A course designed to provide specialized skills and practice in automotive body welding and cutting. Includes instruction in the use of the Gas Metal Arc Welding (GMAW) equipment and Plasma Arc Cutting (PAC) in repairing the high strength steels used in unibody construction. One hour lecture, four hours lab. Three semester hours credit.

ABT 1313 — REFINISHING I — A course to provide skills and practices in vehicle preparation, cleaning, sanding, metal treatment, masking and basic spray applications. Instruction includes determining imperfections in paint films, personal and environmental safety practices. One hour lecture, four hours lab. Three semester hours credit.

ABT 1324 — REFINISHING II — A continuation of Refinishing I. Included are types of refinish materials and their specific application procedures. Also included are ways to prevent painting problems, solving problems that occur, basic blending for color matching, and basecoat/clearcoat applications. One hour lecture, six hours lab. Four semester hours credit.

ABT 1414 — SHEET METAL REPAIR — A course designed to provide instruction and practice in the repair of the sheet metal components of the vehicle body. Includes practice in selecting and applying various methods and tools of the trade used in removing dents and other damage conditions from sheet metal panels. Also included are constructing and installing simple metal patch panels, and making basic repairs. One hour lecture, six hours lab. Four semester hours credit.

ABT 1423 — BODY PANEL AND UPPER STRUCTURAL REPAIR I — A course in the repair and replacement of major body panels and upper body structural components. Instruction will include the use of power equipment, basic anchoring and pulling, non-adjustable panel alignment and attachment (welded and bonded). One hour lecture, four hours lab. Three semester hours credit.

ABT 2333 — REFINISHING III — A continuation of Refinishing II with emphasis on advanced techniques; including HVLP spray systems plastic parts refinishing, color analysis, tinting and matching difficult colors, pin striping, decals, lettering, color sanding, buffing, polishing and detailing. One hour lecture, four hours lab. Three semester hours credit.

ABT 2434 — BODY PANEL AND UPPER STRUCTURAL REPAIR II — A continuation of Body Panel and Upper Structural Repair I. Emphasis will continue to be placed on major panel replacement. Instruction will include rolled-over vehicle repair, structural alignment, roof panel replacement, and the replacement or sectioning of upper structural members. One hour lecture, six hours lab. Four semester hours credit.

ABT 2513 — FRAME AND UNDERBODY STRUCTURAL REPAIR I — An introduction to frame repair. Instruction includes analyzing frame, structural, suspension, and steering damage, and setting up alignment equipment. One hour lecture, four hours lab. Three semester hours credit.

ABT 2524 — FRAME AND UNDERBODY STRUCTURAL REPAIR II — This course continues instruction from Frame and Underbody Structural Repair I. Emphasis is placed on unibody vehicle construction. Included are welding in unibody repair and repairing/replacing/sectioning structural components. Assembly, body repair and paint operations will continue in the lab as part of this course. One hour lecture, six hours lab. Four semester hours credit.

ABT 2613 — FIBERGLASS AND PLASTIC REPAIR — A course designed to provide theory and practice in the repair of fiberglass, plastic, and sheet molded compounds. One hour lecture, four hours lab. Three semester hours credit.

ABT 2714 — COLLISION ANALYSIS AND ESTIMATION — This course covers the complete inspection and analysis of damaged vehicles. It is designed to enable the student to determine the conditions and severity of the damage, the repair or replacement of parts, the estimated repair

time, and correct use of reference manuals. Assembly, body repair and paint operations will continue in the lab as part of this course. One hour lecture, six hours lab. Four semester hours credit.

ABT 2814 — SHOP OPERATIONS AND PROCEDURES — An introduction to small business management techniques as applied to the collision repair shop. Includes computerized information and records systems. Also included are financial responsibilities, shop layout, inventory, and employee-employer relations. Students will continue all normal collision repair shop operations in this course and participate in a supervisory capacity during laboratory times, when possible. One hour lecture. Six hours lab. Four semester hours credit.

TECHNICAL ELECTIVE:

ABT 292(1-6) — WORK-BASED LEARNING IN COLLISION REPAIR TECHNOLOGY — This course is a cooperative program between industry and education and is designed to integrate the student's technical studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours (3-18 hour extern ship: 1-6 semester hours credit) Prerequisite: Sophomore standing in Collision Repair Technology.

AUTOMOTIVE TECHNOLOGY

ATT 1124 — BASIC ELECTRICAL/ELECTRON SYSTEMS — This is a course designed to provide advanced skills and knowledge related to all components of the vehicle electrical system including Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1134 — ADVANCED ELECTRICAL/ELECTRONIC SYSTEMS — This is a Course designed to provide advanced skills and knowledge related to all components of the vehicle electrical system including gauges, driver information systems, horn, wiper/wiper systems, and accessories. Two hours lecture Four hours lab. Four semester hours credit.

ATT 1213 — BRAKES — This is a course designed to provide advanced skills and knowledge related to the repair and maintenance of brake systems on automobiles. It includes instruction and practice in diagnosis of braking system problems and the repair of brake systems. Two hours lecture. Two hours lab. Three semester hours credit.

ATT 1314 — MANUAL DRIVE TRAIN/TRANSAXLE — This is a course designed to provide advanced skills and knowledge related to the maintenance and repair of manual transmissions, transaxles and drive train components. It includes instruction in the diagnosis of drive train problems and the repair and maintenance of transmissions, transaxles, clutches, CV joints, differentials and other components. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1424 — ENGINE PERFORMANCE I — This is a course designed to provide advanced skills and knowledge related to the maintenance and adjustment of gasoline engines for optimum performance. It includes instruction, diagnosis, and correction of problems associated within these areas. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1715 — ENGINE REPAIR — This is a course designed to provide advanced skills and knowledge related to the repair and rebuilding of automobile type engines. It includes instruction and practice in the diagnosis and repair of engine components including valve trains, blocks, pistons and connecting rods, crankshafts and oil pumps. Two hours lecture. Six hours lab. Five semester hours credit.

ATT 1811 — INTRODUCTION, SAFETY, AND EMPLOYABILITY SKILLS — This is a course designed to provide knowledge of classroom and lab policies and procedures. Safety practices and procedures associated with the automotive program and automotive industry. One hour lecture, one semester hour credit

ATT 2325 — AUTOMATIC TRANSMISSIONS/TRANSAXLES — This is a course designed to provide technical skills and knowledge related to the diagnosis and repair of automotive type automatic transmissions and transaxles. It includes instruction and practice in testing and inspecting these devices and in disassembly, repair, and reassembly. Three hours lecture. Four hours lab. Five semester hours credit.

ATT 2334 — STEERING AND SUSPENSION SYSTEMS — This is a course designed to provide advanced skills and knowledge related to the inspection and repair of steering and suspension systems on automobiles. It includes instruction and practice in the diagnosis of steering system problems and the repair/replacement of steering system components. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 2343 — WHEEL ALIGNMENT — This is a course designed to provide technical skills and knowledge related to the alignment of both front and rear wheels on automobiles. It includes instruction and practice in the inspection, detection, and correction of wheel alignment problems. One hour lecture. Four hours lab. Three semester hours credit.

ATT 2444 — ENGINE PERFORMANCE III — This is a course designed to provide advanced skills and knowledge related to the emissions control systems and engine related service. It includes instruction, diagnosis, and correction of problems associated within these areas. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 2614 — HEATING AND AIR CONDITIONING — This course is designed to provide advanced skills and knowledge associated with the maintenance and repair of automotive heating and air conditioning systems. It includes instruction and practice in the diagnosis and repair of

heating and air conditioning system components, and control systems. Two hours lecture. Four hours lab. Four semester hours credit.

BUSINESS AND OFFICE TECHNOLOGY

BOT 1013 — INTRODUCTION TO KEYBOARDING — (Prerequisite: None) This course provides an introduction to basic word processing commands and essential skill development using the touch system on the alphabetic keyboard. Course emphasis will be on speed and accuracy when keying documents and timed writings. Three hours lecture. Three semester hours credit.

BOT 1113 — DOCUMENT FORMATTING & PRODUCTION — (Prerequisite: Prior to enrollment in this course, students will be required to key straight-copy material at a minimum of 35 GWPM on a 5-minute timed writing, with a maximum of 1 error per minute OR successfully complete Introduction to Keyboarding (BOT-1013). This course focuses on improving keyboarding techniques using the touch method and on production of documents using word processing functions. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1123 — KEYBOARD SKILLBUILDING — (Prerequisite: BOT 1113 Document Formatting & Production) This course further develops keyboard techniques emphasizing speed and accuracy. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1133 — MICROCOMPUTER APPLICATIONS — (Prerequisite: Introduction to Keyboarding BOT-1013 or consent of instructor.) This course will introduce an operating system and word processing, spreadsheet, database management, and presentation software applications. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1143 — WORD PROCESSING — (Prerequisites: Microcomputer Applications BOT-1133, Document Formatting & Production BOT-1113, Mechanics of Communication BOT-1713, or by consent of instructor.) This course focuses on production of documents using word processing functions. Production with accuracy is stressed and practice is given through a variety of documents for skill building. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1213 — PROFESSIONAL DEVELOPMENT — This course develops an awareness of interpersonal skills essential for job success. Three hours lecture. Three semester hours credit.

BOT 1313 — APPLIED BUSINESS MATH — This course is designed to develop competency in mathematics for business use. Ten-key touch method on electronic desktop calculators is stressed. Three hours lecture. Three semester hours credit.

BOT 1413 — RECORDS MANAGEMENT — (Prerequisite: None) This course focuses on the systems approach to managing recorded informa-

tion in any form. Emphasis is placed on the three categories into which records generally fall and the treatment of these categories in proper management, storage, and retrieval. Three hours lecture. Three semester hours credit.

BOT 1433 — BUSINESS ACCOUNTING — This course is designed to develop an understanding of recording, classifying, and summarizing business transactions and events with insight into interpreting and reporting the resulting effects upon the business. Three hours lecture. Three semester hours credit.

BOT 1513 — MACHINE TRANSCRIPTION — (Prerequisite: BOT-1143 Word Processing) This course is designed to teach transcription of a wide variety of business communications from machine dictation. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1613 — MEDICAL OFFICE TERMINOLOGY I — This course is a study of medical language relating to the various body systems including diseases, physical conditions, procedures, clinical specialties, and abbreviations. Emphasis is placed on correct spelling and pronunciation. Three hours lecture. Three semester hours credit.

BOT 1623 — MEDICAL OFFICE TERMINOLOGY II — (Prerequisite: BOT-1613) This course presents medical terminology pertaining to human anatomy in the context of body systems. The emphasis is directed toward medical terminology as it relates to medical office. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1713 — MECHANICS OF COMMUNICATION — This course is designed to develop the basic English competencies necessary for success in the business world. A study of the parts of speech, sentence structure, sentence types, capitalization, punctuation, and spelling is emphasized. Three hours lecture. Three semester hours credit.

BOT 1813 — ELECTRONIC SPREADSHEET — (Prerequisites: BOT-1313 Applied Business Math and BOT-1133 Microcomputer Applications, or by consent of the instructor.) This course focuses on advanced applications of the electronic spreadsheet as an aid to management decision making. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2133 — DESKTOP PUBLISHING — (Prerequisite: BOT-1143 Word Processing Applications.) This course presents graphic design techniques, principles of page layout and design, and electronic publishing terminology and applications to create a variety of documents such as flyers, brochures, newsletters, and business cards using advanced features of word processing. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2323 — DATABASE MANAGEMENT — (Prerequisites: BOT 1133-Microcomputer Applications and BOT 1413-Records Management). This course applies database concepts for designing and manipulating data

files and formatting output as complex documents and reports. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2413 — COMPUTERIZED ACCOUNTING — (Prerequisite: BOT1433-Business Accounting or ACC1213-Principles of Accounting) This course applies basic accounting principles using a computerized accounting system. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2523 — MEDICAL MACHINE TRANSCRIPTION I — (Prerequisites: BOT 1113-Documents Formatting & Production, BOT 1613-Medical Office Terminology I and BOT1623-Medical Office Terminology II). This course is designed to teach transcription of various medical documents. One hour lecture. Four hours lab. Three semester hours credit.

BOT 2533 — MEDICAL MACHINE TRANSCRIPTION II — (Prerequisite: BOT 2523-Medical Machine Transcription I). This course is designed to continue teaching transcription of various medical documents including dictation given by doctors with foreign accents and additional medical specialties. One hour lecture. Four hours lab. Three semester hours credit.

BOT 2643 — CPT CODING — (Prerequisites: BOT1613-Medical Office Terminology I, BOT 1623-Medical Office Terminology II) This course is an introduction to the field of procedural coding and requirements for insurance reimbursement. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2653 — ICD CODING — (Prerequisites: BOT 1613-Medical Office Terminology I, BOT 1623-Medical Office Terminology II, or consent of instructor) This course is an introduction to the field of diagnostic coding. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2663 — ADVANCED CODING — (Prerequisites: BOT 2773-CPT Coding, BOT 2783-ICD Coding). This course includes advanced analysis of diagnostic and procedural coding systems. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2673 — MEDICAL INSURANCE BILLING — (Prerequisites: BOT 2773- CPT Coding, and BOT 2783-ICD coding). This course is a culmination of skills and knowledge of appropriate procedures for generating, processing, and submitting health insurance claims to private and governmental health insurance programs. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2723 — ADMINISTRATIVE OFFICE PROCEDURES — (Prerequisite: BOT1143- Word Processing) This course will provide comprehensive coverage and integration of business skills and issues, develop critical thinking and problem-solving skills, and establish a foundation in business procedures. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2743 — MEDICAL OFFICE CONCEPTS — (Prerequisites: BOT 1113-Documents Formatting & Production, BOT 1413-Records Management) This course will provide coverage and integration of medical office skills and issues using knowledge of medical terminology. Problem solving will be emphasized. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2753 — MEDICAL INFORMATION MANAGEMENT — (Prerequisite: BOT 2743-Medical Office Concepts). This course will continue coverage of medical office issues with emphasis on health insurance filing. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2813 — BUSINESS COMMUNICATION — (Prerequisite: BOT 1713-Mechanics of Communication and BOT 1113-Documents Formatting and Production or by consent of instructor) This course develops communication skills with emphasis on principles of writing business correspondence and reports and preparing presentations using electronic media. Three hours lecture. Three semester hours credit.

BOT 2823 — COMMUNICATION TECHNOLOGY — (Prerequisite: Word Processing BOT-1143, or by consent of instructor) This course will present an overview of the resources available for communication using current technology. Three semester hours credit. Two hours lecture. Two hours lab.

BOT 2833 — INTEGRATED COMPUTER APPLICATIONS — (Prerequisites: Word Processing-BOT1143, Business Communication BOT-2813, Database Management-BOT2323, Electronic Spreadsheet BOT-1813, or by consent of instructor). This course integrates activities using application software including word processing, database, spreadsheet, graphics, and multimedia. Three semester hours credit. Two hours lecture. Two hours lab.

BOT 2913 — SUPERVISED WORK EXPERIENCE — (Prerequisites: Successful completion of at least 30 semester hours in the program and consent of the instructor.) This course provides related on-the-job training in an office environment. This training must include at least 135 clock hours. Three semester hours credit.

EARLY CHILDHOOD EDUCATION TECHNOLOGY

CDT 1113 — EARLY CHILDHOOD PROFESSION — (Prerequisites: None) This course provides an introduction to the profession of early childhood, types of early childhood programs, and theories of child development. Students are required to observe, assess, and record child behavior through laboratory experience. Room arrangements, software, play, and safety are explored. Two hours lecture. Two hours lab. Three semester hours credit.

CDT 1214 — CHILD DEVELOPMENT I — (Prerequisites: None) This course provides knowledge concerning the care and development of infants and toddlers in group settings. Practice is given in infant and toddler care giving in group settings through classroom laboratory. Three hours lecture. Two hours lab. Four semester hours credit.

CDT 1224 — CHILD DEVELOPMENT II — (Prerequisites: None) The cognitive, physical, emotional and social developmental characteristics of young children (ages 3-8). Three hours lecture. Two hours lab. Four semester hours credit.

CDT 1314 — CREATIVE ARTS FOR YOUNG CHILDREN — (Prerequisites: None) Planning and developing creative arts experiences for the young child. Lab activities with the children are implemented during Student Teaching I & II. Four hours lecture. Four semester hours credit.

CDT 1343 — CHILD HEALTH AND SAFETY — (Prerequisites: None) Health and safety practices in the care and education of young children. Includes health and safety issues such as first aid, CPR, universal precautions, communicable diseases, and child abuse. Three hours lecture. Three semester hours credit.

CDT 1513 — NUTRITION FOR YOUNG CHILDREN — (Prerequisites: None) This course focuses on fundamental principles of child nutrition and the practical application of this knowledge in the selection of balanced diets. Three hours lecture. Three semester hours credit.

CDT 1713 — LANGUAGE AND LITERACY DEVELOPMENT FOR YOUNG CHILDREN — (Prerequisites: None) A study of language development and the implementation of a developmentally appropriate language arts curriculum for young children. Three hours lecture. Three semester hours credit.

CDT 2233 — GUIDING SOCIAL AND EMOTIONAL BEHAVIOR — (Prerequisites: None) Identifying and practicing positive effective techniques in guiding young children's behavior. Lab activities with the children are implemented during Student Teaching I and II. Three hours lecture. Three semester hours credit.

CDT 2413 — ATYPICAL CHILD DEVELOPMENT — (Prerequisites: CDT 1214 - Child Development I, CDT 1224 - Child Development II) This course provides information concerning growth and development, identification, intervention strategies, and management of atypical children. Legal, ethical, and legislative issues will be explored. Family issues will be explored. Two hours lecture. Two hours lab. Three semester hours credit.

CDT 2613 — METHODS AND MATERIALS — (Prerequisites: CDT 1314 - Creative Arts for Young Children, CDT 1513 - Nutrition for Young Children) (Corequisites: CDT 1713 - Language and Literacy Development for Young Children, CDT 2714 - Social Studies, Math, and Science

for Young Children.) Appropriate methods and materials for young children in a learning environment. Lab activities with the children are implemented during Technical student teaching I and II. Three hours lecture. Three semester hours credit.

CDT 2714 — SOCIAL STUDIES, MATH, AND SCIENCE FOR YOUNG CHILDREN — (Prerequisites: None) - Planning developmentally appropriate activities in social studies, math, and science for the young child. Lab activities with the children are implemented during Student Teaching I and II. Four hour lecture. Four semester hours credit.

CDT 2813 — ADMINISTRATION OF PROGRAMS FOR YOUNG CHILDREN — (Prerequisites: First three semesters of core courses) - Development and administration of programs for young children to include an emphasis on evaluation of policies and procedures, organizational structure, and management. Three hours lecture. Three semester hours credit.

CDT 2915 — STUDENT TEACHING I — (Prerequisites: CDT 1214-Child Dev. I; CDT 1224 Child Dev. II; CDT 1314 - Creative Arts for Young Children, CDT 1513 - Nutrition for Young Children, CDT 1713 - Language and Literacy Development for Young Children, CDT 2613 - Methods and Materials.) This course allows advanced early childhood students to implement knowledge and experience in preparing and implementing positive experiences for young children. Completion of the competencies provides opportunities for students to implement experiences planned in the prerequisites and ensures a balance of all curriculum areas. Not all competencies will be achieved at the end of this course due to the variance that exists in the childhood settings used for student experiences. Other student competencies will be achieved and documented by the end of the two-year program of study. Ten hours lab. Five semester hours credit.

CDT 2925 — STUDENT TEACHING II — (Prerequisites: CDT 2233 - Guiding Social and Emotional Behavior, CDT 2613 - Methods and Materials, CDT 2714 - Social Studies, Math, and Science, and CDT 2915 - Practicum I) (Corequisite: CDT 2813 - Administration of Programs for Young Children and CDT 1343 Child Health & Safety) This course is a continuation of Student I, which allows advanced early childhood students to implement knowledge and experience in preparing and implementing positive experiences for young children. Completion of the competencies provides opportunities for students to implement experiences planned in the prerequisites and ensures a balance of all curriculum areas. All competencies will be achieved and documented by the completion of the two student teaching courses. Ten lab hours. Five semester hours credit.

COMPUTER INFORMATION SYSTEMS TECHNOLOGY

- CPT 1144 — PROGRAMMING DEVELOPMENT CONCEPTS —** (Prerequisite: Database Design Fundamentals - CPT 1353). This course is an introduction to programming logic and computer systems. Students will gain hands-on experience in the development of computer programs. Three hours lecture. Two hours laboratory. Four semester credit hours.
- CPT 1214 — VISUAL BASIC PROGRAMMING LANGUAGE —** Introduces the student to object oriented programming and a graphical integrated development environment. Two hours lecture. Four hours laboratory. Four semester credit hours.
- CPT 1224 — RPG PROGRAMMING LANGUAGE —** (Prerequisite: Programming Development Concepts CPT 1144 or by permission of instructor). This course is designed to introduce the student to the RPG language for the creation of business applications. Two hours lecture. Four hours laboratory. Four semester credit hours.
- CPT 1234 — COBOL PROGRAMMING LANGUAGE —** (Prerequisite: Programming Development Concepts CPT 1144 or by permission of instructor). This course is designed to introduce the student to the COBOL language in business applications to include arithmetic operations, report editing, control break processing and table processing techniques. Two hours lecture. Four hours laboratory. Four semester credit hours.
- CPT 1353 — DATABASE DESIGN FUNDAMENTALS —** This course is a study of the design of databases. Additional emphasis is placed on creation, manipulation, extraction, and display of data from existing databases. Two hours lecture. Two hours laboratory. Three semester hours credit.
- CPT 1323 — SURVEY OF MICROCOMPUTER APPLICATIONS —** (Prerequisite: Operating Platforms CPT 1333) This course will introduce microcomputer operations, Word processing, spreadsheets, and database management. Two hours lecture. Two hours laboratory. Three semester credit hours.
- CPT 1333 — OPERATION PLATFORMS —** This course will provide experience in a variety of operating platforms. Emphasis will be placed on support personnel interaction with the platform to assist users in business environments. Two hour lecture. Two hours laboratory. Three semester hours credit.
- CPT 1414 — JAVA PROGRAMMING —** (Prerequisite: Operating Platforms CPT 1332) Introduction to the Java Programming language to include sort, loops, arrays, Applets. Two hours lecture. Four hours lab. Four semester hours credit.
- CPT 1513 — WEB DEVELOPMENT CONCEPTS —** (Prerequisite: Operating Platforms CPT 1333) This course is an introduction to the

Internet and its uses in the world of business. It includes basic and advanced features of the Internet, World Wide Web, browsers, list servers, and creating web pages. Upon completion of this course, students will be able to create a personalized home page and post it on the Internet, download files using a browser and an FTP program, and send e-mail messages. Two hour lecture. Two hours lab. Three semester hours credit.

- CPT 2133 — CAREER DEVELOPMENT —** (Prerequisite: Written Communications Elective). This course provides practical exercises in both the technical and social skills necessary for employment. Interpersonal skills, the job search process, and the importance of high standards of personal and professional relationships are stressed. Two hour lecture. Two hours lab. Three semester hours credit.
- CPT 2264 — ADVANCED RPG PROGRAMMING LANGUAGE —** (Prerequisite: RPG Programming Language CPT 1224 and/or Programming Development Concepts CPT 1144). This course is a continuation of the RPG programming language. Emphasis is placed on advanced table processing, file maintenance, and interactive programming. Two hours lecture. Four hours lab. Four semester hours credit.
- CPT 2274 — ADVANCED COBOL PROGRAMMING —** (Prerequisite: COBOL Programming Language CPT 1234) This course is a continuation in the study of COBOL. Emphasis is placed on advanced table processing, file maintenance, and interactive programming. Two hours lecture. Four hours lab. Four semester hours credit.
- CPT 2354 — SYSTEMS ANALYSIS AND DESIGN —** (Prerequisite: Advanced RPG Programming CPT 2264). This course introduces techniques used in system analysis and design. Emphasis will be placed on the design, development, and implementation of an information system. Two hours lecture. Four hours lab. Four semester hours credit.
- CPT 2434 — ADVANCED VISUAL BASIC PROGRAMMING LANGUAGE —** (Prerequisite: Visual BASIC Programming Language CPT 1214) This course is a continuation of the Visual BASIC Programming Language. A two hour lecture, 4 hour lab. Four semester hours credit.
- CPT 292(1-6) — SUPERVISED WORK EXPERIENCE IN COMPUTER INFORMATION SYSTEMS TECHNOLOGY —** A course which is a cooperative program between industry and education and is designed to integrate studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours.

COMPUTER NETWORKING TECHNOLOGY

- CNT 1414 — FUNDAMENTALS OF DATA COMMUNICATIONS —** This course presents basic concepts of telephony, local area networks, wide area networks, data transmission, and topology methods. Two hours lecture, four hours laboratory, four semester hours credit.

CNT 1513 — WEB DEVELOPMENT CONCEPTS — (Corequisite: CPT 1333) This course is an introduction to the Internet and its uses in the world of business. It includes basic and advanced features of the Internet, World Wide Web, browsers, list servers, and creating web pages. Upon completion of this course, students will be able to create a personalized home page and post it on the Internet, download files using browser and an FTP program, and send e-mail messages. Two hours lecture, two hours laboratory, three semester hours credit.

CNT 1523 — NETWORK COMPONENTS — (Prerequisite: CNT 1414 Fundamentals of Data Communications) - This course presents local area network and wide area network connectivity. It focuses on architectures, topologies, protocols, and transport methods of a network. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 1614 — NETWORKING ADMINISTRATION USING NOVELL — (Corequisite: CNT 1414 Fundamentals of Data Communications, CPT 1333 Operating Platforms) This course focuses on the management of a computer network using the Novell network operating systems. Emphasis will be placed on daily administrative tasks performed by a network administrator. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 1624 — NETWORK ADMINISTRATION USING MICROSOFT SERVER — (Pre/Corequisites: CNT 1412 Fundamentals of Data Communications and CPT 1333 Operating Platforms) This course focuses on the management of a computer network using the Microsoft Windows Server network operating system. Emphasis will be placed on daily administrative tasks performed by a network administrator. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 1654 — NETWORK ADMINISTRATION USING LINUX — (Corequisites: CNT 1414 Fundamentals of Data Communication, CPT 1333 Operating Platforms) This course focuses on the management of a computer network using the Linux operating system. Emphasis is placed on installation, configuration, implementation, and administrative tasks of a functional server.

CNT 2423 — SYSTEM MAINTENANCE — (Prerequisite: CPT 1333 Operating Platforms) This course covers the diagnosis, trouble-shooting and maintenance of computer components. Topics include hardware compatibility, system architecture, memory, input devices, video displays, disk drives, modems, and printers. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 2534 — NETWORK PLANNING AND DESIGN — (Prerequisite: CNT 1614 Network Administration Using Novell; CNT 1624 Network Administration Using Microsoft Server; CNT 1523 Network Components) This course involves applying concepts in planning and designing a functioning network. Emphasis is placed on recognizing the need

for a network, conducting analysis, and designing a solution. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2544 — NETWORK IMPLEMENTATION — (Prerequisite: CNT 2534 Network Planning and Design) This course is the culmination of all concepts learned in the network curriculum. Topics include planning, installation, evaluation, and maintenance of a network solution. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2553 — NETWORK SECURITY — (Prerequisites: Web Development Concepts CNT 1513; Network Components-CNT 1523) This course provides an Introduction to network and computer security. Topics such as ethics, security policies, legal issues, vulnerability testing tools, firewalls, and operation systems hardening will be discussed. Students will receive a deeper understanding of network operations and protocols through traffic capture and protocol analysis. Three semester hours credit.

CNT 2634 — ADVANCED NETWORK ADMINISTRATION USING NOVELL — (Prerequisite: CNT 1614 Networking Administration Using Novell) This course is a continuation of Network Administration Using Novell. Emphasis is placed on installation, configuration, and implementation of a Novell Network. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2644 — ADVANCED NETWORK ADMINISTRATION USING MICROSOFT WINDOWS SERVER — (Prerequisites: CNT 1414 Fundamentals of Data Communications, CNT 1624 Network Administration Using Microsoft Server) This course is a continuation of Network Administration Using Microsoft Windows Server. Emphasis is placed on installation, configuration, and implementation of a function server. Two hours lecture, four hours laboratory, four semester credit hours. hours credit.

DRAFTING AND DESIGN TECHNOLOGY

DDT 1114 — FUNDAMENTALS OF DRAFTING — This course is designed to give the drafting major the background needed for all other drafting courses. Emphasis is placed upon maintaining correct techniques while developing speed. Two hours lecture, four hours laboratory. Four semester hours credit.

DDT 1133 — MACHINE DRAFTING I — (Prerequisite: Fundamentals of Drafting.) This course emphasizes methods, techniques and procedure in presenting screws, bolts, rivets, springs, thread types, symbols for welding, materials, finish and heat treatment rotation, working order preparation, routing and other drafting room procedures. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 1213 — CONSTRUCTION MATERIALS — A course designed to familiarize the student with the physical properties of the materials gen-

erally used in the erection of structures, with a brief description of their manufacturer. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1313 — PRINCIPLES OF CAD — This course will use the CAD system to design and draw various problems in the architectural, mechanical and civil drafting areas. Emphasis will be placed on the operations of the CAD system to solve these problems. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1323 — INTERMEDIATE CAD — (Prerequisite: Principles of CAD). This course is designed as a continuation of Principles of CAD. Subject areas will include dimensions, sectional views, and symbols. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1413 — ELEMENTARY SURVEYING — A basic course in surveying dealing with the principles of geometry, theory and use of instruments, mathematical calculations, and the control and reduction of errors. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 1613 — ARCHITECTURAL DESIGN I — (Prerequisite: Fundamentals of Drafting). This course includes principles and practices of modern design, requiring working drawings and solutions, typical construction details and specifications for residential construction. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2163 — MACHINE DRAFTING II — (Prerequisite: Machine Drafting I). A continuation of Machine Drafting I with emphasis on advanced techniques and knowledge employed in the planning of mechanical objects. Includes instruction in the use of tolerance and dimensioning techniques. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 2233 — STRUCTURAL DRAFTING — (Prerequisite: Fundamentals of Drafting & Principles of CAD). This course will introduce the drafting major to structural sections, terms and conventional abbreviations, and symbols used by structural fabricators and erectors. Knowledge is gained in the use of A.I.S. C. Handbook. Problems are studied that involve structural designing and drawing of beams, columns, connections, trusses and bracing. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2243 — COST ESTIMATING — This course includes preparation of material lists and quantity surveys from actual working drawings and specifications. Two hours lecture and two hours laboratory. Three semester hours credit.

DDT 2343 — ADVANCED CAD — (Prerequisite: Intermediate CAD). This is an advanced course in the use of CAD software with emphasis on producing drawings. Emphasis is placed on attributes, slide shows, the user coordinate system, 3-D faces, and solid modeling. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2423 — MAPPING AND TOPOGRAPHY LAB — (Prerequisite: Elementary Surveying and Intermediate CAD). This laboratory setting will allow the drafting major to apply selected drafting techniques to the problem of making maps, traverses, plot plans, plan and profile drawings using maps, field survey data, aerial photographs and related references, materials including symbols, notations, and other applicable standardized materials. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 2443 — ADVANCED SURVEYING — (Prerequisite: Elementary Surveying) This course provides the student with practical applications in land surveying, methods of boundary locations, and land descriptions in accordance with original surveys and resurveys. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2623 — ARCHITECTURAL DESIGN II — (Prerequisite: Architectural Design I and Intermediate CAD). This course emphasizes standard procedures and working drawings. Details involving architectural, mechanical, electrical, and structural drawings are covered, along with presentation of drawings and computer aided design assignments. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2911-2913 — SPECIAL PROJECT (DRAFTING) — (Prerequisite: Consent of Instructor). This course is designed to provide the student with practical application of skills and knowledge gained in other drafting courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two six hours laboratory. One to three semester hours credit.

TDD 1313 — GRAPHIC COMMUNICATION — This course is a study of the fundamentals of the graphic language used by engineers. Through theory and application, students will develop the visualization and computerized drafting skills necessary for later courses in engineering once employed. One hour lecture, four hours laboratory. Three semester hours credit.

ELECTRICAL TECHNOLOGY

ELT 1113 — RESIDENTIAL/LIGHT COMMERCIAL WIRING — (Prerequisite: Fundamentals of Electricity, ELT 1192 or equivalent). A course to provide advanced skills related to the wiring of multi-family and small commercial buildings. Includes instruction and practice in service entrance installation, specialized circuits, and use of commercial raceways. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1123 — COMMERCIAL AND INDUSTRIAL WIRING — (Prerequisite: Fundamentals of Electricity, ELT 1192 or equivalent). A course to provide instruction and practice in the installation of commercial electrical service including the types and uses of conduits and other raceways.

NEC code requirements, and three phase distribution networks. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1192 — FUNDAMENTALS OF ELECTRICITY — This is a basic course designed to provide fundamental skills associated with all electrical courses. It includes safety, basic tools, special tools, equipment, and introduction to simple AC and DC circuits. One hour lecture. Two hours lab. Two semester hours credit.

ELT 1213 — ELECTRICAL POWER — (Pre/corequisite: Fundamentals of Electricity, ELT 1192 or equivalent). A course to provide skills related to electrical motors and their installation. Includes instruction and practice in using the different types of motors, transformers and alternators. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1223 — MOTOR MAINTENANCE AND TROUBLESHOOTING — (Prerequisite: Fundamentals of Electricity ELT 1192 or equivalent). A course to familiarize the students with the principles and practice of electrical motor repair. Includes instruction and practice in the disassembly/assembly and preventive maintenance of common electrical motors. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1253 — BRANCH CIRCUIT AND SERVICE ENTRANCE CALCULATION — (Pre/corequisite: Residential/Light Commercial Wiring (ELT 1113) or equivalent). Calculating circuit sizes for all branch circuits and service entrances in residential installation. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1263 — BLUEPRINT READING/PLANNING THE RESIDENTIAL INSTALLATION — This course provides knowledge of architectural symbols and electric symbols needed to read blueprints. All elevations and various plans associated with electrical wiring will be studied. Blank blueprints will be provided and a list of all appliances and their amperage will be supplied. The blanks will be filled with receptacles, switches, and lighting outlets as required by NEC. Circuit layouts for all switching will be demonstrated. All branch circuits will be plotted on the blueprint. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1273 — SWITCHING CIRCUITS FOR RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL APPLICATION — (Prerequisite: Fundamentals of Electricity ELT 1192 or equivalent). This course is designed to introduce the student to the various methods by which single pole, 3-way, and 4-way switches are used in residential, commercial, and industrial installations. This course also includes the installation and operation of low voltage, remote control switching. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1413 — MOTOR CONTROL SYSTEMS — (Prerequisite: Fundamentals of Electricity, ELT 1192 or equivalent). A course in the installation of the different motor control circuits and devices. Emphasis is placed on

developing student's ability to diagram, wire and troubleshoot the different circuits and mechanical control devices. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 2424 — SOLID STATE MOTOR CONTROL — (Prerequisite: Motor Control Systems, ELT 1413). A course to introduce the students to the principles of solid state motor control. Includes instruction and practice in the design and installation of different solid state devices for motor control. Two hours lecture. Four hours lab. Four semester hours credit.

ELT 2613 — PROGRAMMABLE LOGIC CONTROLLERS — (Prerequisite: Motor Control Systems, ELT 1413 or EET 1324 Microprocessors). A course to provide instruction and practice in the use of programmable logic controllers (PLC's) in modern industrial settings. Includes instruction in the operating principles of PLC's and practice in the programming, installation, and maintenance of PLC's. Three hours lecture. Two hours lab. Three semester hours credit.

ELT 291 (1-3) — SPECIAL PROJECT — (Prerequisite: Consent of Instructor). Practical application of skills and knowledge gained in other electronics or electronics-related technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two to six hours lab. One to three semester hours credit.

ELECTRONICS TECHNOLOGY

EET 1192 — FUNDAMENTALS OF ELECTRONICS — This course is designed to provide fundamental skills associated with all electronics courses. This course includes safety, bread boarding, use of calculator, test equipment familiarization, soldering, electronic symbols, and terminology. One hour lecture. Two hours lab. Two semester hours credit.

EET 1114 — DC CIRCUITS — This course is designed for students to know the principles and theories associated with DC circuits. This course includes the study of electrical circuits, laws, and formulae and the use of test equipment to analyze DC circuits. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1123 — AC CIRCUITS — (Prerequisite: DC Circuits, EET 1114). This course is designed to provide the students with the principles and theories associated with AC circuits. This course includes the study of electrical circuits, laws and formulae, and the use of test equipment to analyze AC circuits. Two hours lecture. Two hours lab. Three semester hours credit.

EET 1215 — DIGITAL ELECTRONICS — A course designed to introduce the student to number systems, basic gates and truth tables, logic circuits, latches and flip-flops, counters, registers, memory devices, combination logic circuits, Boolean algebra, and a basic computer system. Four hours lecture. Two hours lab. Five semester hours credit.

EET 1334 — SOLID STATE DEVICES AND CIRCUITS — (Prerequisite: DC Circuits, EET 1114). A course designed to provide familiarization with state of the art active devices and their applications in the control and manipulation of electricity to make it work for man's benefit. This includes the study of P-N junction and P-N junction devices. Uni-Polar, Bipolar and Hybrid, their circuit applications and troubleshooting with emphasis on low frequency. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1324 — MICROPROCESSORS — (Prerequisite: Digital Electronics (EET 1214)). A course designed to provide student with skills and knowledge of microprocessor architecture, data and control functions, operational codes, instruction sets, machine and assembly language, timing, interfacing, and other hardware applications associated with microprocessor systems. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1614 — COMPUTER FUNDAMENTALS FOR ELECTRICAL/ELECTRONICS — (Prerequisite: Microprocessors (EET 1324))--Basic computer science as used in electrical/electronic area. Computer nomenclature, logic, numbering systems, coding and operating system commands are covered. Detail test equipment description and operation for oscilloscope, function generator, and digital meters. Two hours lecture. Four hours lab. Four semester hours credit.

EET 2335 — LINEAR INTEGRATED CIRCUITS — (Prerequisite: Solid State Devices and Circuits (EET 1334)). Accurse designed to provide students with knowledge and application skills of linear integrated devices. Includes general purpose and dedicated devices. Operational amplifiers, active filters, voltage regulators, timers, VCO's, phase lock loops and other devices will be covered along with their applications. Advanced soldering techniques shall be taught in accordance with industry standards. Two hours lecture. Six hours lab. Five semester hours credit.

EET 2414 — ELECTRONICS COMMUNICATION — (Prerequisite: Microprocessors (EET 1324)). A course designed to provide the student with the concepts and skills related to analog and digital communications. Includes modulation techniques, transmission, reception, formats, encoding, encryption, protocols, modem etc. Also includes standard interface methods. Two hours lecture. Four hours lab. Four semester hours credit.

CST 2113 — COMPUTER SERVICING LAB I — (Prerequisite: Microprocessors EET 1324) Fundamentals of computer servicing. Includes configuration, test equipment usage, basic disassembly and assembly methods, preliminary tests and diagnostics, schematic interpretation, and building cables. Six hours lab. Three semester hours credit.

CST 2123 — COMPUTER SERVICING LAB II — (Prerequisite: Computer Servicing Lab I CST 2113) Continuation of Computer Servicing Lab I

(CST 2113) with increased emphasis on system analysis and diagnosis of board and component failures. Emphasis on laboratory experience with computer repair. Six hours lab. Three semester hours credit.

EET 2911 — SPECIAL PROJECTS — (Prerequisite: Microprocessors EET 1324) This course is designed to provide practical application of skills and knowledge gained in other technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two hours lab. One semester hour credit.

EET 2912 — SPECIAL PROJECTS — (Prerequisite: Microprocessors EET 1324) This course is designed to provide practical application of skills and knowledge gained in other technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Four hours lab. Two semester hour credit.

HEATING AND AIR CONDITIONING TECHNOLOGY

ACT 1124 — BASIC COMPRESSION REFRIGERATION — An introduction to the field of refrigeration and air conditioning. Emphasis is placed on the principles of safety, thermodynamics, and heat transfer. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 1133 — TOOLS AND PIPING — Various tools and pipe connection techniques. Covers tools and test equipment required in heating, ventilation, air conditioning and refrigeration. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1214 — CONTROLS — Fundamentals of gas, fluid, electrical and programmable controls. Three semester hours credit. Two hours lecture. Four hours lab.

ACT 1313 — REFRIGERATION SYSTEM COMPONENTS — An in-depth study of the components and accessories of a sealed system including metering devices, evaporators, compressors and condensers. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1713 — ELECTRICITY FOR HEATING, VENTILATION, AIR CONDITIONING AND REFRIGERATION — Basic knowledge of electricity, power distribution, components, solid state devices and electrical circuits. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 1813 — PROFESSIONAL SERVICES PROCEDURES — Business ethics necessary to work with both the employer and customer. Includes resume, record keeping, and services contracts. Two semester hours credit. Two hour lecture. Two hours lab.

ACT 2324 — COMMERCIAL REFRIGERATION — A study of various commercial refrigeration systems. It includes installation, servicing and

maintaining systems. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 2414 — AIR CONDITIONING I — Various types of residential and commercial air conditioning, including hydronic, absorption and desiccant systems. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 2424 — AIR CONDITIONING II — An in-depth course in the installation, start-up, maintenance and air quality of complete heating and air conditioning systems. Four semester hours credit. Two hours lecture. Four hours lab.

ACT 2433 — REFRIGERANT, RETROFIT AND REGULATIONS — Regulations and standards for new retrofit and government regulations. Includes OSHA regulations, EPA regulations, local and state codes. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 2513 — HEATING SYSTEMS — Various types of residential and commercial heating systems. Includes gas, oil, electric, compression and hydroponic heating systems. Three semester hours credit. Two hours lecture. Two hours lab.

ACT 2624 — HEAT LOAD AND AIR PROPERTIES — Introduction to heat load calculations for residential and light commercial heating, ventilation, air conditioning and refrigeration systems. Included are air distribution, duct sizing selection of grills and register, types of fans, air velocity and fan performance. An introduction is provided to air testing instruments and computer usage. Four semester hours credit. Two hours lecture. Four hours lab.

HOTEL AND RESTAURANT MANAGEMENT TECHNOLOGY

HRT 1114 — CULINARY PRINCIPLES I — Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Four semester hours credit. Two hours lecture. Four hours lab.

HRT 1123 — HOSPITALITY AND TOURISM INDUSTRY — An introduction to the hospitality and tourism industry. Discussions and industry observations to discover the opportunities, trends, problems, and organizations in the field. Three semester hours credit.

HRT 1213 — SANITATION AND SAFETY — Basic principles of microbiology, sanitation, and safety for a food service operation. The course studies the implementation of sanitation procedures, cost control, risk reduction standards in a hospitality operation. Three semester hours credit.

HRT 1224 — RESTAURANT AND CATERING OPERATIONS — Principles of organizing and managing a food and beverage operation. Four semester hours credit.

HRT 1413 — ROOMS DIVISION MANAGEMENT — An operational approach to rooms division management in the hospitality industry including front office management and housekeeping operations. Three semester hours credit.

HRT 1511 — HOSPITALITY SEMINAR — Leadership and management skills necessary for success in hospitality and tourism management. The course addresses computer based management systems. One semester hour credit.

HRT 1813 — THE PROFESSIONAL TOUR GUIDE — Activities associated with organizing, booking, and conducting group tours. Three semester hours credit.

HRT 1823 — THE TRAVEL AGENCY — A detailed exploration of travel agency operation to include physical structure, staffing needs, client needs, legal implications, interaction with travel and lodging, and accreditation. Three semester hours credit.

HRT 1833 — TRAVEL AND TOURISM GEOGRAPHY — Location, currency, port of entry, and form of governments in various countries around the world. Exercises involve itinerary planning, knowledge of time zones, and familiarity with the countries' natural, cultural, and entertainment attractions. Three semester hours credit.

HRT 2233 — FOOD AND BEVERAGE CONTROL — Principles and procedures involved in an effective food and beverage control system, including standards determination, the operating budget, cost-volume profit analysis, income and cost control, menu pricing, labor cost control, and computer applications. Three semester hours credit.

HRT 2323 — HOSPITALITY FACILITIES MANAGEMENT AND DESIGN — Design and manage the physical plant of a hotel or restaurant and work effectively with the engineering and maintenance department. Three semester hours credit.

HRT 2423 — SECURITY MANAGEMENT — Issues surrounding the need for individualized security programs. Examines a variety of security equipment and procedures and discusses internal security for food service and lodging operations. This course provides awareness of the rights and responsibilities that the law grants to or imposes upon a hotelier and consequences of failure to satisfy legal obligations. Three semester hours credit.

HRT 2613 — HOSPITALITY SUPERVISION — Supervisory skills in leadership styles, communication skills, motivational techniques, employee training techniques, and evaluation methods. Three semester hours credit.

HRT 2623 — HOSPITALITY MANAGEMENT — Principles of hospitality human resource management with an emphasis placed on the study of human behavior and human relations in the hospitality industry. Three semester hours credit.

HRT 2713 — MARKETING HOSPITALITY SERVICES — This course covers the application of marketing methodologies and terms to the hospitality and tourism industry, the use of sales techniques for selling to targeted markets, and developing marketing plans for hospitality and tourism operations. Three semester hours credit.

HRT 2843 — SEMINAR IN TRAVEL AND TOURISM — Simulations of activities related to travel and tourism including reservation tasks and services. Three semester hours credit.

HRT 2853 — CONVENTION AND MEETING PLANNING — Planning, promotion, and management of meetings, conventions, expositions, and events. Three semester hours credit.

HRT 2863 — TOURISM PLANNING AND DEVELOPMENT — This course is designed to provide the knowledge to plan and implement the marketing and management of special events and tourism events. Three semester hours credit.

INDUSTRIAL MAINTENANCE TECHNOLOGY

IMM 1111 — INDUSTRIAL MAINTENANCE SAFETY — General safety practices, personal safety, electrical safety practices, and power equipment safety. One semester hour credit.

IMM 1122 — INDUSTRIAL MAINTENANCE MATH AND MEASUREMENT — Mathematical and measurement procedures and instruments related to industrial maintenance. Two semester hours credit.

IMM 1132 — INDUSTRIAL MAINTENANCE BLUEPRINT READING — Blueprints, schematics, and plans used in industrial maintenance including instruction in nomenclature, different views, and symbols and notations. Two semester hours credit.

IMM 1213 — INDUSTRIAL HAND TOOLS AND MECHANICAL COMPONENTS — Safe and proper use of hand tools and mechanical components commonly used by industrial maintenance mechanics and technicians. Includes instruction in the selection, use, and care of common hand tools and in the identification and maintenance of mechanical components such as belts and pulleys, chains and sprockets, and bearings and seals used to transmit mechanical power. Three semester hours credit.

IMM 1224 — POWER TOOL APPLICATIONS — Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, cut-off saws, and drill presses. Four semester hours credit.

IMM 1235 — PRECISION MACHINING OPERATIONS — Safe and proper use of various hand and stationary power tools. Includes instruction in the use of hand power tools, bench grinders, threading machines, metal saw, drill presses, engine lathes, and milling machines. Five semester hours credit.

IMM 1314 — PRINCIPLES OF HYDRAULICS AND PNEUMATICS — Instruction in basic principles of hydraulics and pneumatics, and the inspection, maintenance, and repair of hydraulic and pneumatic systems. Four semester hours credit.

IMM 1415 — PUMP AND VALVE OPERATIONS — Instruction on the different types of pumps and valves used in industry and their disassembly, inspection, and repair/replacement. Five semester hours credit.

IMM 1515 — EQUIPMENT INSTALLATION AND ALIGNMENT — Instruction in pre-installation checks, assembly, location and layout of equipment, preparation of foundations and anchoring procedures, rigging and hoisting, and alignment and initial setup of equipment. Five semester hours credit.

IMM 1524 — PREVENTIVE MAINTENANCE AND SERVICE OF EQUIPMENT — Instruction in basic maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. Four semester hours credit.

IMM 1615 — PRINCIPLES OF PIPING AND HYDRO-TESTING — Instruction on basic principles of piping and pipe fitting, basic pipe fitting procedures, and basic hydro-testing of pipe systems. Five semester hours credit.

IMM 1713 — METHODS OF LAYOUT — Layout and development of various sheet metal problems using the principles of parallel line and triangulation development. Three semester hours credit.

IMM 1723 — STRUCTURAL REPAIR — Estimating and making repairs of wood, metal, and masonry structures. Three semester hours credit.

IMM 1734 — MAINTENANCE WELDING AND METALS — Instruction in different metals and their properties, and in basic SMAW welding and oxy-fuel cutting and brazing. Four semester hours credit.

IMM 1813 — INDUSTRIAL ELECTRICITY FOR INDUSTRIAL MAINTENANCE MECHANICS — Instruction in terminology and basic principles of electricity, use of test equipment, safety practices for working around and with electricity, and basic electrical procedures. Three semester hours credit.

IMM 1823 — ADVANCED INDUSTRIAL ELECTRICITY FOR INDUSTRIAL MAINTENANCE MECHANICS — Advanced skills and knowledge associated with electrical systems in an industrial setting. Content includes instruction in the National Electrical Code, electrical circuits,

motors, and estimating expenses for a given project. Three semester hours credit.

IMM 2114 — EQUIPMENT MAINTENANCE, TROUBLESHOOTING, AND REPAIR — Maintenance and troubleshooting techniques, use of technical manuals and test equipment, and inspection/evaluation/repair of equipment. Four semester hours credit.

IMM 191 (1-3) — SPECIAL PROJECT IN INDUSTRIAL MAINTENANCE MECHANICS — Practical applications of skills and knowledge gained in other Industrial Maintenance Mechanics courses. The instructor works closely with the student to insure that selection of a special project enhances the student's learning experiences. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours. One to three semester hours credit.

MACHINE SHOP TECHNOLOGY

MST 1115 — POWER MACHINERY I — A course in the operation of power machinery. Includes instruction and practice in the operation of lathes, drill presses, and vertical mills. Five semester hours credit. Two hours lecture. Six hours lab.

MST 1125 — POWER MACHINERY II — (Prerequisite: Power Machinery I MST 1115) A continuation of Power Machinery I with emphasis on more advanced applications of lathes, mills, shapers, and precision grinders. Five semester hours credit. Two hours lecture. Six hours lab.

MST 1313 — MACHINE TOOL MATHEMATICS — An applied mathematics course designed for machinists. Includes instruction and practice in algebraic and trigonometric operations essential for successful machining. Three semester hours credit. Two hours lecture. Two hours lab.

MST 1413 — BLUEPRINT READING — A course in blueprint reading designed for machinists. Includes instruction and practice in reading industrial blueprints. Three semester hours credit. Two hours lecture. Two hours lab.

MST 1423 — ADVANCED BLUEPRINT READING — (Prerequisite: Blueprint Reading (MST 1413). A continuation of Blueprint Reading with emphasis on advanced feature of technical prints. Includes instruction on the identification of various projections and views and on different assembly components. Three semester hours credit. Two hours lecture. Two hours lab.

MST 1613 — PRECISION LAYOUT — An introduction to the concepts and practice of precision layout for machining operations. Includes instruction and practice in the use of layout instruments. Three semester hours credit. Two hours lecture. Two hours lab.

MST 2135 — POWER MACHINERY III — (Prerequisite: Power Machinery II, MST 1124). A continuation of the Power Machinery II course with emphasis on advanced applications of the engine lathe, milling machine, and grinding machine. Five semester hours credit. Two hours lecture. Six hours lab.

MST 2144 — POWER MACHINERY IV — (Prerequisites: Power Machinery III, MST 2135). A continuation of Power Machinery III with emphasis on advanced operations of the radial arm drill, milling machine, engine lathe, and precision grinder. Four semester hours credit. Two hours lecture. Four hours lab.

MST 2714 — COMPUTER NUMERICAL CONTROL OPERATIONS I — An introduction to the application of computer numerical control (CNC) and computer assisted manufacturing (CAM) techniques and practices. Includes instruction and practice related to the use of the Cartesian coordinate system, programming codes and commands and tooling requirements for CNC/CAM machines. Four semester hours credit. Three hours lecture. Two hours lab.

MST 2725 — COMPUTER NUMERICAL CONTROL OPERATIONS II — (Pre/corequisite: Computer Numerical Control Operations I, MST 2714). A continuation of Computer Numerical Control Operations I. Includes instruction in writing and editing CNC programs, machine setup and operation, and use of CAM equipment to program and operate CNC machines. Five semester hours credit. Two hours lecture. Six hours lab.

MST 2813 — METALLURGY — An introduction to the concepts of metallurgy. Includes instruction and practice in metal identification, heat treatment, and hardness testing. Three semester hours credit. Two hours lecture. Two hours lab.

WORK-BASED LEARNING

WBL 191(1-3), 192(1-3), 291(1-3) & 292(1-3) — WORK-BASED LEARNING — The Work-Based Learning course is designed for students enrolled in career-technical programs and employed in parallel workplace environments for a minimum of 15 hours per week. Course content is based upon a model course curriculum, defined workplace requirements, and specific objectives addressing competent workplace performance. Three semester hours credit based upon 270 approved contact hours of work experience.

TECHNICAL EVENING CLASSES

Regular college courses are offered on campus during the day and evenings and off campus in the evening at various locations in the college district including Carthage, Forest, Louisville, Morton, Philadelphia, and the Choctaw Hospitality Institute near Philadelphia. The same instructional standards are maintained and the same tuition and fees apply as stated in the catalog for campus day students.

SPECIAL POPULATIONS SUPPORT SERVICES

The Test of Adult Basic Education (TABE) will be administered to all Career students upon entering school. Results from this test will be used to identify students that need help in Reading, Math and Language. Any student needing help in these areas will be assigned to the Special Populations Support Services Center until he/she achieves the functioning level needed to receive full value of the education he/she is pursuing.

The following entrance and exit criteria will be used for technical students:

1. Technical students who are recommended for Developmental Mathematics (through the assessment process) will be scheduled for the Support Services program.
2. Technical students who are recommended for Developmental English or Reading (through the assessment process) will be scheduled for the Support Services program.
3. After completing course requirements and exiting the mathematics portion of the Support Services program, technical students will schedule Developmental Algebra, if needed, or Intermediate Algebra.
4. After completing course requirements and exiting the reading/ language portion of the Support Services program, technical students will schedule Developmental English (if needed) or English Composition I.

RESIDENTIAL CARPENTRY

CAV 1116 — FOUNDATIONS — Classroom instruction in the different types of foundations used in residential construction. Lay-out and set-up of a conventional foundation for a residential dwelling. One hundred eighty clock hours. Six semester hours.

CAV 1133 — BLUEPRINT READING — The study of the different plans in a set of house plans and the symbols used in each of them to identify the parts of a structure. Ninety clock hours. Three semester hours.

CAV 1123 — FORMING APPLICATIONS — The study of different types of forms used in residential carpentry. Practical work experience in lay-out, assembly, and use of forms for concrete structures in residential carpentry. Ninety clock hours. Three semester hours.

CAV 1236 — FLOOR & WALL FRAMING — Theory and practical work experience in estimating, cutting, and installing floor and wall framing members. One hundred eighty clock hours. Six semester hours.

CAV 1245 — CEILING & ROOF FRAMING — Theory and practical work

experience in estimating materials for ceiling and roof framing members. Hands-on experience in measuring, cutting, and the installation of different types of ceiling and roof framing members. One hundred fifty clock hours. Five semester hours.

CAV 1413 — ROOFING — Theory and actual work experience in the study of roofing materials. Hands-on experience in the lay-out and installation of roofing. Ninety clock hours. Three semester hours.

CAV 1513 — EXTERIOR FINISHING — The study of different types of exterior wall coverings, cornices and eaves. Installation of exterior siding, cornices, and molding. Ninety clock hours. Three semester hours.

CAV 1316 — INTERIOR FINISHING & CABINET MAKING — The study of all areas of interior wall, ceiling and floor finishing and cabinet making. One hundred eighty clock hours. Six semester hours.

CAV 2113 — PRINCIPLES OF MULTI-FAMILY & LIGHT COMMERCIAL CONSTRUCTION — The study of apartment, motels, and other commercial buildings and how they are built. Ninety clock hours. Three semester hours.

CAV 2133 — ADVANCED CABINET MAKING — The study of special types of cabinets, cabinet doors, cabinet hardware, and countertops. Ninety clock hours. Three semester hours.

CAV 2313 — ADVANCED INTERIOR FINISHING — Theory and practical work experience in the use of special types of molding, paints, floor coverings and ceiling tiles. Ninety clock hours. Three semester hours.

COSMETOLOGY

COV 1122 — COSMETOLOGY ORIENTATION — This course will cover the history, career opportunities, life skills, professional image, Mississippi Cosmetology laws, rules and regulations and communicating for success in the cosmetology industry. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. Two hours lecture.

COV 1245 — COSMETOLOGY SCIENCES I — This course consists of the study of bacteriology, sterilization and sanitation. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Five semester hours credit. Three hours lecture. Six hours lab.

COV 1255 — COSMETOLOGY SCIENCES II — This course consists of the study of anatomy and physiology. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regu-

lations involved in cosmetology practices and safety precautions associated with each. Five semester hours credit. Three hours lecture. Four hours lab.

COV 1263 — COSMETOLOGY SCIENCES III — This course consists of the application and demonstration of chemistry, and electricity. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three semester hours credit. Two hours lecture. Three hours lab.

COV 1426 — HAIR CARE I — This course consists of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Six semester hours credit. Two hours lecture. Twelve hours lab.

COV 1436 — HAIR CARE II — This course consists of the advanced study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Six semester hours credit. Two hours lecture. Twelve hours lab.

COV 1443 — HAIR CARE III — This course consists of the practical applications of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three semester hours credit. Nine hours lab.

COV 1522 — NAIL CARE I — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1532 — NAIL CARE II — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab

practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1542 — NAIL CARE III — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. Six hours lab.

COV 1622 — SKIN CARE I — This course consists of the introduction to basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1632 — SKIN CARE II — This course consists of basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each.

COV 1642 — SKIN CARE III — This course consists of advanced skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. Six hours lab.

COV 1722 — SALON BUSINESS I — This course will cover preparing to operate a successful salon. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COV 1732 — SALON BUSINESS II — This course will cover operating a successful salon and seeking employment. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two semester hours credit. One hour lecture. Three hours lab.

COSMETOLOGY TEACHER TRAINING

COV 2816 — COSMETOLOGY TEACHER TRAINING I — (Pre/corequisites: Students must have at least two years of active practical experience as a licensed cosmetologist and currently hold a valid Mississippi cosmetology license.) Instruction will be given in developing appropriate communication skills, effective use of visual aids, identification of various teaching styles, and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

COV 2826 — COSMETOLOGY TEACHER TRAINING II — (Pre/corequisites: COV 2816 Cosmetology Teacher Training I) Instruction will be given in development of instructional methods, development of visual aids, development of effective evaluation, and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

COV 2836 — COSMETOLOGY TEACHER TRAINING III — (Pre/corequisite: Cosmetology Teacher Training II COV 2826) Professional application and training includes: Laws Governing Learning Processes, Student Motivation, Student Participation, Student Personalities and Individual Differences, Ninety-nine clock hours. Three semester hours credit.

COV 2846 — COSMETOLOGY TEACHER TRAINING IV — (Pre/corequisite: COV 2836 Cosmetology Teacher Training III) Instruction will be given in classroom management techniques; cosmetology laws, rules, and regulations; and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

WELDING AND CUTTING

WLW 1116 — SHIELDED METAL ARC WELDING I (SMAW) — This course is designed to teach students welding techniques using E-6010 electrodes. Six semester hours credit. One-hour lecture, 10 hours lab.

WLW 1124 — GAS METAL ARC WELDING (GMAW) — This course is designed to give the student experience in various welding applications with the (GMAW) welder including short-circuiting and pulsed transfer. Four semester hours credit. One hour lecture, 6 hours lab.

WLW 1136 — GAS TUNGSTEN ARC WELDING (GTAW) — This course is designed to give the student experience in various welding applications with the GTAW welder. Six semester hours credit. One hour lecture. Ten hours lab.

WLW 1143 — FLUX CORED ARC WELDING (FCAW) — This course is designed to give the student experience in FCAW. Three semester hours credit. One hour lecture. Four hours lab.

WLW 1171 — WELDING INSPECTION AND TESTING PRINCIPLES — This course is designed to give the student experience in safety, inspection and testing of welds. One semester hour credit. Two-hour lab.

WLW 1226 — SHIELDED METAL ARC WELDING II (SMAW) — This course is designed to teach students welding techniques using E-7018 electrodes. Six semester hours credit. One hour lecture. Ten hours lab.

WLW 1232 — DRAWING AND WELDING SYMBOL INTERPRETATION — This course is designed to give the student advanced experience in reading welding symbols. Two semester hours credit. One hour lecture. Two hours lab.

WLW 1314 — CUTTING PROCESSES — This course is designed to give the student experience in oxyfuel cutting principles and practices, aircarbon cutting and gouging, and plasma arc cutting. Four semester hours credit. Two hour lecture. Four hours lab.

WORK-BASED LEARNING

WBL 191(1-3), WBL 192(1-3), WBL 193(1-3), WBL 291(1-3), WBL 292(1-3), WBL 293(1-3) — A structured work-site learning experience in which the student, program area teacher, Work-Based Learning Coordinator, and worksite supervisor/mentor develop and implement an educational training agreement. Designed to integrate the student's academic and technical skills into a work environment. Included regular meetings and seminars with school personnel for supplemental instruction and progress reviews. Three to nine hours externship. One to three semester hours.

TRADE, INDUSTRIAL AND TECHNICAL

BLUEPRINT READING — Instructions in fundamentals, lines, views, notes and specifications, dimensions, shapes, abbreviations and symbols, sections, details and assembly, precision instruments. Length of course to be determined by industry.

CARPENTRY I, II, III, & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the basic skills and technical knowledge in both rough and finish carpentry. Six CEU's.

COMPUTER APPLICATIONS — Three hours per night, one night per week for an established number of consecutive weeks. Instruction and hands-on training sessions for beginners through advanced computer users dealing with MS Office applications. CEU credit is available.

ELECTRICITY I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the electrical trade to include the following areas: use of electrical tools and instruments, basic electricity, residential and commercial wiring, motor testing, controls and related science. Six CEU's.

INDUSTRIAL MAINTENANCE APPRENTICESHIP — Instructions in elements of mechanics, lubrication of drive components, bearings,

pumps, piping systems, basic hydraulics, hydraulic trouble-shooting, tools, measurements, trouble-shooting skills, pneumatics, blueprints and schematics. Length of courses determined by requirements to achieve credential per each of 5 levels.

MACHINE SHOP I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in machine shop to include the following areas: precision measuring instruments, tools, materials, heat treating, bench work, drilling machines, milling machines, lathes and shaper, jig, boring and girding machines, and abrasive and cutting fluids. Six CEU's when offered on campus. If offered in industry, length of course is determined by the industry.

PERSONNEL MANAGEMENT — Instructions in the management system, personnel program, staffing the organization, employee potential, behavior management, labor relations, remuneration, security, and management of the future. Length of course to be determined by the industry.

REFRIGERATION, AIR-CONDITIONING & HEATING I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the A-C and refrigeration trade to include the following areas: basic electricity, motors and controls, service tools, fundamentals of refrigeration, compression systems and construction, refrigerants and controls, cabinets, materials, absorption, systems, hermetic units, and commercial refrigeration and heating application. Six CEU's.

SUPERVISORY TRAINING — Instructions in history of company, the art of supervision, planning, organizing, directing and leadership, controlling, decision making, motivation, communication, team work, performance and role playing. Length of course determined by needs of industry.

TRUCK DRIVING — A course of 280 training hours consisting of classroom instruction and practical application of truck driving skills. Successful completion of the course results in the trainee receiving a Class A Commercial Drivers license.

OTHER

CAKE DECORATING — Two hours per night, one night a week for 6 weeks. (1.2 CEU's) Instruction in making icing, frosting, making decorating cones, and equipment, and making the following designs: sweet pea, clown, basket, heart, wedding, bathing suit, doll, etc.

ART YOUTH PROGRAM — The Art for Youth Program is organized under the supervision of the Office of Adult and Continuing Education with a certified art instructor. All classes are held in the ceramics lab of South Campus located at East Central Community College in Decatur,

MS. The classes will consist of a variety of art activities modified for all levels of artistic ability. Activities will include ceramics, drawing, painting, and work in three-dimensional drawing. Students ages 7-17 may enroll in the program. Youth ages 7-11 will meet from 6:00 to 7:00 p.m. while youth ages 12-17 will meet from 7:00 until 8:00 p.m. Classes will meet only on Tuesday nights. The maximum number of students allowed in each class will be 12. The Art for Youth Program is an open entry-open exit type of program. A student may enroll or may exit the program at any time.

AUTO MECHANICS (carburetor and electrical) — Three hours per evening for two evenings per week. Instructions in fuel system, fuels, types of carburetors, types of fuel pumps, air cleaners and manifolds. Electrical system-magnetism and electricity, generators, ignitions, lighting, schematics and diagram reading and symbols. Six CEU's.

VOLUNTEER FIREMANSHIP — Two and one-half hours per day for 4 days. Instructions in fire triangle, travel, transfer of heat, exposure, chemistry of petroleum, fire, use of equipment, operation of truck, breathing equipment, fire stream, forcible entry and coordination of attack. 1 CEU

BEGINNING PAINTING — A studio course designed for the beginner pertaining to the use and knowledge of various painting media as well as decorative crafts. 3 CEU's

BEGINNING CERAMICS — A studio course designed for the beginner pertaining to the use and knowledge of various clays in hand building three dimensional art objects. An application of ceramic glaze and firing procedures will also be included. 3 CEU's

BEGINNING PHOTOGRAPHY — Two hours per night, one night a week for ten weeks. 2 CEU's. Instruction in examining camera functions and care, types of films and accessories, operation of camera, introduction to various types of photography, developing film, printmaking and mounting for display. 2 CEU's

Joan Grimes and Susan Fox-Smith, Chair and Co-Chair; Nan Anderson, Wanda Brackeen, Jared Brownlee, John Everett, Stacey Hollingsworth, Bubby Johnston, Christi Gregory, LeAnn Shirley, **Denita Thomas**, **Martie Vaughn**, Ronald Westbrook, Mary Ann Wright, Ex Officio - Yearbook, and a student representative.

BUDGET TASK FORCE

Mickey Vance, Chair; Dr. Lavinia Sparkman, David Blackledge, **Vicky Blaylock**, Gene Davis, Wayne Eason, John Everett, Conrad Germany, Norman Gillis, Gloria Johnson, Joe Johnson, Joe Killens, Betsy Mann

CONSTITUTION COMMITTEE

Phillip Crenshaw, Marc McCool

CURRICULUM

Dr. Lavinia Sparkman, Chair; Michael Alexander, Christi Gregory, Jim Clark, Sherri Cantey, Betsy Mann, Wayne Eason, Lanette Hanna, Joe Johnson, Donna Luke, Fredrick Lyons, Polly Mayes, Dr. Lisa McMillin, Gloria McRae, Wendy B. Moore, **Maudean Sanders**, Carol Shackelford, and two student representatives

FINANCIAL AID APPEALS

Director of Financial Aid, Chair, Vice President for Student Services, Academic Counselor, Career-Tech Counselor, Director of Admissions, Records, & Research, Five members-standing committee

HONORS COUNCIL

Carol Shackelford, Chair; Tom Carson, Dr. Lisa McMillin

INTRAMURAL

Scott Hill, Chair; Brian Anderson, Michael Avalon, Maurice Bowie, Steve Cheatham, Neal Holliman, James Miller, Jonathan Peeples, Billy W. Smith, Kenneth Thompson, Kyle Watson, Lucille Wood

LIBRARY

Gloria Johnson, Chair; Len Bobo, Mary Boulton, **Theresa Cole**, Patti Davis, Stella Dickerson, Thomas Fortenberry, Lisa Gorgas, Ruth Gregory, Tosha Sanders, Laura Thorne, **Gail Wood** and student representative

LITERACY TASK FORCE

Gene Davis, Chair; Chris Clark, Sherri Cliburn, Tina Harris, Kate Keenan, Sharon LeJeune, Maxine McKee, **Scott McLemore**, Lisa O'Neill, **Melanie Pinter**, Haywood Reeves, Melinda Smith, Roger Whitlock, Lucretia Williams, Bill Wilson

PUBLIC RELATIONS TASK FORCE

Bubby Johnston, Chair; **Chris Brady**, David Case, Gene Davis, Natalie Emmons, Romonica Evans, **Chris Harris**, Joe, Johnson, Joe Killens, Joseph Knight, Donna Luke, Dr. Lisa McMillin, **Geneva Phillips-Odom**, Dr. Lavinia Sparkman, Mickey Vance, Roger Whitlock

RECRUITMENT AND RETENTION TASK FORCE

Joe Killens, Chair; Michael Alexander, Maurice Bowie, Jared Brownlee, Christi Gregory, Brenda Carson, Tom Carson, **Kristin Chaney**, Gene Davis, Lanette Hanna, Tina Harris, Ricky Harrison, Alexei Huguley, Bubby Johnston, Maria McLeod, Betsy Mann, Jonathan Peebles, Maudean Sanders, **Lynne Smith**, Katie Sparkman, Dr. Lavinia Sparkman, Mickey Vance, SBA President, and Warrior Corps President

SAFETY COMMITTEE

Jonathan Peebles, Chair, David Blackledge, Katrina Bryant, **Davis Case**, Gene Davis, Katherine George, **Joe Johnson**, **Joe Killens**, Gloria Rigdon, **Maudean Sanders**, **Laura Thorne**

STAFF DEVELOPMENT

Joan Grimes, Chair; **Joe Barrett**, Phillip Crenshaw, Kim W. Hardy, Deborah Hammons, Gerald Jordan, Gloria McRae, Kelly Miller, **Kristie Pilgrim**, **Paula Russum**

TECHNOLOGY PLANNING

David Case, Chair; Jim Blackburn, **Chris Brady**, Kelly Cluff, Wayne Eason, Pam Fowler, Danny Gressett, Judith Hurtt, Gloria Johnson, Brenda Johnson, Joe Killens, Dr. Lisa McMillin, **Vikki McNair**, William Miles, Derek Pace, R.T. Purvis, LeAnn Shirley, Curt Skipper, Dr. Lavinia Sparkman, Mickey Vance

Replace Institutional Goal with Strategic Initiatives

Page 33

1. To develop and sustain partnerships with community, business, and industry in order to promote economic development of the community and to facilitate the educational and career goals of the student.
2. To provide quality instructional programs that prepare students to continue their education, enter the workforce, or update skills.
3. To enhance and nurture diverse student populations by providing cultural, educational, and recreational experiences for students and communities.
4. To improve community life by offering programs and activities for personal and professions development.
5. To provide accessible instruction through a variety of instructional methods including distance learning, E-learning, and the traditional classroom.
6. To promote accountability for establishing standards for students, instructors, staff, and administrators.
7. To provide a diverse academic experience by offering instruction that meets the needs of all levels of learners.
8. To provide and maintain a clean, safe, functional environment for working and learning.
9. To provide guidance, counseling, and other student services to aid students in the attainment of personal, educational, and occupational goals.
10. To provide and maintain administrative procedures that supports and maintains the teaching and learning environment of the College.

EXPENSES FOR THE 2009-2010 REGULAR SESSION
(ALL FEES ARE SUBJECT TO CHANGE WHEN DEEMED NECESSARY)

	Dormitory Student	Day Student
FIRST SEMESTER		
Matriculation Fee	\$ 700.00	\$ 700.00
Technology Fee (Non-Refundable)	\$ 25.00	\$ 25.00
Registration Fee (Non-Refundable)	\$ 35.00	\$ 35.00
Room Fee	\$ 575.00	
Board (5 day meal plan)	\$ 740.00	
Board (7 day meal plan)	\$ 890.00	
Total First Semester (5 day plan)	\$2075.00	\$ 760.00
Total First Semester (7 day plan)	\$2225.00	\$ 760.00
SECOND SEMESTER		
Matriculation Fee	\$ 700.00	\$ 700.00
Technology Fee (Non-Refundable)	\$ 25.00	\$ 25.00
Registration Fee (Non-Refundable)	\$ 35.00	\$ 35.00
Room Fee	\$ 575.00	
Board (5 day meal plan)	\$ 740.00	
Board (7 day meal plan)	\$ 890.00	
Total Second Semester (5 day)	\$2075.00	\$ 760.00
Total Second Semester (7 day)	\$2225.00	\$ 760.00
Total for Year (5 day meal plan)	\$ 4150.00	\$ 1520.00
Total for Year (7 day meal plan)	\$ 4450.00	\$ 1520.00

Out of state and out of country students will pay a \$1,050 out of state fee each semester. For the out of state fee to be waived, the following criteria must be satisfied:

- The nonresident student was born in the State of Mississippi but subsequently relocated and resided outside the state as a minor under the care of the minor's father or mother, or both;
- The nonresident student is a veteran who served in the Armed Forces of the United States; and
- The nonresident student is domiciled in Mississippi no later than six (6) months after the non-residents student's separation from service, as evidenced by a Report of Separation from Military Service or other military discharge document, for the purpose of enrolling in a state institution of higher learning or a community or junior college.

Cable TV and internet services are provided in residence hall rooms. Telephone service is available for students who choose to pay to receive this service. Contact

should be made directly to Decatur Telephone Company at (601) 635-2251. Each dormitory student is required to purchase a meal plan. Students who prefer the Deferred Payment Plan may pay their board in the following way:

FIRST SEMESTER (5 day)

- \$ 246.00
- \$ 247.00
- \$ 247.00

FIRST SEMESTER (7 day)

- \$296.00- Upon entrance
 \$297.00- September 22, 2008
 \$297.00 - November 3, 2008

SECOND SEMESTER (5 day)

- \$ 246.00
- \$ 247.00
- \$ 247.00

SECOND SEMESTER (7 day)

- \$296.00- Upon entrance
 \$297.00- February 16, 2009
 \$297.00- April 6, 2009

GENERAL INFORMATION

- There is no special charge for music or business courses for full-time students. There is a \$15.00 fee for laboratory science courses and a \$15.00 fee for ceramic courses. There are also various fees for A.D.N., LPN, Surgical Technology, EMT, Healthcare Assistant, and Early Childhood Education Technology. There is also a \$20.00 fee for each online course that a student enrolls in.
- If the deferred payment plan is used and these payments are not met, there will be an additional charge of \$5.00 added to the account.
- There is a \$3.00 ID Fee per school year.
- There is a \$5.00 Parking Fee per school year.
- There is a \$25.00 Technology Fee and a \$35.00 Registration Fee per semester. Both the Technology and Registration Fees are Non- Refundable.
- All fees are payable in advance on the date due as indicated in the "Board Calendar."
- All students who fail to clear their accounts with the college seven (7) school days prior to the starting date for examinations each semester will be dropped from school. A written notice will be mailed to the student when this action is taken.
- For registration on dates other than those listed on the college calendar, there will be an additional charge of \$15.00 added to the account.
- All students who expect to register for the fall semester as scheduled should complete admission requirements by August 1. Students who have not registered as scheduled in the bulletin will be assessed a late registration fee.
- Part-time students are students taking less than 12 semester hours on the main campus. All part-time students will pay fees at the rate of \$75.00 per hour, a non-refundable \$2.00 per hour Technology Fee, and a non-refundable \$3.00 per hour Registration Fee at the time they register. Students taking classes via the Mississippi State Virtual Community College (MSVCC) will pay an additional \$20 per MSVCC class at the time they register.

11. Adults 65 years of age or older may attend East Central Community College with matriculation fees waived.
Adults 65 years of age or older will be responsible for all other applicable fees.
12. East Central Community College reserves the right to change any charges.
13. Holds will be placed on transcripts and records for non-payment of fees, board fines, etc.

ALL FEES ARE SUBJECT TO CHANGE WHEN DEEMED NECESSARY.

Financial Aid Programs

Page 86

Grants/Work-Study/Loans/Scholarships

Federal Pell Grant - Federal Pell Grants are awards to help undergraduates pay for their education after high school. For many students, these grants provide a foundation of financial aid, to which aid from other federal and non-federal sources may be added.

An undergraduate student who does not have a first Bachelor's Degree and who is enrolled in an eligible program may apply for a Pell Grant.

To determine a student's eligibility for the grant, the Department of Education uses a standard formula, revised and approved every year by Congress, to evaluate the information reported on the application for a Pell Grant. The formula calculates an Expected Family Contribution (EFC). The Student Aid Report contains this number and will tell whether a student is eligible for a Pell Grant. Awards for the academic year will depend on program funding. How much a student actually gets will depend on the Expected Family Contribution, the cost of education at East Central, whether a student

is a full-time or part-time student, and how long a student will be enrolled in the academic year.

Four to six weeks after submitting the Free Application for Federal Student Aid, a student will be sent the Student Aid Report (SAR) by the Central Processing System. Once the Student Aid Report is received either from the student or electronically, the Financial Aid Office will then be able to determine a student's eligibility and the amount of the Pell Grant.

A Pell Grant is classified as gift aid; therefore, it does not have to be repaid.

Leveraging Educational Assistance Partnership (LEAP) - The State of Mississippi through a matching grant program with the Federal Government provides grants to eligible students. Full-time students who are Mississippi residents and who demonstrate need as determined by an approved need analysis are eligible. Limited

funds are available under this program and award amounts as determined by an approved need analysis are eligible. Award amounts at East Central range from \$200 - \$600. Because this grant is classified as gift aid, it does not have to be repaid.

State of Mississippi Tuition Grants - The State of Mississippi established the following grant programs in 1995 for eligible Mississippi residents: The Mississippi Resident Tuition Assistance Grant (MTAG) and the Mississippi Eminent Scholars Grant (MESG). Online applications which must be completed and submitted by September 15, or the deadline established each year by the Institutions of Higher Learning, are required to apply for these grants.

Federal Supplemental Educational Opportunity Grant (SEOG) - The Supplemental Educational Opportunity Grant provides grant funds for undergraduate students who have not completed their first undergraduate degree and who are financially in need of this grant to enable them to pursue their education. SEOG funds must be awarded first to students with exceptional financial need and priority must be given to Pell Grant recipients. At East Central these grants generally are awarded in amounts ranging from \$200 - \$600. Like other grants, the SEOG does not have to be repaid.

Academic Competitiveness Grant (ACG) - This federal grant program was made available beginning in the 2006-07 school year for first year college students who graduated from high school after January 1, 2006, and for second year college students who graduated from high school after January 1, 2005. An Academic Competitiveness Grant will provide up to \$750 for the first year of undergraduate study and up to \$1,300 for the second year of undergraduate study. Generally, ACG recipients must be U.S. citizens, be full-time students, be enrolled in a two year degree program, be eligible for a Federal Pell Grant and have successfully completed a rigorous high school program (as determined by the state or local education agency and recognized by the Secretary of Education). To be eligible for the second year, students must also have completed the first year with a cumulative grade point average (GPA) of at least 3.0.

Work-Study - East Central Community College participates in two types of work-study -- Federal Work-Study and Institutional Work-Study. Students who need a job to help pay for their education may be eligible for part-time employment under the federally supported work-study program. Funds for the federal program are limited and students must demonstrate a financial need. East Central offers limited part-time employment for students who do not demonstrate a financial need. The normal work load at East Central is five to ten hours per week. Students participating in the Work-Study program are paid the current minimum wage and are paid on a monthly basis.

Federal Stafford Loan - A Stafford Loan is a low-interest loan made to the student by a lender such as a bank, credit union, or savings and loan association to help with educational expenses. The interest rate for subsidized Stafford loans for undergraduate borrowers is a fixed rate for loans disbursed as follows: July 1, 2006-June 30, 2008 - 6.8%; July 1, 2008-June 30, 2009 - 6.0%; July 1, 2009-June 30, 2010 - 5.6%; July 1, 2010-June 30, 2011 - 4.5%; July 1, 2011-June 30, 2012 - 3.4%. The interest rate is a fixed rate of 6.8% for unsubsidized Stafford loans disbursed on or after July 1, 2006. The maximum amount an undergraduate student may borrow under this program is \$3,500 for the first year in the program of study and \$4,500 for the second year in the program of study. A dependent undergraduate can borrow up to an additional \$2,000 unsubsidized Stafford Loan per year. An independent undergraduate can borrow up to an additional \$4000 unsubsidized Stafford Loan. Stafford Loans are available to students who maintain at least half-time enrollment (six hours). For eligible students the application process consists of several steps and requires the student to sign a promissory note. An entrance counseling session is required for all first-time borrowers prior to the first loan disbursement. A student must begin repaying the loan six months after graduating, leaving school, or dropping below at least half-time enrollment. Two types of Federal Stafford Loans are available: Subsidized Federal Stafford Loans and Unsubsidized Federal Stafford Loans. The combination of Subsidized and Unsubsidized Federal Stafford Loans for a borrower may not exceed the annual loan limits for the Federal Stafford Loan program. A borrower's subsidized loan is determined by calculating the difference between the borrower's financial need and the amount of estimated financial assistance (such as scholarships, grants, work, other loans, Veteran's educational benefits). A borrower's unsubsidized loan amount is determined by calculating the difference between the borrower's cost of attendance for the period of enrollment for which the loan is intended and the amount of estimated financial assistance. A borrower must pay certain loan fees which are deducted proportionately from each loan disbursement.

PLUS LOAN - The PLUS Loan Program is not based on need. PLUS loans are for the parents of dependent students. These loans provide additional funds for educational expenses. The interest rate for these loans is a fixed interest rate of 8.5% for loans disbursed on or after July 1, 2006. Like Stafford Loans, PLUS Loans are made by a lender such as a bank, credit union, or savings and loan association. PLUS enables parents to borrow up to the difference between the student's cost of attendance and the amount of estimated financial assistance. A borrower must pay certain loan fees which are deducted proportionately from each loan disbursement. For the PLUS loan, loan fees are generally 4% of the loan amount. A separate application is required to apply for the PLUS loan. Generally repayment of the PLUS loan begins within 60 days of the disbursement of the loan.

The Tony Dobbs Memorial Golf Scholarship - This scholarship was established in 2004, in honor of the memory of the late Tony Dobbs. Funding has been provided by the Forest Country Club's annual crawfish tournament and private donations. Tony was a 1980 graduate of Forest High School, where he lettered in golf, football, and baseball. Tony was an avid outdoorsman who lived life to the fullest.

To be eligible, a recipient must:

- Be a legal resident of Leake, Neshoba, Newton, Scott, or Winston County;
- Maintain a 2.0 GPA;
- Be a member of the ECCC golf team; and
- Be an incoming freshman

The recipient will be selected by the ECCC Scholarship Committee in consultation with the ECCC golf coach. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award.

The Martha Kate Tullos Hummel Scholarship - This scholarship endowment was funded by her husband, Donald, her sons Andrew, Robert, Jeffrey, her family, and friends. A native of Choctaw County, MS, Martha Kate graduated with honors from Louisville High School. At East Central Junior College, she received the highest recognition when her name was inscribed on the "Hall of Fame" at East Central for exhibiting exemplary character, superior scholarship, leadership, and contribution to the betterment of the College. She also participated in the band, choir, ECJC Players, and was voted a class favorite. Throughout her life, Martha Kate was active in the United Methodist Church. In later years, Martha Kate had lead roles in several Little Theater Stage productions. She directed and sang in "Harmony," a female choral group. Also, she was very active in organizing the 57- 58-59 East Central Alumni Group which met every year at Homecoming.

The East Central Community College Scholarship Committee will make the selection from the applicants who have completed the application process and met the general eligibility requirements.

To be eligible for the scholarship the student must:

1. Be a legal resident of the 5-County District;
2. Have a minimum 3.0 grade point on a 4- system;
3. Be a full time student starting the sophomore year; and
4. Be a music major or an engineering major.

All funds contributed shall go into the endowment fund. The amount of the scholarship will be \$500.00 the first year and increase by \$25 each year

thereafter. No part of the endowment corpus may be used for scholarship awards. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Johnson-Taylor Memorial Scholarship – This scholarship was established in 2008 by Bruce and Susan Taylor to honor the memory of their parents, Elmer and Frances Johnson and Wilson and Marguerite Taylor. Their parents collectively gave close to 100 years of service in the education field.

Elmer H. Johnson, originally from Beulah Hubbard, attended ECCC and graduated from Mississippi State University and later received his Masters of Education from MSU. He taught in public schools in Neshoba County, Smith County, and Newton County. For most of his career, he taught vocational education in Newton County.

Frances Aycock Johnson, originally from Rose Hill, also attended ECCC and received her B.S. from MSU in business education. She later received an Elementary Education Certificate and a Masters degree in Elementary Education. She taught in Neshoba County, Smith County and Newton County. The majority of her teaching years were teaching fourth graders in the Newton County School System.

Wilson E. Taylor of Decatur graduated from ECCC and USM and later received his Master of Education Administration Degree. During his teaching career, he taught at ECCC, and high schools in Newton County and surrounding areas. He also served as Superintendent of Newton County Schools for one term.

Marguerite Kemp Taylor originally of Nanih Waiya provided great support for Wilson during his education and career and was a wonderful role model and teacher for her children.

All five children reared by the Johnsons and the Taylors attended ECCC and then pursued degrees from MSU and USM. The five combined for two Bachelor degrees, three Masters degrees, and one PhD.

Criteria for the scholarship:

1. The student must be a resident of the ECCC five count district;
2. A full-time student of ECCC who has completed enough hours to be classified as a sophomore;
3. Be actively pursuing an Education major; and
4. Have maintained a minimum 2.75 grade point average on a 4.0 scale.

The amount of the scholarship award, to be given for both semesters of the sophomore year, will be based on earnings from the endowment corpus. No part of

the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from the applicants who meet the criteria listed above.

It is hoped that this scholarship will be used to produce new teachers in the education field and continue the seeds of excellence started during the teaching careers of these parents and educators.

Classes of 1957, 1958 and 1959 Scholarship – This scholarship endowment was initiated in January 2008 by the '57-'58-'59 East Central Alumni Group. This group was first organized in 1998 by the late Martha Tullos Hummel, Class of 1958. She treasured the memory of her classmates and remembered that many warm friendships had been formed during her East Central years. In recognition of this and the hope to re-establish a connection, she encouraged the members of these three classes to attend special meetings each year at Homecoming. These meetings have been well-attended each year since, and the idea for this scholarship was inspired by those friendships.

The following policies and requirements relate to the administration of this scholarship:

1. All funds contributed will be placed in an endowment with only the interest expended each year for the scholarship awards. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship awards. No part of the endowment corpus shall be used for the scholarship awards.
2. A recipient will be selected annually by the East Central Community College Scholarship Committee from the pool of applicants.
3. To be eligible, potential recipients must meet the following criteria:
 - a. Must be a full-time ECCC student starting Sophomore year;
 - b. Must have had a 3.0 average during Freshman year and must maintain a 3.0 average during scholarship period;
 - c. Must demonstrate financial need as determined by the College Scholarship Committee; and
 - d. Must not be involved in any activity which would bring discredit to ECCC.

4. The recipient may be enrolled in any major and will not be restricted by place of residence. However, first priority shall be given to applicants who are lineal descendants of '57, '58 or '59 alumni.
5. The scholarship will be available to the recipient beginning the fall semester of the sophomore year. One-half of the scholarship will be awarded the fall semester and one-half will be awarded the following spring semester. To retain the scholarship for the spring semester, the student must earn the required 3.0 grade point average on the 4.0 scale during the fall semester.
6. Applicant must write an essay about career objectives and the plan for achieving those objectives.

Andrew Wilson Lathem Scholarship – This scholarship was established in February of 2008 by the family of Andrew Wilson Lathem. He was the eighth child of William Andrew and Mattie Brantley Lathem of Sebastopol, and he was the only one of the ten children to attend college. He worked his way through East Central Junior College and Mississippi State University by milking cows owned by the colleges. He was a member of the Sebastopol High School Class of 1938 and the ECJC Class of 1940. After graduation from Mississippi State University, he was employed by the United States Bureau of Indian Affairs with his first assignment in Cherokee, North Carolina. He also served on reservations in Hoopa, California and Window Rock, Arizona. After serving over 30 years with the Bureau, he retired to Allen, Texas, where he worked for over 20 years in the garden center and an as a greeter for Wal-mart. He retired at the age of 87. He believed in the value of an education and the work ethic. This scholarship is being established in memory of his dedication to helping others over the years to become educated individuals.

This scholarship will be awarded annual – dependent on the availability of funding – to a freshman student for the fall semester.

To be eligible for the Andrew Wilson Lathem Scholarship the student must:

- 1) Be a freshman student enrolled at East Central Community College;
- 2) Have a GPA of 3.5;
- 3) Be majoring in either agriculture or secondary education;
- 4) Not have been selected valedictorian or salutatorian by his/her high school;
- 5) Display good character and be hard working; and
- 6) Preference will be given to a Sebastopol High School graduate.

The recipients will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above.

Willis W. (Bubba) Smith Memorial Scholarship – This scholarship was started in 2008 in memory of Willis W. (Bubba) Smith, a graduate of Decatur High School, East Central Community College, and The University of Southern Mississippi.

Bubba Smith was an outstanding student, a friend to all, and a fun loving person. He was a student leader, earned the rank of Eagle Scout, and was an Army helicopter pilot in the Vietnam War. He was killed in combat on April 19, 1968.

The Willis W. (Bubba) Smith Memorial Scholarship will be awarded to a Newton County High School graduate enrolling at East Central Community College.

Criteria for applicants of the Smith Scholarship are as follows:

1. Must be a resident of the United States;
2. Must be at least a B average student;
3. Plan to enroll full time at East Central as a freshman the fall semester after graduating from Newton County High School;
4. Demonstrated leadership abilities; and
5. Be free of any disciplinary problems.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. The recipient of the scholarship will be selected annually by the College Scholarship Committee.

Dustan Todd Memorial Scholarship – With loving memory of Dustan Eugene Todd, this scholarship was established in 2006 by his parents, David and Ann Todd, and his brother, Travis Todd. Dustan was a 2002 graduate of Newton County High School. While attending high school Dustan received several awards consisting of Honor Roll, United States Achievement Academy, National Beta Club, National Future Farmers of America Organization & Scholarship, Who's Who Among American High School Students, and Mu Alpha Theta along with an ACT scholarship. Dustan was a 2004 graduate of East Central Community College in the Drafting and Design Technology program. While attending East Central he also received honors including being a member of Phi Theta Kappa the International Honor Society for Two Year Colleges and Who's Who Among Students in American Junior Colleges.

Dustan was tragically killed in an automobile-motorcycle accident on April 28, 2004. He loved life to the fullest and loved being with his family and friends. He was an avid golfer, fisherman, hunter, and loved anything that pertained to outdoors. His plans were to have a job doing what he had found to be his true desire which was drafting and surveying. Dustan had accepted a job and was ready to graduate and continue his life fulfilling his dreams. His family wishes for Dustan's memory to live

on at East Central Community College in an endowed scholarship to help a deserving student succeed with their goals and dreams and to remember Dustan had a part in helping them with their life's goals and accomplishments.

To be eligible, scholarship applicants must meet the following criteria:

1. Be a graduate of Newton County High School;
2. Enroll as a full time freshman student at East Central Community College after high school graduation for the fall semester;
3. Major in Drafting and Design Technology;
4. Demonstrate a financial need;
5. Have a "B+" or above GPA while attending high school; and
6. Maintain a "B+" or above GPA while in this field of study their freshman year at East Central Community College.

The scholarship will be awarded annually at Awards Day of Newton County High School. The award will be for the fall and spring semesters of the recipient's freshman year at East Central.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for scholarship awards. Recipients will be selected by the College Scholarship Committee. In the event no qualified recipients apply for the scholarship, no award will be given.

Revised 6/10/08

Aaron R. Davis Memorial Scholarship – This scholarship was established in 2006 by family and friends to honor the life and work of Ron Davis, who contributed 29 years to science education in the state of Mississippi. A graduate of East Central Community College, Mr. Davis earned a bachelor's degree in biology from the University of Southern Mississippi and a master's degree from Mississippi State University in science education. For 19 years, Mr. Davis was an outstanding instructor of biology, zoology, and anatomy/physiology at ECCC, and he served for 10 years as department chair of the science division, providing knowledge and support to faculty, students, and the ECCC community at large. As sponsor of Sigma Sigma Mu Tau, an organization for students interested in health careers, Mr. Davis mentored many students in regard to coursework, applications, and decision-making. Praised for his skill and compassion as a teacher and advisor, Mr. Davis was recognized with the Instructor of the Year Award, HEADWAE Award, and a medallion

for teaching excellence from the National Institute for Staff and Organizational Development.

The scholarship will be awarded annually to an ECCC student returning for his or her sophomore year majoring in science, with special consideration to majors in the medical fields. The annually scholarship recipient will be chosen by a consensus of the ECCC science faculty.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

Revised 6/10/08

Financial Aid Application Requirements

Page 156

1. New students must also complete an Application for Admission to East Central Community College.
2. Complete the Free Application for Federal Student Aid (FAFSA).
 - a. Complete the FAFSA by choosing one of three filing methods.
 Method 1: Apply online at www.fafsa.ed.gov (recommended method)
 Method 2: Download and print a PDF FAFSA from www.federalstudentaid.ed.gov/fafsa/fafsa_options.html to complete and mail
 Method 3: Request a paper FAFSA by calling the Federal Student Information Center at 1-800-433-3243 to complete and mail
 - b. List the East Central Community College Code in the "Colleges to Receive Information" section of the FAFSA. (Section 5 online or Step 6 PDF or paper FAFSA)
 EC Federal school code – 002404
 EC Address – PO Box 129, Decatur, MS
 - c. After the submitted FAFSA has been processed, the SAR (Student Aid Report) will be sent by email or regular mail (Note: SAR will be sent by email only if an email address was provided on the FAFSA).
 FAFSA processing time will vary depending upon the filing method:
 3 – 5 days for online filers signing with PIN # or
 up to 3 – 4 weeks for online filers who mailed a signature page and for filers who mailed the paper or PDF FAFSA
 - d. Review the SAR carefully to make sure it is correct and complete.
 The SAR will contain comments from the processors about the student's eligibility and will let students know if additional information is needed. The college may also be required to request additional information such as the U.S. Income Tax Return and other documents or forms to complete

verification or to review discrepancies on the SAR.

3. To apply for student loans and/or work-study, students must indicate on the FAFSA (question 26) that they are interested in applying. Additional forms and applications will be required for these programs.
4. The priority deadline for applying for financial aid at East Central Community College is April 1 (for the upcoming fall semester). The processed date of the FAFSA (as indicated on the Student Aid Report) must be on or before April 1 to receive full consideration for financial aid. Additional applications will be accepted and are encouraged after April 1; however, no assurance can be given that funds will be available in all programs. Aid is awarded on a first-come, first-served basis.
5. All students must reapply for financial aid each academic year.

Note: Mississippi students may apply for state-funded programs which include MTAG, MESG, HELP, and other programs described at the MOSFA (Mississippi Office of Student Financial Aid) website. An online application must be completed by the program deadline and additional information may be required; therefore, students should read the information and instructions provided on the MOSFA website. Contact MOSFA at 1-800-327-2980 or at the following website: www.ihl.state.ms.us (then select Financial Aid).

Healthcare Education Programs

Page 191

Surgical Technology

Student activities associated with the curriculum, especially while students are completing his or her clinical rotations, will be educational in nature. Students will not be receiving any monetary remuneration during this educational experience, nor will he or she be substituted for hired staff personnel within the clinical institution, in the capacity of a surgical technologist. Students who work at a clinical institution must work after clinical hours only, and students must be pre-approved to work by the surgical technology instructors and their employer (hospital, etc.). Students are under the supervision of East Central Community College surgical technology instructors during clinical hours, 6:30 a.m.-3:00 p.m. After 3:00 p.m. students working are under the supervision of the clinical institution.

TECHNICAL CORE CURRICULUM

Page 201

To complete the requirements for the A.A.S. degree, the students must complete the 18 semester hour Technical Core Curriculum which includes the following:

English Composition 3 sem. hrs
Humanities/Fine Arts 3 sem. hrs.

Social/Behavioral Sciences	3 sem. hrs.
College Algebra/Lab Science	3-4 sem. hrs.
Oral Communication	3 sem. hrs.
Computer Science	*3 sem. hrs.
	18-19 sem. hrs.

* or demonstrated competence on computer-based equipment in the skill area.

Dual Enrollment Practical Nursing High School Seniors Only Advisor: Mrs. Melanie Pinter

The Practical Nursing program prepares the individual to assist in providing general nursing care requiring basic knowledge of the biological, physical, behavioral, psychological, and sociological sciences; and of nursing procedures which do not require the substantial skills, judgment, and knowledge required of a registered nurse. This care is performed under the direction of a registered nurse, licensed physician, or dentist. Students that complete the program requirements, as identified by the Mississippi Department of Education, will be eligible to apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN®). The State Board of Nursing may refuse any individual the right to take the NCLEX-PN® based on previous criminal records.

New Courses

ENG 1013 — BEGINNING ENGLISH — ENG 1013 is designed to meet the needs of students whose skills in written communication require some standardization. Emphasis is on Basic English grammar through varied writing assignments with a review of mechanics, sentence patterns, and a correct usage. Three hours per week. Three semester hours credit.

ENG 1023 — INTERMEDIATE ENGLISH— Designed to prepare students for English Composition. Concepts covered include paragraph and essay development with an emphasis on content and structure. Grammar skills related to the writing process are reviewed. Prerequisites: ACT English sub score of 12-14 or successful completion of ENG 1013. Three hours per week. Three semester hours credit.

PSY 2553 — PSYCHOLOGY OF PERSONAL ADJUSTMENT—A course to aid in developing an understanding of the causes and symptoms of emotional maladjustment. Emphasis is placed upon preparing the students to anticipate and deal with their own problems and to improve their understanding of the behavior of others. Prerequisite PSY 1513. Three semester hours credit.

ATT 2434—ENGINE PERFORMANCE II—This is a course designed to provide advanced skills and knowledge related to the ignition system, fuel, air induction, and exhaust systems. It includes instruction, diagnosis, and correction of problems associated with in these areas. Two hours lecture. Four hours lab. Four semester hours credit.

CAV 2913 — A course to provide students with an opportunity to utilize skills and knowledge gained in other Residential Carpentry Technology courses. The instructor and student work closely together to select a topic and established criteria for completion of the project. Prerequisites- Sophomore standing in Residential Carpentry Technology or consent of the instructor. Six hour lab, three semester hours.

LITERACY TASK FORCE

Gene Davis, Chair; Chris Clark, Sherri Cliburn, Tina Harris, Kate Keenan, Sharon LeJeune, Maxine McKee, Lisa O'Neill, Haywood Reeves, Melinda Smith, Roger Whitlock, Lucretia Williams, Bill Wilson

PUBLIC RELATIONS TASK FORCE

Bubby Johnston, Chair; Dr. Lisa McMillin, David Case, Gene Davis, Natalie Emmons, Romonica Evans, Bruce Guraedy, Joe, Johnson, Joe Killens, Joseph Knight, Donna Luke, Dr. Lavinia Sparkman, Mickey Vance, Roger Whitlock

RECRUITMENT AND RETENTION TASK FORCE

Joe Killens, Chair; Michael Alexander, Maurice Bowie, Jared Brownlee, Christi Gregory, Brenda Carson, Tom Carson, Gene Davis, Bruce Guraedy, Lanette Hanna, Tina Harris, Ricky Harrison, Alexei Huguley, Bubby Johnston, Tony Kinton, Maria McLeod, Betsy Mann, Jonathan Peebles, Maudean Sanders, Katie Sparkman, Dr. Lavinia Sparkman, Mickey Vance, SBA President, and Warrior Corps President

SACS LEADERSHIP COMMITTEE

All Vice Presidents of the College and Dean of Institutional Effectiveness

SAC'S QUALITY ENHANCEMENT COMMITTEE

All Personnel

SAFETY COMMITTEE

David Blackledge, Nan Anderson, Joe Barrett, Wanda Brackeen, Katrina Bryant, Vicky Blaylock, Theresa Cole, Gene Davis, Katherine George, Marc McCool, Vikki McNair, Lucretia Williams, Gloria Rigdon, Curt Skipper, Martie Vaughn

SCHOLARSHIP

Vice President for Student Services, Chair; Brenda Carson, Sue Ford, Wanda Hurley, Brenda Johnson, Mickey Vance

STAFF DEVELOPMENT

Deborah Hammons, Chair; Phillip Crenshaw, Kim W. Hardy, Gerald Jordan, Gloria McRae, Kelly Miller, Tosha Sanders

TECHNOLOGY PLANNING

David Case, Chair; Jim Blackburn, Kelly Cluff, Wayne Eason, Pam Fowler, Danny Gressett, Bruce Guraedy, Judith Hurtt, Gloria Johnson, Brenda Johnson, Joe Killens, Dr. Lisa McMillin, William Miles, Derek Pace, R.T. Purvis, LeAnn Shirley, Curt Skipper, Dr. Lavinia Sparkman, Mickey Vance

GENERAL CALENDAR

2008-2009 REGULAR SESSION

FIRST SEMESTER

FALL 2008

August 11, Monday.....	Begin Football, Soccer, & Band Practice
August 14, Thursday.....	New Faculty Orientation
August 15, Friday.....	Orientation & Registration for New Students
August 18-20, Monday-Wednesday.....	Faculty Meetings & Workshops
August 19, Tuesday.....	Fees Due
August 20, Wednesday.....	Residence Halls Open at 8:00 a.m.
August 21, Thursday.....	Begin Day Classes
	Late Registration Fee Charged
August 22, Friday.....	MSVCC Registration Ends
August 25, Monday.....	Begin Evening Classes
	MSVCC Classes Begin
September 1, Monday.....	Labor Day Holiday (Evening Classes Meet)
September 5, Friday.....	Last Day to Register or Change Classes for Evening and Day
October 3, Friday.....	Last Day to Remove I's of Previous Semester
October 10, Friday.....	Mid-Term Ends
October 15, Wednesday.....	Mid-Term Grades Due By 8:00 a.m.
October 27, Monday.....	MSVCC Spring 2009 Registration Begins
November 7, Friday.....	Last Day to Drop a MSVCC Course with a W
November 21, Friday.....	Last Day to Drop an Evening Course with a W
	Thanksgiving Holidays Begin at 3:15 p.m.
November 24-28, Monday-Friday.....	Thanksgiving Holidays
December 1, Monday.....	Spring Semester Advance Registration Begins
	Resume Regular Class Schedule
December 5, Friday.....	Last Day to Drop a Day Course with a W
December 8-11, Monday-Thursday.....	Evening Final Exams
December 15, Monday.....	Final Evening Grades Due 8:00 am
December 15-18, Monday-Thursday.....	Day Final Exams
December 18, Thursday.....	Christmas Holidays Begin for Students 12:30 p.m.
	Residence Halls Close 2:00 p.m.
	Final Day Grades Due 2:30 p.m.

SECOND SEMESTER SPRING 2009

January 1, Thursday	New Year's Day Holiday
January 9, Friday	New Orientation & Registration Fees Due
January 11, Sunday	Residence Halls Open at 2:00 p.m.
January 12, Monday	Begin Day & Evening Classes Late Registration Fee Charged

CHAPTER 2

GENERAL INFORMATION

PURPOSE OF THE COLLEGE

VISION STATEMENT

East Central Community College is committed to providing educational opportunities and services to assist individuals in meeting their goals for life and work.

MISSION STATEMENT

The College, located in east central Mississippi, is a public, open door, comprehensive, two-year institution of higher education that values and demonstrates accessibility, affordability, excellence and integrity in teaching and learning by providing university transfer education, career-technical programs, workforce development services, and basic skills offerings to meet the life-long learning needs of its diverse students and community.

INSTITUTIONAL GOALS

1. To provide effective instructional programs for the first two years of university-parallel curricula to prepare students for successful transfer to senior institutions.
2. To provide vocational, technical, and health-related programs designed to prepare students for immediate employment.
3. To provide a developmental program of instruction to raise basic skills levels of students whose academic foundation requires strengthening.
4. To provide enriched educational experiences for the academically talented students to enhance their academic challenges.
5. To provide guidance, counseling, and other student services to aid students in the attainment of personal, educational, and occupational goals.
6. To provide specialized training programs and services which will develop a productive workforce for new and expanding district businesses and industries.
7. To provide administrative services and technology to support the College in its commitment to offer a high quality, innovative educational program and services for its constituents.

8. To provide community services, continuing education programs, adult basic education programs, and GED preparation/testing to meet the educational, occupational, and personal needs of both youth and adults and to cooperate with high schools and service agencies in providing community education programs.
9. To provide a cultural and recreational center for the service area by offering a broad range of programs to enrich the community and to enhance creative expression in music, dance, theater arts, visual arts, sports, and recreation.

HISTORY OF THE COLLEGE

In 1928 the Legislature of the State of Mississippi adopted the first basic laws for the organization and operation of Mississippi public junior colleges.

East Central Community College opened its doors to a freshman class of twenty students for the first regular session in September of 1928.

The college occupied buildings that were a part of the Newton County Agricultural High School, which had been organized in 1914. The Agricultural High School was located on property belonging to the Decatur Municipal School District, which had been created in 1912. The upper high school grades that comprised the Newton County Agricultural High School were a part of the college until 1958 when they moved to the Decatur Attendance Center.

In March of 1939, East Central Junior College was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools. It has been reaffirmed each decade since. Today the College holds membership in the American Association of Community and Junior Colleges, The Southern Association of Colleges and Schools, The Mississippi Association of Colleges, and The Mississippi Community and Junior Colleges Association.

Originally the institution was supported by three counties — Newton, Neshoba and Scott. Later they were joined by Leake and Winston.

From the two members of the original faculty of East Central Community College, Mrs. W.W. Newsome and Mr. Robert Marshall, the number of full and part-time personnel has increased to over 240 for the current year. Since its founding, seven presidents have served the institution.

COLLEGE PLANT AND EQUIPMENT

Through the cooperative efforts of the district and the state legislature, the College has experienced growth in buildings and facilities during the past several years. The College plant consists of approximately 150 acres with buildings and facilities now valued at over ten and one-half million dollars. There are twenty-six main brick buildings. All residence halls, classrooms and offices are air-conditioned. In addition to facilities sufficient to sustain the general education program, laboratories are provided for art, engineering drawing, audio visual education, applied music, dramatics, reading, athletic and recreation activities, and scientific and vocational education.

WALTER ARNO VINCENT ADMINISTRATION BUILDING

Occupied at the beginning of the 1978-79 school year, the administration building houses the offices of the president, vice president for instruction, vice president for business operations, vice president for foundation and alumni relations, dean of adult and continuing education, director for technology management, and the Board of Trustee's room. Proper vault facilities for the business office and adequate storage for all offices are provided in the building. The 7,995 square foot facility was built in 1962 as the library for the College but was renovated for administrative use when the Burton Library was occupied. It is modern, spacious, and comfortable and is located on the front of the campus adjacent to Huff Auditorium.

ERMA LEE BARBER HALL

With over 26,500 square feet, this dormitory houses approximately 128 women. This welcome addition to the campus was opened in the fall of 1999. The building is both aesthetically pleasing and very functional in design. It is equipped with all modern conveniences and meets all standards for fire safety and energy conservation.

ASSOCIATE DEGREE NURSING/CHILDCARE BUILDING

Containing over 20,000 square feet of floor space, this facility opened in 1996 and houses both the associate degree nursing and child care programs. This modern facility contains classrooms, lecture rooms, computer labs, and laboratories.

BRACKEEN-WOOD PHYSICAL EDUCATION BUILDING

This building was constructed in 1970 and is located near the football stadium. Offices for football, baseball, basketball, soccer, and softball are housed in this facility in addition to dressing facilities, the varsity basketball court, and the weight room.

BRADFORD J. TUCKER APPLIED TECHNOLOGY CENTER

Containing over 58,000 square feet of floor space, this facility opened in 1969 and houses automotive technology, collision repair technology, business and office technology, computer technology, drafting and design technology, electrical technology, electronics technology, heating and air conditioning technology, machine shop technology, and welding.

BURTON LIBRARY

Occupied during the 1976-77 academic year, Burton Library is located near the center of the campus and contains a large reading/research area, a spacious lobby, librarians' offices, a workroom, study room and two special collections (The Mississippi Room and the Memorabilia Room). Burton Library also house the Conference Room for the Phi Theta Kappa Honor Society. Total seating capacity for 250 patrons is strategically located in mostly individual and group carrels. Shelving is provided for the housing of approximately 50,000 volumes. Provisions are made for non-book materials, including audiovisual resources in variety of formats and technologies. Burton Library system is fully automated, manned by SirsiDynix.

CROSS HALL

The science building contains the classrooms and laboratories for the biological and chemical sciences. In 1990, the chemistry laboratory was completely renovated with modern laboratory tables, equipment, and controlled, vented chemical storage areas added.

FACULTY HOUSES

There are thirteen of these houses located at various sites on the college property.

FOUNDERS GYMNASIUM

One of the original college facilities, the gymnasium has hosted many regional and state basketball events in addition to regular East Central games.

RICHARD C. ETHRIDGE HALL

Part of the old Newton County High School property purchased by the College in 1995, this facility is currently used by the College for the Gerontology Technology Program, academic classes, ABE/GED classes, and office space. The Decatur Public Library is also housed in this facility. This facility is located on South Campus.

HUFF AUDITORIUM

Located in the center of the front campus, Huff Auditorium is the most prominent building at East Central Community College. The auditorium was constructed in 1953 and named for J. Knox Huff who served

as a member of the Board of Trustees of East Central Junior College for twenty-three years. He served as Chairman of the Board from 1948 through 1952. This structure has a seating capacity of one thousand and is conveniently located at the front of the campus. The auditorium has excellent acoustics and equipment and is used by the College and community for a variety of activities. Located on the ground floor are faculty offices and the office of Public Information. A major refurbishing of Huff Auditorium was funded by donations to the East Central Community College Development Foundation, Inc.

JACKSON HALL

The freshman women's dormitory was remodeled in 1963, 1978 and again in 1989. It houses 125 women and contains the office and apartment of the dormitory supervisor.

LEAKE HALL

This two-story building containing sixteen apartments was originally constructed for married students. Today it is occupied by both faculty, honor students, and married students. A major renovation of this building was completed during the 1994 spring semester.

MABRY DINING HALL

Remodeled in 1979, this facility contains four dining rooms. The main dining room has a seating capacity of 300. Other dining rooms are the Gold Room, which seats 120; the Gordon Room, which seats 50; and the Magnolia Room, which seats 20.

NESHOBA COUNTY HALL

This two-story dormitory for men was constructed in 1971. It consists of thirty-one rooms which house sixty-two students

NEWSOME HALL

Completed in 1957, and renovated in 1989, the dormitory is equipped with modern furniture and appliances and accommodates fifty to sixty men and the dormitory supervisor. New p-tac units were installed in 2004.

NEWTON HALL

This two-story classroom building was constructed in 1975 and houses the English, Social Science, History, Journalism, Education, and Psychology departments. Also, sixteen faculty offices are located in this building along with several support facilities.

FRANK T. RIVES EDUCATIONAL BUILDING

Part of the old Newton County High School property purchased by the College in 1995, this facility is currently used by the College for the Surgical Technology Program, the EMT-Paramedic Program, the

Practical Nursing Program, a Ceramics Lab, a Computer Science Lab, a Physics Lab, academic classes, and office space. This facility is located on South Campus.

F. CLINTON RUSSELL MAINTENANCE COMPLEX

This facility was constructed in 1947 and was utilized by the Mississippi Army National Guard from that date until 2006, by virtue of a 99 year lease agreement with the College. In 2006, the lease was terminated reverted back to the College. This facility houses the office of the physical plant director and also provides space for the various maintenance operations of the College.

At the time of construction, the main building was of the complex was dedicated and named for General W. P. "Pat" Wilson who served the College as teacher, coach, and athletic director from 1933 until 1940. In 1947 he was appointed Adjutant General for the State of Mississippi.

In 2006, the complex was named in honor of Mr. F. Clinton Russell who served the College as Physical Plant Director from 1964 until his retirement in 1992.

SCOTT COUNTY HALL

This two-story dormitory for men was constructed in 1972. It consists of an apartment for the director of housing and thirty-one rooms which house sixty-two students.

SOUTH CAMPUS GYMNASIUM

Part of the old Newton County High School property purchased by the College in the fall of 1995, this facility is currently being used by the College for overflow athletic events and camps.

EDDIE M. SMITH STUDENT UNION

Student Services moved into this modern 12,500 square foot complex in the summer of 1999. This ultra modern building houses Student Services, Financial Aid, the Student Nurse, Admissions, Records, and Research, and the Career Center. This complex also contains conference rooms and counselors' offices. Phase II of the Student Union opened during the spring of 2006. This 20,749 square foot addition to the Student Union houses the Office of Admissions, Records, and Research, the Student Grill, Bookstore, Activity Center, Fitness Center, a computer lab, and a student lounge area.

TODD HALL

This dormitory for men was completed in 1957. It is arranged in suites rather than conventional halls found in most men's dormitories. Seventy two men are housed in this dormitory. A total renovation was completed in 1989 to bring this dormitory to present day standards for fire safety and energy conservation.

THE OVID S. VICKERS FINE ARTS CENTER

Occupied in 1969, this facility contains a 212 seat auditorium, a choral room, a band room, a music library, a listening room, classrooms, and art studios.

THE VOCATIONAL-TECHNICAL ANNEX BUILDING

Completed in 1969, this building is located on the north side of the campus and contains classrooms, offices, and laboratories for several vocation-al-technical programs.

WINSTON HALL

This residence hall was completely renovated in 1989 and 1990 with structural changes to bring it up to modern standards for housing students. This renovation provided an energy efficient, attractive facility for men. It consists of forty-one rooms which house eighty-two students.

WORKFORCE DEVELOPMENT CENTER

Completed in 1995, this modern building has over 2,700 square feet. Its nine offices and conference room provide space for the industrial and economic development activities of the College.

ATHLETIC FIELDS/PRACTICE FIELDS

BILL AND LOUISE BAILEY STADIUM

This facility anchors the North Campus Athletic complex, and is the home of the Warrior football team. In addition to college football home games, the facility is utilized for other athletic, community, and institutional events.

Severely damaged by hurricane Katrina in 2005, the stadium was refurbished with federal and private funds.

BAND PRACTICE FIELD

This field is located south of the baseball field and includes a director's tower.

FOOTBALL PRACTICE FIELD

This practice field is located west of the football stadium.

INTRAMURAL FIELD

This playing field is located north of the baseball field and contains an area for intramural sports.

CHRIS GAY IV MEMORIAL BASEBALL FIELD/JAMIE CLARK STADIUM

Situated near the football stadium this well located facility was completed with a gift from the family of former student Chris Gay IV. It has up-to-date lighting, a press box, and aluminum seating.

SOCCER FIELD

The soccer field is located on the College's North Campus next to the women's softball field. This facility was completed in the summer of 1999.

TENNIS COURTS

Located north of Newsome Hall, this facility contains four lighted tennis courts.

WOMEN'S SOFTBALL FIELD

This lighted playing field is located north of the baseball field. Construction of this field was completed during the 1994 spring semester.

GARDENS, PARKS, RECREATION

THE DAY ARBORETUM

Established as a memorial to the Day family and the wife of the second president of the College, the arboretum is a campus teaching laboratory. The arboretum contains a variety of tree specimens that have been catalogued and published for students and groups to learn about various trees native to this area.

THE EAST MALL

This area is the living room of the campus and includes a patio and stage area for various events on campus. The mall also serves as the focal point of the Day Arboretum and is located between the Vincent Administration Building, Mabry Memorial Cafeteria, Newton Hall, and Huff Auditorium.

FITNESS TRAIL

Located on the north side of the campus, this one-half mile trail is lighted, landscaped, equipped with exercise stations, and is handicapped accessible.

HARRISON MEMORIAL GARDEN

This park is dedicated to the memory of Crystal and C. J. Harrison, children of Mr. Ricky and Mrs. Jeanine Harrison. The garden is centrally located.

DICK LIVINGSTON RECREATIONAL/STUDY TRAIL

Located on the north side of the campus, this trail is an extension of the one-half mile fitness trail and follows the contour of the College pond. This three-fourths mile trail is lighted, landscaped, and handicapped accessible. The trail is named in memory of Representative Richard L. "Dick" Livingston.

PAVILION

Located on the north campus, this structure is situated to provide a scenic view of the College Pond and the Dick Livingston Memorial Study/Recreational Trail. This structure is utilized by the College for various functions and is also available for use by the community.

SULLIVAN PARK

Located on the east side of campus adjacent to the College's tennis courts, this park was dedicated in memory of Ms. Janie Sullivan and was provided for by private donations. It has various plant life, modern lighting, and park benches/tables providing enjoyment for the student body and the public.

STUDENT ORGANIZATIONS

Student organizations include:

Freshman Class, President's Council, Sophomore Class, and Student Body Association

Honor Society:

Phi Theta Kappa

Curricular organizations include:

Alpha Alpha Epsilon, ASNEC, HOSA, Mu Alpha Theta, Phi Beta Lambda, Sigma Mu Tau, Student Education Association, and Skills-USA

Special interest organizations include:

Accents, Athletics, Band, Cheerleaders, Collegians, Diamond Girls, ECCC Choir, East Central Environmental Club, Gospel Choir, EC Business Club, Native American Association, New Directions, Residence Hall Councils, S.A.D.D., Warrior Corps, Adult Warrior Corps

Religious organizations include:

Baptist Student Union, Newman Club, Wesley Foundation, and Fellowship of Christian Athletes

Publications include:

Tom-Tom and Wo-He-Lo

CHAPTER 3

ACADEMIC POLICIES

REQUIREMENTS FOR ADMISSION

Implementation of specific admission policies is the responsibility of the administration and faculty of the institution. East Central Community College ascribes to an "open admissions" policy consistent with all appertaining laws. The College embraces the philosophy that students be provided the opportunities for learning experiences, e.g. developmental courses, counseling, tutorial assistance, etc., that will help the individual students succeed in achieving their educational goals. Further, the College utilizes relevant diagnostic instruments to determine the strengths and needs of students in order to assist them in the selection of the most appropriate program options. There are no programs at East Central Community College designed for transfer to senior institutions that require a minimum ACT score for admission.

East Central Community College is committed to excellent post-secondary education opportunities. East Central does not exclude from participation in, deny the benefits of, or otherwise discriminate against any person in any program or activity of the College on the basis of race, religion, color, national origin, sex, and age or disability. This is in compliance with Title VI of Civil Rights Act of 1964; Title IX, Educational Amendments of 1972 of the Higher Education Act, Section 504 of the Rehabilitation Act of 1973, as amended and the American with Disabilities Act of 1990 (ADA).

ACADEMIC AND TECHNICAL STUDENTS

To be admitted as a full-time student to an academic or technical program, an applicant must meet one of the following criteria:

The completion of no more than one unit less than the minimum acceptable high school units as prescribed by law; or

1. A General Educational Development (GED) certificate; or
2. A High School Diploma; or
3. A Mississippi Occupational Diploma; or
4. An official transcript from an accredited college or university.

Before admission can be granted, the following must be on file in the Office of Admissions, Records, and Research:

1. An official college application which may be completed by using the form provided in the back of the catalog or online at the East Central Community College Web Page <http://www.eccc.edu>
2. One of the following criteria:

-An official high school transcript (regular high school diploma or the Occupational Diploma) with a recorded graduation date and official school signature. **OR**

-A transfer student must submit an official transcript from an accredited college, preferably the last college attended. **OR**

-Individuals who have obtained the minimum acceptable high school units must submit an official high school transcript. **OR**

-An official General Educational Development (GED) transcript with a passing score.

3. Official scores on the American College Test (ACT), applicants 23 years of age and over are exempt from the ACT requirement except for certain specialized curricula.

Admission as an East Central Community College student does not guarantee admission to a specific program of study. Some programs have additional requirements for entry.

Students applying for admission to healthcare education programs must meet the same admission requirements as academic and technical students. Healthcare education programs have additional requirements for entry into each program. For specific admission criteria refer to program admission requirements.

LEGAL RESIDENT STATUS

East Central Community College observes the following definitions with regard to residential status of applicants and students as interpreted from laws engaged by the Mississippi Legislature. The College's district includes the following supporting counties: Newton, Leake, Neshoba, Scott, and Winston.

1. **General Rule for Adults.** The residence of an adult is the domicile, i.e., the place where the person physically resides with the intention of remaining or returning to if temporarily absent. MCA 37-103-13.
2. **General Rule for Persons under 21.** The residence of a person under 21 is that of the father, mother or general guardian (guardian appointed by a Miss. court). However, if custody has been granted to one parent, then the residency is that of the custodial parent. If both parents are deceased, residency is that of the last surviving parent unless the person under 21 lives with a general guardian (guardian appointed by a Miss. court). MCA 37-103-7 effective July 1, 2005. If both parents move out of Mississippi, a minor is immediately classified as a nonresident. MCA 37-103-11.
3. **When Residency Is Established.** A student may not be admitted as a resident unless residency is in Mississippi prior to admission. MCA 37-103-3. A person entering the state to enter an educational

institution is considered a nonresident and remains a nonresident even if adopted by a Mississippi resident or registers to vote or owns land. MCA 37-103-5. See exception in MCA 37-103-25(2) which provides that if a nonresident (1) was born in Mississippi but relocated outside Mississippi as a minor in their father or mother's care, (2) is a veteran of the Armed Forces, and (3) is domiciled in Mississippi no later than six months after separation from service for the purpose of enrolling in a CC/IHL, then such person shall pay resident tuition and fees.

4. **Special Rule for Married Persons.** A married person may claim the residency of their spouse or independent status under MCA 37-103-15. MCA 37-103-13.
5. **Special Rule for Children of Faculty and Staff.** Children of parents who are members of the faculty or staff of a CC/IHL may be considered a resident for the purpose of attending that institution. MCA 37-103-9.
6. **Special MPACT Rule.** An MPACT beneficiary is considered a resident. MCA 37-155-5(d)(iii); MS AG Op., Patterson (Oct. 11, 1996).
7. **Special Military Provisions.**
 - a. Active Duty in Mississippi and Mississippi National Guard. Members of the Armed Forces on extended active duty in Mississippi and members of the Mississippi National Guard may be classified as residents. Resident status of those not residents of Mississippi per MCA 37-103-13 shall terminate upon reassignment for duty in the continental U. S. outside Mississippi. MCA 37-103-17. See MCA 37-103-21 for proof requirements.
 - b. Status of Spouse and Children of Military Personnel on Extended Active Duty. Resident status of a spouse or child of a member of the Armed Forces on extended active duty shall be that of the military spouse or parent during the time that the spouse or parent is stationed in Mississippi. Resident status continues if the military spouse or parent is reassigned from Mississippi to an overseas area (excepting training assignments en route from Mississippi). Resident status of a minor child terminates upon reassignment of the military parent for duty in the continental U. S. outside Mississippi. However, children who attain residency under this section and who begin and complete their senior year in high school in Mississippi and who enroll full-time in a CC/IHL for the fall after their graduation from high school maintain status as long as they remain enrolled in good standing (summer school is not required). MCA 37-103-19(1).

- c. Spouse or Child of a Member of the Armed Forces Who Dies or Is Killed. A spouse or child of a member of the Armed Forces who dies or is killed is entitled to pay resident tuition if the spouse or child becomes a resident of Mississippi within 180 days of the date of death. MCA 37-103-19(2).
 - d. Spouse or Child of a Member of the Armed Forces Stationed Outside Mississippi. If a spouse or child of a member of the Armed Forces stationed outside Mississippi establishes residency in Mississippi and registers with a CC/IHL, the CC/IHL will permit the spouse or child to pay resident fees and tuition regardless of the length of time that the spouse or child has resided in Mississippi. MCA 37-103-19(3).
 - e. Effect of Continuous Enrollment. If a member of the Armed Forces or their spouse or child is entitled to pay resident tuition and fees under MCA 37-101-19 while enrolled in a degree or certificate program, they may continue to pay resident tuition and fees in subsequent terms while continuously enrolled in the same degree or certificate program. (Student may withdraw or not enroll for one semester with medical documentation without losing status and no summer term is required. In addition, student's status remains unchanged even if they are no longer a member of the Armed Forces or the child or spouse of a member of the Armed Forces). MCA 37-101-19(4).
8. **Aliens.** Section 37-103-23 states that all aliens are classified as non-residents. However, this section was declared unconstitutional in *Jagnadan v. Giles*, 379 F. Supp. 1178 (N.D. Miss. 1974), affirmed in part on other grounds 538 F.2d 1166 (5th Cir. 1976). No statutory provision addressing aliens and residency for tuition purposes is currently in effect. Accordingly, aliens should be treated in the same manner as other persons attempting to prove resident status for the purpose of determining tuition and fees charged by CC/IHL's.
- a. Immigrants Distinguished from Nonimmigrants. Under the Immigration and Nationality Act, aliens are classified as (1) "immigrants", i.e., persons seeking to be permanent residents, and (2) "nonimmigrants", i.e. persons seeking admission to the U. S. for a limited time, usually for a limited purpose.
 - b. Immigrants, Permanent Residents or "Green Card" Holders. Generally speaking, most persons having immigrant or permanent resident status ("green card" holders) have the ability to establish a domicile in Mississippi and to qualify as Mississippi residents.
 - c. Nonimmigrant Visa Holders. Most persons holding nonimmigrant visas, including F-1 student visas, will not be able to demonstrate the requirements for a Mississippi domicile

because their visas are temporary in nature and U. S. approval of their visas may have required a determination that the persons intended to return to their country of origin after the purpose of their visas is concluded. This being the case, the person's domicile would remain in their country of origin. In addition, Section 37-103-5 provides that a person entering Mississippi to attend an educational institution is and remains a nonresident for tuition purposes. See 3 above. However, there may be instances in which nonimmigrants can establish residency in Mississippi due to special provisions or special circumstances. For example, in *Toll v. Moreno*, 458 U. S. 1, 102 S. Ct. 2977, 73 L.Ed. 2d 563 (1982), the United States Supreme Court concluded that, while Congress precluded many aliens in non-immigrant categories from establishing domicile in the United States, it allowed G-4 aliens to establish domicile in the U. S.

9. **Miscellaneous Provisions.** Any student willfully presenting false evidence of residency is deemed guilty of a misdemeanor. MCA 37-103-27. Law is not to be construed as requiring the admission of non-residents. MCA 37-103-29.

MISSISSIPPI VIRTUAL COMMUNITY COLLEGE

The Mississippi Virtual Community College is a cooperative of Mississippi's 15 community college districts and the Mississippi State Board for Community and Junior Colleges. Its mission is to provide educational opportunities to constituencies who live within the various community and junior college districts in Mississippi and to others beyond those boundaries.

Through MSVCC, students may take courses from community & junior colleges anywhere in Mississippi while getting support services from a local college. To take a course from a *remote* (provider) college, a student enrolls at a *local* (host) community or junior college. The host college supports the student with a full slate of student services including advisement and counseling, financial aid, and learning resources. The host college receives the student's tuition and fees. The host college awards credit for the course. The *remote* (provider) college provides the course instruction. Assignments, tests, and grades are administered by one of its instructors.

For this instructional service, the provider college receives the state's reimbursement for the enrollment.

This cooperative makes it possible for MSVCC colleges to leverage their distance learning resources—including faculty, course, support services, and technology—to benefit students throughout Mississippi and beyond.

For a list of courses offered through MSVCC, please see the web site at <http://msvcc.blackboard.com>.

HEALTH CARE EDUCATION STUDENTS

Students applying for any Health Care Education Program must meet all General Admission Requirements of the College. In addition to the general admission requirements, each program has specific requirements for admission. All Health Care Education Program applications must be submitted to the Office of Health Care Education by May 1st of each year, except LPN to ADN Bridge Program whose deadline is November 15th of each year.

Post acceptance requirements for students selected for admission into any Healthcare Education Program are: ECCC Health Examination form (completed prior to the beginning of class), immunizations against measles, mumps, rubella (MMR, two immunizations), or rubella titer, Hepatitis B vaccine, or signed declination statement, TB skin test (2 step TB test required if not tested in previous year) and American Heart Association Healthcare Provider Course (completed in June, July or August of year of admission).

All healthcare education students are required to submit to a criminal background check according to Mississippi law prior to any clinical experience. If the person has ever been convicted of a felony, or pleaded guilty to, or pleaded no contest to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-33-23 (f), child abuse, grand larceny, burglary, gratification of lust or aggravated assault, felonious abuse and/or battery of a vulnerable adult they may not be eligible to attend clinical experience, thus forfeiting their slot in the program.

Students enrolled in any healthcare education program must submit to random drug screening at any time during the program.

Students enrolled in any healthcare education program must carry professional liability insurance provided through the college.

The student is responsible for all expenses incurred with drug screening, liability insurance and criminal background check. These fees are attached as a lab fee to the student's account in the college business office.

Transportation costs to and from clinical sites will be at the student's expense.

An application to any of the healthcare education programs may be obtained from the Office of Healthcare Education or via the internet at www.eccc.edu.

ASSOCIATE DEGREE NURSING PROGRAM

The Associate Degree Nursing Program is designed to provide educational opportunities for qualified students desiring a career in nursing. The curriculum includes a balance of general education, nursing theory, and laboratory and clinical experiences. Graduates receive an Associate of Applied Science Degree (AAS) and those that meet the requirements of the State Board of Nursing are eligible to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN®). The State Board of Nursing may deny any application for licensure due to, but not limited to conviction of a felony, commission of fraud or deceit in the application process, or addiction to alcohol or other drugs. The Associate Degree Nursing Program is accredited by the Board of Trustees of State Institutions of Higher Learning of Mississippi and the National League for Nursing Accrediting Commission.

All information pertaining to the Associate Degree Nursing Program may be found in this college catalog or by contacting NLNAC, 61 Broadway, New York, NY 10016 or by telephone at 1-800-669-9656.

Admission Procedures

In order to be considered for admission into the ADN program. All admission requirements must be completed and submitted in a timely manner. All information and entrance materials must be submitted by April 15. Incomplete applications will not be reviewed for admission. All applications are evaluated on a competitive basis and meeting the admission criteria does not guarantee admission into the program.

Admission Requirements

1. The student must apply for regular admission and be accepted by the College.
2. The student must apply to the Associate Degree Nursing Program.
3. The student must have an ACT composite score of 18 and at least a 2.0 grade point average. Students with less than the ACT composite score of 18 must have completed anatomy and physiology I and II in addition to four other semester hours in the required ADN curriculum with a grade of "C" or better. Students with less than the ACT composite score of 18 are required to have an overall grade point average of 2.5.
4. Students must have a cumulative GPA of 2.00 or better.
5. All students are required to complete Anatomy & Physiology I (BIO 2514) and Anatomy & Physiology II (BIO 2524) prior to taking the first nursing course. An applicant may be accepted into the ADN program prior to completing these courses, but these courses must be completed in the summer prior to beginning nursing classes in the fall.

6. Students selected for admission into the ADN program must submit proof of the following items: physical examination (obtained in June, July, or August of the year of admission), immunizations against measles, mumps, rubella (MMR), or rubella titer, Hepatitis B vaccine, or signed declination statement, TB skin test (2 step TB test required if not tested in previous year) and American Heart Association Healthcare Provider Course (completed in June, July or August of year of admission).

Any student must agree to be randomly tested for drugs at any point and time while enrolled in the ADN program. The student is responsible for all expenses associated with testing.

The number of students admitted into the program will vary according to resources available. Qualified applicants will be given priority based on academic records. Students admitted to any nursing courses must adhere to the current catalog policies and the ADN Student Handbook.

Acceptance Criteria

To be considered for acceptance into the ADN program, the applicant's file in the Admissions Office and the Office of Healthcare Education. The student is responsible for ensuring that the data in the file is correct and by the application deadline.

Qualified applicants will be considered by the admissions committee on a competitive basis using the following criteria:

1. The student must have an ACT composite score of 18 and at least a 2.0 grade point average. Students with less than the ACT composite score of 18 must have completed Anatomy and Physiology I and II with an additional four semester hours in the required ADN curriculum with a grade of "C" or better. Students with less than the ACT composite score of 18 are required to have an overall grade point average of 2.5.
2. All students are required to complete Anatomy & Physiology I (BIO 2514) and Anatomy & Physiology II (BIO 2524) prior to taking the first nursing course. An applicant may be accepted into the ADN program prior to completing these courses, but courses must be completed in the summer prior to beginning nursing classes in the fall.
3. Priority consideration for admission will be given as follows: 1) In-district students who complete program prerequisites and/or general education coursework at ECCC; 2) Out-of-district students who complete program prerequisites and/or general education coursework at ECCC; 3) Mississippi residents who complete program prerequisites and/or general education coursework elsewhere; 4) Out-of-state students.

4. Grade point average based on required ADN curriculum courses or high school GPA. A minimum grade of "C" is required on each ADN curriculum course.
5. ACT composite score.
6. Required sciences completed.
7. Associate in Applied Science Degree or Higher Degrees completed

Meeting the admission criteria does not guarantee admission into the program. The number of students admitted into the program will vary according to resources available.

Acceptance into the program is once a year. Within ten days following written notification of the applicant's admission status the signed acceptance/declination form must be returned to the Office of Healthcare Education.

PROMOTION POLICIES:

In addition to the college probation and suspension policy, a grade point average of 2.00 in each nursing curriculum course is required. A student enrolled in nursing is required to be full-time (12 semester hours). A student must maintain a "C" or better average in each nursing course and pass all critical skills. Students are eligible to repeat one nursing course and the program of study must be completed within four years of first admission. The nursing faculty reserves the right to retain and admit only those students who demonstrate evidence of performing safe acts of nursing.

LPN TO ADN BRIDGE PROGRAM FOR ASSOCIATE DEGREE NURSING

LPN TO ADN BRIDGE PROGRAM

Applications for the LPN to ADN Bridge Program may be received after November 15 each year. To be considered for acceptance into the LPN to ADN Bridge program, the applicant's file must be complete in the Admissions Office and the Office of Healthcare Education. The student is responsible for ensuring that the data in the file is correct and by the application deadline.

Qualified applicants will be considered by the admissions committee on a competitive basis using the following criteria:

1. The student must have an ACT composite score of 18 and at least a 2.0 grade point average. Students with less than the ACT composite score of 18 must have completed Anatomy and Physiology I and II with an additional four semester hours in the required ADN curriculum with a grade of "C" or better. Students with less than the ACT composite score of 18 are required to have an overall grade point average of 2.5.

2. Priority consideration for admission will be given as follows: 1) In-district students who complete program prerequisites and/or general education coursework at ECCC; 2) Out-of-district students who complete program prerequisites and/or general education coursework at ECCC; 3) Mississippi residents who complete program prerequisites and/or general education coursework elsewhere; 4) Out-of-state students.
3. Grade point average based on required courses for ADN curriculum or high school GPA. A minimum grade of "C" is required on each ADN curriculum course. Students who have received a grade of "D" or "F" in more than six hours in the required ADN curriculum will receive a ten-point deduction.
4. ACT composite score.
5. Completion of prerequisite courses: Anatomy and Physiology I and II, English Composition I, and Human Growth and Development.
6. Associate in Arts Degree or Higher Degrees completed.
7. Hold a current unrestricted license to practice as a licensed practical nurse in Mississippi.
8. Have one-year clinical work experience within the last five years; documentation from employer(s) must be submitted with application.
9. Score 80% on dosage calculation test given prior to admission.

Meeting the admission criteria does not guarantee admission into the program. The number of students admitted into the program will vary according to resources available.

The post acceptance requirements are the same as the two-year ADN program.

Acceptance into the program is once a year in January. Within ten days following written notification of the applicant's admission status the signed acceptance/declination form must be returned to the Office of Healthcare Education.

ADMISSION REQUIREMENTS FOR EMERGENCY MEDICAL TECHNICIAN (EMT) BASIC

Students applying must have a high school diploma or GED. All applicants must be 18 years of age. All applicants must have a minimum ACT score of 16 or minimum TABE (Level A most recent edition) score of 10. Submit an application to the Office of Healthcare Education. Once all requirements are met, the student is enrolled in EMT 1116. Students in the EMT Basic course are required to have all post acceptance requirements for students selected for admission into any Healthcare Education Program.

ADMISSION REQUIREMENTS FOR EMERGENCY MEDICAL TECHNICIAN (EMT) - PARAMEDIC

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program. Applicants are evaluated on ACT score, academic course work, GPA, and health care work experience. All applicants:

1. Must be eighteen (18) years of age or older;
2. Must hold Mississippi EMT-Basic Certification;
3. Must have a high school diploma or GED;
4. Must submit an enhanced ACT score of 16 or higher;
5. Completed BIO 2514-Anatomy and Physiology I with a grade of "C" or better;

ADMISSION REQUIREMENTS FOR PRACTICAL NURSING

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program. Applicants are evaluated on ACT score, academic course work, GPA, PAX-PN, and health care work experience. All applicants:

1. Must be eighteen (18) years of age or older;
2. Must have a high school diploma or GED;
3. Must take the NLN Pre-Admission Examination-PN (at student's expense) and have a minimum score of 40th percentile;
4. Must have a TABE (Level A most recent edition) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading.

ADMISSION REQUIREMENTS FOR SURGICAL TECHNOLOGY

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program. Applicants are evaluated on ACT score, academic course work, and GPA. Completed Healthcare Education Program application must be submitted to the Office of Healthcare Education by May 1 for spring admission. All applicants:

1. Must be eighteen (18) years of age or older;
2. Must have a high school diploma or GED;
3. Must have a TABE (Level A most recent edition) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading;
4. Applicants must be recommended by the Surgical Technology Committee.

All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program. Applicants are evaluated on ACT score, academic course work, and GPA. Completed Healthcare Education Program application must be submitted to the Office of Healthcare Education by May 1 for spring admission. All applicants:

1. Must be eighteen (18) years of age or older;
2. Must have a high school diploma or GED;
3. Must have a TABE (Level A most recent edition) score of 12 required math and reading level or equivalent; or an ACT composite score of 16 with a 12 in math and reading, or 12 composite if taken before October 1989, with a 12 in math and reading;
4. Applicants must be recommended by the Surgical Technology Committee.

ADMISSION REQUIREMENTS FOR HEALTH CARE ASSISTANT PROGRAM

Applicants must have a high school diploma or GED. All students must have a minimum ACT score of 14. A completed Healthcare Education program application must be submitted by May 1 for fall admission. All applicants are considered on a competitive basis. Meeting the minimum admission requirements does not guarantee admission into the program.

TRANSFER STUDENTS

Students desiring to attend East Central Community College after having attended another regionally accredited college must meet the same requirements as entering freshmen. Students with records indicating unsatisfactory standing may be accepted on probation if individual cases indicate a reasonable chance of success in the program selected. If a student is accepted on probation, he/she must make satisfactory progress at the completion of one semester or he/she will be suspended for one semester.

TRANSFER CREDITS

Acceptable credits transferred by students are reproduced on the students' permanent records at East Central Community College. This action signifies that the credits are judged valid. Only those courses that average "C" or better will be entered on the record and applied toward graduation when the transferred average is less than "C." This will be completed by the end of the first semester in which the student is enrolled.

Coursework transferred or accepted for credit must represent collegiate coursework relevant to the degree, with course content and level

of instruction resulting in student competencies at least equivalent to those of students enrolled in the institution's own undergraduate degree programs.

CAREER STUDENTS

To be admitted as a full-time student to a career program: welding or carpentry and cabinet-making, an applicant must:

1. Be of legal working age (18) before program completion;
2. Complete a federally approved ability-to-benefit test;
3. Have an official application and a transcript from the last school attended on file in the Office of Admissions, Records, and Research;
4. Complete an interview with the career counselor or with an instructor in the program of choice.

To be admitted to the cosmetology program, an applicant must:

1. Be a high school graduate or the equivalent.
2. The student must make a 14 (composite in English and math) on the ACT or score 8th grade equivalent or above as measured by the TABE Standardized Test administered by East Central Community College personnel;
3. Upon notification of the above requirements being met, the applicant will have a personal interview by the Cosmetology Admissions Committee.
4. The applicant must be recommended for admission by the Cosmetology Admissions Committee.

INTERNATIONAL STUDENTS

International students with acceptable scholastic records and proven English proficiency will be considered for full-time admission as freshmen or as transfer students. Freshman applicants must be graduates of recognized secondary schools comparable in level to the American high school.

Transfer applicants are considered on the basis of secondary school records and records of postsecondary study (college, technical school). Factors considered in making the admission decision are grades earned, subjects to be taken, ability to carry a full course of studies, satisfactory scores on the East Central Community College placement tests, proof of financial responsibility, and proof of health insurance.

Applicants, both freshmen and transfer, whose native language is not English are required to submit a score of at least 61 on the IBT or 173 on the computer-based Test of English as a Foreign Language (TOEFL) and must have a score on the ACT.

The following materials must be in the Office of Admissions, Records and Research at least 60 days before the beginning of the semester in which admission is desired:

1. An application for admission form.
2. A certified copy of all high school and/or college transcripts of previous credits earned.
3. Information showing sufficient financial support.
4. Proof of health insurance.
5. A copy of Form I20.

Fees

1. In addition to the regular tuition and fees paid by in-state students, international students will be assessed out-of-state fees payable at registration. See general information in Chapter 4.
2. Dormitory facilities will be available each semester only after in district and in-state students have been housed.

PART-TIME STUDENTS

Part-time students must meet the same admission requirements as do full-time students.

SPECIAL ADMISSION

In conformity with Section 37-29-1, Mississippi Code of 1972 as amended in 1998, East Central Community College will admit students who have not completed the requirements for regular admission to the College but who meet the enrollment criteria specified in either policy 4.1.6.1 or 4.1.6.2.

DUAL ENROLLMENT

Students may be granted part-time admission status at East Central Community College while concurrently enrolled in high school if they meet the following admission requirements:

1. Have completed a minimum of fourteen (14) core high school units (Students who do not have fourteen (14) core high school units but who have a composite score of thirty (30) on the ACT Assessment may be considered for enrollment),
2. Have a minimum 3.0 cumulative GPA on a 4.0 scale for high school work completed, and
3. Have the unconditional recommendation of their high school principal or guidance counselor.

EARLY ENROLLMENT

Students may be admitted as regular students at East Central Community College if they meet the following admission requirements:

1. Have completed a minimum of fourteen (14) core high school units,
2. Have a minimum composite score of twenty-six (26) on the ACT Assessment,
3. Have a minimum 3.0 cumulative GPA on a 4.0 scale for high school work completed, and
4. Have the unconditional recommendation of their high school principal or guidance counselor that said enrollment is in the best educational interest of the student.

The credit earned at East Central Community College by students admitted under the Early Enrollment Policy will be available for transfer or for meeting the requirements for graduation from the College after the student has successfully completed one (1) full semester of course work.

CONTINUING EDUCATION UNITS

To participate in non-credit (CEU) programs or courses, a student should complete an application form and be of sufficient maturity for the course desired. (Ten hours of instruction are equal to one CEU.) NOTE: No transcript, certificate, test scores, or anything in addition to a completed application is required.

ENGLISH AND MATHEMATICS PLACEMENT

Placement in mathematics and English courses will be based upon ACT scores in the subject areas and/or assessments.

Competency in the areas of English and mathematics will be determined based upon skills demonstrated in the combined criteria enumerated above.

Any student enrolled for nine or more credit hours must enroll in the appropriate English course sequence, Developmental English I and Developmental Reading (Remedial Course), Developmental English II, English Composition I, and/or English Composition II during the earliest consecutive semesters of such enrollment.

ACT WAIVER FOR ADULTS

Students who have been out of high school for five or more years, or those who are 23 years of age or older will have the ACT requirement waived except for those who wish to enroll in specialized programs.

BENEFITS FOR VETERANS

East Central Community College is an approved institution for providing education training for veterans. The Director of Admissions, Records, and Research serves as Veterans Advisor and offers assistance in handling matters pertaining to veterans at the College.

SELECTIVE SERVICE

Information and assistance in handling matters concerning Selective Service for students are available in the office of the Director of Admissions, Records, and Research.

NATIONAL GUARD, VETERANS PREVIOUS EDUCATION, SERVICE MEMBERS OPPORTUNITY COLLEGES; EVALUATION, CREDIT, AND TRANSFER

The College maintains a written record of the previous education and training of each veteran enrolled and appropriate credit is given. When the training period has been shortened proportionately as a result of previous education and training, the veteran or eligible person and VA are so notified.

East Central Community College is a participant in the Mississippi National Guard Higher Education Program. Credit earned in the armed forces is evaluated based upon the recommendations of the American Council on Education. The College is also a member of Service-members Opportunity Colleges (SOC). Seven semester hours of credit can be established on a veteran's record when a copy of the DD214 is presented to the Director of Admissions, Records, and Research. These hours include:

- A. 4 semester hours of Physical Education
- B. 3 semester hours of Personal and Community Health

No credit is granted by East Central Community College on the General Education Development Test. No credit is established by the College for experiential learning but credit is accepted when transcribed by another accredited college.

EAST CENTRAL COMMUNITY COLLEGE SCHOOL STANDARDS OF PROGRESS AS REQUIRED BY VA REGULATIONS 14253 [D]

1. EXAMINATION OF RECORDS:

The College records and accounts pertaining to veterans and eligible persons are readily identifiable and available for examination by authorized representatives of the Government.

2. ENTRANCE REQUIREMENTS:

Proof that entrance requirements to East Central Community College have been met prior to enrollment are a part of the veteran's and eligible person's permanent record. They also include the grade in each subject per semester, record of withdrawals, and the number of absences from any subject. These records are maintained in the Office of the Director of Admissions, Records, and Research.

3. PREVIOUS EDUCATION AND TRAINING RECORDS:

The school maintains permanent records showing previous education and training. Enrollment certificates submitted to VA reflect proper credit for previous education and training according to the policies of the College.

4. PROGRESS RECORDS:

In the academic and technical program, the school records show grades of A, B, C, D, F, W (withdrawal, no grade), I (incomplete grade which is temporary and is changed to a grade of A, B, C, D, or F on completion and is used in the overall grade point average of the student).

The State Veterans Affairs Approving Agency requires that "I" grades be considered as F's in computing grade point averages. This procedure is followed in all reports to the Veterans Administration concerning the student's status. Course changing is not allowed after the first two weeks of classes. Any time a student quits a course without officially withdrawing, a final grade of "F" will be recorded.

The VA will be promptly notified when a veteran or other eligible person drawing VA benefits changes his course load from full-time to part-time or reduces his part-time load.

Veterans who are attending East Central Community College in the Academic and Technical programs must pass a certain number of hours each semester, the same as regular students, to remain in good standing. Students must pass nine semester hours and earn 18 quality points to remain in good standing. Quality points are assigned per semester hour the following way: A-4 quality points; B-3 quality points; C-2 quality points; D-1 quality point; and F-0 quality points.

For the Veterans and other eligible persons, East Central Community College will apply the probation and suspension policies as listed in this catalog.

5. ATTENDANCE RECORDS:

East Central Community College maintains schedule and permanent record cards. The last date of attendance is reflected when one drops a course. The number of absences in any particular course is placed on the final Grade Report and also in the teachers' grade book which is turned in at the end of the term and is filed for records and is available in the Director of Admissions, Records, and Research's office. An individual is allowed absences per semester equal to twice the times a class meets per week in addition to any official absences representing the College. This policy is given in detail elsewhere in this publication.

SOPHOMORE STATUS

Before a student can be classified as a sophomore, he/she must have earned a minimum of 28 hours or its equivalent from an approved college.

TESTING SERVICE

East Central Community College is a fully participating institution in the American College Testing Program and administers the test on all nationally scheduled testing dates. The ACT test is also administered on a residual basis upon request.

East Central also administers and utilizes the Test of Adult Basic Education (TABE) in its Special Populations and Adult Basic Education program. The Accu-placer is used to determine eligibility in the Ability to Benefit for financial aid. Further, the General Educational Development Test (GED) is administered on a monthly basis.

SCHOOL TERMS AND PERIODS

East Central operates on the semester system. There are two regular semesters which begin in August and in January. During the summer, there is an eight (8) week summer session divided into two four-week terms, a ten-week evening session, and a three-week intersession. The College also offers courses at other times to meet the needs of students.

Lecture periods meet a minimum of 50 minutes. Laboratory periods are equivalent to two lecture periods. Semester hours of credit are granted on the number of lecture and/or laboratory periods the class meets per week for one regular semester. A semester hour of credit is equal to 750 minutes of instruction.

Classes are also offered off-campus at various locations throughout the five county district.

DISABILITY SUPPORT SERVICES

East Central Community College provides reasonable accommodations for students with disabilities through Disability Support Services (DSS). DSS verifies eligibility for accommodations and works with eligible students who have self-identified and provided current documentation.

Students should contact Dr. Lavinia Sparkman, ADA Coordinator at 601-635-6202 or, Mr. Joe Killens, Vice President for Student Services at 601-635-6375 to establish a plan for reasonable accommodations and services.

RECORDS

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

East Central Community College is in compliance with provisions granted under the Family Educational Rights and Privacy Act of 1974.

Under this law, students enrolled in any educational institution receiving federal funds are given certain rights concerning school records.

The following rights are accorded to students under this act:

1. Students are entitled to have access to school records upon request.
2. Request for access to records concerning academic grades, transcripts and absences should be filed with the Director of Admissions, Records, and Research. Request for access to records concerning test scores administered by East Central Community College counselors, financial aid, and other personal data should be filed with the Vice President for Student Services.
3. Students are entitled to inspect and review the contents of their school records and to challenge the contents if they feel the contents are inaccurate, misleading or inappropriate. If a student wishes to challenge the contents, the Director of Admissions, Records, and Research or Vice President for Student Services will provide a written copy of procedures to be followed.
4. Before any school records will be released to third parties (colleges, potential etc.) who have requested copies of school records, the school must have the students' written consent.
5. Upon receipt of a subpoena or judicial order requiring the Director of Admissions, Records, and Research and/or Vice President for Student Services to supply a student's records, the requested action will be taken.
6. Whenever a student seeks to enroll in another institution outside this district, the student must approve transfer of the record.
7. The law allows "directory information" about students to be made public without specific permission. Students are entitled, however, to request the deletion of certain information from school directories. Any request for deletion of directory information must be made within fourteen calendar days from the date of registration. Forms for requesting the deletion of information may be secured from the Office of the Director of Admissions, Records, and Research. The following items are considered directory information:
 - Name
 - Degrees and Awards Received
 - Address
 - Phone
 - Dates of Attendance
 - Major Program
 - Height/Weight of Athletes
 - E-Mail Address
 - Enrollment Status
 - Date and Place of Birth
 - Photograph
 - Grade Level
 - Participation in Officially Recognized Activities and Sports

GRADING SYSTEM

A - 92-100	F - Failure
B - 83-91	W - Withdrawal
C - 74-82	AU - Registered for Audit
D - 65-73	I - Incomplete, but can be made up

A progress report is made to all day students at mid-term of each semester.

INCOMPLETE GRADES

A grade of "I" (incomplete) may be submitted in lieu of a final grade when the student, because of illness, death in the student's immediate family, or similar circumstances beyond the student's control, is unable to complete the course work or to take final examinations. The student must have in writing, an approval by the Director of Admissions, Records, and Research before the student can complete this course work.

An "incomplete" on final semester grades must be removed by completing the required work by the end of the first six weeks of the next semester or a grade of "F" will be recorded by the Director of Admissions, Records, and Research. The individual student has the responsibility of making the necessary arrangements with the instructor concerned.

APPEAL PROCEDURES FOR GRADES

See Student Complaint Procedures.

HONORS AND QUALITY POINTS

HONORS — Special recognition is given those students doing outstanding work in their academic subjects at the end of each grading period and at graduation. The honors are based on quality point averages.

<u>HONORS</u>	<u>Required Quality Point Average</u>
President's List.....	4.00
Dean's List.....	3.50
Honorable Mention.....	3.00

QUALITY POINTS — Quality points are based on the grade and number of hours credit for each course and are computed as follows:

<u>GRADES</u>	<u>Quality Points</u>
A.....	4 for each semester hour
B.....	3 for each semester hour
C.....	2 for each semester hour
D.....	1 for each semester hour
F.....	0 for each semester hour

The last grade in each course attempted will be counted for quality point purposes.

HONORS PROGRAM

The purpose of the Honors Program at East Central Community College is to provide enriched educational experiences for the academically talented students. Specially designed honors classes are offered to stimulate the honor student's spirit of inquiry and to provide opportunities for more in-depth study in several subject areas.

An Honors Council chaired by the Director of the Honors Program has been established. It is the responsibility of the council to coordinate the honors courses and to promote an atmosphere of intellectual stimulation and camaraderie among the academically talented students.

The Honors Program provides students the opportunity for independent projects and research, for greater intellectual challenge, and for association with others of similar abilities and interest.

HONORS PROGRAM ELIGIBILITY

In order to enroll in the Honors Program a student should have a superior ACT score, a superior grade point average, and an invitation from the honors faculty. Courses are scheduled so that a student may participate in all honors courses or in any combination of courses. Courses offered include: Elementary Functions, Honors English Composition I, Honors English Composition II, Honors English Literature I, and Honors English Literature II.

Students with a Math ACT score of 25 and a score of 30 or above on a math assessment administered by the East Central Community College math faculty are eligible to enroll in Elementary Functions. Students with a 25 composite and a 27 English score on the ACT are eligible to participate in Honors English. Students with a 25 composite and a 25 reading score on the ACT are eligible to participate in Honors American History I.

Students are invited to enroll in Honors English Literature based on grades in previous English courses, ACT scores, and teacher recommendation.

ADVANCED PLACEMENT/CREDIT BY EXAMINATION

East Central has two provisions for granting credit by advanced placement of students and one provision for granting credit by examination.

Provisions for Advanced Placement in Vocational-Technical Instruction

East Central Community College will grant credit for selected courses in certain Applied Science and Certificate programs under the following conditions:

1. Applicant for credit meets all college admissions requirements and is a registered full-time student in good standing in one of ECCC's career-technical or certificate programs, and

2. Applicant has maintained at least a "B" average in the high school course for which articulated credit is requested, and
3. Applicant has on file a written recommendation from the high school instructor and vocational director, and
4. Applicant has successfully completed two units in high school in the approved area with an A or B average, and applicant has passed a competency exam administered by East Central Community College with a grade of "85" or higher, and
5. College credit will be held in escrow until the student has completed the prescribed courses in a specific program. The credits will be included on the student's official college transcript with the designation of "satisfactory" and counted toward the appropriate degree or certificate. Following provisions of the Southern Association of Colleges and Schools, these courses will be identified as advanced standing in the articulated area and identified on the college transcript as such.

Each articulation agreement will be updated as the curriculum is revised.

It is understood that should a student intending to receive credit under this agreement fail to make satisfactory progress in the next higher sequential course, the student may transfer back to the beginning level course.

It is further understood that a high school graduate may exercise this privilege no later than the beginning of the third year following graduation.

THERE WILL BE NO CHARGE FOR ADVANCED STANDING CREDIT.

Advanced Placement Examination

Students who make a score of three (3) or higher on the Advanced Placement (AP) test will be given credit for the course at East Central. Generally an AP score of three (3) will result in awarding three (3) semester hours credit in the subject area. More than three (3) semester hours credit may be awarded for AP scores of four (4) or five (5) when approved by the appropriate division chairs working in conjunction with departmental faculty and the Vice President for Instruction. Academic credit established through AP will not carry a letter grade and will not be included in calculating the quality point average.

College Level Examination Program (CLEP)

East Central Community College welcomes students from a wide variety of backgrounds and learning experiences. Some students come to ECCC with a firm grounding in a number of disciplines. ECCC recognizes and honors their prior learning by accepting College-Level

Examination Program (CLEP) tests, which measure a student's mastery of college-level, introductory course content in a wide range of subjects. Students meeting the credit-granting score in any of the tests listed below will be granted course credit and a grade of "Z" will be entered on their transcript.

Students may earn CLEP credit at ECCC only in courses taught at ECCC. The maximum number of CLEP credits that may be earned is 45 semester hours per student.

Students who transfer to ECCC after earning CLEP credit through another institution must submit official copies of their scores to the Director of Admissions, Records, and Research. The scores will be evaluated and credit granted following the same scale as for other ECCC students.

ACADEMIC PROBATION AND SUSPENSION

A student who fails to pass nine semester hours and to earn 18 quality points during a regular semester will be placed on probation until the academic record meets this minimum standard. If the minimum requirements are not met for two consecutive semesters, the student will be suspended for one regular semester. If the suspension occurs at the conclusion of the spring semester, it may be removed by attending summer school and improving the record to the stated minimum. Deviation from this policy will be made only with the approval of the Academic Probation Committee.

The above policy will also apply to all transfer students.

COURSE CHANGE

A fee of \$5 is assessed for a change in schedule after the date a student's schedule is entered.

CHANGING PROGRAM

A student should discuss any proposed changes in his program with his/her advisor. No student will be permitted to register in a new course after the second week of any regular semester.

PROGRAM OF STUDY

A student registering for 12 or more semester hours will be considered a fulltime student and should follow one of the curriculums as outlined.

CLASS ATTENDANCE AND ABSENCES

When a student enrolls in a course, the student assumes the responsibility for attending all class meetings, completing all assignments, and otherwise satisfying the requirements of that course. Realizing that from time to time there may be just cause for absence, the College has established the policy outlined below.

The student should discuss with the instructor the impending absence before it occurs if possible or immediately after his/her return to class if the absence was an emergency. The student is responsible for all work missed regardless of the reason for being absent.

1. Official absences are those incurred when students miss class while officially representing the College. The College sponsor of the group supplies a list to the Director of Admissions, Records, and Research's Office in advance, and instructors are notified from that office before the next meeting of the class following the absence. Official absences will not count in the total number of absences allowed.
2. Unofficial absences occur when students who are not representing the College miss class. Total unofficial absences per class may not exceed two for a class that meets once per week, four for a class that meets twice per week, six for a class that meets three times per week, eight for a class that meets four times per week or ten for a class meeting five times per week. Exceptions to this policy include classes that meet less than a full semester; Mississippi Virtual Community College Classes, Associate Degree Nursing, and some of the Vocational and Technical classes. The instructor will notify students in these classes of the absentee policy in those particular classes in writing at the beginning of the semester. Tardies, which equal the number of times the class meets per week, will constitute an unofficial absence. (Exception: For classes, which meet once per week, three tardies will constitute an unofficial absence.) If a student exceeds these numbers of absences he/she will be cut out of class and will receive an "F" for the course.
3. The student who misses announced tests or class assignments due to unofficial absences must have approval of the instructor to take make-up tests or to complete assignments. Approval will not be granted unless the student presents a valid reason for having been absent.
4. The student has the right to appeal if he or she feels that there were extenuating circumstances for exceeding the allowable number of absences or for being cut out of class and receiving an "F" for the course. The student should meet with the instructor at the next class meeting after missing over the limit allowed. The instructor will explain the appeal process and give the student the choice of withdrawing from the class or appealing to be reinstated. The instructor will counsel with the student and discuss the reasons and excuses. If the instructor does not feel that the student has a chance to succeed in the class, he/she will give the student the opportunity to withdraw. If the student is readmitted, he/she will sign a form stating that they will not be tardy or absent from the class for the remainder of the semester and if they are, they will be dropped with a grade of "F" and will not have the opportunity to appeal again. If

the student is denied reentry by the instructor and does not want to withdraw, the student will have the opportunity to appeal to the Absentee Appeals Committee. This committee will include the Vice President for Student Services, the student's instructor, the academic or vocational counselor (depending on classification of student), an administrator-at-large, an instructor-at-large, and an officer of the Student Body Association. A majority vote will be necessary for the student to be reinstated in class. Should the matter not be resolved to the student's satisfaction through the Absentee Appeals Committee, the student has the right to appeal to the President of the College within 24 hours. Such appeals must be made in writing with all reasons for the appeal given. The last step in the appeals process will be the hearing before the President. The Student must continue to attend the class through the entire process.

DROPPING A COURSE

If a student desires to drop a course, the student may do so at any time with proper approval from their advisor or teacher and a counselor. There is no charge for dropping a course.

Unofficial withdrawal from a course at any time during the semester will result in a grade of F. No student can drop a course within five class days prior to the first day of final examinations.

REPEATING A COURSE

A student may repeat any course taken at East Central Community College that is recorded on his/her transcript. The last grade earned in any repeated course will be the grade used for determining credit and the GPA applicable to graduation. The prior East Central course grade on the student's transcript will be marked through and will not count for or against the student in ascertaining graduation requirements or GPA.

(NOTE: This policy only pertains to credits earned at East Central Community College.)

EXEMPTION

Any student who has applied and been accepted as a candidate for graduation may be exempt from the final examination of any course in which the student has at least a B average as of the last regular class meeting. Exemption of graduates and types of examinations (unit or comprehensive) are left to the discretion of the instructor.

PRE-REGISTRATION TESTS

The American College Test will be administered to all academic and technical students under age 23 who have not previously taken it. The results will be used in classification. Assessment tests are given in

English and Mathematics to students over the age of 23 who have not taken the ACT. Students will be placed in these courses based on ACT scores.

ORIENTATION

All students entering East Central Community College for the first time must participate in the orientation program. This program consists of two parts:

- (1) **Advance registration** is held on five specific dates each summer. On these dates, students are assigned to faculty advisors who help in proper course selection. Handbooks are distributed and Math and English assessments are given to those students that qualify to take them. Students can have their ID made, purchase a car decal, check on their financial aid status, and pay their fees in the business office on these dates. After a student completes the process during one of these five dates, he/she will need to complete the orientation process in one of two ways.
- (2) **Orientation** can either be completed on-line at www.eccc.edu or in person on the first two days of class. The orientation program is designed to acquaint new students with the rules and regulations of the College. All first-time students must participate in an advance registration date and an orientation, whether it is on-line or in person.

MAXIMUM LOAD

Fifteen or sixteen semester hours of academic work are considered a normal load each semester. First semester freshmen are not allowed to register for more than a normal load unless specified in the curriculum. Other students desiring to enroll for 20 or more semester hours must have special permission from an appropriate curriculum advisor and approval by the Vice President for Instruction.

WITHDRAWAL FROM SCHOOL

Any student who leaves the College, except for temporary absences, must secure a withdrawal permit in duplicate from the Academic or Vocational Counselor's office, where he will be instructed as to the proper procedure. This permit, when completed, must be filed with the Director of Admissions, Records and Research and Vice President for Business Operations. Administrative withdrawal may be processed by the Vice President for Student Services or Director of Admissions, Records, and Research.

ACADEMIC FORGIVENESS

East Central Community College students who have not been enrolled in any postsecondary educational programs for a period of four consecutive years may petition the Vice President for Instruction to have their

prior credit records removed from consideration for determining qualifications for graduation from East Central Community College.

Any students, who have changed their degree or certificate objective, for example, from an Associate of Arts/Science degree to an Associate of Applied Science degree, or vice-versa, may petition the Vice President for Instruction to apply only for those courses and quality points applicable to their current degree or certificate objectives. A change of major within the same degree or certificate designation does not qualify under this policy.

For students who seek academic forgiveness and whose petitions are approved, the College will utilize only the courses and quality points earned from the time approved for forgiveness in determining the students' eligibility to graduate from East Central. For students who have changed their degree or certificate objectives, the College will utilize only those courses and quality points which apply to the degrees or certificates that they seek to receive.

The College will make notations on the students' records regarding the application of this policy. All courses taken at the College and courses transferred to and accepted by the College will remain on the students' permanent records and no guarantees will be expressed or implied regarding the transferability of the forgiven credits to other postsecondary institutions. The VA does not recognize this policy for students receiving VA benefits.

A student may utilize the provisions of this policy only once.

GRADUATION

ALL STUDENTS EXPECTING TO BECOME CANDIDATES FOR DEGREES OR CERTIFICATES MUST FILE AN APPLICATION WITH THE VICE PRESIDENT FOR INSTRUCTION BY THE ANNOUNCED DEADLINE DATE REQUIREMENTS FOR DEGREES

East Central Community College grants three associate degrees the Associate in Arts, the Associate in Science, and the Associate in Applied Science. Students who plan to transfer to senior institutions should take note that substitution in the specified courses of Categories I and II below may be made with the approval of the Vice President for Instruction in order to meet senior college requirements. A student may transfer back from senior college a maximum of six semester hours to complete graduation requirements at East Central Community College.

- I. To graduate from the College with the degree of Associate in Arts a student must:

- (1) Earn a minimum of 64 semester hours of credit to include: the 35 semester hours listed in the Academic Core Curriculum, but not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.);

- (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled only the last grade recorded will count for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- II. To graduate from the College with the degree of Associate in Science a student must:
- (1) Earn a minimum of 64 semester hours of credit to include: the 35 semester hours listed in the Academic Core Curriculum, sixteen or more semester hours of laboratory science, and not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.);
 - (2) Earn an average of two quality points for each semester hour attempted; (When a course is scheduled and rescheduled, only the last grade recorded will count for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- III. To graduate from the College with the degree of Associate in Applied Science a student must:
- (1) Earn a minimum of 64 semester hours of credit to include the 18 semester hours listed in the Technical Core Curriculum, all technical courses in the specified program of study as listed in Chapter 5, "Program of Study" in the College Catalog, but not more than four semester hours of activity courses (Physical Education, band, choir, varsity sports, etc.); and enough approved non-technical courses to complete 64 semester hours;
 - (2) Earn an average of two quality points for each semester hour attempted; (when a course is scheduled and rescheduled, only the last grade recorded counts for quality point purposes);
 - (3) Complete a minimum of sixteen semester hours at East Central Community College;
 - (4) Earn not more than one-fourth of the work required for graduation by correspondence and/or extension.
- IV. To graduate from the College with a second associate degree, which must be different from the first, a student must:
- (1) Earn a minimum of 15 additional semester hours of credit with no more than one semester hour of activity credit (physical education, band, choir, or varsity sports);

- (2) Meet all of the requirements listed for the second degree as enumerated in paragraphs I, II, or III above;
- (3) Complete all 15 additional semester hours credit at East Central Community College;
- (4) Secure the approval of the Vice President for Instruction.

REQUIREMENTS FOR CERTIFICATES

East Central Community College grants nine months, one year, and eighteen months, certificates.

To graduate from the College with a certificate in a particular program a student must:

- (1) Make a passing grade and average a "C" (2.00 point) on all those courses required in the curriculum. Grades in courses not listed in the curriculum will not be counted in calculating quality point averages.
- (2) Satisfactorily complete a prescribed certificate program as outlined under curriculum.
- (3) Practical nurse students and surgical technology students must maintain a grade of 80 on each course to earn a certificate.

GRADUATION FEE

A \$30.00 graduation fee is charged all students who are tentatively accepted for graduation.

TRANSCRIPTS

It is the policy of this institution to furnish free to each graduate of East Central Community College upon written request one transcript of his or her credits earned here. After the one free transcript, a charge of \$2.00 will be assessed for each additional request for transcript from students currently enrolled at the College and a charge of \$3.00 will be assessed for each additional transcript request from a former student. Correspondence pertaining to this service should be addressed to the Director of Admissions, Records, and Research of the College. The College reserves the right to protect the student's records from outside agencies. Holds will be placed on transcripts for non-payment of fees, board, fines, etc.

HEALTH SERVICES

Medical services are available to students. The campus nurse provides routine medical care and simple medication. The nurse's office is located on the first floor of the Eddie M. Smith Student Union. Office hours are 7:00 a.m. until 3:00 p.m. during the regular school session. Students who need more specialized care must visit their family physician.

Clinics in Decatur and hospitals in Newton and Union provide emergency medical care for students.

COUNSELING AND GUIDANCE

East Central Community College is wholly committed to providing the service of professionally trained guidance personnel to all of its students. The purpose of the guidance work is to provide professional assistance to the students in deciding academic, career, and personal questions, especially as they involve their college life.

The Vice President for Student Services has overall supervision and coordination of guidance, counseling, extra-curricular activities, and religious development. In addition, two full-time academic counselors, and a full-time career-technical counselor, employed by the College. Also, faculty members serve as academic advisors in their particular area. Advisors are selected from the teaching faculty according to curricula. Faculty members are well qualified to assist the students in their career planning. Each student upon entering selects a course of study with the aid of one of the advisors. Frequently meetings are held, and the students are urged to keep in touch with their Advisor on matters pertaining to their educational or career-technical careers. By careful planning, the students can find and pursue the course of study that will be most helpful in their chosen professions. Each student is thus aided in choosing a vocation for which the student is best suited.

Personal problems should be referred to the Vice President for Student Services or one of the professionally qualified guidance counselors. Students with disabilities should contact the Vice President for Student Services for possible accommodations.

FIREARMS ON CAMPUS

In keeping with the laws of Mississippi, students are not permitted to have rifles, shotguns, or other forms of weapons on campus. Campus residents must make arrangements to store any type of hunting weapons off campus. Possession of any type of weapon will result in Law Enforcement being called and possible expulsion from college.

STUDENT IDENTIFICATION CARD

Each full-time student will be issued an identification card during registration at a cost of \$3.00. ID cards must be worn in a visible manner at all times while a student is on campus. The card will be used as an activity card during regular school session. Failure to show or surrender the identification card when requested by any East Central Community College official will result in disciplinary action. Replacement of a card due to loss or damage will cost \$10.00.

UNSATISFACTORY CONDUCT

Upon enrollment each student is given a Student Handbook in which the rules and regulations governing student conduct are listed in detail.

Violations, which could result in suspension from college, will require that the student appear before the Discipline Committee, while violations that are not cause for suspension will be handled by the appropriate authorities.

ADULT AND CONTINUING EDUCATION PROGRAM

The Adult and Continuing Education Program meets the needs of an increasing number of adult and nontraditional students who wish to earn a degree on a part-time basis, prepare for job advancement or career change, or improve quality of life through personal enrichment and enhancement of knowledge in a specialized field of study. Classes are taught at the Decatur campus of East Central Community College and at several off-campus locations throughout the five-county district.

Present off-campus sites include Carthage, Forest, Louisville, Philadelphia Career/Technical Centers, and the Choctaw Hospitality Institute near Philadelphia. Credit classes may be arranged on-site for business or industry, school districts, medical facilities, government agencies, or in any location where specific educational needs exist.

ADULT BASIC EDUCATION PROGRAM

East Central Community College teaches adult basic education classes in Leake, Neshoba, Newton, Scott, and Winston counties. Classes are available to the general public in literacy training, GED preparation and English as a Second Language. Adult basic education classes are free. Class locations include Forest, Decatur, Carthage, Louisville and Philadelphia. Day and night classes are available.

GED testing is offered at East Central Community College each week that the College is in session. There is a fee for the five-part GED test. The GED diploma is recognized as the equivalent to the high school diploma.

CHILDCARE LABORATORY

The East Central Child Development Technology program operates a licensed, on-site childcare center for the laboratory training of students majoring in the field. The center operates during the fall and spring semesters. It is open to ECCC employees, students' children, and others. There is a minimum fee. The facility is located on 10th street.

FACILITY ARRANGEMENTS

Facility arrangements are available to professional, fraternal, governmental, or other associations that may require this space and service for seminars, workshops, and annual meetings. Coordinators are available to assist with every detail in the organization and implementation of a successful meeting from banquet arrangements to on-site registration. A calendar of events is maintained in the office of Adult and Continuing Education listing all activities by college and outside agencies.

CONFERENCES, WORKSHOPS, TRAINING PROGRAMS

Conferences, workshops, and training programs assist in solving special problems encountered by businesses, industries, and government agencies. Programs may be offered on-site for the client, at East Central Community College main campus in Decatur, at the Integrated Technologies Training Center in the Choctaw Advanced Tech Parc, at the Productivity Enhancement Lab in Philadelphia, or at any of the College's Workforce Development training locations.

The Small Business Development Center offers workshops throughout the district at locations convenient to the small business community. The topics of these programs are designed to address many aspects of operating and maintaining a small business profitably. Topics may include:

- Starting a small business
- Customer service
- Marketing
- Financial management
- Developing a business plan

CAMPS AND CLINICS

A wide variety of camps and clinics are conducted annually to serve youth during the summer months. The choices include baseball, softball, football, basketball, soccer, tennis, and cheerleading camps. Also included are short courses in manners and etiquette, chemistry, computer, math, creative arts, scrapbooking, cake decorating, jewelry making and art, which are offered through Kids' College. Participants are given the opportunity to explore various fields and to further develop sports or academic skills under the supervision of qualified instructors in a college setting. The philosophy of each particular camp, whether sports or academic, emphasizes a well-balanced, enjoyable learning experience.

TRAVEL PROGRAMS

Travel programs are offered periodically to provide educational and personal enrichment. College faculty has served as directors for trips to such destinations as England, France, Switzerland, Austria, Germany, Australia, and New Zealand. College credit may be earned.

EXTENSION CENTER

Classes may be organized which give credit beyond junior college credit. The college has served as an Extension Center for Mississippi State University and the University of Southern Mississippi at various times in the past.

THE LEARNING SKILLS CENTER

The Learning Skills Center is a tutorial lab for students who need or want supplemental instruction. The Learning Skills Center has two com-

ponents: a computer aided instruction lab and tutoring by peers, faculty, and community volunteers.

1. Learning Resource Advisory Committee Two students: one sophomore, one freshman, appointed by the SBA; one faculty representative each from the basic skills areas, i.e., English, reading and math; Vice President for Instruction; Vice President for Student Services; Dean of Adult and Continuing Education; Academic Counselor; Career-Technical Counselor; and Learning Skills Center Coordinator.
2. Coordination The Learning Skills Center Coordinator will meet with academic department faculty to coordinate services and determine needs of students. The ongoing process of analyzing job market data will be coordinated with the tech prep career center coordinator and the science and technology instructor to meet the needs of business and industry. Student services will be coordinated with the Vice President for Student Services and the student services staff.
3. Subject Areas Subject areas will be primarily developmental reading, writing, and math. In addition, higher levels of these subjects plus science, social science and other courses as needed will be available through the computer lab and individual tutoring.
4. Referral Students may be referred by faculty, counselors, or themselves.
5. Student Assessment Students will be assessed using a combination of student and faculty interviews, computerized assessment, local English and math placement tests, high school transcripts, and ACT scores. Records are maintained on students who utilize the services of the center.
6. Schedule The Learning Skills Center will be open the following hours:

WORKFORCE DEVELOPMENT CENTER

The mission of the Workforce Development Center staff is to support businesses, industries, individuals, and communities with assessment, training, job placement, consultation, and educational "solutions" designed to improve the economy by enhancing the employability skills of the citizens in the East Central Community College district.

Specialized advanced technical training classes and Industrial Maintenance Technician Apprenticeship programs are available at the Integrated Technologies Training Center in the Choctaw Advanced Tech Parc and at the Productivity Enhancement Lab in Philadelphia. Short-term computer applications training classes are offered at Workforce Development computer labs in each county.

Customized sessions are designed, curricula developed and training facilitators provided to businesses and industries that address workforce improvement, technical skills upgrade, professional skills develop-

ment, basic skills enhancement and Adult Basic Education. Private counseling, workshops and seminars are available for individuals interested in establishing and growing small businesses.

WORK-BASED LEARNING

The Work-Based Learning program creates an opportunity for technology students which combine school-based education/training through an East Central Community College career-technical program and structured, parallel work site experience in local businesses and industries. The program's objectives are to better equip students for employment in technical careers and to effectively manage the quality of technology instruction.

Placed in work environments that complement classroom instruction, the Work-Based Learning students master skills and competencies that have been cooperatively outlined by participating businesses, industries and technology instructors. In doing so, Work-Based Learning participants earn competitive wages while learning from skilled, professional mentors.

Work-Based Learning students enter the workforce equipped with proven employability skills and an educational experience designed to enhance future career options. Students receive technical credit and transcript recognition for work site experience.

TECH PREP

East Central Community College, in conjunction with the Mississippi State Department of Education and a consortium formed by local secondary schools, has developed and implemented the Technical Preparation Education Program. The Tech Prep initiative is a response to the challenges that students of today will face in the 21st century. In Mississippi, as in every other state in the nation, the success of new and expanding businesses depends on a technically sophisticated workforce. Tech Prep integrates college prep course work with career and technical applications. This planned sequence of courses begins in junior high school and is articulated to the community college, leading to an associate of applied science degree. Students can also pursue a four-year baccalaureate degree, if so desired. A comprehensive career and guidance program is a major component of Tech Prep to ensure each student is provided with appropriate educational opportunities.

INFORMATION TECHNOLOGY RESOURCES AND SYSTEMS

East Central Community College seeks to provide computer resources, computer networks, and information technology to the students, faculty, staff, and administration at a level that enhances learning

and productivity. The College requires students to demonstrate computer literacy to meet graduation requirements and provides training opportunities for the administration, faculty and staff. It is the responsibility of the users of computers and networks to act in a manner consistent with the rights of all other users.

Electronic information is volatile, easily reproduced, and easily vandalized. Respect for the work and personal expression of others is critical. Further, one should never publish anything on a computer networks that they are unwilling to have made public. Computer users must never access, use, or edit files of others without the consent of the author.

The College's networks are monitored networks. Security and management considerations require that the networks be open for review and maintenance. A user of the networks can assume that anything stored on the networks is public information and should act accordingly.

The College's computers and networks are for official business and users shall access only those files and data to which they have authorization. Users shall protect her/his personal computer(s) from unauthorized use and safeguard her/his user-IDs and passwords.

Private and/or commercial uses of the College's computers or networks and work conducted for personal gain or profit will not be allowed.

At no time shall a computer user engage in illegal or immoral activities on the College's networks. Examples of these activities include the transmission of defrauding, obscene, threatening, violent, or unlawful materials.

Publication of annoying, harassing, or intimidating messages on the networks will not be allowed.

Using the College or State networks to advocate political positions will not be allowed.

Computer or network users will not attempt to circumvent system security measures, modify the computer system or software, install invasive software such as "worms" or "viruses," or install pirated software on the College's computers or networks.

Users are not allowed to remove hardware, software, manuals, supplies, etc. from the College's computing sites without proper authorization.

Anyone who knowingly violates the principles outlined in this policy will be subject to appropriate disciplinary action.

DUE PROCESS PROCEDURES FOR STUDENT GRIEVANCES

Grievances by an East Central Community College student arising from compliance with the provisions of Title VI of the Civil Rights Act of 1964 and its amendments, Part H of the Higher Education Act of 1965 and its Amendments, Title IX of the Higher Education Act of 1965 and its amendments,

Section 504 of the Rehabilitation Act of 1973 and its amendments, the Americans With Disabilities Act of 1990 and its Amendments, Age Discrimination Act, Vocational-Educational Programs Guidelines for Eliminating Discrimination and Denial of Services on the Basis of Race, Color, and National Origin, Sex and Disability and other non-academic matters should first be presented to the Vice President for Student Services. The only academic matters that may be appealed by a student through due process are those that relate to charges of academic dishonesty and perceived errors in the transmittal of grades.

1. The grievance should be written and should be delivered either in person or by mail to the Vice President for Student Services, East Central Community College, P. O. Box 129, Decatur, MS 39327; telephone (601) 635-2111, ext. 375.
2. Upon receipt of a grievance under the provisions of this policy, the Vice President for Student Services will schedule a hearing before a student-faculty committee within ten (10) days. This committee will be composed of the Vice President for Student Services, the Director of Student Life, the President of the SBA or his/her representative, the Academic or Career-Technical Counselor as appropriate, an academic, technical, or vocational member of the faculty as appropriate, and a student-at-large.

The committee and the grievant may call such witnesses as may be required to investigate the grievance. Further, the grievant may have an advisor present during the hearing. However, the advisor may only consult with the grievant and not speak for the grievant.

3. If the results and/or procedure of the student-faculty committee hearing are deemed unsatisfactory by the grievant, the grievant may appeal in writing within three (3) days to the President of the College who will schedule a hearing within (10) days of the appeal.
4. The decision of the President shall be deemed final with regard to student due process procedures at East Central Community College.

The above four (4) steps shall exhaust full recourse available at the College.

Records of grievances filed under this policy shall be maintained in the Vice President for Student Services' office as stated in policy 5.5.2.21. (revised 2-13-07)

Student Complaints

Any student who wishes to make a complaint to East Central Community College about a college program, a service of the college, an employee of the college, or any other aspect of the college should follow the procedures provided in this policy.

The student should first discuss the problem with the faculty member, staff member, or administrator involved prior to initiating formal com-

plaint procedures under this policy. If informal efforts are not productive or appropriate in resolving the complaint, the student should follow the procedures enumerated herein.

Students who wish to complain about academic or non-academic matters should contact the Vice President for Student Services. The complaint must be in writing and either be hand delivered or mailed to the Vice President for Student Services, East Central Community College, P.O. Box 129, Decatur, Mississippi 39327; telephone (601) 635-2111.

All complaints will be handled by the Vice President for Student Services or referred to the appropriate college official for response. College personnel who are not directly involved in the alleged problem will review the facts and make the final determination regarding the complaint. Students have the right to use the due process procedures contained in policy 5.5.2.21.1. for all non-academic matters. The only academic matters that may be appealed by a student through due process are those that relate to charges of academic dishonesty and perceived errors in the transmittal of grades. No adverse action will be taken against a student filing a complaint under the provisions of this policy solely on the basis of the complaint filed.

East Central Community College shall maintain comprehensive records of all complaints received for a period of five years. The records shall contain aggregate data on complaints and specific data on each complaint. Documentation required to support this policy shall be maintained in the Vice President for Student Services' office and will contain the following:

1. The Student Handbook, the College Catalog, and the Policy and Procedures Manual;
2. All letters of complaint and/or appeal;
3. Written determinations of complaints;
4. All materials related to complaint processing and determination; and
5. A log of complaints.

A log of all complaints will include the following information and will be maintained in the Vice President for Student Services' office.

1. A complaint number assigned to each complaint preceded by the last two digits of the calendar year in which the complaint was filed, e.g., 94-001;
2. The date of receipt of the complaint;
3. The name and address of the complainant;
4. The name of the individual (s) assigned to handle the complaint;
5. The dates of response to the complaint;
6. The date of resolution; and,
7. The final disposition of the complaint.

An individual file for each complaint will be maintained in the Vice President for Student Services' office and will include the following information.

1. The initial complaint;
2. All correspondence related to the complaint; and,
3. Written documentation of the final determination with the signatures of the party or parties who submitted the complaint and the representative(s) of the institution who made the final determination.

CHAPTER 4

FINANCIAL INFORMATION

EXPENSES FOR THE 2008-2009 REGULAR SESSION
(ALL FEES ARE SUBJECT TO CHANGE WHEN DEEMED NECESSARY)

	Dormitory Student	Day Student
FIRST SEMESTER		
Matriculation Fee	\$ 700.00	\$ 700.00
Technology Fee (Non-Refundable)	\$ 25.00	\$ 25.00
Registration Fee (Non-Refundable)	\$ 35.00	\$ 35.00
Room Fee	\$ 475.00	
Board (5 day meal plan)	\$ 710.00	
Board (7 day meal plan)	\$ 855.00	
Total First Semester (5 day plan)	\$1945.00	\$ 760.00
Total First Semester (7 day plan)	\$2090.00	\$ 760.00
SECOND SEMESTER		
Matriculation Fee	\$ 700.00	\$ 700.00
Technology Fee (Non-Refundable)	\$ 25.00	\$ 25.00
Registration Fee (Non-Refundable)	\$ 35.00	\$ 35.00
Room Fee	\$ 475.00	
Board (5 day meal plan)	\$ 710.00	
Board (7 day meal plan)	\$ 855.00

Total Second Semester (7 day)	\$ 2090.00	\$ 760.00
Total for Year (5 day meal plan)	\$ 3890.00	\$ 1520.00
Total for Year (7 day meal plan)	\$ 4180.00	\$ 1520.00

Out of state and out of country students will pay a \$1,050 out of state fee each semester. For the out of state fee to be waived, the following criteria must be satisfied:

- a) The nonresident student was born in the State of Mississippi but subsequently relocated and resided outside the state as a minor under the care of the minor's father or mother, or both;
- b) The nonresident student is a veteran who served in the Armed Forces of the United States ; and
- c) The nonresident student is domiciled in Mississippi no later than six (6) months after the non-residents student's separation from service, as evidenced by a Report of Separation from Military Service or other military discharge document, for the purpose of enrolling in a state institution of higher learning or a community or junior college.

Cable TV and telephone are available for students who choose to pay the fee to receive these services. Representatives from Mediacom will be on campus during the first week of each semester to take orders for cable TV. Contact should be made directly to Mediacom at 1-800-824-8625 and/or Decatur Telephone Company at 635-2251. Each dormitory student is required to purchase a meal plan. Students who prefer the Deferred Payment Plan may pay their board in the following way:

FIRST SEMESTER (5 day)

1. \$236.00
2. \$237.00
3. \$237.00

SECOND SEMESTER (5 day)

1. \$236.00
2. \$237.00
3. \$237.00

FIRST SEMESTER (7day)

- \$285.00- Upon entrance
- \$285.00- September 20, 2007
- \$285.00 - November 5, 2007

SECOND SEMESTER (7 day)

- \$285.00- Upon entrance
- \$285.00- February 18, 2008
- \$285.00- April 7, 2008

Cosmetology students see "12" under General Information. LPN students see "13" under General Information.

GENERAL INFORMATION

1. There is no special charge for music or business courses for full-time students. There is a \$15.00 fee for laboratory science courses and a \$15.00 fee for ceramic courses. There are also various fees for A.D.N., LPN, Surgical Technology, EMT, Healthcare Assistant, and Child Development Technology. There is also a \$20.00 fee for each online course that a student enrolls in.
2. If the deferred payment plan is used and these payments are not met, there will be an additional charge of \$5.00 added to the account.
3. There is a \$3.00 ID Fee per school year.
4. There is a \$5.00 Parking Fee per school year.
5. There is a \$25.00 Technology Fee and a \$35.00 Registration Fee per semester. Both the Technology and Registration Fees are Non-Refundable.
6. All fees are payable in advance on the date due as indicated in the "Board Calendar."
7. All students who fail to clear their accounts with the college seven (7) school days prior to the starting date for examinations each semester will be dropped from school. A written notice will be mailed to the student when this action is taken.
8. For registration on dates other than those listed on the college calendar, there will be an additional charge of \$15.00 added to the account.
9. All students who expect to register for the fall semester as scheduled should complete admission requirements by August 1. Students

who have not registered as scheduled in the bulletin will be assessed a late registration fee.

10. Part-time students are students taking less than 12 semester hours on the main campus. All part-time students will pay fees at the rate of \$75.00 per hour, a non-refundable \$2.00 per hour Technology Fee, and a non-refundable \$3.00 per hour Registration Fee at the time they register. Students taking classes via the Mississippi State Virtual Community College (MSVCC) will pay an additional \$20 per MSVCC class at the time they register.
11. Adults 65 years of age or older may attend East Central Community College with matriculation fees waived.
Adults 65 years of age or older will be responsible for all other applicable fees.
12. East Central Community College reserves the right to change any charges published if it should become necessary.
13. Cost for the 12 month Cosmetology Program is \$2,975.00, which includes a \$25.00 Technology Fee, a \$35.00 Registration Fee, books and a cosmetology kit. **A first-time student has a first-time charge of \$695.00 (subject to change) for special supplies.**

Charges may be made in the following manner:

Fall Semester	\$1,455.00
Spring Semester	\$ 760.00
Summer Semester	\$ 760.00
Room and Board are same as listed on page 81.	

14. Additional fees for the first semester for health-care related fields are as follows:
ADN - \$155.00
LPN - \$140.00
Surgical Technology - \$140.00
Emergency Medical Technology - \$210.00
Health Care Assistant - \$210.00
All health care programs - \$25.00 lab fee per semester
15. Holds will be placed on transcripts and records for non-payment of fees, board, fines, etc.
16. Cost for the twelve-month Practical Nursing (PN) Program is \$2,565.00

Charges may be made in the following manner:

Fall Semester	\$ 880.00
Spring Semester	\$ 785.00
Summer Semester	\$ 805.00
Room and Board are same as listed on page 81	

17. Holds will be placed on transcripts and records for non-payment of fees, board, fines, etc.

ALL FEES ARE SUBJECT TO CHANGE WHEN DEEMED NECESSARY.

FIRST COURSE FREE

East Central Community College has a policy to encourage adults who have not attended college previously to try college free. Any adult in the five-county district registering as a part-time student, who has not previously enrolled in college, and who otherwise meets entrance requirements may take the first college credit course tuition free at any location in the district. The student will be responsible for any applicable Registration Fees, Technology Fees, ID Fees, and Parking Decal Fees.

For purposes of this policy, an adult is anyone over 21 years of age who has graduated from high school or who has passed the GED Test and has been out of high school for more than one year. The \$75.00 per semester hour will be waived for the first course only.

Those interested should contact the Admissions, Records, and Research Office at East Central Community College or attend registration as announced at the location where they plan to enroll.

REFUND POLICY

Refunds for full-time students are made only when a student has officially withdrawn or officially dropped to part-time status, and are based on

Part-time students will not be granted tuition refunds after the first class meeting.

Students who drop from full-time status to part-time status will be reassessed fees at the part-time rate through the eighth week of each semester and will be required to withdraw from the residence hall.

Meal plan refunds are pro-rated on the number of full weeks remaining for which a board payment has been made. There will be no refund of dormitory room rent.

The refund policy of East Central Community College for Veterans, Veterans' widows or War Orphans enrolled under Chapter 34 or 35 is on a prorate basis for the number of weeks remaining in the semester. The proper withdrawal procedure must be followed and the refund must be requested.

SUMMER SCHOOL EXPENSES

Expenses for the summer are different from those during the regular session. They are announced in a special bulletin, a copy of which may be obtained on request from the Director of Admissions, Records, and Research of the College.

THE COLLEGE BOOKSTORE

The campus bookstore is operated as a convenience to students and instructors in securing books when needed. Secondhand books, in good

condition, are purchased from students at a fair price provided such books will be used again as textbooks. This exchange of textbooks reduces the total cost of books for each student.

Books will be purchased from students at the end of each semester during final examinations.

HOUSING AND BOARDING POLICIES

East Central Community College provides a comprehensive food service, seven resident halls, and an apartment building. The food service facilities and all residence halls are modern, air-conditioned facilities.

The apartments are designed to accommodate a married couple with one child. Prior written consent must be received from the College for additional occupants in a single apartment. The rent is \$200.00 plus utilities per month. Students interested in these accommodations should contact the Vice President for Business Operations. In special circumstances, these apartments may be used to house honor students. The Vice President for Student Services will make these recommendations.

Resident halls are provided on campus, and students are encouraged to live in the residence halls. All dormitory rooms are assigned based on the date of a \$60.00 deposit, which includes a \$10.00 key deposit and a completed housing application. However, room assignments are made only to students who have an application for admission on file in the Admissions Office. Students may send the room deposit with the application for admission. The housing application should also be included. Room deposits and housing applications should be sent to the Business Office when not accompanying an application.

Room deposits are refundable if a student chooses not to attend East Central, but the school must receive the request for the refund by August 1. After this date, the deposit is forfeited.

This deposit is also refundable when an attending student officially withdraws from the residence hall, provided that the student is not charged with room damage or loss of keys. The deposit is forfeited if the student does not officially withdraw within one week of the last day of school or earlier. To officially withdraw, a student must complete a Dormitory Withdrawal Form and turn in his key to the Director of Student Life.

If a student has preference for a particular room or roommate, this should accompany the payment of the room deposit and should be noted on the Housing Application. Roommates must have complete applications for housing on file before assignments can be made. East Central's dormitories are furnished, and the student will only need to provide bed linens.

Mabry Cafeteria offers wholesome but inexpensive meals for students. All residence hall students are required to purchase a meal plan, and

they must present their ID cards each time they eat in the cafeteria. Students may not lend their ID card to other people. Also, food service is not available when the College is not in session on official holidays.

APPLICATION FOR HOUSING

The housing application can be found inside the back cover of this catalog. The housing application must be typed or printed in ink and may accompany the admissions application if the applicant intends to live in campus housing. A \$60.00 room deposit must accompany the housing application in order for the housing reservation to be complete. If you have already sent an admissions application, or if you are a current student, please send the housing application along with your room deposit to the business office.

STUDENT ACCOUNTS

Payment of students' expenses may be made by cash, check or money order. Checks should be made out to EAST CENTRAL COMMUNITY COLLEGE. There will be a charge of \$25.00 for all checks returned as NSF or Stop Payment.

STUDENT FINANCIAL AID

The following information is a summary of financial aid programs and policies at East Central Community College. For further information and application forms, contact:

Financial Aid Office
East Central Community College
P. O. Box 129 Decatur, Mississippi 39327
Telephone: (601) 635-2111, Ext. 218 or 326

SECTION I: FINANCIAL AID PROGRAMS

FEDERAL PELL GRANT — This Federal Program is designed to provide financial assistance to students on the basis of need. Any eligible student may receive a Pell Grant. A Pell Grant is not a loan; therefore, it does not have to be paid back.

STATE OF MISSISSIPPI TUITION GRANTS — The State of Mississippi established the following grant programs in 1995 for eligible Mississippi residents; the Mississippi Resident Tuition Assistance Grant (MTAG) and the Mississippi Eminent Scholars Grant (MESG). Applications must be submitted by the deadline established by the State of Mississippi. Students must meet the eligibility requirements as established by the State of Mississippi in order to be eligible.

LEVERAGING EDUCATIONAL ASSISTANCE PARTNERSHIP (LEAP) PROGRAM — The State of Mississippi through a matching grant program with the Federal Government provides grants to eligible

Mississippi residents. Very limited funds are available to students with substantial financial need.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) — This Federal Program is designed to assist students who would be unable to obtain an education without the grant and is available to a limited number of students of exceptional financial need. Because it is a grant, it does not have to be paid back.

WORK STUDY — East Central Community College participates in two types of work-study — Federal Work-Study and Institutional Work-Study. Students are awarded jobs based on need and academic ability. This program gives students a chance to earn money to help pay their educational expenses.

FEDERAL STAFFORD LOAN — A Federal Stafford Loan is a low interest loan made to the student by a lender such as a bank, credit union, or savings and loan association to help with educational expenses. Two types of Federal Stafford Loans are available: Subsidized Federal Stafford Loans and Unsubsidized Federal Stafford Loans for middle income borrowers.

PLUS — The PLUS Loan Program is not based on need. PLUS loans are for the parents of dependent students. These loans provide additional funds for educational expenses. Like Stafford Loans, PLUS loans are made by a lender.

INSTITUTIONAL SCHOLARSHIPS — East Central Community College offers various scholarships to eligible students.

Academic Achievement Scholarships — The Academic Achievement Scholarships were established at East Central Community College effective at the beginning of the 1996 fall semester. The Academic Achievement Scholarships are available to any Mississippi resident who enrolls as a full-time student at East Central Community College the fall semester following his/her high school graduation. East student must have a high school grade point average of 3.0 or better on a 4.0 scale (90 or higher numerical average) to be eligible for this scholarship. Students who have ACT scores of 20 or above will not be eligible to receive ACT scholarships and Academic Achievement Scholarships. The Academic Achievement Scholarships will be available to eligible students for four (4) consecutive semesters, provided each awardee maintains a 2.5 G.P.A. for the first semester and a cumulative 3.0 G.P.A. for the second and third semesters at ECCC. A scholarship in the amount of \$100 will be awarded each semester to each eligible student.

Achievement Recognition Scholarships — Achievement Recognition Scholarships will be awarded to individuals who receive the follow-

ing honors: Miss East Central Mississippi, Miss Hospitality, Miss Newton County, Choctaw Indian Princess, in-district Junior Miss winners, Miss Neshoba County, and Miss Morton. Full tuition scholarships will be awarded to those eligible who enroll as full-time students at East Central Community College the fall semester following high school graduation. The scholarship will be available to the students for four (4) consecutive semesters provided each student maintains a 2.5 G.P.A. for the first semester and a cumulative 3.0 G.P.A. for the second and third semesters. Any student, who does not maintain the required G.P.A. and is removed from scholarship, may have the scholarship reinstated by earning the required G.P.A. the following semester.

ACT Scholarships — The ACT Scholarships listed below will be available to any Mississippi resident who enrolls full-time at East Central Community College the fall semester following high school graduation or the first regular semester after having received the GED. The ACT Scholarship will be available to the student for four (4) consecutive semesters. See Section II: Financial Aid Policies for further requirements.

ACT Composite (20-23) — A scholarship in the amount of \$100 will be awarded each semester to the eligible student.

ACT Composite (24-26) — A scholarship in the amount of \$300 will be awarded each semester to the eligible student.

ACT Composite (27-30) — A scholarship in the amount of tuition will be awarded each semester to the eligible student.

ACT Composite (31-36) — A full scholarship (Matriculation fee, room and board) will be awarded each semester to the eligible student.

Art Scholarships — The Art Department awards art scholarships to students majoring in art who meet the established criteria.

Art Majors: Two full tuition scholarships are awarded to art majors with the highest GPAs after their first semester.

1. Art major scholarship recipients must maintain a 3.0 grade point in art courses.
2. Art major scholarship recipients must maintain a 2.0 grade point average in other academic courses.

Art Service Scholarships: Eight one-half tuition art service scholarships are awarded to students who:

1. Submit a student information sheet and a minimum of five art works on the portfolio day announced in the spring semester at the district high schools;
2. Agree to enroll full-time at East Central; and
3. Declare art as their major.

These scholarships are service-based; therefore, recipients will be required to provide service to the College by:

1. Assisting with set designs for the dinner theater and musical productions;
2. Designing layouts for art show, drama productions or the like; and
3. Serving as lab assistants for art and ceramic labs performing the following tasks: firing kilns, loading and unloading kilns, mixing ceramic glazes, clay preparation, and general art lab maintenance. Service scholarship recipients will be given an opportunity to apply for the two full-tuition art scholarships at the end of the fall semester.

Athletic Scholarships — All Athletic Scholarships are awarded by the respective coaches in baseball, basketball, football, golf, soccer, tennis, and women's softball. The athlete must meet the eligibility requirements of East Central Community College, the Mississippi Community and Junior College Association, and the National Junior College Athletic Association. The scholarships are awarded in whole dollar amounts up to a full scholarship, to include tuition, room, and board, for basketball and football. Baseball, golf, soccer, tennis and women's softball scholarships are awarded each semester in whole dollar amounts up to the amount of matriculation (tuition) and fees.

Band Scholarships — The Band Scholarships are awarded by the band director to full-time students. The scholarships are awarded by audition for marching band, concert band, jazz band, orchestra, and Collegians. Scholarship amounts vary depending upon participation in the various groups.

Career-Technical Scholarships — These scholarships are available in the skill areas which are part of programs offered at East Central. The career-technical counselor will make the awards to the winners. To receive an FBLA, Skills-USA, HOSA, DECA, FFA, TSA or Outstanding Student Scholarship, the student must enroll fulltime at East Central Community College the fall semester following high school graduation.

To receive a FBLA, Skills-USA, HOSA, DECA, FFA, TSA or Outstanding Student Scholarship, the student must enroll in a vocational-technical program.

To retain the FBLA, Skills-USA, HOSA, DECA, FFA, TSA, or Outstanding Student Scholarship, a student must maintain a B (3.0) average each semester.

Any student who does not maintain a B (3.0) average is removed from the scholarship. The scholarship will be reinstated if the student earns a B (3.0) average the following semester.

1. A scholarship of \$300.00 per semester for four semesters will be awarded to the outstanding senior student from each Cluster Area

of the six career/technical centers in the East Central Community College District. The recipient will be selected by the Director and teachers at each center in consultation with East Central's Career-Tech Counselors and Instructors.

2. A scholarship of \$300 per semester for four semesters will be awarded to the first place winners in the skill contest from the District Skills-USA Mississippi competition, District HOSA competition, District DECA Competition, District FFA Competition, and District TSA Competition.
3. A full matriculation scholarship for four semesters will be awarded to the first place winners in the skills contest from the State Skills USA Mississippi Competition, State FBLA Competition, State HOSA Competition, State DECA Competition, State FFA Competition, and State TSA Competition.
4. A full scholarship (Matriculation fee, room and board) for four semesters will be awarded to the first place winners in the skills contests from the National High School Skills-USA Competition, National FBLA Competition, National HOSA Competition, National DECA Competition, National FFA Competition, and National TSA Competition.

Career-Technical Non-Traditional Gender Scholarships — These scholarships are available in non-traditional gender programs, as specified by Federal Guidelines, for which the scholarships are awarded. One scholarship in the amount of one-half tuition will be presented to one student from each Career-Technical/Career Center in the East Central Community College District each spring.

To receive the scholarship the student must enroll in a non-traditional gender program. The student must enroll full time the fall following high school graduation and continue in the non-traditional program. The scholarship will be available for four consecutive semesters if the student meets all other requirements.

To retain the non-traditional gender scholarship, the student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average will be removed from the scholarship. The scholarship will be reinstated if the student earns a B (3.0) average the following semester.

Recipients will be chosen by a committee composed of the Dean of Career-Technical Education, the Assistant Dean of Career-Technical Education, the Career-Technical Counselor, the Tech Prep Coordinator, and an instructor in the Career-Technical area.

The Dean of Career-Technical Education will be responsible for notifying qualified high school students as to the availability of the scholarships.

Cheerleader Scholarships — Cheerleader Scholarships are awarded to seventeen students (sixteen cheerleaders and one mascot) who are selected by a committee. The scholarships are awarded in the following amount each semester: matriculation fee.

Mathematics Contest Scholarship — The Mathematics Department sponsors a Mathematics Contest and Seminar in the spring each year for high school juniors and seniors in the East Central District. The winner of the mathematics contest receives a three hundred dollar (\$300) tuition scholarship when entering East Central in the fall semester.

Mississippi Junior Academy of Sciences Scholarships — The Mississippi Junior Academy of Sciences Scholarships were established at East Central Community College effective at the beginning of the 1996 fall semester. Eligible students will receive full tuition scholarships each semester for a maximum of four (4) semesters. These scholarships will be available to any Mississippi resident who is a winner in the Mississippi Junior Academy of Sciences competition and who enrolls as a full-time student at East Central Community College the fall semester following his/her high school graduation. The Mississippi Junior Academy of Sciences Scholarships will be available to the eligible students for (4) consecutive semesters, fall and spring only, provided the students maintain 3.0 grade point averages each semester they are enrolled at ECCC.

Music Scholarships — Music scholarships are awarded in the following areas:

Music Major (voice and piano): The Music Department awards a total of eight tuition scholarships to voice and/or piano students each year provided that they meet the criteria established by the department. Recipients must:

1. Declare music as their major;
2. Audition before the music faculty;
3. Enroll as full-time students;
4. Maintain a 2.0 grade point average overall with a 3.0 in music, and
5. Perform as a member of a vocal performing group (voice music major) or perform as a member of any music performing group (piano music major).

Ac'cents: The Choral Department awards scholarships to students who are selected, through audition, to sing with the Ac'cents, a small vocal ensemble. The amount of each scholarship is the cost of tuition per semester.

Concert Choir: These scholarships are awarded to full-time students who are members of the concert choir. The scholarships in the amount of one fourth tuition are awarded per semester.

Non-Traditional Student Tuition Scholarship for Full-Time Students — The non-traditional student tuition scholarship will be available to any qualified Mississippi resident 23 years of age or older, at the time of initial enrollment, who enrolls full-time at East Central Community College in Decatur. The scholarship will be available to the student for three (3) consecutive semesters following the first twelve semester hours earned as either a part-time or fulltime student at East Central. To be eligible, a recipient:

1. Must enroll as a full-time academic or technical student on the Decatur campus.
2. Must have earned all previous college credit as a student at East Central;
3. Must have earned a minimum of 12 semester hours but no more than 21 semester hours of college credit as either a full-time or part-time student at East Central Community College;
4. Must have demonstrated the capacity and a strong desire to obtain a college education by maintaining a 3.0 GPA or higher for each previous semester at East Central;
5. Must complete a scholarship application form and submit it to the Vice President for Student Services' office; and,
6. Must show potential for leadership, academic excellence, and have high moral standards and good character as documented by two letters of recommendation.

The recipients will be selected by the College Scholarship Committee from students who meet the criteria listed above. Proceeds from the scholarship will be credited to the recipients' account in the Business Office and may be used to pay for tuition only. Any student awarded the nontraditional student scholarship must maintain a B (3.0) average each semester and must remain enrolled as full-time student to retain the scholarship. (See the College Catalog, Section II: Financial Aid Policies for further requirements.)

Salutatorian Scholarships — A scholarship in the amount of one-half the cost of tuition per semester will be available to the salutatorians of Mississippi high schools who enroll full time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The scholarship will be available to the student(s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

Star Student Scholarships — A scholarship in the amount of tuition will be available to the star students of Mississippi high schools who enroll full-time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student

will be awarded the scholarship. The scholarship will be available to the student(s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

TOM-TOM Scholarships — TOM-TOM Scholarships are awarded to the editor and the assistant editor of the College's student newspaper. The editor will be awarded a tuition scholarship and the assistant editor will be awarded a half tuition scholarship during the semesters that the students hold the positions of editor or assistant editor.

Valedictorian Scholarships — A scholarship in the amount of tuition will be available to the valedictorians of Mississippi high schools who enroll full time at East Central Community College the fall semester following high school graduation. In the case of a tie, each student will be awarded the scholarship. The Valedictorian scholarship will be available to the student (s) for four (4) consecutive semesters provided they maintain a 3.0 or higher grade point average each semester.

WO-HE-LO Scholarships — WO-HE-LO Scholarships are awarded to the editor and the assistant editor of the College's yearbook. The editor will be awarded a tuition scholarship and the assistant editor will be awarded a half tuition scholarship during the semesters that the students hold the positions of editor or assistant editor.

Youth Challenge GED Scholarships — The Youth Challenge GED Scholarships were established at East Central Community College effective the fall semester of 1995. Eligible students will receive scholarships equal to one-half the amount of tuition per semester. These scholarships will be available to any Mississippi residents who graduate from the Youth Challenge Program conducted by the Mississippi National Guard at Camp Shelby, Mississippi. The Youth Challenge Program is designed to assist teenage high school dropouts. The program involves six months of intensive physical and mental training designed to instill discipline and to prepare the students to take the GED test. Program sessions are conducted twice a year from January until June and from July until December. The scholarships will be available for eligible students for four consecutive semesters provided each eligible student maintains a 2.5 grade point average each semester he/she is enrolled at East Central. Specific requirements for the scholarship include a passing score on the GED test, successful completion of the Youth Challenge Program, and a favorable recommendation by the director of the Youth Challenge Program.

ENDOWED AND OTHER SPECIAL SCHOLARSHIPS — Endowed and Other Special Scholarships are funded by individual and group donations and are made available to eligible students according to each scholarship's guidelines.

AT&T Endowed Scholarship Fund — This scholarship fund was initiated on December 30, 2002, and formally established in April of 2003, by AT&T Telecommunications, Inc. through a gift of \$10,000.00, \$2,500.00 of which funds the annual scholarship luncheon. The remaining \$7,500.00 provides three scholarships to entering freshmen at East Central Community College and benefits students who are pursuing a degree in education or business at the College.

The specific terms and conditions of the scholarship are set forth as follows:

1. The purpose of the AT&T Endowed Scholarship Fund is to assist deserving young men and women who are pursuing a degree in education or business at the College.
2. The AT&T Endowed Scholarship Fund provides three (3) annual scholarships in the amount of \$500 each to qualified students who, for the twelve (12) months preceding admission to the College, resided in an area where AT&T provides telecommunications service (a "AT&T Service Area"), and maintains residence in a AT&T Service Area while attending the College.
3. The principal assets of this endowment fund are invested and only the income from the principal assets are used to finance the scholarships. In the event there is not sufficient income to provide three \$500 scholarships annually, the College is authorized to take needed monies from the principal assets to cover the scholarships until the assets are depleted. Additional monies may be added to the AT&T Endowed Scholarship Fund from time to time.
4. Recipients are selected by the East Central Community College Scholarship Committee and ECCC will provide the names of the recipients to AT&T each year for appropriate publicity. For more information, contact the Vice President for Student Services Office toll free at 1/877/GO2-ECCC (462-3222), ext. 375.

The T. T. Beemon Scholarship — Endowed in 2001, this award was funded by T. T. Beemon, Class of '37 and his wife, the former Mary Emma Fancher. A Newton County native, he graduated in 1935 from Beulah-Hubbard High School. After East Central, he graduated from Mississippi Southern College. He then taught at the high school level before serving in the U.S. Army from 1943 to 1945. After military service, he was employed at Hinds Community College where he stayed for 38 years, retiring in 1983 as biology instructor and chairman of the Biology Department. Mrs. Beemon was born in Choctaw County and graduated from Weir High School. Her family then moved to Louisville in Winston County. She graduated from Mississippi Woman's College, now William Carey College in Hattiesburg. She also retired from Hinds Community College, where she was a math instructor. Early in her career, she taught in Louisville

where her students included Miss Lucille Wood, longtime EC instructor and one of the two people for whom the Brackeen-Wood Physical Education Building is named. Criteria for the T.T. Beemon Scholarship include the following:

- Must be a resident of the Little Rock, Mississippi area;
- Must plan to enroll in college full-time after graduation from high school;
- Must major in a science field such as chemistry or biology; and
- Must plan a career in pre-med, pre-dentistry, or a related field.

Recipients will be selected by the College Scholarship Committee and the award will be made during the first semester of the freshman year. Only the interest earned on the endowment corpus will be used for the scholarship award. No part of the endowment corpus will be used for the scholarship awards. For more information, contact the Vice President for Student Services, P.O. Box 129, Decatur, MS 39327-0129, or call toll-free: 1-877-GO2ECCC (462-3222), ext. 375

Clayton Blount Scholarship — This scholarship was established in 1995 in honor and appreciation of Coach Clayton Blount by his former students. During his employment at East Central Junior College from the years 1953 through 1970, Coach Blount served in various capacities including physical education teacher, head basketball coach, assistant football coach, head football coach, dean of men, and athletic director. Coach Blount expected much of the students and athletes with whom he worked. He was a father figure and an exceptional disciplinarian. He expected the students and athletes to conduct themselves in a very decent manner at all times and to bring honor to the college that they represented. The rapport he had with his students allowed him to be very demanding of them while still keeping their respect and admiration. Because of his high expectations and discipline, many of the students with whom Clayton Blount was associated are now successful and respected citizens.

The following policies and requirements relate to the administration of this scholarship.

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship awards. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.
2. A recipient will be selected annually by the East Central Community College Scholarship Committee from the pool of applicants.
3. Each recipient must:
 - a. Be a graduate of a high school from the five-county area supporting East Central Community College;

AT&T Endowed Scholarship Fund — This scholarship fund was initiated on December 30, 2002, and formally established in April of 2003, by AT&T Telecommunications, Inc. through a gift of \$10,000.00, \$2,500.00 of which funds the annual scholarship luncheon. The remaining \$7,500.00 provides three scholarships to entering freshmen at East Central Community College and benefits students who are pursuing a degree in education or business at the College.

The specific terms and conditions of the scholarship are set forth as follows:

1. The purpose of the AT&T Endowed Scholarship Fund is to assist deserving young men and women who are pursuing a degree in education or business at the College.
2. The AT&T Endowed Scholarship Fund provides three (3) annual scholarships in the amount of \$500 each to qualified students who, for the twelve (12) months preceding admission to the College, resided in an area where AT&T provides telecommunications service (a "AT&T Service Area"), and maintains residence in a AT&T Service Area while attending the College.
3. The principal assets of this endowment fund are invested and only the income from the principal assets are used to finance the scholarships. In the event there is not sufficient income to provide three \$500 scholarships annually, the College is authorized to take needed monies from the principal assets to cover the scholarships until the assets are depleted. Additional monies may be added to the AT&T Endowed Scholarship Fund from time to time.
4. Recipients are selected by the East Central Community College Scholarship Committee and ECCC will provide the names of the recipients to AT&T each year for appropriate publicity. For more information, contact the Vice President for Student Services Office toll free at 1/877/GO2-ECCC (462-3222), ext. 375.

The T. T. Beemon Scholarship — Endowed in 2001, this award was funded by T. T. Beemon, Class of '37 and his wife, the former Mary Emma Fancher. A Newton County native, he graduated in 1935 from Beulah-Hubbard High School. After East Central, he graduated from Mississippi Southern College. He then taught at the high school level before serving in the U.S. Army from 1943 to 1945. After military service, he was employed at Hinds Community College where he stayed for 38 years, retiring in 1983 as biology instructor and chairman of the Biology Department. For more information, contact the Vice President for Student Services, P.O. Box 129, Decatur, MS 39327-0129, or call toll-free: 1-877-GO2ECCC (462-3222), ext. 375

Clayton Blount Scholarship — This scholarship was established in 1995 in honor and appreciation of Coach Clayton Blount by his former students. During his employment at East Central Junior College from the years 1953 through 1970, Coach Blount served in various capacities including physical education teacher, head basketball coach, assistant football coach, head football coach, dean of men, and athletic director. Coach Blount expected much of the students and athletes with whom he worked. He was a father figure and an exceptional disciplinarian. He expected the students and athletes to conduct themselves in a very decent manner at all times and to bring honor to the college that they represented. The rapport he had with his students allowed him to be very demanding of them while still keeping their respect and admiration. Because of his high expectations and discipline, many of the students with whom Clayton Blount was associated are now successful and respected citizens.

The following policies and requirements relate to the administration of this scholarship.

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship awards. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.
2. A recipient will be selected annually by the East Central Community College Scholarship Committee from the pool of applicants.
3. Each recipient must:
 - a. Be a graduate of a high school from the five-county area supporting East Central Community College;

- b. Have a high school grade point average of 3.0 or above;
- c. Participate as an athlete in one of the major athletic programs at East Central which includes baseball, basketball, football, softball, tennis and soccer;
- d. Appear on East Central Community College's certification list as a certified athlete for the given year;
- e. Not have been involved in any activity which would bring discredit to the College.

The scholarship will be available to the recipient beginning the fall semester following high school graduation. One-half of the scholarship will be awarded the fall semester and one-half will be awarded the following spring semester. To retain the scholarship for the spring semester, the student must earn a 2.5 grade point average on the 4.0 scale during the fall semester.

Board of Trustees Scholarship — The Board of Trustees Scholarship was established in the spring of 1999 by the East Central Community College Board of Trustees. This tuition scholarship is awarded annually to a student from one of the five counties in the district on a rotating basis. The rotation will be in this order: Leake County, Neshoba County, Newton County, Scott County, and Winston County. The scholarship is funded by donations from the College's 30-member Board of Trustees. To be eligible, potential recipients must meet the following criteria:

- Be a resident of the College's five-county supporting district;
- Be in need of financial assistance, and
- Have at least a 2.5 (C+) grade point average on a 4.0 scale

The scholarship recipient will be selected annually by the College Scholarship Committee.

Dr. Austin P. Boggan Scholarship — Established in 1998, this scholarship shall be awarded annually to a freshman pre-med major. The endowment was funded by the family and friends of Dr. Austin P. Boggan, a Decatur physician for over 40 years. Dr. Boggan completed high school at Rose Hill in Jasper County. After graduating from Jones County Junior College, Boggan served in the Army for three years. He then obtained a zoology degree from Mississippi State University. After completing two years of study at the University of Mississippi, he transferred to the Tulane University School of Medicine where he received the Doctor of Medicine degree.

Scholarship recipient selection shall be made by the College Scholarship Committee. To be considered, candidates must meet the following minimum criteria:

- Be a pre-med major;
- Have earned at least a 3.0, or "B" grade point average in high school;

Graduates of high schools within the College's five-county district including Scott, Winston, Newton, Leake, and Neshoba counties will be given first consideration for the annual scholarship award. However, students from other areas may also apply and may be considered.

The scholarship amount is estimated to be approximately \$500 for the first semester of the freshman year. However, the actual amount each year will depend upon the annual earnings from the scholarship endowment.

Applications will be accepted through the end of March each year. The award will be made for the fall semester of the student's freshman year only. For more information, contact the Vice President for Student Services' office.

Pleas Clayton and Amanda Breazeale Blount Memorial Scholarship

— This scholarship endowment was started in the fall of 2000 in memory of Ples Clayton and Nancy Amanda Breazeale Blount, and in honor and memory of her children. Her 12 children include Henry Clayton Blount, Lillie Blount Gallaspy Wright, Jasper Monroe Blount, Hardy Edmund Blount, John Elzie Blount, Lou Ella Blount Gordon Kennedy, Ida Mae Blount Foy, Minnie Lee Blount Wall, Edna Blount Ware, Ruby Blount Robinson Mayberry, Clarence Malcolm Blount and Lloyd Lamar Blount.

Mrs. Blount served as the dietician at East Central Community College from 1933 until her retirement in 1950. She was succeeded by her daughter, Mrs. Lou Ella Gordon, who continued as the College's dietician until the early 1960's. The Gordon Room in Mabry Cafeteria is named for Mrs. Gordon.

Criteria for applicants for the Blount Scholarship are as follows:

- Must be a resident of the United States;
- Must have maintained at least a "B" grade point average (3.0 on 4.0 scale);
- Must pursue a bachelor's degree; and
- Must enroll full time at the College.

In addition to high school seniors, the scholarship is open to students who have been enrolled in adult and continuing education and others who meet the criteria.

The amount of the scholarship award, to be given for both semesters of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award.

Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, contact the Vice President for Student Services, ECCC, Box 129,

Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

Ernest Harrison Boswell Memorial Scholarship — This scholarship was given in memory of Ernest Harrison Boswell by his wife, Rebecca Henry Boswell, and children, Ann Spell, Linda Montgomery, Karen Gibson, and Harry Boswell.

He was a native of Louisville, Mississippi and graduated from ECJC in 1940. Leaving with the National Guard unit from Decatur, he spent the next several years in the Army in WWII. He graduated with a master's degree in Geology from the University of Alabama in 1949.

He was a nationally recognized expert on the geohydrology of the Embayment Area of the southeastern United States. He also authored more than 30 scientific reports and papers. He received the Department of the Interior's Meritorious Service Award in 1983.

Boswell and Rebecca met at ECJC and carried a love for it throughout their life together.

To be eligible for the Ernest Harrison Boswell Memorial Scholarship the student must:

1. Be a male, incoming freshman;
2. Reside in Winston County;
3. Have a minimum 3.0 grade point on a 4.0 scale;
4. Plan to enroll full time at East Central; and
5. Demonstrate financial need.

Recipients who receive the scholarship their freshman year are eligible for the scholarship their sophomore year if a "B" grade point average is maintained and full-time status at East Central is maintained.

The amount of the scholarship award will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Scholarship recipients will be selected by the ECCC Scholarship Committee

R. W. Bounds Scholarship — The R. W. Bounds Scholarship was established in 1986 by Mr. Sam Bounds, son of the person for whom the scholarship was named and member of the East Central Community College Board of Trustees. The elder Mr. Bounds was the founder of B and W Feed Service in Lawrence, Mississippi.

This scholarship is awarded to a graduate of Newton High School in the amount of \$100 a year for attendance at East Central Community College. The recipient will be named by the principal and vocational agriculture instructor at Newton High School. The recipient must have excelled as a student in vocational agriculture and must have displayed outstanding interest and involvement in the field of agriculture. An additional factor in the selection process shall be the need

of the recipient for financial assistance to attend East Central Community College.

The scholarship will be awarded to the recipient at the annual Newton High School Awards Day Program.

Denver Brackeen Scholarship — The Denver Brackeen Scholarship was established in 2005 in appreciation, honor, and recognition of his service to East Central Junior College by former men's basketball players who played under his tutelage from 1956 until 1963. Coach Brackeen served in various capacities at East Central in addition to basketball coach including counselor, Director of Admissions, Academic Dean, Director of Financial Aid, and Dean of Students, of which he was the first in Mississippi Public Junior Colleges. In recognition of his dedication and devotion to the College, the Brackeen-Wood Physical Education Building is named for him and longtime ECCC coach/instructor Lucille Wood.

Brackeen was an outstanding basketball player and student at Hickory High School, East Central Junior College, and the University of Mississippi. He also played professionally for the New York Knickerbockers. Throughout his basketball career, he received numerous state, regional, and national awards for his accomplishments.

In addition to his outstanding contributions to East Central Junior College, Brackeen also had a most distinguished career with the Mississippi National Guard having served as Mississippi's Adjutant General during Desert Storm and had reached the rank of Brigadier General when he retired from military service. At the time of his death in 2006, he was serving as a member of the State Board for Community and Junior Colleges.

The following policies and procedures will be used in the administration and subsequent awarding of the Denver Brackeen Scholarship:

1. All contributions will be placed in endowment with only the interest expended each year the scholarship is awarded.
2. The scholarship recipient will be selected and the monetary amount will be determined by a committee of five. Four of the five members will be former players who will serve a four year term. The initial committee appointments will be made on a staggered basis so that members will rotate off at varying times. The fifth member will be Brackeen's widow, Charlotte. The selection committee will be responsible for maintaining membership for future years.
3. First priority for the scholarship recipient each year will be given to applicants who are lineal descendants of Brackeen or one of the players who played for him at East Central Junior College from 1956-1963. Each applicant qualifying for consideration under this provision must present in writing the lineal connection to Brackeen or one of his players.

4. Should there be no applicants which meet the lineal descendent requirement, consideration may be given to applicants which meet the following requirements:
 - A high school graduate with a 2.5 GPA;
 - Have participated in extracurricular activities in high school;
 - A secondary education major;
 - Be able to present definable career goals, plans, and aspirations;
 - Be willing to participate in an award ceremony and agreeable to publicity regarding the scholarship; and
 - Not involved in any activity which would bring discredit to East Central Community College.
5. The Denver Brackeen Scholarship will be awarded for two semesters. Each award recipient may reapply for a second year consisting of two semesters.
6. Applications will be accepted through the end of March each year. At that time all applications will be presented to the selection committee.
7. In the event a scholarship is not awarded in any year, the interest that would have been used to fund the scholarship will be deposited into the scholarship endowment. (added 12-19-06)

The Paul V. and Voncile H. Breazeale Ministerial Scholarship — Mr. and Mrs. Paul Breazeale, both alumni of East Central Community College, established the Paul V. and Voncile H. Breazeale Trust Fund in 1995. The proceeds from this trust fund provide a scholarship to an incoming, full-time, freshman student who demonstrates financial need and who is enrolled in a curriculum which will prepare the student for a ministry in full-time Christian service. Preference will be given to Baptist students. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards. The East Central Community College Scholarship Committee will make the annual selection from the applicants who have completed the application process and met the general eligibility requirements. To be eligible for the scholarship the student must:

- (1) be a high school graduate as verified by a high school transcript;
- (2) be a first-time, entering freshman in the fall semester;
- (3) demonstrate financial need on a current federal student financial aid form;
- (4) provide letters of recommendation from his/her high school principal, local pastor, and a personal acquaintance.

To retain the scholarship for the four semesters of eligibility, the student must maintain a 2.5 cumulative GPA as a student at East Central Community College and exhibit those characteristics which

are expected of one who intends to follow a career in full-time Christian service. Students who wish to apply for the scholarship should contact the Vice President for Student Services' office at East Central Community College for a scholarship application.

The Ann H. Burkes Phi Theta Kappa Scholarship — Established in December of 1999, this endowed scholarship honors the life and works of Ann Hunter Burkes, Class of 1963, of Decatur. She served as an advisor for the Theta Xi Chapter of Phi Theta Kappa, the international scholastic honor society for community college students, for 19 years, from 1981 to 2000.

The scholarship is given annually to a student who exemplifies the hallmarks of Phi Theta Kappa — scholarship, leadership, service, and fellowship. The scholarship is awarded at the end of each recipient's freshman year at East Central.

Mrs. Burkes first became associated with Phi Theta Kappa when she joined the organization while a student here in 1963. After East Central, she then earned the B.S., M.S., and Ed.S. degrees from the University of Southern Mississippi. Mrs. Burkes became Head Librarian at East Central in 1969.

After being named Theta Xi Chapter advisor, her work with the chapter involved untold hours of work above and beyond her library responsibilities. With her help, the East Central Chapter achieved numerous state, regional, and international awards. After serving as co-advisor, she helped organize a campus-based Phi Theta Kappa alumni chapter.

Candidates for the Burkes Phi Theta Kappa Scholarship must meet the following criteria:

- (1) Become a Phi Theta Kappa member during the freshman year at East Central;
- (2) Be a resident of the College's five-county district; and
- (3) Exemplify the hallmarks of Phi Theta Kappa.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by a committee named by the Phi Theta Kappa Advisors. For more information, contact, the Vice President for Student Services' Office, Box 129, Decatur, MS 39327-0129, or call toll free: 1-877-GO2-ECCC (462-3222), Ext. 375.

The Mable Moore Carr Educational Scholarship — The Mable Moore Carr Educational Scholarship is for deserving graduating high school seniors from Forest High School in Forest, Mississippi. The scholarship is named after Mrs. Mable Moore Carr of Forest who served as a secondary school science teacher for some 30 years. It was

created and fully endowed in 1996 by her four sons, all of whom attended community or junior colleges. Three of her sons, Jimmy, Hugh, and Tom, attended East Central, and Charles, the oldest son, attended Jones County Junior College.

Scholarship candidates must:

- (1) Have a "B" or better average;
- (2) Desire to pursue a degree in education;
- (3) Plan to attend East Central Community College in Decatur as fulltime students during the fall semester following their senior year in high school.

The annual recipient will be chosen by a scholarship committee at Forest High School. If there are no qualified applicants pursuing a degree in education, others may be considered.

The Citizens Bank of Philadelphia Scholarship — This scholarship was established in 1992 by The Citizens Bank of Philadelphia. The scholarship will be available to a selected recipient from one of the four East Central Community College District counties served by this bank. These counties include Leake, Neshoba, Newton, and Scott. This full tuition scholarship will be available for the fall and spring semesters of each recipient's freshman year.

To be eligible, a recipient must:

- (1) Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- (2) Reside in an area served by The Citizens Bank of Philadelphia in the East Central Community College District;
- (3) Have demonstrated leadership ability in his/her high school;
- (4) Have scored a composite of 20 or above on the ACT.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above.

Class of 1964 Endowed Scholarship — The East Central Community College Class of 1964 established this scholarship in October 2004 at homecoming during its 40-year class reunion. Those attending discussed and unanimously approved the establishment of an endowment fund.

One recipient will be selected annually by the ECCC Scholarship Committee from applicants who have met the following criteria:

- Attained sophomore standing;
- Maintained a 3.0 grade point average; and
- Demonstrated a need for financial assistance

The scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for the scholarship award.

W. R. Covington Scholarship — This scholarship was established in 1985 by Dr. Eddie M. Smith, President of East Central Community College, in recognition of the support and assistance Mr. W. R. Covington of Noxapater, MS, has provided for many students to aid them in attending college and personally for his encouragement and financial support of Dr. Smith when he was a student at East Central Junior College. This scholarship is awarded to a graduate of Noxapater High School in the amount of \$150 for one year for attendance at East Central. One-half of the scholarship will be awarded each semester.

The Nellie Neill Cross Memorial Scholarship — This scholarship was established in memory of the late Nellie Neill Cross by her former students and friends. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards. Mrs. Cross served East Central as a member of the faculty, as manager of the Sullivan Student Center and as a loyal supporter of the College for more than fifty years. The scholarship will be awarded annually to an entering freshman who plans to major in music with an emphasis in voice.

Fred Preston Dallas and Maudie Threatt Dallas Memorial Scholarship — This scholarship was established in 1991 to assist deserving graduates of Neshoba Central High School who reside in the southeast quarter of Neshoba County (indicated on an available map) to attend East Central Community College. It was established and funded by the children of Mr. and Mrs. Dallas in their memory and in honor of their interest in education. Seven of Mr. and Mrs. Dallas' eight children attended East Central Junior College.

In the event an eligible scholarship applicant is not selected from the designated area (southeast quarter of Neshoba County), then an eligible scholarship applicant residing in Neshoba County should be considered. If a Neshoba county applicant does not qualify, then an eligible scholarship applicant residing in Newton County should be considered. In the event a Newton County applicant does not qualify, then an eligible student should be considered from the College's five-county district.

The amount of the scholarship award should be based on the calendar year ending December 31st prior to the fall semester. The amount of the scholarship available should be the earnings in excess of the inflation rate upon to the cost of tuition, room and board for a year.

The endowment fund may be increased, from time to time, by appropriate contributions from the founders or from others. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Requirements:

1. The person selected must have a demonstrated financial need, as determined by the College Scholarship Committee.
2. The person selected must have high moral standards, good character, and must not be a substance abuser.
3. The recipient must have demonstrated the capacity and a strong desire to obtain a college education.
4. The award will be for students pursuing an academic (university transfer) education only.
5. The scholarship is to be awarded on Awards Day at the appropriate high school.
6. The recipient must show potential for leadership and academic excellence.
7. In order for the recipient to reapply for consideration for a second year, the student must have a D or above in all classes, must have an average of C or above, continue to have a financial need, and have a clear disciplinary record.
8. Funds from this scholarship are to be applied to the educational expenses of the recipients.
9. The recipients are to be selected by the College Scholarship Committee. The recipients will be selected from students recommended by at least four of their senior year high school classroom teachers who agree that the students meet the above requirements.

Aaron Ronald Davis Memorial Scholarship — This scholarship was established in 2006 by family and friends to honor the life and work of Ron Davis, who contributed 29 years to science education in the state of Mississippi. A graduate of East Central Community College, Mr. Davis earned a bachelor's degree in biology from the University of Southern Mississippi and a master's degree from Mississippi State University in science education. For 19 years, Mr. Davis was an outstanding instructor of biology, zoology, and anatomy/physiology at ECCC, and he served for 10 years as department chair of the science division, providing knowledge and support to faculty, students, and the ECCC community at large. As sponsor of Sigma Sigma Mu Tau, an organization for students interested in health careers, Mr. Davis mentored many students in regard to coursework, applications, and decision-making. Praised for his skill and compassion as a teacher and advisor, Mr. Davis was recognized with the Instructor of the Year Award, HEADWAE Award, and a medallion for teaching excellence from the National Institute for Staff and Organizational Development. The scholarship will be awarded annually to a sophomore majoring in science, with special consideration to majors in the medical fields.

The annual scholarship recipient will be chosen by a consensus of the ECCC science faculty.

The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

Stella Dickerson Technical Honor Scholarship — The Stella Dickerson Technical Honor Scholarship is for deserving technical sophomore students who show leadership and academic excellence in the field of technology. The scholarship was created in the summer of 2000 to honor Mrs. Stella Dickerson, a computer technology instructor at East Central. According to one of her students who initiated the scholarship drive, "this scholarship is named in Mrs. Dickerson's honor for the countless hours she spends instructing students. She is a shining example of a true educator. She shows exceptional leadership and accepts no less than the very best from each student. She is a constant supporter of Phi Theta Kappa and encourages each of her students to strive for academic excellence. With her famous words, 'You can do it; I know you can,' she has been, and continues to be an inspiration to us all."

To qualify, potential recipients must:

- Be a technical student returning to East Central Community College for the sophomore year of study;
- Earn membership in the Phi Theta Kappa International Honor Society for two-year colleges during the fall semester of the freshman year;
- Join Phi Theta Kappa the second semester of the freshman year;
- Maintain a 3.0 GPA during the fall semester of the sophomore year; and
- Be a non-traditional student.

The amount of this scholarship award will be based upon earnings from an endowment corpus. No part of the corpus may be used for scholarship awards. The scholarship committee in conjunction with the Phi Theta Kappa advisors and the Career-Technical Division will select recipients. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327-0129, or call toll free: 1-877-GO2-ECCC (462-3222), ext. 375.

Opal McMullan Dickerson Memorial Scholarship — This scholarship was established by the Marion McMullan family in memory of their daughter, Opal. It is awarded to a sophomore, who is majoring in elementary education. Selection is made by the student education association advisor and is based on academic success and potential, and the contribution to the student education organization.

The Tony Dobbs Memorial Golf Scholarship — This scholarship was established in 2004, in honor of the memory of the late Tony

Dobbs. Funding has been provided by the Forest Country Club's annual crawfish tournament and private donations. Tony was a 1980 graduate of Forest High School, where he lettered in golf, football, and baseball. Tony was an avid outdoorsman who lived life to the fullest.

To be eligible, a recipient must:

- Be a legal resident of Leake, Neshoba, Newton, Scott, or Winston County;
- Maintain a 2.0 GPA;
- Be a member of the ECCC golf team; and
- Be an incoming freshman

The recipient will be selected by the ECCC Scholarship Committee in consultation with the ECCC golf coach. The recipient will receive \$500.00 for the fall semester and \$500.00 for the spring semester of their freshman year at ECCC.

East Central Scholars Scholarship — This scholarship was established by the College in the summer of 1999. Individuals, businesses, and groups provide these two-year full-tuition scholarships to select in-district students who are in the top ten percent of their high school classes. To be eligible, potential recipients must meet the following criteria:

- Be in the top ten percent of their high school classes;
- Enroll as full-time students at East Central the first semester after high school graduation;
- Agree to enroll in Honors Program courses at East Central; and
- Maintain at least a "3.0" average during their four semesters at East Central.

Qualified recipients will be selected by the college Scholarship Committee. For more information, contact the Vice President for Student Services' Office at East Central Community College.

Scholarship donors will be invited to attend a luncheon each spring to meet the students who receive the scholarships that they provide. Donors are also encouraged to initiate a "mentoring" relationship with the recipients and to monitor their academic progress.

The Leon Eubanks Kaljyc-Peers Leadership Award — This scholarship was established in 1994 by Mr. Leon Eubanks who was a faculty member at East Central Junior College from 1934 to December 1943. While an instructor at East Central, Mr. Eubanks was the faculty sponsor of a campus leadership organization called the Kaljyc-Peers. To honor the leadership philosophy of that organization, Mr. Eubanks stipulated that the interest earned from the invested scholarship corpus be used to fund an annual scholarship to be awarded to the President of the East Central Community College Student Body

Association at the annual Awards Day program. The award funds will be disbursed in two equal payments during the year the student serves as the Student Body Association President.

Excellence in Education Scholarship for Career and Technical Students— Entergy Mississippi, Inc.'s (Entergy) Excellence in Education Scholarship for Career and Technical students recognizes the importance of a well-trained workforce to the future economic success of Mississippi. Entergy believes that Mississippi's community colleges provide excellent job-training programs that enable graduates to compete in today's market.

Criteria: This scholarship will be awarded on an annual basis and will cover tuition and required

fees up to \$1,200. The scholarship will be awarded to a student who meets the following criteria:

- Be a full-time East Central Community College freshman or sophomore student pursuing a career or technical field of study.
- Have a 2.5 or better high school and/or East Central Community College grade point average.
- Be free of any disciplinary problems.
- Be a legal resident of Mississippi.
- Have a demonstrated financial need.
- This scholarship may not duplicate other scholarships or financial assistance. That is, the total amount of scholarships and other financial aid may not exceed the total cost of tuition and fees by more than \$300 per semester.

If for any reason the recipient does not return to East Central Community College for the Spring semester or drops below the required GPA, the balance of the scholarship fund shall be awarded in the Spring semester to an alternate student who meets the above criteria.

The scholarship is awarded on an annual basis. To be considered for a second year, the recipient must reapply.

In order to be considered for this scholarship the student must apply to the East Central Community College Student Services Office, submitting the documents required by the College prior to March 1 of each year.

The recipient of the scholarship will be selected by the East Central Community College Scholarship Committee. Review and recommendation of candidates will be without regard to age, race, gender, religion, or national origin.

Anyone interested in applying for the Entergy Excellence in Education Scholarship should contact the Vice President for Student Services Office at (601) 635-2111, Ext. 375. (Added 12/18/01)

Robert G. Fick Memorial Scholarship — This scholarship was established by the family of Robert G. Fick who was a devoted music instructor at East Central Community College from 1951-1978. After retirement, he continued to work in civic and community activities until his death on July 26, 1990. Each year's recipient will have his/her name inscribed on a loving cup which was purchased by the family. This loving cup will remain on permanent display in the college's trophy case. The scholarship amount awarded each year will be based on the annual earnings from the scholarship endowment.

Scholarship candidates must:

1. Be completing their freshman year and be returning as full-time students the following year;
2. Show dedication to the betterment of the music department through untiring work; and
3. Have cumulative grade point averages of no less than a 2.0 on a 4.0 scale.

Financial need and field of study are not criteria for selection. The Vice President for Student Services working with the scholarship committee will be responsible for selecting the recipients of the scholarship and the East Central Band Director will make the annual presentations.

Bank of Forest Scholarship — This scholarship was established in 1997 by the Bank of Forest.

To be eligible, a recipient must:

1. Be a legal resident of Scott County;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
4. Have a high school grade point average of 2.5 or above on a 4.0 scale; and
5. Be willing to participate in an awards ceremony and be part of publicity involving the Scholarship award.

The recipients will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above. Each recipient will receive \$500 for the fall semester and \$500 for the spring semester of their freshman year at East Central Community College.

The Hubert D. Gilmore Scholarship — This scholarship was created in 2000 to benefit students needing financial assistance who agree to tutor other students who need academic help.

Criteria for the Hubert D. Gilmore Scholarship is as follows:

- Possess the academic ability to do so and agree to tutor other students who need academic help;

- Have a need for financial assistance;
- Be motivated to receive an education; and
- Be willing to participate in an annual scholarship luncheon and to take part in accompanying publicity related to the scholarship award.

The amount of the annual scholarship will depend on earnings from the endowment corpus. No part of the corpus may be used for the scholarship. Scholarship recipients will be selected by the College Scholarship Committee. For more information, call the Office of the Vice President for Student Services toll-free; 1-877-GO2-ECCC 462-3222), ext. 375, or write: Box 129, Decatur, MS 39327.

Sue Gunter Memorial Scholarship — This scholarship was established in memory of Sue Gunter, who passed away in August of 2005. Mrs. Jessie Whittle of Newton created this scholarship to honor the life and numerous accomplishments of her former classmate and friend. Sue Gunter, a Leake County native and graduate of Walnut Grove High School, attended East Central Junior College from 1957 to 1958. In July of 1958, she transferred to the Nashville Business College and played basketball earning All-American honors in 1960. She was also a member of the U.S. National team from 1960-1962. In 1962, she received her bachelor's and master's degrees from the Peabody College in Nashville, Tennessee. Ms. Gunter also did post-graduate work at Texas Women's University. She would go on to coach women's college basketball for 40 seasons - with 22 of those seasons at Louisiana State University. Her overall coaching record, 708-308, is ranked fourth in all-time wins in NCAA women's basketball, ranked third in games coached (1016), and sixth in 20-win seasons (22). Among her numerous honors, Sue Gunter was inducted into the Women's Basketball Hall of Fame in 2000, the Mississippi Sports Hall of Fame in 2003, and the Louisiana Sports Hall of Fame in June of 2005. In September of 2005, she was also elected to the Naismith Memorial Basketball Hall of Fame in Springfield, Massachusetts.

Candidates for the Sue Gunter Scholarship must meet the following criteria:

- Be a resident of the College's five-county district;
- Enroll full-time at East Central his or her freshman year after high school graduation;
- Have maintained a "B" grade point average; and
- Demonstrate the necessity for financial assistance.

This is a four semester scholarship. Recipients must maintain a "B" grade point average and must continue full-time study at East Central to continue to receive the scholarship. The amount of the scholarship award will be based on earnings from the endowment corpus. No

part of the endowment corpus will be used for the scholarship award. Scholarship recipients will be selected by the ECCC Scholarship Committee.

R. O. and Bertha Hannah Scholarship— This scholarship was established in 1991 by the sons of R. O. and Bertha Hannah to honor their parents for the motivation, assistance, and encouragement they provided their children. Mr. and Mrs. Hannah encouraged their sons to acquire the education each would need to help assure a successful future. All four of the Hannah's' sons attended East Central Junior College.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

This scholarship will be awarded annually to an entering freshman from Scott County. Eligible recipients of this scholarship must have the demonstrated potential for successful college study and must be able to demonstrate the need for financial assistance.

The Vice President for Student Services working with the Scholarship Committee will select the recipients annually.

The Nancy Hiatt Harris ADN Scholarship — This scholarship was fully endowed in the fall of 1998 with a gift of \$10,000 from an unnamed alumnus who had a keen interest in enhancing the quality of the College's Associate Degree Nursing program. The scholarship was named for Mrs. Nancy Hiatt Harris, R.N., M.S.N., of Philadelphia who was the first director of the College's Associate Degree Nursing program. While serving in that role, Mrs. Harris spearheaded the program's achievement of initial state and national accreditation.

Candidates for the Harris scholarship must meet the following criteria:

1. Have a minimum grade point average of "C" or above on all previous college study, and
2. Have a demonstrated financial need.

Candidates must have previously been accepted and must be entering their first semester of the Associate Degree Nursing program. The scholarship will be awarded for the first semester of the two-year program.

Only the interest earned on the endowment corpus for this scholarship fund will be used for the scholarship awards. No part of the endowment corpus will be used for the scholarship awards. Recipients will be selected by the College's Scholarship Committee.

The Richard Harris Scholarship — This scholarship was established in December of 2003 by Dr. Harold S. Aycok, Class of 64, in honor of Mr. Richard Harris, his high school basketball coach at Hickory, Mississippi. A native of Hickory, Mr. Harris, Class of 1952, was an

outstanding basketball player at Hickory, ECCC and Delta State University. He taught and coached boys and girls basketball teams at several Newton County schools for more than 40 years. His coaching philosophy emphasized that players master the game's basic fundamental skills and strategies, play hard with court awareness and as a team, and show respect for the game, opponents and themselves. His teams won 5 state championships and he was inducted into the ECCC Athletic Hall of Fame in 1990 and the Mississippi Association of Coaches Hall of Fame in 1991.

Candidates for the Richard Harris Scholarship must meet the following criteria:

- Be a graduate of a high school in Newton County;
- Desire to pursue a career in education;
- Complete at least two full academic semesters at ECCC with a minimum of a 3.0 GPA on a 4.0-point scale and intend to complete the appropriate sophomore program at East Central; and
- Preference given to the prior year freshman recipient of the James E. Land Memorial Scholarship, if the freshman recipient meets or exceeds the minimum requirements listed above.

This scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus.

No part of the corpus may be used for scholarship awards. The ECCC Scholarship Committee will select scholarship recipients. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Shelby L. Harris Memorial Scholarship — This scholarship endowment was established in May of 2002 in memory of Dr. Shelby L. Harris by the East Central Community College mathematics and computer science division along with other East Central Community College faculty and staff members and friends.

Dr. Harris graduated from East Central Junior College in 1958 and returned in 1963 as a mathematics instructor. He was employed at East Central Community College for 36 years before retiring in 1999, and he served as chairman of the mathematics and science division from 1986-1999. Dr. Harris also served as faculty advisor for Alpha Alpha Epsilon, the national engineering honor society, for 36 years.

Perhaps his greatest contribution came as advisor to the Theta Xi Chapter of Phi Theta Kappa (PTK), the international honor society for two year colleges. He was instrumental in developing Theta Xi and led the chapter to honors in several categories at the local, state, and national levels. Dr. Harris was inducted into PTK when he was a student at East Central Junior College.

Candidates for the Shelby L. Harris Memorial Scholarship must meet the following criteria:

- Be a freshman mathematics or engineering major;
- Be a member of Phi Theta Kappa; and
- Be a returning sophomore.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the first semester of the recipient's sophomore year. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the East Central Community College mathematics faculty and the Phi Theta Kappa advisors. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Sylvia Ann Graham Haywood Memorial Scholarship – This scholarship was established to honor the memory of Sylvia Ann Graham Haywood by her husband, William Thomas Haywood. Dr. Haywood served as Business Manager at EC and taught accounting from 1951-1958.

Sylvia was a member of the East Central Junior College Class of 1954. While at EC, she was an honor student who served as editor of the Wo-He-Lo annual, sang in the Madrigals, and was elected May Queen.

Following her marriage, Sylvia attended and graduated from Sophie Newcomb College of Tulane University and received a Master of Education degree from Mercer University. She taught English and tutored French in both the public and private secondary schools in Macon, Georgia. In 1972 she graduated with honors from Mercer University's Walter F. George School of Law. She practiced law in Macon and taught law at Mercer. In 1984, Sylvia died of cancer at age 48.

*The scholarship will be awarded annually to an incoming freshman student for the fall semester. The amount of the scholarship award will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award.

To be eligible, a recipient must:

- Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- Have good academic standing;
- Demonstrate financial need; and
- Display leadership qualities and good citizenship.

The recipient will be selected by the College Scholarship Committee from students who apply and who meet the criteria listed above.

The Jeffrey G. and Kathy L. Hitt Memorial Scholarship — Established in the Fall of 2003 by Jeff and Kathy's family and in-laws, this scholarship honors their memory and Jeff's devotion to Christ, education and personal success. Kathy, Jeff's sister, was only an adolescent when she was called home to heaven. Jeff was a life-long resident of Union, MS, where he graduated with honors from Union High School, East Central Community College, The University of Mississippi and Mississippi State University. Jeff had served as associate minister of Union Church of Christ and was a cosponsor of the Fellowship of Christian Athletes at ECCC. Jeff began his career in education at Union High School, continued that with the Newton County School System and was working at ECCC as the Work-Based Learning Coordinator at the time of his death in August 2003 at age 31. Jeff was the treasurer of the ECCC Administration, Faculty and Staff Association, and a member of the Mississippi Faculty Association for Community and Junior Colleges. Jeff was an active member of the ECCC Alumni Association and the Newton County Ole Miss Alumni Association.

Candidates for the Hitt Scholarship must meet the following criteria:

1. Plan to enroll full-time the semester after graduating from high school and be committed to earning an Associate Degree (and continuing to Bachelor's studies) or a Career-Technical Degree or Certificate from ECCC;
2. Reside in the 5-county district and be a legal resident of the state of Mississippi;
3. Have a 3.0 GPA on all high school classes and maintain a 2.5 GPA on all ECCC classes to continue receiving the scholarship;
4. Have earned 9 hours after the first semester of freshman year to continue receiving the scholarship the following semester and earn a cumulative 21 hours during the second semester to be eligible for two additional semesters;
5. ACT composite score of 18;
6. Be active in a church;
7. Be an active leader in school and/or civic organizations (or work experience);
8. Demonstrate need of financial assistance on a current student federal financial aid form; and
9. Provide letters of recommendation from his/her high school principal and pastor of his/her church.

This scholarship may not duplicate other scholarships of financial assistance. That is, the total amount of scholarships and other financial aid may not exceed the total cost of attendance, as established by the financial aid office, by more than \$500.00 per semester, if so, this

scholarship will be reduced to meet that amount and excess funds placed into the principal of the scholarship. If no applicant meets the full criteria and/or if an applicant selected has already met full tuition through other scholarships/awards, others may be selected.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded for two semesters. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Hogue-Brantley Scholarship — First funded in the Spring of 2001, this \$1,000 annual scholarship honors Leake County natives Coyt Hogue and Bobbie Brantley Hogue, parents of East Central alumni Carolyn Hogue Appler, '66, of Elizabethtown, Kentucky, and Larry Hogue, '61, of Jackson, Mississippi. Larry Hogue retired from the College in 2001 as Vice President for Foundation and Alumni Relations after helping raise \$2 million over five years. "Both of our parents valued education and my mother took her life savings, \$500, to help me go to East Central," Larry said. Larry later got B.S. and M.S. degrees, as did Carolyn, a registered nurse who served at the time of this writing as program manager, Health and Wellness Center, Ireland Army Community Hospital, Fort Knox, Kentucky. Their father Coyt Hogue, a graduate of Sebastopol High School, was a Studebaker car dealer in Forest and retired as East Central automotive technology instructor in 1980. Mrs. Bobbie Brantley Hogue attended Walnut Grove High School and was a nursing graduate of Hinds Community College, Raymond. Their parents were Walter and Molly Dennis Hogue and Pleas and Jewel Upton Brantley of Leake County.

Scholarship criteria include:

- Be a nontraditional (23 years old or older) student, and
- Study in a career-technical area, with preference given to nursing or auto mechanics.

Selection of recipients will be made by the College Scholarship Committee. For more information, contact the Vice President for Student Services, Box 129, Decatur, MS 39327-0129. Phone toll-free: 1-877-GO2ECCC (462- 3222), ext. 375.

The Albert F. and Fannie M. Hollingsworth Scholarship — This scholarship was endowed by Albert F. Hollingsworth and Fannie McDonald Hollingsworth to be awarded to two entering freshmen for their fall semester at East Central Community College. The recipients will be chosen by the College Scholarship Committee on recommendations from Lake High School in Scott County.

Mr. Hollingsworth graduated from East Central in 1943. He served in the Navy and Marine Corps during World War II. Mr. Hollingsworth is also a graduate from the University of Southern Mississippi. After College, he was a mathematics teacher and served as principal at Lexie High School in Walthall County. Mr. Hollingsworth also served as principal of Lake High School before becoming Superintendent of Education for Scott County for twenty years (beginning in 1967). He has also served on the Board of Trustees at East Central Community College in excess of thirty years.

Mr. and Mrs. Hollingsworth's children, daughter Patricia Ann Lowe and husband Alan Lowe, were both teachers in the Jackson Schools, and son, T. Freeman Hollingsworth, and wife Sherri Carter are both teachers in the Rankin County Schools.

Criteria for applicants for the Hollingsworth Scholarships are as follows:

- Must be a graduate of Lake High School;
- Must enroll at East Central Community College in an academic field;
- First preference will be given to Mathematics Education majors;
- Second preference will be given to Elementary or Secondary Education majors;
- Must have the potential to be a successful teacher;
- Third preference will be given to professional majors.

The amount of the scholarship award will be based only on interest earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375.

The Delane Hudson/Voices of Congress Scholarship — This scholarship, the first minority-sponsored scholarship at the College, was established in 1998 by Mr. Delane Hudson, a member of the East Central Community College Board of Trustees representing Winston County. Mr. Hudson established the scholarship to encourage more Winston Countians, especially those needing financial assistance, to take advantage of the educational opportunities offered by the College. Candidates for the scholarship must meet the following criteria:

- Be a graduate of a public high school in Winston County;
- Have a high school grade point average of at least 2.5 or above on a 4.0 scale;

- Have a demonstrated financial need; and
 - Enroll as a full-time student at East Central Community College.
- The recipient of this annual \$500 scholarship will be selected by the College Scholarship Committee. For more information, contact the Vice President for Student Services' office by calling toll-free 1-877-GO2-ECCC, Ext. 204, or write box 129, Decatur, MS 39327-0129.

The Hudspeth Scholarship — This scholarship was endowed in the fall of 1998 with a substantial gift to the College from Henry Bane "Bubba" Hudspeth and his wife Faye McCully Hudspeth of Louisville. At the time of the gift, it was the largest individual donation ever made to the College.

Mr. Hudspeth, a successful businessman and Winston County native, graduated from East Central Junior College in 1959. The Hudspeths' son, Henry McCully "Cully" Hudspeth, graduated from the College in 1989. A lifelong supporter of East Central and community colleges statewide, Bubba Hudspeth served on the College's Board of Trustees for 28 years, from 1968 to 1996. He was chairman of the board for almost 11 years, from July of 1983 to January of 1994. In 1996, he was appointed to a six-year term on the State Board for Community and Junior Colleges. He was chosen to serve as Vice Chairman of that Board in 1997.

The Hudspeths established the endowment for this scholarship with a gift of stock to the College. The amount of the annual award for this tuition scholarship will depend upon the level of the earnings from the endowment.

Students from any public or private high school in Winston County are eligible to compete for a Hudspeth Scholarship. Also eligible are home schooled students who meet the basic requirements.

To be considered, each potential recipient must meet the following criteria:

1. Have a "C" or "C+" average in course work completed (2.0-2.5 on a 4.00 scale);
2. Have definable career goals and plans; and
3. Have a demonstrated need for financial assistance.

For more information, contact the Vice President for Student Services' office at ECCC. You may call 1-877-GO2-ECCC, Ext. 300, or write Box 129, Decatur, MS 39327-0129.

The Martha Kate Tullis Hummel Scholarship — This scholarship endowment was funded by her husband, Donald, her sons Andrew, Robert, Jeffrey, her family, and friends. A native of Choctaw County, MS, Martha Kate graduated with honors from Louisville High School. At East Central Junior College, she received the highest recognition when her name was inscribed on the "Hall of Fame" at East Central

for exhibiting exemplary character, superior scholarship, leadership, and contribution to the betterment of the College. She also participated in the band, choir, ECJC Players, and was voted a class favorite. Throughout her life, Martha Kate was active in the United Methodist Church. In later years, Martha Kate had lead roles in several Little Theater Stage productions. She directed and sang in "Harmony," a female choral group. Also, she was very active in organizing the 57-58-59 East Central Alumni Group which met every year at Homecoming.

The East Central Community College Scholarship Committee will make the selection from the applicants who have completed the application process and met the general eligibility requirements.

To be eligible for the scholarship the student must:

1. Be a legal resident of the 5-County District;
2. Have a minimum 3.0 grade point on a 4- system;
3. Be a full time student starting the sophomore year; and
4. Be a music major.

All funds contributed shall go into the endowment fund. The amount of the scholarship will be \$500.00 the first year and increase by \$25 each year thereafter. No part of the endowment corpus may be used for scholarship awards. For more information, contact the Vice President for Student Services' Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

The Myrtle R. Hutchison Scholarship — The purpose of this scholarship is to annually provide encouragement and recognition to a member of the Student Education Association (SEA) who has the potential and genuine interest in pursuing a career in the field of elementary education at a senior college or university after graduation from East Central Community College. Recipients may receive \$300.00 per semester for the two sophomore semesters at East Central. This scholarship is provided by Myrtle R. Fikes Hutchison, originally from Lake, Mississippi. She attended East Central in 1948-49 and graduated at Mississippi Southern College in 1951. Mrs. Hutchison retired from the education field in 1986, after having taught at Pearl River Indian School and schools in Alabama, Neshoba County, Albuquerque, New Mexico, and Littleton, Colorado, for over 30 years.

To be eligible, each scholarship contestant must:

- Be an active member of the SEA at East Central;
- Demonstrate a genuine potential for and interest in pursuing a career in the field of elementary education at a senior college or university after graduating from East Central Community College;

- Complete at least two full academic semesters at East Central Community College with a minimum of a "C+" average (minimum 2.75 GPA on a 4.0 scale) and intend to complete the appropriate sophomore program at East Central;
- Improve grades during the third semester over the first two semesters to qualify for the fourth academic semester scholarship; and
- Have a demonstrated need for financial assistance.

First consideration will be given to those who reside in the East Central Community College District. Involvement in religious, charitable and/or community activities will be given additional merit. Selection of recipients will be made by the SEA advisor in cooperation with the College Scholarship Committee. For more information, contact the Vice President for Student Services' Office, East Central Community College, P.O. Box 129, Decatur, MS 39327.

The S. Lebrun Hutchison Scholarship — The purpose of this scholarship is to provide recognition and encouragement to an Alpha Alpha Epsilon (AAE) engineering club member at East Central Community College who has the potential to succeed in the field of engineering or science. Since 1985 the engineering award has been given to an AAE member who demonstrated a genuine interest in pursuing an engineering or science major at a senior college or university. Recipients of the award, now a scholarship, may receive \$300.00 a semester for the two sophomore semesters at East Central. The scholarship is provided by S. Lebrun Hutchison, Class of 1949 and founding vice-president of the AAE at East Central in 1947.

To be eligible, each scholarship contestant must:

- Be an active member of AAE at East Central;
- Demonstrate a genuine potential for and interest in pursuing a career in either the fields of engineering or science at a senior college or university;
- Complete at least two full academic semesters in a pre-engineering or a science curriculum with a minimum of a "C" (2.0 GPA on a 4.0 scale) average and intend to complete the appropriate sophomore program at East Central;
- Improve grades during the third semester over the first two semesters to qualify for the fourth academic semester scholarship;
- Have a demonstrated need for financial assistance.

First consideration will be given to those who reside in the East Central Community College District. Involvement in religious, charitable and/or community activities will be given additional merit. The AAE advisor will select recipients in cooperation with the College

Scholarship Committee. For more information, contact the Vice President for Student Services' Office, East Central Community College, P. O. Box 129, Decatur, MS 39327.

The Johnson Family Engineering Scholarship — The Johnson Family Engineering Scholarship is given in memory of Lee E. Johnson and Lizzie Graham Johnson by their children, Joe Lee & Ollie J. Johnson, John & Elsie Johnson Hollingsworth, Charlie R. Johnson, and Danny E. Johnson.

Criteria for applicants for the Johnson Family Engineering Scholarship are as follows:

- Be a resident of Newton County (Preference given to Newton County High School graduates);
- Enroll as a full time freshman student at East Central Community College after high school graduation for the fall semester or may be given to a sophomore (Both shall meet the remaining criteria);
- Have and maintain a 3.0 GPA on a 4.0 scale;
- Major in Engineering at East Central with the intent to enroll in Civil Engineering at Mississippi State University upon graduation from East Central;

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the fall and/or spring semesters of the recipient's freshman or sophomore year as earnings permit. No part of the corpus may be used for scholarship awards.

In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. Scholarship recipients will be selected by the East Central Community College Scholarship Committee.

The Ronnie and Michele Jones Scholarship — Ronnie and Michele Jones are residents of Philadelphia, Mississippi. They are the franchisees and owners of Sonic Drive-In. They have been franchisees of Sonic Drive-In since 1977.

This scholarship was established in 2006 by Ronnie and Michele Jones. The recipient of this scholarship must be a graduate of Neshoba Central High School and enrolled as a full-time freshman at East Central Community College. The scholarship will pay for two semesters at \$700 per semester - dependent upon availability of funding.

Neshoba Central High School's scholarship committee will select this scholarship annually.

The specific requirements for this scholarship are set forth as follows:

1. Must have demonstrated leadership abilities while attending Neshoba Central High School;

2. Must have demonstrated high moral standards with good character;
3. Must be active in a Christian church;
4. Must be enrolled as a full-time student at East Central Community College;
5. Must have a 3.0 or higher GPA; and
6. Must not have been involved in any activity that would bring discredit to East Central Community College.

The James E. Land Memorial Scholarship — This scholarship was established in December of 2003 by Dr. Harold S. Aycok, Class of 64, in memory of Mr. James E. Land who was his high school vocational agriculture teacher and FFA advisor at Hickory, Ms. Mr. Land, Class of 1938, was a professional educator for many years at Hickory and Union High Schools retiring in 1983. He was also a generous and avid photographer dedicated to helping others capture the memories of their special occasions. He received a number of professional and community recognitions including the ECCC Lifetime Achievement Award in 2000 for his many years of support and contributions to the College.

Candidates for the Land Scholarship must meet the following criteria:

1. Be a graduate of a high school in Newton County.
2. Desire to pursue a degree in education.
3. Enroll full time as a freshman the semester after graduating from high school.

This scholarship will be awarded for two semesters. The amount of the scholarship award will be based upon earnings from the endowment corpus.

No part of the corpus may be used for scholarship awards. The ECCC Scholarship Committee will select scholarship recipients. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), ext. 375.

La-Z-Boy Scholarship — This scholarship was established in 1995 by La-Z-Boy South located in Newton, Mississippi. The purpose of this scholarship is to provide financial assistance to qualified students who choose to enroll at East Central Community College. The scholarship will be awarded annually to a minimum of two students. Recipients must be legal Mississippi residents who enroll as full-time students on the Decatur Campus, must be in-district students with preference given to Newton County residents, and must have a cumulative 3.0 G.P.A. on college credit course work or a "B" average on all high school course work. Students must have demonstrated a high level of participation in extracurricular activities and/or community involvement.

Frank Edwin and Nena Holt Leatherwood Scholarship — This scholarship was funded by the family and friends of the Leatherwoods in loving memory and honor of these two educators who ignited the spark of learning and encouraged the hopes and dreams of countless students. Mr. Leatherwood was a longtime member of the biology department faculty at East Central Junior College, and Mrs. Leatherwood served for many years as an elementary school teacher in Decatur. The scholarship is awarded each year to a freshman, selected by the science faculty, who will return for the next fall semester. The presentation of the award is made at Awards Day each spring.

The William Wade Long Memorial Scholarship — This scholarship endowment was established in June of 2006 in memory of William Wade Long by his parents, Gail and Dwight Long. Wade, a native of Neshoba County, attended Union High School and also attended Meridian Community College majoring in basic EMT courses while in high school. In 1994, Wade attended East Central Community College and also took courses at night from Shelton State in Tuscaloosa, Alabama to work on his intermediate EMT training. In 1996, he graduated from the paramedic school at Shelton State while also attending the University of Alabama.

Wade's untimely death occurred on December 8, 1996. He is survived by his parents; a brother, Russell Dwight Long; and a sister, Cynthia Gail Long Stevens.

Candidates for the William Wade Long Memorial Scholarship must meet the following criteria:

- (1) Be a resident of Neshoba or Newton County;
- (2) Be an incoming freshman;
- (3) Have a 2.0 GPA or better on high school coursework; and,
- (4) Plan to major in the medical or health-related field.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the fall and spring semesters of the recipient's freshman year. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the East Central Community College Scholarship Committee.

The Edwin and Marie Lowe Scholarship — This scholarship honors the life and work of Louisville, Mississippi, native Edwin W. Lowe and Marie Johnson Lowe, a Helena, Arkansas native and was endowed by their children.

The Lowes both worked for newspapers in the mid-South area during much of their careers. However, in her 50's Mrs. Lowe completed bachelors and master's degrees from Texas Women's University and was a school librarian in the Dallas, Texas, area for the last 14 years of

her career. Together the Lowes raised three children, two daughters and a son, all of whom had careers in education.

To be eligible, potential recipients must meet the following criteria:

- Be a nontraditional student (at least 23 years old or older);
- Have at least a 2.0 (C) grade point average on a 4.0 scale.

These requirements recognize the fact that Mrs. Lowe completed her college degrees after having a family and a career and that Mr. Lowe, although he was unable to complete his degree because of the Depression, supported his wife's efforts to obtain her degrees and was an avid life-long learner.

The amount of the annual scholarship will depend on earnings from the endowment. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1/877/GO2-ECCC (4623222), ext. 375.

The Thomas Rudolph Mayes Memorial Scholarship — Created in August of 1998, by his family and friends, this scholarship honors the memory of Mr. Rudolph Mayes, East Central English instructor for 28 years. According to his daughter, Mrs. Jackie Mayes Edie, Class of '79, of Houston, Texas, this scholarship "perpetuates the tenacious value of education and continuous learning exemplified by the life and contributions of this dedicated educator." Mr. Mayes graduated from East Central in 1952 with the distinction of having been elected to serve as the College's first student body president. Following completion of a master's degree in English from Mississippi State University, he began a career of teaching at East Central. During his tenure here he served as sponsor of Phi Theta Kappa, international honorary scholastic society for community college students, and sponsor of The TomTom, the student newspaper. He retired in 1986. His first wife, Madaline Smith Mayes, who preceded him in death, served the College for 20 years as secretary to the registrar and later worked as a math teacher in the Newton County School System. Prior to his death, he was married for six years to Rosalyn Thompson Mayes of Decatur, an employee of the La-Z-Boy Corporation in Newton.

To be eligible for the scholarship, potential recipients must:

- Have maintained a 3.0 grade point average in high school on the 4.0 scale;
- Submit a letter of recommendation from a high school or college faculty member who taught the applicant; and,
- Agree to take part in a recognition ceremony at which the scholarship award will be presented.

Recipients will be selected by the College Scholarship Committee. Only the interest earned on the endowment corpus for this scholarship fund shall be used for this scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

The Russell McCann Memorial Scholarship — Created in the spring of 2001 by family and friends, this annual \$500 scholarship honors the memory of Russell McCann, Class of '97. Russell lost his life in April 2001, after an auto accident.

Russell, a 1995 graduate of Newton County Academy in Decatur, Mississippi, was co-captain of the football team. Honors received while at Newton County Academy include:

- 1990-91 Football Trophy (Best Defensive Player), Basketball Trophy
- 1991-92 Captain Crunch Award
- 1993-94 All-Conference (Defensive Tackle, All-Conference Defensive Team)
- 1994-95 School Paper Staff — Sports Reporter
- American History Award
- Captain Award — Outstanding Leadership
- Most Valuable Player — Defensive

While at East Central, Russell was an offensive guard for the '96 and '97 Warrior teams. The '96 team went 10-1, finished fifth in the nation, and won the Huddle House Golden Isles Bowl Game in Brunswick, Georgia, by beating the Middle Georgia College 7-6 on December 7, 1996. Russell was a member of the 1st string offensive team for the Huddle House Golden Isles Bowl game and received MACJC All-State Honorable Mention honors in football in 1997. East Central Head Football Coach Terry Underwood said, "Russell was a good player and a fine young man. We were very fortunate to have had him in our program."

East Central Alumni Ricky and Teresa Williamson Shannon of Lena, Class of '82, are his parents who initiated the scholarship in his honor.

Scholarship applicants must:

- Be a resident of the five county East Central district; and
- Have at least a "C" grade point average;
- Be an athlete, with preference given to football.

Selection of the recipient is made by the College Scholarship Committee. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. Call toll-free: 1-877-GO2-ECCC (4623222), ext. 375.

Merchants and Farmers Bank Scholarship — This scholarship was established in the spring of 1998 by the Merchants and Farmers Bank of Philadelphia. It is awarded the first semester of the freshman year at East Central and goes to two entering freshmen who receive \$500 each.

To be eligible, recipients must:

1. Be legal residents of Neshoba County;
2. Have overall high school grade point averages of 2.5, or "C", on a 4.0 scale;
3. Have ACT scores of at least 18;
4. Enroll as full-time students at East Central Community College the fall semester following high school graduation; and
5. Be willing to participate in an awards ceremony and be part of publicity involving the scholarship award.

The recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. For more information, contact the Vice President for Student Services' office at East Central Community College.

Mississippi Association of Supervisors' Community College Scholarship – In 1996, the Mississippi Association of Supervisors established scholarships for each of Mississippi's 15 community colleges. The scholarships are awarded to four students each year at each college in the amount of \$500 per year each (\$250 per semester) for one year or two consecutive semesters. Eligibility for the scholarship is based on the following criteria:

1. Be a freshman and have potential for success in college;
2. Demonstrate a financial need (minor consideration);
3. Complete the application process to the College to include:
 - a. letters of recommendation
 - b. transcript
 - c. other as required by each community college committee;
4. Be selected from eligible applicants by the College's scholarship committee – two scholarships will be selected annually from each of the five counties in the district for a total of ten scholarships.
5. Have a 2.5 or better GPA after the first semester in order to continue the scholarship for second semester; and
6. Agree to be a part of publicity involving the scholarship award.

Each community college will report the name of the recipient each year to:

1. The local Board of Supervisors
2. The Mississippi Association of Supervisors

The Mississippi Automotive Manufacturer's Association Scholarship – This scholarship was established in 2007 and will be awarded annually, dependent upon availability of funding, to two students.

The scholarship award may be used for educational expenses including, but not limited to, tuition, instructional materials, on-campus housing.

To be eligible, a recipient must:

- Enroll as a full-time student at East Central Community College in an engineering program or automotive-related program;
- Possess the intellectual capacity to excel in his/her field, demonstrated through past academic and non-academic performance; and
- Demonstrate financial need for funds.

Recipients will be selected by the ECCC Scholarship Committee.

Bank of Morton Scholarship — This scholarship was established in 1997 by the Bank of Morton. To be eligible, a recipient must:

1. Be a graduate of Morton High School;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
4. Have a high school grade point average of 3.0 or above on a 4.0 scale; and
5. Participate in an awards ceremony and be a part of publicity involving the scholarship award.

The recipient of the scholarship will be selected by a committee composed of representatives from Morton High School and the Bank of Morton. The recipient will receive \$500 for the fall semester and \$500 for the spring semester of his/her freshman year at East Central Community College.

Dr. Margaret Mosal Memorial Scholarship for Leadership — This scholarship was established in 1997 to provide financial assistance to deserving students at East Central Community College. The award was established in honor of the late Dr. Margaret Mosal of Canton, Mississippi, former executive director of Phi Theta Kappa, the International Honor Society for two year colleges. Dr. Mosal led the organization for 50 years, from 1935 to 1985.

The scholarship was funded by a Mosal Leadership Award stipend presented to Dr. Shelby L. Harris by Phi Theta Kappa with additional funds from Dr. Harris, longtime mathematics instructor and chairman of the Mathematics and Science Division at East Central.

The award will be given annually to a student who exemplifies the hallmarks of Phi Theta Kappa - scholarship, leadership, service and fellowship during the student's freshman year of membership in Phi Theta Kappa as determined by the advisors of East Central's Theta Xi Chapter of Phi Theta Kappa.

In addition to a \$200 scholarship, awards will include placing the names of the recipients and the dates of presentation on an engraved commemorative plaque. Certificates will be presented to the recipients by an advisor of Phi Theta Kappa on the annual Awards Day at the College.

The Ben Myers Memorial Scholarships — These scholarships were established in memory of Ben Myers, a 1997 graduate of East Central Community College. Ben's family and friends created these scholarships after he lost his life in an automobile accident in Winston County on July 9, 1998. While at East Central, Ben, an outstanding student-athlete, was chosen "Mr. East Central Community College." An accounting major from Philadelphia, he was a member of Phi Theta Kappa, the international scholastic honor society for community and junior college students. He was also a member of Phi Beta Lambda, an organization for students planning to pursue careers in business. He also served on the Presidents Council and in the Warrior Corps, an elite group of students who serve as ambassadors for the College. He was a Dean's List Scholar and a member of the College Golf Team at ECCC. After graduation from East Central, he attended the University of Mississippi where he was a senior, a Dean's List Scholar, and a member of the Fellowship of Christian Athletes as well as the Ambassadors, a volunteer student-recruiting group. He was the son of Mr. and Mrs. Rocky Parks and Mr. and Mrs. Glenn Myers, all of Philadelphia. He was a 1995 graduate of Neshoba Central High School, where he served as president of the student body and was voted "Most Outstanding Senior."

Candidates for the Myers scholarships must meet the following criteria:

- Be a high school graduate from either Neshoba Central High School, Philadelphia High School, or Choctaw Central High School;
- Enroll full time at East Central; and
- Have a grade point average of 3.5 or above on a 4.0 scale

The annual selection of the two Myers scholarship recipients will be made by the College Scholarship Committee. The scholarship award shall be equal to \$500.00 per year per recipient and funding for the scholarship will come from the earnings of the fund. The principal may be used when earnings do not cover the amount of the scholarship and excess earnings from the fund will be reinvested in the fund.

New Directions Scholarship — Established in the spring of 1998 by an East Central graduate and successful business executive, this scholarship provides \$2,000 for four semesters of full-time study by a nontraditional (older) student who has decided to return to college after having been out of school for more than three years. Recipients must meet the following criteria:

- Be at least 21 years of age;
- Be either married or a single parent;
- Have been out of school for more than three years (high school, college, or since passing the GED);

Recipients must maintain a "B" or better average each semester to continue receiving the scholarship. Recipients must continue full-time study and graduate or complete their course work within four semesters. This award is presented every two years.

The Stella Weathersby Newsome Scholarship — This scholarship was endowed in the fall of 1999. It honors the memory of Mrs. Stella Weathersby Newsome who served the College as a literature instructor and in various other capacities for 30 years, from 1928 to 1958. Newsome Hall dormitory is named in her memory. The scholarship drive was started in the spring of 1998 by Ms. Marion Francis of Jackson, Mrs. Newsome's granddaughter who, during her childhood visited often with Mrs. Newsome on the campus. The initial effort to raise the first \$10,000 needed to minimally endow the scholarship was completed at Homecoming, 1999. An anonymous donor's pledge to match \$1 for every \$5 raised, up to a total of \$1,000, helped complete the drive. The class of 1949 took a leadership role in the completion of the endowment.

Scholarship recipients must be "nontraditional" students who are 23 years old or older.

Scholarship candidates must:

- Be at least 23 years old or older;
- Have at least a "C" or 2.0 grade point average on all previously completed course work;
- Be a high school graduate or hold the GED certificate; and
- Agree to enroll as a full-time student at East Central's Decatur Campus.

The amount of the scholarship award, to be given for the first semester of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, write the Vice President for Student Services' office, ECCC, Box 129, Decatur, MS 39327, or call toll-free 1-877-GO2-ECCC (462-3222), ext. 375.

Newton Community Healthcare Scholarship — This scholarship was established in August 2003, by Newton Community Healthcare, Inc., in partnership with the Grow Your Own Program. This partnership received grant funding to establish a scholarship that would benefit students of Newton County as well as the community. The scholarship was designed to attract students to the healthcare profession and have them remain in Newton County to work after graduation. This scholarship will provide two students two full years (four semesters) of tuition at East Central Community College. Recipients

of the scholarship must be enrolled in the Associate Degree Nursing Program or the Licensed Practical Nursing Program at East Central.

To qualify, potential recipients must:

1. Register as full time students at East Central in the ADN or LPN programs;
2. Reside in Newton County; and
3. Maintain at least a "3.0" or "B" average during the four semesters at EC

Scholarship recipients will be selected by the College Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Newton Rotary Club Scholarship — This annual scholarship was established in November of 2003. The Newton Rotary Club Scholarship will be awarded the fall semester of the recipient's freshman year and will provide two students, one male and one female, a \$500 scholarship to attend East Central Community College.

To qualify, potential recipients must:

1. Be a graduate of a high school located in Newton County;
2. Enroll as a full-time student at East Central the fall semester following high school graduation;
3. Have a high school grade point average of at least 2.75 on a 4.0 scale;
4. Demonstrate leadership qualities by serving in a leadership role as a member of a student organization or organizations such as intramural sports, or athletic team but not on an athletic scholarship;
5. Leadership qualities will exemplify the Rotary Four Way Test of the things they think, say or do. (Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?);
6. Complete a scholarship application form; and
7. Submit three written letters of recommendation from high school principal or superintendent, at least one teacher, and a prominent citizen of the community stating he or she meets the Rotary Four Way Test.

Scholarship recipients will be selected by the College Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1/877/GO2-ECCC (462-3222), ext. 375.

The Polk and Jennie Pace Scholarship — This scholarship was endowed in March of 1997 by Mr. Pace's widow, Scott County native Mrs. Jennie Thrash Pace of Newton, Mississippi; her children, Mrs.

Reba DeBari of Pensacola, Florida, and Dr. Harrell S. Pace of Biloxi, Mississippi; her grandchildren, Mrs. Donnie White of Clifton, Virginia, Mrs. Guy Garner of Lenoir, North Carolina, Mr. Stephen Pace of Murfreesboro, Tennessee, Mr. Michael Pace of Starkville, Mississippi, Mr. David DeBari of Luling, Louisiana, and Mr. Kenneth DeBari of Pensacola, Florida; and other family members and friends. This scholarship honors the memory of the late Mr. Lawrence Polk Pace, originally from Conehatta, Mississippi, who passed away January 23, 1997, at age 86. Mr. Pace, a businessman, was a strong believer in the value of education. He attended East Central Junior College in 1929. Both of his children and his daughter-in-law, the former Miss Grace Holman of Newton, all graduated from East Central. The Paces' son, Dr. Harrell Pace, MD, was named to the first East Central Hall of Fame in 1956. Their daughter, Mrs. Reba DeBari, a realtor, sang at the Orange Bowl with the East Central Choir in 1957, and performed nationally as a member of the Choral Society of Pensacola, performing in Carnegie Hall in 1990 and in 1997, and throughout the country.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

Each scholarship candidate must:

1. Be a resident of either Scott County, or Newton County, Mississippi;
2. Have a "B" or better average his/her senior year in high school;
3. Plan to major in either science, math, or music (if no applicant plans a major in these fields, others will be considered);
4. Plan to attend East Central Community College in Decatur as a full-time student during the fall semester following his/her senior year in high school.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. For more information, write the Vice President for Student Services' office, East Central Community College, Box 129, Decatur, MS 39327-0129, or call 601-635-2111, ext. 375.

The Philadelphia-Neshoba County Arts Council Music, Art, or Drama Scholarship — This scholarship was established in 1996 by the Philadelphia-Neshoba County Arts Council. The purpose of this scholarship is to provide an award of \$200.00 per semester to an appropriately selected sophomore student who has declared music, art, or drama as his/her major.

To be eligible for this scholarship, the student must:

1. Have resided in Neshoba County for at least two years prior to attending East Central Community College;

2. Be of sophomore status;
3. Have maintained a cumulative college GPA of 2.5 or better, and;
4. Recipients must maintain at least a 2.5 GPA to retain this scholarship.

The Music, Art, and Drama Scholarship Committee, composed of an art instructor, a drama instructor, and the director of bands, will annually select the recipients of this scholarship.

Philadelphia Sertoma Club Scholarship — (SEE Sam Rush Memorial Scholarship)

The Charles P. Phillips and Bonnie Saxon Phillips Scholarship — Endowed in 2005, this scholarship was funded by Charles P. Phillips, class of 1938, and his wife, Bonnie Saxon Phillips. A native of Edinburg, Mr. Phillips graduated from Edinburg High School. After East Central, he graduated from Mississippi State College. He taught school a few years before serving in the European theater in WWII. After his military duty, he was employed at the Farmers Home Administration until retirement. He is a member of the Masonic Lodge and a Shriner. Mrs. Phillips, the former Bonnie Saxon, was born in Houlika, MS and moved to Neshoba County in early childhood. She graduated from Philadelphia High School and later was employed as a buyer for Stubbs Department Store and then as an office employee of Coca Cola Bottling Company in Philadelphia. She was a member and officer of the Philadelphia Business and Professional Women's Club.

Criteria for this scholarship includes:

- Must plan to enroll at East Central as a full-time student;
- Must have maintained at least a "B" average in high school; and
- Demonstrate need (to be determined by the College Scholarship Committee)

Recipients will be selected by the College Scholarship Committee, and the scholarship will be awarded during the first semester of the freshman year. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards.

The Roscoe C. Pugh Memorial Scholarship — Roscoe C. Pugh was the first president of East Central Junior College. He served in that capacity from 1928 when the College was founded until 1934. He served previously as the superintendent of the Newton County Agricultural High School.

In the fall of 1996, Leon Eubanks, who served from 1934 until 1943 as an English instructor at East Central and who was a graduate of the Newton County Agricultural High School, established and fully endowed this scholarship to honor his friend, Mr. Pugh.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for the annual scholarship awards. No part of the endowment corpus shall be used for the scholarship awards.

To be eligible to be considered for this scholarship, candidates must:

1. Enroll as full-time day academic or technical students at the Decatur campus after having been previously enrolled as part-time students;
2. Have earned all previous college credits at East Central Community College;
3. Have earned a minimum of 12 semester hours credit and not more than 21 semester hours credit before applying for the scholarship.
4. Have a minimum 3.00 grade point average on all college work completed;
5. Have submitted completed scholarship application forms to the Vice President for Student Services' office; and final selection of the recipients for this scholarship will be made by the College's Scholarship Committee.

This scholarship will be available for two semesters of enrollment at East Central Community College.

The Shirley Renaud Memorial Scholarship — Established early in 2000, this endowed scholarship honors the memory of Shirley Sanders Renaud, Class of 1963, an outstanding student, athlete, and educator. Mrs. Renaud, a Greenwood native who lived in Carthage for most of her life, died at age 56 in November of 1999 after a long bout with cancer.

Mrs. Renaud was a graduate of Carthage High School where she was a star basketball player from 1957 to 1961. During her senior year, she averaged 35 points per game and once scored 53 points in two quarters and three minutes of a game. Her high school uniform number, 33, was retired when she graduated. Her high school coach said she was one of the most outstanding players he had ever seen.

At East Central, Shirley played intramural basketball. She also achieved membership in Phi Theta Kappa, the international academic honor society for community college students. After graduating from East Central, Mrs. Renaud graduated from the University of Southern Mississippi with honors. She was a teacher in both public and private schools before ending her career as a librarian with the Leake County Schools. Mrs. Renaud was the wife of Joe Renaud who at the time of her death was serving as personal development specialist in East Central's Workforce Development Center.

Both of the Renaud children graduated from East Central. Their daughter, Tara Lynn, graduated in 1997. She was a member of Phi

Theta Kappa and was an Academic All-American on the College's tennis team. Their son, Joseph "Joff" Renaud, III, was also a member of Phi Theta Kappa and the tennis team when he graduated in 1993. Both children went on to graduate from the University of Southern Mississippi with honors. Mrs. Renaud's mother, the former Evelyn Adams, was a member of East Central's Class of 1933. Her two brothers, Wilbur Eugene Sanders and Billy Joe Sanders, both of Jackson, also attended East Central.

Students selected for this scholarship must have excelled both athletically and academically.

Scholarship criteria include the following:

- Have a minimum overall grade point average of 3.5 (B+) on a 4.0 scale;
- Participate in varsity sports, with the first choice of recipients going to basketball players, second to tennis, then golf, soccer, and football; and
- Be a resident of the College's five-county district.

The amount of the annual scholarship will depend on earnings from the endowment. No part of the endowment corpus may be used for scholarship awards. Recipients will be selected by the College Scholarship Committee. For more information, contact the Vice President for Student Services, East Central Community College, Box 129, Decatur, MS 393270129. Call toll free 1-877-GO2-ECCC (462-3222), Ext. 375.

The Herman and Mosoura Rigby Memorial Scholarship — This scholarship was established in 1993 by Dr. M. G. Rigby who attended East Central Junior College in 1965 and 1966. Dr. Rigby came to East Central as an out-of-state student to major in education. He went on to complete his BA degree at the University of Southern Mississippi, and his MA and Ed.D. degrees at the University of Mississippi. His parents were of great inspiration to him as he pursued his educational goals. It was in the memory of Dr. Rigby's parents that this scholarship was established. This two semester scholarship will be awarded annually to an out-of-state entering freshman who demonstrates both the need for financial assistance and an aptitude for success as a student. The amount of each scholarship award will equal fifty percent of the annual interest earned on the invested scholarship corpus. The remaining fifty percent of the annual interest earned will be added to the corpus. The annual recipients of this scholarship will be selected by the Scholarship Committee from the pool of qualified applicants.

The Regina Gail Gibbs Rigby Memorial Scholarship — The Regina Gail Gibbs Rigby Memorial Scholarship is for deserving graduating high school seniors from Forest High School in Forest, Mississippi.

The scholarship is named for Mrs. Regina Gail Gibbs Rigby of Forest who served as a Middle School science teacher for 17 years. Regina attended East Central where she excelled in theatre arts and graduated with Honors. Ultimately, Regina returned to East Central Community College as adjunct staff to direct musical and drama productions. This scholarship was created and endowed in 2006 by her husband, Bill Rigby, and her children, Ginny Rigby Ivy and Anse Rigby. Regina and her husband met while attending East Central Community College. Both of their children also attended East Central Community College. Ginny served on the president's council, was a member of Phi Theta Kappa, was president of the Baptist Student Union, performed with the Ac'cents show choir for two years, and graduated with highest honors. Anse was elected Mr. ECCC for 2007, led the praise team in the Baptist Student Union and also performed with the Ac'cents show choir for two years.

To be eligible, a recipient must:

- (1) Have a "B" or better average;
- (2) Decide to pursue a degree in Art, Elementary Education, or Music;
- (3) Have demonstrated leadership ability in Forest High School; and
- (4) Have Christian moral standards of good character.

The annual recipient will receive \$250 per semester for his/her freshman year totaling \$500. A group of finalists will be chosen by a scholarship committee at Forest High School.

The Sam Rush Memorial Scholarship — (formerly known as the Philadelphia Sertoma Club Scholarship) Created in the summer of 2000 this scholarship is funded by the Sertoma Club as part of their emphasis on education. The club sponsors the annual Heart O' Dixie Triathlon as a fund raiser to help with various civic projects including Christmas gifts for families, support of parks and public health, and patient scholarships for treatment of speech/hearing problems.

Criteria include the following:

- Be a resident of Neshoba County;
- Enroll as a full-time student the fall after they graduate from high school;
- Be a graduate of public school in Neshoba County; and
- Have at least a 2.5 (C+) average on a 4.0 scale.

The scholarship recipient will be awarded annually by the College Scholarship Committee to an incoming freshman. The recipient will receive a total of \$500, \$250 for each of two semesters for their first two semesters of college. For more information, contact the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327. Call toll-free: 1-877-GO2ECCC (462-3222), Ext. 375.

The Charles W. Sanders Memorial Scholarship Award - This scholarship is awarded each year by the Forest-Scott County Civic Club to a high school senior from either Forest, Lake, or Scott Central high schools. The recipients of the award are selected by the schools from a list of those students who have maintained good grades and who can benefit from financial assistance. The award is named after the late Charles W. Sanders, longtime member and former president of the Forest Kiwanis Club. This scholarship was established in the spring of 2000. At that time Mr. Sanders' daughter, Mrs. Gloria Sanders McRae of Carthage, a graduate of Forest High School, was a math instructor at East Central and Craig, his grandson, had just been named to the Hall of Fame, the College's highest honor. This \$700 scholarship will be awarded in the fall semester following the recipient's graduation from high school.

Elva Smith Sigrest Memorial Scholarship — This scholarship was established in October of 2006 by family of Mrs. Elva Sigrest. Mrs. Sigrest was a 1932 graduate of East Central. She was a native of Neshoba County and had been a resident of Harpersville for over 69 years where she was an active member of the Harpersville United Methodist Church.

To be eligible, scholarship applicants must meet the following criteria:

1. Be a graduate of Scott Central or Forest High School;
2. Have sophomore status at East Central Community College;
3. Have at least a 3.0 grade point average on a 4.0 scale; and
4. Must enroll full time at the College.

The recipient will be selected by the College Scholarship Committee. This scholarship will be initiated the fall semester of 2007 and will continue each fall semester - dependent upon availability of funding.

The Jay B. and Frances Harris Smith Scholarship — This scholarship endowment was established in December of 2002 in memory of Mr. Jay B. Smith and in honor of Mrs. Frances Harris Smith.

Mr. Smith graduated from ECJC in 1934 and went on to graduate from Mississippi State University. Mr. Smith was employed with the Department of Agriculture, Bureau of Entomology for 12 years before returning to Newton County to operate a dairy farm. He also worked with the USDA soil conservation services and the MS Department of Welfare.

Mrs. Frances Smith was a member of the first class of 1928 and graduated from ECJC in 1930. At the time of the establishment of the scholarship, Mrs. Smith was the only living member of the College's first class. She presented the College her original diploma and a photograph of the first ECJC class dated May 16, 1929.

Candidates for the Jay B. and Frances Harris Smith Scholarship must meet the following criteria:

- (1) Be an entering freshman;
- (2) Have at least a "C" or 2.0 grade point average;
- (3) Reside in one of East Central's five supporting counties;
- (4) Be a high school graduate or hold the GED certificate; and
- (5) Agree to enroll as a full-time student at East Central's Decatur campus.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded for the two semesters of the recipient's freshman year. No part of the endowment corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Vice President for Student Services Office toll-free at 1-877-G02-ECCC (4623222), Ext. 375.

State Farm Insurance Company Scholarship — The State Farm Insurance Company agents in East Central's five-county district initiated the endowment of this scholarship in the spring of 1999. The individual agents' gifts toward the initial endowment corpus of \$10,000 were matched by the State Farm Companies Foundation. This scholarship was established specifically for non-traditional students. To be eligible, potential recipients must meet the following criteria:

1. Be at least 23 years of age or older;
2. Have a demonstrated financial need;
3. Reside within the five-county district served by East Central Community College; and
4. Enroll as full time students on the Decatur campus.

Scholarship awards will be made to entering college freshmen at the beginning of the fall semester of the students' college enrollment. The selection of the recipients will be made by the College Scholarship Committee. For more information, contact the Vice President for Student Services' Office at East Central Community College. Call toll free 1-877-G02-ECCC, Ext. 375 or write Box 129, Decatur, MS 39327.

The Joanne Stevens Scholarship Award — This scholarship award was established in August 2003, by W. H. Stevens, in memory of his wife, Mary Joanne Conyers Stevens. Mrs. Stevens graduated from Lancaster High School, Lancaster, Ohio, in 1940. She attended Ohio State University in Columbus, Ohio, but World War II interrupted her college career. She later returned to the classroom and received a Bachelor of Science Degree in Education from Mississippi College in 1972, and earned a Master's Degree in Education from Mississippi State University in 1977. Mrs. Stevens taught first grade at Morton Elementary School for several years and then was promoted to prin-

principal of Morton Elementary School in September 1980, the position she held until her retirement in 1989.

Candidates for the Joanne Stevens Scholarship Award must meet the following criteria:

1. Be a graduate of Morton High School;
2. Have a need for financial assistance;
3. Have a strong desire to pursue a degree in: first preference Elementary Education; Second preference - Secondary Education; and third preference - Pre-Bachelor of Science in Nursing;
4. Enroll as a full-time student at East Central Community College, Decatur, MS, the fall semester following high school graduation;
5. Have a high school grade point average of 3.0 or above on a 4.0 scale; and
6. Have Christian moral standards of good character, have the potential for leadership and academic excellence with no incidents of misconduct, and have a good record of school attendance.

The recipient of the Joanne Stevens Scholarship Award will be selected by his or her teachers, principal, and counselors of Morton High School.

The award will be in the amount of \$1,000 (\$500 for the fall semester and \$500 for the spring semester). The recipient of this award is to understand that the scholarship funds will be sent to East Central Community College to be held in an account for the recipient and administered to the student as needed each semester.

The Joanne Stevens Scholarship Award will be given in her memory each year beginning at Awards Day 2004, at Morton High School for as long as

W. H. Stevens shall live and be financially able to fund the scholarship.

Taylor Advanced Machining Scholarship — This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005. One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies. To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;

- Have successfully completed the corresponding machining program provided through the vocational technical center in their respective county; and
- Have plans to pursue machining as a career.

The scholarship recipient will be selected annually by the College Scholarship Committee based to a large extent, on recommendations of applicants' former vocational instructors.

Taylor Advanced Welding Scholarship — This scholarship was established by Taylor Machine Works, Inc. of Louisville, Mississippi, in the spring of 2005.

One \$1,500 scholarship will be awarded annually to a qualifying high school graduate in Winston County, and one \$1,500 scholarship will be awarded to a qualifying high school graduate in Neshoba County. The scholarship money received by the recipient may be used toward tuition costs, books, and supplies.

To be eligible for money available after paying first semester costs, the applicant should maintain a 2.5 GPA on a 4.0 scale and be free of disciplinary problems.

To be eligible, potential recipients must meet the following criteria:

- Be a recent graduate of a high school in Winston or Neshoba County and beginning their freshman year at ECCC;
- Have successfully completed the corresponding welding program provided through the vocational technical center in their respective county; and
- Have plans to pursue welding as a career.

The scholarship recipient will be selected annually by the College Scholarship Committee based to a large extent, on recommendations of applicants' former vocational instructors.

The Charles and Judy Dowdle Thomas Scholarship — This scholarship was established in 1997 by the Thomas family. Mr. Thomas, class of '64, is a Philadelphia native living in Louisville and Mrs. Thomas is a Leake county native originally from Carthage. The scholarship fund, one of the largest at the College, was created with a donation of 430 shares of stock to the East Central Community College Foundation, Inc.

To be eligible, a recipient must:

1. Be a legal resident of Neshoba County for three years or more and a graduate of Philadelphia High School;
2. Have a strong desire to obtain a college education;
3. Enroll as a full-time student at East Central Community College the fall semester after high school graduation, although College enrollment may be deferred for military service;

4. Have a high school grade point average of 3.0 or above on a 4.0 scale;
5. Be willing to participate in an awards ceremony recognizing receiving the scholarship and be a part of publicity involving the scholarship award.

Only the interest earned on the endowment corpus for this scholarship fund shall be used for this scholarship award. No part of the endowment corpus shall be used for the scholarship awards.

The recipients shall be selected by the College Scholarship Committee. The scholarship awards will be provided the fall and spring semesters of the recipients' freshman year at East Central Community College.

Kinoth and Ella Mae Thornton and Emerson Electric Scholarship —

The Kinoth and Ella Mae Thornton and Emerson Electric Company Scholarship was established by Mr. and Mrs. Thornton and Emerson Electric Company in 1991 as a tribute to the College for its many positive contributions to the Thorntons' lives. The contributions by the Thorntons and Emerson Electric Company totaled \$10,000.00 which was used to establish the endowment for the scholarship. Interest and dividends and, if required, the sale of shares of stock from the investment will be used to fund scholarships in the amount of \$1,000.00 each to be awarded to cover four semesters of study. Thus, scholarship awards will be made on alternate years unless the full amount of an awarded scholarship is not utilized. The investment endowment shall never fall below \$10,000. To be eligible for this scholarship, the recipients must:

1. Reside in one of the five counties served by East Central Community College. Preference shall be given to applicants from Newton and Neshoba Counties.
2. Have family contributions on financial aid needs analysis forms that are from fifty (50) percent to one hundred (100) percent of the students' financial aid budgets.
3. Have the demonstrated ability to profit from higher education by having achieved acceptable grades in high school and by having participated in community projects or work experience.
4. Have high moral and ethical values.
5. Project the reasonable probability that they would not attend college if they did not receive assistance from this scholarship fund.

If on any year no one applies who substantially meets all of the above qualifications, no award will be made and the fund will accumulate. The Vice President for Student Services of the College shall be responsible for notifying qualified high school students as to the availability of this scholarship. The College's Scholarship Committee shall screen all applications and make the final selections.

The Thomas W. Thrash Memorial Scholarship — Endowed in 2002 by the friends and family of Thomas W. Thrash, this scholarship honors one of East Central's long-time faculty members. A native of Newton, Mr. Thrash was a graduate of Newton High School and East Central Junior College, and earned both the bachelor and master's degrees from Mississippi State University. He completed additional studies at MSU and the University of Southern Mississippi. He was the recipient of numerous civic and academic awards. He served as a social science instructor at East Central Community College from 1962 until the time of his death in September 2002, when he was serving as Chairman of the Social Science, Education and Business Division.

Policies and criteria for the Thomas W. Thrash Memorial Scholarship are as follows:

1. All funds contributed will be placed in endowment with only the interest expended each year for the scholarship award. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award;
2. As long as there is interest earned on the endowment corpus, a recipient shall be selected annually by the family or its designee and the East Central Community College Scholarship Committee;
3. The scholarship will be awarded the fall semester of the recipient's sophomore year;
4. The scholarship will be presented at the spring Awards Day by a member of the family or its designee;
5. Graduates of high schools within the College's five-county district including Scott, Winston, Newton, Leake, and Neshoba counties or counties that are contiguous with Newton County and who meet all other qualifications will be given first consideration for the annual scholarship award. Additionally, preference will be given to applicants who are majoring in history or education and plan a career in education.
6. The successful recipient shall:
 - Be a high school graduate;
 - At the time of the scholarship application, must have completed a minimum of 12 semester hours, but no more than 36 hours at East Central Community College;
 - Must have demonstrated the capacity and a strong desire to obtain a college education by maintaining a 3.0 GPA or higher on all college coursework;
 - Be enrolled as a full-time student on the Decatur campus;
 - Have high moral standards and good character as documented by two letters of recommendation to be submitted along with the scholarship application; and

- Must complete a scholarship application form and submit it to the Vice President for Student Services' Office, ECCC, Box 129, Decatur, MS 39327. You may call toll-free: 1/877/GO2-ECCC (4623222) ext. 375. (added 2/11/03)

Dustan Todd Memorial Scholarship — With loving memory of Dustan Eugene Todd, this scholarship was established in 2006 by his parents, David and Ann Todd, and his brother, Travis Todd. Dustan was a 2002 graduate of Newton County High School and through out his years of school earned many honors and awards. He was a member of East Central's Class of 2004 in the Drafting and Design Technology program. Dustan was tragically killed in a motorcycle accident on April 28, 2004. He loved life and being with his family and friends. He was an avid golfer & fisherman and loved anything outdoors. Dustan had his future all planned with his love of designing and surveying and knew what his job would be like. He would have had a job where he could do both. His family wishes to carry on Dustan's dream by helping a deserving student that has a deep desire to succeed in the field of drafting and design and to remember Dustan in their accomplishments.

To be eligible, scholarship applicants must meet the following criteria:

1. Be a graduate of Newton County High School;
2. Enroll as a full time freshman student at East Central Community College after high school graduation for the fall semester;
3. Major in Drafting and Design Technology;
4. Demonstrate a financial need;
5. Have a "B+" or above GPA while attending high school; and
6. Maintain a "B+" or above GPA while in this field of study at East Central Community College.

The recipient will be selected annually by the College Scholarship Committee. The scholarship award will be initiated on Awards Day 2007 at Newton County High School and will continue each year after - dependent upon availability of funding. The scholarship award is \$1,000 for the freshman year with \$500 for the fall semester and \$500 for the spring semester. In the event no one applies who substantially meets all of the above criteria, no award will be made and the fund will accumulate.

U. S. Electrical Motors Scholarship— The U. S. Electrical Motors Scholarship is intended to help defray the cost of college expenses at East Central Community College. Awards will be made to outstanding children, grandchildren, or great grandchildren, of active or retired U. S. Electrical Motors' employees. All children, grandchildren, and great grandchildren of all active or retired USEM-Philadelphia, Mississippi employees are eligible to participate in this

scholarship plan, provided they are in good standing their senior year of high school.

Selection will be based upon the following criteria:

Selection Criteria:	Points
SAT, ACT, etc. scores	30
Curriculum, grades, class rank	20
Community and extra-curricular activities	25
Employment/earned expenses	25
Total	100

A maximum of one student annually will be selected under this plan and will be eligible for awards of \$500 annually in each of their two years of study at ECCC. The scholarship will provide a payment toward ECCC expenses at one-half the annual scholarship amount (\$250.00) at registration in each of four semesters provided performance has been satisfactory (2.00 or better GPA) during the previous semester.

The Vice President for Student Services of the College shall be responsible for notifying qualified high school students as to the availability of this scholarship. The College's Scholarship Committee shall screen all applications and make the final selections.

James M. Vance Endowed Scholarship — This scholarship was established in the Summer of 2005 by Margaret Vance Scardaci (Class of 1947) in honor of her brother, James Mac Vance. This scholarship is to be awarded annually to an incoming freshman at East Central Community College. Mr. Vance graduated from East Central in 1957. After EC, he attended and graduated from Mississippi State University in 1959. In the fall of 1959, Mr. Vance took a teaching position at Waynesboro and taught there until May of 1962. While at Waynesboro he began his coaching career and coached junior high and high school football and basketball. In the fall of 1962, he moved to Meridian and coached at Northwest Junior High School for three years before being appointed assistant principal in 1965. By 1970, Mr. Vance was principal of Northwest and remained so for 14 years. In 1985, Mr. Vance was appointed Assistant Superintendent for the Meridian Public School System and held this position until his retirement in 1995. After retiring, he served on the Meridian Public School Board for five and one-half years. While on the Board he served as President and Vice President. He officiated for the Junior College Football Association for 32 years and for high school football games for 42 years before retiring. He now teaches the rules of the game to football and basketball officials and coaches. James Vance is a faithful financial supporter of the College and has served as the Alumni Association president. He currently serves as an out-of-district representative on the Alumni Association Board of Directors.

Criteria for applicants for the James M. Vance Scholarship are as follows:

- Must be an incoming freshman;
- Must enroll at East Central Community College with an education
- Major (first preference will be given to mathematics education majors);
- Must have the potential to be a successful teacher;
- Must show need for financial assistance; and
- Must maintain a GPA of 2.0 on a 4.0 scale.

The amount of the scholarship award will be based only on interest earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. In the event that no student matches the qualifications for this scholarship, the interest earned will be reinvested in the endowment corpus. For more information, contact the Vice President for Student Services, ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2-ECCC (462-3222), ext. 375

The Ovid S. and Carol F. Vickers Scholarship — Established in the fall of 1999 by former students and friends of the Vickers, this scholarship honors this couple's lifetime of devotion to East Central. Ovid Vickers, an Eastman, Georgia, native, served the College as a humanities instructor and in various other capacities from 1955 to 1995. Throughout his 40-year teaching career and in retirement he maintained a keen interest in the lives of East Central students, faculty, and staff. Held in high regard by his former students, he is considered a favorite by many. Evidence of the esteem in which he is held is the 1995 naming of the College's Fine Arts Center in his honor. Recognized statewide and nationally during his career, he served two terms as president of the Mississippi Council of Teachers of English and helped form the Mississippi Folklore Society. In 1990, he was named College English Teacher of the Year by the Mississippi Council of Teachers of English. He earned the BA, MA, and Ed.S degrees from George Peabody College in Nashville.

Carol Farish Vickers, Class of 1958, is a graduate of Noxapater High School. She was initially employed by the College in 1961 as secretary to the president and served in that position until 1968. From 1968 until 1983, Mrs. Vickers taught English at Decatur High School. In 1983, she was again employed by the College, this time as an instructor of English and reading. She retired from full-time teaching at East Central in 1992 and subsequently served in various part-time positions at the College. In 1997, she was chosen as East Central's "Alumna of the Year." Mrs. Vickers earned her BS and MS degrees from the University of Southern Mississippi.

To be considered for the Vickers Scholarship, potential recipients must meet the following criteria:

1. Be a high school graduate or hold a General Education Diploma (GED);
2. Have at least a cumulative "C" (2.0) high school grade point average;
3. Reside in one of East Central's five supporting counties; and
4. Plan to major in English, English education, literature, speech or in theater.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for scholarship awards. Recipients will be selected by the College Scholarship Committee.

The Arno and Ruth Carr Vincent Scholarship — Established in the fall of 1999, this scholarship recognizes a lifetime of service to the College by a couple who capped their careers here by serving as president and first lady of East Central from 1953 to 1962. Decades later, the Vincents, both alumni, were still active in the life of the College, attending Homecoming and other events faithfully.

Walter Arno Vincent, Class of 1937 and a Navy combat veteran of World War II, served the College in various capacities from 1947 to 1962. He was assistant football coach, men's basketball coach, math teacher, registrar, and dean of students before becoming president. Former students and athletes have praised his teaching and coaching abilities, stating that he had a profoundly positive influence on their lives. During his East Central career, he rose rapidly to the position of president after working at the College for only six years. At the time he was the youngest person and first alumnus ever appointed president. He earned a bachelor's degree from Mississippi Southern, now the University of Southern Mississippi, and a master's degree in math from the University of Mississippi. The Lauderdale County native was selected to Athletic Halls of Fame at both East Central and Southern. He played football and basketball at both colleges, although he had never seen a football game before he went to college. He was named "Alumnus of the Year" at East Central in 1973 and was selected for inclusion in the Alumni Hall of Fame at Southern as well. In 1999, the East Central Board of Trustees named the College's administration building in his honor. The building, completed in 1959 while Mr. Vincent was president was first utilized as the College's library.

Ruth Carr Vincent of Winston County was "one of the most liked people in the East Central family," according to an alumnus. An outstanding student in the Class of 1937, she served as president of the College's Baptist Student Union and was involved in a number of campus organizations. In reflecting on her East Central days, she was

grateful that she "never had to come in after class to pass Mr. Leon Eubanks' English class," as many of her classmates did. After graduating from East Central, she taught elementary school in Newton, Neshoba, and Winston counties while going to Southern each summer to earn a bachelor's degree. She married Arno Vincent in June of 1941. The Vincents had two daughters, Mrs. Glenn Daphne Lancaster of Meridian and Mrs. Pamela Fowlkes of Monroe, Louisiana.

Scholarship candidates must:

- Have at least a "C" or 2.0 grade point average on all previous course work completed;
- Be high school graduates or hold the GED certificate; and
- Agree to enroll as full-time students at East Central's Decatur campus.

The amount of the scholarship award, to be given for the first semester of the freshman year, will be based on earnings from the endowment corpus. No part of the endowment corpus will be used for the scholarship award. Recipients will be selected by the College Scholarship Committee from applicants who meet the criteria listed above. For more information, write the Vice President for Student Services, ECCC, Box 129, Decatur, MS 39327, or call toll-free 1-877-GO2-ECCC (462-3222), ext. 375.

The Lavern & Elizabeth Vowell Memorial Scholarship — Initially established in 1993 to honor Mr. Lavern Vowell, the title and description for this scholarship were revised by David and E. L. Vowell to honor the memory of both Mr. Vowell and Mrs. Vowell after her death in 2000. This annual scholarship is available to assist a worthy student at East Central Community College.

The scholarship which will be awarded each year to an entering freshman will cover the cost of tuition for two semesters.

Each recipient of this scholarship must be a major in some field of business administration. Each recipient must have a demonstrated need for financial assistance and must have a demonstrated potential for academic success. Preference will be given to applicants for the scholarship who are or have been employed by Triple V, Inc.

Applications for this scholarship will be received by the Vice President for Student Services at the College. The College's scholarship committee will be responsible for the final selection of each year's recipient.

Captain Charles E. Ward USN/RET Memorial Scholarship — This scholarship endowment was initiated in February of 2003 in memory of Captain Charles E. Ward by his wife, Mrs. Gail M. Ward, and their three sons Roger, Mike, and David Ward.

Captain Ward was originally from Louisville, Mississippi, in Winston County (where his mother, Mrs. Hilda Parker Ward, ECJC Class of 1932 resides). He came to East Central on an academic/athletic scholarship.

While at East Central, he played football and baseball. He was also president of the Student Body Association and voted sophomore class favorite. Captain Ward graduated from ECJC in 1957 and went on to graduate from Louisiana College, Pineville, Louisiana, earning a BS in Mathematics.

After college, Captain Ward played professional baseball with the North Louisiana Rookie League. In 1959, Captain Ward entered the Navy and earned his Navy "Wings of Gold" in 1961. He served over 30 years in the Navy and earned several awards including three Legions of Merit, the Meritorious Service Medal, the Air Medal, and three Navy Commendation Medals. Captain Ward furthered his education by earning a Masters Degree in Computer Systems Management in 1972 from the Naval Post Graduate School, Monterey, California. He retired from active duty in 1990.

After retiring from the Navy, Captain Ward served as an Adjunct Professor at Pensacola Junior College teaching college algebra. From 1991 to 1999, he worked for Raytheon Aerospace serving as Site Manager for Aircraft Maintenance Operations on the Navy's Primary Trainer aircraft at Naval Air Station Whiting Field in Milton, Florida. In his free time he was a member of several organizations. "Charlie" was an avid golfer. He was a very active charter member of the Emerald Coast Senior Amateur Scratch Series, achieving two "Holes-In-One" in tournament play. He was also a member and active player at his residence home course, Stonebrook Golf Club, Pace, Florida.

In 1999, Captain Ward was inducted into the ECCC Athletic Hall of Fame, and in 2000 he was inducted into the Louisiana College Sports Hall of Fame.

On December 27, 2002, Captain Ward died of cancer at the age of 65. His family established this scholarship in his memory because he deeply appreciated the opportunity to attend EC and participate in athletics. Education was very important to "Charlie". He served on many committees in his local community, including the pre-school board of his local church. He enjoyed mentoring, in reading, to first grade students, on a weekly basis at Bagdad Elementary School, Milton, Florida. This scholarship endowment will continue his desire to assist a young person with furthering his or her education.

Candidates for this scholarship must meet the following criteria:

- (1) Be an entering freshman, enrolling as a full-time student;
- (2) Be an athlete, with preference given to golf, football and baseball;

- (3) Have at least a 2.5 grade point average on a 4.0 scale; and
- (4) Reside in one of East Central's five supporting counties.

The amount of the scholarship award will be based upon earnings from the endowment corpus and will be awarded the fall semester of the recipient's freshman year. No part of the endowment corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Vice President for Student Services Office toll-free at 1-877-GO2-ECCC (462-3222), Ext. 375.

Warrior Golf Classic Alumni Association Scholarship - This scholarship was established in 2002 by the East Central Community College Alumni Association Board of Directors. Proceeds for the annual Warrior Golf Classic Golf Tournament are used to fund the scholarship. The scholarship will be awarded annually, dependent upon availability of funding, for two incoming freshman students. Recipients of this scholarship will be awarded full tuition for the fall semester and full tuition for the spring semester of each recipient's freshman year.

To be eligible, a recipient must:

- Enroll as a full-time student at East Central Community College the fall semester following high school graduation;
- Reside in Leake, Neshoba, Newton, Scott, or Winston county;
- Have good academic standing; and
- Display leadership qualities and good citizenship.

Recipients will be selected by the ECCC Scholarship Committee.

The Weems Family Scholarship — The Weems Family Scholarship Fund was established to commemorate the historical roles of the Weems Family of Scott County as members of the faculty, Board of Trustees, and student body of East Central Community College. Laura Zelle Weems taught English from 1931 until 1944. She was a teacher in Mississippi public education for forty years. Robert Samuel Weems was County Superintendent of Education in Scott County and one of the original Scott County members of the East Central Board of Trustees. While Superintendent of Scott County, he was instrumental in Scott County becoming one of the counties in the College's current five-county district. Mack Dawson Weems was County Superintendent of Education in Scott County for sixteen years and served on the Board of Trustees of East Central Community College for 41 years. Many descendants of their parents, William Lafayette and Molly Thompson Weems, have attended ECCC; one being Dr. William Lamar Weems, who was Valedictorian of the East Central Class of 1951, Editor of the Tom-Tom, and East Central Alumnus of the Year in 1972. Many other Weems Family descendants have gone

on to achieve distinguished careers, boosted in no small measure by the quality and affordability of the educational experience provided by East Central.

The scholarship award shall be equal to full tuition. One scholarship will be awarded annually to an incoming freshman. The scholarship award shall be automatically renewed until graduation provided the recipient maintains a minimum of 2.5 grade point average and an academic load that would permit graduation in four semesters.

Funding for the scholarship will come from the earnings of the fund, which will be invested in conservative equities mutual funds. The principal may be used when earnings do not cover the amount of the scholarship. Excess earnings from the fund's investments will be reinvested to the fund.

The recipients of the scholarship will be selected by the members of the East Central Community College Scholarship Committee or its future counterpart, according to the following criteria, each of which will be given equal weight:

- High school grade point average;
- College aptitude test;
- Financial need;
- Participation in extracurricular activities; and
- Good moral character.

For more information, contact the Vice President for Student Services at ECCC, P.O. Box 129, Decatur, MS 39327. You may call toll-free: 1-877-GO2ECCC (462-3222), ext. 375.

The J. C. White Scholarship — Endowed in the summer of 2000 with gifts from family and friends, this scholarship honors the memory of Kemper county native J. C. White, Class of 1937, of Birmingham. White passed away April 21, 2000, at age 84. J. C. had a lifelong devotion to East Central and he and his wife, Jean also of Kemper County, were leaders in organizing reunions of his class and in attending homecoming activities in Decatur. They were also generous contributors to campus activities, including the building of the archway at the College's main entrance and the fitness trail on the north end of the campus. They also belonged to the Loyalty Club, one of the East Central Foundation's five-year gift clubs. After East Central, J. C. majored in math at Mississippi State. He worked for the Social Security Administration and retired from that agency in 1980. The Whites had two children, Rebecca White Tidd and John, both of Birmingham. On his last visit to the campus, at Homecoming on October 16, 1999, J. C. gave a pine seedling to the College, asking that it be planted on campus in honor of then president, Dr. Eddie M. Smith.

Criteria for the White scholarship are as follows:

- Plan to major in either math or science;
- Have a high school grade point average of at least "B" (3.0 on 4.0 scale); and
- Enroll as a full-time student at East Central.

The amount of the scholarship will be based on earnings from the endowment corpus. No part of the corpus may be used for the scholarship awards. Scholarship recipients will be selected by the College Scholarship Committee.

The Jack White and Mary Jo White Scholarship Fund — Endowed in the will of the late Mary Jo White of Union, this annual scholarship, established in the spring of 2001, is named for Mrs. White and her late husband. Jack White was an auto mechanics instructor at the College during the years 1954 to 1958. The Whites had no children, but they had a real interest in East Central and wanted to help students get a college education.

Criteria for the White scholarship are as follows:

- Be a resident of Newton or Neshoba counties; and
- Be a needy and/or worthy student.

Earnings from the endowment corpus will be used to fund the scholarship in perpetuity. No part of the endowment corpus will be used for scholarship awards. The scholarship will be awarded annually by the College Scholarship Committee to an incoming freshman.

The Bob Wilkerson Memorial Vo-Tech Scholarship — This endowed scholarship was established in December 2003, by Robert G. and Patsy J. Wilkerson in memory of their son, Bob Wilkerson. Bob and his wife Dannette G. Burkes had one daughter, Kimberly. Bob was a country boy who loved being with family, neighbors, and friends. He graduated from Forest High School in 1980 where he was a good student and participated in several activities including weight-lifting and football. However, his favorite interest in high school was attending classes at the Vo-Tech Center where he received the agriculture award his senior year. After graduation, Bob was asked to serve on the Advisory Board of the Scott County Vo-Tech Center. Later he was employed at Puckett Machinery for seventeen years until his untimely death. On Sunday, December 22, 2002, Bob died from injuries suffered in an ATV accident. He has been described by his mother as a son who loved everything about his life and was the least materialistic person she had ever known.

Candidates for the Wilkerson Scholarship must meet the following criteria:

- (1) Have a C or C+ average on all high school classes;

- (2) Reside in Scott county (preference will be given to students who graduate from Forest High School);
- (3) Enroll full-time as a freshman the semester after graduating from high school and be committed to earning a career-technical degree or career-technical certificate from ECCC;
- (4) Pursue a career in mechanics; and
- (5) Demonstrate financial need.

This scholarship will be awarded for four semesters. If the current recipient is enrolled for only one year, a new recipient will be selected the following year. The amount of the scholarship award will be based upon earnings from the endowment corpus. No part of the corpus may be used for scholarship awards. Scholarship recipients will be selected by the ECCC Scholarship Committee. For more information, contact the Office of the Vice President for Student Services toll-free at 1-877-GO2-ECCC (4623222), Ext. 375.

Wilks-Palmer Scholars Scholarship — Elgie Wilks Chatham, a Winston County native, endowed this scholarship in the spring of 1998 for students from Winston County.

Mrs. Chatham established the scholarship in honor of her parents, Mr. J. Earl Wilks and Mrs. Willie (Palmer) Wilks, who attended church and were active in the Liberty Community in Winston County for some 25 years. Mr. Wilks was in the grocery business in Meridian. Early in their marriage, Mrs. Wilks was a pioneer teacher in one-room, one-teacher schools in grades 1-8 in Winston County. The Wilks raised six children, three of whom graduated from East Central, and all of whom graduated from senior colleges and universities. Three of the children graduated during the depths of the Great Depression.

Mrs. Chatham was a 1934 graduate of Noxapater High School and a 1936 graduate of East Central. She then earned the B.S. degree in English from Mississippi State College for Women, her M.S. in counseling from the University of Southern Mississippi, and her Ed.S. in counseling from Mississippi State University.

Two of Mrs. Chatham's sisters also graduated from EC. Mrs. Melba Wilks Chesney of Meridian, class of '41, also graduated from USM, and Mrs. Doris Wilks Tissue, '39, of Pittsburg, Pennsylvania, finished at the "W." Another sister, Mrs. Janice Silvey Townshend of Dunedin, Florida, graduated from the University of Georgia. Their other sister, Mrs. Faye Wilks Tidwell of Lilburn, Georgia, graduated from Blue Mountain College. The five sisters' only brother, Dr. T. Palmer Wilks of Madison, Mississippi, graduated from MC and the University Of Tennessee School Of Dentistry.

Mrs. Chatham and her husband, Henry Elbert Chatham, who was in the finance business in Meridian, gave their inherent love and respect

for quality education to their own children. They had two sons, both graduates of Millsaps. One, Henry, Jr. of Jackson, also graduated from Harvard Law School. The other, Franklin Earl, a cardiologist in Baltimore, graduated from John Hopkins University. He married another M.D., Dr. Marie (Dickson) Chatham, originally from Canton, Mississippi.

Requirements for the Wilks-Palmer Scholarship recipients include the following:

1. Have evidence of a "burning desire" to go to college;
2. Be a high school graduate from a school in Winston county; and
3. Have a minimum 2.5, or C+, high school grade point average.

Other things being equal, scholarship preference will be given to a resident of the Liberty Community in Winston County. The amount of the scholarship, awarded the first semester of the freshman year, will depend upon the earnings from the endowment. Selection of recipients will be made by the College Scholarship Committee.

The Jones and Carrie Williamson and Bascom and Hattie Chisolm Memorial Scholarship — Endowed in August of 2000, this scholarship honors the parents of Dolphus, Class of '52 and Sybil Williamson of Laurel. Neshoba County natives, their parents sent four children to the College. In addition, numerous grandchildren, great grandchildren, and other relatives have attended in subsequent years.

Dolphus Williamson, a poultry science major here and at Mississippi State, had a long and successful career in the poultry industry and as a Methodist minister. He and Mrs. Williamson raised five children, four of whom attended junior college.

Their scholarship will be awarded annually to an entering freshman who meets the following qualifications:

- Plan to enroll full-time at the College during the fall semester after they graduate from high school;
- Plan to major in agriculture (preference is given to agriculture majors, but other candidates may be considered);
- Have earned at least average grades in high school;
- Demonstrate a serious desire to better himself/herself educationally;
- Have a demonstrated need for financial assistance.

Recipients will be selected by the College Scholarship Committee from students who apply and meet the criteria listed above. The scholarship will be available for the fall and spring semester of each recipient's freshman year.

Only the interest earned on the endowment corpus will be used to fund the scholarship. No part of the endowment corpus shall be used

for scholarship awards. The value of the scholarship is a maximum of \$600 per year.

Any earnings on the endowment corpus above the amount of the scholarship will be reinvested in the scholarship account for future use. An annual accounting of earnings on the corpus is provided to the donors. For more information, contact the Vice President for Student Services. Call toll free 1/877/GO2-ECCC (462-3222), ext. 375, or write Box 129, Decatur, MS 39327.

General William Patrick Wilson Memorial Scholarship — This scholarship was established by the Class of 1937, family, friends, and associates of General Pat Wilson. It honors his memory as a coach, dormitory supervisor, teacher, and National Guard officer at East Central Junior College from 1933 to 1940, and his long and colorful military career. From his Pre-World War II days when he was affectionately known as Captain Pat, to his much decorated combat service in the European Theater of Operations, and his outstanding record as Adjutant General of Mississippi, Pat Wilson was a remarkable leader of men.

It is the expectation of those who fund it that this scholarship will aid college students to develop such leadership qualities as he displayed. It will be administered by the Scholarship Committee of East Central Community College within the restrictions set by the founding Committee which are:

1. All funds contributed will be placed in endowment with only the interest expended each year for scholarships.
2. Recipients are to be selected annually by the College Scholarship Committee from students who have attained sophomore standing, a 3.0 grade point average, and who have a demonstrated need for financial assistance.
3. To retain the scholarship for a second semester a student will be required to maintain a minimum of a 2.5 grade point average on the 4.0 system.
4. The award each year will be made on Awards Day so that due recognition may be given the recipient.

The Lucille Wood Scholarship — This scholarship was established in May of 2006 by former basketball, volleyball, and tennis players of Miss Lucille Wood. A native of Louisville, MS, Lucille Wood was the youngest of five children to attend East Central and graduated in 1951. She received the BS and MA degrees from USM. After teaching and coaching at Copiah-Lincoln Junior College for three years, this outstanding coach and instructor began her career at East Central in 1956. She is now the longest tenured instructor in any of Mississippi's two-year colleges.

Miss Wood was a pioneer in establishing intercollegiate women's basketball in Mississippi and in implementing Title IX. She coached both club teams and varsity teams from 1956 until 1985. Her volleyball team won a state championship, and her basketball teams were successful at the state and regional levels. Several individuals were state champions in tennis. She also served the NJCAA as Region XXIII (MS/LA) Director. Her work with the NJCAA and success as a coach resulted in her receiving the NJCAA Service Award in 1992, the only Mississippian to be so honored. She was also selected to the NJCAA Women's Basketball Coaches Hall of Fame in 2004. She is also a member of the East Central Community College Athletic Hall of Fame.

Miss Wood's dedication to all East Central students is an indication of her commitment to excellence in academics and to the importance of being a well-rounded student. She sponsored many extra-curricular activities such as May Day, intramurals, talent shows, Awards Day, and the Student Education Association. Her successes in the academic area were recognized by her selection as the HEADWAE Outstanding Faculty Member; a Lamplighter Excellence in Teaching recipient; the Humanities Teacher of the Year; Instructor of the Year for East Central; a winner of Delta Kappa Gamma Xi Chapter's Red Rose Award; one of the Mississippi Women's Conference Power of One Award Winners; and the state winner of Blue Cross/Blue Shield Ageless Hero for Love of Learning.

This outstanding coach and instructor has served as speaker for the dedication of the Burton Library and Walter Arno Vincent Administration Building and was the key-note speaker for the Convocation celebrating the 75th Anniversary of East Central Community College. She was also instrumental in raising funds and working to establish Sullivan Park and the Memorabilia Room in Burton Library. Further service to her alma mater includes serving as president of the Alumni Association for two different terms. Further indication of her dedication to East Central is shown by the naming of the Brackeen-Wood Physical Education Building in honor of her and Coach Denver Brackeen. Upon entering that building, the historical display that she researched and had prepared demonstrates her interest in the total concept of athletics at East Central.

Miss Wood currently serves as chairman of the Social Science, Business, and Education Division of the College, but her greatest achievement lies in her interest in the lifetime success of her students. Policies and criteria for the Lucille Wood Scholarship are as follows:

1. Be a graduate of a high school in the 5-county district;
2. Be enrolled as a full-time academic student;
3. Have completed two semesters of college work (26 hours) in any major;
4. Have a 3.0 G.P.A. on college work;

5. Follow a curriculum as outlined in the college catalog;
6. Have high moral and ethical character;
7. Extra curricular activities will be considered;
8. Be a returning female sophomore athlete (one student will be nominated from the women's basketball, women's soccer, women's softball, and women's tennis teams by their coaches) - of the four nominees, the ECCC Scholarship Committee will select the scholarship recipient;
9. Game playing time to be a factor; and The scholarship will be presented at the spring Awards Day by The coach of the selected player.

All funds contributed will be placed in the endowment with only the interest expended each year for the scholarship award. Only the interest earned on the endowment corpus for this scholarship fund shall be used for the scholarship award. No part of the endowment corpus shall be used for the scholarship award.

SECTION II: FINANCIAL AID POLICIES

According to federal regulations, students must meet Satisfactory Academic Progress (SAP) standards in order to be eligible for federal Title IV financial aid. Federal Title IV financial aid consists of the following programs:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work-Study (FWS)
- Leveraging Educational Assistance Partnership Program (LEAP)
- Federal Stafford Loans (FFEL - Subsidized and Unsubsidized)
- Parent Loan Program (PLUS)

To meet SAP at East Central Community College, students receiving federal Title IV financial aid must maintain satisfactory progress in grade point average, percentage of hours passed and length of attendance in completing a certificate or degree in the academic, technical or career/vocational programs.

Qualitative Requirement - GPA and % of Hours Passed

SAP will be measured according to the following criteria:

Cumulative Semester Hours Attempted *	Cumulative Grade Point Average (GPA)**	Percentage of Semester Hours Passed*
1 - 30	1.5	66.7%
31 - 63	1.75	66.7%
64 and above	2.0	66.7%

* All attempted classes will count in hours attempted (including classes from which the student withdrew - Grade "W").

** Students will be allowed to repeat a course and only the most recent grade (other than W) will count in the GPA calculation.

Quantitative Requirement – Time Frame (Length)

As required by federal regulations, a student must complete the program of study (major) within a time frame not to exceed 150% of the length of the program. All courses including, but not limited to, withdrawals, repeats and accepted transfer hours from another college will be counted in the time frame. Students who reach the 150% limit will no longer be eligible to receive federal financial aid.

Other Required Considerations

All coursework for students will be included in the SAP review including any semesters that students did not receive financial aid.

Incompletes: A grade of "I" incomplete will count as an "F" in the hours attempted, hours passed and GPA calculations. Once the incomplete is removed, the actual earned grade will be used.

Repeats: All repeated classes will count in hours attempted and hours passed calculations. The most recent grade for a repeated class (other than "W") will count in the GPA calculation.

Withdrawals: Students may withdraw from a class and receive no credit with a grade of "W." Classes from which students withdraw will count in the hours attempted and hours passed calculations. Classes from which students withdraw will not be included in the GPA calculation.

Development courses: These courses will be treated in the same manner as regular courses since students receive institutional credit and grades for these courses.

SAP Examples

1. A first-year student attempts 15 hours in the fall semester and 15 hours in the spring semester. At the end of the spring term the student must have passed 21 hours (30 hours attempted X 66.7%) with at least a 1.5 GPA.
2. A returning student has attempted 31 hours in prior semesters and now has completed 6 hours in summer, 9 hours in fall and 12 hours in spring. At the end of the spring term, the student must have passed a total of 39 hours (58 hours attempted X 66.7%) with at least a 1.75 GPA.
3. A student must complete the program of study (major) in the 150% time frame. 64-hour program (64 hours X 150% = 96 hours)
50-hour program (50 hours X 150% = 75 hours)

Review of Standards

Federal regulations require that SAP standards must be checked each year to determine if students are progressing toward completing a degree or certificate.

Degree or Certificate Programs at Least Two Years in Length

The SAP standards will be checked annually at the end of the spring semester for students in programs that are at least two years in length.

Degree or Certificate Programs Less Than Two Years in Length

The SAP standards will be checked at the end of each semester for students in a program of less than 2 years in length.

Consequences of Not Meeting Standards/Regaining Eligibility

Degree or Certificate Programs at Least Two Years in Length

Students who do not meet the SAP standards at the end of the spring semester will be suspended and will not be eligible to receive federal financial aid beginning with the next fall semester. However, the summer term immediately following the spring semester in which a student was placed on suspension will be considered as a probationary period. If all other criteria have been met, students in this status may be eligible to receive financial aid during the summer probationary semester. Students who enroll for the summer semester and who believe that as a result of the summer academic performance the SAP standards have been met should contact the Financial Aid Office to request a reevaluation of their SAP eligibility. In addition, students can request a reevaluation after the fall semester or any subsequent semester.

Degree or Certificate Programs Less Than Two Years in Length

Students who do not meet the SAP standards at the end of the semester will be placed on financial aid probation for the next semester. During the probationary semester, a student will continue to be eligible for financial aid. Upon completion of the probationary semester, a student who does not meet the SAP standards will be suspended and will not be eligible to receive federal financial aid.

Degree or Certificate Programs (All Programs)

Students who do not meet the SAP standards will be ineligible to receive financial aid and will remain ineligible until the standards are achieved. Students who reach the 150% limit will no longer be eligible to receive federal financial aid.

Students on financial aid suspension may attend ECCC as long as they are not also on academic suspension.

Students who have been suspended from receiving financial aid as a result of the failure to meet the SAP standards have the right to appeal. Students may regain eligibility for financial aid by meeting the standards in a subsequent semester or through a successful appeal.

Appeal Procedures

Students who have been suspended from receiving financial aid may appeal based on mitigating circumstances including but not limited to illness, injury, death of an immediate family member, undue hardships or other such circumstances. To request an appeal, students must complete the Financial Aid SAP Appeal Form which is available in the ECCC Financial Aid Office. The form must be submitted to the Financial Aid Office along with a written letter fully explaining the mitigating circum-

stances. Students may also provide documentation such as a letter from a doctor, an accident report, etc. to support the request.

The appeal requests will be reviewed by the Financial Aid Appeal Committee. Students will be notified in writing of the Committee's decision.

INSTITUTIONAL PROGRAMS — The following information is related to Scholarships and Institutional Work-Study.

1. A student receiving institutional financial aid in the form of an Athletic Scholarship, Band Scholarship, Cheerleader Scholarship, or Institutional Work-Study must pass nine (9) semester hours and earn eighteen (18) quality points during a semester. If a student does not meet this standard at the end of a semester, the student will be placed on probation for a semester. During the probationary semester, the student will be eligible to receive the institutional financial aid. Upon completion of the probationary semester, a student who does not meet the standard will be ineligible to receive the institutional financial aid. This policy coincides with the academic probation and suspension policy of the college; therefore, when suspended students become eligible to return to college, they shall also be eligible to receive institutional financial assistance.
2. To retain an ACT, Salutatorian, Valedictorian, or Career-Technical scholarship, a student must maintain a B (3.0) average each semester. Any student who does not maintain a B (3.0) average and is removed from scholarship, can get back on scholarship by having a B (3.0) average the following semester provided the scholarship is for four (4) semesters. See Section I: Financial Aid Programs for further eligibility requirements.
3. Total combined scholarships funded by East Central Community College for dormitory and commuter students may not exceed the published cost of matriculation fee, technology fee, registration fee, room fee, 7-day board fee, out-of-state fee (out-of-state students only) and an allowance for books equal to the book allowance as established annually by the College in the federal financial aid cost of attendance (budget).

Financial Aid Application Requirements

1. Complete the East Central Community College Financial Aid Application. New students must also complete an Application for Admission to East Central Community College.
2. Complete the Free Application for Federal Student Aid (FAFSA) or Renewal AFSA (if returning student). The following are related to completing the FAFSA:
 - a. Read all instructions carefully and check the information reported on the FAFSA.

- b. List the East Central Community College Code and address in the school section of the application. Federal school code - 002404 Address - PO Box 129, Decatur, MS 39327
 - c. Mail the FAFSA in the envelope provided in the instruction booklet unless applying electronically. Students may complete the FAFSA online at the U.S. Department of Education website and submit it via the Internet at the following Internet address www.fafsa.ed.gov.
 - d. After the completed application is received by the Department of Education processing system, the student will be sent the Student Aid Report (SAR). The SAR should be received in about four weeks if applying by mail and about two weeks if applying electronically. At that time the ECCC Financial Aid Office should be contacted to ask if other forms or documents (such as U.S. Income Tax Return, Form 1040, 1040A, or 1040EZ) are needed.
3. To apply for a Stafford and/or PLUS Loan, students must indicate on the ECCC Financial Aid Application the type of loan being requested. Students will be mailed an award letter on which the loan eligibility will be indicated and additional instructions will be included concerning the loan.
 4. The priority deadline for applying for financial aid at East Central Community College is April 1 (for the upcoming fall semester). The results of the processed FAFSA (Student Aid Report) must be received by ECCC on or before April 1 to receive full consideration for financial aid. Additional applications will be accepted and are encouraged after April 1; however, no assurance can be given that funds will be available in all programs. Aid is awarded on a first-come, first-served basis.
 5. All students must reapply for financial aid each academic year. Note: Several state-funded aid programs are administered by the

Mississippi Office of Student Financial Aid (MOSFA). Some of the programs include MTAG, MESH, Critical Needs Teacher Program, HELP, and William Winter Teacher Program. An online application must be completed by the program deadline and additional information may be required; therefore, students should read the information and instructions provided on the MOSFA website. Contact MOSFA at 1-800-327-2980 or at the following website: www.mississippi.edu

Conditions for Receiving Financial Aid

1. The Financial Aid Office reserves the right on behalf of ECCC to review and revise or cancel an award at any time because of changes in the student's financial or academic status. Students are required to notify the Financial Aid Office regarding any changes in their financial or academic status while attending ECCC.

2. Any commitment of Federal, State, or local funds is contingent upon subsequent Congressional or Legislative appropriation and actual receipt of the funds by ECCC.
3. Recipients of financial assistance from ECCC must notify the Financial Aid Office concerning any scholarships or other funds from any outside source.
4. Student eligibility criteria for Federal Aid require that in order to receive financial aid, a student must be making satisfactory academic progress in their course of study. See the Satisfactory Progress section in this publication for further details on the ECCC Financial Aid Satisfactory Progress Policy.
5. Generally, a student must be enrolled in a minimum of six hours each semester and must be enrolled in a program leading to a degree or certificate to receive financial aid. Students receiving loans must maintain at least half-time attendance (6 hours) each semester. MTAG, MESG, and LEAP require full-time enrollment each semester. Additionally, students may not receive aid from more than one college at the same time.
6. To be eligible for financial aid a student must be a high school graduate or have a GED. Students who receive a high school certificate do not meet the high school graduation requirement. Students who do not meet this requirement must meet the minimum requirements on an ability-to-benefit test as set forth by the Department of Education.
7. Financial aid funds may be used toward educational expenses which include matriculation, fees, books, supplies, transportation, room, board and miscellaneous expenses.
8. Financial aid funds are disbursed on a semester-by-semester basis. Aid is credited to a student's account at the College and the balance of the award, after the account is cleared, will be disbursed to eligible students at the 60% point of the semester. Adjustments to a student's financial aid may be required for a student who withdraws from class (es) or drops out of school within a semester because of refund calculations required by federal regulations.
9. MTAG, MESG, HELP, and LEAP funds will be disbursed when funds are received from the State of Mississippi. MTAG, MESG, HELP, and LEAP recipients must be enrolled full time to be eligible to receive the funds.
10. Students withdrawing during the semester who have received financial assistance will be required to abide by the refund policy governing the programs. It is advised that the student contact the Financial Aid Office before withdrawing (especially loan recipients who must attend an exit interview prior to leaving school).

Work-Study students:

- a. Must meet with their supervisor to establish a work schedule. (Students awarded prior to the beginning of the semester must do this the first week of school; all others immediately after receiving the award.)
 - b. Must complete an I-9 form and other required forms in the Business Office before beginning work. Payroll checks will not be issued until the student completes all forms required by the Business Office.
 - c. Will be paid monthly at the current minimum wage.
 - d. Will be required at the end of each month to sign a time card which shows the number of hours worked that month.
 - e. Must understand that the amount of the work-study award is based upon the maximum amount the student may earn during the school year.
 - f. Will be issued work-study checks by the Business Office five (5) working days following the end of each month (provided all required payroll forms have been completed and time cards are submitted in a timely manner).
 - g. Must read, understand, and agree to the information provided on the job assignment form.
12. The Award Letter lists aid from outside sources that is taken into consideration in evaluating the student's financial need. Outside resources are included for the student to verify the accuracy of the amount(s). Report any discrepancies regarding these resources to the Financial Aid Office.
 13. Students must reapply for aid each academic year.

Award notification

Students who complete the financial aid application requirements and who provide all required forms by April 1 will be notified regarding their financial aid awards, normally, by the end of July. Requests for information and award letters will be mailed to the address listed on the student's financial aid application.

CHAPTER 5

PROGRAMS OF STUDY

ACADEMIC PROGRAMS

Suggested programs of study in many fields of interest have been established with recommended courses for each semester. Students should note that these outlines are suggestions, not requirements. Requirements for degrees and certificates are listed in Chapter Three.

The East Central Community College transfer programs are designed for the student who wishes to complete two years of college work and continue toward a Baccalaureate degree at senior college. These suggested programs of study have been set up with extreme care; however, students should consult with advisors and the university or college catalog of their choice to ensure that the right courses are taken.

In 1991, the Mississippi Board of Trustees of State Institutions of Higher Learning and the Mississippi State Board for Community and Junior Colleges approved an articulation agreement which provides for the transfer of academic credit in over 160 majors available at the eight senior institutions in Mississippi. This agreement is a safety net for students who plan to transfer. East Central has utilized this agreement in developing programs of study. A student who follows the prescribed course of study in this catalog with the assistance of their advisor and the catalog of the college to which they plan to transfer should experience no difficulty with the acceptance of East Central credit.

The course sequences listed in this catalog do not represent the only majors available to students. East Central Community College can offer course work in all of the majors listed in the Articulation Agreement. Majors included on the following pages are those most frequently pursued by students at East Central Community College. Students interested in majors not specified in this catalog may request a copy of the major from the Articulation Agreement or follow the catalog of the four-year institution to which they will transfer upon completion of course work at East Central Community College.

BASIC COLLEGE CORE CURRICULUM (General Education Competencies)

This core curriculum is designed for students who later plan to transfer with junior standing to one of the four-year colleges in Mississippi. Students should understand that different colleges and universities have their own requirements, and students should consult the latest catalog of the institution to which they plan to transfer.

The following East Central Community College core curriculum contains the core curriculum which is required by all universities under the State Board of Trustees, Institutions of Higher Learning, which was implemented during the fall of 1984 and the core curriculum is incorporated in all transfer programs of study as outlined in this chapter.

English Composition.....	6 semester hours
Laboratory Science	8 semester hours
Humanities & Fine Arts	9 semester hours
Social/Behavioral Science	3 semester hours
College Algebra or Higher Mathematics.....	3 semester hours
Oral Communication	3 semester hours
Computer Science	*3 semester hours
Total	35 semester hours

*or demonstrated skills

This 35 semester hour core curriculum is required for graduation from East Central Community College in both transfer degrees — the Associate in Arts and the Associate in Science. (See requirements for degrees section of chapter three — Academic Policies.)

EDUCATION

Advisors: Miss Lucille Wood,
Mrs. Sue Ford, Mrs. Susan Fox-Smith, Mrs. Sylvia Wright

An education curriculum should be selected by those who are planning to teach. The requirements include courses in General Education, Professional Education, and Specialized Education. Those who plan to teach in high school should decide on their teaching field and take one or more courses in the field each semester. The PRAXIS should be taken during the second semester of the sophomore year. Students should consult advisor for details.

ELEMENTARY EDUCATION (EED)

Advisors: Mrs. Debbie Boyd, Mr. Marc McCool, Ms. Sylvia Wright

Upon successfully completing the elementary education program of study, graduates who have completed appropriate courses with required GPA as specified by the universities to which they transfer, should be able to enter the junior year of the appropriate teacher education program at a four-year institution.

HOURS FOR EACH SEMESTER VARY ACCORDING TO UNIVERSITY CHOICE

* There are differing requirements for EEDU majors by the universities in the state.
Use the catalog from the university you plan to attend to schedule classes at EC.

** Offered Spring semester only.

EDUCATION, PHYSICAL (PED)

Advisor: Miss Lucille Wood

Upon successfully completing the physical education program of study with a 2.5 GPA or better on the 45-hour education core and upon successfully passing the PRAXIS, graduates should be able to enter the junior year of physical education at a four-year institution. (Note that USM requires a 2.65 GPA.)

Note: Literature courses must be taken in sequence.

MAT 1323 - Required by MSU

* See advisor for different options from state colleges

EDUCATION, SECONDARY (SED)

Advisor: Mrs. Sue Ford, Mrs. Vikki McNair

Upon successfully completing the secondary education program of study with a 2.5 GPA or better and upon successfully passing the PRAXIS, graduates should be able to enter the junior year of secondary education at a four-year institution.

Students are encouraged to follow the suggested curriculum for their major as listed in the catalog of the senior institution of their choice.

	16		Elective.....3
			15-16

Notes: English majors can meet the foreign language requirements by taking MFL 1113, 1123, 2213, 2223.

HPR 1213 is required at ASU, DSU, MSU, MVSU, UM.

BIO 1143 is required at MUW.

CSC 1213 or CSC 1313 is required for math majors at MSU, USM.

USM requires PHY 2514; 2524 for math majors.

Some majors do not require two literature courses and two history courses. See the advisor and the senior college catalog. Literature courses must continue in sequence if two are taken.

Business Education majors must make special agreements with the desired senior institution to identify the business technology courses that should be taken.

Specific courses in teaching area should be taken in line with requirements at the particular senior institution selected.

ENGINEERING (EGR)

Advisor: Mrs. Gloria McRae, Mr. Haywood Reeves

Students who are interested in any engineering field should register in this curriculum. The first two years of engineering are basically the same for all branches of engineering, and this curriculum is designed to meet these needs. Upon successfully completing the engineering program of study, graduates should be able to enter the junior year of engineering at a four-year institution.

LIBERAL ARTS (LAR)

Advisors: Mrs. Tanya Boler, Ms. Ann Durham, Mr. Phillip Crenshaw, Mrs. Pam Fowler, Ms. Kate Keenan, Mr. Tony Kinton, Ms. Maxine McKee, Mr. Kevin Ryals, Mrs. Carol Shackelford, Mrs. Melinda Smith

The Liberal Arts Curriculum will meet the pre-professional needs of many students who are planning some professional vocation. It may be selected by the pre-law students, by pre-ministerial students, or by those planning a career in home economics, journalism, or social work, and by others. In addition to the above, students who come to college to secure the general and liberalizing value of education, who are planning to continue a similar curriculum in a four-year college, or whose interests cannot be met by another curriculum usually select this curriculum. Electives should be chosen from a student's field of interest with the approval of the individual's advisor. Students should consult with the catalog of the university to which they plan to transfer.

MUSIC

**Advisors: Mrs. Blaylock, Mr. Bobo, Mr. Brownlee, Mr. Carson,
Mrs. Emmons**

The work of the music department is organized (1) to give sound foundation work in music theory, (2) to develop understanding and appreciation of the literature and history of music, and (3) to develop performance skills with the voice and musical instruments.

All students majoring in music are required to perform with one of the large ensembles each semester. Instrumental majors are required to participate in the band, and voice and piano majors are to participate in the choir. Those students taking applied music courses must perform in or attend all scheduled music recitals.

Upon successfully completing the music program of study, graduates should be able to enter the junior year of piano, voice, or instrumental music at a four-year institution.

MUSIC WITH INSTRUMENTAL EMPHASIS (MUI)

Advisors: Mr. Jared Brownlee, Mr. Tom Carson

Upon successfully completing the music program of study, graduates should be able to enter the junior year of instrumental music at a four year institution.

HEALTHCARE EDUCATION PROGRAMS

(Associate Degree Nursing, Emergency Medical Technician (EMT) - Basic, Emergency Medical Technician (EMT) - Paramedic, Health Care Assistant, Practical Nursing, Surgical Technology)

East Central Community College offers programs of study that prepare graduates to work in a variety of healthcare settings. Students who successfully complete the programs of study are prepared to take state and national licensure and/or certification exams in the area of preparation and obtain employment in their area of specialty in the health care field.

Students applying for admission into Healthcare Education programs must meet the general college admission requirements as well as admission requirements specific to the individual program of study. Admission to the Healthcare Education programs is competitive and space is limited. Refer to admission requirements in Chapter 3 of the catalog.

The Associate of Applied Science Degree is awarded to students who successfully complete the two-year program of study specified in the catalog. The 15-semester Core Curriculum (or demonstrated competence) is embedded in the curriculum for each of the programs. Students who complete the 12 month option will receive certificates.

English Composition I..... 3 hours

Mathematics/Science..... 3 hours

Approved Courses: MAT 1233, MAT 1313, MAT 1323, BIO 1133-1131/
1143-1141, BIO 2413-2411, BIO 2513-2511/2523-2521, BIO 2923-2921,
CHE 1213-1211/1223-1221

Humanities/Fine Arts..... 3 hours

Approved Courses: ART 1113, MUS 113, ENG 2133, ENG 2223/2323,
ENG 2423/2433, MFL 1113/1123, MFL 2113/2123, MFL 2213/1233,
MFL 2223/2243, HIS 1163/1173, HIS 2213/2223, HIS 2243/2253,
PHI 1113, PHI 1153, and PHI 2113.

Social/Behavioral Sciences..... 3 hours

Approved Courses: PSY 1513, EPY 2513, EPY 2533, SOC 2113, SOC 2143

Oral Communication..... 3 hours

Working in the healthcare environment enhances theory taught in the classroom and students completing the healthcare programs may obtain immediate employment in their area of specialty in the healthcare field. Therefore, students enrolled in healthcare programs are encouraged to participate in WBL 191 (1-3) Work-Based Learning as an elective course.

Surgical Technology:

As specified in the East Central Surgical Technology Handbook and the East Central Community College Catalog students who work at the hospital must work after clinical hours only and must be pre-approved by surgical technology instructors and employer (hospital, etc.). Students are under the supervision of East Central Community College surgical technology instructors during clinical hours, 6:30 a.m. - 3:00 p.m. After 3:00 p.m. students working are under supervision of the hospital.

ASSOCIATE DEGREE NURSING (ADN)

Advisors: Mrs. Nan Anderson, Mrs. Sherri Cantey, Mrs. Lisa Gorgas,
Mrs. Lori Luke, Mrs. Wendy Moore, Ms. Paula Russum,
Mrs. Marty Vaughn

Upon successfully completing the Associate Degree Nursing program, graduates should meet the requirements of the State Board of Nursing to apply to write the National Council Licensure Examination for Registered Nurses (NCLEX-RN®). However, completion of the program does not guarantee that the graduate will be allowed by the State Board of Nursing to take the examination.

PRE-REQUISITES:

EMERGENCY MEDICAL TECHNOLOGY - PARAMEDIC (EMP)

Advisor: Ms. Katrina Bryant

A Paramedic is a dedicated healthcare professional who provides a high level of medical care in the pre-hospital setting by utilizing extensive advanced life support skills. The EMT-Paramedic program will prepare the student for a high-skilled and exciting career as a Paramedic by combining classroom instruction as well as hands-on-instruction. After successful completion of the EMT-Paramedic Technology program, the student will be awarded an Associate in Applied Science Degree in EMT Paramedic Technology and be eligible for a seat for the National Registry exam for paramedics. Mississippi EMT-Basic certification and Anatomy and Physiology I is a prerequisite for entrance into this program. An additional prerequisite of Anatomy and Physiology II is required by the College.

PRACTICAL NURSING (PNT)

Advisors: Ms. Kelly Miller, Mrs. Tosha Sanders

The Practical Nursing program prepares the individual to assist in providing general nursing care requiring basic knowledge of the biological, physical, behavioral, psychological, and sociological sciences; and of nursing procedures which do not require the substantial skills, judgment, and knowledge required of a registered nurse. This care is performed under the direction of a registered nurse, licensed physician, or dentist. Students that complete the program requirements, as identified by the Mississippi Department of Education, will be eligible to apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN®). The State Board of Nursing may refuse any individual the right to take the NCLEX-PN® based on previous criminal records.

Semester Hours = 43

HEALTH CARE ASSISTANT PROGRAM (HCA)

Advisor: Mrs. Theresa Cole

The Health Care Assistant Program prepares the individual to assist in providing health care as member of the health care team under the direction of a health care professional. This curriculum references standards based on the State of Mississippi Nurse Aide Candidate Handbook Exam Content Outline.

Graduates of the one semester program will be awarded the Certificate of Health Care Assistant. Students who complete the program may qualify for employment as Homemakers, Nurse Assistants, Long-Term Care Aides, or Home Health Aides in the Mississippi health care industry.

SURGICAL TECHNOLOGY (SGT)

Advisors: Mrs. LeAnn Shirley, Mrs. Kristie Pilgrim

Surgical Technology is an instructional program that prepares an individual to serve as a member of the surgical team. Graduates of the 12-month program will be awarded the Certificate of Surgical Technology. The Associate of Applied Science Degree in Surgical Technology will be awarded the successful graduate of the 24-month program. Qualified graduates may apply to the Association of Surgical Technologies for the National Certifying Examination and become a Certified Surgical Technologist.

****Baseline competencies for Surgical Technology**

FIRST YEAR (CE1)

First Semester – Spring		Second Semester – Summer (8 weeks)	
SUT 1113	Fundamentals of Surgical Technology.....3	SUT 1518	Basic Related Surgical Procedures.....8
SUT 1216	Principles of Surgical Technique.....6		
SUT 1314	Surgical Anatomy.....4		
SUT 1413	Surgical Microbiology.....3		
ENG 1113	English Composition I.....3		
	19		8
Third Semester – Fall			
SUT 1528	Specialized Surgical Procedures.....8		
SUT 1538	Advanced Surgical Procedures.....8		
	16		

* Students who lack entry level skills in math, English, science, etc. will be provided.

SECOND YEAR (TECHNICAL)

BIO 2511	Anatomy & Physiology I Lab.....1		Math Elective.....3
BOT 1613	Medical Office Terminology I.....3		Social/Behavioral Science Elective.....3
	14		16

* Students who lack entry level skills in math, English, science, etc. will be provided related studies.

****** Baseline competencies are taken from the high school Allied Health program. Students who can document mastery of these competencies should not receive Duplicate instruction. Students who cannot demonstrate mastery will be required to do so.

Test average of "80" or above, grade of "C" or above on all Surgical Technology courses and required courses, mastery of selected Surgical Technology skills.

TECHNICAL PROGRAMS (General Education Core)

Technical programs at East Central Community College are designed to prepare the student for employment upon completion of the specified program curriculum. Students who complete a two-year program are then eligible to receive the Associate of Applied Science Degree. Students who complete the nine-month options will receive certificates.

TECHNICAL CORE CURRICULUM (General Education)

To complete the requirements for the A.A.S. degree, the students must complete the 18 semester hour General Education Core Curriculum which includes the following:

English Composition.....	3 sem. hrs.
Humanities/Fine Arts.....	3 sem. hrs.
Social/Behavioral Sciences.....	3 sem. hrs.
Mathematics.....	3 sem. hrs.
Oral Communication.....	3 sem. hrs.
Computer Science.....	*3 sem. hrs.
	18 sem. hrs.

* or demonstrated competence on computer-based equipment in the skill area.

AUTOMOTIVE TECHNOLOGY (AUT)

Advisor: Mr. Scott McLemore

Postsecondary Automotive Technology is an instructional program that prepares individuals to engage in the servicing and maintenance of all types of automobiles. Instruction includes the diagnosis of malfunction of all 8 areas of ASE/NATEF certification (engine repair, electrical and electronic systems, engine performance, brakes, steering and suspension systems, manual drive trains and axles, automatic transmissions and transaxles, heating and air conditioning).

Postsecondary Automotive Technology is an articulated technical program designed to provide advanced and technical skills to its students. Baseline competencies, taken from secondary automotive mechanics curriculum framework, serve as a foundation for the competencies and suggested objectives taught in the courses of the program. Students who do not possess these competencies will be allowed to acquire them during the program. Students who can document mastery of the baseline competencies will receive advanced instruction on these topics. Automotive Technology may be taught as either a certificate program or as a technical program.

BUSINESS AND OFFICE TECHNOLOGY

This is the era of high technology-the age of information processing. To maintain a competitive edge in this fast paced world, dynamic organizations sense a critical need to do more work in less time, thus generating reduced cost. As a result, high levels of productivity are required. To attain such a far-reaching goal, managers rely on benefits of progressively more powerful technologies, which include new concepts and new equipment as well as a more highly qualified personnel.

The overall objective of the Business and Office curriculum is to provide business training in theory and practical applications necessary for employment in high tech government agencies, industries, businesses, and medical and professional areas. The Curriculum consists primarily of training to provide employable skills using up-to-date procedures, processes, and equipment.

Degree Option

The Associate of Applied Science degree is awarded for successful completion of either Medical Office Technology, Office Systems Technology, Microcomputer Technology or Medical Billing and Coding Technology.

Upon successfully completing the Business and Office Technology curriculum, graduates should be able to apply the theory and practical applications necessary for employment in government agencies, industries, businesses, and medical and professional areas.

MEDICAL OFFICE TECHNOLOGY (MOT)

To be admitted to the Medical Office Technology Program (MOT) applicants must meet the admission requirements for Academic and Technical students listed previously.

MEDICAL OFFICE TECHNOLOGY (MOT)

Advisors: Mrs. Christy Ferguson, Mrs. Ruth Gregory, Ms. Judith Hurtt

Medical Office Technology is designed to prepare students for positions as medical transcriptionists, medical secretaries, medical file clerks, medical receptionists, or medical office assistants. Strong emphasis is placed on medical terminology and medical machine transcription. In addition to these skills, office communications, business computer applications, records management, accounting, and office procedures are emphasized.

COLLISION REPAIR TECHNOLOGY (CRT)

Advisor: Mr. Conrad Germany

Collision Repair Technology is an instructional program designed to prepare students for entry level into the Collision Repair and Refinishing trade. Upon completion of this program, the students will be prepared for beginning positions as body, frame, and refinish technicians. Students will be provided theory and practical repair and refinish work beginning with basic applications and progressing on to heavy collision repairs requiring major body and frame alignment and panel replacement. The instruction includes all phases necessary to teach collision repair including glass replacement, welding, replacement of hardware and trim items, cosmetic and structural repairs.

Students enrolling in Collision Repair Technology will need to select one of the following options upon entering the program. The options are the two year Associate in Applied Science Degree in Collision Repair Technology, or the one or two year Collision Repair Technology Certificates.

CULINARY ARTS TECHNOLOGY (CUT)

The Culinary Arts Technology concentration provides a solid foundation in the methods and science of cooking through exposure to classical, American, and international cuisine, as well as the art of baking and pastries. Special emphasis is placed on culinary tools, equipment, techniques, and specialty ingredients. The heart of the Culinary Arts Technology program is hands-on lab instruction by a chef instructor in a commercial kitchen. All students must wear appropriate chef's uniforms for all lab classes. Culinary Arts students will receive a certificate after successfully completing all CUT and/or HRT courses listed in the Culinary Arts curriculum.

* Restricted Elective - Must be math, science or technology based course. Math 1323 Trigonometry is strongly suggested for one of the restricted electives.

EARLY CHILDHOOD EDUCATION (ECE)

Advisors: Ms. Kathy George, Ms. Mary Ann Wright

The student enrolled in Early Childhood Education Technology is required to successfully complete two academic years of study. An individual will receive an Associate in Applied Science Degree. The student receives adequate instruction and training in curriculum planning and implementation.

Experiences in coordination of activities in art, music, language arts, and other avenues of learning prepare the student for job placements in private and public day care centers, HeadStart, teachers' aides in public school systems, and other positions. All students enrolled in the program must have up-to-date immunizations and submit to finger printing and a background check.

Upon successfully completing the Early Childhood Education Technology program, graduates should be able to gain entry to administrative level employment in the childcare industry.

ELECTRICAL TECHNOLOGY (ELT)

Advisor: Mr. John Everett

The Electrical Technology program prepares individuals to install, operate, maintain, and repair electrically-energized systems such as residential, commercial, and industrial electric wiring, and D.C. and A.C. motors, controls, and electrical distribution panels. Instruction in the use of test equipment is included.

Certificate programs in electricity require a minimum of 34 semester credit hours beyond the essential skills level. Students desiring to receive only a certificate may substitute other courses for the six hours of academic credit in the proposed curriculum. Technical programs require a minimum of 65 semester credit hours above the secondary level which includes a recommended 15 hours of academic core courses. Successful completion of the two-year program leads to an Associate in Applied Science degree.

**Baseline Competencies for Electrical Technology

ELECTRONICS TECHNOLOGY (ELE)

Advisors: Mr. Jim Blackburn, Mr. James Clark

Electronics Technology is an instructional program that prepares individuals to support electrical engineers and other professionals in the design, development, and testing of electrical circuits, devices, and systems for generating electricity and distributing electrical power. Included are instruction in model and prototype development and testing; systems analysis and integration, including design, development of corrective and preventive maintenance techniques; application of engineering data; and the preparation of reports and test results.

Technical programs in Electronics Technology require a minimum of 65 semester credit hours (SCH) beyond the essential skills level. Fifteen semester credit hours of academic course courses are included in this minimum. Successful completion of the two-year program leads to an Associate in Applied Science degree.

HEATING AND AIR CONDITIONING TECHNOLOGY (HAC)

Advisor: Mr. William C. Wilson

Heating and Air Conditioning is a postsecondary instructional program that prepares individuals to work in engineering departments or private firms installing, maintaining, and operating small or medium air conditioning, heating, and refrigeration systems. Instruction prepares individuals to work in a commercial setting performing special tasks relating to designing ductwork, assembly, installation, servicing, operation, and maintenance of heating and cooling systems according to the standards of the American Society of Heating, Refrigeration, and Air Conditioning Engineers Inc., Air Conditioning Contractors of America (ACCA), and Air Conditioning Refrigeration Institute (ARI). Included are air-conditioning, heating and refrigeration devices; equipment, techniques, and systems; and maintenance and operation of these systems.

HOTEL/RESTAURANT MANAGEMENT TECHNOLOGY (HRT)

Advisor: Ms. Lisa O'Neill

The Hotel and Restaurant Management concentration provides specialized occupational instruction in all phases of hotel and restaurant management to prepare students for careers as manager/supervisors in the hospitality and tourism industry. Completion of the two-year program leads to an Associate of Applied Science degree. A student may receive a certificate by successfully completing all HRT and/or CUT courses listed in the Hotel and Restaurant Management concentration.

MACHINE TOOL TECHNOLOGY (MST)

Advisor: Mr. Danny Gressett

Machine Tool Technology is an instructional program that prepares individuals to shape metal parts on machines such as lathes, grinders, drill presses, and milling machines. Included is instruction in making computations related to work dimensions, testing, feeds, and speeds of machines; using precision measuring instruments such as layout tools, micrometers, and gauges; machining and heat-treating various metals; and laying out machine parts. Also included is instruction in the operation and maintenance of computerized equipment.

CAREER PROGRAMS

The following East Central Community College Career Programs are designed to teach the students a trade. A certificate is issued upon satisfactory completion of one of the programs. These programs are scheduled to meet six hours a day, five days a week, unless otherwise specified in the course description. Classroom activities in each career and related fields, as well as laboratory experiences are given each student. A career learning lab is provided to enhance instruction in reading and mathematics.

RESIDENTIAL CARPENTRY (RCC)

Advisor: Mr. Fredrick Lyons

The Residential Carpentry program is designed to prepare the student for entry-level employment. It provides training in the basic and advanced skills needed to have a successful career in the field of residential carpentry. The training in this course is centered around technical knowledge and hands-on experience in all the stages of construction from foundations and framing to finish carpentry and cabinet making. A student who completes the first year will receive a certificate in Basic Residential Carpentry. A student who completes the second year will receive a certificate in Advanced Residential Carpentry.

COSMETOLOGY (COS)

Advisor: Mrs. Wanda Brackeen

This course is designed for those who want to become cosmetologists. The course has been approved by the State Board of Education and the Mississippi Board of Cosmetology. It has the approval and support of beauty salon owners and operators throughout this area of the State. A student enrolling must be at least 17 years of age and must have completed high school, or obtained the GED.

During the training period, students must maintain an average grade of 85 in theory and skill to be eligible for State Board Examination in order to attain a license. Fifteen hundred clock hours of training are required to complete the course. These 1500 hours are completed in the 12-month course.

Approved by MISSISSIPPI STATE BOARD OF COSMETOLOGY for Licensed Cosmetologist with minimum of two years experience.

COV 2816 Teacher Training I	6
COV 2826 Teacher Training II	6
COV 2836 Teacher Training III	6
COV 2846 Teacher Training IV	6

Requirements for entering program:

- Must be 21 years of age to take State Board Exam
- Read, write, and speak English
- Graduate of an accredited cosmetology school
- Successfully completed 12 semester hours of approved academic course work
- Hold a current, valid Mississippi Cosmetology License
- Two years active practical experience as a licensed cosmetologist

WELDING & CUTTING (WLD)

Advisor: Mr. Gerald Jordan

The Welding and Cutting curriculum is designed to prepare the student for entry-level employment in the field of welding and cutting. The curriculum includes Shielded Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Flux Cored Arc Welding (FCAW), Plasma Arc Cutting (PAC), Carbon Arc Cutting, Oxyfuel Cutting, and Gas Tungsten Arc Welding (GTAW)

CHAPTER 6

DESCRIPTION OF COURSES

UNIVERSITY PARALLEL

East Central Community College adheres to the common course number system adopted by the Mississippi Association of Community and Junior Colleges. The numbers for University Parallel Courses carry four digits. The first digit indicates the year that the course is normally taught. Generally courses required or recommended for freshmen begin with a 1 and courses at the sophomore level begin with a 2. The last digit indicates semester hours credit carried by the course. The second and third digits are used to separate courses within departments. Course descriptions used in this catalog are those adopted in the Uniform Numbering System and are intended to be equivalent to those courses at the same level at four-year institutions.

ACCOUNTING

ACC 1213 — PRINCIPLES OF ACCOUNTING — A study of the elementary accounting principles as applied to the various forms of business organizations, and an introduction to specialized fields of accounting. Three lectures and one hour laboratory. Three semester hours credit.

ACC 1223 — PRINCIPLES OF ACCOUNTING — Prerequisite: Accounting 1213. Three lectures and one hour laboratory. Three semester hours credit.

AGRICULTURE

AGR 2314 — BASIC SOILS — A general course in soils designed to give the student a basic understanding of all important phases of the subject, including soil genesis, morphology, classification, and the physical, chemical and biological aspects of soils as applied to soil fertility. Soil management, including fertilization and liming of soils, is also included. Three hours lecture. Two hours lab. Four semester hours credit.

AGR 2343 — FOREST MEASUREMENTS — This course is designed to introduce the student to the techniques, instruments and practices of measuring forest inventories and cut-wood products for sales, timber management planning and forest studies. Three semester hours credit. Three hours lecture.

ART

ART 1113 — ART APPRECIATION — A course designed to provide an understanding and appreciation of the visual arts. Three semester hours credit.

ART 1313 — DRAWING I — Includes the study of the basic elements and principles of organization in two dimensions and the selection, manipulation and synthesis of these components to create an organized visual expression. Black and white media will be stressed. Three semester hours credit.

ART 1323 — DRAWING II — (Prerequisite: ART 1313) Continuation of rendering skills introduced in Drawing I with emphasis on color, composition and creative expression. Three semester hours credit.

ART 1433 — DESIGN I — To provide students with an understanding of the elements and principles of design to enable development of an informed, intuitive sense as well as a highly informed skills base/methodology involving black and white design problems which apply principles and elements of visual design. Three semester hours credit.

ART 1443 — DESIGN II — To provide students with an understanding of color theory and applications of color so that there begins to be an informed as well as intuitive sense of seeing, mixing, and applying color and light to design problems. Three semester hours credit.

ART 1453 — THREE DIMENSIONAL DESIGN—To provide students with an understanding of spatial form in three dimensions through the use of applied design elements and principles to studio problems in various media. Three semester credit hours.

ART 2513 — PAINTING I — (Prerequisite: ART 1313, 1323, 1433 & 1443) Techniques used in painting media in a variety of subject matter. Three semester credit hours

ART 2613 — CERAMICS I — This course is directed toward an introduction to different aspects and materials of ceramic design. Instruction covers forming and shaping by hand and by mechanical means, various kiln operations, understanding the nature of clay and glazes and appreciation of functional and non functional forms. Three semester hours credit.

ART 2623 — CERAMICS II — continuation of skills introduced in Ceramics I. Emphasis on individual problem solving. Three semester hours credit.

ART 2713 — ART HISTORY I — A survey course of historical background of art forms from Prehistoric to the Renaissance. Emphasis is on painting, architecture, and sculpture as related to history. Three semester hours credit.

ART 2723 ART HISTORY II — A survey course of the historical background of art forms from the Renaissance to present special emphasis is on contemporary expressions. Three semester hours credit.

BIOLOGY

BIO 1131 GENERAL BIOLOGY I LAB—A laboratory course for science majors that contains experiments and exercises that reinforce the principles introduced in BIO 1133 General Biology I. One semester hour credit.

BIO 1133 — GENERAL BIOLOGY I — A lecture course for science majors that include study of the scientific method, chemistry relevant to biological systems, cell structure and physiology, cell processes including photosynthesis and cellular respiration, cell division, genetics, and molecular genetics. Three semester hours credit.

BIO 1141 GENERAL BIOLOGY II LAB— A laboratory course for science majors that contains experiments and exercises that reinforce the principles introduced in BIO 1143 General Biology II. One semester hour credit.

BIO 1143 — GENERAL BIOLOGY II — A lecture for science majors that reinforces concepts introduced in BIO 1133 General Biology I, while emphasizing the diversity of life. Topics covered include adaptation by natural selection, classification, ecology, detailed consideration of each group of organisms and viruses, study of animals and plants including their basic anatomy and physiology. Three semester hours credit.

BIO 1311 BOTANY I, LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in BIO 1313 Botany I. One semester hour credit.

BIO 1313 — BOTANY I — A lecture course covering the representative groups of the plant kingdom, their anatomy, physiology, taxonomy, and economic importance. Three semester hours credit.

BIO 1321 BOTANY II, LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in BIO 1323 Botany II. One semester hour credit.

BIO 1323 — BOTANY II — A lecture course that emphasizes classification and identification of plants. Pre-requisite: BIO 1313/1311. Three semester hours credit.

BIO 1613 — NUTRITION — A lecture course covering the nutrients required for normal growth and prevention of major chronic disease, and applied to the selection of food for ingestion, the metabolic process of digestion, assimilation, and absorption. Three semester hours credit.

BIO 2314 — DENDROLOGY — A combined lecture and laboratory course concerning the taxonomy, morphology, ecology, and identification of woody plants. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Three hours lecture and two hours lab. Four semester hours.

BIO 2411 — ZOOLOGY I LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in BIO 2413 Zoology I. One semester hour credit.

BIO 2413 — ZOOLOGY I — A lecture course that includes in-depth studies of phylogeny and classification systems, protozoa and major invertebrate phyla. Three semester hours credit.

BIO 2421 — ZOOLOGY II LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in BIO 2423 Zoology II. One semester hour credit.

BIO 2423 — ZOOLOGY II — A lecture course that includes in-depth studies of animal phyla with emphasis on the vertebrates and animal systems. Three semester hours credit.

BIO 2511 — ANATOMY AND PHYSIOLOGY I LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in BIO 2513 Anatomy and Physiology I. One semester hour credit.

BIO 2513 — ANATOMY AND PHYSIOLOGY I —A lecture course that covers the anatomical and physiological study of the human body as an integrated whole. The course includes detailed studies of: biological principles; tissues; and the integumentary, skeletal, muscular and nervous systems. Prerequisite: General Biology (BIO 1133 & 1131 or BIO 1143 & 1141), Zoology (BIO 2413 & 2411 or BIO 2423 & 2421) or General Chemistry (CHE 1213 & 1311), Microbiology (BIO 2923 & 2921) or ACT science score of 18, or prior admittance into either the Associated Degree Nursing Program or Surgical Technology Program at ECCC. Three semester hours credit.

BIO 2521 — ANATOMY AND PHYSIOLOGY II LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in BIO 2523 Anatomy and Physiology II. One semester hour credit.

BIO 2523 — ANATOMY AND PHYSIOLOGY II — A lecture course that includes detailed studies of the anatomy and physiology of the human special senses and the endocrine, circulatory, respiratory, digestive, and urinary systems, as well as reproduction and development. Prerequisite: Human Anatomy BIO 2513 & 2511. Three semester hours credit.

BIO 2921 MICROBIOLOGY LAB—Laboratory course devoted to lab safety and gaining hands on experience in the areas of: microscopy, culturing techniques (pure culture and isolation and media preparation), staining techniques, aseptic technique, diagnostic procedures and effectiveness of antimicrobial agents. One semester hour credit.

BIO 2923 — MICROBIOLOGY — A lecture course providing a survey of the microbes (microscopic organisms) with emphasis on those affecting other forms of life, especially man. Three semester hours credit.

BUSINESS ADMINISTRATION

BAD 1113 — INTRODUCTION TO BUSINESS — This course includes an introduction to the major division of study that will be followed in succeeding business courses such as: Business Organization, Accounting, Business Law, and other related courses. Three semester hours credit.

BAD 1121 — BUSINESS SEMINAR — This course is designed to coordinate the various business-related student activities to the local level. It promotes leadership and professionalism in civic and social functions, and includes student participation, guest speakers, and community service activities. One hour lecture. One semester hour credit.

BAD 2323 — BUSINESS STATISTICS — Introduction to statistical methods of collecting, presenting, analyzing, and interpreting quantitative data for business management and control. (Prerequisite: MAT 1313) Three semester hours credit. Three lecture hours.

BAD 2413 — THE LEGAL ENVIRONMENT OF BUSINESS — Designed to acquaint the student with the fundamental principles of law as they relate to the basic legal problems of business transactions in our economy. Three semester hours credit.

CHEMISTRY

CHE 1211- GENERAL CHEMISTRY I LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in CHE 1213 General Chemistry I. One semester hour credit.

CHE 1213 — GENERAL CHEMISTRY I — A lecture course that covers atomic and molecular structure, nomenclature and chemical formulas, chemical reactions, mole concept and stoichiometry, bonding, and gases. Co-requisite: MAT 1313 College Algebra. Three semester hours credit.

CHE 1221- GENERAL CHEMISTRY II LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in CHE 1223 General Chemistry II. One semester hour credit.

CHE 1223 — GENERAL CHEMISTRY II — A lecture course that covers solutions, kinetics, equilibria, thermodynamics, acid-base chemistry, and electrochemistry. Prerequisite: satisfactory completion of CHE 1213 & 1211 - General Chemistry I. Three semester hours credit.

CHE 2421 — ORGANIC CHEMISTRY I LAB—A laboratory course that acquaints students with important manipulations, and procedures, and the preparation and study of organic compounds being introduced in CHE 2423 Organic Chemistry I. One semester hour credit.

CHE 2423 — ORGANIC CHEMISTRY I — A lecture course that covers carbon chemistry, bonding structure, and behavior, aliphatic compounds, stereochemistry, and reaction mechanisms. Prerequisite: CHE 1223 & 1221 - General Chemistry II. Three semester hours credit.

CHE 2431 — ORGANIC CHEMISTRY II LAB—A laboratory course that acquaints students with important manipulations and procedures, as well as the preparation and study of aromatic and complex organic compounds being introduced in CHE 2433 Organic Chemistry II. One semester hour credit.

CHE 2433 — ORGANIC CHEMISTRY II —A lecture course that covers spectroscopy, aromatic compounds, carbonyl compounds and other complex compounds, with emphasis on reactions, reaction mechanisms, and nomenclature. Prerequisite: CHE 2423 & 2421 - Organic Chemistry I. Three semester credit hours.

COMPUTER SCIENCE

BOA 1413 — KEYBOARDING — (Beginning Computer Concepts) This course will develop your basic keyboarding skills which will enable you to operate a microcomputer to input and retrieve information. Three semester credit hours.

CSC 1113 —COMPUTER CONCEPTS — A computer competency course which introduces concepts, terminology, operating systems, electronic communications, and applications. Concepts are demonstrated and supplemented by hands-on computer use. Three hours lecture with open lab. Three semester hours credit.

CSC 1123 — COMPUTER APPLICATIONS I — Designed to teach computer applications to include: word-processing, electronic spreadsheet, database management, presentation design, and electronic communications with integration of these applications. Three hours lecture with open lab. Three semester hours credit.

CSC 1133 — COMPUTER APPLICATIONS II—This course is a continuation of CSC 1123 with concentration on advanced computer applications to include: Web design, OLE, Macros, and emerging technology. Three hours lecture with open lab. Three semester hours credit.

CSC 1213 — VISUAL BASIC PROGRAMMING I — The writing of programs using the Visual Basic computer language. Three lecture hours. Three semester hours credit.

CSC 1313 — FORTRAN PROGRAMMING — Introduction to digital computers and computer programming using the FORTRAN language.

CSC 2133 — PROGRAMMING I with "C" — Introduction to problem solving methods and algorithm development; designing, debugging, and documentation in C/C++ language with a variety of applications. Prerequisite or Co-requisite: MAT 1313 or permission of instructor. Three lecture hours. Three semester hours credit.

CSC 2143 — PROGRAMMING II with "C" — Continued program and algorithm development and analysis; search/sort methods; abstract data types and object-oriented design; designing and debugging larger programs using C/C++ language. Prerequisite: 2133. Three lecture hours. Three semester hours credit.

CRIMINAL JUSTICE

CRJ 1313 — INTRODUCTION TO CRIMINAL JUSTICE — This course is a general introduction to the history, development, and philosophy of law enforcement in a democratic society and the introduction to agencies involved in the administration of criminal justice and career orientation. Three hours lecture. Three semester hours credit.

CRJ 1323 — POLICE ADMINISTRATION AND ORGANIZATION I — Principles of organization and administration in law enforcement as applied to law enforcement agencies; introduction to concepts of organizational behavior. Three hours lecture. Three semester hours credit.

CRJ 1363 — INTRODUCTION TO CORRECTIONS — An overview of the correctional field; its origins, historical and philosophical background, development, current status, relationship with other facets of the criminal justice system and future prospects. Three hours lecture. Three semester hours credit.

CRJ 2513 — LAW ENFORCEMENT AND THE JUVENILE—The role of police in juvenile delinquency and control. Organization, functions, and jurisdiction of juvenile agencies. Processing, detention, and disposition of cases. Statutes and court procedures applied to juveniles. Three hours lecture. Three semester hours credit

ECONOMICS

ECO 2113 — PRINCIPLES OF ECONOMICS (MACROECONOMICS) — An introduction to economic principles, problems, and policies with emphasis on the monetary system and national income theory and measurement. Three lecture hours. Three semester hours credit.

ECO 2123 — PRINCIPLES OF ECONOMICS (MICROECONOMICS) — A continuation of Economics 2113 with emphasis on price and production theory. Three lecture hours. Three semester hours credit.

EDUCATION

LLS 1111 — LIBRARY SCIENCE — This course provides information concerning the development of books and libraries and instruction in and practice with the skills necessary for selecting, locating, and using library materials in a variety of formats. One hour lecture. One semester hour credit.

LLS 1321 — CAREER EXPLORATION — A course designed to assist students in determining career goals. Interest tests and aptitude tests are given to help students determine career choices. One semester hour credit.

LLS 1411 — IMPROVEMENT OF STUDY — This course is designed to aid the student in three basic areas: adjustment to college life, development of good study skills, and the formation of good test-taking skills. One hour lecture. One semester hour credit.

LLS 1423 — COLLEGE STUDY SKILLS — An advanced course in study skills that fosters insight and practice of critical reading skills and study techniques needed for efficient and effective perusal of college level courses, both graduate and undergraduate. Three semester hours credit.

LLS 1151 — COLLEGE LIFE — College Life offers group experiences in study skills, career exploration, self-affirmation, and values clarification. This course is designed to assist the first-time student in bonding to the college and to a small group of students. One hour lecture. One semester hour credit.

LLS 1811, 1821, 1831, and 1841 — LEADERSHIP I, II, III, IV — This course is limited to members of the Warrior Corps. Its purpose is to teach leadership skills and give the student a better understanding of the overall operation of the College. Among the leadership skills to be taught are listening skills, time management, salesmanship, and information giving techniques. One semester hour credit.

LLS 1833 — LEADERSHIP AND ORGANIZATION SKILLS — A study of leadership styles, skills, roles, and functions of leaders of organizations. The course integrates writings from the humanities with other readings, films, and activities. These historical and philosophical works, which include multi-cultural readings, not only constitute the collective wisdom of mankind, but also provide rich insight into leading. The course will be taught as eleven skill units. Three hours lecture. Three semester hours credit.

EDU 2511 — INTRODUCTION TO ELEMENTARY EDUCATION — An introduction to elementary schools and the role of teachers. Study of philosophical thought and inquiry in relation to educational assumptions, questions, problems and alternatives. Includes a minimum of 10 hours field experience in the elementary schools. (See attached handout for additional justification.)

ENGINEERING

EGR 2413 — ENGINEERING MECHANICS (STATICS) — Equilibrium of point objects and extended objects in two and three dimensions using vector algebra. Distributed forces, structures, friction, and moments of inertia in three dimensions. Prerequisites: MAT 1623 and PHY 2513. Three hours lecture. Three semester hours credit.

EDUCATIONAL PSYCHOLOGY

EPY 2513 — CHILD PSYCHOLOGY (HUMAN GROWTH & DEVELOPMENT I) — A course which deals with the various aspects of human growth and development. Problems studied include physical, mental, social and emotional development from infancy through preadolescence. Special attention is given to the implications for education. Three lectures. Three semester hours credit.

EPY 2523 — ADOLESCENT PSYCHOLOGY (HUMAN GROWTH & DEVELOPMENT II) — A study of the individual during adolescent years. Three semester hours credit.

EPY 2533 — HUMAN GROWTH AND DEVELOPMENT — A study of the growth and development of the human organism from conception through old age to death. Topics include changes in abilities and interests, social and emotional adjustments of each maturity level, and implications of growth and development to health professionals and others who work with people. Three lectures. Three semester hours credit.

ENGLISH

ENG 1103 — DEVELOPMENTAL ENGLISH I — Designed to reinforce fundamental language skills with an emphasis on reading, grammar, mechanics, sentence structure, and paragraphs. Required for students with ACT English sub scores of 1-11. Must be taken concurrently with REA 1103 Developmental Reading I (Remedial Course). Three hours per week. Three semester hours credit.

ENG 1113 — ENGLISH COMPOSITION I — Stresses effective writing through the study of the elements of composition with emphasis on the essay. Three lecture hours. Three semester hours credit.

ENG 1123 — ENGLISH COMPOSITION II — A continuation of English 1113 with emphasis on essays, critical writing, and research. A research paper is required. Prerequisite: ENG 1113. Three lecture hours. Three semester hours credit.

ENG 1203 — DEVELOPMENTAL ENGLISH II — Designed to teach fundamental composition skills with an emphasis on basic paragraph and essay writing. Prerequisites: ACT English sub score of 12-14 or successful completion of ENG 1103. Three hours per week. Three semester hours credit.

ENG 1213 and 1223 — HONORS ENGLISH COMPOSITION — Designed to develop the expository writing skills of academically talented students. Emphasizes logical thinking, objective analysis, clear organization and precise writing. Special attention given to critical reading, to written analysis, to using the library, and to documented research writing. Enrollment open to students with a 25 composite and an English score of 27 on the ACT. Six semester hours credit.

ENG 2133 — CREATIVE WRITING — Consent of the instructor is required. Designed to offer experience in writing poetry, short stories, plays, and essays. Prerequisite: ENG 1113 or ACT English Subscore of 25 or above. Three lecture hours. Three semester hours credit.

ENG 2153—TRADITIONAL GRAMMER—Primarily for elementary education majors, this course focuses on English fundamentals. Beginning with parts of speech, it covers basic sentences patterns, pronouns, troublesome verbs, subject-verb agreement, spelling, diction, punctuation and mechanics – all the aspects of traditional grammar that the elementary teacher may encounter in teaching language skills for children. Three lecture hours. Three semester hours credit.

ENG 2223 — AMERICAN LITERATURE I — Representative prose and poetry of the United States from colonial beginnings through Emily Dickinson. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2233 — AMERICAN LITERATURE II — Representative prose and poetry of the United States from Samuel Clemens to the present. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2323 — ENGLISH LITERATURE I — A survey of English Literature from Beowulf through the Renaissance. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2333 — ENGLISH LITERATURE II — A survey of English Literature from the Restoration to modern times. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2353 — HONORS ENGLISH LITERATURE I — Designed for students who have a special interest in English Literature and who have at least a "B" average in ENG 1113 and ENG 1123. A study of English Literature from its beginnings until 1798. An individualized course with attempts to program the study of literature to the student's major interests and skills. Enrollment by invitation. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2363 — HONORS ENGLISH LITERATURE II — Designed for students who have a special interest in English Literature and who have at least a "B" average in ENG 1113 and ENG 1123. A study of English Literature from 1798 until the present. An individualized course which attempts to program the study of literature to the student's major interests and skills. Enrollment by invitation. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2423 — WORLD LITERATURE I — A survey of world literature from the invention of writing to 1650. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

ENG 2433 — WORLD LITERATURE II — A survey of world literature from 1650 to 2000. Prerequisites: ENG 1113, ENG 1123. Three lecture hours. Three semester hours credit.

GEOGRAPHY

GEO 1113 — WORLD GEOGRAPHY — A regional survey of the basic geographic features and major new developments of the nations of the world. Three hours lecture. Three semester hours credit.

GEO 1123 — PRINCIPLES OF GEOGRAPHY — A course which deals the basic content of geography, planetary relationships of the earth, interpretation and use of maps, elements of weather and climate, regional distribution of climatic elements and the interrelationship of man's physical and cultural landscapes. Three semester hours credit.

GEOLOGY

GLY 1111 — PHYSICAL GEOLOGY LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in GLY 1113 Physical Geology. One semester hour credit.

GLY 1113 — PHYSICAL GEOLOGY — A lecture course in the study of the earth, its materials and the forces acting upon them, and the land forms and their developments. Three lecture hours. Three semester hours credit.

GLY 1121—HISTORICAL GEOLOGY LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in GLY 1123 Historical Geology. One semester hour credit.

GLY 1123 — HISTORICAL GEOLOGY— A lecture course in the study of the earth, its history and development and its life, as revealed by the character and fossil content of rock. Three lecture hours. Three semester hours credit.

HEALTH, PHYSICAL EDUCATION, AND RECREATION

HPR 1131 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 1141 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 1213 — PERSONAL AND COMMUNITY HEALTH — Application of principles and practices of healthful living to the individual and community; major health problems and the mutual responsibilities of home, school, and health agencies. Three lecture hours. Three semester hours credit.

HPR 1313 — INTRODUCTION TO HEALTH, PHYSICAL EDUCATION AND RECREATION — Introduction to the objectives, literature, and organizations of the profession. Analysis of successful teaching with discussion of the responsibilities and opportunity of professional personnel. Orientation of student to opportunities in the field. Three lecture hours. Three semester hours credit.

HPR 1531 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 1541 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 1551 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 1561 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 1571 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes aero-

bics, stretching exercises and general toning. Two hours laboratory. One semester hour credit.

HPR 1581 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit.

HPR 2131 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 2141 — VARSITY SPORTS — Participation in football, basketball, baseball, softball, tennis, golf, soccer or cheerleading. One semester hour credit.

HPR 2213 — FIRST AID — Instruction and practice in methods prescribed in the American Red Cross standard and advanced courses. Three lecture hours. Three semester hours credit.

HPR 2323 — RECREATIONAL LEADERSHIP — Planning and leadership techniques for conducting community recreation centers, playgrounds, parks, and school recreation programs. Three lectures. Three semester hours credit. Three lecture hours. Three semester hours credit.

HPR 2423 — FOOTBALL THEORY — A theoretical study of football from an offensive and defensive standpoint including the fundamentals of blocking, passing, tackling, charging, punting, generalship, rules and team play. Three lecture hours. Three semester hours credit.

HPR 2433 — BASKETBALL THEORY — A theoretical study of basketball from an offensive and defensive standpoint, including the study of teaching of the fundamentals and team organization. Three lecture hours. Three semester hours credit.

HPR 2443 — ATHLETIC TRAINING & TREATMENT OF INJURIES — A practical study of safety and first aid, taping, bandaging, and use of massage, and the uses of heat, light, and water in the treatment and prevention of injuries; conditioning of athletes as to diet, rest, work, and proper methods of procedures in training for sports. Three lecture hours. Three semester hours credit.

HPR 2453 — BASEBALL THEORY — A theoretical study of baseball from a coaching standpoint; study of fundamentals and team play; methods of teaching fundamentals; team organization. Three lecture hours. Three semester hours credit.

HPR 2463 — SOCCER THEORY — A theoretical study of soccer from a coaching standpoint; including the study of the fundamentals, the methods of teaching fundamentals, progression of team play, and team organization. Three lecture hours. Three semester hours credit.

HPR 2531 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in tennis. Two hours per week. One semester hour credit.

HPR 2541 — INDIVIDUAL AND DUAL SPORTS — Lecture and practice in golf fundamentals, rules, and etiquette. Two hours per week. One semester hour credit.

HPR 2551 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HPR 2561 — FITNESS AND CONDITIONING TRAINING — This is a laboratory course in physical conditioning. The course includes weight training, aerobics, stretching exercises and general toning. Two hours laboratory. One semester hour credit. (Gymnastics limited to cheerleaders.)

HISTORY

HIS 1113 — WESTERN CIVILIZATION I — A general survey of European history from ancient times to 1660 A.D. Recommended for freshman. Three semester hours credit.

HIS 1123 — WESTERN CIVILIZATION II — A general survey of European civilization since 1600 A.D. Three semester hours credit.

HIS 1163 — WORLD CIVILIZATION I — A survey of man's struggle for civilization from early times to the times of the Commercial Revolution and the New Society. Covers all major areas of the world with all receiving appropriate attention. Three lecture hours. Three semester hours credit.

HIS 1173 — WORLD CIVILIZATION II — A continuation of HIS 1163 from the Age of Absolutism through a survey of Modern World Problems. Emphasis again placed, as appropriate, on all areas of the world. Three lecture hours. Three semester hours credit.

HIS 2213 — AMERICAN (U.S.) HISTORY I — A survey of U.S. history from the period of discovery and exploration through Reconstruction. Three lecture hours. Three semester hours credit.

HIS 2223 — AMERICAN (U.S.) HISTORY II — A survey of U.S. history from Reconstruction to the present. Three lecture hours. Three semester hours credit.

HIS 2243 — HONORS AMERICAN (U.S.) HISTORY I — Substitutes for HIS 2213. Survey of political, economic, and social developments to 1877. Special projects and recitations required. Instructor approval required.

HIS 2253 — HONORS AMERICAN (U.S.) HISTORY II — Substitutes for HIS 2223. Continued survey of political, economic, and social developments since 1877. Special projects and recitations required. Instructor approval required.

HOME ECONOMICS

FCS 1233 — PRINCIPLES OF NUTRITION — A study of nutrients required for growth and optimal health emphasizing recommended nutrient intake, food selection, digestion, absorption, transport, metabolism, and function. Three semester hours credit.

FCS 1253 — NUTRITION — This course is a study of nutrients required for normal growth and applied to the selection of food for ingestion, metabolic process of digestion, assimilation and absorption. Three lecture hours. Three semester hours credit.

HUMANITIES

HUM 1113 — HUMANITIES — Deals with the achievements of Western man as reflected in the art, architecture, and customs of selected European countries. This course consists of a tour which culminates in a supervised project to be completed by the student. With the completion of the tour and the project, a student shall earn three semester hours of credit in the humanities.

HUM 1911 — HONORS COLLOQUIUM I, II, III, IV — Selected topics from the Honors Study Topic Program Guide published each year through Phi Theta Kappa International Honor Society. This course includes research, lecture, and discussion. One semester hour credit.

HUM 1921 — HONORS COLLOQUIUM I, II, III, IV — A continuation of HUM 1911. One semester hour credit.

HUM 2911 — HONORS COLLOQUIUM I, II, III, IV — Students selected to participate in Scholars Bowl may enroll in this class. One semester hour credit.

HUM 2921 — HONORS COLLOQUIUM I, II, III, IV — Students selected to participate in Scholars Bowl may enroll in this class. One semester hour credit.

JOURNALISM

JOU 1111 — COLLEGE PUBLICATIONS I — A laboratory course in college newspaper and yearbook production.

JOU 1121 — COLLEGE PUBLICATIONS II — A continuation of JOU 1111.

JOU 2111 — COLLEGE PUBLICATIONS III — A continuation of JOU 1121.

JOU 2121 — COLLEGE PUBLICATIONS IV — A continuation of JOU 2111.

MATHEMATICS

MAT 1103 — DEVELOPMENTAL MATH (Nursing Math) — This course is designed to reinforce nursing skills for computation of drug dosage problems. This course will include the topics of fractions, decimals, percentages, metric conversions, and word problems. Three lecture hours. Three semester hours credit.

MAT 1111 — BASIC GRAPHING CALCULATOR — This course is designed for students who have little or no background in the use of a TI-82 or TI-83 graphing calculator. Topics covered include keyboard layout, modes, menus, algebraic computation, graphing functions, statistics regression analysis, and matrix operations. Prerequisite or Co-requisite: Intermediate Algebra or successful completion of Algebra II in high school. The class will meet for five weeks, 750 minutes. One semester hour credit.

MAT 1121 — ADVANCED GRAPHING CALCULATOR — This course is an extension of MAT 1111. Topics covered include advanced matrix operation, parametric graphing, advanced function graphing, Boolean algebra, and programming. Prerequisite: A passing score on a graphing calculator usage pre-test or successful completion of MAT 1111. The class will meet for five weeks, 750 minutes. One semester hour credit.

MAT 1203 — ELEMENTARY ALGEBRA — A course in algebra to include signed numbers, first-degree equations, polynomial products, factors and fractions. Three lecture hours. Three semester hours credit.

MAT 1233 — INTERMEDIATE ALGEBRA — This course is designed for students whose qualifications are deficient for College Algebra. Materials covered include algebraic factoring, fractions, problem solving, exponents, radicals, quadratics, graphs, and simultaneous equations. Prerequisites: Successful completion of MAT 1203 OR 14 or higher on ACT math sub-score OR 12 or higher on ECCC math assessment. Three lecture hours. Three semester hours credit.

MAT 1313 — COLLEGE ALGEBRA — This course includes equations, inequalities, functions and graphs, circles, polynomial and rational functions, systems of equations, and logarithms. Prerequisites: Successful completion of MAT 1233 OR 19 or higher on ACT math sub-score OR 20 or higher on ECCC math assessment. Three lecture hours. Three semester hours credit.

MAT 1323 — TRIGONOMETRY — The study of trigonometric functions, identities, trigonometric equations, and applications. Prerequisite: MAT 1313 (Can be taken simultaneously.) Three lecture hours. Three semester hours credit.

MAT 1333 — FINITE MATHEMATICS — Introduction and application of sets, functions, matrices, sequences, and linear programming oriented to business decision making and behavioral sciences. Prerequisites: MAT 1313. Three lecture hours. Three semester hours credit.

MAT 1343 — ELEMENTARY FUNCTIONS — Selected topics from College Algebra and College Trigonometry. Prerequisites: ACT math subscore of 19 or above AND successful completion of Algebra I, Algebra II, and Trigonometry in high school. (Only for students whose majors include Calculus I.) Three lecture hours. Three semester hours credit.

MAT 1513 — BUSINESS CALCULUS I — The basics of Differential Calculus with emphasis on business applications. Prerequisite: MAT 1313. Three lecture hours. Three semester hours credit.

MAT 1613 — CALCULUS I — Coordinate systems, basic theorems of analytics, functions, limits, the derivative, the integral, differentiation and integration of algebraic functions, and applications. Prerequisites: Successful completion of MAT 1313 AND MAT 1323 OR successful completion of MAT 1343. Three lecture hours. Three semester hours credit.

MAT 1623 — CALCULUS II — Differentiation and integration of transcendental functions, the definite integral, methods of integration and applications of differentiation and integration. Prerequisite: Grade of "C" or better in MAT 1613. Three lecture hours. Three semester hours credit.

MAT 1723 — THE REAL NUMBER SYSTEM — Structure and properties of number systems of arithmetic. (For Elementary and Special Education majors.) Prerequisite: Grade of "C" or better in MAT 1313. Three lecture hours. Three semester hours credit.

MAT 1733 — GEOMETRY, AND MEASUREMENT — Basic concepts of geometry, measurements, and applications. (For Elementary and Special Education majors only.) Prerequisite: Grade of "C" or better in MAT 1313. Three lecture hours. Three semester hours credit.

MAT 1743 — PROBLEM SOLVING WITH REAL NUMBERS — Problems with decimals, proportions and percent, probability, counting principles, and statistics. (For Elementary and Special Education majors only.) Prerequisite: Grade of "C" or better in MAT 1723. Three lecture hours. Three semester hours credit.

MAT 2113 — INTRODUCTION TO LINEAR ALGEBRA — Vector spaces, matrices, linear transformations; systems of linear equations, determinants; characteristic values and characteristic vectors. Prerequisite: MAT 1623. Three lecture hours. Three semester hours credit.

MAT 2323 — BUSINESS STATISTICS — Introduction to statistical methods of collecting, presenting, analyzing, and interpreting quantitative data for business management and control. Prerequisite: MAT 1313. Three lecture hours. Three semester hours credit.

MAT 2613 — CALCULUS III — Infinite series, solid analytics, vectors, improper integrals, and line integration. Prerequisite: Grade of "C" or better in MAT 1623. Three lecture hours. Three semester hours credit.

MAT 2623 — CALCULUS IV — Differential calculus of functions of several variables, multiple integration. Prerequisite: Grade of "C" or better in MAT 2613. Three lecture hours. Three semester hours credit.

MAT 2913 — DIFFERENTIAL EQUATIONS — Solution of first and higher order differential equations; existence theorems; solution by series; and application to problems in geometry, physics and chemistry. Prerequisite: Grade of "C" or better in MAT 2613. Three lecture hours. Three semester hours credit.

MODERN FOREIGN LANGUAGE

MFL 1213 — ELEMENTARY SPANISH I* — Intended for beginning students and those with not more than one year of high school Spanish. The course seeks to develop the basic language skills: listening, speaking, reading, and writing. Prerequisite: None. Three semester hours credit.

MFL 1223 — ELEMENTARY SPANISH II* — A continuation of MFL 1213. Building on the skills mastered in Elementary Spanish I, this course seeks to develop further communicative competence at the elementary level in the areas of listening, speaking, reading, and writing. Prerequisite: MFL 1213 or one unit of high school Spanish. Three semester hours credit.

MFL 2213 — INTERMEDIATE SPANISH I* — Intended for students who have completed Elementary Spanish II or two years of high school Spanish. This course provides a review and expansion on the communicative skills introduced in MFL 1213 and 1223. Prerequisite: MFL 1223 or two units of high school Spanish. Three semester hours credit.

MFL 2223 — INTERMEDIATE SPANISH II* — A continuation of MFL 2213. Building on the communicative competencies mastered in Intermediate Spanish I, this course focuses on strengthening the listening and speaking skills. It seeks to expand the students' reading and writing skills. Prerequisite: MFL 2213. Three semester hours credit.

*Foreign students may not register for credit in elementary and intermediate courses of their native language without prior approval of the instructor and division chair.

MFL 2243 — SPANISH CONVERSATION I — Intended for students who have completed Intermediate Spanish II. The course provides a review and practice of the major problems faced in listening and speaking at an advanced level. Taught primarily in Spanish. Prerequisite: MFL 2223 or consent of the instructor. Three semester hours credit.

MUSIC APPLIED

(Brass, Guitar, Organ, Percussion, Piano, Voice and Woodwinds)

All applied music requires one half-hour lesson per semester hour credit. All students interested in Applied Music are to consult the instructor before scheduling.

MUA 1141—BRASS FOR NON MAJORS I— Brass instruction for non-brass/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 1151—BRASS FOR NON MAJORS II— Brass instruction for non-brass/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 1172—BRASS FOR MUSIC EDUCATION MAJORS I—Brass instruction for music education majors with an emphasis on brass instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing and strengthen the student's playing ability. Two credit hours.

MUA 1182—BRASS FOR MUSIC EDUCATION MAJORS II—Brass instruction for music education majors with an emphasis on brass instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing and strengthen the student's playing ability. Two credit hours.

MUA 1272—GUITAR FOR MUSIC EDUCATION MAJORS—Guitar instruction for music education majors with guitar as their area of emphasis. Introduction to classical guitar technique, literature and performance of standard literature. One hour lesson per week. Two credit hours.

MUA 1282—GUITAR FOR MUSIC EDUCATION MAJORS—Guitar instruction for music education majors with guitar as their area of emphasis. Introduction to classical guitar technique, literature and performance of standard literature. One hour lesson per week. Two credit hours.

MUA 1331—ORGAN FOR NON MUSIC MAJORS I—Private lessons include the fundamental techniques, reading, interpretation, registration, performance. Compositions are selected to suit the individual's background and ability. One credit hour.

MUA 1341—ORGAN FOR NON MUSIC MAJORS I—Private lessons include the fundamental techniques, reading, interpretation, registration, performance. Compositions are selected to suit the individual's background and ability. One credit hour.

MUA 1362—ORGAN FOR MUSIC EDUCATION MAJORS I—Private lessons include the fundamental techniques, reading, interpretation, registration, performance, as well as hymns and service-playing. Compositions are selected to suit the individual's background and ability. Two credit hours.

MUA 1372—ORGAN FOR MUSIC EDUCATION MAJORS II—Private lessons include the fundamental techniques, reading, interpretation, registration, performance, as well as hymns and service-playing. Compositions are selected to suit the individual's background and ability. Two credit hours.

MUA 1411—CLASS PERCUSSION I—Percussion instruction for music majors. Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of percussion instruction and performance. One credit hour.

MUA 1421—CLASS PERCUSSION II—Percussion instruction for music majors. Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of percussion instruction and performance. One credit hour.

MUA 1441—PERCUSSION FOR NON MAJORS I—Percussion instruction for non-percussion/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 1451—PERCUSSION FOR NON MAJORS II—Percussion instruction for non-percussion/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 1472—PERCUSSION FOR MUSIC EDUCATION MAJORS I—Percussion instruction for music education majors with an emphasis on percussion instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature and develop the student's interest in playing. Two credit hours.

MUA 1482—PERCUSSION FOR MUSIC EDUCATION MAJORS I—Percussion instruction for music education majors with an emphasis on

percussion instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature and develop the student's interest in playing. Two credit hours.

MUA 1511—CLASS PIANO I—Class study in keyboard training is designed for students who have had no previous piano instruction. Fundamental are taught, through class participation and discussion, including major and minor scales, chord progressions, harmonization of melodies, open score reading, accompanying, transposition and elementary repertoire. This plan may, upon arrangement with the instructor, include individual instruction. One credit hour.

MUA 1521—CLASS PIANO II—Class study in keyboard training is designed for students who have had no previous piano instruction. Fundamental are taught, through class participation and discussion, including major and minor scales, chord progressions, harmonization of melodies, open score reading, accompanying, transposition and elementary repertoire. This plan may, upon arrangement with the instructor, include individual instruction. One credit hour.

MUA 1541—PIANO FOR NON MAJORS I—Piano instruction for music education majors with piano as a secondary area of emphasis. Introduction to technique, literature, and performance of standard literature. One credit hour.

MUA 1551—PIANO FOR NON MAJORS II—Piano instruction for music education majors with piano as a secondary area of emphasis. Introduction to technique, literature, and performance of standard literature. One credit hour.

MUA 1572—PIANO FOR MUSIC EDUCATION MAJORS I—Private lessons include fundamental techniques, reading, interpretation and performance. Compositions are selected to suite the individual's background and ability. Two credit hours.

MUA 1582—PIANO FOR MUSIC EDUCATION MAJORS II—Private lessons include fundamental techniques, reading, interpretation and performance. Compositions are selected to suite the individual's background and ability. Two credit hours.

MUA 1711—CLASS VOICE I—Class voice is designed to teach the fundamental principles of singing, explore elementary to moderate levels of vocal literature and develop and improve the student's vocal ability in a group setting. One credit hour.

MUA 1721—CLASS VOICE II—Class voice is designed to teach the fundamental principles of singing, explore elementary to moderate levels of vocal literature and develop and improve the student's vocal ability in a group setting. One credit hour.

MUA 1741—VOICE FOR NON MAJORS I—Voice for non-major/music education majors is designed to teach the fundamentals principles of singing, explore moderate levels of vocal literature and develop and improve the student's vocal ability. One credit hour.

MUA 1751—VOICE FOR NON MAJORS II—Voice for non-major/music education majors is designed to teach the fundamentals principles of singing, explore moderate levels of vocal literature and develop and improve the student's vocal ability. One credit hour.

MUA 1772—VOICE FOR MUSIC EDUCATION MAJORS I—Voice for majors is designed to teach the fundamental principles of singing, explore varied vocal repertoire, and develop and improve the student's vocal ability. Two credit hours

MUA 1782—VOICE FOR MUSIC EDUCATION MAJORS II—Voice for majors is designed to teach the fundamental principles of singing, explore varied vocal repertoire, and develop and improve the student's vocal ability. Two credit hours

MUA 1841—WOODWINDS FOR NON MAJORS I—Woodwind instruction for non-woodwind/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature, and develop the student's interest in playing. One credit hour.

MUA 1851—WOODWINDS FOR NON MAJORS II—Woodwind instruction for non-woodwind/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature, and develop the student's interest in playing. One credit hour.

MUA 1872—WOODWINDS FOR MUSIC EDUCATION MAJORS I—Woodwind instruction for music education majors with an emphasis on woodwind instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing, and strengthen the student's playing ability. Two credit hours.

MUA 1882—WOODWINDS FOR MUSIC EDUCATION MAJORS II—Woodwind instruction for music education majors with an emphasis on woodwind instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing, and strengthen the student's playing ability. Two credit hours.

MUA 2141—BRASS FOR NON MAJORS III—Brass instruction for non-brass/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 2151 — BRASS FOR NON MAJORS IV—Brass instruction for non-brass/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 2172—BRASS FOR MUSIC EDUCATION MAJORS III—Brass instruction for music education majors with an emphasis on brass instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing and strengthen the student's playing ability. Two credit hours.

MUA 2182—BRASS FOR MUSIC EDUCATION MAJORS IV—Brass instruction for music education majors with an emphasis on brass instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing and strengthen the student's playing ability. Two credit hours.

MUA 2272—GUITAR FOR MUSIC EDUCATION MAJORS—Guitar instruction for music education majors with guitar as their area of emphasis. Introduction to classical guitar technique, literature and performance of standard literature. One hour lesson per week. Two credit hours.

MUA 2282—GUITAR FOR MUSIC EDUCATION MAJORS—Guitar instruction for music education majors with guitar as their area of emphasis. Introduction to classical guitar technique, literature and performance of standard literature. One hour lesson per week. Two credit hours.

MUA 2331—ORGAN FOR NON MUSIC MAJORS I—Private lessons include the fundamental techniques, reading, interpretation, registration, performance. Compositions are selected to suit the individual's background and ability. One credit hour.

MUA 2341—ORGAN FOR NON MUSIC MAJORS I—Private lessons include the fundamental techniques, reading, interpretation, registration, performance. Compositions are selected to suit the individual's background and ability. One credit hour.

MUA 2362—ORGAN FOR MUSIC EDUCATION MAJORS III—Private lessons include the fundamental techniques, reading, interpretation, registration, performance, as well as hymns and service-playing. Compositions are selected to suit the individual's background and ability. Two credit hours.

MUA 2372—ORGAN FOR MUSIC EDUCATION MAJORS IV—Private lessons include the fundamental techniques, reading, interpretation, registration, performance, as well as hymns and service-playing. Compositions are selected to suit the individual's background and ability. Two credit hours.

MUA 2411—CLASS PERCUSSION III—Percussion instruction for music majors. Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of percussion instruction and performance. One credit hour.

MUA 2421—CLASS PERCUSSION IV—Percussion instruction for music majors. Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of percussion instruction and performance. One credit hour.

MUA 2441—PERCUSSION FOR NON MAJORS III—Percussion instruction for non-percussion/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 2451—PERCUSSION FOR NON MAJORS IV—Percussion instruction for non-percussion/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature and develop the student's interest in playing. One credit hour.

MUA 2472—PERCUSSION FOR MUSIC EDUCATION MAJORS I—Percussion instruction for music education majors with an emphasis on percussion instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature and develop the student's interest in playing. Two credit hours.

MUA 2482—PERCUSSION FOR MUSIC EDUCATION MAJORS I—Percussion instruction for music education majors with an emphasis on percussion instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature and develop the student's interest in playing. Two credit hours.

MUA 2511—CLASS PIANO III—Class study in keyboard training is designed for students who have had no previous piano instruction. Fundamental are taught, through class participation and discussion, including major and minor scales, chord progressions, harmonization of melodies, open score reading, accompanying, transposition and elementary repertoire. This plan may, upon arrangement with the instructor, include individual instruction. One credit hour.

MUA 2521—CLASS PIANO IV—Class study in keyboard training is designed for students who have had no previous piano instruction. Fundamental are taught, through class participation and discussion, including major and minor scales, chord progressions, harmonization of melodies, open score reading, accompanying, transposition and elementary repertoire. This plan may, upon arrangement with the instructor, include individual instruction. One credit hour.

MUA 2541—PIANO FOR NON MAJORS III—Piano instruction for music education majors with piano as a secondary area of emphasis. Introduction to technique, literature, and performance of standard literature. One credit hour.

MUA 2551—PIANO FOR NON MAJORS IV—Piano instruction for music education majors with piano as a secondary area of emphasis. Introduction to technique, literature, and performance of standard literature. One credit hour.

MUA 2572—PIANO FOR MUSIC EDUCATION MAJORS III—Private lessons include fundamental techniques, reading, interpretation and performance. Compositions are selected to suite the individual's background and ability. Two credit hours.

MUA 2582—PIANO FOR MUSIC EDUCATION MAJORS IV—Private lessons include fundamental techniques, reading, interpretation and performance. Compositions are selected to suite the individual's background and ability. Two credit hours.

MUA 2711—CLASS VOICE III—Class voice is designed to teach the fundamental principles of singing, explore elementary to moderate levels of vocal literature and develop and improve the student's vocal ability in a group setting. One credit hour.

MUA 2721—CLASS VOICE IV—Class voice is designed to teach the fundamental principles of singing, explore elementary to moderate levels of vocal literature and develop and improve the student's vocal ability in a group setting. One credit hour.

MUA 2741—VOICE FOR NON MAJORS III—Voice for non-major/music education majors is designed to teach the fundamentals principles of singing, explore moderate levels of vocal literature and develop and improve the student's vocal ability. One credit hour.

MUA 2751—VOICE FOR NON MAJORS IV—Voice for non-major/music education majors is designed to teach the fundamentals principles of singing, explore moderate levels of vocal literature and develop and improve the student's vocal ability. One credit hour.

MUA 2772—VOICE FOR MUSIC EDUCATION MAJORS III—Voice for majors is designed to teach the fundamental principles of singing, explore varied vocal repertoire, and develop and improve the student's vocal ability. Two credit hours.

MUA 2782—VOICE FOR MUSIC EDUCATION MAJORS IV—Voice for majors is designed to teach the fundamental principles of singing, explore varied vocal repertoire, and develop and improve the student's vocal ability. Two credit hours.

MUA 2841—WOODWINDS FOR NON MAJORS III—Woodwind instruction for non-woodwind/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature, and develop the student's interest in playing. One credit hour.

MUA 2851—WOODWINDS FOR NON MAJORS IV—Woodwind instruction for non-woodwind/music education majors. Designed to teach the fundamental principles of playing, explore moderate levels of literature, and develop the student's interest in playing. One credit hour.

MUA 2872—WOODWINDS FOR MUSIC EDUCATION MAJORS III—Woodwind instruction for music education majors with an emphasis on woodwind instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing, and strengthen the student's playing ability. Two credit hours.

MUA 2882—WOODWINDS FOR MUSIC EDUCATION MAJORS IV—Woodwind instruction for music education majors with an emphasis on woodwind instrumental playing. Designed to teach the fundamental principles of playing, explore moderate to advanced levels of literature, develop the student's interest in playing, and strengthen the student's playing ability. Two credit hours.

MUSIC ORGANIZATIONS

(Marching Band, Centralettes, Concert Band, Jazz Band, Pit Orchestra, Chorus, Collegians)

MUO 1111—BAND I—Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of performance techniques. One credit hour.

MUO 1121—BAND II—Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of performance techniques. One credit hour.

MUO 1141—SMALL BAND GROUPS I—Designed to teach the fundamental principles of playing musical instruments, explore varied levels of literature and develop the student's knowledge of performance techniques in small ensembles. One credit hour.

MUO 1151—SMALL BAND GROUPS II—Designed to teach the fundamental principles of playing musical instruments, explore varied levels of literature and develop the student's knowledge of performance techniques in small ensembles. One credit hour.

MUO 1171—STAGE BAND I—A course designed for members selected from marching band members by audition to perform instrumental music from a variety of style periods. Emphasis on jazz. One credit hour.

MUO 1181—STAGE BAND II—A course designed for members selected from marching band members by audition to perform instrumental music from a variety of style periods. Emphasis on jazz. One credit hour.

MUO 1211—CHOIR I—A course for music majors and non-majors focused on performing choral music from a variety of style periods. One credit hour.

MUO 1221—CHOIR II—A course for music majors and non-majors focused on performing choral music from a variety of style periods. One credit hour.

MUO 1241—SMALL SINGING GROUPS I—A course for selected singers focused on performing from one or more genres of music. One credit hour.

MUO 1251—SMALL SINGING GROUPS II—A course for selected singers focused on performing from one or more genres of music. One credit hour.

MUO 2111—BAND III—Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of performance techniques. One credit hour.

MUO 2121—BAND IV—Designed to teach the fundamental principles of playing, explore varied levels of literature and develop the student's knowledge of performance techniques. One credit hour.

MUO 2141—SMALL BAND GROUPS III—Designed to teach the fundamental principles of playing musical instruments, explore varied levels of literature and develop the student's knowledge of performance techniques in small ensembles. One credit hour.

MUO 2151—SMALL BAND GROUPS IV—Designed to teach the fundamental principles of playing musical instruments, explore varied levels of literature and develop the student's knowledge of performance techniques in small ensembles. One credit hour.

MUO 2171—STAGE BAND III—A course designed for members selected from marching band members by audition to perform instrumental music from a variety of style periods. Emphasis on jazz. One credit hour.

MUO 2181—STAGE BAND IV—A course designed for members selected from marching band members by audition to perform instrumental music from a variety of style periods. Emphasis on jazz. One credit hour.

MUO 2211—CHOIR III—A course for music majors and non-majors focused on performing choral music from a variety of style periods. One credit hour.

MUO 2221 — CHOIR IV — A course for music majors and non-majors focused on performing choral music from a variety of style periods. One credit hour

MUO 2241 — SMALL SINGING GROUPS III — A course for selected singers focused on performing from one or more genres of music. One credit hour.

MUO 2251 — SMALL SINGING GROUPS IV — A course for selected singers focused on performing from one or more genres of music. One credit hour.

MUSIC FOUNDATIONS

(Education, History, Literature and Theory)

MUS 1113 — MUSIC APPRECIATION — Listening course designed to give the student, thorough aural perception, understanding and appreciation of music as a moving force in Western Culture. Three lecture hours. Three semester hours credit.

MUS 1133 — FUNDAMENTALS OF MUSIC — Provides the student with basic knowledge of notations, scales, keys, rhythm, intervals, triads, and their inversions. Three lecture hours. Three semester hours credit.

MUS 1214 — MUSIC THEORY I — Study of functional harmony through analysis and part writing, sight-singing, and ear training. Three lecture hours and two hours laboratory. Four semester hours credit.

MUS 1224 — MUSIC THEORY II — Continued study of functional harmony through analysis and part writing, sight-singing, and ear training. Three lecture hours and two hours laboratory. Four semester hours credit.

MUS 1911 — RECITAL CLASS I — Required performance of solo and ensemble literature by students majoring in music. Attendance at a prescribed minimum number of departmentally approved musical performances per semester also required. One credit hour.

MUS 1921 — RECITAL CLASS II — Attendance at a prescribed minimum number of departmentally approved musical performances per semester also required. One credit hour.

MUS 2214 — MUSIC THEORY III — Continued study of functional harmony through analysis and part writing, sight-singing, and ear training. Three lecture hours and two hours laboratory. Four semester hours credit.

MUS 2224 — MUSIC THEORY IV — Continued study of functional harmony through analysis and part writing, sight-singing, and ear training. Three lecture hours and two hours laboratory. Four semester hours credit.

MUS 2313 — MUSIC HISTORY I — Study of Western music beginning in ancient Greece and continuing through the Baroque. Study includes early music, middle ages, Renaissance, Baroque and the various aspects of style analysis as exemplified in the works of the major composers of each period. Three lecture hours. Three semester hours credit.

MUS 2911 — RECITAL CLASS III — Attendance at a prescribed minimum number of departmentally approved musical performances per semester also required. One credit hour.

MUS 2921 — RECITAL CLASS IV — Attendance at a prescribed minimum number of departmentally approved musical performances per semester also required. One credit hour.

BIBLE

PHI 1113 — OLD TESTAMENT SURVEY — This is a study of the Old Testament covering the recorded events prior to Abraham and the history of the Hebrew nation as revealed in the books of history, prophecy and poetry. Three lecture hours. Three semester hours credit.

PHI 1133 — NEW TESTAMENT SURVEY — This is a study of the New Testament covering the life of Christ and the establishment of the early church as presented in Gospels, Acts, and the other New Testament books. Three lecture hours. Three semester hours credit.

PHI 1153 — THE LIFE OF CHRIST — The aim of this course is to give the student a general knowledge of the most important events in the life of Christ in a chronological order as found in the Gospels. The Gospels will be studied as a unit endeavoring to get a composite picture of the life and earthly ministry of Jesus. Three lecture hours. Three semester hours credit.

PHI 2113 — INTRODUCTION TO PHILOSOPHY — An introduction to systematic and philosophical thinking and study of significant men and trends of philosophy both past and present. The emphasis is on learning how to think properly and how to come to grips with "proper" thinking of great philosophers. Three lecture hours. Three semester hours credit.

PHI 2143 — ETHICS — An introduction to classical moral philosophy with the investigation of some concrete moral problems. Three lecture hours. Three semester hours credit.

PHI 2613 — WORLD RELIGIONS I — Comparison of the beliefs and developments of the Christian religion with those of Buddhism, Mohammedanism, Hinduism, and other important religions. Three lecture hours. Three semester hours credit.

PHYSICS

PHY 2241-PHYSICAL SCIENCE SURVEY I LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in PHY 2243. One credit hour.

PHY 2243 — PHYSICAL SCIENCE SURVEY I — A lecture course that includes studies of measurements and units, electricity, mechanics, heat, sound, light, and astronomy. Three semester credit hours.

PHY 2251—PHYSICAL SCIENCE SURVEY II LAB—A laboratory course that contains experiments and exercises that reinforce the principles introduced in PHY 2253. One credit hour.

PHY 2253 — PHYSICAL SCIENCE SURVEY II — A lecture course that includes studies of chemistry, geology, and meteorology. Three semester credit hours.

PHY 2411 — GENERAL PHYSICS I LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in PHY 2253. One credit hour.

PHY 2413 — GENERAL PHYSICS I — A lecture course covering mechanics, heat, waves, and sound. This is a non-calculus based course primarily for pre-professional majors. Co-requisite: College Trigonometry (MAT 1323) or permission of instructor. Three semester credit hours.

PHY 2421 — GENERAL PHYSICS II LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in PHY 2423. One credit hour.

PHY 2423 — GENERAL PHYSICS II — A lecture course covering electricity, magnetism, optics, and modern physics. This is a non-calculus based course primarily for pre-professional majors. Labs associated with this course contain experiments and exercises that reinforce the principles introduced in lecture classes. Prerequisites: General Physics I (PHY 2413). Three semester credit hours

PHY 2511 — GENERAL PHYSICS I-A LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in PHY 2513. One credit hour.

PHY 2513 — GENERAL PHYSICS I-A — A lecture course covering mechanics, heat, waves, and sound. This is a calculus based course primarily for students of engineering, science, or mathematics. Prerequisites: MAT 1623 or permission of instructor. Three semester credit hours.

PHY 2521 — GENERAL PHYSICS II-A LAB — A laboratory course that contains experiments and exercises that reinforce the principles introduced in PHY 2523. One credit hour.

PHY 2523 — GENERAL PHYSICS II-A — A lecture course covering electricity, magnetism, optics, and modern physics. This is a continuation of PHY 2513. This is a calculus-based course primarily for students of engineering, science, or mathematics. Pre-requisite PHY 2513. Three semester credit hours

POLITICAL SCIENCE

PSC 1113 — AMERICAN NATIONAL GOVERNMENT — Survey of the organizations, political aspects of and basis for American Government. Three lecture hours. Three semester credit hours.

PSC 1123 — AMERICAN STATE AND LOCAL GOVERNMENT — Relationship between state and federal; government and between states and their subdivisions; organizations, function, and operation of executive, legislative, and judiciary; election and suffrage generally, Mississippi particularly. Three lecture hours. Three semester credit hours.

PSYCHOLOGY

PSY 1513 — GENERAL PSYCHOLOGY — An introduction to the scientific study of human behavior. Includes history and methods of psychology, growth and development, principles of learning, sensation, perception, thinking, statistics, personality, and intelligence. Three lecture hours. Three semester credit hours

READING

REA 1103 — DEVELOPMENTAL READING I (Remedial Course) — A laboratory course designed to offer special reading instruction to students deficient in reading skills. Must be taken concurrently with ENG 1103- Developmental English I. Three semester credit hours.

SOCIOLOGY

SOC 2113 — INTRODUCTION TO SOCIOLOGY — Deals with human relationships. Students will receive a synopsis of the whole field of sociology including the social world, the social and cultural process within this world, and the integration of the processes in relation to the individual, the group, and the institution. Three lecture hours. Three semester credit hours.

SOC 2133 — SOCIAL PROBLEMS — A study of the nature, scope, and effects of the major social problems of today and the theoretical preventive measures to alleviate them. Course includes such problems as unemployment, urbanization, crime, juvenile delinquency, alcoholism, drug addiction, and disaster. Family problems include the aged, mentally ill, and retarded. Field trips to more fully acquaint students with social problems. Three lecture hours. Three semester credit hours.

SOC 2143 — MARRIAGE AND FAMILY — A study of the family as a cultural unit, the institution of marriage, the problems of parenthood and of social-economic adjustments to society. Three lecture hours. Three semester credit hours.

SOC 2163 — INTRODUCTION TO SOCIAL WORK — A survey of the history and contemporary development of social work. Relation of social work to other social problems, poverty, child welfare, aging, family needs, juvenile delinquency, etc. Three lecture hours. Three semester credit hours..

SOC 2243 — CULTURAL ANTHROPOLOGY — (Reactivation) The course examines the process of culture and personality development, methods and techniques employed by the anthropologist. Included are studies of primitive cultures, demonstrations of the precision required in archaeological excavation and film interviews with anthropologists. Three lecture hours. Three semester credit hours.

SPEECH AND THEATRE

SPT 1113 — PUBLIC SPEAKING I — Study and practice in making speeches for a variety of public forums. Major emphasis is placed on speech preparation and delivery. Three semester credit hours.

SPT 1213 — FUNDAMENTALS OF THEATRE — A basic course in the management of theatre arts to provide the student with the general knowledge of the collaborative process of mounting and marketing the theatrical production. Three lecture hours. Three semester credit hours.

SPT 1233 — ACTING — An introduction to the training of the voice, body and imagination as the foundations of the work of an actor through the study of acting theory, vocabulary, theatrical games, mime, monologue, and scene work. Three lecture hours. Three semester credit hours.

SPT 1241 — DRAMA PRODUCTION I — Participation in college drama productions. Required for theater majors. One credit hour

SPT 1251 — DRAMA PRODUCTION II — Participation in college drama productions. Required for theater majors. One credit hour

SPT 2233 — THEATRE APPRECIATION — An introduction of the cultural, historical and social aspects of drama. Class content provides an appreciation of theatre and performance art to develop audiences standards through demonstration of the unique characteristics of theatre. A fine arts elective. Three lecture hours. Three semester credit hours.

SPT 2241 — DRAMA PRODUCTION III — Participation in college drama productions. Required for theater majors. One credit hour

SPT 2251 — DRAMA PRODUCTION IV — Participation in college drama productions. Required for theater majors. One credit hour

WILDLIFE AND FISHERIES

FPW 1313 — INTRODUCTION TO WILDLIFE CONSERVATION — A survey of wildlife and forest conservation, stressing biological principles and management practices for renewable resources. Three lecture hours. Three semester credit hours.

HEALTH RELATED

ASSOCIATE DEGREE NURSING PROGRAM

NUR 1003 — NURSE EXTERNSHIP — This course is designed to enhance the clinical development of nursing students. Students are enrolled in the course of study and may participate as an employee. The externship experience provides the student the opportunity to practice learned skills repetitively, enhance interpersonal skills, and develop organizational skills. The student has the opportunity to choose an area of clinical interest in nursing. The student receives guidance, supervision, and evaluation from a registered nurse preceptor in conjunction with nursing faculty. Prerequisites: NUR 1118 and NUR 1129. The student will complete between 200-250 clinical employment hours during the eight weeks of employment. Three semester credit hours.

NUR 1103 — PHARMACOLOGY — This course is designed to prepare students for medication administration. Major content areas include basic concepts of pharmacology, groups of therapeutic drugs, drug effects on body systems, human responses to drug therapy, systems of measurement for drugs and calculations for dosages and solutions. Co requisite: NUR 1116. Three semester credit hours.

NUR 1116 — NURSING I — This course focuses on the nurses role in meeting the health needs of society using the nursing process as a problem solving approach. Emphasis is placed on the study and practice of the basic techniques of nursing care and the application of the scientific principles. Prerequisites BIO 2513, BIO 2511 AND BIO 2523, BIO 2521 AND Co requisites NUR 1103, ENG 1113, AND EPY 2533. Four class hours and six clinical hours per week.

NUR 1129 — NURSING II — This course emphasizes critical thinking utilizing the nursing process to care for clients with chronic and acute medical surgical problems. Areas of study include: gastrointestinal, cardiac, and respiratory problems, patients experiencing fluid and electrolyte imbalance, diabetes, surgical nursing, musculoskeletal disorders, gynecological problems and clients experiencing anxiety and depression. Students are introduced to pathophysiology while planning and giving care to clients, with an emphasis on growth and development, nutrition, pharmacology and basic nursing skills. The clinical laboratory experi-

ences are in a variety of settings. Prerequisites: BIO 2513, BIO 2511, BIO 2523, BIO 2521, ENG 1113, EPY 2533, NUR 1118. Six class hours per week, nine hours clinical per week. Nine semester hours credit.

NUR 1148 — NURSING TRANSITION — This course focuses on updating and reinforcing information and skills already learned in a practical nursing program. The course uses a fast track approach to assist the Licensed Practical Nurse to articulate into the second year of the associate of applied science degree in nursing. Only Licensed Practical Nurses with at least one year of clinical experience are eligible for the course. The practical experience, along with competencies from the *Mississippi Curriculum Framework for Practical Nursing* are substituted for the first course of nursing. Prerequisites: BIO 2513, BIO 2511, BIO 2523, BIO 2521, BIO 2923, BIO 2921, ENG 1113, ENG 1123, EPY 2533. The eight-hour course includes 6 hours of lecture per week and a total of 20 hours of clinical laboratory. At the successful completion of the course, the student will receive a total of 18 hours of credit.

NUR 2121 — NURSING SEMINAR — This course is designed to promote active participation in national, state, and local student nurse organizations and involvement in community activities. The course consists of monthly meetings where group discussions will be held concerning today's nursing trends. Goals and objectives set by the student nursing association will be carried out by the group. One semester hour credit for four semesters of participation.

NUR 2149 — NURSING III — This course utilizes the nursing process for the development of decision-making skills to care for clients with medical surgical problems and the childbearing family. Areas of study include: cancer, neurological and genitourinary problems, pediatrics, maternal infant nursing. Clinical laboratory experiences include acute care and community settings. Prerequisites: BIO 2513, BIO 2511, BIO 2523, BIO 2521, BIO 2923, BIO 2921, EPY 2533, ENG 1113, ENG 1123, NUR 1118, NUR 1129. Six class hours per week, twelve clinical hours per week. Ten semester credit hours.

NUR 2159 — NURSING IV — This course focuses on skills to plan, coordinate, implement and evaluate nursing care to promote and/or maintain healthy outcomes for clients. The psychopathology underlying altered behavioral responses to unmet needs is explored and utilized as a basis for understanding the rationale for nursing approaches in the clinical setting. Clinical laboratory experiences focus on care of acutely ill clients with complex needs. Areas of study include: management, emergency nursing, and acute medical nursing. Prerequisites: BIO 2513, BIO 2511, BIO 2523, BIO 2521, BIO 2923, BIO 2921, EPY 2533, PSY 1513, ENG 1113, ENG 1123, NUR 1118, NUR 1129, and NUR 2149. An average of five class hours per week, twelve clinical hours per week. Nine semester credit hours.

NUR 2941 — NCLEX REVIEW — A comprehensive, simulated review of the National Council Licensure Examination for Registered Nurses. The lab is intended to assist in the preparation of students for writing the NCLEX-RN® Exam. 0 hours lecture, three hours laboratory. One semester hour credit.

WBL1913, 1923, 2913, & 2923 — WORK-BASED LEARNING — The Work-Based Learning course is designed for students enrolled in vocational-technical programs and employed in parallel workplace environments for a minimum of 15 hours per week. Course content is based upon a model course curriculum, defined workplace requirements, and specific objectives addressing competent workplace performance. Three semester hours credit based upon the total quantity of 270 approved clock hours.

EMERGENCY MEDICAL TECHNICIAN

EMT 1116 — EMERGENCY MEDICAL TECHNICIAN — This introductory course prepares individuals to function in the prehospital environment. The class offers instruction in the basic life support care of sick and/or injured persons. This includes: airway assessment; communications; documentation; general pharmacology; hemorrhage control; ambulance operations; splinting of adult, pediatric and infant patients; and special care of patients exposed to heat, cold, radiation, or contagious disease. Students must spend a minimum of 10 hours in a hospital emergency room and participate in a minimum of five separate ambulance runs. (In the event of numerous applicants to be enrolled in EMT-Basic courses, a priority list has been established: EMS Personnel, Fire Department/Rescue Personnel, Industry Workers, Hospital Emergency Care Personnel, Law Enforcement, Civil Defense Personnel) Prerequisites to enter EMT-Basic Courses: Age of at least 18; Ability to read and write; High school graduate or GED equivalent; Minimum score of 10 on the TABE or 16 on the ACT taken after October, 1989 or 12 taken before October, 1989; Valid CPR certification (course C); Physically fit per physical examination by physician; Hepatitis B vaccination started prior to clinical or ambulance run portion of the class. One hour lecture, six hours lab, and six hours clinical. Six semester credit hours.

EMT/PARAMEDIC TECHNOLOGY

EMT 1122 — FUNDAMENTALS OF PRE-HOSPITAL CARE — This course introduces the student to the EMS systems, roles and responsibilities of the paramedic, well-being of the paramedic, illness and injury prevention, medical/legal issues, therapeutic communications, and life span development. This course was formerly taught as EMT 1123 Preparatory. (Prerequisite: BIO 2523, BIO 2521 - Anatomy and Physiology II). One hour lecture. Two hours lab. Two semester credit hours.

EMT 1315 — AIRWAY MANAGEMENT AND VENTILATION — This course will provide the student with the essential knowledge to attain an airway and manage the respiratory system using advanced techniques. This class was formerly taught as EMT 1313 - Airway Management and Ventilation. (Pre-requisite: EMT 1122 - Fundamentals of Pre-Hospital Care and BIO 2523-BIO 2521- Anatomy and Physiology II). Two hours lecture. Six hours lab. Five semester credit hours.

EMT 1415 — PATIENT ASSESSMENT — This course will teach comprehensive history taking and physical exam techniques. This class was formerly taught as EMT 1414 - Patient Assessment. (Pre-requisite: EMT 1122 Fundamentals of Pre-Hospital Care and BIO 2523-BIO 2521- Anatomy and Physiology II). Two hours lecture. Six hours lab. Five semester credit hours.

EMT 1423 — EMS SPECIAL CONSIDERATIONS — This course will provide a comprehensive overview of providing care for the patient with special needs. This course was formerly taught as EMT 1423 - Special Considerations. One hour lecture. Four hours lab. Three semester credit hours.

EMT 1513 — EMS CLINICAL I — This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was formerly taught as EMT 1513 - Clinical Internship I. (Pre-requisite: EMT 1122-Fundamentals of Pre-Hospital Care and BIO 2523-BIO 2521-Anatomy and Physiology II). Nine hours clinical. Three semester credit hours.

EMT 1523 — EMS CLINICAL II — This course will provide clinical training on the skills and knowledge obtained in the classroom. This will be a supervised activity carried out in the clinical and field setting at approved sites. This course was formerly taught as EMT 1523 Clinical Internship II. (Prerequisite: EMT 1513 - EMS Clinical I, EMT 1825, EMT 1613, EMT 2855). Nine hours clinical. Three semester credit hours.

EMT 1613 — PRE-HOSPITAL PHARMACOLOGY — This course will teach comprehensive pharmacodynamics and pharmacokinetics. This course was formerly taught as EMT 1613 - Pharmacology. (Prerequisites: All first semester courses). One hour lecture. Six hours lab. Three semester hours credit

EMT 1825 — PRE-HOSPITAL CARDIOLOGY — This course will teach a comprehensive approach to the care of patients with acute and complex cardiovascular compromise. This course is a combination of the courses formerly taught as Acute Cardiology (EMT 1814) and Advanced Cardiology (EMT 2824). (Prerequisites: All first semester courses). Two hours lecture. Six hours lab. Five semester hours credit.

EMT 2412 — PRE-HOSPITAL OB/GYN — This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in gynecological and obstetrical emergencies. The course formerly called EMT 1425 - Maternal/Child Emergencies was divided into EMT 2412 Pre-Hospital OB/GYN and EMT 2423 - Pre-Hospital Pediatrics. (Prerequisites: All first semester and second courses). One hour lecture. Two hours lab. Two semester hours credit.

EMT 2423 — PRE-HOSPITAL PEDIATRICS — This course will provide a detailed understanding of the anatomic structures, physiology, and pathophysiology encountered when providing care in pediatric emergencies. The course called EMT 1435 - Maternal/Child Emergencies was divided into EMT 2412 - Pre-Hospital OB/GYN and EMT 2423 - Pre-Hospital Pediatrics. (Prerequisites: All first semester courses). One hour lecture. Four hours lab. Three semester hours credit.

EMT 2552 — FIELD CLINICAL I — This course will provide clinical training in the skills and knowledge obtained in the classroom. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was formerly called EMT 2552 - Field Internship I. (Prerequisites: All first and second semester courses). Six hours clinical. Two semester hours credit.

EMT 2564 — FIELD CLINICAL II — This course will provide advanced clinical training in the skills and knowledge obtained in the classroom with an emphasis on leadership skills. These will be supervised activities carried out in the out-of-hospital field setting at approved sites with an approved preceptor. This course was formerly called EMT 2564 - Field Internship II. (Prerequisites: All second semester courses). Twelve hours clinical. Four semester hours credit.

EMT 2714 — PRE-HOSPITAL TRAUMA — This course will provide advanced instruction in the integration of pathophysiological principles and assessment findings to formulate a field impression and implement a treatment plan for a suspected trauma patient. This course is a combination of the courses formerly taught as EMT 1714 -Trauma I and EMT 2724 -Trauma II. (Prerequisites: All second semester courses). Two hours lecture. Four hours lab. Four semester hours credit.

EMT 2855 — PRE-HOSPITAL MEDICAL CARE — This course will provide a detailed understanding of the anatomic structures, physiology and pathophysiology encountered when providing care in medical emergencies involving pulmonary, allergy and anaphylaxis, gastroenterology, renal urology, and hematology. This course is a combination of the courses formerly taught as EMT 2834 - Medical Emergencies I and EMT 2845 - Medical Emergencies II. (Prerequisites: All first semester courses). Two hours lecture. Six hours lab. Five semester hours credit.

EMT 2913 — EMS TEAM MANAGEMENT — This course teaches the leadership skills necessary to manage complex situations including patient care, management of the hazardous and crime scene, supervision, mentoring, and leading other personnel. This class was formerly taught as EMT 2915 - Team Management. (Prerequisites: All third semester courses). One hour lecture. Four hours lab. Three semester hours credit.

HEALTH CARE ASSISTANT

HCA 1115 — BASIC HEALTH CARE ASSISTING — This course includes orientation to program policies, developing employability and job seeking skills, applying legal aspects of health care, applying safety considerations, communication and observation skills, medical terminology, and basic health care procedures. Two lecture hours, four hours lab, three hours clinical. Five semester credit hours.

HCA 1125 — SPECIAL CARE PROCEDURES — This course includes specialized procedures for admitting, transferring, and discharging clients; assisting with diagnostic procedures; assisting with treatments; assisting with elimination needs of clients; assisting in meeting hydration and nutritional needs of the client; basic emergency procedures to include CPR/first aid; and basic knowledge and skills required to care for the long-term care resident. Safety is emphasized throughout each procedure. Two lecture hours, two hours lab, six hours clinical. Five semester credit hours.

HCA 1214 — BODY STRUCTURE AND FUNCTION — This course includes study of the structure, function, common disorders, and normal aging-related changes of the integumentary, musculoskeletal, nervous, circulatory, respiratory, digestive, urinary, reproductive, endocrine, and sensory systems; stages of human growth and development; and nutritional needs through the life cycle. Three lecture hours, two hours lab. Four semester credit hours.

HCA 1312 — HOME HEALTH AIDE AND HOMEMAKER SERVICES — This course includes basic knowledge and skills required to care for the homebound client; and basic knowledge and skills required to provide homemaker services. One lecture hour, two hours lab. Two semester credit hours.

PRACTICAL NURSING

PNV 1213 — BODY STRUCTURE AND FUNCTION — This course is a study of body structure and function essential to safe and effective nursing care. Each system of the body is covered with applications to nursing. Three hours lecture. Three semester hours credit.

PNV 1426 — FUNDAMENTALS OF NURSING — This course provides the student with the basic knowledge and skills necessary to care for the individual in wellness and illness and is applicable across the life span. **Corequisite:** This course requires concurrent registration in PNV 1436. It also requires a passing grade in PNV 1426 and PNV 1436 to receive credit for these courses. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. Six hour lecture. Six semester hours credit.

PNV 1436 — FUNDAMENTALS OF NURSING LAB/CLINICAL — This course provides demonstration of and supervised practice of the fundamental skills related to practical nursing. **Corequisites:** Concurrent registration in PNV 1426 is required. A passing grade in PNV 1426 and PNV 1436 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. Nine hours lab, four and one half clinical hours. Six semester hours credit.

PNV 1524 — IV THERAPY CONCEPTS This course is designed to prepare the practical nurse to perform the expanded role of IV therapy as outlined in the Mississippi Nursing Practice Law, Rules, and Regulations. The student, upon completion of the practical nursing program and successful passage of the licensure examination, is eligible to apply for IV certification as outlined in the above mentioned rules and regulations. **Prerequisites:** All first semester Practical Nursing courses. Three hours lecture, two hours lab. Four semester hours credit.

PNV 1614 — MEDICAL/SURGICAL NURSING — This course provides the student with the basic nursing theory and skills to provide safe and effective care for a client experiencing an alteration in health in systems selected from the following: vascular; respiratory; sensory and integumentary; musculoskeletal; gastrointestinal; blood, lymphatic, and immunosuppressive; urinary; reproductive; endocrine; and neurological. The systems not covered in this course are taught in Alterations in Adult Health (PNV 1634). Pharmacological and nutritional therapy, as well as oncological considerations, for various disorders is included. **Prerequisites:** All first semester courses. **Corequisites:** Concurrent registration in PNV 1622 is required. A passing grade in PNV 1614 and PNV 1622 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. Four hours lecture. Four semester hours credit.

PNV 1622 — MEDICAL/SURGICAL NURSING CLINICAL — This course includes supervised clinical experiences for application of medical/surgical theory, the development of skills, and the use of nursing process. **Prerequisites:** All first semester courses. **Corequisites:** Concurrent registration in PNV 1614 is required. It also requires a passing grade in PNV 1614 and PNV 1622 in order to progress in the

practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. Six clinical hours. Two semester hours credit.

PNV 1634 — ALTERATIONS IN ADULT HEALTH — This course provides the student with the basic nursing theory and skills to provide safe and effective care for a client experiencing an alteration in health in systems selected from the following: vascular; respiratory; sensory and integumentary; musculoskeletal; gastrointestinal; blood, lymphatic, and immunosuppressive; urinary; reproductive; endocrine; and neurological. The systems not covered in this course are taught in Medical/ Surgical Nursing (PNV 1614). Pharmacological and nutritional therapy, as well as oncological considerations, for various disorders is included. **Prerequisites:** All first semester courses. **Corequisites:** Concurrent registration in PNV 1642 is required. A passing grade in PNV 1634 and PNV 1642 is required in order to progress in the practical nursing program. If a passing grade is not maintained, both courses must be repeated concurrently upon re-admission. Four lecture hours. Four semester hours credit.

PNV 1642— ALTERATIONS IN ADULT HEALTH CLINICAL—This course includes supervised clinical experiences for application of medical/surgical theory, the development of skill, and the use of nursing process. **Prerequisites:** All first semester courses. **Corequisites:** Concurrent enrollment in PNV 1634 is required. Passing grades in PNV 1634 and PNV 1642 are required in order to progress in the practical nursing program. If passing grades are not maintained, both courses must be repeated concurrently upon re-admission. Six clinical hours. Two semester hours credit.

PNV 1715— MATERNAL-CHILD NURSING—This course provides the student with basic knowledge and skills to provide safe and effective care for clients and families during pregnancy, postpartum, infancy, and childhood. **Prerequisites:** All first semester PNV courses. Four point seven lecture hours. One clinical hour. Five semester hours credit.

PNV 1813— MENTAL HEALTH CONCEPTS—This course provides an introduction to mental health concepts. Clinical experience will provide application of learned theory. **Prerequisites:** First semester PNV courses. Two point seven lecture hours. One clinical hour. Three semester hours credit.

PNV 1914 — NURSING TRANSITION— Nursing Transition promotes the development of clinical decision making skills and an interest in continued professional development. Legal aspects of nursing and employment opportunities and responsibilities as well as preparation for the State Board Exam are included. **Prerequisites:** All first and second semester PNV courses. Two lecture hours. Two lab hours. Three clinical hours. Four semester hours credit.

MEDICAL OFFICE TECHNOLOGY CONCENTRATION BUSINESS AND OFFICE CLUSTER

See the Business Technology course descriptions in reference to the above field.

SURGICAL TECHNOLOGY

SUT 1113 — FUNDAMENTALS OF SURGICAL TECHNOLOGY — Basic introductory course including hospital and surgical suite organization and environment, history, legal responsibilities, terminology, pharmacology, anesthesia, and interpersonal relationships. Three hours lecture. Three semester hours credit.

SUT 1216 — PRINCIPLES OF SURGICAL TECHNIQUE — A comprehensive study of aseptic technique, safe patient care, and surgical techniques. Two hours lecture. Eight hours lab. Six semester hours credit.

SUT 1314 — SURGICAL ANATOMY — Emphasis is placed on structure and function of the human body as related to surgery. Application of the principles of surgical anatomy to participation in clinical experience. Three hours lecture. Two hours lab. Four semester hours credit.

SUT 1413 — SURGICAL MICROBIOLOGY — Introduction to pathogenic microorganisms related to surgery and their effect on wound healing and infection. Includes principles of sterilization and disinfection. Three hours lecture. Three semester hours credit.

SUT 1518 — BASIC AND RELATED SURGICAL PROCEDURES — This course includes instruction in regional anatomy, pathology, instrumentation, and surgical techniques in general, gynecology, obstetrics, and urology. **Prerequisites:** Introduction to Surgical Technology (SUT 1113), Principles of Surgical Technique (SUT 1216), Surgical Anatomy (SUT 1314), and Surgical Microbiology (SUT 1413). Four hours lecture. Twelve hours clinical. Eight semester hours credit.

SUT 1528 — SPECIALIZED SURGICAL PROCEDURES — This course includes instruction in regional anatomy, pathology, instrumentation, and techniques in surgical specialty areas of ear, nose, and throat; ophthalmology and plastics. Clinical experience in area hospital surgical suite and related departments. **Prerequisites:** Introduction to Surgical Technology (SUT 1113), Principles of Surgical Technique (SUT 1216), Surgical Anatomy (SUT 1314), and Surgical Microbiology (SUT 1413). Four hours lecture. Twelve hours clinical. Eight semester hours credit.

SUT 1538 — ADVANCED SURGICAL PROCEDURES — Instruction in regional anatomy, pathology, instrumentation, employability skills, and techniques in surgical specialty areas of orthopedics, neurosurgery, thoracic, and cardiovascular surgery. Clinical experience in area hospital surgical suites. Comprehensive final examination. **Prerequisites:** Basic and Related Surgical Procedures (SUT 1518). Four hours lecture. Twelve hours clinical. Eight semester hours credit.

TECHNICAL

COLLISION REPAIR TECHNOLOGY

ABT 1113 — RESTRAINT SYSTEMS AND INTERIOR TRIM — A course to provide skills and practices in vehicle restraint systems and interior trim. Included are procedures for servicing restraint systems, active or passive, and air bags. Also included are service procedures for trim items such as headliners, seats, carpets, and general safety procedures to follow. One hour lecture, four hours lab. Three semester hours credit.

ABT 1123 — BOLTED UNITS, ASSEMBLIES, AND ELECTRICAL SYSTEMS — A course which provides instruction and practice in the removal and replacement of bolted parts, sub-units, and assemblies. Methods of disassembly and reassembly, part adjustment, alignment, and electrical system service and repair are included in this course. One hour lecture, four hours lab. Three semester hours credit.

ABT 1133 — GLASS AND RELATED HARDWARE INSTALLATION AND SEALING — A course in the removal and replacement of stationary and movable glass. Included are the alignment of movable glass and the repair and alignment of glass mounting hardware. Also included are the sealing and adjustments needed to eliminate water leaks and wind noise. One hour lecture, four hours lab. Three semester hours credit.

ABT 1213 — AUTOMOTIVE BODY WELDING AND CUTTING — A course designed to provide specialized skills and practice in automotive body welding and cutting. Includes instruction in the use of the Gas Metal Arc Welding (GMAW) equipment and Plasma Arc Cutting (PAC) in repairing the high strength steels used in unibody construction. One hour lecture, four hours lab. Three semester hours credit.

ABT 1313 — REFINISHING I — A course to provide skills and practices in vehicle preparation, cleaning, sanding, metal treatment, masking and basic spray applications. Instruction includes determining imperfections in paint films, personal and environmental safety practices. One hour lecture, four hours lab. Three semester hours credit.

ABT 1324 — REFINISHING II — A continuation of Refinishing I. Included are types of refinish materials and their specific application procedures. Also included are ways to prevent painting problems, solving problems that occur, basic blending for color matching, and basecoat/clear coat applications. One hour lecture, six hours lab. Four semester hours credit.

ABT 1414 — SHEET METAL REPAIR — A course designed to provide instruction and practice in the repair of the sheet metal components of the vehicle body. Includes practice in selecting and applying various methods and tools of the trade used in removing dents and other dam-

age conditions from sheet metal panels. Also included are constructing and installing simple metal patch panels, and making basic repairs. One hour lecture, six hours lab. Four semester hours credit.

ABT 1423 — BODY PANEL AND UPPER STRUCTURAL REPAIR I — A course in the repair and replacement of major body panels and upper body structural components. Instruction will include the use of power equipment, basic anchoring and pulling, non-adjustable panel alignment and attachment (welded and bonded). One hour lecture, four hours lab. Three semester hours credit.

ABT 2333 — REFINISHING III — A continuation of Refinishing II with emphasis on advanced techniques; including HVLP spray systems plastic parts refinishing, color analysis, tinting and matching difficult colors, pin striping, decals, lettering, color sanding, buffing, polishing and detailing. One hour lecture, four hours lab. Three semester hours credit.

ABT 2434 — BODY PANEL AND UPPER STRUCTURAL REPAIR II — A continuation of Body Panel and Upper Structural Repair I. Emphasis will continue to be placed on major panel replacement. Instruction will include rolled-over vehicle repair, structural alignment, roof panel replacement, and the replacement or sectioning of upper structural members. One hour lecture, six hours lab. Four semester hours credit.

ABT 2513 — FRAME AND UNDERBODY STRUCTURAL REPAIR I — An introduction to frame repair. Instruction includes analyzing frame, structural, suspension, and steering damage, and setting up alignment equipment. One hour lecture, four hours lab. Three semester hours credit.

ABT 2524 — FRAME AND UNDERBODY STRUCTURAL REPAIR II — This course continues instruction from Frame and Underbody Structural Repair I. Emphasis is placed on unibody vehicle construction. Included are welding in unibody repair and repairing/replacing/sectioning structural components. Assembly, body repair and paint operations will continue in the lab as part of this course. One hour lecture, six hours lab. Four semester hours credit.

ABT 2613 — FIBERGLASS AND PLASTIC REPAIR — A course designed to provide theory and practice in the repair of fiberglass, plastic, and sheet molded compounds. One hour lecture, four hours lab. Three semester hours credit.

ABT 2714 — COLLISION ANALYSIS AND ESTIMATION — This course covers the complete inspection and analysis of damaged vehicles. It is designed to enable the student to determine the conditions and severity of the damage, the repair or replacement of parts, the estimated repair time, and correct use of reference manuals. Assembly, body repair and paint operations will continue in the lab as part of this course. One hour lecture, six hours lab. Four semester hours credit.

ABT 2814 — SHOP OPERATIONS AND PROCEDURES —

An introduction to small business management techniques as applied to the collision repair shop. Includes computerized information and records systems. Also included are financial responsibilities, shop layout, inventory, and employee-employer relations. Students will continue all normal collision repair shop operations in this course and participate in a supervisory capacity during laboratory times, when possible. One hour lecture. Six hours lab. Four semester hours credit.

TECHNICAL ELECTIVE:**ABT 292(1-6) — WORK-BASED LEARNING IN COLLISION REPAIR**

TECHNOLOGY — This course is a cooperative program between industry and education and is designed to integrate the student's technical studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours (3-18 hour extern ship: 1-6 semester hours credit) Prerequisite: Sophomore standing in Collision Repair Technology.

AUTOMOTIVE TECHNOLOGY**ATT 1124 — BASIC ELECTRICAL/ELECTRON SYSTEMS —**

This is a course designed to provide advanced skills and knowledge related to all components of the vehicle electrical system including Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1134 — ADVANCED ELECTRICAL/ELECTRONIC SYSTEMS —

This is a Course designed to provide advanced skills and knowledge related to all components of the vehicle electrical system including gauges, driver information systems, horn, wiper/wiper systems, and accessories. Two hours lecture Four hours lab. Four semester hours credit.

ATT 1213 — BRAKES —

This is a course designed to provide advanced skills and knowledge related to the repair and maintenance of brake systems on automobiles. It includes instruction and practice in diagnosis of braking system problems and the repair of brake systems. Two hours lecture. Two hours lab. Three semester hours credit.

ATT 1314 — MANUAL DRIVE TRAIN/TRANSAXLE —

This is a course designed to provide advanced skills and knowledge related to the maintenance and repair of manual transmissions, transaxles and drive train components. It includes instruction in the diagnosis of drive train problems and the repair and maintenance of transmissions, transaxles, clutches, CV joints, differentials and other components. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1424 — ENGINE PERFORMANCE I —

This is a course designed to provide advanced skills and knowledge related to the maintenance and

adjustment of gasoline engines for optimum performance. It includes instruction, diagnosis, and correction of problems associated within these areas. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 1715 — ENGINE REPAIR —

This is a course designed to provide advanced skills and knowledge related to the repair and rebuilding of automobile type engines. It includes instruction and practice in the diagnosis and repair of engine components including valve trains, blocks, pistons and connecting rods, crankshafts and oil pumps. Two hours lecture. Six hours lab. Five semester hours credit.

ATT 1811 — INTRODUCTION, SAFETY, AND EMPLOYABILITY SKILLS

— This is a course designed to provide knowledge of classroom and lab policies and procedures. Safety practices and procedures associated with the automotive program and automotive industry. One hour lecture, one semester hour credit

ATT 2325 — AUTOMATIC TRANSMISSIONS/TRANSAXLES —

This is a course designed to provide technical skills and knowledge related to the diagnosis and repair of automotive type automatic transmissions and transaxles. It includes instruction and practice in testing and inspecting these devices and in disassembly, repair, and reassembly. Three hours lecture. Four hours lab. Five semester hours credit.

ATT 2334 — STEERING AND SUSPENSION SYSTEMS —

This is a course designed to provide advanced skills and knowledge related to the inspection and repair of steering and suspension systems on automobiles. It includes instruction and practice in the diagnosis of steering system problems and the repair/replacement of steering system components. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 2343 — WHEEL ALIGNMENT —

This is a course designed to provide technical skills and knowledge related to the alignment of both front and rear wheels on automobiles. It includes instruction and practice in the inspection, detection, and correction of wheel alignment problems. One hour lecture. Four hours lab. Three semester hours credit.

ATT 2444 — ENGINE PERFORMANCE III —

This is a course designed to provide advanced skills and knowledge related to the emissions control systems and engine related service. It includes instruction, diagnosis, and correction of problems associated within these areas. Two hours lecture. Four hours lab. Four semester hours credit.

ATT 2614 — HEATING AND AIR CONDITIONING —

This course is designed to provide advanced skills and knowledge associated with the maintenance and repair of automotive heating and air conditioning systems. It includes instruction and practice in the diagnosis and repair of heating and air conditioning system components, and control systems. Two hours lecture. Four hours lab. Four semester hours credit.

BUSINESS AND OFFICE TECHNOLOGY

BOT 1013 — INTRODUCTION TO KEYBOARDING — (Prerequisite: None) This course provides an introduction to basic word processing commands and essential skill development using the touch system on the alphabetic keyboard. Course emphasis will be on speed and accuracy when keying documents and timed writings. Three hours lecture. Three semester hours credit.

BOT 1113 — DOCUMENT FORMATTING & PRODUCTION — (Prerequisite: Prior to enrollment in this course, students will be required to key straight-copy material at a minimum of 35 GWPM on a 5-minute timed writing, with a maximum of 1 error per minute OR successfully complete Introduction to Keyboarding (BOT-1013). This course focuses on improving keyboarding techniques using the touch method and on production of documents using word processing functions. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1123 — KEYBOARD SKILLBUILDING — (Prerequisite: BOT 1113 Document Formatting & Production) This course further develops keyboard techniques emphasizing speed and accuracy. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1133 — MICROCOMPUTER APPLICATIONS — (Prerequisite: Introduction to Keyboarding BOT-1013 or consent of instructor.) This course will introduce an operating system and word processing, spreadsheet, database management, and presentation software applications. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1143 — WORD PROCESSING — (Prerequisites: Document Formatting & Production BOT-1113 and Mechanics of Communication BOT-1713, or Microcomputer Applications BOT-1133, Operating Platforms CPT 1333, Microcomputer Applications CSC 1123, or by consent of instructor.) This course focuses on production of documents using word processing functions. Production with accuracy is stressed and practice is given through a variety of documents for skill building. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1213 — PROFESSIONAL DEVELOPMENT — This course develops an awareness of interpersonal skills essential for job success. Three hours lecture. Three semester hours credit.

BOT 1313 — APPLIED BUSINESS MATH — This course is designed to develop competency in mathematics for business use. Ten-key touch method on electronic desktop calculators is stressed. Three hours lecture. Three semester hours credit.

BOT 1413 — RECORDS MANAGEMENT — (Prerequisite: None) This course focuses on the systems approach to managing recorded informa-

tion in any form. Emphasis is placed on the three categories into which records generally fall and the treatment of these categories in proper management, storage, and retrieval. Three hours lecture. Three semester hours credit.

BOT 1433 — BUSINESS ACCOUNTING — This course is designed to develop an understanding of recording, classifying, and summarizing business transactions and events with insight into interpreting and reporting the resulting effects upon the business. Three hours lecture. Three semester hours credit.

BOT 1513 — MACHINE TRANSCRIPTION — (Prerequisite: BOT-1143 Word Processing) This course is designed to teach transcription of a wide variety of business communications from machine dictation. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1613 — MEDICAL OFFICE TERMINOLOGY I — This course is a study of medical language relating to the various body systems including diseases, physical conditions, procedures, clinical specialties, and abbreviations. Emphasis is placed on correct spelling and pronunciation. Three hours lecture. Three semester hours credit.

BOT 1623 — MEDICAL OFFICE TERMINOLOGY II — (Prerequisite: BOT1613) This course presents medical terminology pertaining to human anatomy in the context of body systems. The emphasis is directed toward medical terminology as it relates to medical office. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 1713 — MECHANICS OF COMMUNICATION — This course is designed to develop the basic English competencies necessary for success in the business world. A study of the parts of speech, sentence structure, sentence types, capitalization, punctuation, and spelling is emphasized. Three hours lecture. Three semester hours credit.

BOT 1813 — ELECTRONIC SPREADSHEET — (Prerequisites: BOT-1313 Applied Business Math and BOT-1133 Microcomputer Applications, or CSC 1123 by consent of the instructor). This course focuses on advanced applications of the electronic spreadsheet as an aid to management decision making. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2133 — DESKTOP PUBLISHING — (Prerequisite: BOT-1143 Word Processing Applications). This course presents graphic design techniques, principles of page layout and design, and electronic publishing terminology and applications to create a variety of documents such as flyers, brochures, newsletters, and business cards using advanced features of word processing. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2323 — DATABASE MANAGEMENT — (Prerequisites: BOT 1133 Microcomputer Applications and BOT 1413-Records Management or CSC 1123 Microcomputer Applications). This course applies database concepts for designing and manipulating data files and formatting output as complex documents and reports. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2413 — COMPUTERIZED ACCOUNTING — (Prerequisite: BOT1433-Business Accounting or ACC1213-Principles of Accounting). This course applies basic accounting principles using a computerized accounting system. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2523 — MEDICAL MACHINE TRANSCRIPTION I — (Prerequisites: BOT 1113-Documents Formatting & Production and BOT 1613-Medical Office Terminology I and BOT1623-Medical Office Terminology II). This course is designed to teach transcription of various medical documents. One hour lecture. Four hours lab. Three semester hours credit.

BOT 2533 — MEDICAL MACHINE TRANSCRIPTION II — (Prerequisite: BOT 2523-Medical Machine Transcription I). This course is designed to continue teaching transcription of various medical documents including dictation given by doctors with foreign accents and additional medical specialties. One hour lecture. Four hours lab. Three semester hours credit.

BOT 2643 — CPT CODING — (Prerequisites: BOT1613-Medical Office Terminology I, BOT 1623-Medical Office Terminology II) This course is an introduction to the field of procedural coding and requirements for insurance reimbursement. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2653 — ICD CODING — (Prerequisites: BOT 1613-Medical Office Terminology I, BOT 1623-Medical Office Terminology II, or consent of instructor) This course is an introduction to the field of diagnostic coding. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2663 — ADVANCED CODING — (Prerequisites: BOT 2643-CPT Coding, and BOT 2653-ICD Coding). This course includes advanced analysis of diagnostic and procedural coding systems. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2673 — MEDICAL INSURANCE BILLING — (Prerequisites: BOT 2643-CPT Coding, and BOT 2653-ICD Coding). This course is a culmination of skills and knowledge of appropriate procedures for generating, processing, and submitting health insurance claims to private and governmental health insurance programs. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2723 — ADMINISTRATIVE OFFICE PROCEDURES — (Prerequisite: BOT1143- Word Processing) This course will provide comprehensive coverage and integration of business skills and issues, develop critical thinking and problem-solving skills, and establish a foundation in business procedures. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2743 — MEDICAL OFFICE CONCEPTS — (Prerequisites: BOT 1113-Documents Formatting & Production, and BOT 1413-Records Management or BOT 2673 MEDICAL INSURANCE BILLING) This course will provide coverage and integration of medical office skills and issues using knowledge of medical terminology. Problem solving will be emphasized. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2753 — MEDICAL INFORMATION MANAGEMENT — (Prerequisite: BOT 2743-Medical Office Concepts). This course will continue coverage of medical office issues with emphasis on health insurance filing. Two hours lecture. Two hours lab. Three semester hours credit.

BOT 2813 — BUSINESS COMMUNICATION — (Prerequisite: BOT 1713-Mechanics of Communication and BOT 1113-Documents Formatting and Production or by consent of instructor) This course develops communication skills with emphasis on principles of writing business correspondence and reports and preparing presentations using electronic media. Three hours lecture. Three semester hours credit.

BOT 2823 — COMMUNICATION TECHNOLOGY — (Prerequisite: Word Processing BOT-1143, or by consent of instructor) This course will present an overview of the resources available for communication using current technology. Three semester hours credit. Two hours lecture. Two hours lab.

BOT 2833 — INTEGRATED COMPUTER APPLICATIONS — (Prerequisites: Word Processing-BOT1143, Business Communication BOT-2813, Database Management-BOT2323, Electronic Spreadsheet BOT-1813, or by consent of instructor). This course integrates activities using application software including word processing, database, spreadsheet, graphics, and multimedia. Three semester hours credit. Two hours lecture. Two hours lab.

EARLY CHILDHOOD EDUCATION TECHNOLOGY

CDT 1113 — EARLY CHILDHOOD PROFESSION — (Prerequisites: None) This course provides an introduction to the profession of early childhood, types of early childhood programs, and theories of child development. Students are required to observe, assess, and record child behavior through laboratory experience. Room arrangements, software, play, and safety are explored. Two hours lecture. Two hours lab. Three semester hours credit.

CDT 1214 — CHILD DEVELOPMENT I — (Prerequisites: None) This course provides knowledge concerning the care and development of infants and toddlers in group settings. Practice is given in infant and toddler care giving in group settings through classroom laboratory. Three hours lecture. Two hours lab. Four semester hours credit.

CDT 1224 — CHILD DEVELOPMENT II — (Prerequisites: None) The cognitive, physical, emotional and social developmental characteristics of young children (ages 3-8). Three hours lecture. Two hours lab. Four semester hours credit.

CDT 1314 — CREATIVE ARTS FOR YOUNG CHILDREN — (Prerequisites: None) Planning and developing creative arts experiences for the young child. Lab activities with the children are implemented during Student Teaching I & II. Four hours lecture. Four semester hours credit.

CDT 1343 — CHILD HEALTH AND SAFETY — (Prerequisites: None) Health and safety practices in the care and education of young children. Includes health and safety issues such as first aid, CPR, universal precautions, communicable diseases, and child abuse. Three hours lecture. Three semester hours credit.

CDT 1513 — NUTRITION FOR YOUNG CHILDREN — (Prerequisites: None) This course focuses on fundamental principles of child nutrition and the practical application of this knowledge in the selection of balanced diets. Three hours lecture. Three semester hours credit.

CDT 1713 — LANGUAGE AND LITERACY DEVELOPMENT FOR YOUNG CHILDREN — (Prerequisites: None) A study of language development and the implementation of a developmentally appropriate language arts curriculum for young children. Three hours lecture. Three semester hours credit.

CDT 2233 — GUIDING SOCIAL AND EMOTIONAL BEHAVIOR — (Prerequisites: None) Identifying and practicing positive effective techniques in guiding young children's behavior. Lab activities with the children are implemented during Student Teaching I and II. Three hours lecture. Three semester hours credit.

CDT 2413 — ATYPICAL CHILD DEVELOPMENT — (Prerequisites: CDT 1214 - Child Development I, CDT 1224 - Child Development II) This course provides information concerning growth and development, identification, intervention strategies, and management of atypical children. Legal, ethical, and legislative issues will be explored. Family issues will be explored. Two hours lecture. Two hours lab. Three semester hours credit.

CDT 2613 — METHODS AND MATERIALS — (Prerequisites: CDT 1314 Creative Arts for Young Children, CDT 1513 - Nutrition for Young Children) (Co-requisites: CDT 1713 - Language and Literacy Develop-

ment for Young Children, CDT 2714 - Social Studies, Math, and Science for Young Children.) Appropriate methods and materials for young children in a learning environment. Lab activities with the children are implemented during Technical student teaching I and II. Three hours lecture. Three semester hours credit.

CDT 2714 — SOCIAL STUDIES, MATH, AND SCIENCE FOR YOUNG CHILDREN — (Prerequisites: None) - Planning developmentally appropriate activities in social studies, math, and science for the young child. Lab activities with the children are implemented during Student Teaching I and II. Four hour lecture. Four semester hours credit.

CDT 2813 — ADMINISTRATION OF PROGRAMS FOR YOUNG CHILDREN — (Prerequisites: First three semesters of core courses) Development and administration of programs for young children to include an emphasis on evaluation of policies and procedures, organizational structure, and management. Three hours lecture. Three semester hours credit.

CDT 2915 — STUDENT TEACHING I — (Prerequisites: CDT 1214-Child Dev. I; CDT 1224 Child Dev. II; CDT 1314 - Creative Arts for Young Children, CDT 1513 - Nutrition for Young Children, CDT 1713 Language and Literacy Development for Young Children, CDT 2613 Methods and Materials.) This course allows advanced early childhood students to implement knowledge and experience in preparing and implementing positive experiences for young children. Completion of the competencies provides opportunities for students to implement experiences planned in the prerequisites and ensures a balance of all curriculum areas. Not all competencies will be achieved at the end of this course due to the variance that exists in the childhood settings used for student experiences. Other student competencies will be achieved and documented by the end of the two-year program of study. Ten hours lab. Five semester hours credit.

CDT 2925 — STUDENT TEACHING II — (Prerequisites: CDT 2233 Guiding Social and Emotional Behavior, CDT 2613 - Methods and Materials, CDT 2714 - Social Studies, Math, and Science, and CDT 2915 Practicum I) (Co requisite: CDT 2813 - Administration of Programs for Young Children and CDT 1343 Child Health & Safety) This course is a continuation of Student I, which allows advanced early childhood students to implement knowledge and experience in preparing and implementing positive experiences for young children. Completion of the competencies provides opportunities for students to implement experiences planned in the prerequisites and ensures a balance of all curriculum areas. All competencies will be achieved and documented by the completion of the two student teaching courses. Ten lab hours. Five semester hours credit.

COMPUTER INFORMATION SYSTEMS TECHNOLOGY

CPT 1144 — PROGRAMMING DEVELOPMENT CONCEPTS — (Prerequisite: Database Design Fundamentals - CPT 1353). This course is an introduction to programming logic and computer systems. Students will gain hands-on experience in the development of computer programs. Three hours lecture. Two hours laboratory. Four semester credit hours.

CPT 1214 — VISUAL BASIC PROGRAMMING LANGUAGE — Introduces the student to object oriented programming and a graphical integrated development environment. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1224 — RPG PROGRAMMING LANGUAGE — (Prerequisite: Programming Development Concepts CPT 1144 or by permission of instructor). This course is designed to introduce the student to the RPG language for the creation of business applications. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1234 — COBOL PROGRAMMING LANGUAGE — (Prerequisite: Programming Development Concepts CPT 1144 or by permission of instructor). This course is designed to introduce the student to the COBOL language in business applications to include arithmetic operations, report editing, control break processing and table processing techniques. Two hours lecture. Four hours laboratory. Four semester credit hours.

CPT 1353 — DATABASE DESIGN FUNDAMENTALS — This course is a study of the design of databases. Additional emphasis is placed on creation, manipulation, extraction, and display of data from existing databases. Two hours lecture. Two hours laboratory. Three semester hours credit.

CPT 1323 — SURVEY OF MICROCOMPUTER APPLICATIONS — (Prerequisite: Operating Platforms CPT 1333) This course will introduce microcomputer operations, Word processing, spreadsheets, and database management. Two hours lecture. Two hours laboratory. Three semester credit hours.

CPT 1333 — OPERATION PLATFORMS — This course will provide experience in a variety of operating platforms. Emphasis will be placed on support personnel interaction with the platform to assist users in business environments. Two hour lecture. Two hours laboratory. Three semester hours credit.

CPT 1414 — JAVA PROGRAMMING — (Prerequisite: Operating Platforms CPT 1332) Introduction to the Java Programming language to include sort, loops, arrays, Applets. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 1513 — WEB DEVELOPMENT CONCEPTS — (Prerequisite: Operating Platforms CPT 1333) This course is an introduction to the Internet and its uses in the world of business. It includes basic and advanced features of the Internet, World Wide Web, browsers, list servers, and creating web pages. Upon completion of this course, students will be able to create a personalized home page and post it on the Internet, download files using a browser and an FTP program, and send e-mail messages. Two hour lecture. Two hours lab. Three semester hours credit.

CPT 2133 — CAREER DEVELOPMENT — (Prerequisite: Written Communications Elective). This course provides practical exercises in both the technical and social skills necessary for employment. Interpersonal skills, the job search process, and the importance of high standards of personal and professional relationships are stressed. Two hour lecture. Two hours lab. Three semester hours credit.

CPT 2264 — ADVANCED RPG PROGRAMMING LANGUAGE — (Prerequisite: RPG Programming Language CPT 1224 and/or Programming Development Concepts CPT 1144). This course is a continuation of the RPG programming language. Emphasis is placed on advanced table processing, file maintenance, and interactive programming. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 2274 — ADVANCED COBOL PROGRAMMING — (Prerequisite: COBOL Programming Language CPT 1234) This course is a continuation in the study of COBOL. Emphasis is placed on advanced table processing, file maintenance, and interactive programming. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 2354 — SYSTEMS ANALYSIS AND DESIGN — (Prerequisite: Advanced RPG Programming CPT 2264). This course introduces techniques used in system analysis and design. Emphasis will be placed on the design, development, and implementation of an information system. Two hours lecture. Four hours lab. Four semester hours credit.

CPT 2434 — ADVANCED VISUAL BASIC PROGRAMMING LANGUAGE — (Prerequisite: Visual BASIC Programming Language CPT 1214) This course is a continuation of the Visual BASIC Programming Language. A two hour lecture, 4 hour lab. Four semester hours credit.

CPT 292(1-6) — SUPERVISED WORK EXPERIENCE IN COMPUTER INFORMATION SYSTEMS TECHNOLOGY — A course which is a cooperative program between industry and education and is designed to integrate studies with industrial experience. Variable credit is awarded on the basis of one semester hour per 45 industrial contact hours.

COMPUTER NETWORKING TECHNOLOGY

CNT 1414 — FUNDAMENTALS OF DATA COMMUNICATIONS — This course presents basic concepts of telephony, local area networks, wide area networks, data transmission, and topology methods. Two hours lecture, four hours laboratory, four semester hours credit.

CNT 1513 — WEB DEVELOPMENT CONCEPTS — (Co requisite: CPT 1333) This course is an introduction to the Internet and its uses in the world of business. It includes basic and advanced features of the Internet, World Wide Web, browsers, list servers, and creating web pages. Upon completion of this course, students will be able to create a personalized home page and post it on the Internet, download files using browser and an FTP program, and send e-mail messages. Two hours lecture, two hours laboratory, three semester hours credit.

CNT 1523 — NETWORK COMPONENTS — (Prerequisite: CNT 1414 Fundamentals of Data Communications) - This course presents local area network and wide area network connectivity. It focuses on architectures, topologies, protocols, and transport methods of a network. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 1614 — NETWORKING ADMINISTRATION USING NOVELL — (Co requisite: CNT 1414 Fundamentals of Data Communications, CPT 1333 Operating Platforms) This course focuses on the management of a computer network using the Novell network operating systems. Emphasis will be placed on daily administrative tasks performed by a network administrator. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 1624 — NETWORK ADMINISTRATION USING MICROSOFT SERVER — (Co requisites: CNT 1414 Fundamentals of Data Communications and CPT 1333 Operating Platforms) This course focuses on the management of a computer network using the Microsoft Windows Server network operating system. Emphasis will be placed on daily administrative tasks performed by a network administrator. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 1654 — NETWORK ADMINISTRATION USING LINUX — (Co requisites: CNT 1414 Fundamentals of Data Communication, CPT 1333 Operating Platforms) This course focuses on the management of a computer network using the Linux operating system. Emphasis is placed on installation, configuration, implementation, and administrative tasks of a functional server. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2423 — SYSTEM MAINTENANCE — (Prerequisite: CPT 1333 Operating Platforms) This course covers the diagnosis, trouble-shooting and maintenance of computer components. Topics include hardware

compatibility, system architecture, memory, input devices, video displays, disk drives, modems, and printers. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 2534 — NETWORK PLANNING AND DESIGN — (Prerequisite: CNT 1614 Network Administration Using Novell; CNT 1624 Network Administration Using Microsoft Server; CNT 1523 Network Components) This course involves applying concepts in planning and designing a functioning network. Emphasis is placed on recognizing the need for a network, conducting analysis, and designing a solution. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2544 — NETWORK IMPLEMENTATION — (Prerequisite: CNT 2534 Network Planning and Design) This course is the culmination of all concepts learned in the network curriculum. Topics include planning, installation, evaluation, and maintenance of a network solution. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2553 — NETWORK SECURITY — (Prerequisites: Web Development Concepts CNT 1513; Network Components-CNT 1523) This course provides an Introduction to network and computer security. Topics such as ethics, security policies, legal issues, vulnerability testing tools, firewalls, and operation systems hardening will be discussed. Students will receive a deeper understanding of network operations and protocols through traffic capture and protocol analysis. Two hours lecture, two hours laboratory, three semester credit hours.

CNT 2634 — ADVANCED NETWORK ADMINISTRATION USING NOVELL — (Prerequisite: CNT 1614 Networking Administration Using Novell) This course is a continuation of Network Administration Using Novell. Emphasis is placed on installation, configuration, and implementation of a Novell Network. Two hours lecture, four hours laboratory, four semester credit hours.

CNT 2644 — ADVANCED NETWORK ADMINISTRATION USING MICROSOFT WINDOWS SERVER — (Prerequisites: CNT 1414 Fundamentals of Data Communications, CNT 1624 Network Administration Using Microsoft Server) This course is a continuation of Network Administration Using Microsoft Windows Server. Emphasis is placed on installation, configuration, and implementation of a function server. Two hours lecture, four hours laboratory, four semester credit hours.

CULINARY ARTS TECHNOLOGY

CUT 1114 — CULINARY PRINCIPLES I—Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. **Co requisites:** Sanitation and Safety (HRT 1213) or by permission of instructor. Two hours lecture, four hours lab. Four semester credit hours.

HRT/CUT 1124 — CULINARY PRINCIPLES II — Advanced study of Culinary Principles I to polish and perfect the techniques of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. **Prerequisites:** Culinary Principles I (HRT/CUT 1114). Two hours lecture, four hours lab. Four semester credit hours.

CUT 1134 — PRINCIPLES OF BAKING — Fundamentals of baking science, terminology, ingredients, weights and measures, and formula conversion and storage. Students will prepare yeast goods, pies, cakes, cookies, and quick breads; and use and care for equipment. **Prerequisites:** Culinary Principles I (HRT/CUT 1114). Two hours lecture, four hours lab. Four semester credit hours.

CUT 1513 — GARDE MANAGER — This course is provides orientation to garnishing, preparation of charcuterie items, cold foods, and buffet presentation. It also explores the various duties of the modern garde manger. **Prerequisites:** Culinary Principles I (HRT/CUT 1114). One hour lecture, four hour lab. Three semester credit hours.

CUT 2223 — MENU PLANNING AND FACILITIES DESIGN — The principles and concepts of menu planning, menu formats, and layout with regard to a wide variety of eating habits and taste of the dining public. Emphasis will be on pricing, menu design, merchandising, tools, nutritional considerations, schedules, and profitability. Effective planning and layout of kitchen and equipment will also be emphasized. **Prerequisites:** None. Three hours lecture. Three semester credit hours.

DRAFTING AND DESIGN TECHNOLOGY

DDT 1114 — FUNDAMENTALS OF DRAFTING — This course is designed to give the drafting major the background needed for all other drafting courses. Emphasis is placed upon maintaining correct techniques while developing speed. Two hours lecture, four hours laboratory. Four semester hours credit.

DDT 1133 — MACHINE DRAFTING I — (Prerequisite: Fundamentals of Drafting.) This course emphasizes methods, techniques and procedure in presenting screws, bolts, rivets, springs, thread types, symbols for welding, materials, finish and heat treatment rotation, working order preparation, routing and other drafting room procedures. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 1213 — CONSTRUCTION MATERIALS — A course designed to familiarize the student with the physical properties of the materials generally used in the erection of structures, with a brief description of their manufacturer. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1313 — PRINCIPLES OF CAD — This course will use the CAD system to design and draw various problems in the architectural, mechanical and civil drafting areas. Emphasis will be placed on the operations of the CAD system to solve these problems. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1323 — INTERMEDIATE CAD — (Prerequisite: Principles of CAD). This course is designed as a continuation of Principles of CAD. Subject areas will include dimensions, sectional views, and symbols. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 1413 — ELEMENTARY SURVEYING — A basic course in surveying dealing with the principles of geometry, theory and use of instruments, mathematical calculations, and the control and reduction of errors. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 1613 — ARCHITECTURAL DESIGN I — (Prerequisite: Fundamentals of Drafting). This course includes principles and practices of modern design, requiring working drawings and solutions, typical construction details and specifications for residential construction. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2163 — MACHINE DRAFTING II — (Prerequisite: Machine Drafting I). A continuation of Machine Drafting I with emphasis on advanced techniques and knowledge employed in the planning of mechanical objects. Includes instruction in the use of tolerance and dimensioning techniques. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 2233 — STRUCTURAL DRAFTING — (Prerequisite: Fundamentals of Drafting & Principles of CAD). This course will introduce the drafting major to structural sections, terms and conventional abbreviations, and symbols used by structural fabricators and erectors. Knowledge is gained in the use of A.I.S. C. Handbook. Problems are studied that involve structural designing and drawing of beams, columns, connections, trusses and bracing. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2243 — COST ESTIMATING — This course includes preparation of material lists and quantity surveys from actual working drawings and specifications. Two hours lecture and two hours laboratory. Three semester hours credit.

DDT 2343 — ADVANCED CAD — (Prerequisite: Intermediate CAD). This is an advanced course in the use of CAD software with emphasis on producing drawings. Emphasis is placed on attributes, slide shows, the user coordinate system, 3-D faces, and solid modeling. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2423 — MAPPING AND TOPOGRAPHY LAB — (Prerequisite: Elementary Surveying and Intermediate CAD). This laboratory setting will allow the drafting major to apply selected drafting techniques to the problem of making maps, traverses, plot plans, plan and profile drawings using maps, field survey data, aerial photographs and related references, materials including symbols, notations, and other applicable standardized materials. Two hours lecture, two hours laboratory. Three semester hours credit.

DDT 2443 — ADVANCED SURVEYING — (Prerequisite: Elementary Surveying) This course provides the student with practical applications in land surveying, methods of boundary locations, and land descriptions in accordance with original surveys and resurveys. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2623 — ARCHITECTURAL DESIGN II — (Prerequisite: Architectural Design I and Intermediate CAD). This course emphasizes standard procedures and working drawings. Details involving architectural, mechanical, electrical, and structural drawings are covered, along with presentation of drawings and computer aided design assignments. One hour lecture, four hours laboratory. Three semester hours credit.

DDT 2911-2913 — SPECIAL PROJECT (DRAFTING) — (Prerequisite: Consent of Instructor). This course is designed to provide the student with practical application of skills and knowledge gained in other drafting courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two six hours laboratory. One to three semester hours credit.

TDD 1313 — GRAPHIC COMMUNICATION — This course is a study of the fundamentals of the graphic language used by engineers. Through theory and application, students will develop the visualization and computerized drafting skills necessary for later courses in engineering once employed. One hour lecture, four hours laboratory. Three semester hours credit.

ELECTRICAL TECHNOLOGY

ELT 1113 — RESIDENTIAL/LIGHT COMMERCIAL WIRING — (Prerequisite: Fundamentals of Electricity, ELT 1193 or equivalent). A course to provide advanced skills related to the wiring of multi-family and small commercial buildings. Includes instruction and practice in service entrance installation, specialized circuits, and use of commercial raceways. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1123 — COMMERCIAL AND INDUSTRIAL WIRING — (Prerequisite: Fundamentals of Electricity, ELT 1193 or equivalent). A course to provide instruction and practice in the installation of commercial electri-

cal service including the types and uses of conduits and other raceways. NEC code requirements, and three phase distribution networks. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1193 — FUNDAMENTALS OF ELECTRICITY — This is a basic course designed to provide fundamental skills associated with all electrical courses. It includes safety, basic tools, special tools, equipment, and introduction to simple AC and DC circuits. Two lecture hour and two lab hours. Three semester hours credit.

ELT 1213 — ELECTRICAL POWER — (Co-requisite: Fundamentals of Electricity, ELT 1193 or equivalent). A course to provide skills related to electrical motors and their installation. Includes instruction and practice in using the different types of motors, transformers and alternators. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1223 — MOTOR MAINTENANCE AND TROUBLESHOOTING — (Prerequisite: Fundamentals of Electricity ELT 1193 or equivalent). A course to familiarize the students with the principles and practice of electrical motor repair. Includes instruction and practice in the disassembly/assembly and preventive maintenance of common electrical motors. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1253 — BRANCH CIRCUIT AND SERVICE ENTRANCE CALCULATION — (Prerequisite: Residential/Light Commercial Wiring (ELT 1113) or equivalent). Calculating circuit sizes for all branch circuits and service entrances in residential installation. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1263 — BLUEPRINT READING/PLANNING THE RESIDENTIAL INSTALLATION — This course provides knowledge of architectural symbols and electric symbols needed to read blueprints. All elevations and various plans associated with electrical wiring will be studied. Blank blueprints will be provided and a list of all appliances and their amperage will be supplied. The blanks will be filled with receptacles, switches, and lighting outlets as required by NEC. Circuit layouts for all switching will be demonstrated. All branch circuits will be plotted on the blueprint. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1273 — SWITCHING CIRCUITS FOR RESIDENTIAL, COMMERCIAL, AND INDUSTRIAL APPLICATION — (Prerequisite: Fundamentals of Electricity ELT 1193 or equivalent). This course is designed to introduce the student to the various methods by which single pole, 3-way, and 4-way switches are used in residential, commercial, and industrial installations. This course also includes the installation and operation of low voltage, remote control switching. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 1413 — MOTOR CONTROL SYSTEMS — (Prerequisite: Fundamentals of Electricity, ELT 1193 or equivalent). A course in the installation of the different motor control circuits and devices. Emphasis is placed on developing student's ability to diagram, wire and troubleshoot the different circuits and mechanical control devices. Two hours lecture. Two hours lab. Three semester hours credit.

ELT 2424 — SOLID STATE MOTOR CONTROL — (Prerequisite: Motor Control Systems, ELT 1413). A course to introduce the students to the principles of solid state motor control. Includes instruction and practice in the design and installation of different solid state devices for motor control. Two hours lecture. Four hours lab. Four semester hours credit.

ELT 2613 — PROGRAMMABLE LOGIC CONTROLLERS — (Prerequisite: Motor Control Systems, ELT 1413 or EET 1324 Microprocessors). A course to provide instruction and practice in the use of programmable logic controllers (PLC's) in modern industrial settings. Includes instruction in the operating principles of PLC's and practice in the programming, installation, and maintenance of PLC's. Three hours lecture. Two hours lab. Three semester hours credit.

ELT 291 (1-3) — SPECIAL PROJECT — (Prerequisite: Consent of Instructor). Practical application of skills and knowledge gained in other electronics or electronics-related technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two to six hours lab. One to three semester hours credit.

ELECTRONICS TECHNOLOGY

EET 1114 — DC CIRCUITS — This course is designed to provide the students with the principles and theories associated with DC circuits. This course includes the study of electrical circuits, laws, and formulae and the use of test equipment to analyze DC circuits. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1123 — AC CIRCUITS — (Prerequisite: DC Circuits, EET 1114). This course is designed to provide the student with the principles and theories associated with AC circuits. This course includes the study of electrical circuits, laws and formulae, and the use of test equipment to analyze AC circuits. Two hours lecture. Two hours lab. Three semester hours credit.

EET 1192 — FUNDAMENTALS OF ELECTRONICS — This course is designed to provide fundamental skills associated with all electronics courses. This course includes safety, bread boarding, use of calculator, test equipment familiarization, soldering, electronic symbols, and terminology. One hour lecture. Two hours lab. Two semester hours credit.

EET 1215 — DIGITAL ELECTRONICS — A course designed to introduce the student to number systems, basic gates and truth tables, logic circuits, latches and flip-flops, counters, registers, memory devices, combination logic circuits, Boolean algebra, and a basic computer system. Four hours lecture. Two hours lab. Five semester hours credit.

EET 1324 — MICROPROCESSORS — (Prerequisite: Digital Electronics (EET 1214)). A course designed to provide the student with skills and knowledge of microprocessor architecture, data and control functions, operational codes, instruction sets, machine and assembly language, timing, interfacing, and other hardware applications associated with microprocessor systems. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1334 — SOLID STATE DEVICES AND CIRCUITS — (Prerequisite: DC Circuits, EET 1114). A course designed to provide familiarization with state of the art active devices and their applications in the control and manipulation of electricity to make it work for man's benefit. This includes the study of P-N junction and P-N junction devices. Uni-Polar, Bipolar and Hybrid, their circuit applications and troubleshooting with emphasis on low frequency. Two hours lecture. Four hours lab. Four semester hours credit.

EET 1614 — COMPUTER FUNDAMENTALS FOR ELECTRICAL/ELECTRONICS — (Prerequisite: Microprocessors (EET 1324)). Basic computer science as used in electrical/electronic area. Computer nomenclature, logic, numbering systems, coding and operating system commands are covered. Detail test equipment description and operation for oscilloscope, function generator, and digital meters. Two hours lecture. Four hours lab. Four semester hours credit.

EET 2335 — LINEAR INTEGRATED CIRCUITS — (Prerequisite: Solid State Devices and Circuits (EET 1334)). A course designed to provide the student with knowledge and application skills of linear integrated devices. Includes general purpose and dedicated devices. Operational amplifiers, active filters, voltage regulators, timers, VCO's, phase lock loops and other devices will be covered along with their applications. Advanced soldering techniques shall be taught in accordance with industry standards. Two hours lecture. Six hours lab. Five semester hours credit.

EET 2414 — ELECTRONICS COMMUNICATION — (Prerequisite: Microprocessors (EET 1324)). A course designed to provide the student with the concepts and skills related to analog and digital communications. Includes modulation techniques, transmission, reception, formats, encoding, encryption, protocols, modem etc. Also includes standard interface methods. Two hours lecture. Four hours lab. Four semester hours credit.

CST 2113 — COMPUTER SERVICING LAB I — (Prerequisite: Microprocessors EET 1324) Fundamentals of computer servicing. Includes configuration, test equipment usage, basic disassembly and assembly methods, preliminary tests and diagnostics, schematic interpretation, and building cables. Six hours lab. Three semester hours credit.

CST 2123 — COMPUTER SERVICING LAB II — (Prerequisite: Computer Servicing Lab I CST 2113) Continuation of Computer Servicing Lab I (CST 2113) with increased emphasis on system analysis and diagnosis of board and component failures. Emphasis on laboratory experience with computer repair. Six hours lab. Three semester hours credit.

EET 2911 — SPECIAL PROJECTS — (Prerequisite: Microprocessors EET 1324) This course is designed to provide practical application of skills and knowledge gained in other technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Two hours lab. One semester hour credit.

EET 2912 — SPECIAL PROJECTS — (Prerequisite: Microprocessors EET 1324) This course is designed to provide practical application of skills and knowledge gained in other technical courses. The instructor works closely with the student to insure that the selection of a project will enhance the student's learning experience. Four hours lab. Two semester hours credit.

HEATING AND AIR CONDITIONING TECHNOLOGY

ACT 1124 — BASIC COMPRESSION REFRIGERATION — An introduction to the field of refrigeration and air conditioning. Emphasis is placed on the principles of safety, thermodynamics, and heat transfer. Two hours lecture. Four hours lab. Four semester hours credit.

ACT 1133 — TOOLS AND PIPING — Various tools and pipe connection techniques. Covers tools and test equipment required in heating, ventilation, air conditioning and refrigeration. Two hours lecture. Two hours lab. Three semester hours credit.

ACT 1214 — CONTROLS — Fundamentals of gas, fluid, electrical and programmable controls. Two hours lecture. Four hours lab. Three semester hours credit.

ACT 1313 — REFRIGERATION SYSTEM COMPONENTS — An in-depth study of the components and accessories of a sealed system including metering devices, evaporators, compressors and condensers. Two hours lecture. Two hours lab. Three semester hours credit.

ACT 1713 — ELECTRICITY FOR HEATING, VENTILATION, AIR CONDITIONING AND REFRIGERATION — Basic knowledge of electricity,

power distribution, components, solid state devices and electrical circuits. Two hours lecture. Two hours lab. Three semester hours credit.

ACT 1813 — PROFESSIONAL SERVICES PROCEDURES — Business ethics necessary to work with both the employer and customer. Includes resume, record keeping, and services contracts. Two hour lecture. Two hours lab. Two semester hours credit.

ACT 2324 — COMMERCIAL REFRIGERATION — A study of various commercial refrigeration systems. It includes installation, servicing and maintaining systems. Two hours lecture. Four hours lab. Four semester hours credit.

ACT 2414 — AIR CONDITIONING I — Various types of residential and commercial air conditioning, including hydronic, absorption and desiccant systems. Two hours lecture. Four Hours lab. Four semester hours credit.

ACT 2424 — AIR CONDITIONING II — An in-depth course in the installation, start-up, maintenance and air quality of complete heating and air conditioning systems. Two hours lecture. Four hours lab. Four semester hours credit.

ACT 2433 — REFRIGERANT, RETROFIT AND REGULATIONS — Regulations and standards for new retrofit and government regulations. Includes OSHA regulations, EPA regulations, local and state codes. Two hours lecture. Two hours lab. Three semester hours credit.

ACT 2513 — HEATING SYSTEMS — Various types of residential and commercial heating systems. Includes gas, oil, electric, compression and hydroponic heating systems. Two hours lecture. Two hours lab. Three semester hours credit.

ACT 2624 — HEAT LOAD AND AIR PROPERTIES — Introduction to heat load calculations for residential and light commercial heating, ventilation, air conditioning and refrigeration systems. Included are air distribution, duct sizing selection of grills and register, types of fans, air velocity and fan performance. An introduction is provided to air testing instruments and computer usage. Two hours lecture. Four hours lab. Four semester hours credit.

HOTEL AND RESTAURANT MANAGEMENT TECHNOLOGY

HRT 1114 — CULINARY PRINCIPLES I — Fundamentals of food preparation and cookery emphasizing high standards for preparation of meat, poultry, seafood, vegetables, soups, stocks, sauces, and farinaceous items. Two hours lecture. Four hours lab. Four semester hours credit.

HRT 1123 — INTRODUCTION TO HOSPITALITY AND TOURISM INDUSTRY — An introduction to the hospitality and tourism industry. Discussions and industry observations to discover the opportunities, trends, problems, and organizations in the field. Three hours lecture. Three semester hours credit.

HRT 1213 — SANITATION AND SAFETY — Basic principles of microbiology, sanitation, and safety for a food service operation. The course studies the implementation of sanitation procedures, cost control, risk reduction standards in a hospitality operation. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 1224 — RESTAURANT AND CATERING OPERATIONS — Principles of organizing and managing a food and beverage operation. Two hours lecture. Four hours lab. Four semester hours credit.

HRT 1413 — ROOMS DIVISION MANAGEMENT — An operational approach to rooms division management in the hospitality industry including front office management and housekeeping operations. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 1511 — HOSPITALITY SEMINAR — Leadership and management skills necessary for success in hospitality and tourism management. The course addresses computer based management systems. One semester hour credit.

HRT 1813 — THE PROFESSIONAL TOUR GUIDE — Activities associated with organizing, booking, and conducting group tours. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 1823 — THE TRAVEL AGENCY — A detailed exploration of travel agency operation to include physical structure, staffing needs, client needs, legal implications, interaction with travel and lodging, and accreditation. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 1833 — TRAVEL AND TOURISM GEOGRAPHY — Location, currency, port of entry, and form of governments in various countries around the world. Exercises involve itinerary planning, knowledge of time zones, and familiarity with the countries' natural, cultural, and entertainment attractions. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2233 — FOOD AND BEVERAGE CONTROL — Principles and procedures involved in an effective food and beverage control system, including standards determination, the operating budget, cost-volume profit analysis, income and cost control, menu pricing, labor cost control, and computer applications. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2323 — HOSPITALITY FACILITIES MANAGEMENT AND DESIGN — Design and manage the physical plant of a hotel or restaurant and work effectively with the engineering and maintenance department. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2423 — SECURITY MANAGEMENT — Issues surrounding the need for individualized security programs. Examines a variety of security equipment and procedures and discusses internal security for food service and lodging operations. This course provides awareness of the rights and responsibilities that the law grants to or imposes upon a hotelier and consequences of failure to satisfy legal obligations. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2613 — HOSPITALITY SUPERVISION — Supervisory skills in leadership styles, communication skills, motivational techniques, employee training techniques, and evaluation methods. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2623 — HOSPITALITY MANAGEMENT — Principles of hospitality human resource management with an emphasis placed on the study of human behavior and human relations in the hospitality industry. Three hours lecture. Three semester hours credit.

HRT 2713 — MARKETING HOSPITALITY SERVICES — This course covers the application of marketing methodologies and terms to the hospitality and tourism industry, the use of sales techniques for selling to targeted markets, and developing marketing plans for hospitality and tourism operations. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2843 — SEMINAR IN TRAVEL AND TOURISM — Simulations of activities related to travel and tourism including reservation tasks and services. Two hours lecture. Two hours lab. Three semester hours credit.

HRT 2853 — CONVENTION AND MEETING PLANNING — Planning, promotion, and management of meetings, conventions, expositions, and events. Three semester hours credit. Two hours lecture. Two hours lab.

HRT 2863 — TOURISM PLANNING AND DEVELOPMENT — This course is designed to provide the knowledge to plan and implement the marketing and management of special events and tourism events. Two hours lecture. Two hours lab. Three semester hours credit.

MACHINE TOOL TECHNOLOGY

MST 1115 — POWER MACHINERY I — This course provides instruction of general shop safety as well as the operation of power machinery which includes instruction and practice in the safe operation of lathes, power saws, drill presses, and vertical mills. Two hour lecture, six hour lab. Five semester credit hours.

MST 1125 — POWER MACHINERY II — (Prerequisite: Power Machinery I MST 1115) A continuation of Power Machinery I with emphasis on more advanced applications of lathes, mills, shapers, and precision grinders. Two hours lecture. Six hours lab. Five semester hours credit.

MST 1313 — MACHINE TOOL MATHEMATICS — An applied mathematics course designed for machinists. Includes instruction and practice in algebraic and trigonometric operations. Two hours lecture. Two hours lab. Three semester hours credit.

MST 1413 — BLUEPRINT READING — Plans and specifications interpretation designed for machinists. Includes instruction and practice in reading and applying specifications. Two hours lecture. Two hours lab. Three semester hours credit.

MST 1423 — ADVANCED BLUEPRINT READING — (Prerequisite: Blueprint Reading (MST 1413). A continuation of Blueprint Reading with emphasis on advanced feature of plans & specifications. Includes instruction on the identification of various projections and views and on different assembly components. Two hours lecture. Two hours lab. Three semester hours credit.

MST 1613 — PRECISION LAYOUT — Precision layout for machining operations which includes instruction and practice in the use of layout instruments. Two hours lecture. Two hours lab. Three semester hours credit.

MST 2135 — POWER MACHINERY III — (Prerequisite: Power Machinery II, MST 1124). A continuation of the Power Machinery II with emphasis on safety and advanced applications of the engine lathe, milling machine, and grinding machine. Two hours lecture. Six hours lab. Five semester hours credit.

MST 2144 — POWER MACHINERY IV — (Prerequisites: Power Machinery III, MST 2135). A continuation of Power Machinery III with emphasis on highly advanced safety operations of the radial arm drill, milling machine, engine lathe, and precision grinder. Two hours lecture. Four hours lab. Four semester hours credit.

MST 2714 — COMPUTER NUMERICAL CONTROL OPERATIONS I — An introduction of computer numerical control (CNC) and computer assisted manufacturing (CAM) techniques and practices. Includes the use of the Cartesian coordinate system, programming codes and commands and tooling requirements for CNC/CAM machines. Three hours lecture. Two hours lab. Four semester hours credit.

MST 2725 — COMPUTER NUMERICAL CONTROL OPERATIONS II — (Pre/Co-requisite: Computer Numerical Control Operations I, MST 2714). A continuation of Computer Numerical Control Operations I. Includes instruction in writing and editing CNC programs, machine setup and operation, and use of CAM equipment to program and

operate CNC machines. Two hours lecture. Six hours lab. Five semester hours credit.

MST 2813 — METALLURGY — Safety concepts of metallurgy. Including instruction and practice in metal identification, heat treatment, and hardness testing. Two hours lecture. Two hours lab. Three semester hours credit.

WORK-BASED LEARNING

WBL 1913, 1923, 2913 & 2923 — WORK-BASED LEARNING — The Work-Based Learning course is designed for students enrolled in career-technical programs and employed in parallel workplace environments for a minimum of 15 hours per week. Course content is based upon a model course curriculum, defined workplace requirements, and specific objectives addressing competent workplace performance. Three semester hours credit based upon 270 approved contact hours of work experience.

TECHNICAL EVENING CLASSES

Regular college courses are offered on campus during the day and evenings and off campus in the evening at various locations in the college district including Carthage, Forest, Louisville, Morton, Philadelphia, and the Choctaw Hospitality Institute near Philadelphia. The same instructional standards are maintained and the same tuition and fees apply as stated in the catalog for campus day students.

SPECIAL POPULATIONS SUPPORT SERVICES

The Test of Adult Basic Education (TABE) will be administered to all career students upon entering school. Results from this test will be used to identify students that need help in reading, math and language. Any student needing help in these areas will be assigned to the Special Populations Support Services Center until he/she achieves the functioning level needed to receive full value of the education he/she is pursuing.

The following entrance and exit criteria will be used for technical students:

1. Technical students who are recommended for Developmental Mathematics (through the assessment process) will be scheduled for the Support Services program.
2. Technical students who are recommended for Developmental English or Reading (through the assessment process) will be scheduled for the Support Services program.

3. After completing course requirements and exiting the mathematics portion of the Support Services program, technical students will schedule Developmental Algebra, if needed, or Intermediate Algebra.
4. After completing course requirements and exiting the reading/ language portion of the Support Services program, technical students will schedule Developmental English (if needed) or English Composition I.

RESIDENTIAL CARPENTRY

- CAV 1116 — FOUNDATIONS — Classroom instruction in the different types of foundations used in residential construction. Lay-out and set-up of a conventional foundation for a residential dwelling. One hundred eighty clock hours. Two hours lecture. Eight hour lab. Six semester hours.
- CAV 1123 — FORMING APPLICATIONS — The study of different types of forms used in residential carpentry. Practical work experience in lay-out, assembly, and use of forms for concrete structures in residential carpentry. Ninety clock hours. Two hours lecture. Two hours lab. Three semester hours.
- CAV 1133 — BLUEPRINT READING — The study of the different plans in a set of house plans and the symbols used in each of them to identify the parts of a structure. Ninety clock hours. Two hours lecture. Two hours lab. Three semester hours.
- CAV 1236 — FLOOR & WALL FRAMING — Theory and practical work experience in estimating, cutting, and installing floor and wall framing members. One hundred eight clock hours. Two hours lecture. Eight hour lab. Six semester hours.
- CAV 1245 — CEILING & ROOF FRAMING — Theory and practical work experience in estimating materials for ceiling and roof framing members. Hands-on experience in measuring, cutting, and the installation of different types of ceiling and roof framing members. One hundred fifty clock hours. One hour lecture. Eight hours lab. Five semester hours.
- CAV 1316 — INTERIOR FINISHING & CABINET MAKING — The study of all areas of interior wall, ceiling and floor finishing and cabinet making. One hundred eighty clock hours. Two hours lecture. Eight hour lab. Six semester hours.
- CAV 1413 — ROOFING — Theory and actual work experience in the study of roofing materials. Hands-on experience in the lay-out and installation of roofing. Ninety clock hours. One hour lecture. Four hours lab. Three semester hours.

- CAV 1513 — EXTERIOR FINISHING — The study of different types of exterior wall coverings, cornices and eaves. Installation of exterior siding, cornices, and molding. Ninety clock hours. One hour lecture. Four hours lab. Three semester hours.
- CAV 2113 — PRINCIPLES OF MULTI-FAMILY & LIGHT COMMERCIAL CONSTRUCTION — The study of apartment, motels, and other commercial buildings and how they are built. Ninety clock hours. Three semester hours.
- CAV 2133 — ADVANCED CABINET MAKING — The study of special types of cabinets, cabinet doors, cabinet hardware, and countertops. Ninety clock hours. Three semester hours.
- CAV 2313 — ADVANCED INTERIOR FINISHING — Theory and practical work experience in the use of special types of molding, paints, floor coverings and ceiling tiles. Ninety clock hours. Three semester hours.

COSMETOLOGY

- COV 1122 — COSMETOLOGY ORIENTATION — This course will cover the history, career opportunities, life skills, professional image, Mississippi Cosmetology laws, rules and regulations and communicating for success in the cosmetology industry. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two hours lecture. Two semester hours credit.
- COV 1245 — COSMETOLOGY SCIENCES I — This course consists of the study of bacteriology, sterilization and sanitation. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three hours lecture. Six hours lab. Five semester hours credit.
- COV 1255 — COSMETOLOGY SCIENCES II — This course consists of the study of anatomy and physiology. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three hours lecture. Four hours lab. Five semester hours credit.
- COV 1263 — COSMETOLOGY SCIENCES III — This course consists of the application and demonstration of chemistry, and electricity. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two hours lecture. Three hours lab. Three semester hours credit.

COV 1426 — HAIR CARE I — This course consists of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two hours lecture. Twelve hours lab. Six semester hours credit.

COV 1436 — HAIR CARE II — This course consists of the advanced study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; wigs and hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Two hours lecture. Twelve hours lab. Six semester hours credit.

COV 1443 — HAIR CARE III — This course consists of the practical applications of the study of properties of the hair and scalp; principles of hair design; shampooing, rinsing, and conditioning; haircutting; hairstyling; braiding and braid extensions; hair enhancements; chemical texture services, and hair coloring. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Three semester hours credit. Nine hours lab.

COV 1522 — NAIL CARE I — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. One hour lecture. Three hours lab. Two semester hours credit.

COV 1532 — NAIL CARE II — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. One hour lecture. Three hours lab. Two semester hours credit.

COV 1542 — NAIL CARE III — This course consists of basic nail care services including nail structure and growth, manicuring and pedicuring, and advanced nail techniques. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Six hours lab. Two semester hours credit.

COV 1622 — SKIN CARE I — This course consists of the introduction to basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. One hour lecture. Three hours lab. Two semester hours credit.

COV 1632 — SKIN CARE II — This course consists of basic skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. One hour lecture. Three hours lab. Two semester credit hours.

COV 1642 — SKIN CARE III — This course consists of advanced skin care services including anatomy of skin, disorders of skin, hair removal, facials, and facial makeup. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. Six hours lab. Two semester hours credit.

COV 1722 — SALON BUSINESS I — This course will cover preparing to operate a successful salon. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. One hour lecture. Three hours lab. Two semester hours credit.

COV 1732 — SALON BUSINESS II — This course will cover operating a successful salon and seeking employment. Included are classroom theory and lab practice as governed by Mississippi cosmetology laws, rules, and regulations involved in cosmetology practices and safety precautions associated with each. One hour lecture. Three hours lab. Two semester hours credit.

COSMETOLOGY TEACHER TRAINING

COV 2816 — COSMETOLOGY TEACHER TRAINING I — (Pre/co requisites: Students must have at least two years of active practical experience as a licensed cosmetologist and currently hold a valid Mississippi cosmetology license.) Instruction will be given in developing appropriate communication skills, effective use of visual aids, identification of various teaching styles, and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

COV 2826 — COSMETOLOGY TEACHER TRAINING II — (Pre/co requisites: COV 2816 Cosmetology Teacher Training I) Instruction will be given in development of instructional methods, development of visual aids, development of effective evaluation, and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

COV 2836 — COSMETOLOGY TEACHER TRAINING III — (Pre/co requisite: Cosmetology Teacher Training II COV 2826) Professional application and training includes: Laws Governing Learning Processes, Student Motivation, Student Participation, Student Personalities and Individual Differences, Ninety-nine clock hours. Three lecture hours. Nine hours lab. Three semester hours credit.

COV 2846 — COSMETOLOGY TEACHER TRAINING IV — (Pre/co requisite: COV 2836 Cosmetology Teacher Training III) Instruction will be given in classroom management techniques; cosmetology laws, rules, and regulations; and practical application of cosmetology instruction. Three hours lecture. Nine hours lab. Six semester hours credit.

WELDING AND CUTTING

WLW 1116 — SHIELDED METAL ARC WELDING I (SMAW) — This course is designed to teach students welding techniques using E-6010 electrodes. One-hour lecture, 10 hours lab. Six semester hours credit.

WLW 1124 — GAS METAL ARC WELDING (GMAW) — This course is designed to give the student experience in various welding applications with the (GMAW) welder including short-circuiting or pulsed transfer. One hour lecture, 6 hours lab. Four semester hours credit.

WLW 1136 — GAS TUNGSTEN ARC WELDING (GTAW) — This course is designed to give the student experience in various welding applications with the GTAW process. One hour lecture. Ten hours lab. Six semester hours credit.

WLW 1143 — FLUX CORED ARC WELDING (FCAW) — This course is designed to give the student experience using FCAW process. One hour lecture. Four hours lab. Three semester hours credit.

WLW 1171 — WELDING SAFETY INSPECTION AND TESTING PRINCIPLES — This course is designed to give the student experience in safety procedures, inspection and testing of welds. One semester hour credit. Two-hour lab.

WLW 1226 — SHIELDED METAL ARC WELDING II (SMAW) — This course is designed to teach students welding techniques using E-7018 electrodes. One hour lecture. Ten hours lab. Six semester hours credit.

WLW 1232 — DRAWING AND WELDING SYMBOL INTERPRETATION — This course is designed to give the student advanced experience in reading welding symbols and drawings. One hour lecture. Two hours lab. Two semester hours credit.

WLW 1314 — CUTTING PROCESSES — This course is designed to give the student experience in oxyfuel cutting principles and practices, air-carbon cutting and gouging, and plasma arc cutting. Two hour lecture. Four hours lab. Four semester hours credit.

WORK-BASED LEARNING

WBL 1913, WBL 1923, WBL 2913, WBL 2923 — A structured work-site learning experience in which the student, program area teacher, Work-Based Learning Coordinator, and worksite supervisor/mentor develop and implement an educational training agreement. Designed to integrate the student's academic and technical skills into a work environment. Included regular meetings and seminars with school personnel for supplemental instruction and progress reviews. Three to nine hours externship. One to three semester hours.

TRADE, INDUSTRIAL AND TECHNICAL

BLUEPRINT READING — Instructions in fundamentals, lines, views, notes and specifications, dimensions, shapes, abbreviations and symbols, sections, details and assembly, precision instruments. Length of course to be determined by industry.

CARPENTRY I, II, III, & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the basic skills and technical knowledge in both rough and finish carpentry. Six CEU's.

COMPUTER APPLICATIONS — Three hours per night, one night per week for an established number of consecutive weeks. Instruction and hands-on training sessions for beginners through advanced computer users dealing with MS Office applications. CEU credit is available.

ELECTRICITY I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the electrical trade to include the following areas: use of electrical tools and instruments, basic electricity, residential and commercial wiring, motor testing, controls and related science. Six CEU's.

INDUSTRIAL MAINTENANCE APPRENTICESHIP — Instructions in elements of mechanics, lubrication of drive components, bearings, pumps, piping systems, basic hydraulics, hydraulic trouble-shooting, tools, measurements, trouble-shooting skills, pneumatics, blueprints and schematics. Length of courses determined by requirements to achieve credential per each of 5 levels.

MACHINE SHOP I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in machine shop to include the following areas: precision measuring instruments, tools, materials, heat treating, bench work, drilling machines, milling machines, lathes and shaper, jig, boring and girding machines, and abrasive and cutting fluids. Six CEU's when offered on campus. If offered in industry, length of course is determined by the industry.

PERSONNEL MANAGEMENT — Instructions in the management system, personnel program, staffing the organization, employee potential, behavior management, labor relations, remuneration, security, and management of the future. Length of course to be determined by the industry.

REFRIGERATION, AIR-CONDITIONING & HEATING I, II, III & IV — Three hours per evening, two evenings per week for ten weeks. Instruction and practice in the A-C and refrigeration trade to include the following areas: basic electricity, motors and controls, service tools, fundamentals of refrigeration, compression systems and construction, refrigerants and controls, cabinets, materials, absorption, systems, hermetic units, and commercial refrigeration and heating application. Six CEU's.

SUPERVISORY TRAINING — Instructions in history of company, the art of supervision, planning, organizing, directing and leadership, controlling, decision making, motivation, communication, team work, performance and role playing. Length of course determined by needs of industry.

TRUCK DRIVING — A course of 280 training hours consisting of classroom instruction and practical application of truck driving skills. Successful completion of the course results in the trainee receiving a Class A Commercial Drivers license.

OTHER

CAKE DECORATING — Two hours per night, one night a week for 6 weeks. (1.2 CEU's) Instruction in making icing, frosting, making decorating cones, and equipment, and making the following designs: sweet pea, clown, basket, heart, wedding, bathing suit, doll, etc.

ART YOUTH PROGRAM — The Art for Youth Program is organized under the supervision of the Office of Adult and Continuing Education with a certified art instructor. All classes are held in the ceramics lab of South Campus located at East Central Community College in Decatur, MS. The classes will consist of a variety of art activities modified for all levels of artistic ability. Activities will include ceramics, drawing, paint-

ing, and work in three-dimensional drawing. Students ages 7-17 may enroll in the program. Youth ages 7-11 will meet from 6:00 to 7:00 p.m. while youth ages 12-17 will meet from 7:00 until 8:00 p.m. Classes will meet only on Tuesday nights. The maximum number of students allowed in each class will be 12. The Art for Youth Program is an open entry-open exit type of program. A student may enroll or may exit the program at any time

AUTO MECHANICS (carburetor and electrical) — Three hours per evening for two evenings per week. Instructions in fuel system, fuels, types of carburetors, types of fuel pumps, air cleaners and manifolds. Electrical system-magnetism and electricity, generators, ignitions, lighting, schematics and diagram reading and symbols. Six CEU's.

VOLUNTEER FIREMANSHIP — Two and one-half hours per day for 4 days. Instructions in fire triangle, travel, transfer of heat, exposure, chemistry of petroleum, fire, use of equipment, operation of truck, breathing equipment, fire stream, forcible entry and coordination of attack. 1 CEU

BEGINNING PAINTING — A studio course designed for the beginner pertaining to the use and knowledge of various painting media as well as decorative crafts. 3 CEU's

BEGINNING CERAMICS — A studio course designed for the beginner pertaining to the use and knowledge of various clays in hand building three dimensional art objects. An application of ceramic glaze and firing procedures will also be included. 3 CEU's

BEGINNING PHOTOGRAPHY — Two hours per night, one night a week for ten weeks. 2 CEU's. Instruction in examining camera functions and care, types of films and accessories, operation of camera, introduction to various types of photography, developing film, printmaking and mounting for display. 2 CEU's

NON-DISCRIMINATION

East Central Community College does not discriminate on the basis of race, color, national origin, sex, disability, religion, or age in admission or access to, or treatment or employment in its programs and activities. Compliance with Section 504 and Title IX is coordinated by Dr. Lavinia Sparkman, Vice President for Instruction, Walter Arno Vincent Administration Building, Rm. 171, and P. O. Box 129, Decatur, MS 39327. 1-601-635-6202, fax: 1-601-635-4011.

APPLICATION FOR HOUSING

Please complete and return to
East Central Community College
Business Office
P.O. Box 129
Decatur, MS 39327

This application must be typed or printed and may accompany the admissions application if the applicant intends to live in campus housing. An application for admissions must be on file before this application can be processed. **A \$60.00 room deposit must accompany this form in order for the housing reservation to be complete.** If you have already sent an admissions application, or if you are a current student, please send this application along with your room deposit to the Business Office.

The deposit will be refunded when the student officially checks out of the residence hall, unless the student is charged with room damage or the loss of keys. The deposit will be refunded if the reservation is canceled by August 1st of the year of enrollment.

*Married Housing is available, for more information please contact Mr. Gene Davis at 635-2111 ext. 279.
